The frost is on the pumpkin,  
The corn is in the shock,  
The wintry days are coming,  
Is your overcoat in hock?

We thought it might be, so planned a hard-time Hallowe'en party and dance for our next meeting, November 7th. Be sure to come dressed hard time or the Goblins (the committee) will get you by making you pay a fine. Let's all get together for a grand time in the usual J.A.C. manner! Committee-- Frank and Bessie Novotny.

YES? NO?

The staff of the Junior Echo has been wondering if the Echo is appreciated by the members of this lodge. The question is, - SHALL WE CONTINUE, OR SHALL WE DISCONTINUE THE ECHO? The staff wants to know. Please write the staff a letter this coming month and let us know if you want the Echo to continue or not. This article does not apply to a few members only, but we want to hear from every member that is interested.

--EDITORS

THANK YOU!

The Echo staff wishes to thank the HIRSD MAN for his nice check which we received last month.

We are happy to learn that the Echo means that much to you Brother Jenda, and we assure you that the Echo will endeavor to prove worthy of your confidence.

--EDITORS

The Echo staff is desirous of getting new blood on the staff. Anyone who wants to take this opportunity to work, please see the Editors.

PAY YOUR DUES!

--ISM--

Defeat Nazism -- Crush Communism  
Overthrow Facism -- But, boost  
AMERICANISM.

The fun's in how you say a thing.

## EXERCISE YOUR FRANCHISE PRIVILEGE

-----VOTE!-----

Do you realize that on November 8, you have one of the most precious privileges that any one can desire - VOTE? You may hear from the radio, and read in the papers for whom to vote, but on that date you enter into a little booth and there without anyone to tell you or influence you, you vote as your conscience directs. That is your secret. Not to vote is a manifestation of poor type of citizenship - Let every J.A.C. be sure and vote this coming election no matter how you vote. That is your business, but VOTE.

## LAND OF THE FREE AND HOME OF THE BRAVE

There are many lessons that we as J.A.C. can learn from the events of the past few weeks. The one which is so vital is that we ought to love our own U.S. With all of its short comings, it still is the best place to live. It was founded on the solid principals of Life, Liberty, and the Pursuit of Happiness. What more should we want? You can believe as you wish, worship as you please, and you can rise to the highest office in the land.

How patriotic are you? Would you be willing to defend the Flag? Many a man has laid down his life for the Stars and Stripes. The symbol of Freedom for everyone regardless of race, creed and color. That Flag and all it stands for is yours. We should be proud to call it "our" Flag.

So from now on J.A.C. let us live,  
AMERICA FIRST -LAST -and ALWAYS.

# SOCIETY NEWS

## HYLITES

Well! Hold onto your hats folks here we go.....

The meeting was pretty well attended but nothing like the one previous.

Even the Vice-president was absent.

We understand he's getting a belated education.

It seems that the J.A.C. is going to have some smart people as several other members are enrolled at night school.

Anyway Milo Heral makes a good Vice-President.

We'll have to remember that next December when we elect new officers.

Didja notice our Secretary's new chapeau?

Nobody seemed to be in the mood for dancing.

I wonder how come.

Maybe there saving their energy for the big Armistice frolic.

Judge: Just where did the defendent hit you, Miss Nezerka?

Esther: Well your honor, if I had been wearing a licence plate it would have been badly damaged.

## NOTICE-----NOTICE

Our best friends, the guardians of the law and order will sponsor their annual dance- THE POLICEMAN'S BALL. The proceeds will be used to pay the widows pensions so it really behooves all, who are able, to cooperate in this civic affair.

The main attraction will be Bob Crosby (Bing's brother) and his famous orchestra that is heard nightly on a National radio hookup.

There will be an attractive floor show.

All for the price of \$2.00 per couple.

Date.....November 14, 1938

Corn on the cob is better off.

## DAISY'S COLUMN

Dear Daisy:

Can you tell me of anything more disturbing than to have one's husband talk in his sleep?

Alma Sysol

Dear Alma:

Yes, suppose he only smiles.

Dear Daisy:

Is there any advantage in learning to play the saxophone?

Ed. Zvack

Dear Ed:

Yes, you can buy the adjoining property so much cheaper.

Dear Daisy:

What is meant by the expression "the wedding went off without a hitch"?

Frank Novotny

Dear Frank:

That means, I guess, that the bride didn't show up.

Words like eggs should be spoken with care,

For words spoken and eggs broken,  
Are awfully hard to repair.

Let us remember

Be it a Sister or a Brother  
In Friendship, Love and Truth  
To help one another.

## G'DDID GABBA

Our camera today focuses on the lesser(?) half of the Filipy's, Leonard by name. Leonard was born on July 31, 1905, to Mr. and Mrs. Joseph Filipy of Cedar Rapids, Ia. He began his education at Van Buren school, continuing at Grant from where he graduated. Although his life was filled with many romances, as is every handsome young man's, he met his "heart throb" sometime around 1921, but he's forgotten how and where. On April 30, 1927, he weakened under the spell of a charming, dark-haired miss by the name of Lucille Visek. Lucille and Leonard were married at Jan Hus Methodist Church. On the same day Frank Cach and Lillian Plouz were married, and the two couples motored to California on their honeymoon together. Leonard is in partnership with his father in the "Filipy Auto Top and Body Shop" located at 1420 First Avenue N. E.

Leonard says that his favorite food is good roast pork, but its been rumored that it really is catsup (he is so fond of it that he puts it on everything--even dessert, we're told). His favorite color is blue, and his favorite flower, the oose.

Leonard's hobby is fishing and he's quite experienced in the sport. From this sport he has earned the nickname, "Bassy" because tis said when he thinks there is a Bass ten miles up the river, he could rather wait for the Bass than eat. He admires the true acting ability of Wallace Beery but does not frequent the movies much. His favorite type of entertainment is dancing, but he admitted he also enjoys a good burlesque.

Our subject's pet peeve is when his wife wakes him up when he is sleeping and snoring.

Leonard is an active member of the Oddfellows, Jan Hus Lodge, the Masons, Mt. Hermon Lodge, Sixteenth Avenue Commercial Club, and the Junior American Czechs.

"Bassy", a quiet reserved sort of fellow, attended hss first J. A. C. meeting last month. He was so favorably impressed by the jolly gaud, he is looking forward to the next meeting. So--let's all greet him with a welcoming hand shake.

How often in the still of night  
I've barked my shins on every  
flight,  
And cursed the irony of it,  
That I, and not the light, was lit.

Campaigner: Would you like to help the Old Ladies' Home?

Bob Eckert: Sure, where are they?

Waiter at "Pantry": Your coffee, sir special from Australia, sir.  
Frank Stanek (having waited ten minutes) Oh, so that's where you've been.

## RIGHT THROUGH

"Here's something queer," said Dr. Leo Severa, who had been drilling into a tooth. "You said the tooth had never been filled, but I find flakes of gold on the point of my drill."

"I knew it," moaned Charles Leksa, "You have struck my back collar stud."

"Is Bob Biederman's wife a good housekeeper?"

Bill Lana: "I don't think so. When I called this morning she was trying to open an egg with a can opener."

Judge: Have you ever been up before me?

Virginia Nomec: I don't know. What time do you get up.

## \$11,500 FLAG

An 11,500 dollar world war service flag hangs in the American Legion Club Room at West Liberty, Iowa.

Looking at the banner you see, a 10 by 12 foot red, white, and blue muslin of good quality and excellent sewing, with the symbolic stars symmetrically placed - nothing more.

The only gold about it is the color of five of the stars - two of them mounted on small red crosses.

The flag was made by a farm housewife who had two sons in the service. Into the flags field went 54 blue stars, one for each Wapsininoo and Goshen township enlisted youth. As enlistments increased Mrs. Peters added stars until the finished banner had 99 additional stars along the flag's border.

In spring of 1918 a nationwide cry for more funds for the Red Cross, was the inspiration for an auction sale in this small community of some 3,000 persons.

At the conclusion of the Auction sale where all the donated articles were sold, the service flag was put up for sale.

James Potter, now dead, "bid in" the banner for \$50.00 and immediately announced he would put the flag up for resale.

In a short time there were 100 sales at \$50.00 each and many at \$40.00. These were followed by sales at \$25.00 then at \$15.00 and so on down to \$2.50. The total amount raided from the sale of the flag was \$11,500.

West Liberty residents say the sale set a National record for such an event considering the location and population.

There seems little doubt that Mrs. Peter's flying fingers fashioned Iowa's most valuable service flag.

"Activity knows no rest."

## BOWLING

### NOTICE

All bowlers are urged to make their wishes as to whether or not they desire to bowl in the C.S.A. league this year, which will start about the 15 of Nov.

Bowlers who intend to join the league, please notify the following at once:

Charles Polansky	-	Dial 5965
Milo Heral	-	8730
Charles Novak	-	4333
Lou Tisl	-	7396
Rudy Sulcik	-	2-5472

It is desired that a 6 or 8 team league be organized. Please register your name at once so proper teams may be organized.

Prokop Velly spent considerable money this year to level, and re-finish the alleys. Also new racks have been installed. Let's go for bigger scores this year.

### BOWLERS ATTENTION! :

Although we do not know anything about bowling we know that you are just itching to knock those old maples for a three hundred score, so we have been working (or have we) day and night gathering information for you, the latest bulletin from our Walter Winchell, snooping Sal or what have you, is that the alleys will be open for competition next week, starting November 7.

### SPOTTING IT

Little Johnny, age seven, had been taken to the Zoo to see the animals. He stood before the cage of the spotted leopard for a few minutes staring intently. Then, turning to his mother he asked, "Say, is that the dotted lion that everyone wants Dad to sign on?"

An old fashioned Hebrew employer remonstrated when one of his employees asked for a raise on the ground that he worked too hard. "Why," protested the employer, "you have an easy time of it. You do not work at all. Look! There are 365 days in a year. Eight hours of every day you sleep. That makes 122 days, leaving 243 days. Eight hours of every day you have all for yourself. That leaves 121 days. I give you an hour for lunch every day and that amounts to 15 days more, leaving 106. You do not work on Sundays--52 more days off, leaving 54. You get Saturday afternoons off--another 26 days leaving 28 days. You have two weeks for vacation every summer and you take off about a week for sickness. Only seven days a year to work, New Years, Washington's Birthday, Decoration Day, July 4th, Labor Day, Thanksgiving Day, and Christmas are holidays. Beside you take Yom Kippur off. I should give you a raise? You owe me money."

--Alhambra, St. Louis

"We won't let the worries get us down, but we'll keep a heart of cheer. It's better to hope than to fear. Let's try to keep these hearts of ours, On the sunny side of the street."

Judge: You say you were not drunk yet this officer tells me he found you trying to climb a lamp post on a downtown corner.

Frank Sysel: Yes, your honor, I did but that was because three crocodiles had been following me all night, and they were getting on my nerves.

## CONGRATULATIONS!

To Mr. & Mrs. Leo Severa, who have welcomed into their home a baby daughter, Carol Lee born on October 15.

Mr. & Mrs. Frank Janko will be gone three weeks on a motor trip through California.

We are glad to report that Irma Zahradnik has recovered from her appendectomy and Martha Felter from her recent indisposition.

Bessie Novotny strolled into a butcher shop the other day, her mind still busily occupied with the exciting card game of the evening before. The butcher standing at attention politely inquired, "What will you have?"

Bessie dreamily replied, "I'll pass."

## HANDY ANDY ANSWERS:

Q. How can I bring more cream to the surface of milk?

A. Heat the milk until lukewarm, then chill it, and it will bring more cream to the surface.

Q. How can I remove tobacco stains from copper and brass ash trays?

A. Apply a little denatured alcohol with a small brush.

Q. How can I make a good remedy for chapped lips.

A. Mix 20 parts of white wax, 40 parts of spermacetti, 10 parts of oil of sweet almonds, and 30 parts of perfectly pure and fresh lard.

Q. How can I make woolens soft and fluffy when washing?

A. The water in which woolens are rinsed should be exactly the same temperature as the water in which they are washed to keep them nice and soft.

Q. How can I prevent pancakes from sticking to the griddle?

A. Instead of greasing the griddle when making pancakes, try heating it first and then rubbing it with a slice of freshly cut raw potato.

It's easy enough to be happy  
When life's a bright rosy wreath  
But the man worth while  
Is the man who can smile  
When the dentist is filling  
his teeth.

## BILIOUSNESS PERSONIFIED

My dear Sirs:

In reply to your request to send a check, I wish to inform you that the present condition of my bank account makes it almost impossible. My shattered financial condition is due to Federal laws, State laws, County laws, Corporation laws, liquor laws, Mother-in-law, Brother-in-laws, Sister-in-laws, and outlaws.

Through these laws I am compelled to pay a business tax, amusement tax, carpet tax, head tax, school tax, light tax, sales tax, liquor tax, income tax, food tax, and excise tax. Even my brain is taxed, I am required to get a business license, car license, hunting and fishing license, truck license, not to mention a marriage license and dog license.

I am also required to contribute to every society and organization which the genius of man is capable of bringing to life. To women's relief, the unemployed relief and the gold digger's relief. Also to every hospital and charitable institution in the city, including the Red Cross, the black cross, the purple cross, and the double cross.

For my own safety I am required to carry life insurance, accident insurance, property insurance, liability insurance, burglar insurance, business insurance, earthquake insurance, tornado insurance, unemployment insurance, old age insurance and fire insurance.

My business is so governed that it is no easy matter for me to find out who owns it. I am inspected, expected, suspected, disrespected, rejected, dejected, examined, informed, required, summoned, fined, commanded, and compelled until I provide and inexhaustible supply of money for every known need of the human race.

Simply because I refuse to donate to something or other I am boycotted, talked about, lied about, held up, held down, and robbed until I am almost ruined.

I can tell you honestly that with all of the above I still believe in the good old U.S.A. for it is the only place in the world where I can write as I have above and get away with it.

Yours faithfully

A Citizen
