

HO HUM!

Extra Choruses

Lyric by EDWARD HEYMAN

Music by DANA SUESSE

3.

HO HUM! looking brightly,
HO HUM! eating very lightly,
HO HUM! dancing nightly,
For you and me.
HO HUM! trips to Boston,
HO HUM! detours to be lost in,
HO HUM! in the Austin,
For you and me.
There's one thing on which we agree,
Spring is very young, so are we.
HO HUM! silks and satins,
HO HUM! food that never fattens,
HO HUM! grass that flattens,
For you and me.

4.

HO HUM! springtime follies,
HO HUM! latest fashion dollies,
HO HUM! hot tamales,
For you and me.
HO HUM! shrimp and salmon,
HO HUM! petting we will cram in,
HO HUM! no backgammon,
For you and me.
We will spend the hours outdoors,
You in shorts and me in plus-fours.
HO HUM! never failing,
HO HUM! up the river sailing,
HO HUM! 'ginger-aling',
For you and me.

7.

HO HUM! happy horses,
HO HUM! baby golfing courses,
HO HUM! no remorsees,
For you and me.
HO HUM! fancy knickers,
HO HUM! shiny yellow slickers,
HO HUM! funny flickers,
For you and me.
Crowds and crowds and crowds walking by,
Clouds and clouds and clouds in the sky.
HO HUM! soda glasses,
HO HUM! getting base-ball passes,
HO HUM! sweet molasses,
For you and me.

5.

HO HUM! pigeons cooing,
HO HUM! sentimental wooing,
HO HUM! birch canoeing,
For you and me.
HO HUM! street musicians,
HO HUM! heavenly conditions,
HO HUM! great ambitions,
For you and me.
Spring is in the park, on the street,
Spring is in my smile, in my feet.
HO HUM! frogs are groaning,
HO HUM! mandolins are moaning,
HO HUM! 'sex-aphoning',
For you and me.

6.

HO HUM! bluebirds know me,
HO HUM! where's the kiss you owe me?
HO HUM! beer is foamy,
For you and me.
HO HUM! bees are beeing,
HO HUM! all the fleas are fleeing,
HO HUM! trees are treeing,
For you and me.
Even Joe Giraffe feels it too,
Necking with his mate in the Zoo.
HO HUM! L-A-Z-Y,
HO HUM! anyone can see why,
HO HUM! don't ask me why,
And so, HO HUM!
