My Dear Mr. Whitaker

My little book
(Wild life at Stone) will
be out tomorrow so
I want to send a
copy for your acceptance.
The first 300 has

you of it like hot
cakes before publication
so it looks as if it
would "burn" and
account to some extent
to poor authors.
I will let you
know as soon as
I hear what Lowell
thinks of your suggestion
If they reject it I
should like to do
an illustrated article
on you and your

wonderful collection for me of
the magazines
With very kind regards to the
Astor, Tuckwell, and
Langley's remains
Yours truly
P. Stearns
I will send you a copy directly I can get
P.S. I'm very disappointed
to hear that you don't
think of getting
"The History of the
United States"
I would like to see it
if you have it
