### **A WORD OF THANKS**

We desire at this time to thank the many friends of Czech Fine Arts and the Sokols of Cedar Rapids who have taken advertising or complimentary space in this program. Very often our businessmen and professional men are called upon to bear the burden of various enterprises and they are quick to respond and assist. Too often do their efforts go unappreciated.

We would urge that all our friends show their appreciation and patronize these advertisers in our community whenever they are in need of the various services and merchandise they offer. These advertisers have our community's interest at heart. Let us have them at heart and thus boost our community.
