MIRROR, wood with gilding, glass plate.

An Empire mirror with a frame of heavy pilasters and large corner blocks. The vertical sections with three pilaster elements: the upper and lower ovoid and spiral-turned; the center slightly ovoid and crosshatch-turned, in the pattern of a pineapple. The horizontal sections with single ovoid, spiral-turned pilasters. The corner blocks with applied rosettes. All wood surfaces gilded. The original mirror plate divided by a molding. Chamfered pine backboards. 49 1/2" x 25".

American, Empire, ca. 1840.

\$1,200.00
