MOTHER'S DAY

By Reuben Stephan.
(Dedicated, by us, to the memory of
his Mother.)

May 9th, is Mother's Day, the one day in the year that we all give our Mothers a little extra thought and attention. Mother's Day is the day that Daughter takes charge of affairs and lets Mother take a much earned rest. It is the day that Father, Son and Daughter shower gifts and words of appreciation upon Mother for her unselfish and untiring efforts day after day in looking after the welfare and comfort of her family.

Too often we take things for granted. Too often we fail to realize what an effort, what a strain it was to perform a seemingly simple task, little realizing under what circumstances the task was finished. Too often we forget that Mother has a feeling and that a sharp answer or an unwillingness to respond to her pleas are like a knife wound.

Mother is a very unselfish person, always denying herself pleasures and pretty clothes and scores of other things in order that the children may have the things she thinks they need or should have.

If we would but stop and think just what Mother means to us, what she does for us, and what the home would be without her I am sure we would all be more considerate and our Mothers would enjoy Mother's Day all the year around and not just on the ONE DAY.

Those of us who are fortunate to have a Mother living should leave nothing undone to make her happy on this day if it is not possible to do so the whole year around. Those of us who have but fond memories can resolve to make some other Mother happy, and remember our own Mothers by placing flowers on her grave.

Mother--to a child is HOPE, FAITH, CHARITY, LOVE, LIFE. In fact Mother is that to all with whom she comes in contact. She

away when all seems dark, she never loses faith in you, should you fail to "make the grade" but encourages you on and on.

HOW DIFFERENT THIS WORLD WOULD BE IF WE WERE ALL LIKE -- MOTHER.

Let's not forget HER on May 9th. Buy her candy or flowers, or both. She will accept either. If you cannot afford either, just show her that you appreciate her efforts and sacrifices.

Make your life richer by making Mother happy.

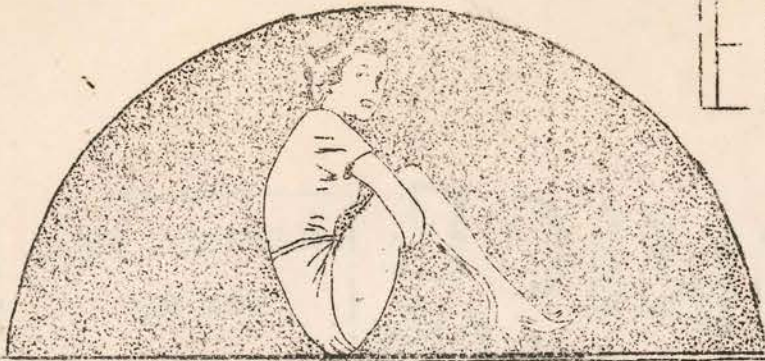

THE CANDID CAMERA REVEALS

to an interested world, Sister HENRIETTA SIMANEK SEABROOKE, the KATE SMITH of Cedar Valley--one of those rare individuals whose buxomness does not detract from her personality but actually enhances her charm.

Henrietta was born on July 7th, 1900, at 1756 Mallory Street, S.W., to Mr. and Mrs. Joseph Simanek. To this union were born also Henrietta's two brothers Milo and Leonard and one sister Alma (Burns). Her father now deceased, was an expert woodworker employed for many years by Williams & Hunting Sash & Door Co. Her mother Anna died April 6, 1930.

Henrietta received her early schooling in Van Buren. After leaving Washington High School she began working as an operator at the local telephone office. Her competence at this work won her a transfer to Iowa Falls, Iowa, as chief operator. In the short space of one year she met, was wooed and won by "one", Arthur Seabrooke, in what might be termed a whirlwind courtship.

Henrietta and Arthur were married in the Jan Hus Methodist Church by Rev. Mr. Chada on Henrietta's 20th birthday, July 7th, 1920. Georgia Prymek and Rudolph Martin were married at the same time--the two couples serving as each others attendants. Henrietta and Arthur are the parents of a 16 year old daughter, Dixie, a student at Roosevelt, and a 7 year old son, Alan, student at Cleveland.

GATHERED IN THE BARNYARD. MOSTLY-By Libbie Nemece.

When it comes to eating, Tillie Sedlacek is no slouch. After putting away a meal at Dytrts that would feed a thrashing crew, she dashed over to Vondracek's and washed it down with several glasses of chocolate milk, and then she inquired if any of the grocer's along the street dispensed chocolate milk as she had six more blocks to go and did not think she could make it. (Was she canvassing for the Salvation Army or for herself - Ed.)?

THE PRESIDENT SAYS PUSH

Dear Brothers and Sisters:

I am so anxious that everyone of you come to our next meeting so that you can get in on the big "Putsch". Our lodge is no ordinary lodge because we are doing things in a big way and that means everybody must get behind and PUSH.

We must PUSH our play in which Bryant Washburn is starring. The cast is working and you and I must get behind and PUSH this thing because it is going to put the Junior American Czechs before the whole city of Cedar Rapids. Then we need everyone of you to put our get-together over. That will put the Junior American Czechs before all the C.S.A. lodges in the U. S.

There is nothing too small nor too big for us to do, but we must have everyone working.

Let's all be at the meeting in May and start PUSHING; so until then I remain

Leo B. Sedlacek.

PLEASE NOTE

Buns for the last meeting were donated by SYKORA'S BAKERY.

Donors of door prizes for the April card party were:

Paul Jerabek----Baer.
 Arthur Bezdek,
 Joseph Toman,
 Joseph Stejskal---Flowers.

T H A N K Y O U.

A word of sympathy to the husbands and families whose wives are working the Old Gold puzzles. Frequent trips to the Library-Encyclopedias, dictionaries and mysterious books cluttering all the rooms of the house. What a relief when they can have home cooked meals again instead of meals out of a can. But oh! won't our husbands be proud when we hand them a few of the thousands that we are sure to win!

ATTENSHUN! SISTERS!

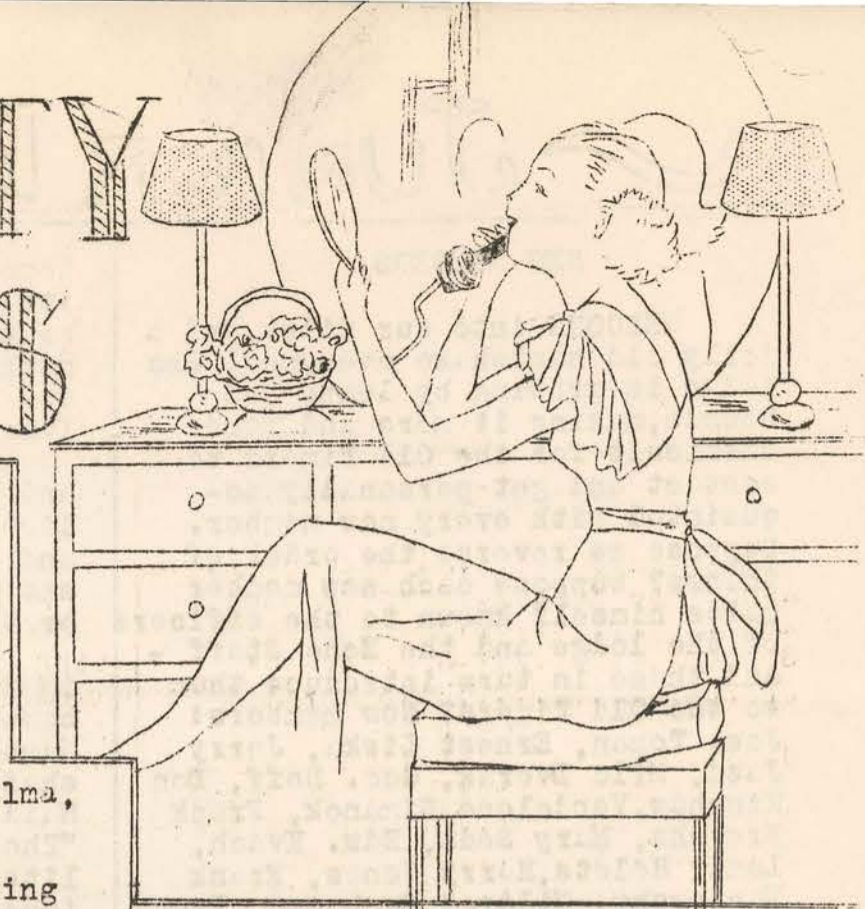

-You that know something about cooking! Bro. Milo Sedlacek, County Treas. has some salted mackerel at home soaking in water for three weeks and wants to know how they are to be prepared so that they will be edible.

RUSH YOUR RECIPES.

Next time Louie Jiricek has to go to the hospital, he is going to take a feather bed from home. Oh! did he "Nadavat" the hard beds! A suggestion to president Dr. Sedlacek to keep his patients in the hospital longer.

Here is a tip for committees in charge of entertainments. Sister Alma Stanek's husband is a first class juggler and balancer, of glass es, milk bottles and what have you. If you don't believe it just ask the brothers and sisters that witnessed the performance after the Sokol May dance.

SOCIETY NEWS

HYLITES APRIL MEETING

The first thing we notice is the crowd in the barroom. (Must have been a dry meeting.)

Louis Picek & Alma Junko, never more than arms length apart. (Louie, Alma, SPRING MMMMMM)

Elsie Tefer enjoys dancing with Bob Neprash (Betcha it was those red suspenders)

For a new member, Bob Eckert didn't do so bad. (Keep it up Bob.)

The same applies to Godfrey Suchan.

The Zvaceks...Late again. (They have to drive slow so everyone will see their new V-8)

Irene Poula was unable to attend on account of a toothache. (We missed you like.....No-body's bizness.)

Why does everybody argue with the judges in a statue dance? (everybody but Frank Stanek)

Due to the fact that F.Sysel and L. Stolba were absent, there were enough Hot dogs to go around.

Helen Smetana gets the giggles during the circle two-step.

Georgina Neprash looking for more pickles. (She must be in love.)

Lil. Heral....Hmmm. Well.... We're ashamed to tell how many weiners she ate.

Sylvia Slavik was so weak with hunger, she had to be carried to the table. (Weren't you thrilled beyond words Sylvia?)

Rud. Felter develops a terrible (?) fever but good old Doc is on the job and saves him (with a prescription called C₂ H₅ (O.H.)

Love-Me -- Love Me -- Not.
By Daisy.

Dear Daisy:
What is meant by the expression "marriage is like a Cafeteria"?
Archie Seabrooke.

Dear Archie:
A man picks out what looks good to him and pays for it later.

Dear Daisy:
Why is it, that no matter how hard a girl struggles against a kiss, she always wilts when I press my lips to hers?
Milo J. Slavik.

Dear Milo:
I think your bragging.

NEW MEMBERS.

WELCOME into our midst and a jolly old handshake everyone! The lodge is growing by leaps and bounds, making it more and more difficult for the Old Timers to contact and get personally acquainted with every new member. Suppose we reverse the order of things? Suppose each new member makes himself known to the officers of the lodge and the Echo Staff - and those in turn introduce them to the Old Timers? New members: Jos. Toman, Ernest Liska, Jerry Jasa, Milo Dvorak, Geo. Neff, Don Hinshaw, Vendelene Simanek, Frank Brejcha, Mary Seda, Edw. Kvach, Lumir Holets, Harry Jones, Frank Maciewsky, Mildred Buchanan, Irene Janko, Dorothy Navratil, Helen Smetena, Verona Chalupnik, Mary Machacek, Doris Seabrooke, Frank Charipar, W.E. THE CANDID CAMERA

(Continued from Page 1)

Henrietta's favorite colors are green and blue; favorite flower--Jonquils; favorite food--Sweets (to which she owes her sylph like figure). Henrietta loves to sing and likes circus work especially well. During the last political campaign she made many public appearances as a member of the Linn County Democratic

Women's Quartet. (The only one of its kind in Iowa.) She is a member of the Roosevelt High Quartet; member of the Cleveland Trio and she is often called upon to sing at funerals.

Henrietta also loves to dance and believe it or not, trips a very light fantastic toe. She lives and breathes for the moments when she may dance the Schottische with brother Milo Sedlacek.

Henrietta has no favorite stars in filmdom. At the present time, however, she is enamored of Bryant Washburn, whom she expects to "overshadow" in her role as the Swedish Maid, in the pending stage play, "The Man from Nowhere". She has no little acting ability and experience in comedy roles.

Her poise, competence and versatility are best displayed, perhaps, in her various lodge activities.

She had scarcely joined the Junior American Czech Lodge then she was given the post of Juvenile Organizer of the entire local C.S.A. Organization. She is a member of Praha Rebekah Lodge and of its staff; Mother Advisor of Betsy Ross Theta Rho Girls Club (Juvenile branch of Rebekahs); Secretary of the Board of Control of Theta Rho Girls Club of State of Iowa, and a member of Rebekah Past Noble Grand Association. She is a member of Pomenka Vlasti Lodge and of its staff; of the Ozesky Vlastenky Lodge and of the Fine Arts Society. Besides all this she is financial chairman of the Cleveland P.T.A. and Secretary of the Roosevelt P.T.A.

The club she holds dearest to her heart is the P.T.P., an old school mates club organized 20 yrs. ago---eight Cedar Rapids girls are still members.

The Ambition of "Let---Henrietta---do---it" Seabrooke is simply--TO KEEP BUSY. So dear readers---before every holiday and during rush seasons Henrietta is subject to call from the Lapes Florist - to help out.

They found a little courage
That simmered in the Sun
They blended it with patience,
and just a spice of fun;
They poured in hope and laughter,
and then with a sudden twist
They stirred it all together
And made -- HENRIETTA.

FRATERNAL LEAGUE TO OPEN MAY 13.

With ten teams entered, the Fraternal League is scheduled to open at Ellis Park Thursday evening May 13th. Games will be played every Thursday at 6:00 P.M. for fifteen weeks.

With such teams as the Maccabees, winners last season, and the Knights of Columbus who finished in 2nd place, there should be plenty of competition this season.

There are two newcomers in the field this season; the Community House and the C.S.A. Lodge.

Manager Pep Stepanek of the C.S.A. team expects to enter a strong team although this will be the first year of soft ball for many of the players.

The C.S.A. team members will be sporting their new uniforms carrying out the red, white and blue colors of the C.S.A. order. Red ball cap, blue body sweater with cardinal red sleeves, and white trousers. The C.S.A. emblem, a white star on a blue back ground, will be on the front of the jersey and the advertisers name in white letters will be on the back of each jersey. With such colorful uniforms, it should be worth every C.S.A. members time to come out and see their own C.S.A. team in action.

All C.S.A. members are urged to attend the games and boost for the team.

The schedule for Thursday May 13th is as follows:

Grain Dealers vs. Modern Woodman; DeMolay vs Triton Club; Knights of Columbus vs Catholic Order of Foresters; C.S.A. vs Z.C. B.J.; Maccabees vs. Community House.

The starting lineup will be picked from the following players:

R.F. - Rudy Sulcik or Allen Nelson
C.F. - Milo Teply or Al Zrudsky
L.F. - John Lana or Tom Stastny
S.F. - Joe Stepanek or M. Kirchner
3rd - Geo. Svec
2nd - Fr. Brejcha or Elmer Stanek
1st - Geo. Hajny or Jesse Clift
S.S. - Chas. Polansky
C. - Bill Lana or Joe Stroleny
P. - John Kuba or Lad Hamous

C.S.A. GOLF TOURNAMENT

The C.S.A. Athletic Club is sponsoring a Golf Tournament among the C.S.A. members. All members interested are asked to get in touch with either Chas. Polansky or Don. Hinshaw who are co-chairmen of the tournament.

A small entry fee will be charged so that a trophy can be purchased and presented to the winner.

With such a large membership in the C.S.A. there is no reason why there shouldn't be at least twenty entries.

Come on, all you golfers--hand in your entry either to Chas. Polansky or Don Hinshaw. Let's see how many Bobby Jones's and Walter Hagens we have in the C.S.A.

The following members have already entered:

Lad Hamous
Dr. Sedlacek
Hugo Sindelar
Bill Lana
Don Hinshaw
Jesse Clift
Chas. Polansky
Geo. Hajny

C.S.A. TEAM TO PLAY CHICAGO.

Plans are now underway for the C.S.A. Diamond Ball team to play Thos. Edison Lodge of Chicago on July 4th.

It is hoped that the plans materialize so that a large delegation can go from here on Friday July 2nd, and make a three day stay. The Thomas Edison lodge, if you remember is the lodge that trounced our team last summer.

Dorothy Kriz - Stan, if I take 23 from 43 what is the difference?

CURRENT NEWS

By Lillian Heral

So, Mary, you, too, have taken the step! Lots of luck and much happiness Mary Cepowski throughout your married life with Gordon Sanborn. (Mary and Gordon were married last month.)

We are glad to know Brother Lou Jiricek, who recently underwent an appendicitis operation, is at home now and convalescing.

We were sorry to hear that one of our new members - Vendelene Simanek - was ill, but hope she is getting along nicely. Sister Bessie Novotny has been on the sick list, but hope she is feeling better.

After monopolizing all properties playing the game of Monopoly, the shock of losing them proved to be too much for our Page, Frank Sysel, to even attend our meeting.

This must have been some bowling! Today in the contribution box we found an article suggesting that two of our members namely, Dorothy Fottral and Joe Janeba, practice up a little on the side.

YE GODS! AND LITTLE FISHES!

By Milo Heral.

The lids off!!! The fishing season is finally opened! But, ah me, Mr. Weatherman has to interfere with his continual showers. Nevertheless, yours truly braved the rain and rising water, and with a sniffle here and a sniffle there, a couple of coughs and a little bait succeeded in landing eleven catfish.

Despite the late season, bad weather and rising waters the fishing looks promising.

Members of the F. and G. Restoration Club have been making tests of stream pollution in the Cedar River. The committee appointed on same has made some tests with live fish in the outlet of the

Penick and Ford flushing system, which empties into the Cedar. Although the fish have survived the test there has been an abundance of Glucose and acid collected on our test box, which was submerged in the outlet.

There will be numerous such tests made in the near future for the betterment of fishing.

It is unlawful to use live minnows as bait until the 15th of May. This has been done to prevent the catching of bass and crappies until the season, May 15th, is open on same. But such baits as shrimp night crawlers, worms, chicken livers and patent baits are very good at this time for catfish.

Good Luck to all you Brother Sportsmen!

CURSES! FOILED AGAIN!

By Frank Sysel.

One day last winter, after a nice snow fall, Bro. Zvacek and Bro. Lippert put their heads together and decided that they should build a toboggon. So, that evening they hurried to enroll in night school where they were going to build one.

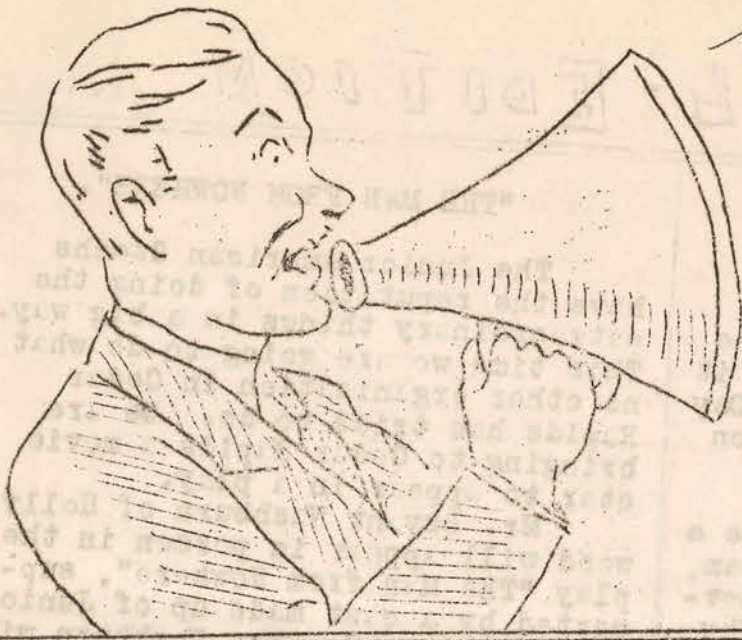

Bro. Lana and Felter sold them the necessary lumber, and after several nights of admiring it and dressing it down at school, they brought it down to Vondraceks Dairy and boiled it in a barrel of water for a couple of days. We asked them what the idea was and they said that was necessary to give it that certain shape.

Every day, we watched the snow slowly melt away.

Finally, when the toboggon was finished, the snow was gone - nature worked just a little faster than they did. Now they are trying to figure out how to put wheels under the dern thing so they can get some use out of it this summer.

Cheer up boys, we will have another winter next year. (How about tacking on an outboard motor, or maybe a bunch of ropes would convert it into a surf board - Ed.)

GET-TOGETHER CORNER

At a meeting of the executive committee of the J.A.C., it was voted to make Mr. Rudolph Janda editor of the ORGAN a permanent representative for the "get-together". The reason for this being that he is constantly in touch with the scribes of all lodges and is now making a "personal appearance" tour of all the eastern lodges. We felt that, by giving him information that should be dispensed, it would reach everyone more clearly and many questions would be answered at once, due to said "personal appearance."

Below is a letter to be sent to all lodges upon approval of our above mentioned representative at large.

Brothers and Sisters:

I appear before you once more in an effort to shed more "light" upon our proposed "get-together".

To those still in doubt, let me repeat that the AIM of this get-together is: To promote good fellowship and elevate the fraternal spirit among English speaking lodges of the C.S.A.

The question next arising in the minds of many is; How many members shall each lodge send? We will endeavor to house and feed all certified delegates. While in session each lodge will have but a single vote, the leader of the group of delegates from any one lodge casting the vote for that lodge.

Also, be it known that this gathering of the youth of the C.S.A. does not have a dual purpose, nor will it try to formulate any laws, but will act as an adjunct to the main body of the C.S.A.

The committee also suggests that each delegate or group of delegates bring recommendations for the furtherance of this get-together.

All recommendations are to be brought before the body and will be given due consideration.

While on the subject I wish to advance a recommendation for you to think about.

Be it resolved that a first prize and a runner-up prize be given to the lodge showing the greatest and next greatest percentage of increase in membership at our next "get-together". Percentage of increase to be based upon the increase over the RECORDED membership in the main C.S.A. office at the time of the first "get-together".

Following is our tentative program:

Friday evening.
Registration-----Dance.

Saturday A. M.
Election of permanent officers.
Appointing of committees.

Saturday P. M.
Keynote Address.
Round table discussions.

Saturday Evening.
Banquet and Dance.
Convention speaker.

Sunday A. M.
Reconvening of meeting.
Selection of next "get-together" site
Adjournment.

Remember that this is not final as we will try to work in a real picnic.

Now that the cat is out of the "bag" start to get ready to avail yourself of the opportunity of visiting the only city in these United States having both its municipal and county governments located on an island, situated in the heart of town.

GET-TOGETHER CORNER (Continued)

To date we have received several recommendations, to wit;

1. That the "get-together" be postponed for one week, so that it will take place over the Labor Day holidays, being held therefore on September 4th, 5th, and 6th.

2. That the annual Chicago-Cleveland intercity game be made a part of this get-together program, using same as a climax to the several days of sessions. NOTE: Why not a round robin of several teams?

3. Be it resolved that at the proper time a roll call of all lodges be held. At this time each lodge will present one recommendation only. After this roll call of lodges those having further recommendations to make will be privileged to do so. The reason for this procedure is to insure every lodge of presenting at least one recommendation.

For those interested in the Popularity Contest; following is the count of the first poll -

Evelyn Ashenbrenner-----	No Return
Esther Nezerka-----	1094
Irene Klepach-----	724
Bernice Lana-----	2022
Elsie Tefer-----	No Return

"THE MAN FROM NOWHERE".

The Junior American Czechs have the reputation of doing the extraordinary things in a big way. This time we are going to do what no other organization in Cedar Rapids has tried to do. We are bringing to Cedar Rapids a movie star to appear in a play.

Mr. Bryant Washburn of Hollywood will appear in person in the play "The Man from Nowhere", supported by a cast made up of Junior American Czechs. Mr. Washburn will be here on May 17-18-19th. The play to be given at the Franklin High School auditorium.

This means that every one of us has to get out and sell tickets and we have been told that if we make good on this play we can have Lionel Barrymore here in the fall.

Now on May 17th, after that evenings performance, there will be given an informal reception for Mr. Washburn at the Montrose Hotel, to which only the members of Junior American Czechs are invited. Here is your chance to come and visit, dance, get acquainted and probably receive an autograph from a real Movie Star.

In the meantime every one of you get some tickets and sell a few. Tickets can be obtained from Mrs. Alma Mach, 1602 8th Ave. S.E. Phone 3-1458. The price is (40) forty cents for general admission and reserved seats will be (10) ten cents extra. More information will be given about the above at our regular meeting on May 10th. PLEASE BE THERE - SELL TICKETS - COME TO THE PLAY and SEE BRYANT WASHBURN in the play "THE MAN FROM NOWHERE".
