HIS EXCELLENCY
THE MOST REVEREND LEO BINZ, D.D.
Archbishop of Dubuque

RT. REV. MSGR. FRANCIS R. HRUBY
PASTOR

My Dear Parishioner:

It certainly would be nice if there were some easy way of building our much needed school addition. But I know, and I am sure you know too, that we have no "easy" way. It will take a real sacrifice on the part of everyone to put our Campaign "over the top."

I expect everyone to do his part. I expect everyone to carry his "fair share" of the financial load. I am confident that you will do this cheerfully, with Faith in Almighty God, and out of loyalty to St. Ludmila's Parish. May God bless your generosity.

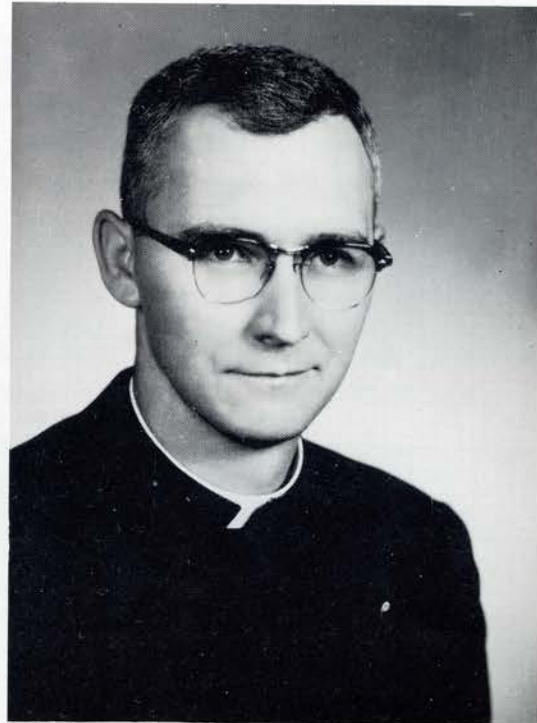

Monseignor Hruby

My Dear Parishioner:

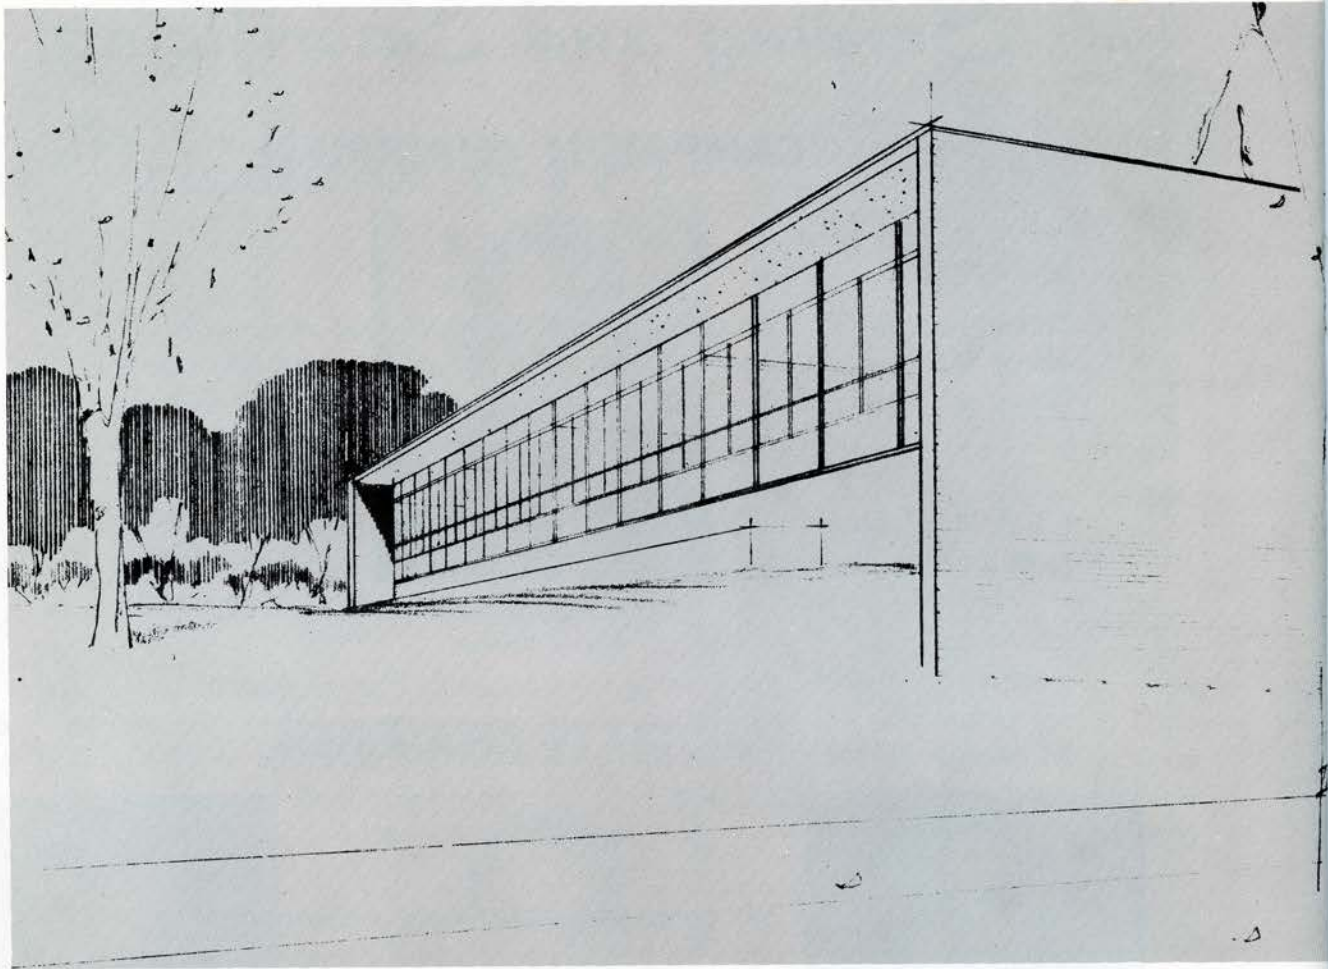

Our School Expansion Building Fund Appeal can and must succeed. Our goal is not merely dollars but Catholic education and what it represents — teaching children God's Law, so that as they grow toward manhood and womanhood they will stay on the path to God.

Love of God, respect for God's Law, love of country, concern for one's neighbor; these are the ideals of Catholic education. God will not be unmindful of the sacrifices that you make for such a grand cause. He will bless you in countless ways.

ONE DAYS PAY A MONTH FOR 30 MONTHS FROM ALL

OBVIOUSLY it is impossible for your pastor to see you personally, to ask your support of this great APPEAL. Nevertheless, it is extremely important that all be conscious of the sacrifice each one of us must make if the SCHOOL EXPANSION BUILDING FUND APPEAL is to be a success. This brochure, consequently, is sent to you in lieu of a personal visit from the clergy.

Whether you know it or not, whether you accept it or not, the fact of the matter is that in regard to this CAMPAIGN you are vitally important. As an individual you are known and respected in your parish and community. What you do may set the standard of giving for your entire parish. If you lead, others will follow to a successful conclusion of the Campaign.

Careful examination of successful similar campaigns in other CATHOLIC Parishes shows that it will take at least one day's pay a month for the next thirty months from each member of the Parish. Is this too much to ask? Isn't Catholic Education worthy of our support? Will you then, give at least a day's pay a month for the next thirty

months? If you do this, our SCHOOL EXPANSION BUILDING FUND APPEAL will succeed.

What we do today will have a lot to do with the salvation of souls tomorrow and the next day. We have not only the responsibility but the privilege of setting the mold of the future. The time for talking is a thing of the past. Now active participation and sacrificial giving are needed!

Remembering this, remember also that the theme of our Building Fund Appeal is, AT LEAST ONE DAY'S PAY A MONTH FOR THIRTY MONTHS.

This is a challenge. It is a challenge which comes to us here and now, one in which each of us must lose sight of himself, and must realize the importance of the program to the Catholic people of our community.

The opportunity to provide adequate School facilities for our present and our future needs is our grand privilege. We cannot let this chance slip by or we may never regain it.

God Builds No Schools

**GOD builds no schools by His plan
The labor has been left to man.
No walls miraculously rise,
No halls or rooms from the skies
Fall on a bleak and barren place
To be a home of truth and grace.
The humblest school demands its price,
In human toil and sacrifice.**

**Men call the school a path to God
O'er which the souls of Children trod
In search of trust and love and hope
As blindly through life's mists they grope,
To where God dwells, but it is man
Who builds the school and draws the plan,
Pays for the mortar and the stone,
That none may die with God unknown.**
