SOUTH SHORE COUNTRY CLUB

AMELIA EARHART

The SSCC welcomes you,
As did the U.S.A.
When from Honolulu you did fly
Alone to Frisco Bay;
Which was but one of many acts
And noble deeds of yours,
To gain for you life's greatest gift—
True love that long endures.

Not only are you fearless, brave,
But you've a woman's heart,
And versed in many, many things
Besides the flying art;
And art it is to fly alone
Across the ocean grand,
And drop to earth from out the fog
Just where you ought to land.

Amelia, your fair presence here
Does honor to us all,
And when you fly high in the sky
We'll pray that you ne'er fall;
Nor matters it where you may be,
On land or o'er the sea,
We hope your thoughts may quite oft turn
To old SSCC.
