

National March on Washington for Lesbian and Gay Rights

We Too, Have A Dream . . .

The first March on Washington for Lesbian and Gay rights was held in October 1979.

Much has happened since then—Much has not.

With the specter of AIDS in our community and a continued threat to our civil rights the movement toward equality for gays and lesbians needs a new energy. On October 11, 1987 the second **National March on Washington for Lesbian and Gay Rights** will give us a new beginning.

Lesbians, gays and civil rights supporters are going to march on Washington to demand those rights that continue to be denied.

There is only one thing that can make a difference—**YOU**.

We need your help to make this dream into a reality.

Yes, I want to support the **National March on Washington for Lesbian and Gay Rights**.
