Subject: Increase of Salaries.  
Gentlemen,

I herewith enclose two applications one from our School Mistress Miss Wallace and one from our Assistant Miss E. Met-calf. both for increase of Salary.

I have laid both applications before the Managers of the School at a meeting held on the 7<sup>th</sup> inst. when it was moved and carried unanimously that both applications have a rise of £5 per Year.

The Managers highly recommend that this be granted them, as they would not like to part with either Mistress or Assistant. As they are well satisfied with the way that the School is taught.

Dear Sir

at a meeting of the Committee of Managers held last evening, I was instructed to write you in respect to the Inadequate Heating of the above school

The school is heated by one stove which is at the end, there is also a fire grate at the same end, and nothing at the other which is very cold at that end for the children in winter time

therefore I have to ask if you will allow the Committee to remove the stove to the other end of the school then the stove will be at one end and the fire grate at the other which the Committee think will be a great improvement, hoping this will meet with your approval

Re Minutes & School Trust

Dear Sir

Adverting to your letter of the 14<sup>th</sup> inst. I have to day given Miss Jane Butcher notice to terminate her services on the 31<sup>st</sup> day of Jan'y 1910. by order of the Managers

The Managers are quite satisfied with the proposal that Mr. Brookbank visit the schools named with a view of his being instructed in present school methods, and trust that this will be the means of restoring Kilda school to its former efficiency.
