

Minutes of the Regular Annual 1930 Meeting of the Common Council of the City of Reedsport, held at the City Hall on January 6th, 1930 at 8:00 P. M.

Mayor Buck and all Councilmen were present.

The minutes of the last regular meeting were read and approved.

Nominations for President of the Council for the ensuing year were called for, and Paul Bernhardt was nominated. There being no further nominations, the City Recorder was instructed to cast a unanimous ballot for Paul Bernhardt to succeed himself, and he was declared elected for the year 1930.

Communications:

Attorney Benson read a lengthy letter from M. V. Watson, of the Peoples West Coast Hydro-Electric Corporation, concerning the electric service in Reedsport, and after considerable discussion over the matter, Councilmen Weidner and Ford were appointed by the Mayor to meet with C. M. Danielson, local manager of the corporation, and instructed to work out, if possible, a plan that would be feasible for a standby service.

The Mayor then read two letters from E. A. Collier, Division Engineer of the Oregon State Highway Commission, concerning the matter of guardrail at the gravel pit on the west side of Schofield River. It seemed to be the general opinion of the Council that something should be done, but no definite action was taken.

In accordance with instructions of previous meeting for Water Commissioner and City Recorder to send in samples of drinking water to the Oregon State Board of Health for testing, it was reported that samples had been collected as of December 9th and forwarded to the Board; that two water reports had been received, one on the sample taken near the intake at the lake, and the other from faucet in the bank building; that both reports showed the water to be in "C" condition, which was polluted and unsafe for drinking purposes. It was also stated that the Recorder had forwarded another sample on December 31st but that the report from the Board of Health had not yet been received. No definite action was taken on this matter at the time.

Councilman Ford then read a memorandum from G. E. Krieger, District Manager of the West Coast Telephone Company, showing there would be a cost of \$46.50 for installing a Police Light, after which there would be a monthly rent of \$1.50. After a full discussion of the matter it was moved, seconded, and carried that the light be installed, location of which was to be determined by the Light Committee.

Reports of the City Recorder and City Treasurer were submitted to the Council.

Under the order of new business, applications for licenses for operating pool halls for the ensuing year, were presented by E. H. Ford and Johnson & Johnson, together with fees in the amount of \$37.50 and \$25.00 respectively. It was regularly moved, seconded and carried, that the applications be accepted and the licenses granted.

Application of J. R. Browne for permit to erect a one story concrete building on Lot 15 of Block 76, Amended Plat of Railroad Addition to Reedsport, was approved.

It was moved, seconded, and carried, that the City Recorder write a formal letter to the officers of the Moose Lodge demanding to know who is responsible for the dances that are now being held in the Moose Hall, and also to incorporate in the letter a statement to the effect that many complaints have come to various members of the Council of disorderly conduct at the dances, with a view to having same properly regulated and conducted.

The following resolution was read by Attorney Benson, and upon motion regularly made, seconded and carried, was adopted, to-wit:

RESOLUTION NO. 82

WHEREAS, on the 6th day of June, 1927, Reedsport Garage, a corporation, conveyed unto the City of Reedsport, for street purposes and for public use, a strip of land, ten feet in width, across certain lands owned by said Reedsport Garage, grantor therein, and

WHEREAS, said deed recites, among other lands, "A strip of land Ten (10) feet in width, adjacent to and parallel with "L" Street, which said strip of land is through and across Lot Two (2) in Block Eighty-one of Railroad Addition to the City of Reedsport, according to the Amended Plat thereof" and

WHEREAS, said strip of land so conveyed is not adjacent to said "L" Street, and it was the intention of said Reedsport Garage to convey a strip of land ten feet in width, parallel to and adjacent to "L" Street, in Lot Five (5) of said Block Eighty-one (81) of said Amended Plat of Railroad Addition to Said City, and

WHEREAS, said Reedsport Garage, by instrument of even date herewith, has conveyed unto said City of Reedsport said strip of land across said Lot Five of said Block Eighty-one, of said Amended Plat of Railroad Addition to said City,

NOW THEREFORE,

IT IS RESOLVED BY THE CITY OF REEDSPORT

That the City of Reedsport do and its Mayor and Recorder are hereby authorized to make, execute and deliver unto Reedsport Garage, a corporation, a deed of conveyance, conveying unto said Reedsport

Garage a strip of land, ten feet in width, over and across Lot Two of Block Eighty-one of the Amended Plat of Railroad Addition to the City of Reedsport, for the purpose of correcting the error hereinabove set out, and

IT IS FURTHER RESOLVED, that said City accept a deed from said Reedsport Garage, conveying unto said City a strip of land over and across Lot Five of Block Eighty-one of said Railroad Addition to said City; and the Recorder is hereby authorized to record said deed for and on behalf of said City.

Passed and adopted at regular meeting of the Common Council of the City of Reedsport, this 6th day of January, 1930, by the following vote:

Aye 5
Nay 0

Minutes of the regular February, 1930 Meeting of the Common Council of the City of Reedsport held on February 3rd, 1930 at 8:00 P. M.

Mayor Buck and all Councilmen were present.

Minutes of the last regular meeting were read and approved.

Communications:

A petition signed by eighty-three citizens and taxpayers of the City of Reedsport, urging that the City Council take up with the Public Service Commission the proposal to raise the railroad track at least four feet at the undercrossing on 12th Street, and provide for the widening of the undercrossing to 32 feet inside clearance, was presented. After due consideration it was decided that a letter be directed to the Southern Pacific Company asking for the improvement as requested in the petition, except that the width requested be 40 feet instead of 32 feet. It was ordered that the City Recorder write this letter to the Southern Pacific Company.

The annual report of the Fire Department for 1929 was read and ordered filed. The Department recommended the purchase of 250 feet of 2½" hose and the installation of five additional hydrants on Schofield Heights in accordance with plans attached to the report. Upon motion of Councilman Weidner, seconded and carried, the purchase of 300 feet of 2½" hose was authorized, subject to securing of suitable price and terms. Water Commissioner Clarke called attention to the fact that the installation of the hydrants as recommended could not be made to advantage until the larger water main proposed along Winchester Avenue was installed.

Letter from Governor Norblad addressed to Mayor Buck under date of January 27th, relative to an Oregon Economic Conference to be held February 11th, 1930 at Portland, was submitted.

Letter from Oregon State Board of Health under date of January 2nd, explaining the water test reports, was next read. The City Recorder called attention to the water report on last water test sent, which showed water to be in "C" condition. The Council appeared to be of the opinion that it was not necessary to take any action towards chlorination at this time.

Financial reports from the City Treasurer and the City Recorder were submitted and ordered filed.

Considerable discussion followed regarding the present status of the Umpqua Highway crossing at the railroad track. Upon motion regularly made, seconded and carried, it was ordered that the Mayor appoint two councilmen and the city attorney to interview the engineer of the Highway Commission and the Public Service Commission with a view to securing the completion of the short stretch across the railroad track without expense to the city. It was suggested that this interview be arranged with the cooperation of the Umpqua Highway Improvement District Commission. Mayor Buck appointed Councilmen Weidner and Ford and City Attorney Benson to represent the City in this matter.

Councilman Ford, Chairman of the Light Committee, recommended the installation of an additional light in Rainbow Addition No. 2 in the vicinity of the C. C. Clarke dwelling. Upon motion duly made, seconded and carried, this additional light was authorized.

Attention of the Council was called to the fact that a number of young boys have been loitering about the streets and stores late at night in violation of the curfew ordinance of the city. After some discussion it was authorized that the siren be sounded a short blast at 9:00 o'clock as a curfew

signal, and that a stricter enforcement of the Curfew Ordinance be carried out by the Marshal.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Minutes of the regular March 1930 Meeting of the Common Council of the City of Reedsport, held on Monday, March 3rd, 1930 at 8:00 P.M.

Mayor Buck and all Councilmen were present.

The minutes of the last regular meeting were read and approved.

Communications:

Letter under date of February 24th from West Coast Telephone Company, stating that the company would be glad to cooperate with the city in operation of a curfew signal, under conditions as outlined in the Recorder's letter to it of February 21st, was read.

Letter from Mr. E. L. King, Superintendent of the Southern Pacific Company, dated February 27th, in answer to letter of the Recorder dated February 21st, requesting that certain improvements including raising of the track approximately four feet at the under crossing at intersection of H Street and East Railroad Avenue, was next read. Mr. King stated that it was not the intention of the Southern Pacific Company to raise its tracks for the reason that such work would involve a large expenditure. However, if the City felt that the work was necessary and was willing to assume entire expense and file sufficient bond to cover such an expense, the Southern Pacific Company would give the matter consideration.

Mr. M. D. Wallace, J. E. Gibbons, Guy Hattan, and Fred Sandberg, appeared before the Council on behalf of the Fire Department and asked the Council's permission to hold a carnival or some similar form of attraction for the Fourth of July. It was stated that the intent of the Fire Department was to utilize any funds derived from such a carnival for the improvement or addition of fire fighting apparatus. The Council was asked to remit any license fees which might be normally charged for the carnival, or that they go to the credit of the Fire Department in some way or other. After due consideration, upon motion of Councilman Weidner, the Mayor was authorized to appoint a committee to cooperate with the Fire Department on the plan as proposed; also that the regular license fees be charged but with the understanding that these fees be turned over to the Fire Department. Councilman Ford and *Lillebo* were appointed on this committee.

Some discussion followed regarding advisability of permitting Mr. Hubbard to bid in Lots 10 in Block 8, and 8 in Block 20. It appeared that the sale of these lots on March 1st had been overlooked by him. It also appeared that Reedsport Company asked authorization of the Council to redeem certain lots, namely, Lot 3, Block 80, Lot 5 Block 80, Lot 5 Block 82, Lot 17 Block 77, Lot 1 Block 78, by the payment of interest to date and publication costs. These lots to date of foreclosure, March 16th, 1929, were owned by the Lyons Estate, and acquired by the City, subject to the redemption right. This redemption right had been subsequently acquired by the Reedsport Company. After considerable discussion in connection with both of these matters, it was finally decided that action be deferred until next meeting, thereby allowing sufficient time to make investigation of location and full indebtedness against these properties.

Recorder Chapin called attention to a proposal under way to move the dwelling formerly owned by Mr. C. S. Benson, from Lot 7 in Block 77 to Lot 11 in Block 80. The proposal was for the City to authorize transfer of all its rights to Lot 11 in Block 80 in exchange for Lot 7 in Block 77. It was pointed out that there had been no assessment payments whatever made on Lot 11 in Block 80, and that there had been \$92.75 paid in assessments on Lot 7 in Block 77; that original assessments on both lots had been the same when levied. After due consideration, upon motion regularly made, seconded and carried, Mr. Chapin was authorized to negotiate such a transfer if possible, with the arrangement that any excess in state and county taxes on Lot 7, Block 77 over Lot 11, Block 80, be assumed by present owner of Lot 7, Block 77; also that Lot 7 in Block 77 be filled to present grade of adjacent property after the dwelling was removed.

Attention of the Council was next called to the fact that the City would acquire final title to Lot 5 Block 49, Amended Plat of Railroad Addition, which was commonly known as the George Walker property. The Mayor appointed Councilman Lillebo and Bernhardt to act with him as a committee to look over the building with a view to using it for a city store room.

Considerable discussion followed regarding the present unsightly condition of the city garbage dump along the Umpqua Highway. Upon motion regularly made, seconded and carried, Street Commissioner Clarke was authorized to construct a gate at the entrance to this dump and padlock the entrance; also it was ordered that the incinerator located on Block 77 be torn down and that the blocks be returned to Mr. Buck, and the refuse be hauled away.

Councilman Weidner, on behalf of the Winchester Bay Lumber Company, offered to rent the city pump for three dollars a day for the purpose of pumping out water from the Tug Sampson. Upon motion regularly made, seconded and carried, this offer was accepted.

Councilman Lillebo submitted an estimate of \$224.96 as cost for completing the crossing at the railroad track and Umpqua Highway. The estimate of the Southern Pacific Company

for this work and the moving of a certain switch, amounted to \$543.00. Mr. Lillebo called attention to the fact that if it was not required to plank solidly from one side of the track to the other, that his estimate would be reduced to approximately \$125.00. It was ordered that the revised estimate, with a sketch and outline of the proposal and work to be done be submitted to the Southern Pacific Company with a letter requesting its approval on this basis. The Council's attention was called to the fact that the Umpqua Highway Improvement District had \$125.00 on hand for the purpose of completing this work.

It was regularly moved, seconded and carried that the Fire Department be authorized to cut the small fire house to suitable size to house one chemical and hose cart and move the same to Schofield Heights; also that both chemicals be recharged, and that one hose cart and one chemical be kept permanently in the Schofield Heights district.

City Treasurer Cairns and Recorder Chapin submitted regular monthly report of receipts and disbursements and fund balances as of February 29th, 1930. Attention was called to the fact that present balance in Road and Street Fund was only \$13.68. Upon motion regularly made, seconded and carried it was authorized that transfer of \$500.00 from Winchester Bay Water Fund to Road and Street Fund be made.

The following bills were presented, OKed by the Finance Committee, and ordered paid:

Jimmy Hawkins	\$1.74.	J. L. Gibbons	\$4.00.

Minutes of the regular April, 1930 Meeting of the Common Council of the City of Reedsport, held on Monday, April 7th, 1930 at 8:00 P. M.

Mayor Buck and all Councilmen were present except Councilman Lillebo.

The minutes of the last regular meeting were read and approved.

Communications:

Letter from the Southern Pacific Company under date of March 27th was read, stating that that company will have no objection to the City performing the work necessary to completing the crossing at the junction of the Roosevelt and Umpqua Highways; that it will not require the removal of the switch, and instructed that the city may proceed with the work as soon as it wished, in conformance with certain plans which were attached. Mayor Buck announced that the construction work would start just as soon as funds were either received from the Highway Department or until some definite assurance that funds would be forwarded was submitted to the city.

Letter from Umpqua Dredging & Construction Company requesting that the City replace water pipe which was originally laid to the property of the Umpqua Dredging & Construction Company, was next read. After due consideration it was ordered that the City Recorder write the Reedsport Building Company or other interested parties, requesting that they replace the water line which had been removed last fall within three days time; otherwise that the City Water Commissioner would be ordered to do this work and charge the proper parties for the expense involved.

Letter from J.C. Diehl, member of the Bureau of Agriculture, Chamber of Commerce, requesting that the city offer a part of the property which it has recently aquired to those interested in using it for gardening purposes, was read. It was decided that any request of this nature which might be made on the part of an individual or individuals would be granted, reserving the rights of the city to subsequent sale or lease.

Letter from Chas. Billington, Chairman of Bureau of Civics, Chamber of Commerce, was next read, in which it was urged that the city establish some method of numbering the houses in the city, for the purpose of facilitating delivery of mail, telegrams and urgent messages. The Water Commissioner also called attention to the fact that such a plan would assist greatly in identifying various houses for purposes of water records. After due consideration it was ordered that the Recorder secure data relative to the development of some suitable plan of numbering.

Fire prevention Bulletin No. 5, Fire Marshal Department, State of Oregon, was next read. After considerable discussion, it was moved, seconded and carried that May 1st, 2nd and 3rd be designated as clean-up days; that the city offer the use of its truck for the purpose of hauling away refuse which individual property owners might collect together during that time and pile up at convenient place from which to gather and put into the truck. Further consideration of the hauling of garbage as contemplated in Ordinance No. 157 was given. It appeared that permit had been issued to Ray Chambers as of February 18th, 1929, good for period of one year from date of issue. Schedule of maximum charges were as follows:

Residences: 50¢ per can on regular pickup trips of once a week and \$1.50 for each special load on demand.

Stores, restaurants and other business houses: \$2.50 per load, with two regular pickups per week and 1 additional pickup if demanded.

Mr. Warren McWillis appeared before the Council as applicant as official garbage man. He stated that he was willing to file schedule of charges similar to the schedule which Mr. Chambers had submitted, and assured the Council of regular service. Upon motion regularly made, seconded and carried, Mr. McWillis was appointed with the requirement that he file bond of \$250.00, guaranteeing faithful performance of his work.

Letter from Hanchett Bond Company asking if the City were interested in paying a Reedsport Bancroft Bond due in 1936 in the amount of \$500 at this time, was read. It was ordered that the company be advised that the Council did not contemplate taking up this bond at the time, but would take them up in numerical order when funds were available.

Letter and proposed resolutions from League of Oregon Cities, regarding general road fund levies were read and submitted to City Attorney for his reference and later report.

Letter from W.F. Williamson Wallace & Vaughan,, Attorneys of San Francisco, dated March 3rd, enclosing a proposed ordinance for granting franchise to Natural Gas Corporation, was read but no action taken.

Financial reports from the City Treasurer and City Recorder were submitted and ordered filed. City Treasurer Cairns called attention to a possibility of being permitted to take up water bonds which are originally due November 1st, 1930 and which are held by the State, at this time, thereby giving the City opportunity to save some interest. He called attention to the fact that funds were available to take up \$7000 worth of bonds at this time and upon motion regularly made, seconded and carried it was ordered that \$7000 worth of City Water Bonds which will be due November 1st, 1930, be called at this time, provided the state is willing to send them for collection.

Some discussion followed regarding placing of insurance on city truck and equipment. It was finally decided to place \$600 on Chevrolet truck and \$200 on tractor.

The following bills were presented, Oked by the Finance Committee, and ordered paid:

City Water Fund (Baird & Pittman)	\$7.98	Harold France	\$3.00

Minutes of the Regular May, 1930 Meeting of the Common Council of the City of Reedsport, held on Monday, May 5th, 1930 at 8:00 P. M.

Mayor Buck and Councilmen Bernhardt, Foster, Ford, Weidner and West were present. Absent, Councilman Lillebo.

Minutes of the last regular meeting were read and approved.

Communications:

Preliminary announcement of population for City of Reedsport as of April 1st, 1930 showing 1161 as compared with 850 on January 1st, 1920, was submitted by Joseph H. Koke, Supervisor of Census. Some discussion followed as to possible omissions and it developed that there were three or four known cases where names had been omitted. It was finally decided that acknowledgment of the preliminary announcement be made, but that letter from the Recorder's office giving all names of those who might have been omitted from the census be sent to the census supervisor.

Mrs. Angie Purkerson and Mr. J. C. Diehl as representatives from the Fair Board and Chamber of Commerce, appeared before the Council and asked for permit to hold Fair in the city, probably the second week of September. They also requested that the Council do certain grading on Rainbow Plaza and the lower part of "H" Street, so that this ground or a part of it could be seeded and thereby improve appearance of that particular district. They also asked that in event that any outside carnival or private show was obtained for the Fair, that the license ordinarily charged would be refunded or turned over to the Fair Board. All requests were granted by action taken on the part of the Council. It was understood, however, that the Fair Board would be responsible for cleaning up the area used after the fair had been held.

Some discussion followed regarding the present condition of the plank road down along Rainbow Plaza, and it was finally ordered that this be torn up to the walk and the street be graded.

Mr. Diehl made a further report on recent survey conducted by C.C. Clarke, H.L. Chapin and himself, which showed approximately 70 empty houses in the city. He urged that every possible action be taken to induce or urge the employment of heads of families in the various industries. Mr. McCall of the Umpqua Mills & Timber Company, and Councilman Weidner of the Winchester Bay Lumber Company, announced that statistical records of mill workers are being kept by their respective firms, and that every encouragement possible is being given and will be given to the employment of married men or heads of families.

City Recorder Chapin in conformity with action taken at last regular meeting of the City Council, submitted a plan for house-numbering as follows:

"Due to the fact that there is a duplication of names of streets running north and south, from Schofield River east and Schofield River west, Schofield River was to be designated as the zero or dividing line between east and west for numbering houses facing north and south; the first block up to First Street either way to be numbered up to but not including 100, etc.

The extreme or southernmost street to be the zero for numbering houses facing east and west, and numbers to be built up at the rate of 100 for each block, going north.

Houses or buildings facing south and facing west to use odd numbers; north and east facings to use even numbers.

So far as possible each lot was to account for ten numbers."

After due consideration this plan was regularly adopted.

Some discussion followed regarding the necessity of posting street signs with names of streets, and it was indicated that these signs should gradually be placed as fast as the city was financially able to place them.

Resolution No. 83, which was a resolution abandoning the former railroad crossing at Winchester Avenue in lieu of the new crossing, was duly introduced, and upon motion regularly made, seconded and carried, unanimously adopted, to-wit:

Resolution No. 83

RESOLUTION ABANDONING

WHEREAS the following described railroad crossing has heretofore been designated as a railroad crossing for street and highway purposes, within the corporate limits of the City of Reedsport, to-wit:

All that certain piece or parcel of land situate, lying and being in Section 35, Township 21 South, Range 12 West, W.M., County of Douglas, State of Oregon, being more particularly described as follows:

All of that portion of Winchester Avenue between the easterly and westerly lines of the Southern Pacific Company's right of way, lying southerly of the following described line; Beginning at the point of intersection of the westerly line of the Southern Pacific Company's right of way and the prolongation northeasterly of the northwesterly line of Block 100 of the City of Reedsport, said northwesterly line of Block 100 also being the southeasterly line of Winchester Avenue extending westerly of the Southern Pacific Company's right of way; thence North $70^{\circ}18'$ East a distance of 117.14 feet to a point; thence easterly along the arc of a curve concave to the South, having a radius of 286.5 feet and tangent at its point of beginning to said last mentioned course, a distance of 195.23 feet to a point, which bears North $86^{\circ}49'10''$ East a distance of 191.71 feet from the beginning of said curve, in the easterly line of said right of way of the Southern Pacific Company and as shown enclosed within yellow lines on blueprint Portland Division Drawing P-7159 hereto attached and made a part hereof.

WHEREAS upon petition of the City of Reedsport therefor, the Public Service Commission of the State of Oregon designated the following described street crossing across the Southern Pacific Tracks, in the incorporated limits of the City of Reedsport, in lieu of said crossing hereinabove designated, to-wit:

All that certain piece or parcel of land situate, lying and being in Section 35, Township 21 South, Range 18 West, W.M., County of Douglas, State of Oregon, more particularly described as follows:

Beginning at the point of intersection of the westerly line of the Southern Pacific Company's right of way and the production north-easterly of the southerly line of Block 86 of said City of Reedsport; thence North $70^{\circ}18'$ East a distance of 220.80 feet to a point; thence in a northeasterly direction on the arc of a curve concave to the left, having a radius of 246.50 feet, the long chord of said curve bears North $45^{\circ}18'30''$ East a distance of 208.28 feet to a point on the easterly line of said Southern Pacific Company's right of way; thence in a southerly direction along said easterly right of way line on the arc of a curve, concave to the left, having a radius of 996.28 feet, the long chord of said curve bears South $12^{\circ}05'10''$ West a distance of 285.34 feet to a point; thence in a westerly direction on the arc of a curve concave to the left, having a radius of 246.50 feet, the long chord of said curve bears North $86^{\circ}49'10''$ West a distance of 191.71 feet to a point; thence South $70^{\circ}18'$ West parallel to and 80 feet southeasterly measured at right angles to the first described course, a distance of 117.14 feet to a point on the westerly line of the Southern Pacific Company's right of way; thence in a northerly direction along said westerly right of way line on the arc of a curve, concave to the right, having a radius of 1296.28 feet, the long chord of said curve bears North $3^{\circ}36'20''$ East a distance of 87.11 feet to the point of beginning, containing an area of 0.79 of an acre, more or less, as shown enclosed within red lines on blueprint Portland Division Drawing P-7159, hereto attached and made a part hereof.

WHEREAS the Southern Pacific Company, the other interested party, has heretofore submitted to the City of Reedsport, counterparts of agreement covering the designation of the last above described crossing in the form of a grant from said Company to said City, in consideration of the closing of the first above described railroad crossing within the City, and abandonment of same for street or highway purposes, and,

WHEREAS it appears to the Common Council of the City of Reedsport that said first hereinabove described railroad crossing should be abandoned, and that said counterparts of agreement as submitted should be executed;

NOW THEREFORE, it is resolved by the City of Reedsport that the following described railroad crossing in the City of

Reedsport, to-wit:

All that certain piece or parcel of land situate, lying and being in Section 35, Township 21 South, Range 12 West, W.M., County of Douglas, State of Oregon, being more particularly described as follows:

All of that portion of Winchester Avenue between the easterly and westerly lines of the Southern Pacific Company's right of way, lying southerly of the following described line; Beginning at the point of intersection of the westerly line of the Southern Pacific Company's right of way and the prolongation northeasterly of the northwesterly line of Block 100 of the City of Reedsport, said northwesterly line of Block 100 also being the southeasterly line of Winchester Avenue extending westerly of the Southern Pacific Company's right of way; thence North $70^{\circ}18'$ East a distance of 117.14 feet to a point; thence easterly along the arc of a curve concave to the South, having a radius of 286.5 feet and tangent at its point of beginning to said last mentioned course, a distance of 195.23 feet to a point, which bears North $86^{\circ}49'10''$ East a distance of 191.71 feet from the beginning of said curve, in the easterly line of said right of way of the Southern Pacific Company and as shown enclosed within yellow lines on Blueprint Portland Division Drawing P-7159 hereto attached and made a part hereof.

be and the same is hereby abandoned, vacated and closed as a public railroad crossing for either street or highway or other public purposes other than railroad purposes.

And it is further resolved by the City of Reedsport, that its Mayor, W. R. Buck, execute said duplicates of agreement for and on behalf of said City, that same be attested by its Recorder, Stanley D. Chapin, with the corporate seal of said City attached thereto.

Mayor Buck, Councilman Weidner and Street Commissioner Clarke called attention especially to the serious hazard which existed particularly to automobile traffic going to and from the railroad station and as it entered the new highway. Attention was called to the fact that the agreement between the Southern Pacific Company and the city, relative to the abandonment of the old crossing required that that old crossing be closed to public use. It appeared however, that this would entirely block the public to access to the railroad station by road. Consequently, it was ordered that the Recorder take the matter up with the Southern Pacific Company, calling attention to the hazard which existed and asking that the city be relieved of any liability. Also that it advise the City Council what its plans for improvement of that roadway were, and how soon they contemplated starting the improvement.

The Light Committee called attention to the necessity of purchasing 10 Series sockets for street lights which were quoted by Mr. Danielson at 85¢ apiece. Upon motion regularly made, seconded and carried, purchase of these sockets was authorized.

The Recorder referred to previous action taken by the Council toward exchange of Lot 7 Block 77 for Lot 11 in Block 80. It appeared that the excess of taxes on Lot 7 Block 77 over Lot 11 Block 80 was approximately \$500. Inasmuch as the party who was considering moving the dwelling was to pay excess in taxes, it was suggested that this amount be ordered paid direct to the city. The Council authorized also, acceptance of interest to date only on assessments on Lot 11 Block 80.

Reports of Treasurer Cairns and City Recorder setting out receipts and disbursements to date, current obligations and funds on hand, were submitted and ordered filed. Attention was called to bond interest coupons for bancroft bonds which were coming due, and the consequent necessity for some definite plan compelling payment of assessments. It was ordered that immediate action be taken on the District No. 9 assessment collections and indicated that some further definite plan for collection of other delinquent assessments should be acted upon.

The Recorder was authorized to send deeds on Lot 3, Block 80, Lot 5 Block 80, Lot 5 Block 82, Lot 17 Block 77, and Lot 1 Block 78, to County Clerk for recording.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

A letter from the Umpqua Lredging and Construction Company relative to old bill for gravel placed on West Railroad Avenue, was next called to the attention of the Council. After considerable discussion, upon motion of Councilman West, seconded by Councilman Weidner, the bill was referred to recorder Chapin, authorizing final compromise settlement payment in the amount of \$200.00.

The City Recorder was authorized to make rental charges as he might see fit for houses recently acquired through city foreclosure sales.

There being no further business, the meeting was adjourned.

Minutes of the Regular June, 1930 Meeting of the Common Council of the City of Reedsport, held on Monday, June 2nd, 1930 at 8:00 P.M.

Present, Mayor Buck and Councilmen Bernhardt, Weidner, West, and Foster. Absent, Councilmen Lillebo and Ford.

The minutes of the last regular meeting were read and approved.

Communications:

Letter from Southern Pacific Company under date of May 27th, stating that investigations into features with regard to hazards occasioned through locating the crossing at Winchester Avenue adjacent to the station building, would be made very soon, and that the City would be advised as to what action will be taken in the matter.

Mr. Uno Leppanen, and Dr. Miller representing the Moose Lodge, appeared before the Council for the purpose of assuring the City officials that it was the intention of the Lodge to cooperate in every way possible to keep order at all dances given by the Lodge. Recorder Chapin called attention to the fact that a special committee consisting of Mr. Leppanen, Mr. Roy Richardson, and Mr. George Davenport, had talked conditions over with him a few days ago, and had volunteered their services as special deputies to assist the City Marshal in keeping proper order. The Council expressed its appreciation of the attitude which the Moose Lodge had taken and the Mayor appointed Mr. Leppanen, Mr. Richardson, and Mr. Davenport as special deputies for this purpose.

Recorder Chapin and City Attorney Benson brought up the matter of the suit of the Royal Indemnity Company versus City of Reedsport, and urged that the City employ Mr. D. L. Buckingham, formerly City Engineer at the time of the city fill, to secure certain data which appeared to be necessary in the city case. Upon motion regularly made, seconded and carried, it was ordered that Mr. Buckingham be employed for this purpose.

Considerable discussion followed regarding the location of "through streets" in the City of Reedsport and the need of certain stop signs and other traffic signals. After due consideration, Ordinance No. 207, which was an Ordinance repealing Ordinance No. 194, an ordinance designating Winchester Avenue as a "through street or arterial highway, providing a penalty for infraction thereof, and declaring an emergency", was presented and read for the first time. Upon motion regularly made, seconded and carried, said Ordinance No. 207 was passed to the second reading and read for the second time. Said Ordinance No. 207 was thereupon passed to the third reading and read for the third time. Upon motion regularly made, seconded and carried, Ordinance No. 207 was put upon its final passage, and adopted by the following vote: Ayes 4 Nays 0.

Ordinance No. 208, which is an ordinance designating certain parts of Winchester Avenue and of "L" Street as "through streets or arterial highways, providing a penalty for infraction hereof and declaring an emergency", was next presented and read for the first time. Upon motion regularly made, seconded and carried, said Ordinance No. 208 was passed to the second reading and read for the second time. Said Ordinance No. 208 was thereupon passed to the third reading and read for the third time. Upon motion regularly made, seconded and carried, Ordinance No. 208 was thereupon put upon its final passage, and adopted by the following vote: Ayes 4 Nays 0. The Mayor thereupon approved both above said Ordinances Nos. 207 and 208.

The purchase of six stop signs and three central buttons was authorized, upon motion regularly made, seconded and carried.

Considerable discussion followed as to meetingplace for the City Council. Mayor Buck, Councilman Weidner, and others, spoke of the convenience and advantages to the public and to the

Council of the hall and room in First Bank Building, which was available as a meeting place. After due consideration, upon motion regularly made, seconded and carried, it was ordered that the city change its regular meeting place to the hall on the second floor of the Bank Building, at a monthly rental of \$10.00, beginning July 1st, 1930.

Financial reports of City Treasurer and City Recorder were presented, and ordered filed.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Minutes of Special Meeting of the Common Council of the City of Reedsport held on Monday, June 23rd, 1930 at 8:00 P.M.

Pursuant to order of the Mayor, and notice regularly given, special meeting of the Common Council of the City of Reedsport was held at its offices in Reedsport on Monday, June 23rd, 1930 at 8:00 P.M.

There were present Mayor Buck, and Councilmen Bernhardt, Foster, Ford, and West. Absent, Councilmen Lillebo and Weidner.

The meeting was called for the purpose of confirming action of the Finance and Road & Street Committees and members of the Council as a whole, in the purchase of a new "Caterpillar" Tractor from the Miller-Sanford Tractor Company of Eugene, for a total price of \$1165.00, with a credit of \$165.00 allowed for trade-in value on old Cleveland Tractor.

Upon Motion regularly made, seconded, and unanimously carried, the payment of balance due in the amount of \$1000 was authorized, with the arrangement that the amount be drawn on the Water Operation Fund and that warrant drawn in favor of the Water Operation Fund and against Road and Street Fund be issued, the warrant to be payable on or before one year from date.

Invoice of Locke-Dailey Truck Line in the amount of \$20.00 for bringing tractor from Eugene to Reedsport, was also authorized and ordered paid.

There being no further business the meeting was adjourned.

Minutes of the Regular July, 1930 Meeting of the Common Council of the City of Reedsport, held on Monday, July 7th, 1930 at 8:00 P.M.

Mayor Buck and all Councilmen were present.

The minutes of the last regular meeting and Special meeting of June 23rd were read and approved.

Communications: Letter dated June 30th, 1930, from Treasury Department, State of Oregon, addressed to City Treasurer, was read. The latter called for report of bonded and warrant indebtedness of the City of Reedsport as of July 1st, 1930. The Recorder submitted completed report for the information of the Council which was to be forwarded to the State Treasurer's office.

A copy of letter dated June 19th, 1930, ^{from E. J. Buckingham} addressed to Attorney A. L. Liljeqvist, Marshfield, Oregon, was next read. This letter was in the nature of report on Mill Districts in response to request made on the part of the City at last regular meeting; the report to be used in connection with case of the city with the Royal Indemnity Company. Considerable discussion followed regarding general status of this case and Attorney Benson explained at length the present situation. It was felt that request for information of this nature should come direct from the Attorneys Dey, Hampson & "elson, who had been retained by the city, rather than from Attorney Liljeqvist, who it appeared, had been retained by Mr. Johnson in connection with this case. Also it was suggested that inasmuch as Engineer Buckingham had been requested by the City to compile certain data, the report which he completed should be made direct to the City. Upon motion regularly made, seconded and carried the City Recorder was directed to ask that Engineer Buckingham address report direct to the City and also include additional information as to dates of payments made by the City to Inland Construction Company.

The regular monthly reports of City Treasurer and City Recorder were submitted and ordered filed.

Water Commissioner Clarke recommended that two valves be installed in the main water line, one to be placed at Winchester Bay, and the other approximately halfway between Winchester Bay and the tunnel; that the roadway leading from Winchester Bay to the lake be cleared; also that fire hydrant be placed at 4th St and Winchester Avenue. Commissioner Clarke stated that the installation of this fire hydrant was in accordance with recommendation of the Fire Department and that there was a fire hydrant on hand. After considerable discussion, upon motion regularly made, seconded and carried, the recommendations of Water Commissioner Clarke were approved and authorization for the installations made.

A lengthy discussion followed regarding serious hazards to travelling public which existed in the vicinity of the old and new roadway crossings near the railroad station. The Recorder referred to correspondence previously authorized, particularly letter under date of May 8th, addressed to Mr. E. L. King, Superintendent, Southern Pacific Company, letter of May 23rd, and letter of May 27th, from Mr. King, in which he stated that he would investigate into the features mentioned in letter of May 8th, and advise soon what action would be taken in the matter. It was the opinion of the Council that some definite action was necessary for the protection of the travelling public as well as to relieve the city of possible liability in event of serious accident. Upon motion of Councilman Weidner, seconded by Councilman Foster, and regularly carried, it was ordered that the Western end of the former road crossing leading from Winchester Avenue to the railroad track, be blocked; that posts be placed parallel with the Roosevelt Highway;. It was considered that such action would to some extent eliminate certain hazards and at the same time not block access to the station inasmuch as the entrance from the East would be left open.

Ordinance No. 209, an ordinance amending Ordinance No. 186 of the ordinances of the City of Reedsport, relating to the taxing, licensing and regulating of certain businesses, trades and occupations within the corporate limits of the City of Reedsport, was introduced and read for the first time. Upon motion regularly made, seconded and carried, it was ordered passed to the second reading and read for the second time; thereupon it was duly ordered, upon motion regularly made, seconded and carried, passed to the third reading and read for the third time. Said Ordinance No. 209 was thereupon put to its final passage and adopted by the following vote:

Ayes 6
Nays 0

Ordinance No. 209 was thereupon approved by the Mayor and declared regularly adopted.

Recorder Chapin referred the verbal request of Mr. L.O. Hansen for grading of Seventh Street from "L" Street to "H" Street to the attention of the Council. After due consideration, the matter was referred to the Street Committee for appropriate action.

A charge of \$2.00 per hour was established as a fair and equitable charge to the Grade School District #105 for use of the city tractor, the city furnishing operator, gas and oil. It was tentatively decided that rate of \$3.00 per hour be established in event of rental to private parties.

The purchase of 24 inside sleeves for 2½" fire hose coupling was authorized.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Minutes of Special Meeting of the Common Council of the City of Reedsport held on Thursday, July 17th, 1930 at 1:00 P.M.

Pursuant to order of the Mayor and notice regularly given, special meeting of the Common Council of the City of Reedsport was held on Thursday, July 17th, 1930 at 1:00 P.M. for the purpose of considering and passing resolution authorizing the sale of Lot 11 Block 80, Amended Plat of Railroad Addition to Reedsport, Oregon.

There were present, Mayor Buck and Councilmen Bernhardt, Foster, Ford, Weidner and West. Absent, Councilman Lillebo.

City Recorder Chapin informed the Council that deed had been received from Benefit Savings & Loan Association for Lot 7 Block 77, Amended Plat of Railroad Addition, as well as check in the amount of \$908.29. This was sent in exchange for the city's deed to Lot 11 in Block 80, Amended Plat of Railroad Addition to Reedsport. The check included amount sufficient to pay assessments on Lot 11, Block 80, and the excess in taxes existing at the present time on Lot 7 in Block 77 over those existing against Lot 11 in Block 80.

Resolution No. 84 was next passed, and upon motion regularly made, seconded and carried, was unanimously adopted.

RESOLUTION NO. 84

WHEREAS, the City of Reedsport is the owner of Lot 11 in Block 80, of the Amended Plat of Railroad Addition to the City of Reedsport, by virtue of foreclosure of City liens thereon, and has, in addition secured quit-claim deed from Reedsport Realty Company, a corporation, owner of said property prior to said foreclosure proceeding, and

WHEREAS, there has been effected a trade, whereby the said City has secured from Benefit Savings & Loan Association, Lot 7 in Block 77 of said Amended Plat of Railroad Addition, together with a certain sum of money to be paid to said City in cash, details of which transaction more fully appear in the correspondence of said City with said Association, in the files of the City Recorder, said negotiations for said trade having been heretofore authorized by the Common Council of said City, and

WHEREAS, it appears that said trade is in all respects advantageous for said City,

NOW, THEREFORE, IT IS RESOLVED BY THE CITY OF REEDSPORT,

That the Mayor and Recorder of said City, be and they are hereby authorized to execute for and in behalf of said City a Warranty Deed, conveying to said Benefit Savings & Loan Association said above described property free of all incumbrances except taxes, upon receipt of the sum of \$908.29 and deed to Lot 7 of Block 77, hereinabove mentioned.

Passed by the Common Council of the City of Reedsport this 17th day of July, 1930.

W. R. BUCK, MAYOR.

Minutes of the Regular August, 1930 Meeting of the Common Council of the City of Reedsport, held on Monday, August 4th, 1930 at 8:00 P.M.

There were present, Mayor Buck and Councilmen Bernhardt, Ford, Foster, Weidner and West. Absent, Councilman Lillebo.

Minutes of the last regular and intervening special meetings were read and approved.

Mr. Jack Diehl representing the Fair Board, appeared before the Council and urged the cooperation of the city in providing for additional electric lighting facilities for purposes of city and fair advertising. Mr. C. M. Danielson of the Peoples West Coast Hydro-Electric Corporation was present and stated that the company would cooperate to every possible extent and would provide a few electric streamers which they had available. Mayor Buck suggested that the matter be referred to the Light Committee and assured Mr. Diehl of the city's cooperation so far as possible. Some discussion also followed regarding advisability of widening the graded portion on Rainbow Plaza, but no definite action was taken in this matter.

Mr. Edward Cornell asked the Council if it was the intent to charge license fee as provided under Ordinance No. 209, which taxed, licensed and regulated certain businesses, trades and occupations, for a miniature golf course which he with certain associates contemplated establishing in Reedsport. After due consideration, upon motion regularly made, seconded and carried, the Council ruled that there would be no license fee charged in such case.

Mr. M. D. Wallace of the Reedsport Volunteer Fire Department, asked for the Council's cooperation in the plan to provide for an airport. The present plan contemplated certain clearing and grading of that section of filled land lying northward of the school property, in Block 69. It appeared that most of this land had been acquired by the City through foreclosure of city liens. Mr. Wallace stated that the plans of the Department would call for use of the city grading equipment for a few evenings, and that the firemen and other individuals would give their time to the work gratis; that the prospective airport would not be restricted to use of any particular planes or individuals, but would be operated

entirely for the convenience and benefit of the public and city. Upon motion of Councilman Weidner, seconded by Councilman Foster, and unanimously carried, it was authorized that the Blocks 7, 37, 57, and 58, and the streets and alleys adjacent to those Blocks, be set aside as a temporary municipal airport; that the city grading equipment and truck be made available, under the supervision of Street Commissioner Clarke, for such use as would appear necessary for conditioning the proposed airport, without expense to the Volunteer Fire Department.

Some discussion followed regarding the advisability of purchase of an inexpensive chassis for mounting the chemical fire carts. After due consideration, it was finally decided that an appropriation of not to exceed \$50.00 be made for the purpose of this improvement.

Street Commissioner Clarke next brought up for consideration of the Council the urgent necessity of establishing certain drains at various places, which would be needed with the approaching rainy season in taking away the surface water from the streets and flushing out the city sewer system. It was finally ordered that drains be established as follows:

- 2 - at the intersection of Holiday and West Railroad Avenues.
 - 2 - at the intersection of Holiday and Eighth Avenues.
 - 2 - at the intersection of Rainbow Street and Eighth Avenue.
 - 2 - at the intersection of Rainbow and West Railroad Avenues.
- All of the above in Rainbow District No. 1.
- 2 - at the intersection of the alleys at Seventh Street, between "H" and "L" Streets.
 - 2 - at "L" Street between Fifteenth and "H" Streets.
 - 2 - between "M" and "L" Streets at intersection of alley with Fourteenth Street.

Letter of Southern Pacific Company under date of August 1st, relating to blocking of street at railroad station, was read and ordered filed.

Water report dated July 18th, 1930 from Oregon State Board of Health, was read, and ordered filed.

Water Commissioner Clarke reported on condition of the main line, which he stated was in fairly good shape except for some leakage at the collars.

The Light Committee of the Council recommended the installation of a light at Hatfield Avenue and Second Street.

Reports of the City Treasurer and City Recorder on finances, were submitted and ordered filed.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Minutes of the Regular September, 1930 Meeting of
 the Common Council of the City of Reedsport, held on
 Tuesday, September 2nd, 1930 at 8:00 P.M.

There were present, Mayor Buck and Councilmen
 Bernhardt, Ford, Foster and West. Absent, Councilmen Weidner and
 Lillebo.

The minutes of the last regular meeting were read
 and approved.

Mr. Leonard Tolman and Mr. Carlson of Winchester
 Bay, appeared before the Council and urged the reduction of the base
 rate for water rent charged users at Winchester Bay to the same rate
 which is applied to Reedsport water users. It was maintained that,
 due to the fact of closer proximity to the source of supply, that
 rate at Winchester Bay should be at least the same as at Reedsport.
 Mayor Buck explained at length the city's financial status in connec-
 tion with the ten years' operation of the water system, and had the
 City Recorder read a report in which it pointed out that there was an
 approximate deficit of \$27,000.00 in the ten years' operations, the
 cost of which had been borne by general fund tax levies and paid by
 the tax payers of the City of Reedsport. The report also pointed out
 the fact that the city had a water bond obligation of \$155,000.00 in
 addition to the fact that the main line was already eleven years old
 and would be subject, very probably, to heavy maintenance costs in
 the near future. Also, it appeared that the bond maturities with
 interest and operating expense would exceed more than the anticipated
 income from water rentals for the year 1931 and subsequent years. In
 view of all these circumstances it was the unanimous opinion of the
 Council that it was no more than fair that water users outside of the
 City of Reedsport be charged a base rate in excess of Reedsport water
 users. It was pointed out, also, that the City of Newport charged 1½
 times the base rate to water users outside of its city limits. It
 was further shown that Portland and other cities did this under cer-
 tain conditions. It was also stated that there was no charge being
 made for service for water hydrants installed at Winchester Bay.

Mr. Wm. Schneider, Mrs. Pearl Rogers, Mr. and Mrs.
 J. A. Williams, and Mrs. McBride, representing the various hotels in
 Reedsport, appeared before the Council urging reduction in their
 respective water rates. The Council referred to the report submitted
 for the information of Winchester Bay water users, and indicated that
 the same reasons applied for maintaining water rates as established
 by the present ordinance. It was suggested that water rates could be
 reduced somewhat by the elimination of certain fixtures, but other

than that, it did not feel that a reduction was justified for the best interests of the city and water users as a whole.

The following residents and taxpayers were appointed to meet with the Council on Monday evening, September 29th at 8:00 P.M. to compile City of Reedsport budget for the year 1931:

E.W. Franklin	appointed by	Mayor	Buck
Wm. Chamberlain	"	"	Councilman Foster
W.A. Burdick	"	"	" Ford
H.L. Chapin	"	"	" West
E.G. Dunn	"	"	" Bernhardt
K.R. Chapman	"	"	" Weidner
Lloyd Knapp	"	"	" Liblebo.

Attention of the Council was called to the fact that water lines serving residence of Edward Cornell and four other houses in that vicinity, on Schofield Heights district north of Winchester Avenue, were too small to give sufficient pressure for ordinary use. After due consideration it was authorized that the Water Commissioner be instructed to purchase and lay approximately 360' of 2" galvanized pipe for serving the homes in that vicinity.

Recorder Chapin called attention to the necessity of the city investigating and arranging for a new garbage dump location. Councilmen Bernhardt, Ford and Foster were appointed as a special committee to look into this matter and report at next meeting.

The Council's attention was called to the fact that there had been a number of fire permits issued several years ago without limit to time of use. Upon motion regularly made, seconded and carried, it was ordered that all fire permits issued prior to January 1st, 1930 be revoked.

Some discussion followed regarding collection on assessments and it was left to the City Recorder and City Treasurer to continue the policy of collection as previously outlined.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Minutes of the 1931 Budget Committee Meeting, City of Reedsport.

Pursuant to order of the Council and notice regularly given meeting of the 1931 Budget Committee was held in the City Hall, Bank Building, Reedsport, Oregon on Monday, September 29th, 1930 at 8:00 P.M.

There were present, Mayor Buck, Councilmen Foster, Ford, Weidner, and West; Committeemen W. A. Burdick, H. L. Chapin, E. G. Dunn, Lloyd Knapp, and Karl R. Chapman. Absent, Councilmen Bernhardt and Lillebo; Committeemen E. W. Franklin, and W. Chamberlain. There were also present Recorder Stanley Chapin, Water and Street Commissioner Clarke, City Attorney W. G. Benson, A. W. Burton, J. A. Ellis, and Mrs. Elmer Clark.

The Budget Committee proceeded at once to organize, and upon motion regularly made, seconded and carried, Mayor Buck was unanimously elected chairman, and City Recorder Chapin was elected secretary.

Due consideration was given to reports which had been sent previously to all members of the Committee by the City Recorder, showing in detail expenditures and receipts for the year 1929, for the first half of the year 1930, and the Budget estimates for 1930. Items were considered separately as they appeared on the Budget data sheets.

Some discussion developed regarding the advisability of retaining a City Attorney and after due consideration it was decided that no allowance be made for city attorney salary as such for the year 1931, but that an item of \$1000 be allowed for special legal and engineering services.

Considerable discussion followed regarding the salary for City Recorder. It was first decided that the salary be established as heretofore paid; that is, \$900 per year from the General Fund and \$900 per year from the Water Fund. There was a later reconsideration of this item, however, at which time it was decided to propose a yearly salary of \$1200 divided equally as before between the General and Water Funds, but with the allowance of \$300 in each fund for special clerical work in connection with that office. In the discussion regarding the office of Recorder, it was the unanimous recommendation of the Budget Committee that this office be made an appointive rather than an elective office, and that the city charter be ammended to this effect. The recommendation was also extended to include similar action with regard to the office of city treasurer.

Special allowance for lights was increased to \$2200 for the year and there was an additional item included in the Budget for oiling of streets.

The following proposed Budget for the year 1931 was finally adopted upon motion regularly made, seconded and carried:

Minutes of the Regular October, 1930 Meeting of the Common Council of the City of Reedsport held Monday, October 6th, 1930 at 8:00 P.M.

There were present Mayor Buck, and Councilmen Bernhardt, Ford, Foster and Weidner. Absent Councilmen Lillebo and West.

Minutes of the last regular meeting were read and approved.

A letter from Gardiner Mill Company dated October 4th, requesting that the City cease using its present garbage dump grounds, was read. The special committee consisting of Councilmen Bernhardt, Ford and Foster, reported that in its opinion there was a suitable location at the lower end of the Hinsdale ranch which might possibly be secured with comparatively little expense to the city, and that the committee would investigate this location at once, and confer with the owners with a view to securing a suitable site.

Deed for Lot 7, Block 77, Amended Plat of Railroad Addition to Reedsport, Oregon, which was obtained from the Benefit Savings & Loan Association, was accepted and ordered recorded.

It was regularly ordered by unanimous vote of the Council that a city election be held on Tuesday, November 4th, 1930 for the election of the following city officers:

- 1 Mayor
- 6 Councilmen
- 1 Recorder
- 1 Treasurer.

Upon motion regularly made, seconded and carried, it was ordered that the judges and clerks of election who were appointed by the Douglas County court to act for the election to be held November 4th, 1930, be the ones selected to act in similar capacities for the City of Reedsport election to be held the same date. An allowance of \$2.00 was authorized to be paid each person acting in the capacity of judge or clerk at the time of election. It was also ordered that the City procure two poll books for use in compiling permanent registration records of City of Reedsport voters.

The City Recorder submitted report of receipts and disbursements for the month of September and for the period January 1st to September 30th, 1930; also a statement of cash on hand under the various city funds. He also reported receipt of \$5,004.57 from the County Treasurer for delinquent taxes. Attention was called to the fact that in order to pay street improvement bond interest coupons falling due during the current month, it would be necessary to authorize an approximate transfer of \$2000 to this fund. The Recorder submitted a written report on Bancroft assessment collections as of August 31st, 1930, and called attention to the serious condition confronting the city thereto. It was noted that there were already either foreclosed on or in the process of foreclosure, 202 lots with assessments totalling \$52,568.98; also that for some time the city had been using principal which had been collected to pay bond interest coupons. Considerable discussion followed regarding the general policy to be pursued, but no definite action was taken other than general recommendation that all possible be done to urge people to pay assessments as they were due.

Upon motion regularly made, seconded and carried, it was ordered that a transfer of funds sufficient to pay current street improvement Bancroft Bond interest coupons, be made from the sewer fund to the street fund.,

Commissioner Clarke reported that the City Chevrolet truck needed a general overhauling. He stated that due to certain manufacturing defects, the Chevrolet Company offered to replace certain engine parts free of cost and that the only expense to the City for necessary overhauling would be the labor cost which was estimated at \$35.25. Upon motion, regularly made, seconded and carried, this work was authorized.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Minutes of the Continued Meeting of the Common Council of the City of Reedsport held Monday, October 27th, 1930 at 8:00 P.M.

Pursuant to notice of publication, and to order of last meeting, continued meeting was held on Monday, October 27, 1930 at 8:00 P.M. in the Council Hall, Reedsport, Oregon, for the purpose of conducting a hearing on the proposed 1931 Budget for the City of Reedsport.

There were present Councilman Bernhardt, presiding, and Councilmen Ford, Foster, West and Weidner. There were also present Budget Committeemen Dunn and Franklin, Water and Street Commissioner C. C. Clarke, City Attorney W. G. Benson, Recorder Chapin, and Mrs. L. B. Clark.

Mr. Bernhardt stated the purpose of the meeting and asked if there were any recommendations or objections to the proposed budget which was submitted for reference of all present. Mr. Franklin recommended the reduction of treasurer's salary to \$120.00 a year, and upon his motion, seconded by Councilman Weidner, and regularly carried, the Treasurer's salary was changed from \$360.00 per year to \$120.00 per year. Upon motion regularly made, seconded and carried, the emergency fund was increased from \$2250 to \$2490. There being no further recommendations or changes suggested, the Budget as corrected was regularly adopted.

Thereupon, Ordinance No. 210, AN ORDINANCE LEVYING A TAX ON THE PROPERTY SITUATE WITHIN THE CORPORATE LIMITS OF THE CITY OF REEDSPORT FOR ALL PURPOSES IN THE SUM OF \$16,000.00 FOR THE YEAR 1931, was submitted and read for the first time. Upon motion regularly made, seconded and carried, it was ordered passed to the second reading and read for the second time, by title only. Upon motion regularly made, seconded and carried, it was ordered passed to the third

reading, and read for the third time. Ordinance No. 210 was thereupon put to vote and adopted by the following vote:

It was thereupon approved by Acting Mayor Paul Bernhardt.

There being no further business the meeting was adjourned.

Minutes of the Regular November, 1930 Meeting of the Common Council of the City of Reedsport Held Monday, November 3rd, 1930 at 8:00 P.M.

There were present Mayor Buck and Councilmen Foster, Ford, Lillebo, West and Weidner. Absent Councilman Bernhardt.

The minutes of the last regular and intervening continued meetings were read and approved.

Communications: Letter from the West Coast Power Company dated October 24th, was read. It explained in detail the reasons for street light outage of September 16th, for which the Council had claimed a deduction of \$28.80. Mr. Danielson, district manager, appeared before the Council, making a brief statement as to the street light outage and assuring the Council that there was no negligence on the part of the employees. Mr. Danielson also explained the present status regarding the possibility for securing a standby service. He stated that negotiations were still under way for effecting this service with reasonably good chance for making some satisfactory arrangement, providing the charges were reasonable. He stated that the records of the company showed a decrease of \$3600 in gross earnings during the first ten months of 1930 over the similar period of 1929. Under such conditions he said that the company did not feel that it would be justified in incurring any appreciable additional operating expense for standby service.

After careful consideration, upon motion regularly made, seconded and carried, the Council authorized payment of the \$28.80 previously deducted from the light bill.

Letter from Reedsport Meat Market with protest as to water rate charged Reedsport Meat Market as compared with the Umpqua Cash Market, was next considered. It appeared that the monthly charge for Reedsport Meat Market was \$15.00, whereas Umpqua Cash Market's monthly charge was \$7.50. It was contended that \$7.50 charged the other market was less than the published rates. It appeared, that according to the Ordinance, ice machines between one and five ton capacity, were to be charged \$7.50 per month in addition to the meat market base rate of \$7.50; that the ice machine used at Reedsport Meat Market had been used for commercial purposes in the manufacture of ice, whereas the smaller machine used at the Umpqua Cash Market had been used for refrigeration only. Upon motion regularly made, seconded and carried, the Water Commissioner was instructed to test the water flow of the two markets by use of meter and report the results at next meeting.

Application of the Umpqua Mills & Timber Company for pro rata reduction in rate on account of five days operation instead of six days operation, was referred to the Council. After some discussion and consideration, this matter was referred to the Water Committee for further investigation and report.

Letter from Reedsport Chamber of Commerce dated October 7th, regarding delinquent taxes, was next read, and upon motion regularly made, seconded and carried, Mayor Buck was appointed as a committee of one to meet with representatives from other municipal bodies to work out some practicable solution for prompt collection of taxes.

Application of the American Legion to hold dance on Armistice night, November 11th, until 1:00 P.M., was granted.

Request of the Reedsport Fire Department to discontinue the use of the fire siren as curfew was next referred to the Council, and upon motion regularly made, seconded and carried such use of the siren was ordered discontinued.

The problem of new city garbage dump location was next considered. Councilman Ford reported that a location at the lower end of the Hinsdale ranch which had been suggested at last meeting, would not be available. It was suggested that the Committee continue to use every effort possible toward securing a suitable place. The Recorder was also instructed to write to the Gardiner Mill Company, requesting an extension of time until the City was able to secure a new location.

Upon recommendation of Councilman Ford, Chairman of the Light Committee, it was ordered that a street light be placed back of the grade school.

Special attention of the Council was directed to the provisions of the Charter, which stated that ballots should be placed in packages and the packages securely sealed, and the contents of the packages endorsed thereon, and the City Recorder was directed to instruct the chairmen, judges and clerks of election in connection with these provisions.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

The minutes of the last regular and continued meetings were read and approved.

Communications:

A letter from the Reedsport Fire Department addressed to the Council, calling attention to a number of violations of Ordinance No. 71 which regulates the storage of gasoline, was read; and after due consideration, upon motion made, seconded, and carried, it was ordered that the Chief of the Fire Department make a check of the individual violators and report at next meeting.

The Fire Department also filed a report on what is known as the Roth building on Lot 4, Block 49, Amended Plat of Railroad Addition, calling attention to the fact that the building is open, has a stove, bedding, and litter in it, and is a serious fire hazard. It was ordered that Commissioner Clarke remove the stove and clean up the building so as to lessen the existing hazard to fire, pending the further disposition of the property.

Water Commissioner Clarke submitted his report on meter readings on the Umpqua Cash Market and Reedsport Meat Market. The report showed that the Umpqua Cash Market consumed 10,790 cubic feet during the period November 14th to November 21st, and that the Reedsport Meat Market consumed 20,250 cubic feet during the period November 21st to November 26th. Inasmuch as the Umpqua Cash Market meter reading included water consumption for residential use, it was evident that the Reedsport Meat Market has a market consumed over twice as much water as the Umpqua Cash Market. It was also noted that if both markets were metered the rates would run approximately five times that of the existing rate charged. In view of all the data submitted, it was decided that no change be made in the existing rates, and that the Reedsport Meat Market be written to that effect, and that an outline of the findings be in-

cluded in the letter to them.

The claim of the Umpqua Mills & Timber Company for pro rata reduction in rate on account of five days operation was next considered by the Council. Councilman Lillebo, who had just come in to the meeting, recommended as Chairman of the Water Committee, that no adjustment be made in view of the fact that the Ordinance prescribed a base rate of \$200 and that such a rate should be charged in order to maintain the proper income for meeting obligations of the city water system. The committee and the Council also were of the opinion that no adjustment should be made in view of the fact that the mill rates as they existed under the present ordinance were low in proportion to the probable amount of water consumed. The Recorder was ordered to advise the Umpqua Mills & Timber Company of the decision of the Council in this matter.

Considerable discussion followed regarding the financial status of the city with respect to the Bancroft Bond assessment collections. It was pointed out by the City Recorder and the Treasurer, that for some time it had been necessary to use principal and interest collected on assessments to pay the interest coupons on the outstanding Bancroft Bonds as they came due; that up till the present time there had been just about enough money collected to pay these interest coupons, but at the present time the street improvement fund was beginning to show an actual deficit. Although it was generally felt that the city had been making as good a showing in this connection as possible, some concern was expressed as to the possible liability of the Council as individuals in permitting this condition to continue. Upon motion of Councilman Foster, seconded by Councilman West, it was ordered that Councilman Weidner and City Attorney Benson meet with the State Treasurer or Deputy State Treasurer, for the purpose of presenting the present situation regarding the Bancroft Bonds, and requesting any suggestions and advice as to the best and proper procedure.

Some discussion followed regarding the advisability of auditing the city books, but no definite action was taken in this matter.

Upon motion regularly made, seconded and carried, it was ordered that the Street Commissioner arrange for the graveling of 13th Street between "H" and "L" Streets.

The financial reports were submitted by City Treasurer and City Recorder, were duly accepted and ordered filed.

Upon motion regularly made, seconded and carried, \$2000 of General Refunding Bonds which mature December 15th, and accrued interest on the Refunding Bond Issue was authorized paid.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Minutes of the Continued Meeting of the Common Council of the City of Reedsport, held Monday, December 8th, 1930 at 8:00 P.M.

There were present Mayor Buck presiding, and Councilmen Foster, Ford, Lillebo, West and Weidner. Absent, Councilman Bernhardt. There were also present Councilmen-elect Burton and Reeves, Water and Street Commissioner Clarke, City Attorney Benson, City Treasurer Cairns, Recorder Stanley D. Chapin, and Mr. E. W. Franklin and Edward Cornell.

Amended answer of the City in the case of the Royal Indemnity Company vs. City of Reedsport et al, was read by Councilman Weidner.

Councilman Weidner reported on the results of a visit of City Attorney Benson and himself to the State Treasurer's Office, during which conference they secured the following recommendations:

- 1st: Although a mistake to use principal collected from assessments, in payment of bond interest coupons, it appeared that this was the common practice followed in practically every city of this state, and it seemed to be the only procedure to follow insofar as the City of Reedsport was concerned for the time being.
- 2nd: Recommended that no transfer of funds other than from General Fund be made in order to pay Bancroft interest coupons.
- 3rd: Recommended that the City make every effort to pay interest coupons as they come due in order to avoid default. It was suggested that some remedial legislation benefitting cities which had issued bancroft bonds, and subsequently had been forced to foreclose and take property, might be made; for instance, one bill will provide for a postponement at least, of action on the part of the counties to enforce payment of taxes on such land foreclosed, until it can be sold or disposed of by the respective cities instituting the foreclosure proceedings.
- 4th: Recommended that Water bonds be paid off monthly, thereby affecting a saving in interest charges.

Mayor Buck made a brief report of the results of recent trip to Roseburg with Chairmen of the School Boards, regarding present tax situation, and stated that there would be every possible cooperation given by the county in connection with the collection of personal taxes.

After due consideration, upon motion by Councilman Weidner, seconded by Councilman Foster and regularly carried, previous action of the council authorizing transfer from Sewer

Fund to Street Improvement Fund for the purpose of paying street interest coupons, was rescinded.

Upon motion of Councilman Weidner, regularly seconded and carried, it was ordered that the Winchester Bay Water Fund be transferred to the Special Water Fund as of December 31st, 1930.

It was further ordered, upon motion regularly made, seconded, and carried, that the City Treasurer, when funds were available, be authorized to transfer \$500 back to the Water Fund from the Road and Street Fund. This action was taken to repay loan which was made to Road and Street Fund from Winchester Bay Water Fund as of March 3rd, 1930.

Upon motion regularly made, seconded and carried, payment of \$250.00 from General Fund to Street Improvement District No. 4 was authorized, in accordance with the provisions of Warrant #4446 authorized at special meeting of September 10th, 1929. Upon motion regularly made, seconded and carried, loan of \$1750 was authorized from General Fund to the Street Improvement Interest Fund.

Upon motion of Councilman Weidner, seconded by Councilman Lillebo, and regularly carried, it was ordered to pay off \$3000 first issue water bonds which were due November 1st, 1931. Considerable discussion followed regarding the advisability of authorizing a city audit, and finally, upon motion of Councilman Lillebo, and seconded and carried, the Finance Committee was authorized to arrange for an audit, the total cost of which to the City was to be limited to \$350.00.

Mr. Franklin appeared before the Council and urged payment of former bill for gravel which he had presented at meeting of December 4th, 1928, in the amount of \$361.50, but which had been disallowed at that time. Mr. Franklin contended that at the time it had been his understanding that the City Council would not recognize any request for street improvement which was in the nature of new work, and on the basis of such a policy, he had undertaken personally to arrange financing for certain graveling, particularly along 16th Street and also 14th and "H" Streets. He further stated that the Council had refused payment of several gravel accounts at that time, but later had authorized payment of two different accounts. After considerable discussion and consideration, Councilman Weidner moved that the bill be disallowed. Motion was seconded by Councilman Foster, and upon the poll of the vote, as ordered by the Mayor, the motion was lost as follows:

Councilman Lillebo	- No
Foster	- Yes
Weidner	- Yes
Ford	- No
West	- No

No further action was taken in this matter, and the bill remained on the table for later consideration.

Bills of Councilman Weidner and City Attorney Benson for expenses for trip to Salem in the amounts of \$18.00 and \$32.50, respectively, were ordered paid.

Councilman Weidner further reported on visit with the Public Service Commission, at which time he secured copy of West Coast Power Company valuations, and submitted a report for files of the city. It was suggested that the City write a letter to secretary of the Public Service Commission, outlining the number of service interruptions, the probable loss to consumers, with the view to securing the Commission's recommendations as to advisable action to take regarding standby service.

There being no further business the meeting was adjourned.

MINUTES OF ANNUAL MEETING OF THE COMMON COUNCIL
OF THE CITY OF REEDSPORT, HELD JANUARY 13th, 1931 at
8:00 P.M.

Pursuant to the provisions of the City Charter, regular annual meeting of the City Council was held on Tuesday, January 13th, 1931 at 8:00 P.M.

There were present, Mayor Buck presiding, and Councilmen Foster, Ellis, Reeves, West and Burton. Absent Councilman Lillebo. There were also present City Attorney Benson, Treasurer Cairns, Commissioner Clarke, Marshal Boak, Recorder Chapin, and Edward Cornell, Resident Manager of the West Coast Power Company.

Minutes of meeting of January 5th were read and approved.

The Recorder reported that proper surety bonds had been filed for Treasurer in the amount of \$10,000, for Marshal, in the amount of \$1000, and Recorder in the amount of \$1000, in accordance with the provisions of the City Charter.

Some discussion followed regarding the salary of City Recorder, and it was finally set at \$125.00 per month.

Ordinance No. 211, an ordinance fixing the salaries of City Recorder, City Water and Street Commissioner, City Marshal, City Attorney, City Treasurer and City Fire Chief, of the City of Reedsport, was next submitted and read for the first time in its entirety. Upon motion regularly made, seconded and carried, it was then passed to its second reading and read for the second time by title only. Said Ordinance No. 211 was then ordered laid upon the table until next regular meeting.

The annual report of the Fire Chief was read, and upon motion regularly made, seconded and carried was ordered filed. The report recommended the immediate purchase of four new high pressure tires for the truck, and upon motion duly made, seconded and carried, this purchase was authorized.

Marshal Boak spoke briefly about the condition of the jail, and recommended that some provision be made for heating and drying it. After some discussion, the Mayor appointed a committee consisting of Councilmen Burton, Ellis and Reeves, and it was duly authorized that this committee arrange for some more livable conditions at minimum expense.

Discussion of the existing dog license Ordinance followed, with the final instructions that the ordinance be enforced. Consideration of the existing dance hall ordinance developed the recommendation that the City Attorney submit a revised ordinance which was considered would be more of a regulatory nature and would require only nominal license fees.

Recorder Chapin again called attention of the Council to the immediate necessity of arranging for garbage dump ground, and this matter was finally referred to the Recorder and Water and Street Commissioner for investigation and report.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Reedsport Machine & Boiler Wks	\$2.25	Umpqua River Nav. Co.	\$7.00
Frank L. Taylor	3.93	Harvey Peterson	1.00
Chapin Invt. Company	60.00	Albert Butler	6.14
Frank Cox	19.10	City W Fund (Labor A/c)	30.92
			<u>\$130.34</u>

There being no further business the meeting was adjourned.

Minutes of the Regular February 1931 Meeting
of the Common Council of the City of Reedsport held
at City Hall on Monday, February 2nd, 1931 at 8:00 P.M.

There were present Mayor Buck presiding, Councilmen Burton, Foster, Reeves, and West. Absent Councilmen Ellis and Lillebo.

Minutes of the annual meeting held January 13th were read and approved.

Applications for pool hall licenses submitted by Johnson and Johnson and E. H. Ford were duly approved.

Letter from Winchester Bay Lumber Company dated January 15, 1931, permitting the use for dumping of garbage in a deep gulch in the SW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 4, was read. This permission was given under certain restrictions for upkeep and liability, and was made revocable by Winchester Bay Lumber Company by giving ten days written notice to the City to cease using it as a dumping ground. After due consideration, it was finally moved, seconded and carried that the offer be accepted, that the City Recorder advise the Winchester Bay Lumber Company of this acceptance, and that Water and Street Commissioner Clarke be instructed to provide for repair of the road, construction of proper chute, and arrange for other work necessary to the proper marking and upkeep of this gulch as a city garbage and dump ground.

Communication dated January 31, 1931 from the U. S. Engineers office of Portland, regarding permit for laying a submerged water main in Schofield River at Winchester Avenue, was next read. In view of the fact that it was not probable that the City would make use of this permit, it was ordered that the same be relinquished and returned.

Letter from Prudential-Federal Union Savings & Loan Associations regarding the R. E. Miller property on Lots 11 and 12, Block 4, Rainbow Addition to Reedsport, was next considered. It was finally ordered that the company be advised that the City would relinquish the 10% penalty and charge only 6% on delinquent assessments in event that the company chose to redeem this property; also that the \$22.00 collected as rental, be credited to the loan association in event of redemption.

Letter from the League of Oregon Cities regarding certain bills recommended by it for passage at the present legislature, was next brought to the attention of the Council. Attorney Benson read a brief report on each bill recommended, and also called attention to Section B of Senate Bill #17 regarding stream pollution. After due consideration it was ordered that the Recorder instruct Douglas County senator and representatives to support those bills endorsed by the League of Oregon Cities, and to recommend an amendment to the proposed Senate Bill #17, to the effect that stream pollution regulation as proposed, do not apply to sections touched by salt tidewater.

Ordinance No. 211, which was an ordinance fixing the salary of City Recorder, City Water and Street Commissioner, City Marshal, City Attorney, City Treasurer, and City Fire Chief, was next ordered taken from the table and read for the third time. It was thereupon put for final adoption and was adopted by the following vote:

Ayes	4
Nays	0

It was thereupon approved by the Mayor.

Ordinance No. 212, an Ordinance amending Ordinance No. 103 of the Ordinances of the City of Reedsport, relating to the licensing of dance halls, was next submitted and read for the first time. It was thereupon ordered passed to its second reading, and read by title only. It was thereupon moved, seconded and carried that proposed Ordinance No. 212 be passed to the third reading and read for the third time. Said Ordinance No. 212 was then adopted by the following vote, Ayes 4, Nays 0, and duly approved by the Mayor.

Considerable discussion followed regarding the heating of the jail, and the matter was finally left with the special committee appointed at previous meeting.

Upon motion made, seconded and carried, \$2000 Water Bonds held by the State of Oregon were ordered paid.

Financial reports of receipts and disbursements for January, and fund balances, were submitted by the City Recorder, and upon motion made, seconded and carried, said reports were ordered filed. The City Recorder announced that the audit of the City books had been completed and final report would probably be received within the next week or so.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

C C Clarke	\$124.69	K. R. Richards	\$5.00
Walter Boak	99.32	H. W. France	2.00

Minutes of the Regular March 1931 Meeting of
the Common Council of the City of Reedsport held at
City Hall on Monday, March 2nd, 1931 at 8:00 P.M.

There were present Mayor Buck presiding, and Councilmen Ellis, Lillebo, Foster, Reeves, West and Burton. There were also present Water and Street Commissioner Clarke, City Attorney Benson, City Treasurer Cairns, and City Marshal Boak.

The minutes of the last meeting were read and approved.

Letters from Senator Eddy and Representatives Fisher and Nichols, regarding matters which had been taken up with them in accordance with instructions of last meeting, were read. All of them assured the City that attention would be given to the problems referred to, and particularly to the pending bill regarding stream pollution.

A special committee from the Fire Department consisting of Guy Mattan, Leo Rogers and M. D. Wallace, appeared before the Council, and submitted for its consideration the advisability at this time of building a combination fire hall and jail. Some suggestion was also made as to the advisability of acquiring a new fire truck. The Council was keenly appreciative of the willingness of the Fire Department to contribute its present fund and cooperation for such a project, but under the present circumstances it felt that it was in no position to consider the project which would require a substantial investment.

Mr. W. A. Lovelace appeared before the Council and urged that attention be given to the new legislation which authorized the creation of power districts. It was suggested that Reedsport take the initiative in filing on suitable power sites, and that special investigation be made of the present status of that site in the vicinity of Elkton, just above Smith's Ferry, known as the Big Bend area. After due consideration, upon motion regularly made, seconded and carried, the City Attorney and Recorder were instructed to report on the provisions of the new power bill and investigate the present filings if any, on the Smith's Ferry power site.

Street Commissioner Clarke called attention to the dangerous condition of some of the sidewalks and urged that some action be taken to relieve the City of possible liability as a result of injury due to that condition. After a lengthy discussion, it was finally ordered that the Street Committee investigate and submit a sidewalk ordinance to be presented for the consideration of the Council at next regular meeting.

Mr. Clarke also reported sale of certain old water pipe to Mr. C. McC. Johnson, and a charge of 35¢ per foot for 8" pipe and 25¢ per foot for 4" pipe was authorized.

The audit report submitted by Mr. J. T. Pasquill of Portland, was submitted to the Council for its consideration, and the Recorder read the auditor's comments and recommendations.

Acting on the recommendation that Recorder's bond be increased to \$10,000, this was authorized, upon motion regularly made, seconded and carried. Also upon recommendation of the auditor, public liability on the fire and Chevrolet trucks was ordered increased to \$20,000/\$40,000 limits.

The auditor's adjustments were authorized as follows:

	Dr.	Cr.

 Water Fund 33.45

9/11/29 Warrant 4441, Material and Supplies, chargeable to Water Construction.

It appeared that the certain transfers made by the auditor showed a deficiency of \$1024.99 in the Water Construction Fund, and upon motion regularly made, seconded and carried, a transfer of this amount from the Water Fund to the Water Construction Fund to close the account, was authorized.

The resignation of Stanley D. Chapin as City Recorder was submitted and upon motion regularly made, seconded and carried, was duly accepted. In accordance with the provisions for filling vacancies of elective offices, the Council proceeded to ballot to fill vacancy in this office. Upon a count of ballots, Mr. H. L. Chapin received six votes and was thereupon declared elected to the office of City Recorder for the balance of the unexpired term.

Dance hall license of the L.C.O.M., was approved.

Some discussion followed regarding the heating of the jail and consideration of a new jail building. In view of the limited finances it was decided that the only thing to do at this time was to make an ~~as~~ inexpensive ~~a~~ construction for proper and necessary heating and a plan suggested by Mayor Buck was finally adopted.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Minutes of the Regular April 1931 Meeting of the Common Council of the City of Reedsport held at City Hall on Monday, April 6th, 1931 at 8:00 P.M.

There were present Mayor Buck presiding, and Councilmen Burton, Foster, Lillebo and Reeves. Absent, Councilmen Ellis and West. There were also present Water and Street Commissioner Clarke, City Attorney Benson, & City Treasurer Cairns.

The minutes of the last meeting were read and approved.

Miss Blanche Hibner appeared before the Council, and called attention to the need of gravel in the front of her place of business between 6th and 7th street on H. Street. After some discussion this was referred to the Street Committee and Street Commissioner, with power to act.

Mr. Matt Thompson asked permission to change the front of his restaurant so as to improve the appearance and widen out the front. He was directed to have a plan of the proposed improvement drawn, and present the same to the Building Committee for its approval.

Captain Oscar Wären made request through City Attorney and City Recorder, to have the privilege of building a dock and boathouse in Schofield River opposite his own and E. W. Stephens' residences. Permission was granted with understanding that dock would be open to public and that all construction should be done in a neat and workmanlike manner and the boathouse to be painted.

A brief report was made by City Recorder on the Smith's Ferry power project on the Umpqua River and reference given to report made by Department of the Interior Biological Survey, Water Supply Paper #636-F, a copy of which had been forwarded on request. Attorney Benson gave some of the provisions of the Power Bill passed at the last legislature, but reported that it would take some time and study to make anything like a full report. After some discussion Councilman Burton suggested the whole power question be referred to the Chamber of Commerce with the request that they communicate with the chambers of commerce of other towns that might be interested in this power development, as well as granges and other bodies in different communities adjacent, to find out whether they would be interested in some active plan of development of such a project.

As both members of the Street Committee were absent, report on sidewalks called for at last meeting, was postponed till next meeting of the Council.

It was regularly moved, seconded and carried that the Director of the U. S. Coast and Geodetic Survey be asked to furnish the metal tablet and establish a bench mark on same, as per his offer of March 24th.

After discussing the notice of the Commonwealth Conference to be held on University of Oregon Campus at Eugene on April 16th and 17th, Councilman Burton was asked to represent the City, which he consented to do, and the Mayor stated that he would attend also if possible.

Water Commissioner Clarke reported bad condition existing in the tunnel leading from Clear Lake, and also that there was much need of road improvement from Winchester to the mouth of the tunnel, so that pipe could be transported over the road. Councilman Burton, who had investigated these conditions, reported that there was need of immediate action to improve same. Upon motion regularly made, seconded and carried, the Water Commissioner was directed to proceed with the work.

Warren McWillis appeared before the Council, and reported that his commission as garbage man would expire on April 7th, 1931. Upon motion regularly made, seconded and carried, it was ordered that his commission be renewed for another year.

Upon motion duly made, seconded and carried, the Recorder was instructed to purchase two pairs of handcuffs and a supply of traffic cards for use of the City Marshal. It was also directed that the Recorder only let the handcuffs out of his possession for use by the proper officers and in all cases to take a receipt for them when taken from the office.

The resignation of Roy G. Cairns as City Treasurer to take effect May 1st, 1931, was presented, and upon motion duly made, seconded and carried, was accepted. Thereupon, a petition in favor of Charles Douglas to fill the position thus vacated, was presented to the Mayor and Council, and laid upon the table for further action.

Mayor W. R. Buck then presented his resignation as Mayor to take effect on or before May 4th, and read a carefully prepared letter stating that it was impossible to attend to his private business and at the same time attend to the many exactions which the present charter demanded of a Mayor. He also forcefully pressed the need of a number of changes in the charter, and recommended that a committee be appointed to investigate and report on the proposed changes. After some time spent in discussion, it was regularly moved, seconded and carried, that such a committee be appointed. Thereupon, Mayor Buck appointed Councilmen Burton, Foster and Lillebo to serve on such committee, and recommended that they meet with the following men, representing the various organizations in the city, as follows:

W. P. Reed, Port of Umpqua Commission.
 H. Gordon McCall, Union High School Dist. #11
 Nelson Hagan, Grade School District No. 105
 W. A. Burdick, Chamber of Commerce
 W. A. Lovelace, Super Road District
 W. R. Buck and City Attorney Benson were also added to meet with the committee.

Mayor Buck was urged to withdraw his resignation, but after stating that it would be impossible, the resignation was duly accepted.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

City Water Fund	\$17.67	City Water Fund	\$10.03

Minutes of the Regular May, 1931 Meeting of Common Council of the City of Reedsport held at City Hall on Monday, May 4th, 1931 at 8:00 P.M.

There were present Mayor Buck presiding, and Councilmen Ellis, Foster, Lillebo and Reeve, Councilman Burton appearing later in the evening. Absent Councilman West. There were also present Street Commissioner Clarke, City Attorney Benson, and Treasurer Roy Cairns.

The minutes of the last meeting were read and approved.

Councilman Ellis, Chairman of the Street Committee, reporting on sidewalks, stated that under the present charter, there was very little that could be done in renewing the present sidewalks. A sidewalk ordinance was discussed, but no action was taken.

Nominations were then called for to fill the unexpired term of Roy Cairns, as City Treasurer, resigned, and the petition with 29 signatures in favor of Charles F. Douglas presented at last meeting of the Council was mentioned. Thereupon, Charles Douglas was nominated for City Treasurer. There being no further nominations, upon motion regularly made, seconded and carried, the nominations were closed, after which a ballot was taken, showing the following vote: Ayes 4
Nays 0.
Charles Douglas was thereupon declared elected to the office of City Treasurer.

Nominations were next called for Mayor, for the unexpired term of W. R. Buck, resigned; Ralph L. Foster was nominated. There being no further nominations, upon motion regularly made, seconded and carried, the nominations were closed. The poll of vote was as follows: Ayes 4
Nays 0, and Ralph Foster was duly declared elected Mayor.

Thereupon, Resolution No. 85 was presented, and upon motion duly made, seconded and carried, was unanimously adopted, to-wit:

RESOLUTION NO. 85

WHEREAS, the City of Reedsport Charter provides that the absence of any elective officer from the City, for a period of thirty days, without the consent of the Council, shall create a vacancy, and

WHEREAS, C. H. West, a member of the City Council of the City of Reedsport, has been absent from the City without the consent of the Council, for more than thirty days, and

WHEREAS, it appears that the physical and mental condition of the said C. H. West is apparently such that it will be many months before he will be able to resume the duties of his office,

NOW THEREFORE, IT IS RESOLVED BY THE CITY OF REEDSPORT, that the office of Councilman of the City of Reedsport which said office was heretofore held by the said C. H. West, pursuant to the provisions of the Charter of the City of Reedsport, in such cases made and provided, be and the same is hereby declared vacant.

Passed by the following vote: Aye: 5
Nay: 0

L. J. Weidner was then nominated to fill the unexpired term of C. H. West, as councilman, which office was declared vacant in Resolution No. 85. There being no further nominations, upon motion regularly made, seconded and carried, the nominations were closed. A ballot was then taken, as follows:
Ayes 5
Nays 0, and L. J. Weidner was declared elected.

Councilman Burton submitted a verbal report of meeting of the Commonwealth Conference of the League of Oregon Cities, at Eugene, which he had attended. Mr. Burton stated that there were a number of subjects spoken of that might be of great interest to the City Council of Reedsport, as well as to the councils of all cities of Oregon. Special emphasis was placed on collection of all delinquent payments on city liens from savings and loan companies. An interesting discussion was held on the City Manager form of government, and there were several city managers from Oregon cities present, who seemed ready to answer all questions concerning same. Mr. Burton stated further that another meeting was to be called in the fall at a date to be decided on later, and as there were many technical subjects discussed, strongly advised that the City Attorney be present as well as other members of the City Council. He advised that the University of Oregon had placed its law library at the service of attorneys of cities belonging to the League. Attorney Benson declared this was a great benefit, as few cities had attorneys with extensive libraries. Mr. Burton also stated that there was an endowment provided in New York for promotion purposes of leagues of American cities, and that a resolution had been adopted, asking that a portion of this endowment be provided for use of the League of Oregon Cities.

Upon motion regularly made, seconded and carried, it was authorized that a transfer of \$1000 be made from the General Fund to the Street Improvement Interest Fund.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

There were present Mayor Foster presiding, and Councilmen Ellis, Lillebo, Reeves, and Weidner, Councilman Burton appearing later in the evening. There were also present Street Commissioner Clarke, and City Treasurer Chas. F. Douglas.

The minutes of the last meeting were read and approved.

It was regularly moved, seconded and carried that the sum of \$853.68 be transferred from the General Fund to the Street Improvement Interest Fund.

It was moved, seconded and carried that the application of W. R. Buck for special permit to store gasoline on dock be submitted to the Building Committee.

Chairman Ellis of the Street Committee reported on city dock at foot of "L" Street, recommending that 2" plank be laid diagonally over the present planking. After some discussion it was moved, seconded, and duly carried that the street Committee proceed with the work as recommended.

It was regularly moved, seconded and carried, that the City authorize the Fire Department to purchase a gas mask to be used in conjunction with a second mask to be purchased by the Fire Department.

After considerable discussion concerning salvaged material from vacant houses owned by the City, Councilmen Ellis & Reeves were appointed a committee to evaluate said material, and authorized to proceed with the sale of same.

City Water Commissioner Clarke reported that there were unprotected open vent holes leading from the tunnel from Clear Lake, in connection with the city water system. He was authorized to take the necessary steps to protect same.

Councilman Ralph Foster having taken the oath of office as Mayor, his place on the Council was declared vacant, and the Council proceeded to fill the vacancy as authorized by the City Charter. Nominations being called for, E. H. Ford was placed in nomination. There being no further nominations, a ballot was taken and E. H. Ford received the unanimous ballot of all the Councilmen present.

The following resolution which was adopted at a duly called meeting of the League of Oregon Cities assembled at Eugene Oregon on Friday, April 17th, 1931, was on presentation adopted by the Reedsport City Council:

copy

Eugene, Oregon
April 17, 1931

WHEREAS, in the State of Oregon there is no public provision made for research in problems of city and town government, and

WHEREAS, great amounts of money are involved in public works and administration of one character or another involving matters of importance to the health, safety and well-being of the population, and

WHEREAS, in consequence, great savings in money and greater efficiency in administration of public affairs would certainly be accomplished if the administration of Oregon Cities and towns were provided with expert service and advice, and by the provision of facilities for research in municipal problems, and

WHEREAS, at the present time, sums of money are made available for research and service to agriculture and business be it, therefore,

RESOLVED, that the League of Oregon Cities, through its regularly elected officers and delegates, in convention assembled, this 17th day of April, 1931, in the City of Eugene, do and does hereby petition the State Board of Higher Education of the State of Oregon that it appropriate the sum of fifteen thousand dollars per year for the creation of a Bureau of Municipal Research and Service in the School of Applied Social Science at the University of Oregon at Eugene, Be it further

RESOLVED, that the Director of the Bureau of Municipal Research and Service, in addition to carrying on research and giving consultation and advice to the administrators of Oregon cities, shall act as secretary to the League of Oregon Cities, assuming all of the duties and functions appertaining to that office. And be it further

RESOLVED, that the services and benefits of the Bureau of Municipal Research and Service be made available to the administrators of all incorporated towns in the State of Oregon, whether they be affiliated with the League of Oregon Cities or not.

Resolution adopted at a duly called meeting of the League, assembled at Eugene, Oregon, Friday, April 17, 1931.

Minutes of the Regular July, 1931 meeting of the Common Council of the City of Reedsport, held at the City Hall on Monday, July 6th, 1931 at 8:00 P.M.

There were present, Mayor Foster presiding, and Councilmen Burton, Reeves, Ellis, Ford and Weidner. Absent, Councilman Lillebo.

The minutes of the last regular meeting were read and approved.

Motion was regularly made, seconded and carried that \$293.39 be transferred from the General Fund to the Street Improvement Interest Fund.

A general discussion was entered into, concerning the status of Bancroft Bonds of the City, after which motion was made by Councilman Weidner, and duly seconded and carried, that \$127.09 be transferred from General Fund to Street Improvement Interest Fund. It was thereupon moved by Councilman Weidner, and seconded and carried, that of \$1274.16, which had previously been transferred from the General Fund to the Street Improvement Fund, \$974.74 be applied against Warrant No. 4446.

Mayor Foster appointed the Finance Committee, consisting of Councilmen Weidner and Burton, and City Attorney Benson, to act as a special committee to investigate the status of the Bancroft Bond situation, and report upon same at next meeting.

The Mayor then appointed the following standing committees:

Finance: Weidner and Burton.
 Light : Ford and Reeves.
 Street : Ellis and Ford.
 Water : Lillebo and Burton.
 Building: Burton and Ellis.

A ballot was taken for election of the President of the Council. As a result of the first ballot, Burton received 2 votes, Weidner 2 votes, and Ford 1 vote. Upon a second ballot, Weidner received 3 votes, Burton 2, whereupon Councilman Weidner was declared elected as President of the Council.

A discussion followed regarding proper rate for water to be used by Firland Lumber Company mill. It was decided to await the time of actual use of the water and the Water Commissioner was then to make a report, upon which an equitable rate could be fixed.

It was regularly moved, seconded and carried, that the City Truck be permitted to haul gravel at a charge of \$1.00 per yard for any amounts under 10 yards; 75¢ a yard for 10 yards or more.

Motion was made by Councilman Ellis, seconded and carried, that the intersection of "L" and 14th Streets be oiled.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Hal E. Hoss	\$ 1.00	Bank Building	\$10.00

Minutes of the Regular August, 1931 Meeting of the Common Council of the City of Reedsport held in the City Hall on Monday, August 3rd, 1931 at 8:00 P.M.

There were present Mayor Foster presiding, and Councilmen Ellis, Ford, Reeves and Weidner. Absent, Councilmen Lillebo and Burton.

The minutes of the last regular meeting were read and approved.

Chairman Weidner of the special committee on bancroft bond situation, reported progress and asked for further time.

Councilman Weidner moved that the Sewer Interest Coupons due on September 1st, 1931 in the amount of \$652.50, be paid when due; that Water Interest Coupons of \$375.00 due on September 1st, be paid; also that \$57.83 be transferred from the General Fund to Street Improvement Interest fund of District No. 7, due on August 24th, same to be applied against Warrant No. 4446. This motion was regularly seconded and carried.

A general discussion then followed concerning plans of procedure to take care of delinquent assessments. Councilman Ellis moved that in cases of all delinquent assessments and interest that were more than two years delinquent, the property be foreclosed upon, unless the interest at least be paid up to date before September 5th, 1931. The motion was duly seconded by Councilman Weidner, and unanimously carried.

Upon motion of Councilman Ford, and regularly seconded and carried, it was authorized that the City Recorder secure bids for repairing roof on the City warehouse building; roof to have a first coat of heavy paint, then burlap, then a filling coat on burlap, to be finished with a coat of Gilsenite; the maximum amount to be paid, \$160.00.

It was regularly moved, seconded and carried that the sidewalk around the Johnson lots on the corner of 14th and "L" streets be torn up under direction of the Street Commissioner.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Minutes of Special Meeting of the Common Council of the City of Reedsport, held at the City Hall on Thursday, August 20th, 1931 at 8:00 P.M.

Pursuant to order of the Mayor, and notice regularly given, a special meeting of the Common Council of the City of Reedsport was held on Thursday, August 20th, for the purpose of discussion needed repairs on main water line, and repair of roof on city building, and any other matter that might regularly come before the Council at this time.

There were present Mayor Foster presiding, and Councilmen Burton, Ellis, Ford, Reeves and Weidner. Absent, Councilman Lillebo.

Councilman Burton reported that portions of the main water line were in very poor condition and that something would have to be done in the near future in the way of repairs or rebuilding of line. After a somewhat lengthy discussion of the situation, including possible means of financing same, the special committee appointed to investigate Bancroft Bond situation, was directed to endeavor to find out from the State Treasurer if there would be a way devised of refinancing the city water system.

It was moved by Councilman Ford that labor credited to water accounts be paid at the rate of \$2.75 per day; the motion was regularly seconded and carried.

Motion was made by Councilman Ellis, and seconded and carried, that roof on city building be fixed as reported by Commissioner Clarke, ready for the roofing paper.

It was moved by Councilman Burton and seconded and carried, that traffic signs be installed on L and 14th Streets, and manhole in alley on 14th St between H and L Streets, be raised to conform with grade of the street.

There being no further business the meeting was adjourned.

Minutes of the Regular, September, 1931 Meeting of the Common Council of the City of Reedsport held at City Hall on Monday, September 8th, 1931 at 8:00 P.M.

There were present Mayor Foster presiding, and Councilmen Weidner, Burton, Ellis, Ford and Reeves. Absent Councilman Lillebo. There were also present, Water and Street Commissioner Clarke, City Treasurer Douglas, City Attorney Benson, Marshal Boak, and others.

The minutes of the last regular and special meetings were read and approved.

Communication from Attorney James Hope, representing the Anderson Fish Company, asking for time pending necessary formalities in their company for payment on city assessment, was read. It appearing that no money could be paid by the Anderson Fish Company until such formalities were complied with, it was regularly moved, seconded and carried, that 90 days be allowed them for paying assessments.

Fire Chief Bernhardt presented a proposition of the Fire Department for the purchase of a Stutz triple combination 500 Gallon Pumping Engine from Howe Fire Apparatus Company. After some discussion of the matter, and the proposed means of paying for this equipment, motion was made by Councilman Ford, and seconded and carried, that the Finance Committee in conjunction with the Fire Chief formulate a proposal to the Howe Fire Apparatus Co. on the following terms:

Stutz Pumper F.O.B. Reedsport for \$3,300.00
to be paid for as follows:

Credit for Reedsport's 2 hand drawn		
chemicals.....	\$300.00	
" " present pumper.....	1000.00	
Cash payment by Fire Department....	<u>350.00</u>	<u>1,650.00</u>
		Balance \$1,650.00

Balance due to be paid in four warrants drawn in the sum of \$412.50 each, these warrants to run one, two, three and four years respectively, and to bear 6% interest.

The members of the Fire Department further agreed to pay into the City Treasury \$200.00 each year for four years to apply on the warrants for balance of payment on the Pumper.

City Attorney Benson reported for the committee appointed to confer with State Treasurer Holman concerning Bancroft Bond situation and water bonds of the City of Reedsport. He stated that after a conference with Treasurer Holman, they had been directed to meet with a special committee which had been appointed by Mr. Holman with a view to coping with just such situations as confronted the City of Reedsport in regard to bonds; that he and Councilman Weidner met with this committee on the following day, and were given a full opportunity to present conditions at Reedsport; that they were courteously received, and patiently listened to; that after a full hearing, they were told that it would be necessary to exhaust all reasonable means of collecting assessments due before any compromise could be made with bond holders; and that they held out very little encouragement for increasing water bonds for relaying parts of the present system. Mr. Benson stated, however, that no definite proposition had been submitted to the State Treasurer or the Committee in regard to the water system situation.

A general discussion was entered into regarding repairs and replacements of water mains. A proposal was made by Engineer Romig of the Beall Pipe & Tank Corporation, to furnish 2700 feet of 12 inch 10 gauge steel pipe including Dresser

Couplings, coated and wrapped f.o.b. Reedsport, for \$3170.00; further, that it would take about 60 days to get delivery at this price.

Motion was made by Councilman Weidner and duly seconded and carried, that the City Recorder get competitive bids on 12", 10 gauge steel pipe from two or more different firms, same to be either for cash or on 30 to 60 days time from date of delivery. Upon investigation the City Recorder and Water Commissioner were unable to learn of any other firms than the Beall Pipe & Tank Corporation on the West coast that were fabricating the required material.

It was regularly moved by Councilman Burton, and seconded and carried, that the City purchase a new blade and cleats for the City Tractor.

Motion was made by Councilman Ellis, and seconded and carried, that Mr. L. O. Tichenor be required to pay his delinquent water account, and if necessary, that his car or other property be attached to collect for same.

Motion was made by Councilman Weidner, and duly seconded and carried, that the same adjustment be made on the Ethel Weatherly street assessment in District No. 2, as had been made on the adjoining property of Geo. Keating.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

The committee on proposition to purchase Stutz Pumper for the Fire Department, reported that the Howe Fire Apparatus Company had accepted the offer from the committee; it was then moved by Councilman Weidner, and seconded and carried, that the equipment be purchased as per the agreement set out in minutes of Sept. 8th, subject to a test by the State Rating Bureau, and approval of the Common Council.

The Finance Committee presented the following Analysis of Water System - Refinance proposal:

Cost of Repairing line from lake to Tunnel and making reservoir out of present tunnel - figures obtained from Special Committee to do this work.	\$85,000.00
--	-------------

Present Bonds outstanding	144,000.00
	<u>\$229,000.00</u>

If can be refinanced at 4%-Yearly interest	9,160.00
--	----------

30 year Bonds to be issued payable on principal

1st year	2,500.00
2nd year	2,500.00
Yearly for	
28 years	8,000.00

On this basis 1st year would have to pay interest and principal

\$ 11,660.00

On this basis 2nd year would have to pay interest and principal

\$ 11,660.00

For the 28 years after would have to pay yearly on interest and principal

\$ 17,160.00

Of course after the bonds are started to be paid off the yearly interest will drop.

Taking our present yearly revenues into consideration, which is \$ 19,200.00 on a 1600.00 per month average, deducting our present average monthly expense of operation which is \$3,000.00 per year, we find we have 16,200.00 left to apply on interest and principal which would leave us a sinking fund on the first two years of \$ 4,540.00 per year or for the 2 years \$ 9,080.00, and after the 1st two years bonds and interest are paid we would just come out even on our system, but times are bound to change, and if our revenue comes back to normal of \$24,000.00 a year revenue, we will have \$ 3,840.00 a year over all expenses.

At present our yearly outgoing expense is \$21,640.00 on our present finance plan, so the above proposed plan is \$4,480.00 a year less, so this would show that there would be no increased water rates to our users, and in fact would give us a chance to reduce rates, when things are again normal.

Finance Committee: L. J. Weidner,
A. W. Burton.

Councilman Ford, Chairman of Committee on Water Improvements, made the following report:

Report of Special Committee on Repairing and Enlarging present water system from the lake to present 12 inch main at Cochran's Store.

Wrapped pipe 18 inch, 10 gauge	\$ 46,425.00
21,200 feet @ 2.19 foot

Minutes of the Regular October, 1931 Meeting of the Common Council of the City of Reedsport held at the City Hall on Monday, October 5th, 1931 at 8:00 P.M.

There were present Mayor Ford presiding, and Councilmen Burton, Ellis, Reeves and Hogan. Absent, Councilman Lillebo.

Minutes of the last regular and continued meetings were read and approved.

Communication from Beall Pipe & Tank Corporation was read, which stated that pipe on hand could be used, making early delivery of pipe possible.

Letter from Mr. Paulus, Deputy State Treasurer, stating that he could probably visit Reedsport on October 9th and 10th, was next read.

Resignation of L. J. Weidner as Councilman, was read and duly accepted.

Water Commissioner Clarke reported that a valve was needed for connection with lateral to schoolhouse. It was regularly moved, seconded and carried that this valve be purchased.

Fire Chief John Bernhardt reported that building on Lot 4, of Block 49, was in a very dangerous condition, and not only was a great fire hazard, but that there was danger of the walls falling, with possible injury to any passerby. Mr. Frank Morris also called attention to the dangerous condition of this building, and stated that the walls were a constant menace to passers. Motion was made by Councilman Burton, and regularly seconded and carried, that the City Marshal at once proceed to tear down the walls of said building on this property.

At this time the Mayor appointed Councilman Hogan to serve on the Finance Committee, reserving other appointments to a later date.

Mayor Ford reported that vacant houses belonging to the City, from which windows and doors had been removed, were being used by children and vagrants for gatherings, this condition creating a menace and fire hazard. It was regularly moved, seconded and carried that the Street Commissioner use all available lumber from sheds on these lots to board up the windows and doors of these vacant buildings.

It was moved by Councilman Burton, regularly seconded and carried, that the matter of refunding assessment payments made by Artisans Life Association, be laid upon the table until next meeting, for purposes of investigation. This refund had been requested by E. W. Franklin, owner of the property upon which the assessment payments had been made.

A general discussion followed in regard to the present financial situation of the City of Reedsport, which showed a shortage in the General Fund. It was moved by Councilman Burton, and regularly seconded and carried, that the City Recorder write to County Judge Hamilton, to find if there was any money for the City in the County Treasury, and if so, to have the same forwarded to the City immediately. It was also regularly moved, seconded and carried that \$400.00 be transferred from the Road and Street Fund to the General Fund.

There was some discussion in regard to cars parking on highway between Schofield Bridge and Captain Wiren's residence, particularly when there were football games in progress on the school playgrounds. Motion was regularly made, seconded and carried, that "no-parking" signs be posted at Schofield Bridge and in front of Mr. Wiren's residence.

It was regularly moved, seconded and carried, that Street Commissioner Clarke be appointed Deputy City Marshal.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

Minutes of the Regular November, 1931 Meeting of the Common Council of the City of Reedsport held at the City Hall on Monday, November 2nd, 1931 at 8:00 p.m.

There were present, Mayor Ford presiding, Councilmen Burton, Ellis, Reeves, and Hogan. Absent Councilman Lillebo.

Minutes of the last regular meeting were read and approved. Minutes of the 1932 Budget Committee Meeting were also read and approved.

In accordance with published notice, public hearing was held on proposed 1932 Budget. Upon motion of Councilman Burton, regularly seconded and carried, item in the proposed Budget of Warrant-Umpqua Highway Right of way purchase, was changed from \$150.01 to \$932.58. Motion was made by Councilman Hogan, and duly seconded and carried, that the sum of \$410.00 be added to the Emergency Fund, increasing it to \$3000.00. There being no further objections from taxpayers, upon motion regularly made, seconded and carried, the proposed Budget for 1932, with the changes as named above, was duly adopted.

Thereupon, Ordinance No. 213, AN ORDINANCE levying a tax upon the property situate within the corporate limits of the City of Reedsport, for all purposes, for the year 1932, in the sum of \$15,192.58, was submitted and read for the first time. Upon motion regularly made, seconded and carried, it was ordered passed to the second reading, and read for the second time, by title only. Upon motion regularly made, seconded and carried, it was ordered passed to the third reading, and read for the third time. Thereupon said Ordinance No. 213 was ordered put upon its final passage and was adopted by the following vote:

Ayes 4

Nays 0

It was thereupon approved by Mayor E. H. Ford.

After some discussion of the matter of returning money advanced by Artisans Life Association on property owned by E. W. Franklin, for street and sewer assessments, it was regularly moved, seconded and carried that the Recorder write to the Artisan's Life Association, asking them to return receipts for this payment; explaining reasons therefor, to the First Bank of Reedsport, upon which check for the amount of payment made was to be deposited with the Bank to be forwarded to the Artisans Life Association.

Mr. O. H. Hinsdale appeared before the Council, and reported that there was a congestion of fishing boats at the private dock of the Umpqua River Navigation Co., making it very difficult for regular river boats to land with passengers and freight; he asked the Council to take some action in conjunction with the Chamber of Commerce and Port of Umpqua to build a municipal dock. After a discussion of the matter, it was regularly moved seconded and carried that the Chairman of the Street Committee meet with the Chamber of Commerce for the purpose of promoting the building of such a dock.

It was regularly moved, by Councilman Hogan, seconded and carried, that the Fire Chief get fire siren moved from its present location to the Bank Building, on the cheapest bid he could obtain.

The motion was regularly made, seconded and carried, that the door house on N $\frac{1}{2}$ of Lot 9 and Lot 10 of Block 4, Rainbow Addition No. 2, be dismantled.

Mayor Ford called for ballots for the President of the Council, which resulted in the election of Councilman Burton, by the following vote: Burton 3
Ellis 1.

The Council then proceeded to ballot for a Councilman in place of L. J. Weidner, resigned. Four ballots were cast for C. H. Bennett, upon which he was declared unanimously elected.

Minutes of Special Meeting of the Common Council of the City of Reedsport, held on Thursday, November 12th, 1931 at 7:30 P.M.

Pursuant to order of the Mayor and notice regularly given, special meeting of the Common Council of the City of Reedsport was held at the City Hall on Thursday, November 12th, 1931 at 7:30 P.M., for the purpose of making report of the trip to Salem to interview Mr. Paulus of the State Treasurer's Office, in regard to the Bancroft Bond situation.

There were present Mayor Ford presiding, and Councilmen Burton, Ellis, Hogan, Reeves and Bennett. Absent Councilman Lillebo.

Mayor Ford stated that Mr. Paulus gave no hope of securing any reduction on the principal amount of the Bancroft Bonds, but thought that a refunding issue might be worked out with a lower rate of interest.

A general discussion was entered into concerning the whole Bancroft Bond situation, and it appeared that it would be necessary for a thorough investigation to be made and a definite plan formulated to present to the State Treasurer, before anything further could be done.

There was further discussion in regard to lots which had been taken over by the City for non payment of assessments. It was finally moved by Councilman Burton, and regularly seconded and carried, that a committee be appointed to get information concerning the remission of taxes by the County Court on such lots, and that this committee undertake to get such a remission from the Douglas County Court. Mayor Ford appointed Councilmen Burton and Hogan and City Attorney Benson to serve with the Mayor on this committee.

There being no further business, the meeting was continued, subject to the call of the Mayor.

Minutes of Continued Meeting of the Common Council of the City of Reedsport, held Wednesday, November 18th, 1931 at 2:30 P.M.

Pursuant to action at last meeting and by order of the Mayor, Continued meeting of the Common Council of the City of Reedsport was held at the City Hall on Wednesday, November 18th, 1931 at 2:30 P.M.

There were present Mayor Ford, and all councilmen except Councilman Burton.

The purpose of the meeting was explained by Mayor Ford to be in connection with purchase of new 500 gallon Stutz Fire Pumper. Mr. Swinehart of the Howe Fire Apparatus Company, was called upon to make report of the condition of the fire truck, and to outline his proposal to the Council.

Mr. Swinehart reported that the Stutz Pumper had failed the pressure test on account of defects in the transmission. The proposal of Mr. Swinehart was that his company would allow an additional \$600.00 on the used Reedsport pumper; that the city issue a check for \$100.00 to the Howe Fire Apparatus Company, and order a new transmission installed in the truck, and to run a second underwriters test. In case that this test was not successful, the Howe Fire Apparatus Company was to return the \$100.00, as well as the cost of the transmission and repair parts, and that the city would not be obligated in any way to accept the pumper.

It was regularly moved by Councilman Ellis, and seconded and carried, that the proposal submitted, with a one year guarantee, by the Howe Fire Apparatus Company, be accepted.

There being no further business the meeting was adjourned.

Minutes of the Regular December, 1931 Meeting of the Common Council of the City of Reedsport held at the City Hall on Monday, December 7th, 1931 at 8:00 P.M.

There were present Mayor Ford presiding, and Councilmen Burton, Bennett, Ellis, Hogan and Reeves. Absent Councilman Lillebo.

Minutes of the last regular, special and continued meetings were read and approved, subject to correction of date of special meeting.

Communication from the American Legion was read, thanking the Council for extending time of Armistice Dance and for Marshal Boak's courtesy in keeping order.

Letter from the West Coast Telephone Company asking for permit to open "L" Street for a conduit running from Lot 13 of Block 76 to their new quarters in the Bank Building, was next read. It was moved by Councilman Burton, regularly seconded and carried, that the permit be granted, provided that the street be placed back in its present condition.

Mayor Ford reported that he and City Attorney Benson made a trip to Marshfield in regard to acquiring title clear of taxes on lots acquired by foreclosure for non-payment of assessments; that there would be further work necessary concerning this matter in the future.

Councilman Reeves of the Light Committee reported that Dan Wright had asked for light on M Street near its intersection with 16th Street; also that there was great need of a light at the underhead crossing on the continuation of H Street. Motion was made by Councilman Hogan, regularly seconded and carried, that the Light Committee make investigation and report as to whether lights from practically deserted districts could not be moved to the locations mentioned.

Mr. E. L. Tolman of Winchester Bay, appeared before the Council and requested that either a standpipe or hydrant be placed near his auto camp at Winchester Bay; he stated that he would be willing to bear a portion of the expense of installing a permanent hydrant. The City Recorder was instructed to get further information requirements for reduced rates on different sizes of pipe from the Oregon Insurance Rating Bureau, and make report at next meeting.

Attention was called to request of Leo Rogers of Commercial Hotel, to modify present water rate according to rooms in use. After a discussion of the question, it was decided to charge the regular base rate of \$2.80, \$1.80 for 2 toilets, \$1.80 for 2 baths, and 30¢ each for the four rooms now in use, or a total of \$7.60; and further, that there be additional charge of 30¢ for each additional room used.

Mayor Ford reported that a school zone had been recommended by the Chamber of Commerce, and after discussion, it was regularly moved, seconded and carried that a zone be established, with signs placed near the Catholic Church, Southern Pacific Depot, and at the corner of L Street and 8th avenue; also that a "dangerous crossing" sign be placed near Cochran's Store. The City Recorder was instructed to request the A.A.A. Association to donate signs for this purpose, and when obtained, that they be placed by the Street Commissioner at the points designated.

City Treasurer Douglas reported that the Bank was being put to considerable expense in returning coupons sent for bancroft bond interest payments. It was regularly moved, seconded and carried that the Bank be advised to turn in itemized list of such expense to the City Treasurer for reimbursement.

Mayor Ford reported the house on Lot 4, Block 4, Rainbow Addition, to be a favorable location for lodging deserving, needy tramps, giving them a chance to sleep and clean up. After a discussion of the matter, it was regularly moved, seconded and carried that this house be used for this purpose, and that it be open for any in such need, for a period not longer than three days at a time for any individual.

It was next reported that Charles Walls had asked for permission to cut trees in 16th Street near Winchester Avenue for wood. A motion that he be permitted to cut these trees, provided that stumps were cut down to level of ground and all refuse disposed of, was regularly made, seconded and carried.

The City Recorder called attention to dangerous condition of a shed adjoining old laundry building, and was thereupon instructed to write to the owners of this property, asking them to remove the existing hazard.

Mayor Ford reported that the Bancroft Bond situation was in a serious condition. He explained the result of conference with Mr. Paulus and State Treasurer Holman, and advised that some action be taken concerning the matter. It was regularly moved by Councilman Hogan, seconded and carried, that the Mayor appoint a committee to act in conjunction with the City Attorney and Recorder, in devising a plan to be presented to the State Treasurer.

Motion made by Councilman Hogan, seconded and carried, to pay Refunding Bonds of \$2000, and interest, due Dec. 15th, 1931, was reconsidered and duly rescinded.

Mayor Ford next reported that there were a large number of water users unable to pay their monthly water rents; also that the sidewalk on Rainbow Plaza was in a bad and dangerous condition. He recommended that this walk be placed in condition by using labor of delinquent water users; that the General Fund be charged for payment of this work, and credit given to laborers on their water accounts. After a full discussion of the matter, it was moved by Councilman Ellis, and regularly seconded and carried, that the Street Commissioner proceed to lay an eight-foot walk from 14th Street to the Railroad track at 16th Street, according to the recommendation of the Mayor.

It was regularly moved by Councilman Hogan, seconded and carried, that the Street Committee make a survey of H Street from 14th Street to its intersection with L Street, and also the cross street from H Street to L Street, in front of Reedsport Garage, and make recommendations for improvement of same at next meeting.

Mayor Ford appointed the following Committees:

Light Committee:	Councilmen	Reeves and Bennett.
Street " :	"	Ellis and Bennett.
Water " :	"	Lillebo and Burton.
Building " :	"	Burton and Lillebo.
Finance " :	"	Burton and Hogan

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, were ordered paid:

with private sewer in Block 77, it was regularly moved, second-
ed and carried that he be granted permit to connect with such
sewer.

A petition signed by various gasoline service
stations of the City, was submitted, asking that no curbstone
pumps be placed inside of property lines in the City. After due
consideration, the City Attorney was instructed to draw up an
Ordinance regulating same, to be presented at next meeting of the
Council.

After a discussion concerning the building of
a boathouse by Mr. W. R. Buck on the north side of the ferry
slip, it was regularly moved, seconded and carried that a permit
be granted to Mr. Buck for the construction of a boathouse, the
permit to include such portion of the street end of Rainbow Plaza
under the jurisdiction of the City of Reedsport lying between the
present southerly line of the Umpqua Creamery property and the
present ferry slip operated by the State of Oregon.

Motion was regularly made, seconded and carried
that the Street Commissioner be authorized to grade East Railroad
Avenue from "L" Street to "H" Street; also the alley from 13th

Minutes of the Regular August, 1932 Meeting of the Common Council of the City of Reedsport, held at the City Hall on Monday, August 1st, 1932 at 8:00 P.M.

There were present Mayor Ford presiding, and Councilmen Burton, Bennett, Ellis, Hogan and Reeves. Absent, Councilman Lillebo.

Minutes of the last regular, continued and special meetings, were read and approved.

A communication concerning decision on applying improvement bonds in payment of improvement assessments in the City of Astoria, was read, and discussion held in regard to receiving such bonds in payment of assessments in the City of Reedsport. It was finally decided that no action was necessary, and that any person who offered such bonds in payment of his assessments, would be entirely within his rights.

The applications of various delinquent water users for remission of water rents, were then read and acted upon separately. The applications of Miles Stephens, Lee Brisbin, N. J. McGill, Emory M. Roberts, and A. S. Heath of Winchester Bay were approved. The applications of A. M. Boggs, C. G. Landerking, and Hannah Hatfield of Reedsport, were approved. The applications of Geo. Nichols, Jr., Sam Holcomb and J. Campbell of Reedsport were rejected, because none of the three last named appeared before the Council as per instructions.

Charles Douglas presented a sketch for the improvement of Rainbow Plaza, stating the plan had originated in the Chamber of Commerce. After some discussion, it was decided that no action would be taken by the Council without definite data and itemized statement of amount necessary.

Ordinance No. 214, amending Ordinance No. 78 relating to the fire limits of the City of Reedsport, was read for the first time, and upon motion regularly made, seconded and carried was passed to the second reading. Ordinance No. 213 was then read for the second time, and upon motion made, seconded and carried, was ordered tabled until next meeting for further action.

construction, installation and operation of air pumps within Ordinance No. 215, an ordinance prohibiting the construction, installation and operation of air pumps within the City of Reedsport, was presented and read for the first time. Motion was regularly made, seconded and carried that Ordinance No. 214 be passed to the second reading, whereupon it was read for the second time, and tabled for further action at next meeting.

The resignation of Tom Lillebo as Councilman was submitted and upon motion duly made, seconded and carried, was accepted.

After some discussion, it was decided to delay the election of Councilman in the place of Mr. Lillebo until the following day.

Motion was regularly made, seconded and carried, that the Treasurer be authorized to pay the interest due on the third issue of water bonds of \$750.00 due September 1st, 1932.

The following bills were presented, OKed by the Finance Committee, and upon motion regularly made, seconded and carried, ordered paid:

City Water Fund	\$100.01	Reedsport Fire Dept.	\$26.00
C. C. Clarke	124.89	State Ind. Ac. Com.	13.71
W. G. Benson	25.00	City Water Fund	6.00
Chas. F. Douglas	25.00	Reedsport Garage	54.26
H. L. Chapin	125.00	Reedsport Machine & B.W.	2.42
John Bernhardt	10.00	Umpqua River Nav. Co.	5.00
Bank Building	10.00	W. G. Benson	10.00
West Coast Power Co.	90.00		
West Coast Tel. Co.	1.50		
			\$ 628.59

The City Recorder reported that Mayor Ford had asked for data to be prepared concerning the need of repairs on the water system, and certain figures had been taken from the Barr & Cunningham report which might be useful in making formal application to the Reconstruction Finance Corporation, to secure money to retire present bond issues, and for estimated \$80,000 for new improvements.

The Recorder also read letter directed to Mr. Walter Schultz, Manager of the Oregon Reconstruction Finance Corporation, for information concerning procedure, and a reply to same, that instructions had not yet been received from the National Reconstruction Finance Corporation; that as soon as these instructions had been received, he would write further. It appearing that no further action could be taken until the additional information was received, the matter was placed on file for the time being.

The meeting was then continued until August 2nd, 1932 at 12:00 o'clock noon.

Recorder,

Minutes of the Regular September, 1932 Meeting of the Common Council of the City of Reedsport, held in the City Hall on Friday, September 2nd, 1932 at 8:00 P.M.

There were present Mayor Ford presiding, and Councilmen Bennett, Burton, Ellis, Hogan, Lee and Reeves. Absent none. There were also present, Attorney Benson, Water Commissioner Clarke, and Treasurer Douglas.

The minutes of the last regular and continued meetings were read and approved, subject to correction of date for September meeting to Friday, September 2nd, and the title of Ordinance No. 215 to read as follows: "An ordinance prohibiting the construction, installation and operation of curb pumps within the City of Reedsport."

Letter from Mr. R. E. Koon, Engineer of Portland, Oregon, under date of September 1st, was read. It stated that Mr. Koon had found definite information to the effect that Reconstruction Finance Corporation funds are not available for refinancing purposes.

Letter from the R. F. C. of Washington, D. C., dated August 27, was next read. The letter stated that Mr. Walter Schultz had referred the city's letter to them, relative to financing repairs and additions to the city water system; the letter enclosed full information and instructions regarding proper procedure in making the application.

Motion was made by Councilman Ellis, and seconded and carried, that a sidewalk be built, beginning at the "Bakery" corner, on H Street near 13th Avenue, continuing west through the overhead crossing, thence across the street and past the West building, along West Railroad Avenue to L Street, and continuing on to the schoolhouse.

Councilman Reeves of the Light Committee, reported that he and Mr. Spath had inspected all the lights in the city recently. He felt that two lights would be needed along the proposed walk to the schoolhouse, and that one should be placed in Rainbow District in the vicinity of the Gus Johnson property. It was decided that no changes or additions would be made until November.

Mayor Ford read a proposed Ordinance submitted by the State Fire Marshal for consideration, to regulate the storage of gasoline in cities. The ordinance was laid upon the table for further investigation.

Ordinance No. 214, amending Ordinance No. 78 relating to the fire limits of the City of Reedsport, was taken from the table and read for the third time. It was then put upon its final passage, upon motion regularly made, seconded and carried, and adopted by the following vote: Ayes 6
Nays 0

Ordinance No. 215, prohibiting the construction, installation and operation of curb pumps within the City of Reedsport, was taken from the table and read for the third time. It was then put on its final passage, upon motion regularly made, seconded and carried, and adopted by the following vote: Ayes 6
Nays 0

Ordinance No. 216, amending Ordinance No. 57, relating to the manner and fee for filing for elective offices, was introduced and read for the first time. Upon motion made, seconded and carried, it was added to the second reading and read for the second time. Motion was made, seconded and carried that Ordinance No. 216 be passed to the third reading, and it was read for the third time, after which it was put upon its final passage by motion made, seconded and carried, and adopted by the following vote: Ayes 6
Nays 0

A report of John Bernhardt, Chief of the Reedsport Fire Department was next read, in which he listed properties in such a condition as to be considered fire hazards, with recommendations for cleaning up or tearing down the various places. Motion was made by Councilman Hogan, duly seconded and carried, that the City Recorder be instructed to write to owners of the properties listed, asking them to remedy the existing fire hazards.

Motion was regularly made, seconded and carried that applications for water remission be left to the discretion of the water commissioner, to act upon them at any time necessary, in conjunction with three members of the Council, the Council in this instance to include the Mayor.

It appeared that if the City were to go ahead with its plans to secure R.F.C. funds to refinance the water system, it would be necessary to submit certain plans and specifications of the work, to the Corporation along with other data required, and that it would be necessary to employ an engineer for this work. The Council felt that it would certainly be worth while the effort and probable expense in an attempt to secure the funds. It was suggested that perhaps some of the pipe companies would permit their engineers to do this work free of charge, whereupon motion was made by Councilman Burton, and seconded and carried, that the City Recorder be instructed to write to different pipe companies, asking them if they could send an engineer to make plans and specifications of work which has to be done on the water system if the funds can be secured from the R.F.C.

Motion was regularly made, seconded and carried, that \$425.00 be transferred to the General Fund from the Water Fund, which was part of an amount heretofore borrowed.

The following Budget Committeemen were appointed

Mayor Ford	appointed	Roy G. Cairns
Councilman Bennett	"	R. E. Caswell
" Burton	"	W. R. Buck
" Ellis	"	J. S. Connolly
" Hogan	"	Paul Bernhardt

MINUTES OF THE 1933 BUDGET COMMITTEE MEETING, CITY OF
REEDSPORT.

Pursuant to order of the City Council and notice regularly given, meeting of the 1933 Budget Committee was held in the City Hall, Bank Building, Reedsport, Oregon on Monday, September 26th, 1932 at 8:00 P.M.

There were present Mayor Ford, Councilmen Burton, Ellis, Hogan, Lee and Reeves; Committeemen Cairns, Buck, Bernhardt and Taylor. Absent Councilman Bennett, and Committeemen Caswell, Connally and Gibbons. There were also present City Recorder Chapin, City Attorney Benson, City Treasurer Douglas, Water Commissioner Clarke, Alice Flaep, and Messrs. Talcott, Penter and Franklin.

The Budget Committee proceeded at once to organize, and upon motion regularly made, seconded and carried, Mayor Ford was unanimously elected Chairman. Frank L. Taylor and H. L. Chapin were nominated for secretary. Upon ballot, H.L. Chapin, receiving the majority of votes cast, was duly elected secretary of the meeting.

Due consideration was given to reports which had been sent previously to all members of the Committee by the City Recorder, showing in detail, expenditures and receipts for the year 1931, first half of year 1932, and the 1932 Budget.

Items were considered separately as they appeared on the Budget data sheets. After considerable discussion concerning individual items, a tentative budget was adopted.

It was later discovered that no provision had been made for interest on the proposed refunding bonds that were planned to be used in taking up present Bancroft Improvement Bonds. Chairman Ford called a second meeting of the Budget Committee to meet in the City Hall on Thursday, September 29th, 1932 at 8:00 P.M.

There were present at this meeting, Chairman Ford presiding, and Councilmen Burton, Bennett, Ellis, Hogan and Reeves, and Committeemen Cairns, Buck, Bernhardt and Gibbons. Secretary H. L. Chapin, City Attorney Benson, and Messrs. Franklin and Penter were also present.

After considerable discussion concerning budgeting for interest on proposed refunding bonds, it was regularly moved, seconded and carried that \$2,000 be put in the Budget for such interest. After further discussion some changes were made in the tentative budget, whereupon the following proposed budget was adopted, upon motion regularly made, seconded and carried:

Minutes of the Regular October, 1932 Meeting of the Common Council of the City of Reedsport, held in the City Hall on Monday, October 3rd, 1932 at 8:00 P.M.

There were present, Mayor Ford presiding, and Councilmen Bennett, Burton, Ellis, Lee, and Reeves, and Councilman Hogan appearing later in the evening.

Minutes of the last regular and special meetings were read and approved.

After a discussion concerning the wreckage of the Casino Building, it was regularly moved, seconded and carried that the owner, E. W. Franklin be ordered to clean up same. It was also suggested that the Street Commissioner offer the use of the tractor for pulling over the walls of the burned building.

Street Commissioner Clarke reported that the use of bicycles and scooters on narrow sidewalks and down-town streets, was a danger to pedestrians. The City Attorney was directed to draft an ordinance prohibiting the use of bicycles and scooters on down-town streets.

Mayor Ford read a letter from the Secretary of the League of Oregon Cities, calling attention to meeting to be held in Eugene on October 12 and 13th, and asking that a delegation from Reedsport be present. A discussion followed, in which it was brought out that a delegation should also go to Salem to take up the matter of payments of City Water Bonds with the State Treasurer, and also to go to Portland in connection with Reedsport Improvement Bonds held by the Neighbors of Woodcraft. It was thereupon regularly moved, seconded and carried that the Mayor and City Attorney be appointed as this committee, to take up the three matters listed above.

Motion was regularly made, seconded and carried that election be held on November 8th, 1932 for the election of one Mayor, six Councilmen, one City Recorder, and One City Treasurer.

The City Recorder called attention to the fact that it would be necessary to have an election board at the General Election to be held on Tuesday, November 8th, to act for the city. It was duly moved, seconded and carried that the regular election board appointed by the County be authorized to act for the City at this election.

A discussion followed, regarding the necessity of having pipe on hand to care for any possible breaks that might occur, and also that 350 feet of 2-inch pipe was needed to replace some defective pipe now used. It was regularly moved, seconded and carried, that the City Recorder call for bids on 100 feet of 12-inch wood pipe, with collars and couplings, and 350 feet of 2-inch galvanized pipe.

The attention of the Council was called to the fact that Messrs. Bowman and York were asking for city water to be used at their places outside of the city limits for irrigating purposes. After some discussion, the question was referred to the Water Committee.

Motion was duly made, seconded and carried that the Recorder write to the Sheriff of Douglas County, asking that City Marshal Clarke be appointed deputy sheriff, so that he could act in cases of emergency outside of the city.

It was regularly moved, seconded and carried that the 1933 Proposed Budget be authorized published in the Port Umpqua Courier in the October 7th and 14th issues.

Upon motion regularly made, seconded and carried, a transfer of \$500.00 from the water fund to the General Fund was authorized, to replace money previously borrowed.

Motion was regularly made, seconded and carried, that Mr. J. A. Unger be allowed to wreck the old paint shop, provided that he clean up and dispose of all debris.

The minutes of the last regular and special meetings were read and approved.

Communications: Communication was read from the State Treasurer confirming a moratorium of one year on payment of water bonds held by the State.

City Attorney Benson read letter from Attorney Guy Claire, concerning proposed legislation that was being discussed for the coming session of the state legislature. Mr. Benson also gave an extended report of the meeting of the League of Oregon Cities, calling special attention to the establishing of a chair at the state university to specialize on municipal questions.

Fire Chief Bernhardt called attention to the need of a pipe connection with the river at points where the pumper could be attached to same in emergency cases of fires near the water front. After some discussion, the matter was referred to the Water Committee, upon motion regularly made, seconded and carried.

It was regularly moved, seconded and carried that the Treasurer be instructed to pay \$960.00 interest due on December 1st on water bonds.

Motion was regularly made, seconded and carried that the City Attorney be instructed to draft an ordinance concerning collateral covering all deposits in the bank.

In accordance with published notice, hearing was held on proposed 1933 Budget. There being no objections from tax payers, upon motion regularly made, seconded and carried, the proposed Budget for 1933 was duly adopted.

Thereupon, Ordinance No. 217, AN ORDINANCE levying a tax upon the property situate within the corporate limits of the City of Reedsport, for all purposes, for the year 1933, in the sum of \$15,660.00, was submitted and read for the first time. Upon motion made, seconded and carried, it was ordered passed to the second reading and read for the second time, by title only. Upon motion regularly made, seconded and carried, it was ordered passed to the third reading, and read for the third time. Minutes of a Special Meeting of the City Council of the City of Reedsport, held at the call of the Mayor, Friday August 11th, 1933, at 8:00 P. M.

There were present Mayor Ford, presiding, councilmen Burton, Bennett, Arthur, Lee and Penter, Councilman Hogan being absent.

Resolution No. 93 was then presented, and upon motion made, seconded and carried, was ordered adopted as follows, to-wit:

RESOLUTION

WHEREAS, the City of Reedsport has made application for a loan from the Government, for the purpose of securing funds with which to rehabilitate the water system of the City, and

WHEREAS, the State of Oregon is the owner of a majority of the outstanding water bonds of the City, and it is necessary that the State, acting through its Treasury Department and the State Bond Commission, approve of certain phases of the proposed loan, particularly in reference to refunding of the present bonded debt of the water system, and

WHEREAS, said Treasury Department and Bond Commission have set forth certain conditions precedent to the granting of approval of the proposed loan,

TOW, THEREFORE, IT IS RESOLVED BY THE CITY OF REEDSPORT:

1. That the charter of said city will be amended so as to authorize the borrowing of funds from the federal government for the purpose of securing funds to defray the cost of the project.

2. That the City through charter amendment will create a commission to consist of three members, whose duties it will be to take complete charge of the water plant, employment of persons connected therewith, determination of rates to be charged water users, payment of interest and principal of water bonds, including the self liquidating bonds to be issued to the government, as such obligations become due and payable.

3. That the city will permit the State Bond Commission to make a recommendation as to at least two of the persons to be original members of the water commission, and for this purpose it is suggested that the Bond Commission name four or more persons acceptable to said Commission, from which number the city will choose at least two.

4. That as soon as possible the city will pay from the water receipts or any other monies available for the purpose, the water bonds of the city now held by the State and in default.

5. That the City will hold to a minimum the cost of the proposed project.

6. That there will be no reduction of rates charged users, without approval of the State Bond Commission.

7. That all revenue of the water system will be used to pay the interest and maturities of the bonds now outstanding, after payment of costs of maintenance and operation, and to the payment of the interest and maturities of the proposed obligations to the government.

8. That if on account of change in industrial and economic conditions resulting in a reduction in receipts from the water system to less than the cost of operation and maintenance and such an amount as will meet the interest

and principal of the bonds, the city will levy a direct ad valorem tax in sufficient amount, including a sur to cover prospective tax delinquencies, to make up the deficiency.

9. That the water funds will be kept separate and apart from other funds of the city, and that they will be placed in a bank under full security to be approved by the State Bond Commission.

10. That the city will not cut off its securities for its bank deposits in the First Bank of Hoodport, without the approval of the State Bond Commission or the Treasury Department of the State of Oregon.

11. That the maturities of the bonds held by the State will be re-arranged so as to permit of the orderly liquidation of the present water utility debt of the city within a period of not to exceed twenty years. That the present water bond indebtedness of the city shall have priority as to maturities in payment of principal, in such re-arranging plan as shall be adopted, so far as the same shall be practicable, and that interest payments on all outstanding obligations of the city for water utility, after the contemplated improvements from the Federal loan shall have been made, shall be on an equality basis.

12. That operating expense of said water utility shall not exceed \$3000.00 per year as shown in Statement No. 2 of Hear & Gamin, Inc., and that every reasonable effort shall be made to collect past due water charges and that future charges for water be collected as promptly as possible.

13. That the foregoing conditions are in contemplation of the proposed Federal loan, and that in the event such loan is refused the city shall not be obligated to carry out all of the foregoing conditions; but that the city will, in any event, put into force and effect such of the above enumerated conditions as shall to the City Council seem proper and necessary.

APPROVED at regular continued meeting of the City Council this 11th day of August, 1933, by the following votes: Aye 5, Nay, 0.

The Council advised they thought this could be done and would take the matter up at the Budget Meeting to be held the 24th, day of September.

Reedsport, Oregon, August 28th 1934

To the Mayor and Council
of the City of Reedsport, Oregon.

Gentlemen:

On the 27th day of August 1934, the Council passed Ordinance No. 231 entitled, "An Ordinance authorizing the issuance and sale of refunding water bonds of the City of Reedsport in the sum of \$140,500.00 pursuant to the authority of Chapter 156 Oregon Laws 1933, prescribing the form, maturities and interest rate of the bonds and the interest coupons, designating the bonds to be so refunded, providing the manner of sale thereof, and declaring an emergency," which ordinance was approved by the Mayor on the 27th day of August 1934.

The said ordinance directs me to perform certain mandatory duties. As Recorder, I am directed to post said ordinance in three public places in accordance with the provisions of section 38 (4) of the charter of the City of Reedsport, and directed to cause to be published a notice inviting proposals for the purchase and sale of the refunding water bonds authorized to be issued and sold by said ordinance No. 231.

I hereby notify you that I refuse to perform any of the mandatory duties imposed upon me by said ordinance. I particularly refuse to post said ordinance in three public places and make a return of such posting and file the same, and I particularly refuse to prepare and cause to be published a notice inviting proposals for the purchase and sale of said water refunding bonds authorized to be issued by said Ordinance No. 231. I particularly refuse to countersign the bonds or permit a facsimile of my signature to be engraved on the coupons of said bonds.

My reasons for refusing to perform such mandatory duties are as follows:

1. The authority under which said ordinance is purported to be enacted, namely, Chapter 156 Oregon Laws 1933, is in conflict with section 2 of Article XI of the Constitution of Oregon, and section 1-a of Article IV of the Constitution of Oregon. The issuance and sale of refunding bonds is entirely a local matter, purely municipal, with which the people of the state at large have no concern, and under the Constitution it is settled that as to matters purely municipal, the legislature cannot interfere by either general or special legislation.

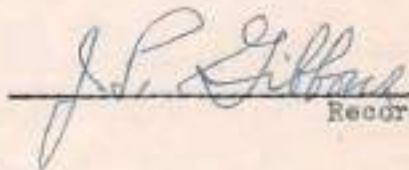

2. Under the Constitution of Oregon, the power to issue refunding bonds must be conferred on the Council by the charter.

3. While the legislature may grant general authority to cities to issue and sell refunding water bonds matured, or authority to refund unmatured water bonds with the consent of the holders thereof, the cities can avail themselves of that authority only by incorporating the power granted by the legislature in their charters.

4. The charter of the City of Reedsport, Oregon, does not confer upon the Council the power to issue and sell the refunding water bonds provided by the Ordinance No. 831 and there is no implied power conferred on the Council by the charter so to do.

5. Where the charter expressly provides that no bonds shall be issued or sold by the Council unless approved by a vote of the people at a general or special election at which the question shall be submitted as other measures are submitted under the initiative and referendum, the Council is bound by that provision of the charter and the legislature cannot by a general statute authorize the Council to issue and sell refunding bonds without a vote of the people on the question, because the charter is supreme over the statute. Chapter 156 Oregon Laws 1933 cannot amend or supersede such a charter provision.

6. In the absence of any charter provision authorizing the Council to generally issue refunding bonds, the legislature cannot by a general act authorize the Council of a municipality to issue refunding bonds. That power must be conferred by a direct vote of the people at a general or special election at which the question shall be submitted.

Recorder.

Upon motion made, seconded and carried, the Water Commissioner was instructed to contact parties owning the City for water, asking them to furnish material and labor to build a boat to be used on Clear Lake at the intake of the Water Pipe line.

Motion was made, seconded and carried, instructing the Water Commissioner to interview the Winchester Bay Lumber Co and the Captain of Boats coming into this harbor, in regard to paying for water used by the boats.

The Mayor advised, at this time the Budget Committee should be appointed.

The following Budget Committee was appointed.

Minutes of a Special Meeting, Held October 4th, 1935 in the City Hall at 8:00 P. M.

There were present, Mayor Ford, presiding, also Councilmen Burton, Corcoran, Ely, Hogan and Johnson, absent Councilman Arthur.

Frank Taylor appeared before the Council in regard to getting a CCC Camp located this winter at the Reedsport Camp. At present the CCC Officials feel that the rent asked for the property is too much. After a lengthy discussion it was decided there was very little the Council could do about this matter.

Resolution No 103 was presented, and upon motion made, seconded and Carried, was ordered adopted as follows:

RESOLUTION NO 103

WHEREAS, State Highway No 9 of the State of Oregon, known as the Oregon Coast Highway, is routed through the City of Reedsport, Douglas County, Oregon, a municipal corporation, and the route officially adopted for said highway by the State Highway Commission traverses the following street or streets, or avenues, of said city; to wit:

Relocation of Oregon Coast Highway and Winchester Street. From north city limits of Reedsport to north end of the bridge over Schofield Creek.

WHEREAS, the State Highway Commission of the State of Oregon is desirous of receiving Federal Aid for the improvement of said highway,

And, WHEREAS, The Bureau of Public Roads of the Department of Agriculture of the United States will not participate in the construction of said highway until and unless the said City of Reedsport will guarantee by resolution officially adopted by the Council of said City, that no encroachments will be permitted upon the right-of-way of said highway within the corporate limits of said City, which will permanently obstruct or interfere with the free and convenient flow of traffic over said highway through said City; and will so regulate parking of vehicles on said streets or avenues traversed by said highway that the free, convenient and safe flow of traffic shall not be impeded; and agree not to impose unreasonable limitations of speed upon said highway, nor impose any regulations of traffic which will operate to discriminate against traffic upon said highway by giving undue preference to traffic upon other intersecting streets or avenues.

NOW THEREFORE, IT IS HEREBY RESOLVED by the Common Council of the City of Reedsport, Douglas County, Oregon, that no encroachments will be permitted on the streets or avenues traversed by State Highway No. 9 of the State of Oregon, known as the Oregon Coast Highway, which will permanently or unduly

interfere with the free and convenient flow of traffic along said highway; and will so regulate the parking of vehicles along said streets and avenues as not to impede the free, convenient and safe flow of traffic; and will not impose any unreasonable limitations of speed upon said highway, nor impose any regulation of traffic upon said highway which shall unduly discriminate against traffic upon said highway by giving undue preference to traffic upon other intersecting streets or avenues.

It being understood that nothing in this resolution of agreement by the City Council shall be construed so as to prevent or impair proper police regulations and the enforcement of all existing ordinances and regulations respecting the use of streets in said City, nor to prevent such temporary obstructions to traffic as may be necessitated by the construction of water or gas mains, sewers and other public improvements, or to preclude the proper use of said highway for the placement of telephon^e or electric light poles or other public service facilities.

Passed by the Common Council of the City of Reedsport, Douglas County, Oregon, this 4th day of October, 1935.

Resolution No 106

WHEREAS, State Highway No 9 of the State of Oregon, known as the Oregon Coast Highway, is routed through the City of Reedsport, Douglas County Oregon, a municipal corporation, and route officially adopted for said highway by the State Highway Commission traverses the following street or streets, or avenues, or roads, of said city; to wit:

A relocation of the Oregon Coast Highway and a part of Winchester Street, from the north end of the Bridge over Schofield Creek to the South end of the Bridge over the Umpqua River.

And, WHEREAS, the State Highway Commission of the State of Oregon is desirous of receiving Federal Aid for the improvement of said Highway,

And, WHEREAS, the State Highway Commission of the State of Oregon has caused a survey to be made, and plans prepared for the improvement of the State Highway traversing the street or streets, or avenues, or roads, as described herein,

And, WHEREAS, if said proposed street improvement is carried out, the work will be done pursuant to a grade or grades fixed and established by the Highway Commission,

And, WHEREAS, the grade or grades and elevations to which the proposed improvement will be made are indicated upon the maps and plans prepared

for the proposed improvement which are on file in the office of the Oregon State Highway Commission, at Salem, Oregon, copies of which have been submitted to the City for its record and for its approval, said grades being as follows, to wit:

Description of center line grade: Beginning at grade elevation 14.0 at the north end of the bridge over Schofield Creek on Winchester Ave.,; thence on a 200-ft. vertical grade curve to elevation 10.2 at engineer's station 501 plus 70.0; thence to elevation 10.2 at engineer's station 531 plus 41.5; thence on a 600 ft vertical grade curve to elevation 16.2 at engineer's station 537 plus 40.8; thence to elevation 28.0 at the south end of the Oregon Coast Highway bridge over the Umpqua River.

And WHEREAS, pursuant to Chapter 88, Oregon Laws 1931, it is required that as a condition precedent to the change of the grade of any such street by the Commission, such grade change shall be consented to by the City.

NOW THEREFORE IT IS HEREBY RESOLVED by the Common Council of the City of Reedsport, Douglas County, Oregon, that the grades established by the State Highway Commission for the proposed improvement of the street or streets or avenues, or roads, as described herein and which are traversed by State Highway No 9 of the State of Oregon, known as the Oregon Coast Highway, the plans for which proposed improvement are on file in the office of the State Highway Commission at Salem, Oregon, and a copy or copies of which are on file in the records of the city, said grades being as follows, To wit:

Description of center line grade: Beginning at grade elevation 14.0 at the north end of the bridge over Schofield Creek on Winchester Avenue; thence on a 200-ft vertical grade curve to elevation 10.2 at engineer's station 501 plus 70.0 thence to elevation 10.2 at engineer's station 531 plus 41.5; thence on a 600-ft vertical grade curve to elevation 16.2 at engineer's station 537 plus 40.8; thence to elevation 28.0 at the south end of the Oregon Coast Highway bridge over the Umpqua River, and hereby approved, and consent is hereby given to such change.

Passed by the Common Council of the City of Reedsport, Douglas County, Oregon, this 4th day of January, 1937

Be it further resolved, that all proceedings required by the Charter relative to the change of an established street grade be observed and to that end and for such purpose the Recorder is hereby directed to prepare and submit to the Council all necessary proceedings.

There were present Mayer Dunn presiding, also Councilmen, Bennett, Berrevik, Cerceran, Johnsen and Stevens, absent Councilman Rush.

After some discussion in regard to Peel Hall and Card Room licenses, motion was made, seconded and carried, laying the Ordinance on the table until next meeting also instructing the City Recorder to notify all operators to attend the meeting.

The following Resolution, Providing for Codification of Ordinances was read, and upon motion made, seconded and carried, was adopted:

RESOLUTION TO PROVIDE FOR THE CODIFICATION OF ORDINANCES.

WHEREAS, in the development of the city of Reedsport there have been enacted over a period of years many ordinances which, by reason of the passage of time, are obsolete, or which, by reason of subsequent state statutes and constitutional provisions, are now invalid, or which duplicate or conflict with previously enacted ordinances, resulting in a confusion of city records; and

WHEREAS, it is the belief of the common council that a systematic compilation of the city's ordinances is both desirable and necessary so that city officials and employees, as well as attorneys and citizens, shall at all times have ready access to the existing ordinances of the city; and

WHEREAS, the preparation of an ordinance code involving the elimination of all obsolete, invalid, and conflicting ordinances and the classification of all active and valid ordinances is a technical and time-consuming task beyond the scope of work of the present regular employees of the city; and

WHEREAS, the League of Oregon Cities and the Bureau of Municipal Research and Service of the University of Oregon, in their cooperative efforts to promote better municipal government, have developed a procedure for the compilation of ordinances; and

WHEREAS, for the purpose of enabling cities to clarify their records by preserving their active ordinances, eliminating and repealing obsolete, conflicting, and void ordinances, properly indexing and cross-indexing the active ordinances, collecting, compiling, and indexing the existing charters and amendments, the Bureau of Municipal Research and Service of the University of Oregon has sponsored and received federal approval of a Works Progress Administration project which will provide for the employment of competent stenographic assistance in the preparation of a permanent ordinance code for cities wishing to participate in this program; and

WHEREAS, Under this project the typing and classification work necessary in codifying and indexing the ordinances of the city of Reedsport will be provided by W. P. A. and the only cost to the city will be that for the legal and supervisory services and the supplies required; now, therefore,

BE IT RESOLVED, that the city of Reedsport hereby authorizes and requests the League of Oregon Cities and the Bureau of Municipal Research and Service to codify the ordinances and charter of the city of Reedsport, furnishing free to the city such services as are available under the W. P. A. project; and

BE IT FURTHER RESOLVED, that the city of Reedsport hereby authorizes payment to the League of Oregon Cities a sum not to exceed \$150.00 for supervisory and legal services, including stationery, supplies, and an ordinance record book required in the preparation of an ordinance record book and charter code.

Metien was made, seconded and carried, authorizing \$200.00 be paid from the 1937 budget, for the new Fire Truck.

Metien was made, seconded and carried, authorizing the purchase of a reading machine, this amount to be taken from the 1937 budget.

The Mayor advised at this time a President of the Council should be elected and nominations were in order. Mr. C H Bennett was nominated, thereupon metien was made, seconded and carried, closing nominations. A ballot was prepared and the following vote cast: C H Bennett 5 votes and E J Carceran 1 vote. Mr C H Bennett being elected for the ensuing year.

Metien was made, seconded and carried, instructing the Treasurer to transfer the Ambulance Fund amounting to \$77.79 to the General Fund,

The Regular Monthly Council meeting held the 1st day of May, 1939 in the City Council rooms at 8:00 P. M.

There were present Mayor Dunn presiding, also Councilmen Borrevik, Kelly, Morene, Johnson, Smiley and Stevens.

The minutes of the last meeting were read and upon motion made, seconded and carried, were accepted.

The city attorney advised the Maccabees who are half owner of the City Hall wished to have an agreement drawn up to be signed by the City of Reedsport and them. This agreement to be for the management and operation of the building. Motion was made, seconded and carried, instructing the Attorney to draw up the agreement and present same to the Maccabees. Also to advise the Maccabees the City is not now in a position to accept the offer at the price requested.

An Ordinance providing for the licensing of laundry and dry cleaning establishments soliciting and delivering within the city and doing the laundry and dry cleaning outside the city, was introduced and read for the first and second times and laid on the table until the next meeting. The ordinance to affix a license of \$7.50 per quarter.

Committee reports were given by the Light Committee, stating that the City is having the use of two more street lights than the budget provides for. The committee was instructed to reduce the number to comply with the budget.

The Committee on housing advised they had checked up on cabins on Winchester Ave. and found there were several residences in the same condition as the cabins and they believe it not advisable to take any action at this time.

Upon request of the Planning Commission the Recorder was instructed to write the League of Oregon Cities, asking the services of F. A. Cuthbert of the University of Oregon Faculty to assist the Council and Commission with the zoning of the City. The Council gave a vote of thanks to the Commission for the maps and plans they have worked out for the zoning.

A contract for Fuel Oil for furnace from D J Hagerty was presented. Upon motion made, seconded and carried, the Recorder was instructed to sign the contract.

The Recorder was instructed to advise the Secretary of State that the city would co-operate in traffic safety campaign.

The City Treasurer advised the Council that the Annual water bond payment would be due the 1st of June, also the semi annual interest. Motion was made, seconded and carried, instructing the Treasurer to pay the bonds and interest when due.

The treasurer also advised it would be necessary to transfer money from the General Fund to the Water fund to take care of Bond and Interest payment. The Council instructed to transfer the necessary amount.

A petition signed by property owners on Winchester Ave. between twelfth and 15th streets request a vacation of a 10 ft strip along the south edge of Winchester Ave. was read. The matter was referred to the street committee and to report back to the Council at the next regular meeting.

The Following bills were presented, approved by the Finance Committee, and upon motion made, seconded and carried, were ordered paid.

Minutes of the regular monthly meeting held this 5th, day of June, 1939, in the City Hall at 8:00 P M.

There were present Mayor Dunn presiding, also Councilmen Berrevik, Merene, Kelly, Johnson, Smiley and Stevens.

Minutes of the last regular meeting were read and upon motion made, seconded and carried, were approved as read.

City Attorney Bensen reported on the trip made by the Mayor and himself, interviewing the State Highway commission in regard to Highway No 38 within the city limits. The matter of moving back the City Hall and the Edwards Theatre was discussed with the Commission and it was finally decided to make the Highway along L Street 58 ft wide for three blocks. This can be done by taking two feet off the curb on the north side. In case at any time the City Hall or Edwards Theatre should burn or for any reason the buildings would have to be re-built the buildings would be moved back the desired ten feet, and ten feet of the alley would be allowed the property owners. State Highway officials will be in Reedsport June 21st, 1939 at 10:00 A. M. to hold hearing in regard to change in the highway route through the city.

City Water Commissioner Clarke asked that a valve governing the water pressure be purchased. Mr. Clarke advised that the pressure ranged from 30 lbs in the daytime to more than 70 lbs in the night. This causes a strain on the water line. With use of the valve it will keep the pressure around 50 to 55 lbs at all times. Upon motion made, seconded and carried, Commissioner Clarke was authorized to purchase the valve.

H C Darby, Tax Collector appeared before the Council and asked that the city and County agree on what they considered fair and equitable prices for tax-revert lots, so they will compare with prices on private owned lots. He recommended that a price range of from \$80.00 to \$175.00 per lot depending on location of the lot. The matter of furnishing a merchantable title was also discussed. A Quit claim deed from the former owner in a good many cases can be obtained which will give the purchaser a good title. Upon motion made, seconded and carried, the Council approved the plan as outlined by Mr. Darby.

The question of the Fire Department using the Fire apparatus outside the city limits was discuss, and upon motion made, seconded and carried, the Fire Department was instructed that no city equipment can be taken or used outside the City Limits unless there is a fire district formed and money in the Treasure to pay for calls and use of equipment, with the exception of the CCC Camp at the edge of the City limits.

The petition signed by property owners along Winchester Ave. asking that 10 ft of Winchester Ave be vacated was brought up for further discussion. The Council in general did not feel that this street should be made on any different lines and upon motion made, seconded and carried, would not approve the vacation of this portion of the street.

Ordinance No 277 An Ordinance to regulate and license solicitors and agents for laundries and dry-cleaning located outside of the corporate limits of the City of Reedsport was read for the third time. Ordinance No 277 was then put upon its final passage and adopted by the following vote Aye 4 Nay 2. It was then approved by the Mayor.

The City Treasurer advised there was \$291.62 in the Bond Sinking Fund which could be used to pay on outstanding warrant No 1110, Motion was made, seconded and carried, authorizing the Treasurer to pay this amount to retire a portion of this warrant.

The City Treasurer also advised that there were enough funds available in the General fund to pay \$500.00 on Warrant No 903 which is outstanding. This warrant was given in payment on Chevrolet Fire Truck. Motion was made, seconded and carried, authorizing the Treasurer to pay this amount on Warrant No 903.

The following bills were presented, approved by the Finance Committee and upon motion made, seconded and carried, were ordered paid.

Minutes of the regular July Council meeting held this 10th day of July, 1939, in the City Hall at 8:00 P M.

There were present Mayor Dunn presiding, also Councilmen, Kelly, Morens, Smiley and Stevens, absent Councilmen Berrevik and Johnson.

Mayor Dunn reported that the Power Grader was being shipped by Mr Frank Kernan and same would be demonstrated about 1:30 P M on Tuesday July 11th. Mr Kernan offered to sell the Grader for \$800.00 cash and take the City tractor as balance of payment for the grader.

Commissioner Clarke advised the Council that it will cost approximately \$.40 per linear foot for cement walk built by the WPA. At the present time there is about 100 ft. of walk laid.

By motion made, seconded and carried, the Commissioner and the Street Committee was instructed to inspect all sidewalks in the city and notify the owners to repair any that are in need of repair. All walks that are in a dangerous condition the property owner notified to replace with a new walk, if this is not done the Street Committee is authorized to close the walk for public use or take up the old walk. Letters are to be sent the property owners advising of this orders, the letters to be registered.

Councilman Stevens brought up the matter of the Umpqua Mill property being turned over to Douglas County. He stated he thought it would be advisable to contact the County Court in regard to the County holding the property for Industrial purposes and not for speculation. Upon motion made, seconded and carried, the Mayor appointed Dr. E. Morens and Mr. Stevens as a committee to contact the County Court. This committee was also instructed to ask the Court to appoint one of the doctors of Reedsport as Assistant County Doctor for this end of the County, as there are a great many cases where it is impossible to get the County Doctor.

The zoning ordinance was discussed by the Council. The Ordinance as proposed will divide the city into four districts, industrial, business and first and second class residential, this does not regulate the cost of buildings but regulates the use of buildings in the different districts. Public hearings will be held on the proposed ordinance before its passage.

The lots back of the City hall was ordered filled and seeded to lawn.

The Following bills were presented, approved by the Finance committee and upon motion made, seconded and carried, were ordered paid.

Minutes of the regular monthly Council Meeting held this 7th day of August, 1939 at 8:00 P. M. in the City Hall.

There were present Acting Mayor E. B. Stevens, Councilmen Berrevik, Johnson, Kelly, Morene and Smiley, absent Mayor Dunn.

The matter of allowing property owners to purchase gravel from the city to build private walks was discussed, and upon motion made, seconded and carried, the Commissioner was instructed not to sell any gravel.

Mr John Diehl appeared before the Council asking for permission to plat the acreage upon which the Mrs Warren Reed dwelling stands. Upon motion made, seconded and carried, the request was granted.

Upon motion made, seconded and carried, the permit of Mrs Harriet Edwards to remodel residence and build garage, was granted.

Mr. Benson Secretary of the Planning Commission asked the Council to set dates for hearing on the Zoning Ordinance. Upon motion made, seconded and carried, the 16th and 18th of August were the dates set and the planning commission ordered to report back within 30 days.

Motion was made, seconded and carried, instructing the Street Committee to inspect sidewalks in the city, and to report to the City Recorder any walks in bad condition. The recorder then to advise all owners whose walks are unsafe, to repair or rebuild same.

Upon motion made, seconded and carried, the Commissioner was instructed to purchase cedar lumber and repair water line trestle between the City limits and tunnel No 2.

Motion was made, seconded and carried, instructing the Treasurer to transfer \$300.00 from the water fund to the general fund if necessary to pay bills.

Minutes of the regular monthly meeting of the City Council, held this 11th, day of September, 1939, at 8:00 P. M. in the City Hall.

There were present Mayor Dunn presiding, also Councilmen Borrevik, Morene, Johnson, Kelly, Stevens and Smiley.

Mr. Benson appeared before the Council advising the Zoning Ordinance drawn up by the Planning Commission was not ready to be submitted at this time as the same had been sent Mr. Cuthbert for his inspection and he had not passed on the same as yet. Mr. Benson asked that the Council extend the time for this ordinance's presentation to the Council. Upon motion made, seconded and carried, the time was extended to October 2nd, 1939.

Mr. Kelly advised the Council that Pal Harrison had made a bid for moving the Siren from the Garage to the Pole back of the Fire hall, also to furnish all wire and conduit necessary. Mr. Harrison's bid was \$30.00. After some discussion motion was made, seconded and carried, accepting the bid of Mr. Harrison.

The matter of Float houses being serviced with water was brought up by the Water Board. Their present distribution is not satisfactory as there is just one opening on each side of the Schofield bridge. There are several float houses serviced from one connection. Some of the water users pay their rent promptly and others are delinquent and with the present system it is impossible to shut off the delinquent water users without shutting the full system off. A motion was made, seconded and carried, ordering the Water Commissioner to lay 1 inch mains along the dike 800 ft on either side of the Schofield bridge and install service connections for each float house. The charge for water rent to be the regular base rate of \$2.00 per month for each user.

Mr. Borrevik advised the Union High School No 11 wishes to purchase lots 7 and 8 in Block 89, Amended plat of Railroad Addition, of Reedsport, Oregon. After some discussion the motion was made, seconded and carried, setting a price of \$7.50 per lot and the City Attorney instructed to make out deed to be executed by the Mayor and Recorder.

Mr. Stevens advised the Council the Chamber of Commerce had discussed the parking problem to some extent at their last regular meeting, and wished him to bring the matter up before the Council. It was discussed quite thoroughly but no definite decision was arrived at, with one exception. Motion was made seconded and carried, instructing the Commissioner to mark off 20 ft. with yellow paint on the curb and No parking sign in front of the stairway entrance of the L Street building. This space to be kept available for entrance to Doctors offices.

Motion was made, seconded and carried, instructing the Recorder to transfer from the following budget funds, Jail Expense, \$50.00, Street Equipment \$175.00, Bonds & Insurance \$75.00 and Emergency Fund \$200.00 making a total of \$500.00. These amounts to be transferred into the Street & Sewer Maintenance Budget Fund.

The Mayor brought up for discussion the advisability of the City purchasing a suction pump to assist in repairing water line. A great many times it takes from 4 to 5 men bailing water from excavations while repairing water lines. This is a slow procedure. The matter of purchasing a pump was referred to the Water Committee.

The following bills were presented, approved by the Finance Committee, and upon motion made, seconded and carried were ordered paid.

Minutes of the regular monthly Council meeting held this 2nd, day of October, 1939 at 8:00 P. M. in the City Hall.

There were present Mayor Dunn presiding also Councilmen Kelly, Morene, Johnson, Smiley, and Stevens, absent Councilman Borrevik.

Mr. Benson, secretary of the Planning Commission submitted a Zoning Ordinance to the Council. The Mayor appointed a committee consisting of Councilmen, Smiley, Kelly, Morene and Stevens to check the ordinance carefully, also to contact residents of various zones and report back to the Council prior to October 28th, at which time a public hearing will be held by the Council in regard to adopting the ordinance. Public notice of the proposed hearing was authorized to be published in the local newspaper.

A representative of the Zidell-Steinberg Company appeared before the Council with an offer to sell the City pipe, valves and fittings now located on the Old Umpqua Mill property, the amount being \$1000.00. The council advised they would consider the offer and make the firm an offer within two weeks.

Mr. Chas W. Thacker recent purchaser of the Silver Moon Pool Hall building applied for approval of a beer hall license. The request was tentatively approved subject to investigation of consisting of Kelly, Morene and Stevens.

The Request of Mr. H. E. Campbell for permission to move his beer hall from the Wanda Anderson building on 14th street to the Franklin building on Rainbow Plaza, was laid on the table.

Police Chief H M McCabe was granted a leave of absence to attend the FBI School to be held at Eugene.

Upon motion made, seconded and carried the Mayor and Recorder were authorized to sign a petition on behalf of the City for a vacation of a portion of alley in Block 82 of Railroad Addition. The petition was presented to the Council and upon motion made, seconded and carried, publication of a notice of hearing of the vacation was authorized, the hearing to be held on October 28th.

The City Recorder was instructed to write the County Budget Committee, requesting that sufficient funds be allocated in the County Budget to provide assistance to the State Tax Commission for revaluation for assessment and taxation purposes of Reedsport, Winchester Bay, ~~Bay~~ Scottsburg and Gardiner which are the four western Douglas ~~Co. cities~~ most needing this service. Also request the County Court to permit the demolishing of old residence on Lot 1 Block 47, Railroad Addition. This property is now owned by the County through tax foreclosure.

The matter of purchasing a suction pump for use by the Water Commissioner, when repairing water mains, was discussed. The matter was then referred to the Water Committee.

The Recorder was instructed to write Grant McClellan of Myrtle Point, Oregon, asking permission to demolish building on Lot 1 Block 49, Railroad Addition, as this building is a serious fire hazard.

The Commissioner was instructed to secure electrical service in the building now being used as a warehouse and shop for machinery and equipment.

In accordance with published notice, hearing was held on the proposed 1940 Budget. There being no objections from Tax Payers, upon motion made seconded and carried, the proposed budget was adopted.

Thereupon Ordinance No 279, An Ordinance Levying a tax upon all property situate within the City of Reedsport, for all purposes, for the year 1940, in the sum of \$ 14,765.00, was submitted and read for the first time. Upon motion made, seconded and carried, it was ordered passed to the second reading, and read for the second time by title only. Upon motion regularly made, seconded and carried, it was ordered passed to the third reading and read for the third time. Ordinance No 279 was then ordered put upon its final passage and was adopted by the following vote: aye 5 Nay 0. It was then approved by the Mayor.

The following bills wer presented, approved by the Finance Committee, and upon motion made, seconded and carried, were ordered paid.

There being no more business at this time, the Meeting was continued until October 28th, 1939, at 8:00 P M.

The Continued regular Council meeting was held this 28th day of October, 1939, in the City Hall at 8:00 P. M.

There were present Mayor Dunn presiding, also Councilmen Borrevik, Johnson, Morens, Smiley and Stevens, absent Councilman Kelly.

The Recorder Asked that a price be set on the portions of Lot 11-12-13 and 14 in Block 5 as a party advised they might purchase the property. Upon motion made, seconded and carried, a price of \$100.00 was set upon this property.

The State Highway sent a deed for a small plot of ground fronting State Highway on lot 10, in block 75 of the amended plat of Railroad Addition, City of Reedsport for the City council to sign. Upon motion made, seconded and carried, the Mayor and City Recorder were authorized to execute the deed.

Two hearings were held by the City Council. The first hearing was in connection with a proposed vacation of a portion of the alley in Block 82, amended plat of Railroad Addition; there being no objections made or filed, the City attorney was instructed to prepare and ordinance to be submitted for adoption at the next regular meeting. The other hearing was in connection with the proposed adoption of a zoning ordinance. A petition was filed with the Recorder protesting the inclusion of a portion of the city lying South of Winchester Avenue being as a first class residential district. After some discussion the council felt there might be some misunderstanding of the ordinance and upon motion made, seconded and carried, the Recorder was instructed to write the persons signing the petition, asking them to meet with the Council for further discussion of the matter. This meeting to be held at 7:00 P. M. November 6th, in the City Hall. In the meantime the ordinance was laid on the table and no action will be taken on the ordinance until the next regular meeting in November.

Two resolutions submitted by the State Highway Commission were introduced and adopted, relative to street grade and traffic regulations in connection with the proposed improvement by the State of L street between twelfth and Fifteenth streets. The State advised the contract for this improvement will be let November 2nd, 1939.

Mayor Dunn advised that Mr. Chas Thacker had withdrawn his application for beer license with the State and upon motion made, seconded and carried, the Recorder was instructed to return the Fee of \$5.00 paid by Mr. Thacker for investigation of the license.

The City attorney advised there would have to be a tracing map made of the portion of alley in Block 82, which is being vacated. Motion was made, seconded and carried authorizing the City Attorney to have this map made.

There being no further business, the meeting was adjourned.

Minutes of the regular monthly meeting of the City Council of the City of Reedsport, Oregon, held this 4th, day of December, 1939 in the city hall at 8:00 P. M.

There were present, Mayor Dunn presiding, also Councilmen, Borrevik, Morens, Kelly, Johnson, Smiley and Stevens.

The minutes of the previous meeting was read and approved by motion made, seconded and carried.

Mr. John Diehl appeared before the council advising the Council there are taxes against Lot 12 in Block 59, amended plat of Railroad Addition, which he had purchased from the City. Mr. asked that part of the money he gave for the lot be refunded as he would have to pay the County the back taxes. Mr. Diehl had paid the city \$50.00 for the lot. After some discussion the Council made a motion which was seconded, and carried, to refund \$40.00 of the purchase price to Mr. Diehl.

Mr. M W Thompson appeared before the Council asking that the portion of the alley in block 92, Amended Plat of Railroad Addition be vacated, the rest of the alley has been used for Highway purposes. A motion was made, seconded and carried, instructing the City Attorney to draw up an ordinance, also have the publication of the vacation printed and present the ordinance at the next regular meeting which will be held January 8th, 1940. The hearing on the vacation will be held on this date.

Mr. E C Rowe appeared before the Council, advising that he and Mr. Waggoner had purchased the Silver Moon Pool Hall and they had sent for their application for beer license. Mr. Rowe asked the Council to approve the application at this time. Motion was made, seconded and carried, instructing the Recorder to sign the application when presented by Mr. Rowe.

The City Attorney informed the Council that it will be necessary to take addition insurance on the City Hall Building as the Commerce Mortgage Company, asked that \$5500.00 of insurance be carried to cover the City's indebtedness with them. The Insurance Company advised they would carry \$10,000.00 Insurance on the Building. Motion was made, seconded and carried, instructing the City Attorney to have two policies made, one for \$5500.00 and one for \$4500.00.

The Mayor advised the Council there is \$660.59 in the Bancroft Bond sinking fund and the City has been unable to get any bonds for sometime. This money could be borrowed and used to pay off a portion of the Fire Truck warrant being carried at the bank. This would assist in cutting down the amount of interest on this warrant and be a saving to the city. Motion was made, seconded and carried, instructing the City Treasurer to draw on this account and pay off part of the principle of the warrant.

The City Treasurer advised the Council that on the 15th, of December \$2000.00 principle and \$110.00 Interest on the General Refunding bonds will be due and it would be necessary to authorize payment of same at this time. Motion was made, seconded and carried, instructing the City Treasurer to pay these bonds and interest when due.

The City Recorder advised the Council there were several options taken on property and would like to know how long an option the Council would care to give on any parcels of land. Motion was made, seconded and carried, instructing the Recorder that 1 year option would be the length of time given on those.

The following beer and wine applications for licenses were presented to the Council, W. R. Buck, beer license, Ward Powell, Beer and wine license, T. B. Johnson, Beer and wine license, Stanley Cochran, beer license, Safeway Store Wine license, Reedsport Auto Park, Beer license, Fir Grove Auto Park, beer license. Upon motion made, seconded and carried, all of the applications were approved.

The City Attorney advised that Mrs. Harriet Edwards wished a deed to the portion of alley in Block 82 adjacent to her property. Upon motion made, seconded and carried, the City Attorney was instructed to draw up a deed, for which will deed a strip of land 10 feet in width adjacent to lots 3-4 and 5 in Block 82 being the vacated portion of alley in said block to Harriet Edwards.

The matter of suits to quiet title to all property now owned by the City and all property formerly owned by the City was discussed. The City attorney was instructed to get all necessary data at once in regard to this matter, and start suits at once.

The Following bills were presented, approved by the Finance Committee, and upon motion made, seconded and carried, were ordered paid.
