FOR PRAYER • SIDE BY SIDE • HAND IN HAND

SKOKIE has become the focus of the World's attention -
Memories of Nazism and its recurrence in our time have been foisted upon our consciences.

WE RECALL THE HITLER HOLOCAUST:

Six Million Jews were tortured and slaughtered in the Concentration Camps, the Death
Factories of the "Final Solution," - the extinction of the Jewish People.

Seven Million additional People plus the victims of the War were sacrificed to racism,
to hatred, to defiance of God, and to contempt for His Image in the human person.

We join together to Affirm Before God that
WE ARE HIS PEOPLE!
