Dedicated to Dr. Leo B. Sedlacek
who has endeared himself to many,
we hereby voice our sentiment in
the following poem:

LIFE'S WAYFARER

As we trudge along life's highway,
We often chance to meet
With kindly fellow travelers
Who can make our journey sweet.

They bring us cooling waters,
To refresh our parching throats,
They help us over stony ways,
And kindle up new hopes.

So now let's pause a moment,
Upon this roadside bend,
And pay a special tribute
To 'Doc', our worthy friend.

To you our fellow traveler,
Your friends would like to say,
We've found our journey with you
A bright and happy way.

May all your paths be shady glens,
And all your burdens light,
And may our friendship link remain,
Without a single blight.

M. F.

THE PRESIDENT SAYS:

A watermelon bust will be held after meeting Monday August 12th. The place to be announced at the hall - meeting will begin promptly at 8:00 P.M. Be on time so we get through with the business early - come dressed for a real time, in your play suits - (those of you who are fortunate enough to be able to wear them).

Members who drive, will you please help provide transportation for those who do not drive.

Arrangements will be made for every one from the hall so be sure to come.

The Get-together will soon be here - let us co-operate in making this a success. On Friday morning the convention opens - try and attend as much of the time as you can. On Friday August 30th a picnic will be held for a ll members and delegates. Further information in regard to this will be sent you, but may I encourage you all to attend as we will have dancing, singing, good eats, and liquid.

On Saturday our banquet will be held at 6:00 P.M. at the CSPA hall. A nice program has been planned followed by dancing to Hal Foreman's band. The committee is making an effort to contact all our members - be ready to respond when approached. You will not only enjoy this affair but you will prove to our delegates that the Junior American Czechs are 100%.

Henrietta Seabrooke,
Pres.

---THE GET-TOGETHER---

It is hoped that the Get-together may continue to live. To me it has already served a very definite work in that it has brought together young people from all walks of life-- people who are interested in the same organization.

I feel that I am a better CSA member because I have learned to know the members in Chicago, Cleveland, New York, St. Louis and many other places.

Surely the spirit of fraternity cannot be better promoted than by shaking hands and talking over problems. Instead of the English speaking lodges working to put this across it should be the job of the Executive Committee to sponsor, father and finance it. Who benefits in the long run? Not Cedar Rapids nor Chicago nor New York but the CSA of the whole United States. Yes, we hope the Get-together may become a real part of our CSA life.

Lodge Progressive has shown a fine spirit of fraternity in their work on the Get-together. They have attended and worked hard for its success. If it does not succeed, it will not be the fault of Progressive Lodge.

We of the JAC wish to thank the Progressives for their fine co-operation.

---GOD BLESS THE WOMEN---

Time is flying fast - too fast - and with the flight of time everything seems to change so that what one says today may be wrong tomorrow.

Since JAC Lodge has been in existence women have played an important part in the activities of our lodge and it begins to look like they may have to take over and continue to do most of the work from now on.

Your editor has always felt that the women never get a fair break in that whenever there is any hard work to do the ladies always do their share and more but it is always THE MEN who get the credit.

We men may have a job ahead of us which only the men can do but the job of keeping the homefires burning will be the hardest.

---GOD BLESS THE WOMEN---

JUNIOR CZECHS

Sisters Irene Poula and Lillian Heral honored their parents Mr. & Mrs. Frank Svec, on their 36th anniversary, Sunday June 16th, at the Upper Palisades, with a dinner party. The Poula's and Heral's were also celebrating their anniversaries.

A daughter was born June 22nd to Mr. & Mrs. Joe Novotny at St. Lukes. Congratulations to the happy parents and little sister.

Bro. Milvoy Horsky recently had the misfortune to get his right index finger caught in a machine at the Iowa Machine Companys plant. The end of the finger had to be amputated at Mercy Hospital.

Guests in the Bob Smith home for a month were a brother of Bob's and his family from California. The brother is a barber in one of the Movie Studios.

How come Louie Jiricek had only twelve candles on his birthday cake-- Is he in his second childhood, or did they run out of candles?

Before a large group of relatives and friends, Sister Rosamon Mulherin and Brother William Dvorak were married on Dedoration Day. The ceremony took place at 7:00 o'clock in the morning in St. Patrick's Church. Sister Rose was a beautiful bride. She wore a short sleeved sheer dress and a long tulle veil and her arm bouquet was of mixed flowers. Her bridesmaid was dressed in blue with hat to match and she also carried a bouquet of flowers. After a wedding trip to Wisconsin, the newly weds will live in an apartment at 518 B Ave. NW.

Like Doris Seabrooke, Sister Minnie Sirowy can never again boast that she is "all here" On May 10th she underwent an appendectomy at St. Lukes. We are happy to report the patient is feeling fine again.

JUNIOR--ECHO

The Leo Trachta's were kept busy celebrating anniversaries during the month of May. Brother Leo celebrated his 29th Birthday on the first, and Sister Leona's Birthday on the 30th. They observe their wedding anniversary on the 23rd. Congratulations and may you both have many more birthdays and anniversaries!

Vernon Horsky, the 8 year old son of Brother and Sister Horsky, suffered a fractured leg recently when he fell while playing in a tree. He was taken to Mercy Hospital for treatment.

A beautiful wrist watch studded with diamonds was Sister Norma Kirchner's 20th Wedding Anniversary gift from her husband Jerry Kirchner. The Kirchners were surprised by a group of friends and relatives on this occasion, which was May 1st. They were the recipients of many lovely gifts. Congratulations!

On May 8th, a daughter was born to Dr. and Mrs. Harold Jirsa. Congratulations to the proud parents. Dr. Jirsa was initiated into J.A.C. at the March celebration.

J. A. C. wishes to congratulate Mr. & Mrs. Roman Vecerka on the birth of a daughter May 13th.

Brother Milo Sedlacek had the misfortune recently to severly cut a finger on his left hand with a hatchet. We hope it is healed up by now, Milo.

We wish to express our sincere sympathy to Mrs. Louis Picek (Alma Janko) on the death of her mother Mrs. Tillie Janko, May 15th.

Marie Smith is reported to be spending a De Lux vacation in Hollywood, California, at the present time.

Among recent vacationists were the families of Doc Sedlacek, and Rudy Felter who spent a companionable vacation together at Lake Cedar in Minnesota. Also the Joe Mach family who spent their vacation at the same resort, a week later.

Dr. Leo Sedlacek, left Sunday August 4th for Camp Ripley, Minn. for 3 weeks training. Doc. is captain of the local Medical Corp of the Iowa National Guard.

Mr. & Mrs. Loksa, and their daughter, Lorraine, spent a week at Phillips, Wis.

Mr. & Mrs. Mickulas spent a weeks vacation at Minneapolis, Minn.

Mrs. Arthur Bezdek pulled up to a service station: "I want a quart of red oil," she said.

Otto Sirowy gasped "Red oil".

Mrs. Bezdek: "Yes," "The tail light has gone out."

Leo Trachta: "Do you guarantee this clover seed?"

Merchant: "Guarantee? I should say so! If that seed doesn't come up, you bring it back and we'll refund your money."

Hugo Sindelar: "Do you really think there is such a thing as a good hair tonic?"

Bob Smith: "Well, I know a couple that are all right if you add a little bit of ginger ale."

Chef: "Hey, boss, that clam we been using is gettin' kinda flabby--what'll I do for soup.

Evan Poula: "Oh, don't come to me with all ya troubles--use the old bean!"

BOSS: You should have been here at 8:00 o'clock this morning!

Helen Bezdecny: Is that so? What happened?

THE HIRED MAN

FOURTH GET-TOGETHER OF C.S.A. YOUTHS AUG. 30-31, 1940 CEDAR RAPIDS, IA.

Cedar Rapids is going to be all wrapped up and handed over to the C.S.A. ers; on August 30-31, the two Get-together days. Remember? the first Get-together held here on August 1937. Well, the hard working committee headed by brother Leo Trachts say the 1937 Get-together will be amateur stuff compared with the lineup this year.

Not only will the CSFS hall headquarters of the Get-together be profusely decorated in CSA style, but the city itself will be dressed up, the local chamber of commerce and many business firms are co-operating. The large Peter Pan Neon sign located in the loop will welcome all CSA 'ers.

Each delegate and CSA visiting members that register at headquarters, CSFS hall will receive a booklet of instructions covering program, order of business, entertainment and miscellaneous matters.

Each delegation may have as its guest such members of the CSA Society and their families as it sees fit to invite to accompany it, in so far as space will permit, they will be admitted to the convention hall.

Here's a rough outline, - Registration office will be open from 1 to 4 PM Friday August 30th, with Leo Trachta--Mrs. A. M. Seabrook and Mrs. Lillian Heral, at the desk. Opening of Get-Together at 4:00 P.M. At 6:00 P.M. all delegates, visiting members and the combined membership of Lodge Junior American Czechs and Progressive will assemble at Millers CSA Park for a picnic supper and mixer! Saturday August 31st, back again to the CSFS Hall, from 9:00 AM to 4:00 PM round table discussions and business meetings. At 6:00 P.M. Banquet-Stage show and dance.

The officers that are trying and will make this 1940 Get-together Bigger and Better, are brothers Leo Trachta, ch. - L. Konigsmark, Sec'y. F. J. Stastny, Treas.

J.A.C. Meeting

About eighteen mothers were present at the meeting, and in the small hall, they were all seated at one long table elaborately decorated with a May Pole in the center with colored streamers fastened to favors placed at each plate.

Pres. Henriette Seabrooke gave a short talk about mothers and a response was given by "Ma" Horvert.

All the Mothers were then introduced by Henriotta Seabrooke.

The JAC Quartet sang two selections. (Lil Heral, Marie Smith, Martha Felter, H. Seabrooke, and Lucille Filipy was the pianist).

A piano selection was played by the daughter of Mr. & Mrs. Chas. Leksa.

Joyce Heral gave two accordion selections. Little Elaine Heral sang two songs - "Oh, Johnny and "Svesky". The quartet sang "Neopolitan Nights" for the concluding number.

Lunch followed the program, ice cream cake, candy favors, and coffee. The Mothers were all presented with gifts passed out by Elaine Heral.

Mrs. Milo Simanek was chairman of the evening and did a splendid job. Those assisting were Lucille Filipy, Irene Janko, Lillian Cach, Alma Picek, Irene Paula, and Lillian Heral. Milo Heral and Rudy Sulcik were at the bar.

Fraternally yours,

The Scribbler.

The Drill Team had a good old fashioned party May 17th. It started at 6:30 with a dutch luncheon, coffee, potato salad, baked ham - six different kinds of cheese, and pickels. I can assure you no one left the table hungry but if they did it was their own fault. (We would like to know what brother Louie did with that ham bone.)

Short snappy talks were given by Pres. Louie Pochobradsky, Capt. Ed Seda, Jerry Nemec, Gus Sulcik, Leo Trachta, and Lad Hamous.

After a brief intermission every one started to dance and did not stop till the wee hours.

The staff furnished everything, the eats, drinks and music.

Even the "Old Crow" lost his feathers. The Committee in charge really put over the job. They were Pep Stepanek, Joe Mach, Wes Tampir, Joe Splichal, and Ed Seda.

The Gang is looking forward to another party. It kinda takes these kind of parties to get the old spirit back. There were about fifty present. Members and their wives and sweethearts.

The Scribbler.

His Wife: "Because its yellow, I suppose."

Dr. Harold Jirsa: (To butcher boy he had hit with his car) "Are you hurt, my boy?"
