

Like the knights of old they seem they're the Fight-ing Car-di-nal Team.

They're from Mis-sou-ri and they fight with a fu-ry For they've got that ratt-ling batt-ling spir-it

They're out to win it If they don't get to win it you can bet they - 'll come gol - darn near it

See the clouds, — They're clear-ing Hear the crowds — They're cheer-ing
