Attending Niles North is an experience not only in education, but also an experience in personal enrichment. A well-equipped physical plant and outstanding faculty and administration mark this high school with distinction. Yet, Niles North is a working part of the community, not an isolated scholastic enterprise. Niles North is alive with intellectual challenge and personal vibrance. It prepares its students with knowledge, not only of a theoretical but also of a practical nature. Niles North is in "The Shuffle of Life" . . . and the game has just begun.

Administrators Work Behind The Scenes

Dr. Clyde ParkerDistrict Superintendent

To the Students of Niles North:

I extend my good wishes and congratulations for your fine achievements during the 1966-1967 school year.

Especially may I extend my best wishes to those who are to be graduated this year. I'm sure you will continue to pursue your goals in the years ahead of you.

The stature Nilehi North is attaining is due largely to the efforts of the graduating class. What you have accomplished and will accomplish in your lives affects your high school and benefits the community as well as countless students for years to come.

May you always strive to serve your fellowmen to the best of your abilities.

Sincerely yours,

Clyde Parker Superintendent of Schools The success of any school system in providing quality education depends on people who the students seldom see. We at Niles are fortunate in having a most interested and effective Central Administration. The professional head, Dr. Clyde Parker, has for the past eight years directed the educational and financial course of a growing school system. With the aid of his assistant superintendents, Dr. John Harris and Mr. Merton L. Haynes, Dr. Parker has pursued an active program.

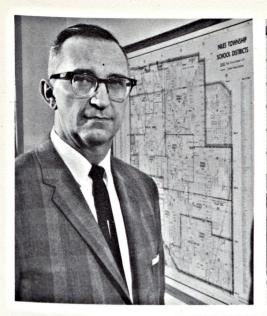

The vast variety of programs and services afforded to the students must be administrated by competent and imaginative directors. The Niles system has just such a staff. They work together efficiently, setting the highest standards as their goal.

Citizens Serve Community

The Board of Education is deeply concerned with every factor that goes toward providing successful instruction in the Niles Township High Schools. The Board has the responsibility for approving textbooks, formulating the annual budget, and hiring school personnel. Working closely with administrative and teaching faculty of the schools, it examines and seeks answers to the many problems which arise in a large school system serving a developing area. Composed of seven members who are elected by the citizens of Niles Township and meeting once a week to evaluate and act on the matters important to the management of the schools, the Board is an example of citizen leadership in action.

PTA Acts As Happy Medium

The Parent-Teacher Association is a medium through which residents of the school community can unite their efforts to create a better learning atmosphere for young people. Our P.T.A. publishes the monthly newsletter, Northern Hi-Lites, in which it informs the reader of the many special functions the P.T.A. offers in addition to such annual events as class level teas, open houses, and parent education sessions.

Booster Club Rallies To Support Teams

Lending support to the excellent athletic program at Northi is the Niles North Booster Club. Besides such material things as sponsoring athletic banquets and providing the Most Valuable Player awards in each sport, the Booster Club supplies a nucleus around which parents and other adults can rally in support of our teams.

Booster Club: **Standing**: Mr. E. Turin, Mr. T. Carlson (Treasurer), Mr. R. Anderson, Mr. W. Robinson. **Seated**: Mrs. J. Bassuk (Recording Secretary), Mr. S. Friedman (President).

Niles North Administrators Set Goals

Gilbert R. Weldy Principal, North Division

TO THE STUDENTS OF NILEHI NORTH:

This has been another memorable year for all of us who have worked and studied here at Nilehi North. Our excellent yearbook, the SAGA, will help us relive the experiences which we have had. It will help us relive the memories of all the joys and heartaches of high school student life in 1966-1967.

I want to use this opportunity to thank all of the students at Nilehi North for helping make my first year as your principal a most satisfying one. We have made progress together as a student body and staff toward making our school a truly outstanding one. The potentialities here are unlimited, and I look forward to working with all of you toward helping our school become one of which we can all be proud.

The reputation of our school is growing. The true stature of a school depends upon the success of the graduates which it produces. We are especially proud of all of our graduates of the class of 1967. We have confidence that they will bring honor to Nilehi North through the success and accomplishments that they have in their life's pursuits. To all of the graduates of the class of 1967, I join in wishing you this success and happiness.

Sincerely,

Gilbert R. Weldy Principal The Niles North administration helps to prepare the student body for the future by encouraging the faculty to set high academic standards for the students. Our administration strives to help each student receive the best possible education by trying to improve parent-teacher relationships and exploring other avenues to aid the educational processes.

Niles North is pleased to welcome Dr. Gilbert Weldy as the new head of our faculty. In his first year as principal of our school, he has shown great concern for the students and much administrative skill. Dr. Weldy forms the core of the network which keeps Niles North running smoothly and efficiently.

Hall Directors Divide Responsibility

Mr. George Baptist
Director of Hall B

Dr. Daniel Sullivan

Mr. Wayne Flamme

Niles North is distinguished from other schools in the country because it is one of the few with a hall system. Each of our four halls, A,B,C, and D, functions as a small school within a larger one and is guided by a hall director. Aside from his function as chief administrator of his hall, each director has other duties which pertain to the entire school. Mr. Jerrold Salek, director of

Hall A, is in charge of all athletics and student transportation. In Hall B, Mr. George Baptist manages student activities and building usage. Hall C's Dr. Daniel Sullivan supervises the guidance and library departments while Mr. Wayne Flamme, in Hall D, looks after student attendance and the textbook center.

In school, the people with whom the students come most in contact, on an adult level, are their teachers. The teacher not only conveys facts to the student but teaches him to search for knowledge on his own. In addition, he shows the student how to express his ideas so he can communicate with others. He helps the student develop his potential fully. The Niles North teacher is always innovating, using new tools and methods such as audio visual materials and team teaching. Another important facet of the teacher's work is the time spent after class in extra-curricular activities. The teacher by means of clubs, teams, and organizations brings out the talents of the students, gives them a broader point of view, introduces them to new fields, and thus offers the students a fuller and richer school life.

Reading and Discussion

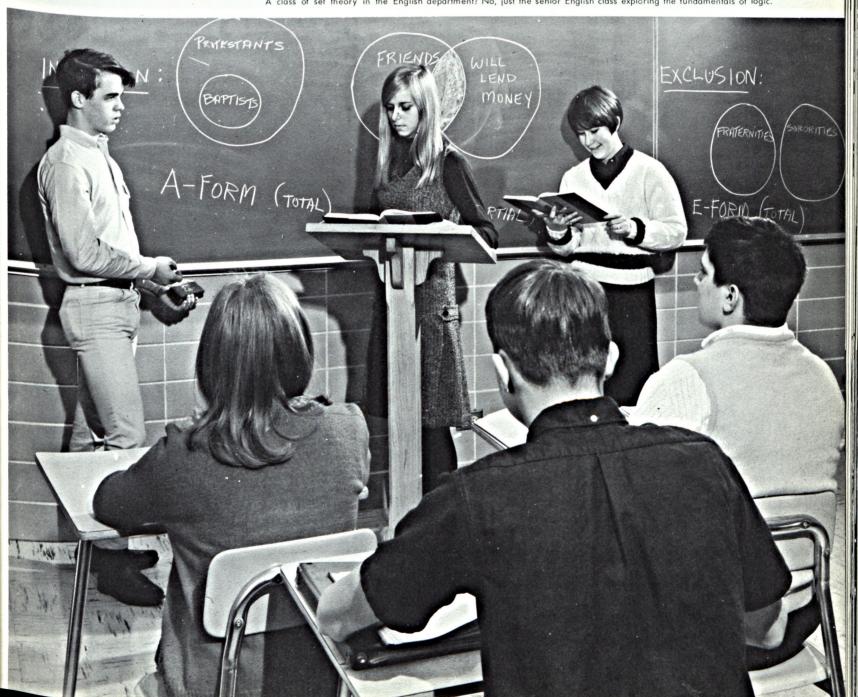

Northi's English Department emphasizes a student involvement in the problems of human existence as they are experienced in the study of literature. As the student familiarizes himself with outstanding novelists, poets, and essayists, he not only comes to understand the ideas of great writers, but becomes aware of the different forms his own expression can take. Students are also given a uniform background in particular subject matter as the team-teaching approach to English is continued. This year the method was introduced on three levels. The facilities of the school's library and reading laboratory, available to students, provide further enrichment. Classes often visit the library as a group, as well as partake in six week courses in the reading laboratory. There they are introduced to the excellent facilities which improve both reading speed and comprehension. With such a superb program of instruction it comes as little surprise that a majority of students complete all four years of English. They realize that in order to be successful in college, the business world, or daily life, they must be well equipped to write and speak our language effectively, as well as understand significant human experience.

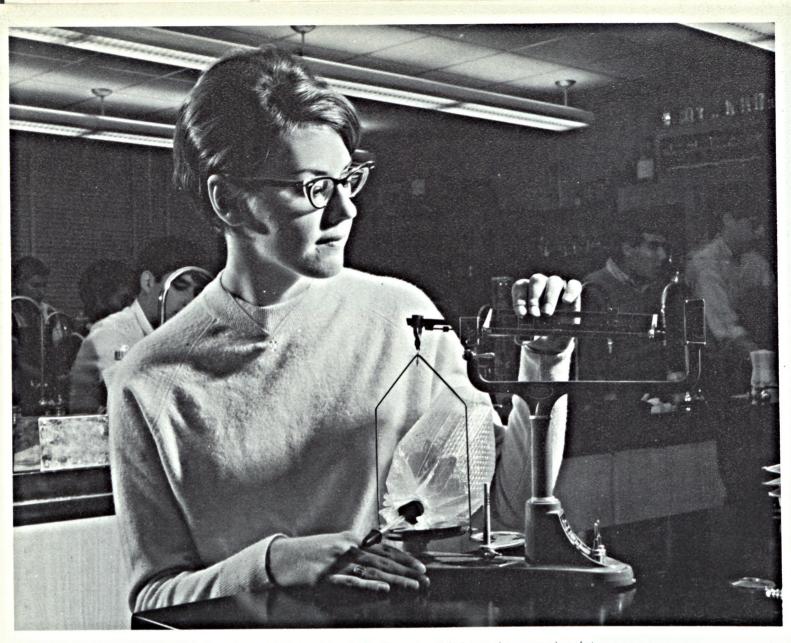

Indulging in an intellectual exercise is an experience for (I-r) Gerard Leval, Karen Mellow, Dave Sales, Diane Weiner, and Jeff Brenner.

Provide Food For Thought

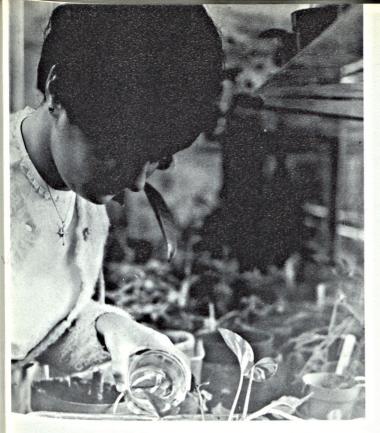

A class of set theory in the English department? No, just the senior English class exploring the fundamentals of logic.

Gases may seem to be weightless, but Sue Phipps doesn't think so as she masses a bag of air.

Science is inquiry, and must be taught as such. Northi's Science Department strives to develop in each student a problem solving capability, the power to think critically, and the ability to apply what he has learned. Emphasis is placed on the learning ability of each student. Well equipped laboratories and well informed staff, constantly alert for new methods and techniques, complement the courses offered by the Science Department. Those students which qualify may take general, physical, or biological science in their freshman year. Biology tends to be a favorite among sophomores, physics among juniors, and chemistry among seniors. A four-year science sequence allowing the gifted student to take biology, chemistry, physics, plus another year at the advanced placement level during his senior year in one of those three sciences is offered. Plans are being made to introduce the Introductory Physical Science program next year, a successful course of study for the slower learner. This year the Science Seminar section was continued. An "Independent Study" situation is the goal of this program. The faculty works as closely as possible with each student and greatly encourages him. The Science Seminar teacher is constantly alert for research problems that are compatible with the educational experiences of his students. Science is a way of thinking that applies the scientific method--it is an inquiry into the shuffle of life.

The botany unit, one phase of the biology program, provides interest for Cora Reda.

Demonstrating the purification of an organic substance, Richard Rosenquist starts the distillation apparatus.

Young Minds Explode With Inquiry

Barry Friedman and Scott Johnson smile as they realize there is more to performing a chemistry laboratory than just making bubbles.

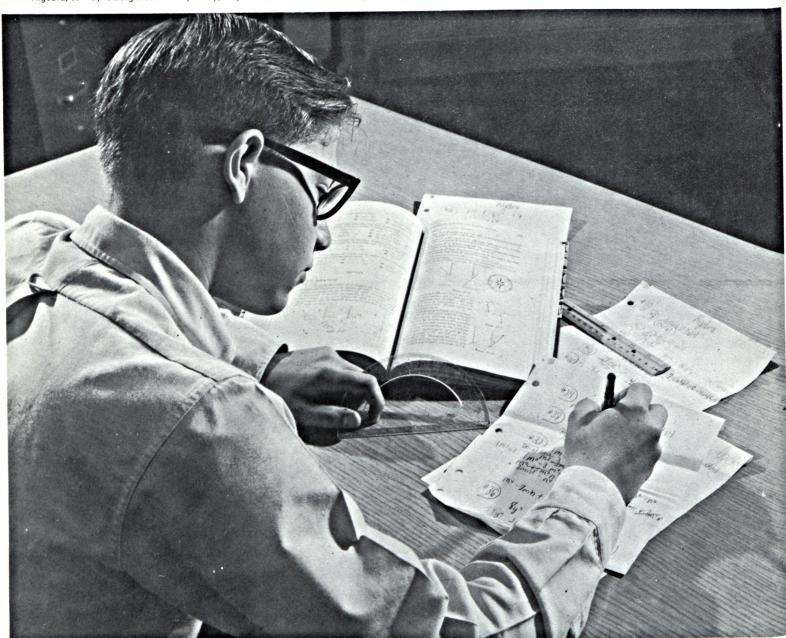

Math Logically Functions In the Formula of Success

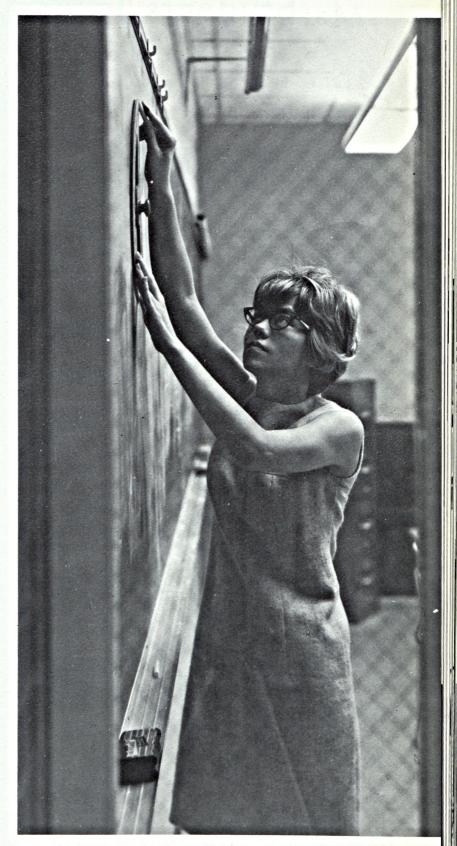

Interpolating the value of a trigonometric function, Andy Sarnat explains his procedure as Ellen Silton and Larry Newman compare answers.

Algebra, as Wayne Berger can readily testify, may involve much work and study.

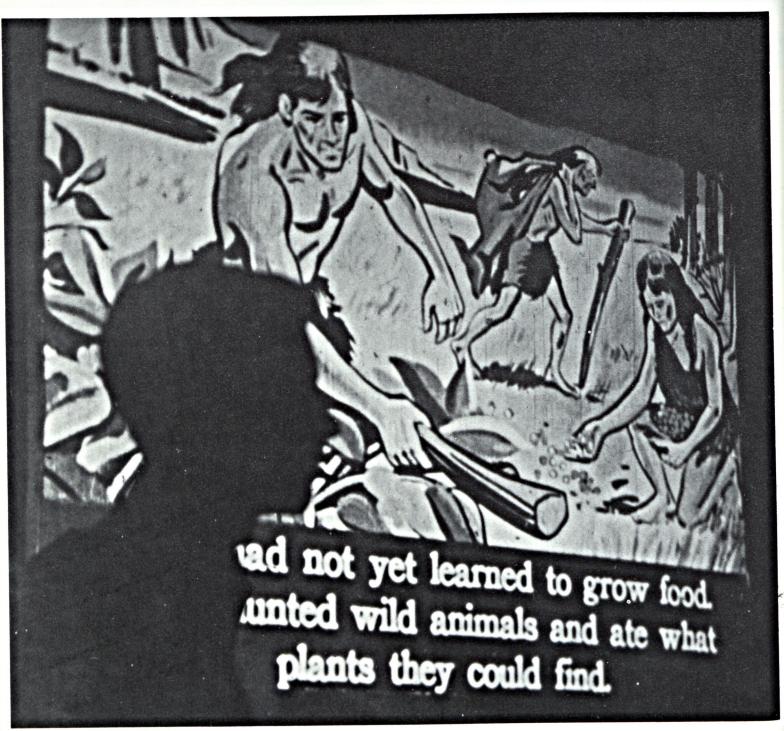

Mathematics is vitally involved in the shuffle of modern life. Many aspects of our present society, including art, architecture, space exploration, and day-to-day living, are dependent, in some way, on this field of study. Niles North, realizing its importance, offers a complete curriculum in math. Everything from arithmetic to college calculus is covered. On the freshman level, courses are offered in general mathematics, regular, and honors algebra. Sophomores have the opportunity of enrolling in one of the three different levels of geometry. This grouping concept continues at the junior level, so that students may select either advanced algebra, advanced algebra with trigonometry, or mathematical analysis. The seniors may then select either trigonometry and analytic geometry, introduction to calculus, or advanced placement calculus, depending on their prior mathematics selections. The fact that high school students realize the value of mathematics is evidenced by the number of students taking a mathematics course. While only one year of mathematics is required for graduation, this year 75% of the student body is enrolled in mathematics.

Look through any window of room 217 and you will see Mrs. Spyers Duran demonstrating various approaches to problem solving.

Students Journey Through Time

To think and reason with maturity becomes a responsibility

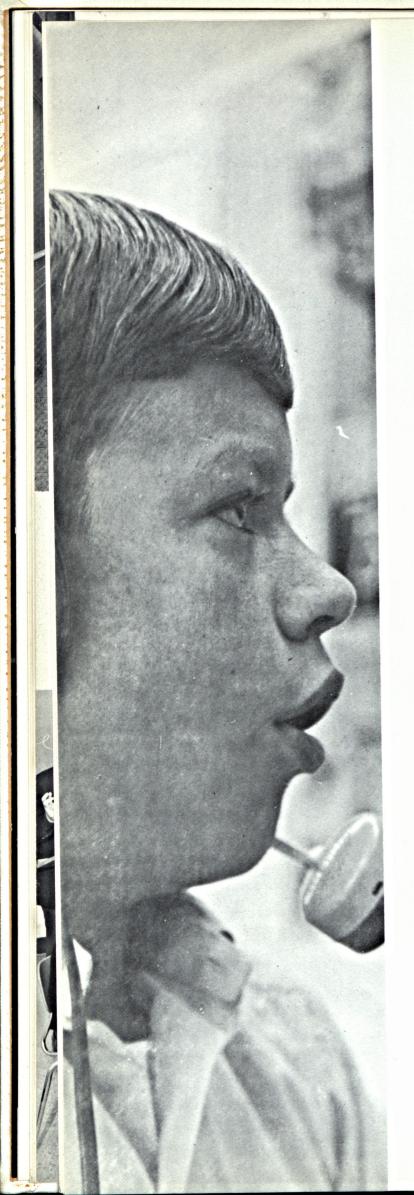

Tracing the path Columbus first took to the New World, (I-r) Steve Lipke, Janet Berger, and Ron Goldblatt study the world map in Mr. Jackson's history class.

The development of effective thought, action, and value judgments concerning human relations are the major objectives of the Social Studies Department. The numerous courses offered concern the activities of the individual as a member of a group. History relates thoughts, writings, and behavior of human beings in the past. Geography concerns human life as it pertains to man's environment, political science studies governing institutions, and psychology explores the behavioral characteristics of individuals and groups. The

investigation of the structure, development, and function of human groups as they interact is stressed in sociology. Economics deals with the production, distribution, and consumption of goods and services by human beings. Although the department's backbone is history, a greater effort was made this year to introduce the findings of other social studies into history classes. The behavioral sciences were utilized to relate why man behaves the way he does.

She has the whole world in her hands? No, but Marcy Schlocker finds that a challenging proposition.

Preparing a bulletin board for French class, Julie Mellow and Miss Ann Elliott thumb through magazines as Mark Bresnik assembles the display.

While "The Rain in Spain" may have been Eliza's language lesson, the students at Northi learn their foreign languages by the audio-lingual approach. This modern method of teaching language combines conversational practice with reading and writing drills. In four electronically equipped language labs, students listen through earphones to tapes of basic dialogues and structure drills and repeat or respond into a microphone, their performance being monitored by the teacher. Later, reading and writing techniques are introduced. In addition to the language itself, students are instructed in the customs and culture of the country to which their language pertains. Classes in Russian, German, French, and Spanish are offered on all four levels. Except for Russian, honors and advanced placement groupings are featured. Latin is also presented as a regular four-year program. The more advanced language classes delve into the study of literature of the respective languages. French students study, among others, French masters such as Moliere and Voltaire, as well as contemporary writers. Advanced Latin students reach such classical works as the Aeneid, by Vergil, and study the letters and orations of the Roman statesman Cicero. Russian students set aside one day weekly for a study in the cultural and secular life of the Russian people, writers, and musicians. Thus, the students learn other tongues by a diversified and functional program.

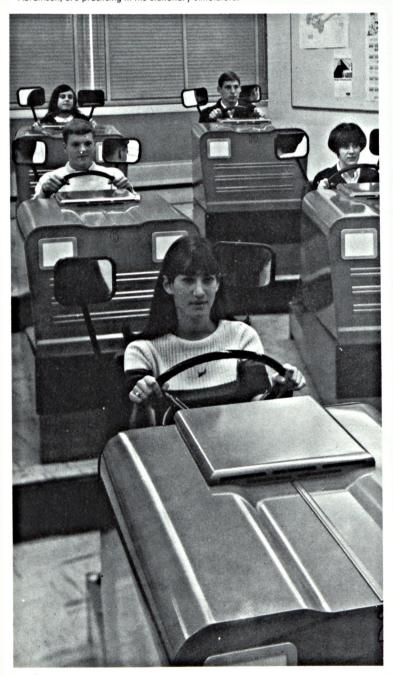

Many Tongues Speak Their Piece

German cartoon class? No, but Jeff Seidell takes time out from Miss Lachmann's writing lesson to read "Mickey Maus."

Drivers Learn The Right-of-Way

Don't let them scare you off the road. These drivo-trainer students, **Back Row:** Anna Jacks, Marty Gold. **Second Row:** John Clarkson, Andee Bodenstein. **Front Row:** Nancy Abramson, are practicing in the stationary simulators.

Driver simulators provide the most modern and up-to-date dashboard.

Sound the horn for Northi's Driver Education Department, offering a varied and effective program of automobile instruction, procedure, and maintenance. The Driver Education department, providing three levels of training, begins in the sophomore year, with a classroom course concerned with traffic laws and ordinances, the physical, mental, and emotional characteristics of the driver, natural laws, mature driving practices and understanding the car. The knowledge of stop, caution, information, and warning signs, driving techniques on different roadways, and prerequisites of obtaining a license are examined at this time. Upon completion of this class, students enter the ultra-modern drivo-trainer system, offering practice with simulators designed to reproduce actual driving situations while in a stationary mechanism. Expertly prepared films allow the student to understand the dangers of weather hazards and poor driving habits, as well as to realize the importance of defensive driving. Students are later offered a two week session behind-the-wheel, when actual driving experience with an instructor is furnished. With practice, sound training, and often a word of advice, students are well on their way to a lifetime of safe and knowledgeable driving.

Northiers Get Down to Business

"Getting down to business" describes just what happens in the Business Education Department of our school. Because it must meet the needs of both the college and vocational bound student, the department offers a large and varied program of study. Its main objective is a knowledge and understanding of the American economy and free enterprise system, as well as the individual skills taught in each subject. Besides the traditional courses of typing, shorthand, notehand, and bookkeeping, the department offers such challenging courses as advertising and salesmanship, and business organization and business law. Advertising class investigates the importance of this medium in our free enterprise economy, while sales manship deals with the methods, ethics, and regulation of selling. Clerical practice courses prepare the student for the role of an efficient and accurate secretary. Maintaining its high standard for equipment, the department boasts a data processing unit, a fully equipped shorthand lab, as well as calculators, voice writers, duplicators, and other modern machines. In this way the Business Education Department meets the demanding requirements of our dynamic high school.

To prepare the student of today for her dual role as career person and homemaker, the Home Economics Department applies the skills and techniques of art and science. In clothing classes girls learn to evaluate styles and quality of construction, as well as what behavior to expect from basic fibers used in fabrics. Food classes concentrate on food preparation principles as they learn the skills of producing a tasty dish. This year, foods classes will cooperate with industry by scientifically testing a commercial product. Other offerings of the department are home management, child development, and housing and home furnishings.

Technical Skills Build Foundations

If variety is the spice of life, the Industrial Arts Department offers a most well-seasoned program. With an emphasis on creativity as well as skill and knowledge, courses begin at the very basic level and progress to classes in the fourth semester of training. The two semesters of architectural drawing concentrate on the principles of house design and construction, as well as architecture as a career. Classes in auto mechanics begin with basic principles of the engine and progress to the study in the diagnosis and correction of automobile malfunctions. Electronics, offered for two semesters, involves experimental work with electronic circuits and the construction of electronic devices. Metals and woods, both two year programs, emphasize knowledge and skill with the many tools and machines involved in construction, as well as the exploration of avocational possibilities of wood and metal work. The Industrial Arts Department offers a diversified program to meet the many interests of the students.

Vikings Take a Hop,

"Jack be nimble, Jack be quick" can easily be the motto of the Boys' Physical Education Department, where skill and the knowledge of basic athletics, as well as physical development are stressed. Devoting most of class time to various sports and activities, instruction ranges from wrestling and weightlifting to swimming, basketball, and gymnastics. New to the pool area activities is water basketball for more advanced swimmers. Flickerball, a combination of basketball and football, is also being tried this year. Two classes of sophomore leaders gym are also being taught to enable more advanced boys to serve as a teacher's assistant as juniors and seniors. Besides physical activity, short courses in health and first aid are offered, emphasizing the importance of social hygiene and the knowledge of emergency health techniques. With physical development complementing mental achievement, the Boys' Physical Education Department hopes to produce the person ready to face the problems of life.

Skip, and Jump to Physical Fitness

Variety in a curriculum makes it both more interesting and valuable. The Girls' Physical Education Department, realizing this, offers a program of varied activities during the four years, to meet the physical, mental, and social needs of the student. The total program is designed as a progression of activities. The familiar team sports of basketball, soccer, speedball, softball and volleyball are offered. Also included, one will find apparatus, trampoline, modern dance, modern jazz, and rhythmic gymnastics. For personal enjoyment and recreational value, there is badminton, tennis, archery, golf and swimming. An important aspect of the Physical Education program is the health instruction. The present courses include the topics most requested by teen-agers: social hygiene, consumer health, drug-narcotic addiction, and first aid. A girl does not always appreciate the importance of physical education as she participates during these high school years. However, in future years, as she utilizes some of the skills she has gained, the intrinsic value will become evident.

An Awareness of Art Awakens the Mind to The Shuffle of Life

Making certain that the cards are not blindly dealt, Northi's Art Department sensitizes the eye and sharpens the brain of its students. This revitalization of vision may be achieved in any of the various courses offered. The flexible curriculum provides a four year program for all students. An art history course, involving a study of major artists and art movements, and an exploratory workshop in the various modes of art work and expression are also offered. The student is first indoctrinated in the philosophy and language of the artist. He progresses by developing skills and techniques in the several arts and crafts, such as theater art, and the making of pottery or jewelry. This year an experimental class was introduced, allowing the student to advance in an intensive study of some particular area of his choice, such as graphics, 3-dimensional design, and painting. North further enriches its art students through its own art library, containing many reproductions of famous work. Another unique aspect of this department is its equipment for the casting of bronze sculpture. Not only are creative senses and intellects stimulated, but the beauty and meaning of art in our everyday world are conveyed.

The overtures of the Music Department, in practice and performance, resound brilliantly through Northi's halls. Although its major objective lies in producing excellent performing groups, the department also strives to further the understanding of both serious and popular music. The vocal areas consist of Concert Choir, Girls' Glee, Boys' Glee, and small ensemble groups, each with a varied and progressively difficult repertoire. Orchestra and Band are the main instrumental groups. The combined efforts of these groups produce many excellent programs, including a Broadway musical production. Also offered by the department is a classroom course in music theory, covering the history and basic principles of music. Considering the large number of talented and dedicated musicians included in these ranks, Northi puts an important accent on music.

Government of the students, by the students, and for the students is Northi's Student Senate. It is the voice of the student body, serving to provide a liaison between students, faculty, and administration. It strives to regulate student government, to coordinate student activities within the school, and to foster good relations with other schools. Senate also serves as a direct link for Hall Councils and Class Boards, with their presidents and vice-presidents taking on the dual roles of Senate representatives. A North Star representative is an honorary Senate member, aiding in publicity and in general student opinion. The duties of Senate include setting up a student dress code, maintaining the Viking of the Week and Wall of Fame, and providing achievement awards for Northi's outstanding athletes. It also establishes an all-school calendar, runs school elections, charters clubs and organizations, manages the school store, publicizes all school events, chooses a school mascot, and sponsors the American Field Service program. As the top promoter of school spirit, Student Senate has displayed all the qualities of fine leadership and in '66-'67, has furthered the ideals of democratic government and good citizenship.

Hall Councils Celebrate

Hall Council celebrated its second birthday with a most successful year. As a branch of student government, it functioned as the unifying element of the four class levels of each hall. Besides serving as legislative bodies, the hall councils promoted hall spirit, improved the homeroom programs, publicized intramural athletics, and facilitated better communications between students and faculty. Meeting ninth period each day, the hall councils organized hall newspapers, inter-

hall exchange programs, and encouraged academic achievement through a program of inter-hall academic quiz games. It also served as a recruiter for such organizations as the Lawndale Tutoring Project. Hall Council is unique in its purpose and structure. It is a young organization without any predetermined ideas on development. This year's hall councils have lit the candles for future development; they eagerly await the future.

Northiers Plot Homecoming Strategy

Months of hard work and creativity were climaxed by our second homecoming, "Open Hunting Season: Tan Their Hides!" Every aspect of that busy weekend was carefully prepared by the homecoming committee. Spirit was the keynote as the weekend began with a twilight pep rally. Saturday morning, Northi's first homecoming parade was high-

lighted by flamboyant floats, decorated cars, and the Viking marching band. The afternoon football game in Northi's newly installed stadium led to a trouncing victory for Niles over the Elk Grove Grenadiers. The weekend finale was the coronation of the queen and her court at the beautiful homecoming dance, "Color It: Autumn."

Responsible for the success of homecoming are the committee chairmen for 1966: **Back Row:** L. Eisenberg, L. Schwartz, H. Goodman, J. Vender, L. Novak, C. Goodman. **Front Row:** S. Kamin, M. Powell, J. Westphal, D. Teitel, S. Perlman.

The Student Union Board, composed of a group of lively, hard-working seniors, is an organization designed to unite the entire Northi student body. By sponsoring four Saturday evenings of discotheque style dancing to big name bands, this year's student union board was able to add a great deal to our school's social activities. Board members are responsible for the complete organization of each union, including hiring entertainment, selecting a theme, decorating and serving refreshments. Since the student union board exists for the benefit of the student body, specially priced tickets, good for the entire year, are sold in October. Any profits thereafter are put toward the success of the next union.

Northi's "It's Academic" team of Gary Charness, Steve Binder, and Marty Marcus pose with their coach, Mr. W. Bamberger and their host Ed Grennan.

Northiers Know Best

Enthusiastic Viking supporters crowd the studio to cheer our team on to victory.

Seniors Steve Binder, Marty Marcus and Gary Charness, comprised the 1966-67 "It's Academic" team for Northi. Mr. Walter Bamberger, their sponsor, coached these students and alternates, seniors Howard Goodman, Danny Farkas, Barry Bearak, and Laurie Eisenberg in science, mathematics, history, literature, and current events. In their first appearance on the televised tournament, the Viking thinking men scored a victorious 330 points over Glenbrook North and Cathedral high schools. However, in the quarter-finals, Northi lost a close, exciting match to Glenbrook South. In preparation for the show, Northi's participants listened to old tapes of "It's Academic" and "College Bowl" to become better acquainted with the kinds of questions asked. Flash cards were also used in their preparation for the show.

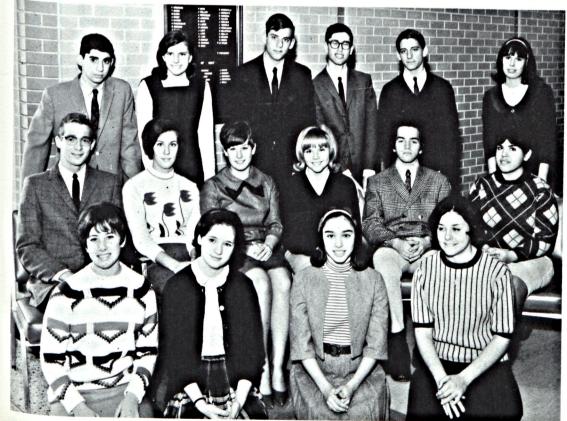

Honored Vikings Dealt A Winning Hand

The National Merit Scholarship qualifying tests allow exceptional students to become eligible for more than 1200 scholarships. Only the top two percent of all those who take the test rank as semi-finalists, making the 14 semifinalists from Northi a group of which to be proud. It is no doubt that these young men and women will find rewarding experiences as they play their "cards of life."

The National Honor Society, each spring, initiates those students recommended for membership at a ceremony in which they receive the traditional yellow roses and gold pins. Members must pledge to uphold the ideals of scholarship, leadership, character, and service. A large faculty committee, representing all school departments and activity areas, selects those students having at least a B average and who have demonstrated leadership ability as well as academic achievement. The society consists of no more than ten percent of the senior class and three percent of the junior class.

Saga Deals The Cards Face Up

Ah! Memories! The terrifying, embarrassing, and bewildering moments of freshman year. The satisfying, reassuring, and heartwarming experiences of sophomore year. The spirited, exciting, and laughable moments during the festivities of junior year. The boastful, domineering, and lackadaisical instances of senior year. The SAGA editors and staff members have spent much of their free time scheduling pictures, organizing layouts, and writing copy in order to create a book that will capture all these memories. The fact that each page gives an extensive glimpse of the past is evidence of success.

They Made North Star Shine

Co-editor-in-Chief Janet Price

The time: 3:15 p.m. The place: Niles North. A sudden hush fills each room as the clock nears 3:23 p.m. Is this peculiar action caused by the common ritual of the dismissal bell court-down? No, today the students are expecting something different. For today is the Friday when in every room at Northi, students receive their issue of the NORTH STAR. An especially prominent feature of this year's NORTH STAR was the replacement of documentary reporting with more creative writing. Besides providing the student body with the source of information not commonly discovered through the grapevine, the school newspaper has given more space to those faculty members and students who wish to express their opinion or publish their "works of literary art."

Reviewing a recent issue of the newspaper are NORTH STAR editors-in-chief and page editors, **Standing:** J. Price. **Back (clockwise):** H. Goodman, A. Cooper, B. Bearak, L. Eisenberg.

What Is Written, Remains

Calliope section editors are: L. Eisenberg, L. Novak, H. Goodman, and S. Niles.

Reviewing a Calliope entry are co-editors Janet Price and Susan Perlman.

Niles North's literary magazine, Calliope, provides students who possess a literary flair with a method to share their works with others. Every year Calliope is flooded with the manuscripts of hundreds of students who wish to see their individual efforts published. Creative entries may be submitted from many categories including short stories, essays, poetry and art. Those students whose work is accepted attain automatic membership. Calliope is entirely self-supporting, so members participate in many fund raising to cover the cost of the magazine. The work of the staff members culminates in a final banquet which is annually held to induct new members and announce the future editorial staff.

Northi's V.I.P.'s: Very Inspired Persons

This year's Drama Club officers are: C. Libkin (President), L. Rust (Vice-President), and M. Libkin (Secretary-Treasurer).

The Niles North Drama Club, aimed to encourage and develop the theatrical talents of young drama enthusiasts, is open to all students. At the monthly meetings all fields of dramatics, lighting, costumes, make-up, and scenery are discussed. Guest speakers and field trips to theatres and revues are a special added attraction.

Quill and Scroll, the national honorary society of journalism, bases its membership on literary creativity. Exceptional journalistic work may earn a student recommendation for membership and automatic membership is attained after 210 inches of individual work has been published in the newspaper or other literary publication. Quill and Scroll was founded on April 10, 1926 so as to encourage individual student achievements in journalism and school publications.

Personal Expression Is Their Concern

National Thespian Society is an organization created to honor those students who have achieved a high degree of excellence in dramatics. Its goal is to raise the standards of all student productions. Thespian membership is limited to those juniors and seniors who have accumulated at least ten points in the various phases of dramatics. These areas include not only acting but backstage and publicity work as well.

Vikings with verbal ability compete on the interscholastic level by participating in the Debate or Forensics teams. Forensics, otherwise known as Individual Events, is made up of nine categories. These include interpretive events such as prose and poetry, and original events. Team members are judged on vocal and physical expression as well as the contents of their speeches. Debaters work to try to outreason their opponents. Their performance is judged basically by the validity and quality of the arguments presented. Both teams deserve the school's admiration for their outstanding achievements.

Their Harmonious

Madrigal, Valhalla, Stage Band and String Quartet are specialized extensions of the musical department. Each group performs as a unit in school musical productions. Madrigal and Valhalla are branches of the choir which are composed of an especially talented group of singers. Valhalla, an all-girl chorus, sings primarily popular music while Madrigal, a mixed group, concentrates on Elizabethan Chamber music. String Quartet which is composed of two violins, a viola, and a bass, participates in Interscholastic Competition. Last year the group placed first in the state. Another outgrowth of the musical department, Stage Band, provided the accompaniment for Norse capades. Combined, these four groups promote greater interest in the musical department.

For Every Tongue

Niles North's language clubs are designed to give its members knowledge about a particular country or countries that is not usually found in classroom studies. Since many of these clubs do not limit their membership to students taking a specific language, meetings revolve around the general customs of the associated countries. These include art, literature, history, and music. The German and Russian Clubs take pride in their separate musical groups, the German Marching Band, and the Russian Balilika Orchestra. All clubs provide their members with folk festivals, guest speakers, movies, field trips, and annual banquets. Along with these varied pastimes, club members enjoy actively participating in many school sponsored activities as a group. It is no doubt that the language clubs succeed in providing members with a well-rounded background.

Biology, chemistry, physics, and math are all offered in the extra curricular program for those wishing to view their subject matter in extra depth or in a more informal and enjoyable atmosphere. These club groups see films, invite authoritaitve guest speakers, work laboratory experiments, planfield trips, and sponsor individual research projects. The Math Club, amidst its activities, specifically prepares for the Mathematical Association Test, while the Chemistry Club supplies the school with chemistry displays which are exhibited in the second floor science corridor. The Physics Club worked on a specific club project which was building and operating a Van de Graaff generator and a linear accelerator, and the Biology Club dissected and did microscopic work. In general, these clubs are most interesting for those curiosity seekers who wish to do extra reading or research in the technical areas of their interested field.

Members of the Future Teachers of America Club, Business Club, Health Careers Club, and Girls Service Association are all ambitious girls with an eye to achieving success in the future. FTA members have a sincere interest in the teaching profession and try to acquaint themselves with the various aspects of an educational career. Business Club meetings, held once a month, aid in preparing its members for their big step into the business world of tomorrow. Girls interested in a health career have an opportunity to prepare for their chosen vocational goals by participating in the Health Careers Club. Members of the Girls Service Association provide a helpful service to our school by serving as hostesses at many school functions.

Color Them Creative

A recent session of Art Club went thusly with "Dim the lights--Roll the projector." Slowly a flickering black and white picture emerged on the screen, accompanied by two tape recorders simultaneously playing, as the art clubbers would call it, "psychedelic" sounds. This innovation is a part of Art Club's new policy of including movies, dancing, photography, and recordings in the study of the fine arts. Art Club furnishes most of the art

work displayed in Northi's halls, and this year sponsored a "Psychedelic" dance.

Girls interested in the home arts broaden their talents by joining the Home Ec Club. This year, besides placing the conventional stress on cooking and sewing, the club has included modeling and beauty culture as additional activities.

Vikings Fight For the Purple and White

The "N" Club includes Northi's finest athletes and team managers. Meeting twice a month, Northi's lettermen encourage good sportsmanship and school spirit. This past year, "N" Club has done much to improve the school's athletic facilities, including the purchases of oxygen for all Northi's athletic teams, and American flags for certain athletic areas. The club has also played a large role in the supervision of all home Viking basketball games. The "N" Club highlighted the year with a school gift of Viking plaques, their annual "N" Club versus Faculty basketball game, and a co-ed barbecue in the spring. As usual, the "N" Club continued to improve relations with other schools and to present Niles North with a good school image.

Active Vikings Assets To Northi

Despite the lack of publicity involved with their job, the Technical Services Club members play a major role in the presentation of school productions. This role includes the perfect management of both the lighting and sound systems, as well as the intricate curtain system. In addition to their regular backstage work, the veteran prop-pushers must train new club members in handling the array of machinery involved in all of the technical systems. Without the patience and experience of the Technical Services Club members, Northi productions would be virtually impossible.

The password is spirit for Northi's Norsemen. Meeting twice monthly, this fast-growing dynamic school service organization, under the leadership of Mike Gelder, '67, sponsored various social and athletic events during the year. A top promoter of school pride and good citizenship, the Norsemen sold buttons and programs to create additional enthusiastic Viking spirit.

This activity stimulates interest in mechanical equipment, while providing a needed school service. The Radio and Electronics Club offers many an opportunity to obtain an amateur radio license.

Such a license is granted only after instruction in Morse Code, operating regulations, and in general technical electronics. Northi's licensed "ham" operators have contacted areas across the hemisphere this past year. The club is exciting as well as enjoyable, as its members apply their technical knowledge to the construction of radios and other electronic devices.

The Niles North service monitors help take some of the burden of school problems off the shoulders of the faculty and school staff members. The main office and attendance monitors assist secretarites by answering phones, running errands and collecting attendance slips each period. School store clerks sell supplies to the student body throughout the day. The main duties of the auditorium monitors are to greet visitors to our school and direct them to their destination. Aiding the nurses perform their various duties are the health office monitors. Locker room monitors aid the physical education department by answering the phone and checking lockers. Varsity Gridders Have Rough Season

The Viking Varsity had a disappointing season in terms of a win-loss record, but, led by Coach McCarrel and Assistant Coaches Henderson, Conway, and Casten, it has displayed a rough line of defense which has allowed an average of a little over 12 points per game; the offense has scored an average of nine. The gridders added a major share to North's first real Homecoming as they rolled over Elk Grove 27-7 to make the day a complete success. The Vikings were aided in their efforts by All-Conference selections Scott Schirmer and Terry Ander-

son and honorable-mention winners Dick Bassuk, Rick Fisher, and Bob Wilson. The Viking juniors gained experience through the J.V. team of Coaches Mitz and Trapp, which finished with a record of two wins and two losses. It is these juniors who, along with the 16 junior and two sophomore Varsity lettermen, will return to form the nucleus of next year's Varsity, which will be captained by M.V.P., unanimous All-Conference choice Terry Anderson. Next year should be a fruitful one for Coach McCarrel's Viking gridders.

Sophs Pick Up Skills

The Sophomores, under the leadership of Coaches Tom Meier and Donald Browning, fared much the same as their big brothers on the Varsity. The sophomores managed only one victory and one tie, but their performance against Niles West, in which they scored three touchdowns in the fourth quarter, was probably their most notable game. The sophomores congealed into a tough, aggressive unit, and many of them will be called upon to contribute their talents to next year's Varsity. Mark Bresnik, an excellent broken field runner, and Ned Chamlin, both of whom earned their J.V. letters this year, should be valuable next season.

Both Frosh "A" and "B" teams got off to a shaky start, but solidified and finished the year in a grand manner. The Frosh "A" were tutored by Coach George Bauer and Coach Ed Hodnik, while the Frosh "B" received their lessons through Coach Galen Hosler and Coach Jack Grant. The freshmen have learned what it feels like to win and, after an additional year of experience on the sophomore level, should help develop a tradition of victory at Northi.

Northi's harriers, led by Bill Kuhnle, had another successful season this year. The harriers tied for the Central Suburban Conference Championship with a 6-1 record, 11-2 overall, and a first place finish in the conference meet. Bill Kuhnle won the individual championship, and Bob Kuhnle took third place. The prospects for next year's team are bright with returning lettermen Bob Kuhnle, Lewis Lebolt, Dennis DeSaegher, and Ken Wolfinger, along with a group of talented sophomore runners.

The Frosh-Soph harriers have given Coach Robinson much to be optimistic about. Sporting a record of 6-7, the underclassmen lost many close decisions. The Frosh-Soph runners have proven North will always be a cross-country power to reckon with in the Central Suburban League. Led by Jerry Zivic, this group of runners will lead the Vikings in successful title defenses in the years to come.

Cagers Sport Another Winning Season

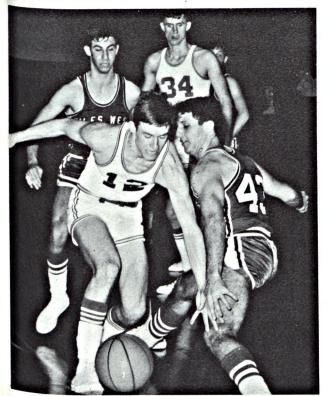

Determination, desire, aggressiveness, and confidence were traits found on this year's Viking basketball squad. The team finished with an improved record of 14-9, and were an even 5-5 in tough Central Suburban League play. The highlight of the season came in the regional tournament, when North defeated Niles East, avenging two losses handed to North by the Trojans earlier in the year. Junior Bob Wilson was voted the team's most valuable player, while Senior Mike Weil was named to the all-CSL first team and Wilson and Senior Bruce Saltzberg were named to the second team.

Al Young outjumps West's Mike Pepper for a rebound.

Senior Dick Bassuk leaps into the air on a jump shot against Niles West.

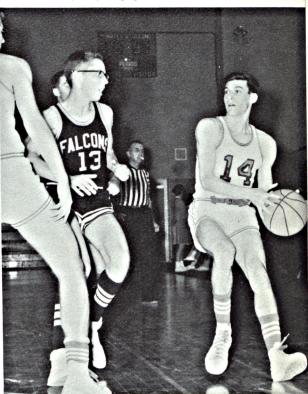

Tough Defensive Guard, Scott Schirmer, scrambles for a loose ball.

High scoring junior, Bob Wilson is set to rack up two more points for the Vikings.

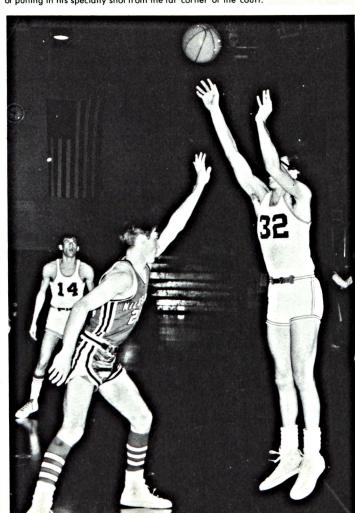

Captain and playmaker, Bruce Salzberg, watches for a pass opening against the Forest View Falcons.

Weil Named All Conference

This year's junior varsity basketball team had a fine season. Although their record was only 7-11, the team lost many close decisions. The squad provided valuable experience for the juniors, who will form the crux of next year's team. Most Valuable Player Howie Zimmerman and most improved player Gary Korbus, along with the other members of the team, return next year to preserve North's winning basketball tradition.

North's sophomore basketball team got off to a fine start, winning four of their five games. However, the team was hit hard by the injuries of top players, and was unable to win for the remainder of the season. However, with such stalwarts as Captain Dale McKay and Most Valuable Player Ken Sticken rapidly improving, Northi looks strong for the coming years.

Winning seasons by both the Frosh "A" and Frosh "B" teams were a final assurance that North will have successful teams in the years to come. The Frosh "A" team had a 10-7 record, while the Frosh "B" squad posted an 11-5 mark. Jay Gainer broke eight records for the "B" team, while gunner Steve Huscher of the "A" squad also broke many existing records. These two players, along with the rest of their squads, will be important factors in future performances by North.

For the wrestling coaches, 1967 was the year of the build-up. Coach Weber's youthful squad, manned by only five seniors, started its season optimistically as it captured first place in the Township Quad. After winning their first meet, the Vikings had a slump of four straight losses. The unpredictable team then bounced back to capture three meets in a row: among them the last minute vanquish of Niles West and the victory at the Wheeling meet, in which no wrestler lost a match. Senior Arnie Pederson was the most valuable Northi grappler, and Steve Poznansky earned all-conference distinction. Sophomore Jeff Perelman and Junior Bob Gilman were honorable mention all-conference, while Pederson, Gilman, and Sophomore Paul Sayad represented the Vikings in the state sectionals. With Gilman, probable star of next year's team, seven returning lettermen, and the superb Frosh and Soph squads, Coach Weber is on the verge of building a wrestling dynasty.

Next year, with the volume of talent coming up from the immensely successful sophomore team, the J.V.'s should have their best year yet.

Gymnasts Capture Conference Crown

Niles North's Varsity gymnastics team made it two in a row this year by capturing the Central Suburban League Championship. The only flaw on North's conference record was a tie with Glenbrook South, but in the Conference meet the Vikings trounced Glenbrook by 50 points, while surpassing their closest competitors, the Niles West Indians, by 30. The team closed the season with a 5-0 record while placing eighth in State with superb performances by Joe Russo on the rings, Dave Melcher on the trampoline, Jody Garris in tumbling, Mike Edwards in all six events, and Murray Plotkin on the rings, side horse, parallel bars, and high bar.

Showing great skill and determination, the Frosh-Soph gymnastics team finished with sixteen wins and no losses. During this highly successful season, the team defeated such gymnastic powers as Niles East, Niles West, and Evanston. Their triumph in the Central Suburban League meet gave them undisputed possession of the conference crown. Continuously outstanding performances by Bob Salstone, first in tumbling and trampoline, Jim Engelhardt, first in all-around and second in parallel bars, and Loren Friedman, first on the horizontal bars, showed that Niles North has a bright future in gymnastics. Three sophomores, Chuck Citron, Mary Wenger, and Howie Zindell, worked part of the season on the Varsity team.

"Fish" Go Undefeated

Niles North's varsity swimming team, under the guidance of Coach Rusk and Assistant Coach Lund, completed a most successful season. In dual meet competition, the mermen put together a perfect record of twelve wins and no defeats, tying as conference champions in the Central Suburban League with Deerfield. The purple porpoise tied for third place in the Evanston Invitational and won both the Niles East and Highland Park Invitationals. In the state meet, the Vikings took ninth place with exceptional performances by John Wolz, second in the 50-yard free style, and Bob Schoos, second in the

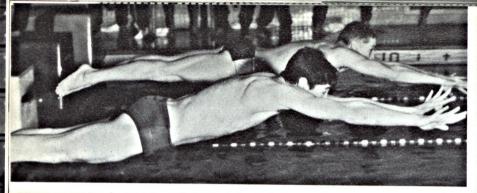

200-yard free style. Schoos also took fifth place in the 400-yard free style event. As far as quality of the swimmers is concerned, virtually every team record was broken, including the record in the 400-yard free style relay, set by Ron Vender, John Wolz, Bob Schoos, and Bill Smith with an All-American time. Again Bob Schoos received honors as All-American in the 200 and 400-yard free style swims. Sophomore Ron Vender broke the team record in the 200-yard Individual Medley as his brother, Senior Jeff Vender, set a new record in the 100-yard butterfly stroke.

Senior Jeff Vender swims his specialty, the butterfly, in which he placed ninth in the state.

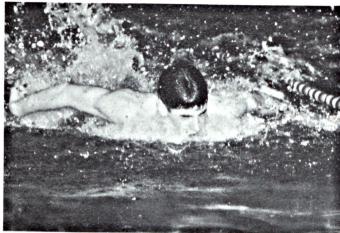

Gary Davis shows his breast stroke which made him a valuable member of the team through all four years of high school swimming.

Senior John Wolz leaps off the block to begin his laps of the freestyle relay. The team, composed of Wolz, Ron Vender, Bill Smith, and Bob Schoos, was given All-American rating.

Purple Porpoise Dives Into Action

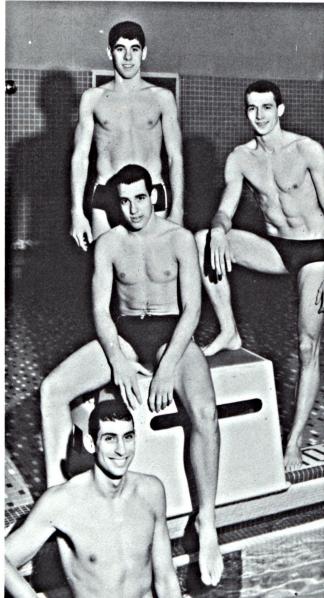

Sophomore Ron Vender is en route to setting a new school record in the Individual Medley.

Swimming in the 200 and 400 yard freestyle races, Bob Schoos finished with a second and fifth in state, respectively.

The freestyle relay team of Ron Vender, Jeff Vender, Bill Smith, and John Wolz placed sixth in the state meet, giving North valuable team points.

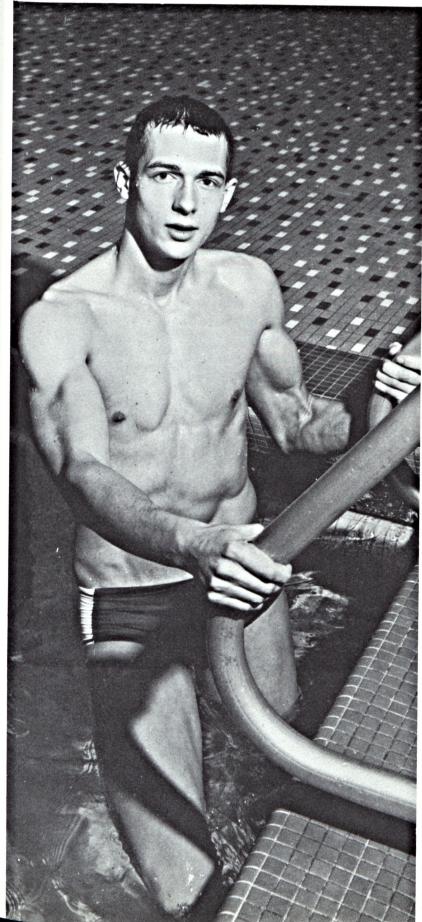

Senior Bill Smith takes a quick start in the 100 yard freestyle. He placed eleventh in state and second in conference in this event.

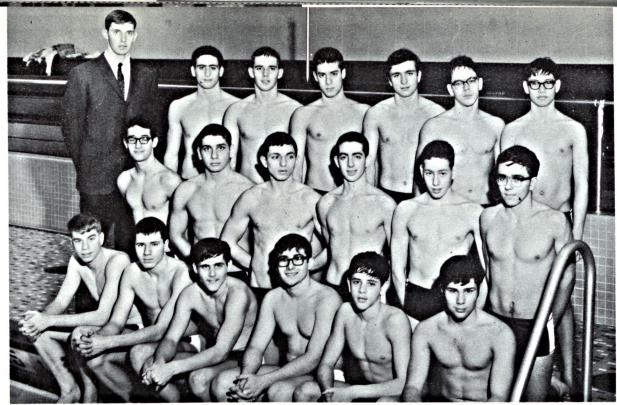

Schoos, Wolz Takes Seconds

Senior John Wolz did a fantastic job this year in taking second in conference behind state champ Vanhousen and also placing second in state in the 50 yard freestyle.

Senior Bob Schoos swam up to his ability in taking conference titles in the 200 and 400 yard freestyle events. In the state meet, he helped give the Vikings their eighth place standing by placing second in the 200 and fifth in the 400.

Compiling a record of ten wins and only two losses in dual meet competition, the sophomore team shows much potential. The Vikings took first place at the Highland Park Invitational and a strong second place at the Triangular Invitational at Evanston. The team also managed to take third place in the conference under New Trier West and Deerfield. At the conference meet, the 400-

yard free style relay team of Mitch Lazarus, Arnold Schmidt, Steve Sandler, and Bill Blumenthal managed to come home with first place honors. Herb Rotfeld was the outstanding backstroker of the team, according to Coach Lund. The freshman team ended the season with a close record of six wins and five losses and have set their hopes higher for next year.

Diamondmen Show Teamwork

Coach George Bauer returned this year to lead an experienced, well-molded team that had trained throughout the summer season of baseball. Strengthened by the return of seven lettermen, the diamondmen glittered. The infield, bolstered by veterans Louis Levinson, Scott Schirmer, and Ed Tadelman proved to be one of the strongest in the area. Pitching for the Vikings was more than adequate with lettermen Marc Mandl, Ross Friedman, and Louis Lang on the mound. Returning on the receiving end was catcher Rick Fisher. With this efficient unit, the Vikings were and should continue to be strong contenders for a championship in the Central Suburban League, which is one of the toughest in the state.

Westberg, N. Pappo, P. Meuller, Manager H. Roher. **Sitting**: D. Sucherman, C. Portman, R. Leavitt, I. Shyman, J. Kaplan.

The first doubles team of Junior John Clarkson and Senior Lloyd Lifton are set at the net ready to put away the next shot.

Things looked good for the Niles North tennis team this year. On the varsity level, the team was led by three returning lettermen, Juniors Larry Newman and Bob Mayers and Senior Lloyd Lifton. Other up and coming juniors were John Clarkson, Larry Herter, and Art Gould. With a high Central Suburban League standing, this year's team made an excellent showing with Bob Meyers at first singles, Larry Newman at second singles, and John Clarkson and Lloyd Lifton at first doubles. The sophomore team, which was led by returning starters Ron Vender, Nir Pappo, and Carl Westberg, performed well in conference action. Rounding out Coach Mitz's Frosh-Soph team were Freshman Steve Bederman and Sophomores Philip Sandler, Paul Mueller, and Don Goldman.

Junior Bob Mayers, number one man on the team and first singles player, is following through after a tough service.

A busy intramurals season became an integral part of North this year. Much of its success was due to the fine supervision of Mr. Thomas Meier. The fantastic spirit and enthusiasm of the whole student body made this the best year of intramurals Northi has ever seen. The year started off with the Cake Race, which was won on the senior level by Hall A's Gary Davis. Quickly the program shifted to the indoor sports of basketball and co-ed volleyball. Next year's IM program also promises to be varied and exciting.

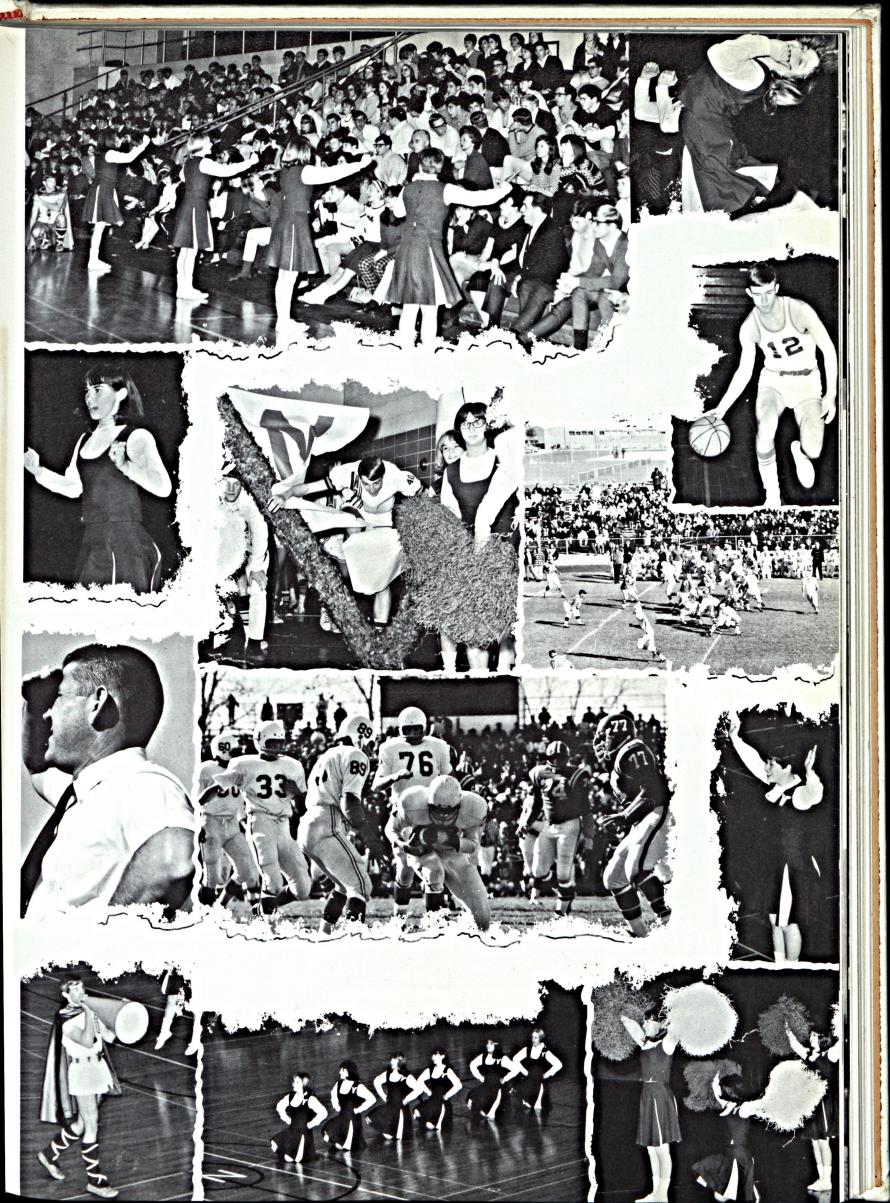

Bob Arvidson tries to dribble through Hall D's defense as Bob Powell closes in from behind.

Juniors scramble to acquire a loose ball.

Highlighting this year's IM program was the cake race. Here the winners are awarded their prizes by Mr. Robinson and Mr. Salek.

Smiling and sincere in their support for Niles North athletic teams are the Varsity Cheerleaders, **Back Row:** Caryn Edelson, Laurie Miles (alternate), Debbie Wollack, Dale Olsen. **Front Row:** Lois Berry, Karyn Clarkson, Marita Powell.

Varsity Cheerleaders Excite

As an eager fan and a skillful cheerleader, junior Dale Olsen expresses her enthusiasm.

Always peppy, vivacious, and ready to encourage the Viking teams is senior Caryn Edelson.

Senior Marita Powell, known especially for her dedication to cheerleading, exhibits her outstanding ability. As directors of organized chaos, the cheer-leaders have the gigantic responsibility of channeling all the noise and excitement of sports fans into a recognizable yell. Known for their enthusiasm, loyalty, and skill, they are the official representatives of Niles North and of the Viking spirit. Accompanying the skinned knees, pulled muscles, and hours of practice are many rewarding experiences --raising spirit in a crowd, yelling for a competent team, participating in the excitement and suspense of a game, and feeling proud of "the purple and white."

Viking mascot Dean Suffka arouses the spirit of the Viking spectators during Northi's football and basketball games.

Senior Lois Berry, with three years of cheering experience, sets an example of spirit. As captain of the Varsity squad, she exhibits constant energy and school pride.

Spirit for Viking Teams

Additional cheers and chants, pom-pom routines, pep assemblies, and improved form are several important areas on which the Varsity Cheerleaders concentrate. Cheering at all football and basketball games and attending many other athletic events, the Varsity squad enthusiastically supports the Vikings. In addition to leading cheers at the J. V. football and basketball games, the Junior Varsity squad is also present at various athletic contests. The Sophomore Cheerleaders cheer at many sophomore football and basketball games; they also attend swimming and wrestling meets held at North.

Constant practice and readiness to cheer are important qualities in a good cheerleader, like senior Laurie Miles.

Smiling and full of spirit, senior Karyn Clarkson enthusiastically cheers for another victory for the Vikings.

Junior Debbie Wollack, a lively member of the squad, leads the fans in a victory chant.

The Junior Varsity Cheerleaders, cheering for another Viking triumph, are, **Back Row:** Debbie Sowers, Holly Spielman, Barb Cohen, Terrie Shulman. **Front Row:** Captain Alison Sulkin, Barb Gerber.

J.V. Squad Arouses Pep, Enthusiasm

During a time-out, the J.V. squad gives a cheer for Niles.

As captain of the Junior Varsity squad, Alison Sulkin sets an example of spirit and skill.

In her second year of cheerleading, Captain llene Levy is constantly peppy and smiling.

Displaying their ability and form are the Sophomore Cheerleaders. **Back Row:** Franci Cook (alternate), Barb Dressler. **Front Row:** Jody Cassman, Ilene Levy, Rita Carlson.

Sophomores Cheer With Growing Spirit; Freshmen Learn Basics of Cheerleading

The Freshman Cheerleading Club, established to teach those who qualify the important fundamentals of cheering, includes many devoted Viking enthusiasts. **Back Row**: Geri Budnik, Debbie Friedman, Barb Oman, Daryl Brown, Vicki Lefferts, Dana Jones, Betty Botner. **Front Row**: Judy Caplan, Carol Goldman, Wendy Haynes, Ellyse Offenbach, Laura Belson, Shelley Rockowitz, Linda Schlesinger, Barb Hammond, Judy Greenberg, Terry Saltzberg, Geri Katz. **Not Pictured**: Pam Blachley.

G.A.A. Officers are: Back Row: Hillary Alfassa (Treasurer), Miss Moon (Sponsor), Karen Shatney (Secretary). Front Row: Heather Fair (Vice-President), Karla Kuhn (President).

G.A.A. Deals Full House Of Activities

Recreation, instruction, physical fitness, and leadership are important areas of the Girls' Athletic Association. Many opportunities are provided for the girls to pursue their own personal goals through G.A.A. Tryouts are held for Auroris (the modern dance club), Cygnettes (the swim club), and the Girls' Gymnastic Team, all of which are known for the high level of quality attained in their performances. The Tennis Team has fared well in inter-scholastic competition, and the Timers are effective and competent in the aid they give at various athletic meets. The entire G.A.A. also performs a service for the school through its perennially successful bake sales and enjoyable Co-ed Nights. It is apparent that G.A.A. has become a lasting tradition at North.

The organization and coordination of activities is dependent upon the G.A.A. Reid, H. Alfassa. Second Row: D. Hendricks, K. Shatney, H. Fair, K. Kuhn, K. Board. Back Row (I. to r.): P. Pinhasik, P. Rechel, G. Stevens, R. Warren, P. Landl, C. Neuhaus. First Row: A. Phillips, D. Ratner, E. Belokon.

The members of G.A.A. are kept active during their after school bake sales.

G.A.A. co-ed night is a night of fun, providing a chance for many to exhibit their skills in sports activities.

G.A.A. extra-curricular activities offer instruction and enjoyment for those involved.

Members of the Girls' Tennis Team, participating in inter-scholastic competition this year for the first time, are: **Back Row**: Jan Peterson, Stacy Beckman, Pam Reid, Sue Haugsness, Carol Rambert, Roberta Warren,

Debbie Hendricks. **Second Row:** Janet Douglas, Sue Melichar, Vicki Blackman, Merle Daar (captain), Pam Glick, Pam Scott, Bonnie Mayers. **Front Row:** Lina Rick, Adrienne Chagares, Janet Melman, Nabila Masarweh.

Tennis Team, Timers Increase in Scope

At swimming meets, the Timers have the responsibility of clocking and recording the times of each swimmer.

Assisting at all Viking swimming meets held at North is the Timers' Club. **Back Row**: M. Shiozaki, S. Schramm, L. Latiolais, M. Chulsky, M. Nordberg, N. Schy, K. Keefe, K. Hirsch. **Fifth Row**: E. Vikings Declare: Open Hunting Season, Let's Tan Their Hides

Braced by Friday's Pep Assembly and Twilight Pep Rally and Saturday morning's Parade, the Purple Horde swept the field and deftly pocketed their first victory. The home crowd, composed of both alumni and students, braved the stinging cold to watch their team conquer the Elk Grove Grenadiers. The colorful weekend was climaxed by the evening's dance, where Vikings celebrated the afternoon's triumph.

Keller Family Torn By Tragedy

Kate attempts to smooth brother George's (Al Hergott) ruffled feelings as Chris and Ann (Sue Handelman) watch.

"I didn't mean to do it, I didn't mean to do it," sobs Chris (Bob Seigel) as Kate (Kathy Betts) comforts him.

Neighbor Sue Bayliss (Marcia Freeman) expresses her resentment of Chris to his fiancee (Sue Handelman).

Arthur Miller's prize-winning "All My Sons" debuted on November 4th and 5th to an eager, absorbed audience. The power-packed drama of Joe Keller's struggle and blind determination to keep his family intact regardless of cost was received excellently by both student body and community.

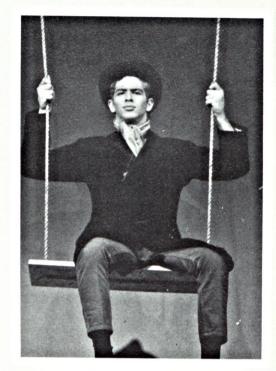

After learning why his son died, stunned Joe Keller (Steve Waller) speaks.
"To him they were all my sons— and I guess they were."

Children's Theatre A Sell-out

The introduction of the Children's Theatre delighted the group of over one thousand youngsters that viewed "The Wizard of Oz" on December 16 and 17. The familiar tale of Dorothy Gale's accidental visit to the strange and wonderful land of Oz was presented in what is undoubtedly the greatest success the Northi theatre has ever known. Her adventures with the Lion, Tin Man, Scarecrow, and the Munchkins, and her eventual return to Aunt Em and Uncle Henry firmly convinced the audience of the existence of the Land of Oz.

The Great Oz (Jamie Weiner) begins his trip back to his native Kansas.

Student Director, Curtiss Barron

Dorothy asks the Lion (Cary Libkin) and the Scarecrow (Al Hergott) if the Tin Man (Steve Baum) may join them on their journey to Emerald City.

Dorothy (Sue Rasof) sings of the land "somewhere over the rainbow."

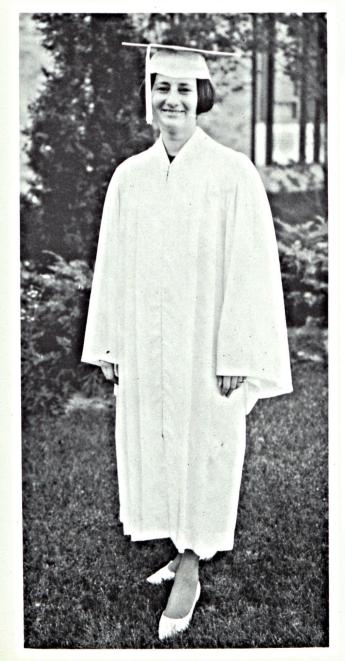

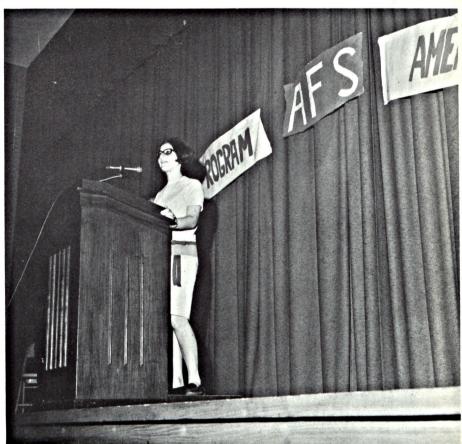

Mr. Hallberg and candy drive chairwoman Ellen Zucker sell Ester the first bar of chocolate.

Now in its third year of existence, the American Field Service has provided worthwhile experiences for many. The entire student body co-operates in a large-scale candy drive which raises the funds required to finance the program. This semester enough money was raised to support two students. This year, our foreign exchange student hailed from San Juan, Argentina. A pert young lady, Ester Putter soon accustomed herself to the American way of life, and we to hers.

Austria Invades Vikingdom

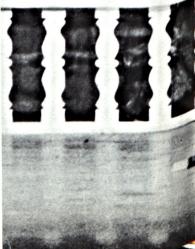

The simple story of Maria Rainer and the Von Trapp family was presented on March 16, 17 and 18 to an excitingly exuberant audience. The magnificence of the sets and costumes and the depth and realism of the cast's portrayals drew standing ovations at each performance. Through the combined efforts of the administration, faculty, and student body, *The Sound of Music* proved to be the biggest success in the dramatic department's history. One can honestly say that this production was the best in scope and magnitude that Northi has ever seen.

Max (Steve Waller), Captain von Trapp (Paul Roston), and Elsa (Sue Francke) sing of world conditions in "There's No Way To Stop It."

The Captain and Maria sing of their new found love.

I Want To Get In!

This year, the annual talent show innovated a completely new format. A steering committee of twelve was picked and the metamorphosis began. Stop the Show-I Want to Get In!, presented May 11, 12, and 13, is the result of nearly one year of hard work and dedication. An uncomplicated plot revolving around five lead characters backed by a standing company and an eighteen-piece stage band afforded more room for student participation. Co-Director Marcia Freeman and Kathy Betts took on the additional duties of staging and rehearsing the sixteen acts accepted during auditions. Student-designed sets, costumes and lights provided the integral background for Norsecapades '67.

With Honors for All

First place in sectional and fourth in state verse reading competitions are results of Jane Faintuch's talent and love of poetry.

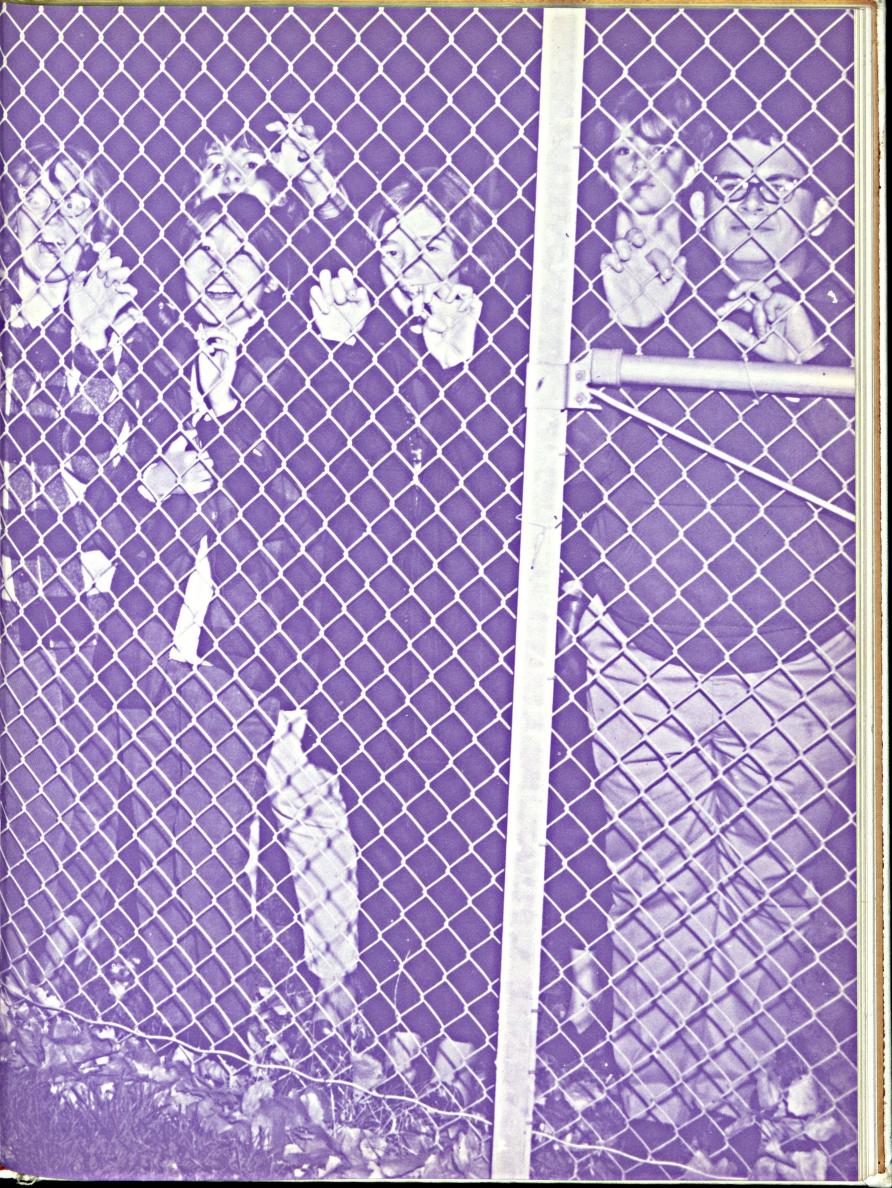

One of Northi's most accomplished orators is senior Bob Hammond, who placed 1st in the annual American Legion Speech Contest, and went on to district competition in Chicago.

"America or bust" was once a popular expression for Phillipa Halligan. Australian-born Phillipa was the recipient of a scholarship sponsored by the Rotary International Organization, and will be one of Northi's exchange students until December, 1967.

Seniors Win Last Hand

The seniors have finally reached the last hand in the game and have won the pot. The stakes of the future will be high and the cost of mistakes will be greater, but the past four years have helped make these seniors experienced players. These seniors have become the leaders of the school and have had to work hard to set a good example for the underclassmen who will rule

in the years to come. There were times, such as Senior Bermuda Day and Prom Weekend, when they could relax and enjoy the privileges given to the oldest class in the school. Yet, there have been other times, such as Graduation, when the seniors have remembered the four years of struggle which have helped prepare them for the vast game of life that lies ahead.

With PromOver, Juniors Goon to Final Deal

With the monumental task of managing the Prom, this year's Junior Class Board set out to raise funds in various manners. The fragrance of mums that filled the air that Homecoming weekend and those basketball programs scattered around the contest gym after each athletic battle are representative

of the Board's efforts to raise the capital necessary to finance Prom '67. However, this group has also sought to promote spirit and unify their class. They are moving through their four years at North and are nearing the final deal.

Carnival Gives Eager Sophomores Experience

Northi's carnival, a traditional event begun by the class of 1967, has always been organized and run by the Sophomore Class Board. This year's Board, no exception to the rule, continued to guide Northi's gala and, in addition, built on the heritage of two years past. As sophomores, they came to the realization that their two first years at North, proven successes, were the basis for the following years' accomplishments. In September of 1966, these students entered the building as willing workers and now, they leave, in June of 1967, as experienced leaders, eager to return for further opportunity to display their knowledge and leadership.

Class of 1970 Joins in Shuffle of Life

Eager to become involved in the shuffle of life at North, the newest and youngest class at Niles has been well guided by the Freshman Class Board. This anxious and ambitious group has spent many months in the formation of a solid foundation of experience. They have delved into and dis-

cussed the problems and discoveries of the enrolling student and have attempted to improve the situation for the students who, next year and in years to come, will grace the halls of Vikingdom. The class of 1970 will now move on to the next level of experience.

Acknowledgements

SAGA 1967, from its inception to its debut, has evolved from an intangible excitement to a tangible yearbook. Its pages reveal the staff's dedication, and indeed, our pleasure in creating every one of those 208 leaves. To those people who have seen this book through, from that warm July day of theme-thinking to the June distribution, go our thanks, One such person is our principal, Dr. Gilbert Weldy, whose faith in SAGA was a constant source of encouragement. To Mrs. Mary Howell, sponsor and divine inspiration, we extend what can only be an insufficient thank-you, for without her SAGA 1967 could not have been. Assistant sponsor, Mr. Theodore Beranis, who checked

copy, proofs, and layouts, has also played an important role in this "Shuffle of Life." We owe a debt of gratitude to Root Photographers and our publishers, The Norman King Company, for their professional assistance. From those of us who have worked on SAGA to those of you who have supported us from activity pictures and risers to graduation and bedlam-we give our deepest appreciation, for you are truly the essence of this and every "Shuffle of Life."

Sincerely,

Laurie Eisenberg and Jennifer Wagner SAGA '67 Co-Editors-in-chief
