Six Nilehi Students In Keen Teen Week

"Keen Teen Week" came to the Chicago area on February 28, according to a proclamation by Mayor Martin Kennelly.

Because of Nilehi's participation in the Daily News Keen Teen Press Club, six students and two teachers were chosen to represent Nilehi in the week's program.

James Kennedy, chairman of the Junior Council, and Bob Richter, chairman of the Sophomore Senate, met with Mayor Kennelly, Superintendent of Schools Hunt, and Police Commissioner Prendergast earlier this week. In this meeting the Teens were asked to express their views on topics of interest to both parties.

Bill Graefen, president of the Senior Cabinet, along with other senior-class presidents in the area, exchanged views on government with Governor Adlai Stevenson early this week.

Nilehi's Keen Teen representatives, Mary Morse, Sandra Ravencroft, and Rick Tamburino, seniors, with Mr. George Roth, Hi-Y sponsor, and Miss Helen Heitmann, G.A.A. sponsor, and parents of the representatives met to discuss pet peeves, problems and such in order that a better understanding might be brought about through such a discussion.

The last program of the week will be similar to former Keen Teen interviews, with James Stewart a probable candidate for the questions.

Science Club Experiments End In Burst of Flames

"Chemical Magic" came to Room 315 in a series of experiments exhibiting oxidation reactions presented by Ed Archibald and Fred Gatter to the Science Club of Niles Township High School, on Friday, February 18.

Ed explained, "The purpose of these experiments is to show how oxidation reactions are developed and used in industry."

The experiments with combustion were of a more violent nature resulting in a great deal of smoke and bursts of flames.

This was another of several educational meetings of the Ni Hi Sci club planned throughout the year.

English Teacher Takes Part In Three Panel Groups

Mr. Paul M. Eberhardt, Nilehi journalism and English teacher, took part in two panel discussions on February 23 and 24 in Park Ridge and Evanston respectively. These meetings were sponsored by the Lake Shore Division of the Illinois Education Association.

Mr. Eberhardt will also be on a panel

Boys', Girls' State Story Told Juniors

"Go if you get the chance."

That was the advice given by Ed Beebe and Elaine Esch, two seniors who spoke before a junior assembly on Friday, February 18, about their experiences in Illinois Boys' and Girls' State last summer.

"Besides learning about our government and its functions," said Ed, "we learned how to get along with other people."

While in Washington attending Girls' State, Elaine met such famous people as President Truman, General Bradley, and Senator Taft.

The purpose of the assembly was to acquaint the juniors who may some day go to Boys' or Girls' State with its activities and functions.

Niles Hi-Y Discusses Dating With Evanston Y

The Nilehi Hi-Y organization met for a panel discussion with the girls Blackwell Club of the Evanston Y. M. C. A. on February 15. The discussion was centered on the topic "Dating and Mating." Father Alderson from Evanston acted as moderator.

The Hi-Y has elected new officers: Ward Nipper, president; Roy Nelson, vice-president; Bob Hicks, secretary; Mike Henry, sergeant-at-arms; and Bob Peterson, chaplain.

New members were inducted on Sunday, February 27. After the ceremony, tea was served.

Lay Plans for Junior Prom; Council Sets Date for June 4

Less than five months from now and the main topic around Nilehi will be the Junior Prom, the annual sproing formal dance sponsored by the junior class in honor of the seniors.

According to Miss Margaret deBooy, class adviser, and Jim Kennedy, student chairman, the junior council has plans under way.

Although the committees have not been organized, the time and the place have been set. The prom will be held on June 4, in the Crystal Ballroom of the Edgewater Beach Hotel.

on March 31 at the sectional meeting of the North Central Association of Colleges and Secondary Schools to be held in the Palmer House. "Incentives for In-service Training of Teachers" will be discussed.

'Reflections' Show Tonight

"Though April showers may come your way, They bring the flowers that bloom in May.—"

No, you may not hear this exact tune; it's just a way to attract your attention to Reflections Revelry—so here goes!

It's going to be in the theatrical setting this year of old-time vaudeville instead of the previous plan of a booking agent's office, according to Mr. Ronald Van Arsdale, director. The audience at this school talent show will be greeted on performance night by a huge old-fashioned proscenium drop, showing a street scene with ancient advertisement.

The acts, which were announced Monday, February 14, are many and varied. They include singers, monologists, tap dancers, magicians, instrumentalists, barbership quartets, and blacked faced comedians.

"Reflections Revelry" is scheduled for tonight, Friday, March 4. Proceeds are to be used to help finance the Nilehi yearbook.

The list of performers include: Theresa Margalski, Lenny Maier, Bea Borne-meier, Ken Gengler, Jim Dilly, Bill Van Horne, Nancy Thiell, Joanne Day, Mary Morse, Ellen Patzke, Mari Cysewski, Edith Walther, Rose Marie Denk, Joan Willert, Rosemary Shuman, Shirley Ostrom, Barbara Paulson, Dorothy Hartigan, Eleanor Dyrssen, Frances Tomczak, Mary Jane Netwig, Patty Meyer, Bill Perrin, Howie Baumhardt, John Haut, Bob Hicks, Conrad Cornell, Roy Nelson, Ward Nipper, Jean Votava, Dan Winger, Junarden Williams, Jerry Heflin, Evelyn Hartis, Paulette Minx, and Bill Fishback.

Nilehi Red Cross Drive Planned from March 7-11

the national Red Cross Drive for funds. This year more money than usual is needed because of the terrific storms in the west, according to Miss Alice Line, sponsor of the drive.

Nilehi is again asked to do its part in this campaign by giving up that extra soda money. Contributions will be collected in the home rooms during the week of March 7-11, Miss Line says.

The drive is in charge of Judy Larson. Others on the committee are Elaine Loeding, Jean Kelly, Elaine Lange, and Angela Vosnos.

'Nights of One-acts' March 18-19

The four one-act plays to be held in the assembly at Nilehi the evenings of March 18 and 19 are cast through the drama and radio classes and "Spotlighters" dramatic club this year, according to Miss Virginia Stemp, drama teacher and director.

Most of the tryouts held after school were those for the act put on by the Spotlighters. Practice for the next three weeks is worked out in similar arrangement as the tryout schedule.

Meet This Semester's Line of New Students!

By Audrey Nordlof

Something new has been added at Nilehi! We've noticed many new faces in the halls, and thought you'd like an introduction!

If you've noticed a new student with that "far-away" look in her eyes, it's probably Carol Ann Piastrelli, sophomore, who has returned to Nilehi after spending a year in Glendale, California. The school in Glendale, a suburb of Los Angeles, is much larger than Nilehi, and built in Spanish style. "It's nice to be back," Carol says, "but—I miss California! The weather, too."

"It's terrific!" That's what Lois Lasher, sophomore, thinks of Nilehi. Lois, who was transferred from St. Scholastica High School in Chicago, particularly likes her biology class. She answers to the name "Red."

If you see someone trying to run a Plymouth up a tree, it might be Janet Sandberg, junior—she says it's a favorite, but painful, habit of hers. Janet comes from Maine Township High School, and brought with her plenty of that "Glenview personality!"

Have you seen two slightly bewildered freshies roaming the halls? Very likely it's Gilbert Bonebrake and Bruce Bartleson, who graduated from Sauganash and Gale schools in Chicago in January. They say high school is perplexing but fun! So far they've had little trouble except for getting into wrong classes, and they find it's not so rugged being a mid-year freshie!

It's quite a life, having your program changed five times in two days, especially when it's your first two days at Nilehi! That's what happened to Judie Gunnarson, freshman, also a January graduate from Sauganash school, but now that she's getting settled she really likes N.T.H.S. Her hobbies are drawing

and horse-back riding. (Saddle club take note!)

Nilehi has one thing that Roycemore, a private girls' school in Evanston, doesn't have, according to Lesley Huettman, sophomore—"Boys"! She also says N.T.H.S. seems very big in comparison. Lesley likes horses too—could be 'cause she spends her summers on ranches out West!

Foreman High School in Chicago gave us two new students this semester—Winifred Bodinus, sophomore, and Nancy Grund, freshman. There isn't much difference between the two schools, except that Foreman is somewhat larger, but they have one thing in common—nice swimming pools!

"Join the Navy and see the world" might be revised just a bit to read "Have your dad join the Navy, and see the world" for Betsy Ashford, freshman. She came to Nilehi after living in California, Rhode Island, Georgia, Virginia, and Evanston. (She was born in Panama!) Her father is a Navy captain. Betsy likes to play the piano, and also likes ice cream, the kids at N.T.H.S., and, in particular, shy boys!

New in the junior ranks is Art Marshall, who came from St. John's Military Academy in Delafield, Wisconsin. He shouldn't be hard to identify with his dark curly hair! He likes the kids at N.T.H.S. very much. Other likes are indoor sports, "Temptation," by Fred Waring, big cars, steaks, and short girls with dark hair, blue eyes, and personality. When he first came here he was rather lost and walked into the wrong class five minutes late. The teacher, who was substituting, didn't know he didn't belong there, and when Art explained that he was a new student, the teacher said, "Don't give me that old line!"

If you track down that Southern accent you've been hearing, it might belong to Barbara Waite, sophomore, who hails from Millington, Tennessee. Barbara has done some moving around too—her father is a Naval Comander and she says schools here are much harder than in Tennessee. Her pet peeve is that there are never any lights on by her locker, and she also dislikes gossiping girls. Sports and horseback riding rank high with her since she owned a horse in Tennessee. Her dream man? Tall, brown hair, two eyes, a nose, and a mouth!

But Waite—here's another! It's Barbara's brother Larry, a junior, better known as "Woman-hater." (Give him time—he hasn't been at Nilehi long yet!) Larry likes sports, and played football and basketball back down near the "Mason-Dixon Line." He also likes classical music, but his hidden talent as a vocalist has been unearthed only once. In an English class in Tennessee, his teacher said that if he'd sing a solo, she'd let the class out early for lunch. (P.S.—He sang—and they got out early. Will all Nilehi teachers please take note?)

SHORT CUTS

One of the inmates of the Cook County Jail tried to return to society via the Nilehi See Chicago club when the club visited there recently. The prisoner tried to enter an elevator with the group, when an open-eyed guard asked him where he was going. He replied, "To the laundry," apparently forgetting he still had three doors to pass! But the guard stopped him, and the Nilehiers left without any additions to their party.

With graduation coming up soon, the office is busy making up the academic rank list of the senior class. When completed, each senior will be shown his own rank, which is based solely on his scholastic achievements. Lucky the senior ranked first in the class!

To find their personality ratings, the seniors were asked to write down as references, their home-room teacher's name, a teacher who teaches a major sequence, and a teacher who teaches a minor sequence.

These confidential ratings will be kept in the school office for the use of future employers and college administrators who may request personality estimates of graduates of this school.

Dean Whitton, Fred Gatter, and Bill Campbell have passed the mental and physical tests for the N.R.O.T.C. They are being recommended for the all-state list, and will know later in the semester if they are finally accepted.

Colleges which have seniors at Niles interested in them are sending representatives to the school. Colleges represented so far have included Harvard University, Lake Forest College, National College of Education, Beloit College, Illinois College, and many others. Personal appointments with the college representative of your choice may be made with your home-room teacher.

There's a definite "New Look" to the French Club this semester. The members of the club elected new officers, who plan to hold all meetings "en Francais."

The officers, according to Mrs. Anne Curl, faculty adviser, are Joan Harrer, president; Marilyn Martin, vice-president; Faith Rosche, secretary; and Phyllis Elliot, treasurer.

Mrs. Virginia Tefft, of the office staff, left Nilehi last Monday after working one year as registrar.

Mrs. Florence Keppeler recently began part-time work at Nilehi as assistant bookkeeper and cashier in the cafeteria. Frank Keppeler, her son, is a freshman at Nilehi.

Mr. Van Arsdale, Nilehi English teacher, appeared in the Glenview Players' production of "Our Town," by Thornton Wilder, Friday and Saturday nights at the Glenview Junior High School.

The Schnook Book

Holiday, Schmoliday—Who Cares!

We certainly have been celebrating quite a few holidays around here lately—two few, to be exact. Yes sir, Washington, Lincoln—have you ever noticed that all famous men have had their birthdays on holidays?

Watching at the Keyhole

You know, I have a feeling that we are not trusted. Yes, you and I, Number 108158. Everywhere we go, we are watched. It's almost impossible to get into the girls' locker room any more.

I'll Be Glad When You're Dead, You Rascal, You

English teachers travel in pairs, And sometimes carry a gun. It's not because they're buddy-buddy, It's for their own protecshun.

Someone Open a Window

Where I come from, people are so bashful that when someone says "Hello," they just can't seem to think of an answer.

You Bet!

Gee, things are certainly dull around here. I think I'll go over to the barber shop and watch a few haircuts!

This 'n' That -

SONG OF THE WEEK: "All Right, Louie, Drop That Gun!"

SAYING OF THE WEEK: Only 35 days until spring vacation!

SIGHT OF THE WEEK: The Waukegan Regionals.

QUESTION OF THE WEEK: "Who are you taking to the Gold Rush?"

Astonishing as it may seem, Caryl Story, Nilehi freshman, has been skating only three years. A long line of achievements follows her short period of practice. Caryl was one of the nine members of the Figure Skating Club of Chicago who were selected to perform at the La Grange Ice Carnival held recently at Gilbert Park, La Grange. She also has skated in an exhibition at Indian Boundary Park, and as a member of the Figure Skating Club, in the Times Charity Show in Chicago.

When Miss Stemp recently bought a '37 Ford, she proudly told the faculty members who drive her to school that she would be getting to Nilehi in her own car from then on! They told her they'd come by just in case. Miss Stemp laughed. But, you know the old proverb, and on a snowy morning just as Miss Stemp was about to drive off, the windshield wiper fell off and the waiting faculty had its laugh!

Just a thought: The world is full of human beings, but why don't some of them try being humans?

'Nilelo,' The Nilehi Mouse Gets Sneak Preview of Show

I'm a small, grey mouse named Nilelo and my home is in Nilehi.

Not long ago, as I was chewing on an apple core near the cafeteria steps, I saw some students coming down the hall. When they came closer I noticed Rosemary Shuman riding in a wheelbarrow. I hopped on with her and soon found myself in the assembly. I like this room and it wasn't long until I'd found a half-eaten candy bar to munch on. However, I soon lost interest in the canary as the activity on the stage became more and more interesting.

Jin Dille (the "My Old Flame" boy) dressed in a turban and fancy red costume was waving colored scarves. Joan Willert in overalls and "Lil' Abner" shoes was pushing Rosemary Shuman

in a wheelbarrow. Mary Morse, Ellen Patzke, Joanne Day, and Nancy Thiell were running around two in a coat. Bob Hicks was playing the piano with gloves on. Edie Walther and Rosie Denk, looking very sophisticated and glamorous in bathing caps, were singing "I've Got a Crush on You."

This all seems different from the usual activities that go on around Nilehi but I gathered from the conversation that this was a rehearsal for "Reflections Revelry" under the direction of Mr. Ronald Van Arsdale.

Several of the seniors would like to know why Mr. Betts never got to sing with the barber shop quartet at the Senior Valentine Party. Seems he was anxious to get up there and sing!

Trojan Tankers Close Season with Morton

First row, left to right: Phillip Smiley, Bill Waters, Bill Nickel, Gordon Smale, Dick Provost, Dennis Joyce.

Second row: Coach Anton Schubert, Bob Lindahl, Don Brod, Don Brock, Delbert Whitney, Roy Holmes, Peter DeVries, Elmer Wagner, mgr.

Varsity Swimmers Whip Waukegan, 36-35; Frosh - Sophs Drown Waukegan and Morton

One point seems to be the favorite margin of victory or defeat in Nilehi's winter sports program. As an example, the varsity swimming team defeated Waukegan High School, 36-35, on February 15, at Waukegan. The Trojan tankers, then, fell to Morton, 38-37, on February 21, in their last meet of the season.

At Waukegan, Bob Lindahl set a new school record in the 200-yard free-style in the time of 2:24.8 minutes. Bob also took a first in the 50-yard free.

In the Morton meet, Lindahl swept the 50 and 100-yard free-style events. The medley team of Don Brod, Dennis Joyce, and Dick Provost, received first place honors.

Provost swept the competitive diving in both meets.

Nilehi Sixth in State Meet

In the Illinois State Prep Swimming Meet, held at New Trier High School in Winnetka on Saturday, February 26, Niles Township High School finished sixth in a field of 32, with a total of seven points.

Out of the ten boys from Niles that went to New Trier, Dick Provost, Delbert Whitney, Bob Lindahl, Jim Rugen, Dennis Joyce, Don Brod, Bill Nickel, Charles Lind, Don Ebert, and Roy Holmes, only two qualified on Friday and placed on Saturday.

Bob Lindahl, Nilehi's fastest crawler, placed third in the 50-yard free, after qualifying second, and fifth in 100-yard free style.

Dick Provost, Nilehi's ace diver, qualified third and on Saturday fought to hold this position to be rated third best prep diver in the State.

Capturing four first places, the Nilehi frosh-soph tankmen swam to another victory, 34-32, in a meet held in the Waukegan pool, February 15.

The frosh-soph swimmers came back to swamp Morton High School, 46-16, in the final meet of the season, February 21, in the Nilehi pool.

Waukegan Downs Niles, 47-39

The Nilehi varsity basketball team fell to the Waukegan Bulldogs, 47-39, in the regional tourney at Waukegan High School, Wednesday, March 2.

The Trojans trailed by 10 points at the half. Nilehi could gain only one point on the Bulldogs in the last quarter of play.

Lettermen Form "N" Club

Niles Township High School now has a Letterman's Club called the "N" Club, made up of all the boys who have won varsity letters in athletics at Nilehi.

The purpose of the organization is to increase and maintain school spirit, increase interest in all extra-curricular activities at Nilehi, and to work in coordination with the athletic department.

Mr. James Phipps, Nilehi coach and instructor, and Mr. Harold Isaacson, athletic director, will serve as faculty advisers for the "N" Club.

At a meeting held Friday, February 11, for the purpose of electing club officers, Ed Beebe, senior, was elected president; Jim Kennedy, junior, vice-president; and Bill Graefen, senior, secretary.

One of the important functions of the "N" Club will be the formation of special

York Falls to Niles; Sophs Falter, 25-17

Ending their 1948-49 home-game schedule the Trojan varsity cagers crushed their second opponent from the West Suburban Conference. York High of Elmhurst found themselves on the short end of a 48-23 score on Friday, February 18, in the Nilehi gym.

In the team's third victory in four games, Coach Robert Mackey used 18 Trojans in the contest. The first-string boys completely smothered York for three periods and held a 40-15 lead at the close of the third quarter.

Jesse Porter scored 15 points, Fred Brei 11, and Ed Beebe 10 before they left the game. Trojan subs finished out the game to win 48-23.

The sophomore basketball team from Niles Township High School fell to York High School, 25-17, on Friday, February 18, at Niles.

Cadets Down Varsity, Sophs

Marmion Military Academy defeated the Nilehi varsity cagers for the second time this season, 53-47, Friday, February 25, at the Academy. Ed Beebe scored 22 points for the Trojans, while Fred Brei followed with 14.

The Nilehi sophomore cagers dropped their final game of the season to the Marmion Cadets, 35-21, the same evening.

Swimming

Something new has been added to the girls' swimming classes in the form of a musical background.

Water carnival scenes are well under way. While the cast was doing some 'land practice,' one freshman girl thought she was doing a dry swim. When corrected she asked, "Is it dry dock then?"

Cheerleading

The 1948-49 cheering squad will cheer for the last time this year at the Waukegan Regionals. A new class for prospective cheerleaders will be started soon. The class will be conducted about the same as last year with competitive eliminations.

G.A.A. Tidbits

Congratulations, junior girls, for winning the basketball tournament. They won 5 out of 5 games. The senior one team came in second with a 4-1 record; sophomore one team, 3-2; freshmen, 2-3; senior two team, 1-4; and the sophomore two team, 0-5.

Barbara Heim, freshman, was the high scorer with 49 points to her credit. Helen Nachbauer and Pat Walne, juniors, racked up 38 and 26 points, respectively.

committees, made up of club members. These committees will meet with the various coaches at the end of each athletic season to choose letter-winners.
