

(D7) G7

I can al-most hear him sigh-ing
All the world is dark and gloom-y

(C7) C7-7 (Dm) (A7)

'Cause he has to stop his fly-ing I can eas-ly sym-pa-thize-
No-one gives af-fec-tion to me Wish that I could fly a-way-

(Dm) (Dm7) (G7) (C) (C) (A7) (C)

With those help-less but-ter-flies
To some-bod-y's arms to-day
