CRISES CAPTURE WEST'S ATTENTION

Although nestled in suburban affluence, the students of Niles West were in no way isolated from world happenings — whether political or social. The resultant moods and emotions were as varied as the events to which they were in response.

The state of the union was not a topic dealt with only by the President. The Niles West community debated political and social-economic issues with passion. Perhaps its possible effect on student lifestyles placed the energy crisis foremost in serious discussions. While students were especially concerned with the availability of fuel supplies, energy czar, William Simon, proclaimed, "Dial down, slow down, save energy!" Block long queues formed at local service stations.

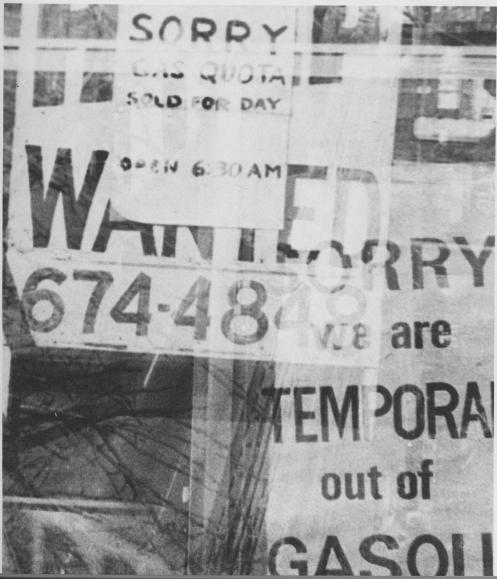

While the domestic energy crisis commanded our attention, the political, moral crisis was no less serious. We observed President Richard M. Nixon flounder amidst the Watergate controversy while he vehemently denied his alleged guilt. The clamor for impeachment grew to unprecedented heights following the "Saturday night massacre," — a clamor in which many Niles West students took part. President Nixon's quandry set the stage for the dramatic rise of such men as Henry

Kissinger, who through his own brand of personal diplomacy helped bring the Arab-Israeli conflict to a temporary settlement. Meanwhile, far above the earth, Skylab III orbited the earth for eighty-four days analyzing and investigating our universe, impervious to happenings below on earth.

Corruption in Washington pervaded our whole society. On the local scene, United States District Attorney, James Thompson, prosecuted alleged corruption in Chicago and the suburbs. Former Governor Otto Kerner was indicted and convicted of income tax evasion and perjury. In the face of such corruption, cynicism characterized the mood of Niles West students.

Perhaps the lack of a strong leader precipitated the major fluctuations observed in our economy. It was clear that inflation was rampant. Economists such as Milton Friedman forecast recession. Unemployment was predicted to reach a height of 6%. Our dollar bought less and the goods bought were of lesser quality. Surprisingly though, the lifestyles of Niles West students were not drastically affected. Instead, each new development of social import brought forth moods which ranged from frustration to relief to contentment

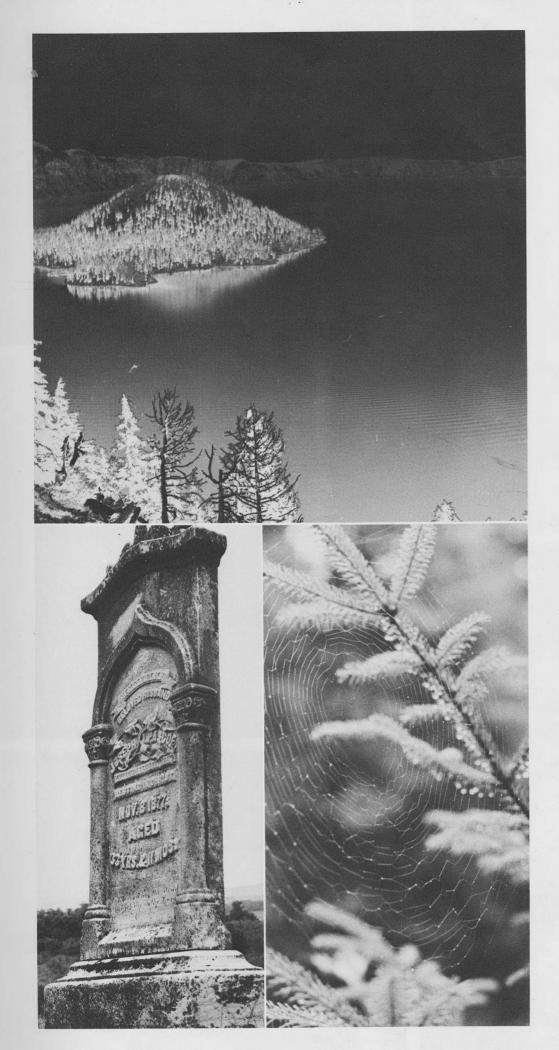

Despite our concern with our nation's moral, political and economic state, much of our attention was focused elsewhere. Change was a continuing characteristic of the world in 1973 and 1974. The most notable change was in the traditional role of women. Billy Jean King championed the cause of women athletes when she resoundingly defeated Bobby Riggs. Simoultaneously, women across the nation fought for passage of the equal rights amendment.

Change was also a continual occurence in our daily activities. Ballroom dance once again became in vogue and roller rinks reached a new height in popularity. Niles West students flocked to the rinks for entertainment.

Entertainment also consisted of such movies as "The Day of the Dolphin," "The Way We Were," "Papillon," and "Sleeper." the return to horror movies was marked by the premier of "The Exorcist." The students of Niles West mourned the death of Jim Croce while they laughed at the antics of Cheech and Chong.

Finally, continual change brought on a nostalgia craze. The Gatsby Look, roller rinks and ballroom dance were elements of this craze. "American Graffiti and the play, "Grease" were further manifestations of the craze.

However, nostalgia did not stifle the occurrence of new fads. Evidence of this was the new found fascination with "streaking."

In our daily activities our moods were best seen. Homecoming, "Sweet Charity," math class, and athletic victories each elicited varying moods. Moods of sadness, frustration, anger, enthusiasm and exhileration were just some of the moods exhibited by different people at different times.

SCHOOL BOARD HOLDS STUDENT MEETINGS

The final authority in High School District 219 is the Board of Education. Everything from budget proposals to curriculum changes turned up on board agendas this past year. The board was also responsible for negotiations with the teachers' union during the fall strike.

In an attempt to reach students, the school board held open meetings at all three schools during the school day. This was an effort by Board President, Ms. Shirley Garland, to give students the chance to discuss their most vital concerns. Serving on the board with Ms. Garland were Superintendent Dr. Wesley Gibbs, Mr. James Gottreich, Dr. Irwin Ginsburgh, Mr. George Hanus, Mr. Ben Lipin, Mr. Angelos Poulakidas, and Ms. Evelyn Rosenzweig.

PRINCIPALS LEADING CHANGE AT NILES WEST

Assisted by his directors of instruction, Dr. Nicholas T. Mannos headed the Niles West administration throughout the 1973-1974 school year. Dr. Mannos served as building principal and was ultimately responsible for the affairs of the high school.

Dr. Mannos, however, did not serve alone. Aiding him were eight directors of instruction who were in charge of one or two particular departments. These people were Mr. Richard Antes, Dr. Edward Brufke, Mr. Dennis Fickes, Mr. Dale Flick, Mr. Jerry Kupferberg, Ms. Geri Nash, Mr. Griff Powell, Mr. Harold Trapp, and Mr. John Winterhalter.

Dr. Mannos cited the staggered schedule, independent study programs, CVE, and liberal graduation policies as examples of the new trend in Niles West. He contended that communities desire progressive and changing schools. It is obvious that Niles West is meeting those desires.

GUIDANCE DEPARTMENT EXTENDS SERVICES

The Niles West Guidance Department successfully led students through another school year. Dealing with approximately 300 pupils apiece, each counselor contended with a tremendous amount of work consisting partly of schedule changes, applications for admission, and the credit-audit program. The counselors were also responsible for reporting students' grades and guiding their behavior.

September 19 marked the second Annual College Night at Niles West with colleges from all over the nation attending. This was a great opportunity for parents and students to talk with representatives from various colleges across the country. Having many schools present at one time enabled the prospective college entrant to compare these colleges more effectively.

Mr. Robert Redig supervised the use of a computer to help juniors and seniors choose colleges and vocations. Called the Interactive Learning System, this special service made information on any college or job available to students in seconds. This year the computer was accessible to Niles West students during both semesters.

The Counselling Department also provided such services as the college testing program, job information for students and a listing of scholarship offers. Once again the guidance department proved to be an invaluable asset to Niles West students

STRIKE!

The school year stopped before it started September 4 as Niles Township was hit by an AFL-CIO teachers strike. Issues involved were teachers' salaries, teacher supervision of students, teacher evaluation, and union privileges.

A settlement was reached September 9 and school started the eleventh. Included in the settlement were teacher supervision of students with nominal pay, final grades subject to review and changé if conditions warrant, the School Board decision final on probationary teachers, and experience and qualifications factors in selection of summer school teachers.

Other points included in the final agreement were salary raises for teachers, various points on class size, and expulsion of union business from the schools.

None of the strike days were made up and no teacher was paid for time missed.

OPPOSITE PAGE: The rigid picket line was broken as teachers took cover from constant rain. ABOVE LEFT: The teachers' message is clearly displayed for all who care to know. ABOVE: Strike does not necessarily mean strife. LEFT: Backs to the wind, teachers endured constant rain and discomfort to further their cause.

MATH DEPARTMENT PLAYS GAMES

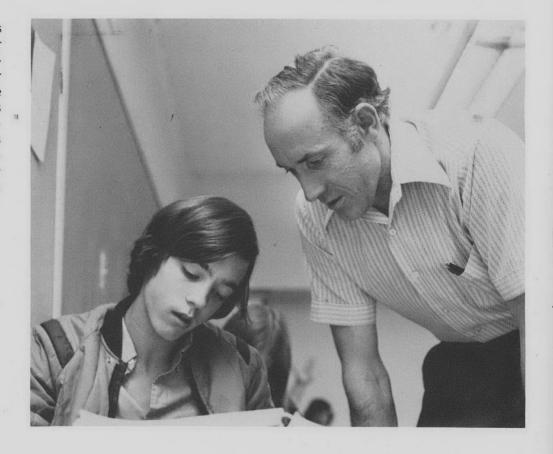

Ms. Mavis Streyffeller

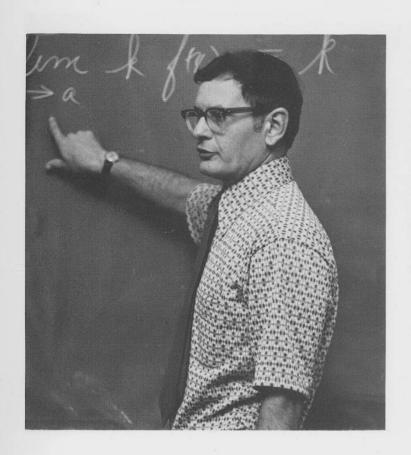

Mr. Allan Paschke

The Math Department played games this year — with their new computer doing the work. With five terminals located in the school, West's computer facilities are among the most extensive anywhere. The new Computronics Club not only put out its own publication, but also explored the computer's more amusing uses. This rapidly expanding club also utilized the new computer by solving intricate puzzles and playing many complex games.

HOME ECONOMICS REDIRECTS

The new state law requiring consumer education forced the Home Economics department to make only minor adjustments in their courses. The courses were redesigned so that the consumer learns how not to fall victim to bad practices. Budgeting, crediting and general finance were taught, all usable in later life. All Consumer Economic courses were coed, but from student response this was not evident.

Also new in the department was a third year Clothing course and fourth semester tailoring which focussed on mass production. Each student in this course functioned as part of an assembly line.

ART DEPARTMENT ON TOUR

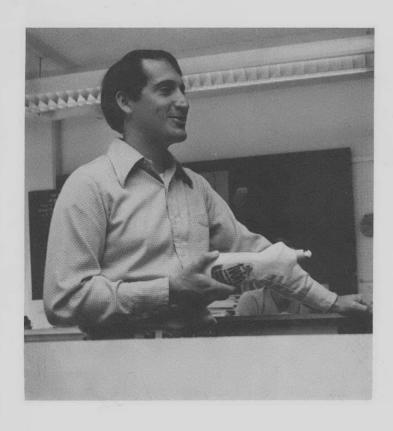

West students had a chance to acquire new skills this year in the Art Department's latest offering: Art Crafts, a one-semester, full credit course geared to developing the individual's practical talents. Students were taught to excel in macrame, weaving, jewelry making and pottery.

The entire Art Department also had a new vehicle for showing off its talents. A new display case, located just south of the Oakton Street lobby, contains two and three dimensional work. The case was purchased by the school due to a joint recommendation by the Art Department and the school environment committee.

The Art Exchange program, another new project this year, had the best art work of West students making the rounds at elementary schools which feed into West. The purpose of the tour is to acquaint the younger students with the high quality work being done at the high school level.

TRENDS IN MUSIC

West's music department offered its students some new options this year. Bach to Rock, a full credit survey course, encompasses the exploration of music's past, present, and future. Expanding the horizons of the traditional instruction courses, Instrumental Techniques included the option to learn instruments previously not taught at Niles West.

BUSINESS BECOMES PROFIT

New this year in Business Ed was the extension of all courses to five periods a week, with the exception of Office Machines, a lab course.

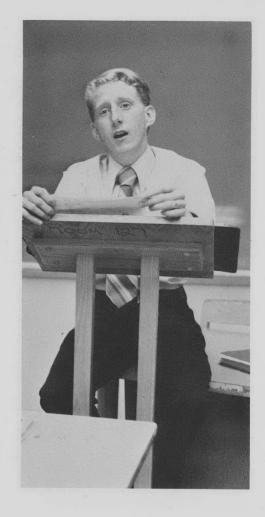

But the Business Department's favorite offering was their relatively new Enterprise course. The student who signed up for Enterprise was in the same class for three periods each day. He received credits in English, Math, and Business. The three-teacher team helped the students to produce some product or service that would be sold at the end of the year. Profitable in more ways than one, Enterprise students pocket the fruit of their labor.

SOCIAL STUDIES MOVES FORWARD

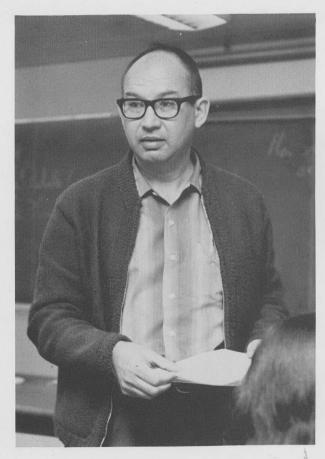

The Social Studies Department proved itself one of the most liberal and forward-looking in the school. By detracking its classes, the department kept up with current educational trends. Expanded course offerings gave students a broader selection from which to choose.

The department also stressed out-ofthe-classroom study. The Social Studies Resource Center proved a great success in its second year. Independent study was also undertaken by more students than in previous years.

Mr. William Richardson

Mr. George Earl

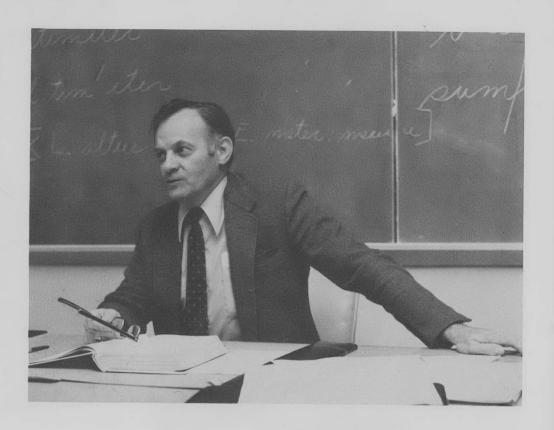

Mr. John Harmon

With more cars on the road, newer and faster cars available, higher insurance costs, and greater danger of accidents, the need for the Drivers' Education Department is obvious. Working on a new schedule, the department attempted to get more students prepared for their licenses by their birthdates. With the aid of new simulators, the department undoubtedly saved the lives of many students and other drivers by providing the necessary training for safe automobile driving.

ENGLISH TEACHERS EXPAND PROGRAMS

The English Department contributed to another exciting year at Niles West. Assisting in student productions, such as "Sweet Charity" and "Antigone," the department proved invaluable. English teachers also sponsored Forensics, The West Word, Spectrum, and Chess Club. In addition, several English teachers coached various athletic teams.

Continuing with the process of liberalization at Niles West, the English Department expanded its choice of electives. Students were given the opportunity to study English grammar or sports literature, newspaper production, or the role of women in today's society. The English Department once again proved itself a fine representation of the Niles West faculty.

To enliven the course, television was used as a teaching aid in Biology. Each week students met and produced a television program explaining and demonstrating laboratory investigations. CVE ARRIVES AT NILES WEST

Mr. Gene Volkman

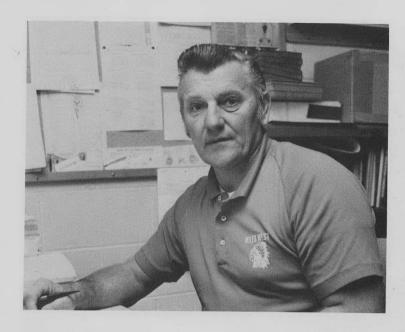

Mr. Ken Drum

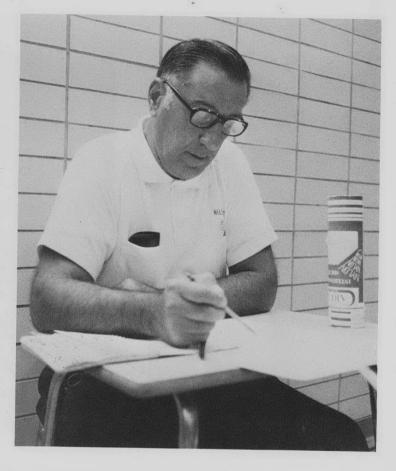

Mr. Glen Anderson

The Cooperative Vocational Education Department supplied students with the opportunity to apply skills learned in school to the working world. CVE involved on-the-job training for the student enrolled. Another aspect of CVE was the related classroom instruction. Classroom instruction was similar to other classes in that students were given assignments and were graded. Some areas explored in CVE were money managing, contracting, use of government services, applying for a job, and the job itself, including evaluation of the job experience.

NEW LOOK FOR MEDIA CENTER

The Media Center extended service this year to all facets of Niles West. Services included were the making of blueprints and transparencies and working with microfilm. The students and faculty availed themselves of these services and the equipment available in the Media Center more than ever before. Several in-service sessions were offered for the teachers to learn the intricacies of the equipment.

The new look in the main library included bright graphics, carpeting, lounge furniture, and displays of student art work. The library's collection swelled to more than 43,000 volumes during the year.

COLLEGES VISIT NILES WEST

One hundred and eighty colleges were represented at College Night, September 19. College Night gave students and their parents the opportunity to speak with representatives from schools across the nation. Students who attended were able to compare the different schools and decide on colleges without actually visiting them.

M. Zaban and B. Smolenski listen attentively as the representative from the University of Evansville talks about college life.

T. Kittaka and L. Leifer explore college literature as representatives from the Ray-Vogue Schools field questions posed by students.

PARENTS GO TO SCHOOL

The seventeenth annual Open House was a tremendous success. Parent turnout was the best ever. Open House was an excellent opportunity for parents to meet teachers and familiarize themselves with Niles West.

The enormous effort that went into the planning of Open House meant cooperation from all levels: administration, faculty and students. During Open House, the Administration made themselves available for parent comment, criticism, or questions. This year students enacted the play, "The Invisible People," and the gym department performed various athletic demonstrations. While refreshments were served in the cafeteria, parents enjoyed slides of students' art work.

English teacher Jim Johnson explains his goals to parents at Open House.

The Freshman class advisor, George Erickson, believed that the Class of '77 was the best group of students that West had seen in a long time. They showed their enthusiasm and creativity in their Homecoming float which placed third. Among their activities for the '73-'74 school year, Freshmen held a car wash which proved to be quite successful and they sponsored films in order to raise money for their class treasury. By illustrating their vim and vigor, Freshmen hoped to stamp out apathy in Niles West forever.

SOPHOMORES CLOSE GAP WITH SPRING DANCE

The Sophomore Class held a Spring Dance designed to attract people of all ages. Active in both Sports and Drama, Sophomores achieved positions usually held by upperclassmen. The Sophomore Football Team record was 8-1. Sophomore athletes worked especially hard so as to better their chances of making varsity teams next year. The leads in both the Fall Play, "Antigone," and the Children's Theater production, "The Invisible People," were held by Sophomores S. Hill and D. Schmidt. A number of crew members were also from the Class of '76.

SPECTRUM USES NEW FORMAT

A new format for Spectrum was developed at Iowa State University during the past summer when editors David Aizuss, Shari Cohen, Lori Mangurten and Barb Borenstein attended the seminars held there. Editor-in-chief, David Aizuss, efficiently directed the Spectrum staff and enabled them to produce a yearbook which included color sections, extended use of copy, and three column layout design.

ART COUNCIL DISPLAYS TALENT

Throughout the year the Art Council held demonstrations, exhibits, and workshops at local junior high schools. At these showings the members sold ceramics, drawings, paints, and various creations to earn money for different field trips. The Art Council not only visited museums, colleges, and art centers, but also went camping.

Under the supervision of Mr. Steve Richards, the Forensics Team memorized short comedy plays and serious works. They also practiced original oratorical declamations.

Car washes, bake sales, and the sale of "Drama Jock T-Shirts" were just several of the enterprises in which the Thespians involved themselves to raise money for the Mark Topol Scholarship fund. Thespians President, Mark Nessleson, introduced the ideas for a sock hop and an auction to raise monies for the Scholar-

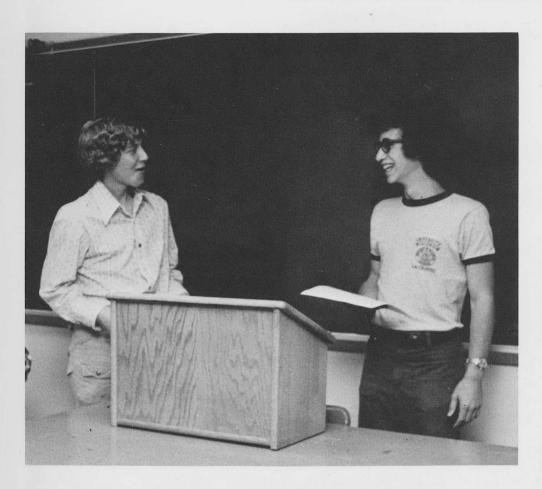

ship fund. Mr. Robert Johnson, sponsor, accompanied the group to Riverside-Brookfield High School for the Illinois Thespian Convention. Once there, they became actively involved, both in participating and viewing various plays and productions performed at the convention.

DEBATORS HOST INDIAN INVITE

Under the supervision of Coach Sheryl Leonard, the Debate team was well prepared to tackle the National Debate Team Topic for 1973-1974. The topic was worded, "Resolved: The federal government should guarantee minimum annual income for each family in the United States."

Team captain, David Herbstman, led Niles West in the many tournaments attended this year. Tournaments included those at Highland Park High School, Northern Illinois University, and Glenbrook North High School. Niles West held the third annual Indian Invitational Debate Tournament. Fifteen Novice, four Junior Varsity, and four Varsity team members participated on their respective levels.

SRA FORMS NEW SYSTEM

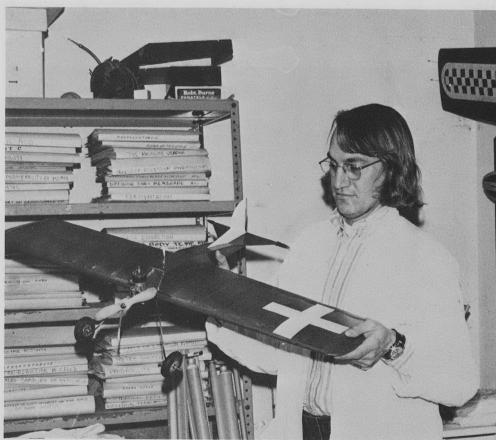

The Student Representative Assembly initiated a new system consisting of four committees: academics, policy, membership, and publicity. SRA also endeavored to establish a radio station for the Niles West community. However, because of the energy crisis, plans for the station were cancelled by the F.C.C. The job placement committee was founded to locate both part-time and full-time jobs for students.

AERONAUTICS CLUB VISITS BONG

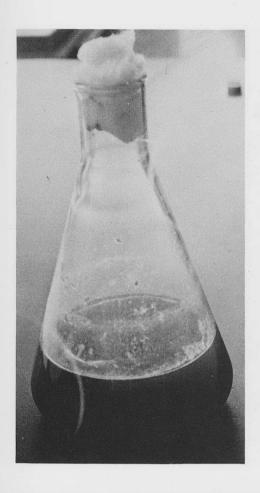

Research and development in the field of aeronautics was the theme of the Niles West Aeronautics club. Mr. Wayne Rogoski, sponsor, encouraged club members to build and design their own airplanes and rockets. This year's club project was to build a seven foot dirigible, which is a helium blimp. Activities within the club included the annual trip to the Bong Recreation Center in Wisconsin where the club members entered their creations in contests against other schools.

SCIENCE SEMINAR OFFERS INDEPENDENT STUDY

The twenty-four members of the Science Seminar readily applied themselves to independent studies in the mathematics and sciences which the Seminar offered. Mr. Glenn Dessing supervised and directed students in the development of individual research projects. These projects were entered into science fairs sponsored by the Illinois Junior Academy of Science. The state president of the Academy this year was a Niles West student, David Aizuss. Science Seminar members visited seminars at Northwestern University, and Aurora College where new ideas for projects were developed.

ENVIRONMENTALISTS SEEK CONSERVATION

Ant lions and walking sticks were some of the various species the Ecology Club members discovered during their exploration of the Indiana Dunes. In addition to the Dunes, these students visited Starved Rock in search of plant life, animals, and sandstone. In Mudlake Peatlog, Indiana, the Ecology Club members found unique plants left by a glacier. While the goal of this club was to investigate organisms in relation to their environment, the goal of the Earth Science Club was to aid in the fight for an unpolluted environment. Along with people from the community, they worked toward this objective by devoting a great deal of time in the Niles Township Reclamation Center recycling newspapers and glass bottles. Workers at the Recycling Center provided a safe, accessible ecological outlet for solid waste materials until government or private industry could be able to do so.

INS CLUB CONDUCTS STOP SMOKING SEMINARS

The INS Club developed a series of Stop Smoking Seminars for high school students who desired to quit smoking cigarettes. In addition to the seminars, they created a slide show which illustrated the hazardous effects of smoking to high school students and adults. Not only did it demonstrate that cigarette smoking can cause lung cancer, emphysema, and other respiratory diseases, but how it harms non-smokers as well. With the hope of preventing teenagers from starting a smoking habit, the INS Club established a program for health classes in high schools and junior high schools. They also developed other methods to caution students about smoking dangers.

Providing for Niles West students opportunities to learn about medical careers was the major goal of the medical careers club. Throughout the year, various health professionals spoke at their meetings. One such person was a nurse who worked in the recovery room of Lutheran General Hospital. Nurses, doctors, a veterinarian as well as a dietician came to their meetings. Not only did the group have guest speakers, but they also toured such places as Lutheran General Hospital and Resurrection Hospital. In addition to the hospital tours, the students went to the Maryville Orphanage where they delivered candy Halloween treats which they had made. Lastly, the Medical Careers Club went Christmas carolling to the Grosspoint Manor Nursing Home.

USHERETTES FIGHT MUSCULAR DYSTROPHY

Girls involved in Usherettes worked diligently in fund-raising efforts to help fight Muscular Dystrophy. With the help of Debbie Pogue, President, and Mrs. Berns, sponsor, they began their drive by selling informal stationery for Christmas. Later in the year, they had a nostalgic 1950's sock hop dance with the profits going to the charity. The club also worked vigorously at a car wash to raise money. The Usherettes sponsored a UNICEF collection in our school for Halloween. Their goal this year was \$500.00.

They also attended a German Convention at Lane Tech High School. At this convention, Niles West students socialized with German students from other schools in surrounding communities. President Steve Lewis, and Mr. George Brink, helped the club plan a Christmas party in the German Center in Chicago.

INTERNATIONAL CLUB GREETS ROCIO YEPEZ

The International Club gave interested students opportunities to learn about different nations' cultures. Highlighting the year was the introduction of Rocio Yepez, the foreign exchange student from Ecuador, to her American sisters Michelle and Julie Gettleman. The Gettleman family hosted a dinner at their house so that Rocio could meet her entire American family. The club members led by Mrs. Eleanor Parker and President Joyti Dutt, visited ethnic restaurants including Tien Tsin, which is Chinese Mandarin, and Piqueo, which is Cuban, located in ethnic neighborhoods. In addition to dining at restaurants, they went to an International Folk Fair at Navy Pier and the International Night at the Museum of Science and Industry. The International Club also hosted all of the international students from surrounding community high schools.

JAPANESE CLUB TASTES CULTURE

Octopus, squid and raw fish are just a few of the various Japanese delicacies on which members of the Japanese Club feasted. President Julie Porter, and Mr. Daniel Hill directed the students of this club in exploring Japanese history and culture. Among the events thay attended were a ballet and an opera. They sampled the cuisine at Japanese restaurants; one such restaurant was Ichiban. In addition to learning about Japanese culture in the United States, the students in Japanese Club also corresponded with pen pals in Japan.

On the Jews' holiest day of the year, the Syrians and Egyptians attacked Israel, the Jewish homeland. Thus, this war was named the Yom Kippur Day War. As a result, concerned members of the Students for Israel concentrated on assisting the fund raising efforts of various community organizations. The organizations directed the funds raised towards providing non-defense assistance to Israel in the Yom Kippur Day War. Under the leadership of presidents Ellen Lemsky and Linda Spak, and Mrs. Pamela Strassberg, the club sponsored a fund raising drive to purchase an ambulance to be donated to Israel. Among the activities held to raise money were a book sale and a garage sale. The group rallied with Niles East and Niles North to achieve the objective of assisting Israel.

FORUMS COMMITTEE SLATES CELEBRITY SPEAKERS

The Forums Committee was composed of students interested in scheduling informative speakers to address the student body and community. Among the guest speakers who appeared were a WBBM news anchorman, Bill Kurtis, a Pulitzer Prize winning poetess, Gwendolyn Brooks, and members of a religious clut called Hari Krishna. Not only did these prominent personalities address the student body, but local politicians as well. These politicians were Chicago Alderman Richard Simpson and former-Congressman Abner Mikva. Many other forums were held throughout the year.

CHESS CLUB COMPETES IN NORTH SHORE LEAGUE

Friendly competition and promotion of good fellowship were the precepts of the Niles West Chess Club. The club was a member of the North Shore Chess League. Eight other schools were also members of this league. Among these were New Trier East, New Trier West, Deerfield, Evanston, and Highland Park High Schools. Our school competed with these groups approximately twice a month. In addition to matches with other schools, Chess Club members frequently played each other to determine their rank for various league matches.

CONCERT CHOIR ELIMINATES A CAPPELLA

The A Cappella Choir was eliminated because of a scheduling change. The sixty members of the Concert Choir shouldered the responsibility of additional performances. Their first concert was called "Things to Come." The purpose of this concert was to introduce the music to be sung for the entire year. This included excerpts from Walton's "Three Carols," Brahms' "Lieberslieder Waltzer," and "Sycamore Tree," by Benjamin Britten. The Concert Choir also performed in a February Concert and at the May Festival.

VIVACE SINGS TO LOCAL GROUPS

Home preparation and memorization of music and rehearsing every Tuesday, were a few of the demands made on the girls in Vivace. Vivace specialized in singing for a variety of community groups. They made many trips to the Skokie Valley Kiwanis Club and to homes for the aged. This group sang popular tunes such as, "What is a Youth", "Close to You", and "Scarborough Fair". Kris Beere provided accompaniment, and Mr. Hugh McGee directed the singers. Vivace performed in the Holiday Festival. The singers also participated in the May Festival.

WESTONES PERFORMS POPULAR SONG

Westones was not only a Pop Group but a Madrigal Choral Group as well. One piece of Madrigal literature they sang was "Brahms Three Quartets, Opus 31" featuring subtle, lush harmony. In May they performed "Trios Chansons", by Maurice Ravell. The group started off the year by entertaining parents at Open House. They performed student arranged material at their Third Annual Pops Concert conducted by Mr. Frank Winkler. Larry Eckerling arranged popular pieces such as "If" by Bread, "MacArthur Park", and "I Feel the Earth Move". In addition to school performances, the group sang for Womens' Clubs and Senior Citizens Groups. For these groups, Westones sang "One by One, People Come Sing Together", "Magnificient Sanctuary Band", "I Don't Know How to Love Him", and "Killing me with Love".

In addition to the tour, individuals and ensembles from all groups were involved in the State Music Contest. The Concert Band served as a Marching Band at the Bankers Association Convention at McCormick Place and assisted in the dedication of the Skatium in Skokie. The Concert Orchestra combined with the string sections of Niles East and Niles North, and presented a fall concert which featured winds and vocal soloists from West. At the May Festivals the Concert Band hosted the visiting school band from Northern Valley Regional High School. Guest conductor John Paynter, of Northwestern University, directed the combined groups and the Concert Orchestra accompanied various vocal groups.

The Niles West N-Club members efficiently volunteered their services at football and basketball games by holding the guard ropes at halftime and running the concession stands. To be eligible for consideration by N-Club, prospective members were first required to earn thir Major "N". The Major "N" is an award given to outstanding athletes who compete on the Varsity level.

Once an athlete had completed this requirement, he was then subjected to a series of various initiation stunts. At the conclusion of the stunts, the athlete received his membership card and became a full-fledged member. Helping to promote the club were sponsor Mr. Richard Yanz, President Rick Schnieder, and Vice President Ron Wilson.

G.A.A. SPONSORS INSOMNIA

G.A.A. was an organization which supported and promoted girls' athletics. Sponsor Ms. Lee Heeren helped the members to organize "Insomnia", an all night athletic program for girls. G.A.A. Sports Nights were held throughout the year.

On May 30th, the Awards Tea took place, when members of all G.A.A. sponsored sports received their awards for participation. Officers in the club were President Nancy Dorfman, Vice Presidents Sue Kaiser and Maureen Coursey, Secretary Kathleen Coursey and Treasurer Maryann Fortman. The G.A.A. store manager was Julie Porter. All high school girls were eligible to enter the G.A.A. program.

PLAYERS HAVE GREAT SEASON

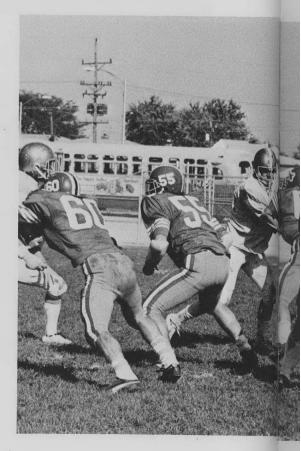

This year's Varsity Football Team was marked by quite a few outstanding players. D. Duris, R. Rosset, and D. Launhardt are among those who were selected "Savage of the Week" (outstanding defensivemen). C. Deleonardis, T. Flood, and B. Bindus were among those selected as "Tomahawk of the Week" (outstanding offensivemen). The 1973 Varsity had a great start winning their first four games, beating such teams as Sullivan and Niles North. The close loss to Maine West was the turning point for this year's Indians.

GRIDDERS GO 7-1

The Sophomore Football Team was an excellent example of a truly great squad. This outstanding team's success was attributed to the great coaching of George Earl and Richard Yanz coupled with fine ball playing by the Sophomore team players. Cary Hajduk, Mitch Harris, and Jim Heiniger led the offence while Jack McGramn, Bill Weibel, Mark Erickson displayed great defensive ability. The best games were against Maine West, in which Niles West won 16-0 and Maine South where the Indians won 34-0.

FROSH SHOW POTENTIAL

Victories that were determined late in the game were the cause of an exciting season for the Frosh A Football Team. Chuck Blumenthal gained over one hundred yardsin several games during the year. Dean Polito and Fred Kruczacki demonstrated outstanding ability in their defensive plays. Coach Ron Lamb was pleased with the performance of the team.

The Frosh B Team led by T. Amarantos, B. Rosset, and M. Spagoletti displayed late-in-the-game comebacks. Outstanding players for the Frosh B Football Team include halfback J. Speizman and quarterback T. Amarantos on offence and M. Chin on defense.

VARSITY SUCCESSFUL AGAIN

Demonstrating its superb athletic talent, the Niles West Varsity Soccer Team recorded another successful season last fall. Head Coach John Burkel attributed "the team's strong positive attitude" as being responsible for its undefeated record in division play and subsequent 12-4-1 season. Competing in the most difficult conference in the state, the varsity squad had five of its members designated as All Conference Selections. Ranked second of the 22 players named by the Central Suburban League was forward Dave Shelton for his brilliantly executed offensive efforts. Others named were the team's leading scorer Steve Soskin, along with backs Emmet Goldberg and Rich Schnurr and goalie Mike Schnurr.

WEAK OFFENSE PLAGUES SOPHS

Strategic problems led the Sophomore Soccer Team to a dissappointing 6-10-1 record for the 73-74 season. Coached by Peter Zorn in his first year at West, the team's major problem was found in its modicum of offensive strength. Although the Sophomore squad had a strong defense, its offense was insufficient to capitalize on scoring drives, leaving the team on the short end of the close games. The season was relatively consistent, with most games decided by one or two goals. Noted for their individual efforts were halfbacks Jim Mueller and Ken Schlesinger and forward Greg Spitz along with the excellent goaltending of Greg Larson.

FROSH SUCCESS VARIES

The Freshman A Soccer Team enjoyed a season unparallelled in recent years as they went undefeated in their six team division. They also won the traditional Township Championship resulting in a successful 9-4-3 record. Described by Coach Porter as "an astounding team effort", the teams success was largely accredited to top scorer Ken Jung and forwards Paul Speidel and Sinan Murathon. Contrasting with the A team's success was the B team's fiasco. The team, coached by Marv Klebba, ended the season with a 1-8-1 record despite the noted efforts of leading scorer Joe Cortez and goalie Mich Ferdman.

VARSITY WINS INDIAN INVITE

The 1973 varsity cross country team was the most talented team in Niles West's history. The team not only won their own division, but also won the Central Suburban League conference championship title. The top runners brought home a trophy from every big meet which showed their ability. Niles West has always had a good team, but this year they were considered favorites in the meets. It was also the first time in history that Niles West's cross country team defeated Maine West, Maine South, and New Trier West in the same season. The team had a winning record with superb ability displayed by co-captains Bill Gabriel and Paul Beisch. Other notable runners were Marty Hildebrand, Pete Hansen, Tom Becker, Al Sherbin, and John Edmonds. The team's record not only reflected the runner's ability but also the coaching skill of Pat Savage and the time and patience exhibited by the varsity team managers Marie Bailey and Dorothy Hoelzer.

SOPHOMORES POST WINNING RECORD

Winning the 1973 Indian Invitational was a representative of the sophomore cross country ability. Under the coaching of Pat Savage, who also was an excellent track man himself, the sophomores posted a fantastic record in interscholastic meets. The key runners on the team were co-captains Andy Heinz and Tom Zoros along with Chris Arendt, Ron Richman, Tom Schulz, and Marty Stankowicz. Coach Savage cited that many of this year's athletes had developed their running ability and improved tremendously as the season progressed.

FROSH WIN INDIAN INVITATIONAL

As interscholastic winners, the 1973 freshman cross country team exhibited much ability. The team placed high in most of their meets, which included a first place in the Indian Invitational and a second place award at the Zion-Benton Invitational. The team's success was due to the running of Bob Tolan, Bill Gabriel, Don Sandberg and Steve Gelfman. The ability of the runners was brought out by the excellent coaching of Ron Campbell. Coach Campbell was commemded by his team for teaching each of them the fundamentals of cross country running. He did his job well, as the teams' record clearly illustrates.

GIRLS WIN DIVISION TITLE

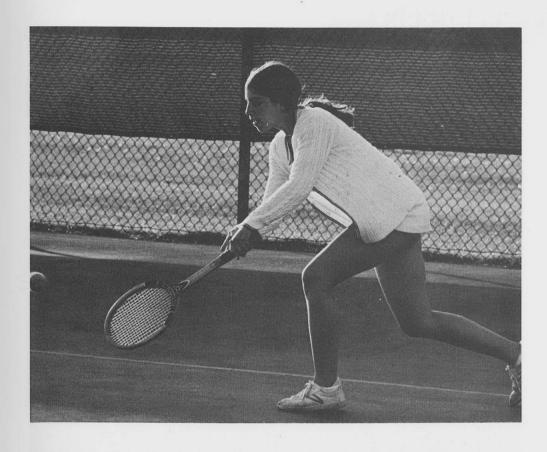

The 1973 girls' tennis team captured the championship title of their division in the Central Suburban League. This years success was due to the many dedicated and hard working athletes. Among the outstanding singles players were Jamie Hecktman, Sue Ash, Sharon Simon, and Nancy Dorfman. The most talented doubles team was comprised of Pam Beswick and Shelley Kahalnik. The other doubles teams were Janet Schiller and Barb Gump, and Joanne Bernstein and Abby Brody. The team's excellent record not only reflected the girls' ability but also reflected Mrs. Myers' coaching adeptness. Because of her tennis knowledge she was able to teach the girls a lot about the game.

1973 proved to be a year of limited success for the Girls' Swimming Team. However, the team did have five exceptionally fine athletes. Peggie Lovelady proved to be a superb freestyle swimmer; Joy Cameron and Marly Ettling were the top breastrokers; Cindy Speidel led the butterfly squad and Nancy Stec was the team's excellent backstroke swimmer. Coach Buns did her best to develop the skills of these five girls and judging from their individual records, she did her job well. Mrs. Buns was respected and admired by the team because she helped all the girls improve. Although the team's record was only mediocre, the swimming and diving teams were extremely talented.

INEXPERIENCED VARSITY PERFORM POORLY

Hampered by a lacking of experience and positioning problems, the Varsity Basketball team faced a tough winter season. With Marty Block being the only starter from the 72-73 season, the varsity team was mostly composed of young and inexperienced players. Coach Bill Schnurr along with assistant Coach Robert Murphy, noted the team's problem in filling the center position and its offensive inconsistency. Despite these problems and several injuries, the Varsity squad was able to capture second place in the Niles East Holiday Tournament. Marty Block was the team's high scorer.

SOPHS FOLD UNDER PRESSURE

The Niles West Sophomore Basketball team turned a potentially good season into a mediocre one. After its victory over Zion in the first game of the season, the only other highlight occured when the team won the consolation trophy of the Notre Dame Sophomore Tournament. Coach Gene Earl described the team's poor showing as being a result of "a lack of shooting ability and speed." He also noted the team's lack of composure, which caused the Sophomores to lose easily under pressure. Forwards John Brunner and Jim Ekenberg were the team's high scorers.

However, the team's highlight occured when the A team took the consolation trophy at the Notre Dame invitational in the early half of the season. On the other hand, the Freshman B team repeated its success of last year by winning the conference championship again. Coach Ron Lamb attributed the season's success to the "speed and aggressiveness of the players, along with their excellent shooting ability." Larry Atsavas was the team's high scorer.

The team was led by captains Mark Hosfield, Tom McClean and sophomore Bart Conner. The team was fortunate to have Bart because he was one of the best all-around performers and earned one of the highest awards in the state championship meet.

SOPHOMORES STRIVE FOR CONFERENCE

The sophomore gymnastics team posted an excellent record and strived for the conference championship title. The team was led by the superb coaching of Mr. Lewis Petit. Coach Petit stressed the importance of sportsmanship and good team morale. Coached by Judy Sloan with assistance from Jean Armour, the team was considered to be among the top five teams of the twelve in the conference. The team's major weakness was found to be its lack of experience and the fact that the team contained only one senior. However, the young team was able to overcome, this weakness through hard work, which led to a winning season. The major contribution to the team's performance was all-around gymnast, Judy Miller, who received conference recognition. HOMECOMING BOOSTS INDIAN SPIRIT

Homecoming '73 was initiated with the Pep Assembly which was held Wednesday, Oct. 10 in the main gym. The enthusiasm of the spectators persisted Friday evening at the twilight Pep Rally. Following the Pep Rally was the third annual Ice Cream Social.

Saturday's festivities began with the colorful parade which was followed by the varsity football game. Half-time activities included the presentation of the homecoming queen and court and awards for the most unique floats. Entertainment was provided by the cheerleaders, pom-pon squad, and the Niles West Marching Band.

The exciting week was brought to a close Saturday night with the Homecoming Dance. Music provided by the Bob Miller Sextet added to an evening which proved to be "Moments To Remember" for all.

A SMALL INTIMATE CEREMONY REFLECTS THE THEME OF MID-TERM GRADUATION

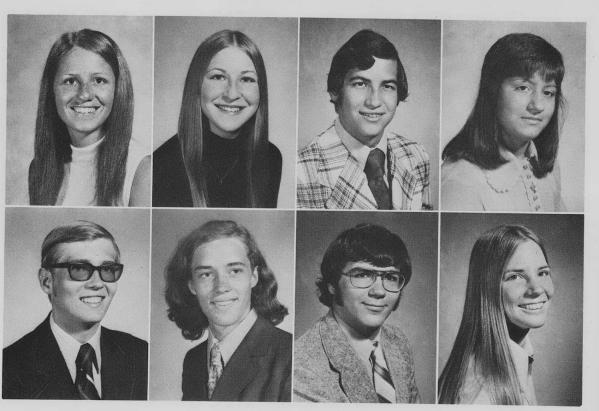

In January, during an informal ceremony, 104 Niles West Mid-Term graduates received their diplomas. The Senior Class Committee and the midterm graduates decided to eliminate long speeches and other formalities during the ceremony. Although there was neither a long procession of students, nor wearing of caps and gowns, still the emotional impact of this final gathering was displayed on the teary and joyful faces of the departing graduates. They knew that one memorable episode in their lives had come to an end.

SENIORS SEE GREAT CHANGE IN STUDENT SCHEDULING

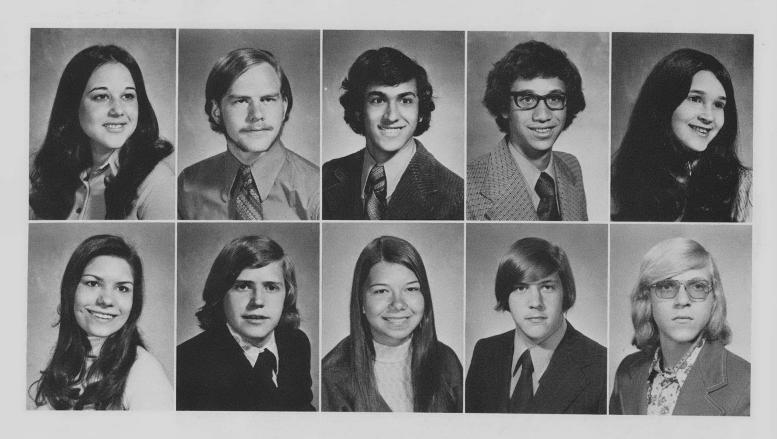

During their freshman year, students who are now seniors sat through study halls, which were abolished during the second semester of that school year.

As freshmen, the present seniors had an eleven period day. As sophomores, the shift in scheduling became a working policy, with the juniors and seniors going first period through eighth period, and freshmen and sophomores going third period through tenth period. This change in scheduling enabled the older students to hold jobs, to have more time for team athletics and other extra-curricular activities. It also helped to avoid congestion in the school.

In their sophomore year, credit-audit came into being. Upperclassmen elected this program because they felt that this was as opportunity to try difficult subjects or ones they would not choose otherwise for fear of receiving a low grade.

We Remember Our Coach

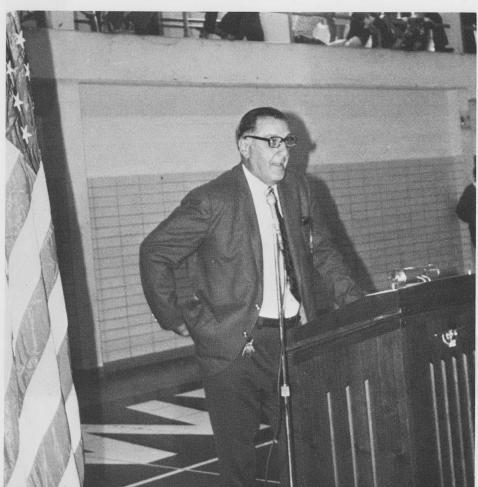

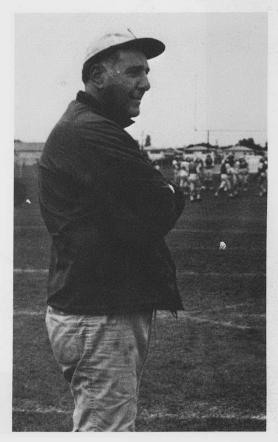

The best football coaches were once outstanding players themselves, and Michael Basrak was certainly no exception to this statement. When Basrak attended Duquesne University, his talent earned him the distinction of being All American Center in 1936. His football career did not end in college; he played pro-football for the Pittsburgh Steelers for two years. Unfortunately, knee injuries forced him into an early retirement.

Since his love of football was so strong, Basrak became a high school coach just prior to World War II. His coaching position was abandoned, temporarily, so that he could become a Chief Petty Officer in the U.S. Navy.

At the close of the war, he went back to coaching. After having successful teams in Ohio and Kentucky, he came to the Niles Schools in 1954. By 1961, he had moved to Niles West, where he had many great seasons. In 1961, his team was League Champion, in 1971 he led the team to Central Suburban League Championship, and in 1972 his team was the Division Champion. Niles West was certainly fortunate to have such an excellent coach as Michael Basrak. His death in December 1973, was mourned by students and faculty, and all realized that his absence created an unfillable gap in the school community. However, his spirit and enthusiasm lives on in the school that he loved.

IN MEMORIAM

From wind to wind, earth has one tale to tell;
All other sounds are dulled, and drowned, and lost,
In this one cry, "Farewell." —
