PRESIDENT'S MESSAGE

Hello Guild Members —

The weather has a “crisp” feel to it, and we of the Museum Guild our looking forward to another season of busy, productive and fun filled times.

At our October meeting we will be electing a nominating committee and in November our 2009 Guild officers will be elected. Please give some thought to serving the Guild as an officer, and also be thinking about who you would like to nominate for the various offices. The new board will take over January 1, 2009.

It has been announced that as of October 11 the temporary site for the Museum will be at Lindale Mall. Our Annual Cookie Walk will be held at the *NCSML at the Mall* on December 13. At the November meeting Irma Kelly will be sharing with us which recipes she has selected and we will be signing up to prepare cookies/candies for the Cookie Walk.

This has been such an unusual year for all of us . . . if some one had told me beforehand of the challenges that our city, museum, friends and neighbors would face this past summer I would not have believed it. However, the “Flood 2008” did come and in its aftermath, I am amazed at how well our community has responded. It is most amazing to me to witness the strength and positive attitude that our CEO, Gail Naughton and her staff have displayed throughout this catastrophe.

There are several exceptional members in the Guild who are so dedicated and always willing to lend a helping hand. Those are the members who are always on the front line doing whatever is necessary to assist in any way they can. We all thank these very special people . . . they make our Museum Guild look good!

Our “Save the Museum” benefit/bazaar held on August 9 exceeded my wildest expectations. We are all so pleased that we were able to do something that would help monetarily as well as give us pride derived from living up to our mission statement. All of us in the Guild realized that when the Museum’s well being is at stake we all try a little harder. Thank you to the committee chairmen and to all of the guild members who donated and worked to make this a successful fund raiser.

We were so pleased to present Gail Naughton with the proceeds of the evening, \$ 10,652.20. After the event our treasurer received more donations totaling \$330.00. I was telling a friend that we were \$18.00 short of making \$11,000.00 . . . she immediately gave me \$20.00 which put us over the mark. The total revenue as of today was \$11,002.20. Congratulations to all!

Thank you all for everything you do to make the Museum Guild the success our Five Founder's dreamed of!
Sincerely,
Marilyn R. Tucker

"History of Early Czech Churches in Cedar Rapids"

By Reverend Bill Harnish

Rev. Bill Harnish was our guest speaker, introduced by Jessie Stastny. Rev. Bill was born and grew up in Cedar Rapids and has always had a deep interest in our city's history.

He graduated from McKinley High School and Coe College. He attended the Dubuque University Seminary. The first church he served was Jon Hus Memorial Presbyterian. Rev. Harnish now serves a congregation in Mechanicsville Iowa and is the owner of the Cedar Rapids Wedding Chapel on 1st Ave. SE.

Rev. Bill's talk was on the history of the early Czech churches. Mr. Sinclair owner of the meat packing plant that bore his name was instrumental in opening churches for his workers.

"Flood Recovery - The Future of the Museum"

By Gail Naughton, NCSML President/CEO

The first visit to the Museum after the flood gave some indication of the power of the eight feet of water in the building. The force of the current broke the metal double doors and bent the wall between the Heritage Hall and Petrick Gallery. The life-size Masaryk statue stood its ground and welcomed the first post flood visitors. The untouched Great Hall chandelier was also a sparkling symbol of hope.

Eighty per cent of the collection is fine. The textiles that were harmed have been sent to Chicago for damage evaluation. All crystal, porcelain and china is fine except for one broken small piece. Some of these pieces were in cases that were lifted and tipped over by the swirling waters inside the building. These items have been packed up and will have to be cleaned.

About 7000 books were damaged and have been put in freezer trucks for future freeze drying. The wall exhibits were ruined and will have to be replaced. Paper records will be lost as it would be costly to dry them out. Database information is intact as some computer equipment was on the second floor and not reached by the flood waters.

The financial loss is enormous and could run into the millions. The three sources of income-admissions, rentals and the store sales are gone. Gail said the staff and board will step back, take as much time as needed and plan for the future. The mission for the Museum has not changed and for now programs and events will be ongoing at places away from the site. The staff wants to be part of the rebuilding of Czech Village because as Gail stated "that is where we came from". A documentary of the Museum and Czech Village flood experience has been started and will be ongoing. An exhibit devoted to the occurrence is planned.

Gail said the staff feels an immense responsibility to the individuals who launched the Museum as well as everyone who entrusted materials to them. They will continue to keep the story of the event visible to the city, state, nation and world. Their attitude is quite positive and although the Museum will never be the same they are determined to make it a better place.

Fern Kaplan Fackler

He began St. Wenceslaus for his Catholic workers and Sinclair Memorial Presbyterian for his protestant workers. These churches were side by side until the Sinclair church was burned. It was reconstructed a few blocks away.

The United Brethern Church was also an early church and was pastored by Rev. Wright, the father of the Wright brothers of aeronautical fame. The Evangelical Brethern, Hus Memorial, and 1st Presbyterian Church of Ely were other churches mentioned.

Rev. Harnish gave us some information of early pastors such as Dr. Frances Pokorny, Dr. George Pauk, Dr. Havlik, and he himself as the first non Czech speaking pastor to serve the church. Dr. Milo Filipi and Msn. were mentioned as well.

Several Guild members offered information and there was a discussion that included many memories.

 Marion, Iowa 52302

Dear Ms. Tucker,

On behalf of the Board of Directors of the National Czech and Slovak Museum and Library, our members, our staff, and myself personally, I would like to express my sincere appreciation for your recent fundraising efforts at Kennedy High School. I was amazed to learn that this event raised over \$10,000 for the Museum and also sold more than \$2,000 in ornaments! This is very heartwarming for us.

People like you and the other Guild members that assisted in this event help ease the pain of our loss at the Museum, and also give us strength and support as we fight back to be better than we were before the flood. We cherish your personal as well as financial support.

Please pass this on to the entire Guild. We also welcome you and the Guild Members to visit us at our new Lindale Mall location on October 11 or after.

Sincerely,

NOTES FROM VOLUNTEER COORDINATOR PATRICIA A. HIKIJI

NOTES FROM PATTY

Programs

Our final UpBeat Concert will be a piano concert by Joshua Russell. It will be held at 7:00 p.m., Saturday, October 11th, in the Daehler-Kitchen Auditorium, in Marquis Hall, on the Coe College campus. Please plan to attend.

Looking Ahead

The Museum will have an interim site at Lindale Mall. The space we have will allow us to open a Museum Store, have a small exhibit, and some programming and office space. So we will be needing store clerks and gallery attendants once again. We'll be operating, basically, on Mall hours. The projected date for our Grand Opening will be Saturday, October 11th.

Patricia A. Hikiji
Volunteer Coordinator

I would appreciate it if all Guild members who have not reported their hours to me would please do so as soon as possible. It just makes my record-keeping so much easier and my reports so much more accurate if I can get this information in a timely manner. Thank You!
