Worst Winter In Recent Times

The 1977-1978 winter was one of the worst winters in recent memory. We had the most snowfall for a winter ever. The 1969-1970 winter had the most snowfall for a winter, totalling 77 inches of snow. As of February 7, Chicago area had to shovel 73 inches of snow, just four inches shy of the record. The heavy snows closed schools and businesses, and forced car owners to shovel out plowed undered cars. However, this winter provided a skiers paradise.

Students Deserve A Break Today

On January 5, a large crowd of students from three area high schools, including Niles West, gathered in the Niles West Contest Gymnasium to take part in the filming of a television commercial for McDonald's. Over 100 people took part and the role of the students was to simulate a crowd scene at a high school basketball game and then, at a gymnastics meet. The filming lasted for four hours and for their time, the commercial's amateur participants were rewarded with McDonald's gift certificates. In addition, a 10-speed bicycle and a number of record albums were raffled off. At last check, not one of the "actors" or "actresses" was bound for Hollywood.

Sock Hops Provided Lots Of Fun

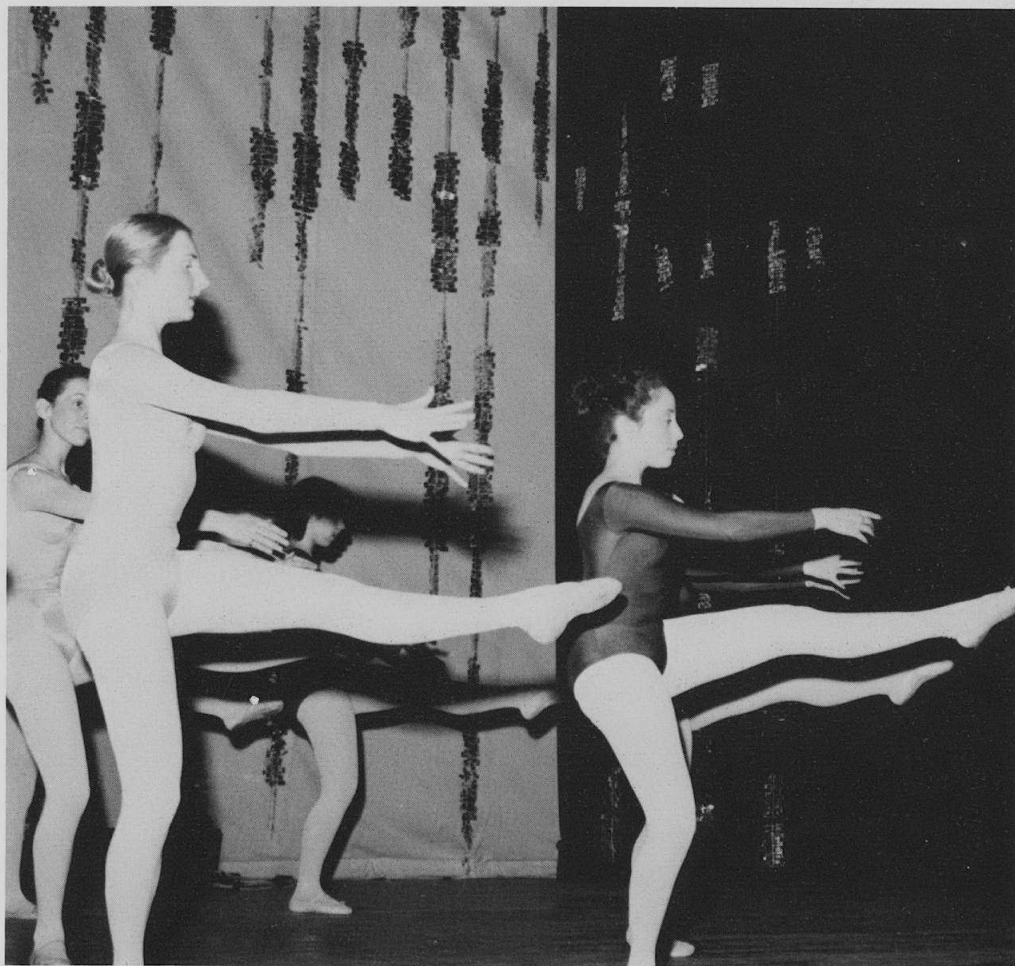

Throughout the year, the cheerleaders sponsored several sock hops after basketball games. This provided an opportunity for students to come together after a game and have a good time enjoying each other's company. On one occasion, January 20, musical entertainment was provided by the group Skullduggery. Despite the band's minor problems, that evening was a memorable experience for all.

For example, a world-wide concern today is the imminent extinction of certain animals, such as whales. This year club members worked hard getting signatures for a petition to save the whales. Besides this activity, the club took field trips to the Morton Arboretum, Goose Lake Prairie, and the Illinois State Beach.

horizons. Not only did they explore the world of German; they also enjoyed many other activities. Along with taking field trips to German Town and seeing German films, they built a float for the Homecoming parade, sponsored soccer games, went bowling and tobogganing,

and gave a Christmas party. The officers this year were Carol Krause, President; Mary Anne Szachowicz, Vice President; Kathy Hertler, Treasurer; and Kay Lee, Secretary. Mr. Brink and Miss Beck were the faculty sponsors.

Keep Your Guard Up

Non-swimmers may think this group is all wet, but, as Mr. Carl Geis (sponsor) knows, every swimming program needs

its safety guards. The Guard Club provided this service for the swimmers who used the Niles West pool this past year.

Demo Gymnasts Perform Locally

The Girls' Gymnastics Demonstration Team had a very successful year this year. Led by Coach Jean Armour, the girls practiced three days a week on the various pieces of apparatus. The officers were Co-captains Kim Kerbel and Sue Pavlik, and Co-secretaries Sue Dosse and Elisa Cohen. The girls performed on the balance beam, uneven bars, floor

exercise, and vaulting, as well as doing group tumbling and rhythmic gymnastics routines. They had many performances in front of the district's grammar schools, the Niles West Open House, and they even had a halftime performance at one of our football games. The girls worked very hard and put on excellent performances.

Foreigners Come To Visit

Did you ever think about what it would be like to live in another country or just visit it? If you have, you should think about joining AFS, American Field Services. The members of this club invited students and other people in the International Foreign Exchange Program to come to Niles West so that they can see how we live here and we can learn how people live in other countries. It was an interesting and educational experience for all the members involved.

The Backgammon Club, sponsored by English teacher John DuBois, is now an official club, after two years of being unofficial. The club served two main purposes: 1) To promote interest in the game of backgammon, and 2) to provide students with an organized forum for backgammon play that at the same time will foster friendship and good sportsmanship. Tournaments are also being organized with the backgammon clubs at Niles East and North.

Effect of Gamma Rays on Man in the Moon Marigolds, proved how talented the Niles West Thespians are. Among the many exciting activities planned this year were a dance marathon, a teacher's roast, and a Gong Show featuring student talent. However the most exciting events were the conferences, the Regional

Thespian Conference, hosted by Niles West; the State Conference in Bloomington/Normal in January, and the International Conference in Muncie Indiana where Niles West presented Mame. It was a year that Thespian members will remember for a long time to come.

There is more to dancing than meets the eye — or foot — as the Niles West Orchesis Dance Company discovered. This past year, they were busy practicing their numbers which they later performed in numerous shows. They had their annual show, “Steppin’ Out” in February and afterwards they were occupied with dancing in benefits and at junior high schools. A special extra: The club’s 38 members received a first-time-ever invitation to join the Niles West Band and Orchestra on tour. They traveled to New Orleans, where they danced while the Band and Orchestra played. A winning combination! Thanks to the efforts of officers: President Lori Kipnis, Vice-President Laura Kezdi, Secretary Darcie Ellyne, and Treasurer Ellen Fishbein, along with sponsor Josie Berns, the group’s fund raisers and other planned projects turned out successful. Keep it up, and Keep On Dancin’!

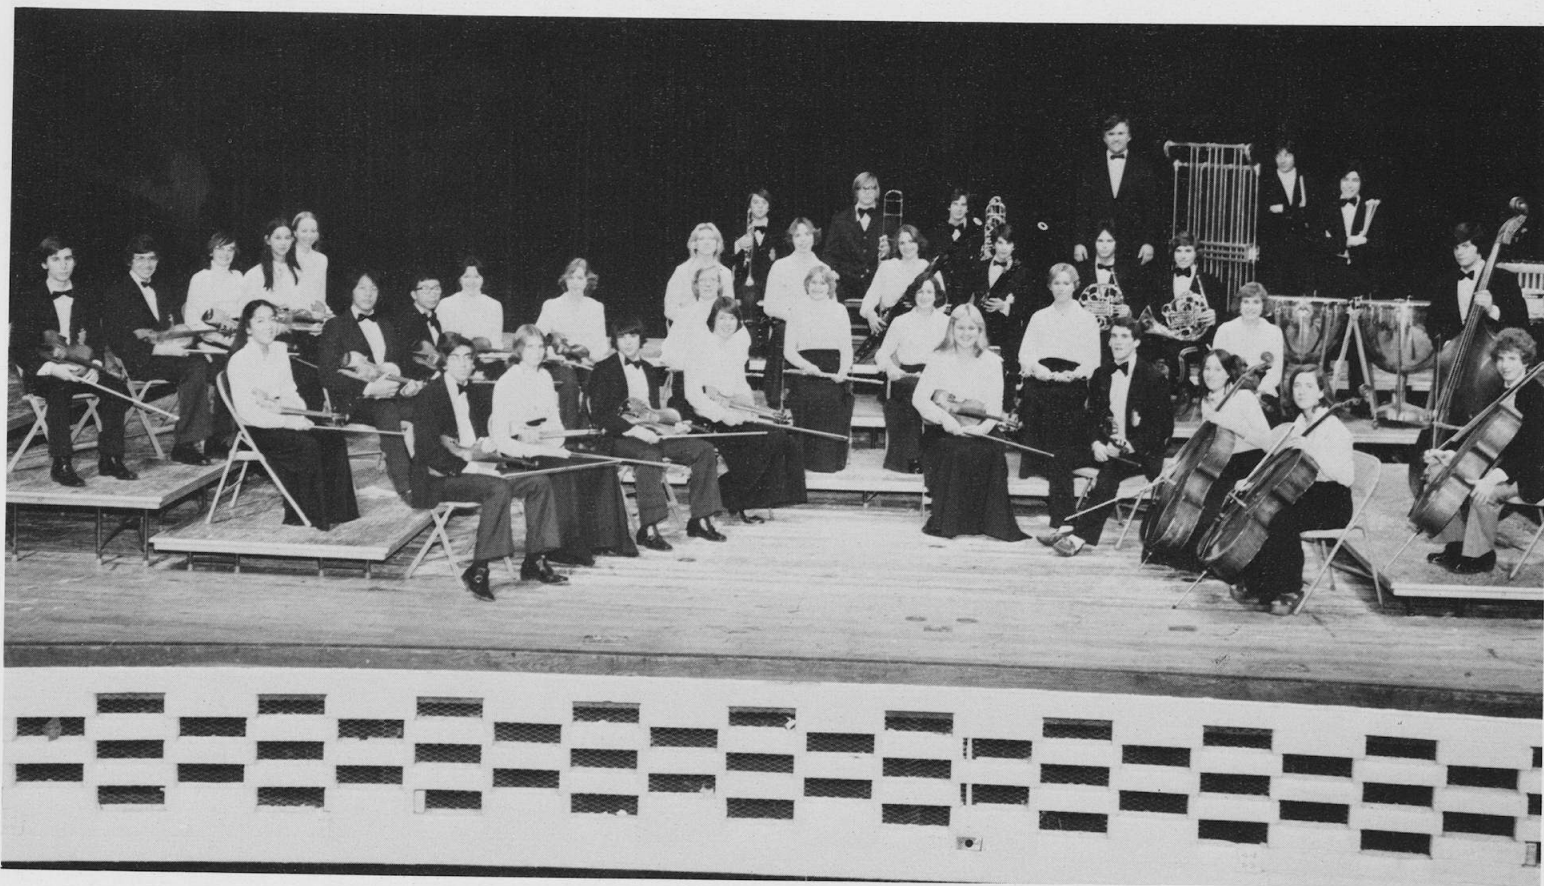

Music, Music, Music

The Niles West Concert Orchestra had another busy year. There were concerts in October and February, Holiday and May Festivals, and the IHSA and IMEA contests which involved both solo and ensemble entries. Several members of the orchestra were able to participate in

the state orchestra. The high point of the year was the tour to the city of the Super Bowl, New Orleans, during Spring Vacation. The orchestra also played for Open House, the Honors ceremony, and several elementary and junior high schools. Mr. Kaitchuck played a great part in the

orchestra's success. He was aided by GERALYN JUNG, President; PAMELA CHEN, Vice President; DONNA FOX, Secretary; and KAREN MORTON, Treasurer. Two other vital aides were the librarians, KATHY JAKIEL and STEWART STOLLER.

Students For Israel Unite

Schoolyear 1977-1978 saw increased interest in Israel, and the Niles West club responsible for supporting and informing about this unique nation was Students for Israel. Under the auspices of sponsor Itzhak Hoffman, and directed by President Eli Eisenstein, SFI sampled Israel through food, music, and discussions led by students who recently visited the

land. An innovative project attempted by the club was the publishing of a Hebrew-English newsletter, containing information pertaining to the complex

Middle East situation. These projects, combined with increased membership, led to a successful year for Students for Israel at Niles West.

Students Addicted To Photography

Dedicated to turning any minor interest in photography into a major addiction, photo Club offered its members an opportunity to share ideas and techniques and the use of its black and white dark-

Leaders Help Teachers

Sophomores, juniors, and seniors helping gym teachers and themselves. This is what the girl's leader program is all about. This club, sponsored by Mrs. Arlene Mulder, meets daily thru their classroom activities and when needed after school. In addition to helping teachers and fellow students, this club tries to help the girls enhance their leadership qualities, gain confidence in working with groups, and improve their organizational techniques and directional ability. The Leaders also provide more individual help to the other girls in class. The leaders program is broken into three levels. Sophomore leaders which has 40 members, junior leaders that had 38 members, and senior leaders which has 22 members. Seniors Jody Frank and Lori Kipnis are this year's officers.

Yearbook Puts It All Together

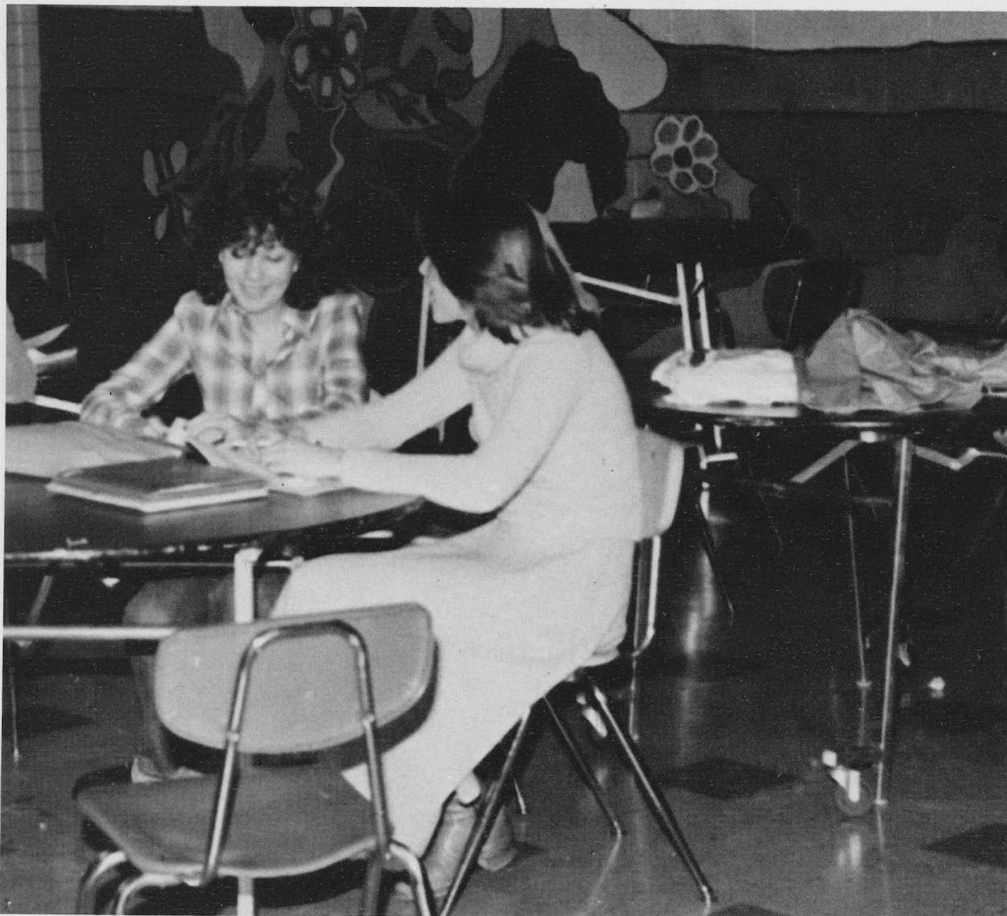

The Spectrum staff's brilliant wit, creativity, ingenuity, diligence and expertise were exhibited at times to put this year's yearbook together. Editor Ron Stein, and section editors Jason Ben-Zeev, Scott Newman, Marcy Maslov, Len Tao, Sue Elbin, Ellen Freedman and Rita Maron, and sponsor Jim Nowakowski and the rest of the staff all worked hard (even on non-school days) to give everyone this treasure chest full of memories. This was Mr. Parker's first year as Technical Director, and he took control right away.

Students Not Boared With Activities

The Student Activities Board once again provided Niles West Students with a fun-filled year. Among the most successful activities was Homecoming '77. Included in this was the queen elections, pep rally, ice cream social and of course the Homecoming Dance. None of this could have been accomplished without the encouragement and guidance of Larry and Nancy Erickson. S.A.B. also planned the winter dance, Valentine's Dance and the Sock Hop. S.A.B. is constantly planning and busy thinking of events for the enjoyment of the students.

SRA Leads the Way For Students

Do you think school policies are unfair? Would you like to have a voice in the way this school is run? Then the Student Representative Assembly is the organization for you. Supervised by sponsor Gerry Boevers, the group investigated many policies, notably the withdraw/failing policy instituted over the summer. They also organized a coed gym program and set up a system for student tutoring, in cooperation with the National Honors Society. The officers of the organization were President Henry Strub, Vice-President Jeff Leavitt, and Secretary-Treasurer Audrey Wolff. The SRA strengthened bonds with the administrators through better communication.

Although they got off to a slow start, the 1977-78 Varsity Soccer team was pleased with the type of soccer they played. According to Coach Peter Zorn, the young squad improved with every game, and even though they were hampered by injuries to key players, the kickers never gave up. The group was hurt by a lack of experience for most of the season, but towards the end of the season everything began to click. They achieved their main goal of becoming an excellent passing team and everyone felt they were in every game. They were a very competitive team, and a pleasant group to work with. Excellent goaltending was received by Roland Sauer and Gary Kaplan, and other outstanding performances were given by senior forwards Bill Porter, Peter Piro, and Rich Korb and halfbacks Christ Salafatinos, John Kim, Mike Conner, and Larry Siers. Junior John Kim and Seniors Christ Salafatinos and Rich Korb were named to the all-conference team, and most valuable player was voted to be Christ Salafatinos.

Sophomores Look Toward Future

The 1977-78 Sophomore Soccer team, under Coach John Burkel, showed great improvement. They had a very disappointing beginning but came on strong at the end to almost upset the conference champs. The sophomores should combine with this year's juniors to form a very strong varsity team next year.

Frosh A Kick the Conference

The 1977-78 Freshman A Soccer team enjoyed one of its finest seasons this year in posting a remarkable 11-1 overall season record. The Conference Champions were 6-0 in conference and Coach Porter called it "the finest team" he's ever had the pleasure to coach. The team established three new records: most individual goals in a season by Ben Piro (34), most team goals (over 70), and most goals in one game (13). Coach Porter definitely felt his team's success could be attributed to a great team effort. The defense was superior in letting in only 18 goals the entire season. Out of four previous conference champions, Coach Porter felt this team was by far the best. Niles West looks forward to seeing a great varsity team next year.

Frosh B. Kickers Undeclared

The 1977-78 Freshman B Soccer Team, coached by Marv Klebba, recorded an undefeated season as they defeated such teams as Niles North, Evanston, New Trier East and West, and tied Glenbrook North. The coach was extremely pleased with his team's performance, proudly pointed out that his team was unscored upon in 30 consecutive quarters. The team was a good group, very lively and aggressive, and they had good depth. Outstanding players were Mark Sternberg, Mike Happers, Bernie Ebeling, Ariel Eselevsky, Mike Schmidt, Dave Weindling, and Steve Hartzten.

Another outstanding golfer was Eric Carlson, and other members of the team were Bruce Dolin, Dave Balin, Ross Benjoya, Roland Lepik, Paul Filgut, Bruce Hoffin, Bob Krause and Scott Newman. Bad weather was an important factor in this season's failure.

The 1977-78 Frosh-Soph Golf team, under new coach Gene Earl, had a mediocre season, finishing with a record of 4-9. One highlight of the season was winning a match against Glenbrook South, second place conference winners. Excellent performance was given by Erlindo Evaristo, and other members of the team were Rick Levine, Rob Fisher, Steve Tobin, Rob Chapman, Curt Warchol, and John Malkin.

Varsity Runners Surprisingly Good

The 1977-78 Varsity Cross Country team was a pleasant surprise this year as they ended their winning season with a 10-6 record. This year saw the squad win more trophies since their 1973 league championship, and according to Coach Pat Savage, this was due to the heavy emphasis on invitational meets. The team was a hard-working group with a good attitude towards running. Outstanding runners were Rick Arendt, voted most valuable player; Scott Noren, Captain Mike Okazaki, named to All-Conference, Rick Bedony, Nick Porcaro, Adam Keno, and Jeff Brotman.

Fresh Talent Spurs Frosh/Soph

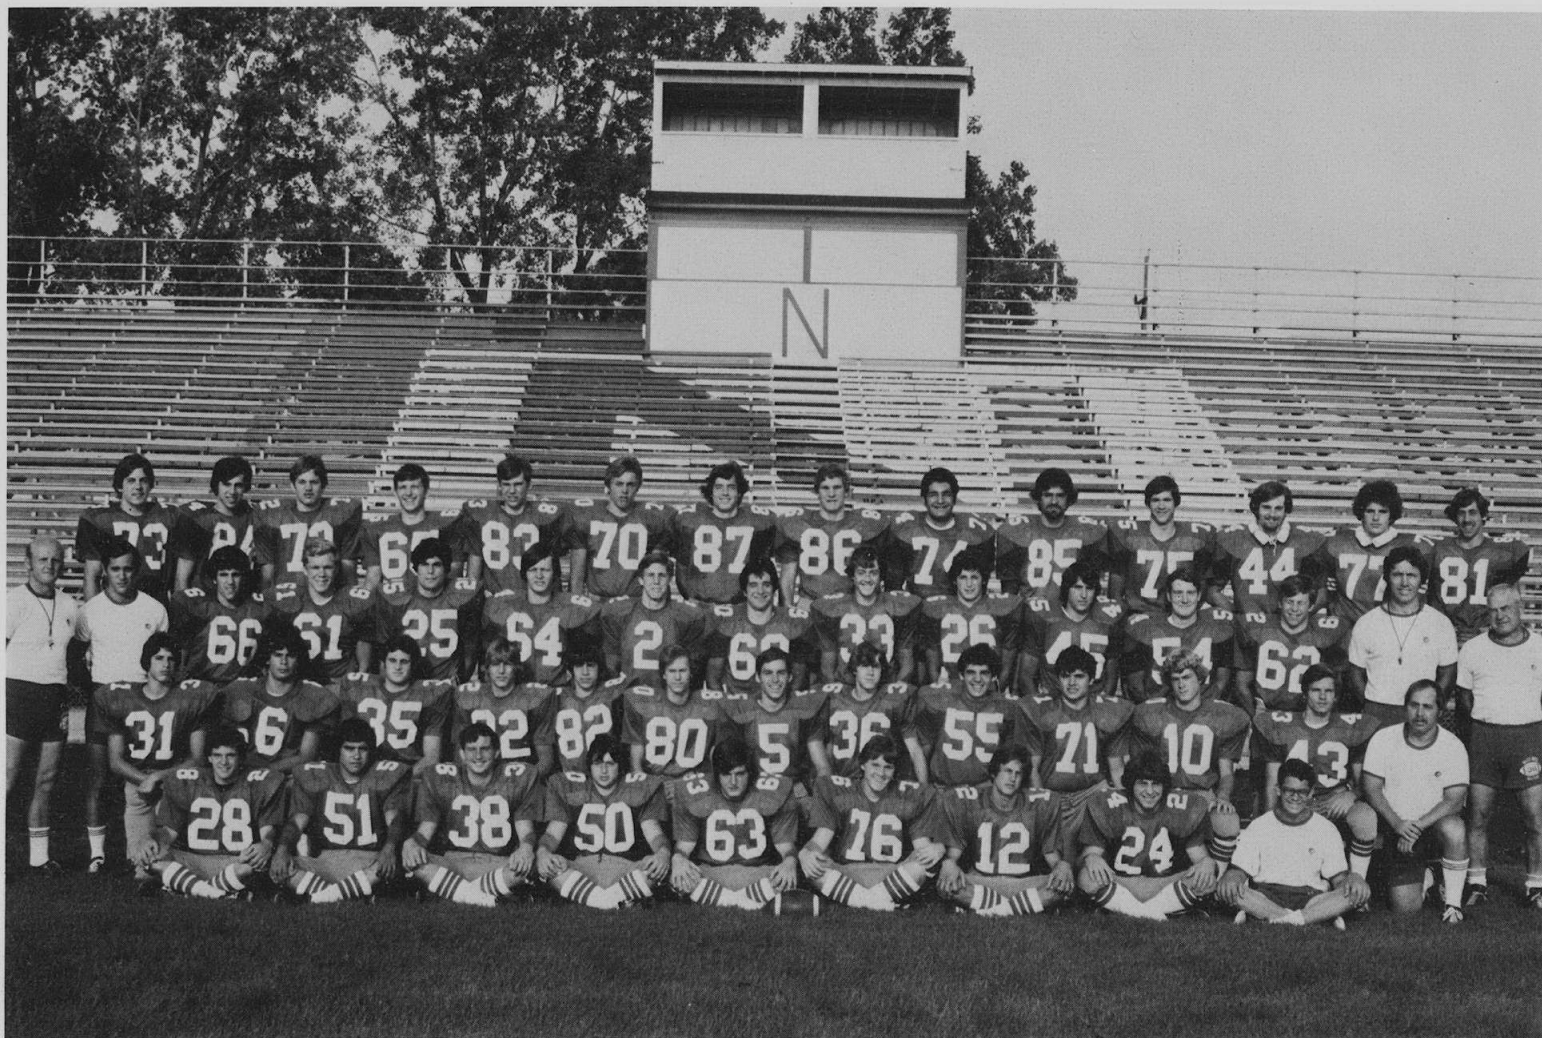

The 1977-78 Frosh/Soph Cross Country team did exceedingly well, with the Freshmen ending their season with a 10-7 record and the Sophomores completing their year with a 10-6 record. This season also brought the squad its first female runner, Tawny Hammond, who took sixth place in the CSL Invitational. Other outstanding players were John Quinn, Gregg Simon, Jay Hill, Steve Mersch, Ken Klemm, Steve Lirtzman, and Rob Gussin.

Although the 1977-78 Varsity Football Squad had a less than successful year, individual players put on an outstanding show. Four members of the team were All-Conference selections; Bob Deleonardis, Jim DiBasilio, Kent Abrahamson, John Coursey, and Toni Coletto. Coach Don Huff felt the team had great potential, but had to contend with such powers as Glenbrook South, Maine East, St. Viator, and Deerfield.

In this unfortunate year for Niles West football there was one shining star: the 1977-78 Sophomore Football team. Under the direction of first-year coach Bill Mitz, the sophomores battled to an 8-1 record and to a first place in conference. The team had everything: size, speed, and intelligence, and they developed a sense of pride in their play. Main goals for the team were to extend and build on their skills and to win the conference, and they knew they were on their way to a great season when they started off with big wins against Niles East, Evanston, and St. Viator. Coach Mitz said that the group was a pleasure to work with. He looks forward to the next few years with them. Outstanding gridgers were Jim Sliwa, Morgan Cuff, Chris Lapak, Ben Froemming, Marty Walsh, Frank Fornaris, John Valenziano, Al Moltz, Lee Noren, and Phil Chen. NOTE: The sports staff would like to extend our sincere thanks to the sophomores for their cooperation and understanding.

Frosh A Lacked Team Speed

The 0-6-2 record of the Frosh A football team was disappointing but the squad lacked the speed at vital skill positions for a successful season. The defense was performed well, according to Coach Bauer, and he cited outstanding players Bob Fouty, Jerry Coursey, Bill Krause, Matt Schleuter and Bob Peterson.

Girl Netters 10th in the State

In one of the finest seasons ever, the 1977-78 Girls' Varsity Tennis team, placed tenth in the State Meet. The girls won the conference title, with 2nd Doubles team Andy Brody and Shirley Cohen and 3rd Doubles team Marla Tobin and Diane Goldstick taking firsts and upsetting the Glenbrook North Dynasty. The squad overcame Niles East and Evanston to win the District title, as Holly Bland won the District Singles Championship, Jill Mishkin took the 4th place medal, and Andy Brody and Sharon Cooper captured the 2nd place medal. These four, Holly Bland, Jill Mishkin, Andy Brody, and Sharon Cooper, qualified for the State Meet and earned enough points to put the team in tenth place. Coach Arlene Mulder was very pleased with this season, and optimistically looks forward to an even better season next year.

Work on individual skills was the main focal point of the 1977-78 Girls' Junior Varsity Volleyball team, as they strived for improvement in fundamentals. Coach Terry Kimura was extremely pleased with the team's performance this year, noting that the girls always gave their best and had a great attitude. She is looking forward to next year.

The Varsity Gymnastics squad began its season with very high goals as a team, but lost some potentially excellent key members as the season progressed. As a result, the team goals were readjusted to individual goals, and the team's finishing record was 3-8. Coach Armour was not disappointed in the season because the individuals accomplished the goals they set for themselves. The boys placed fourth out of seven in Conference, and Dave Goone and Ben Fox won conference championships in rings and all-around, respectively. Coach Armour called these boys a "coach's dream" since they had a tremendous desire to do well and gave total effort. Fox also was the parallel bars district champion, and other members included Mike Segal, Dale Todd and Bob Strassman.

This year's Sophomore Gymnastic squad proved to be one of great promise. Despite their mediocre finishing record, Coach Mitch Nelson was very pleased with the team's overall performance. Coach Nelson felt that if the team kept up their hard work, they would be an excellent varsity squad. The team was led by sophs Bill Reichle, Rod Goodman, Pete Masterton, and freshmen Bob Todd and Scott Thomason. Reichle was a constant high scorer and took first place in Conference for tumbling, while Thomason took first in vaulting.

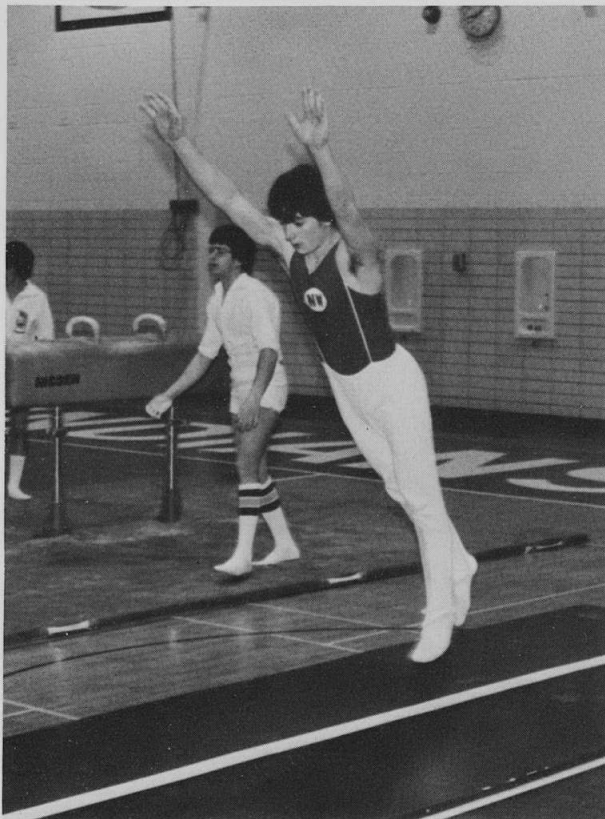

Conference Champs Thrive on Competition

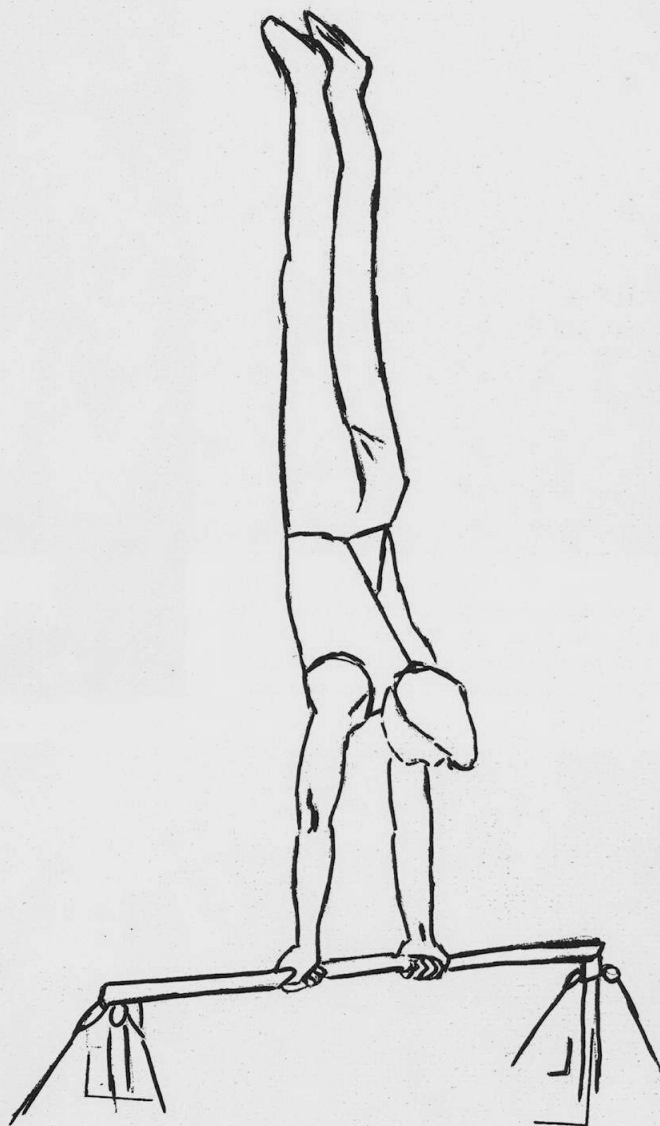

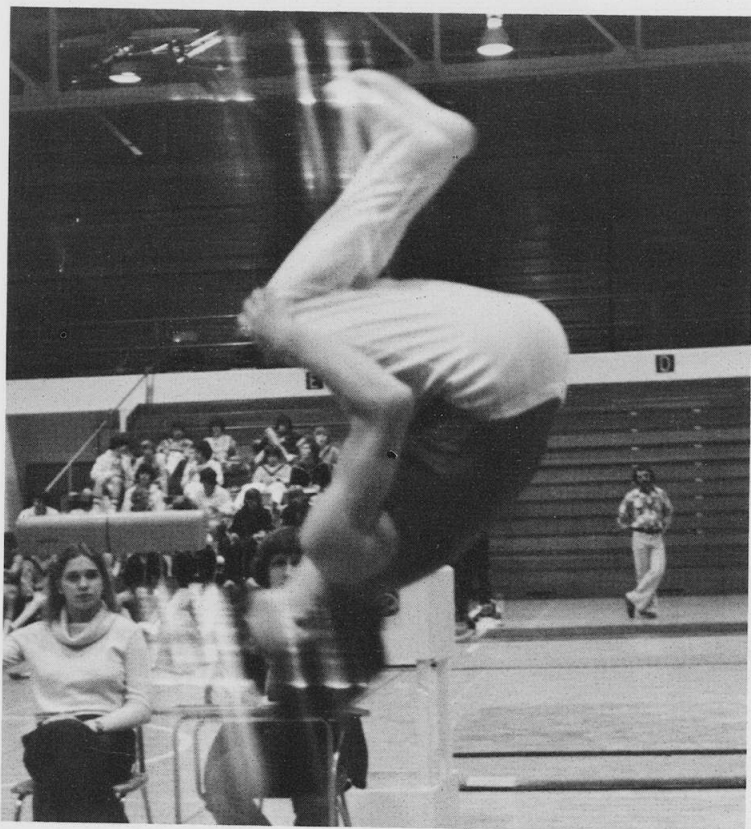

"An excellent season!" was Coach Batista's opinion on his 1977-1978 Conference Champion Freshman Gymnastics team. The team's record was 6-3 overall and 6-0 in conference. Outstanding gymnasts were Bob Todd and Scott Thomason, with both competition in all-around competition. Coach Batista labeled the turning point of the season as the first conference victory, since they had lost time all previous meets up until that time. The team exemplified great spirit in working and helping each other, and Coach Batista felt that the team thrived on competition.

Unfortunately for everyone concerned, the 1977-78 Varsity Basketball team's Little Red Machine did not work as smoothly as we all had hoped. But, never fear, there were some good points of the season! Coach Bob Murphy was pleased with the improvement of individuals during the season; namely David Hendley and Greg Stec. The coach stressed that this was a learning experience for him and that he enjoyed working with the team. Goals that were accomplished were getting the freshmen and sophomore teams to perform similarly in philosophy and having the underclass teams win more games. Coach Murphy enjoyed the challenge of trying to develop a team attitude in the players, and is very optimistic about the coming season. Leading scorers for the team were Chuck Dubas, Paul Travlos, and Morgan Cuff, and outstanding rebounders were Ken Madziarek, Paul Travlos, and Chuck Dubas.

Defense seemed to be a strong point of the Sophs' game, although they did seem to fold in tight moments. There is a lot of potential for this group, aided by the excellent play of Scott Strongin, Don Pieper, Joe Morgan, and Steve Rivkin.

Teamwork Results In Conference Championship

The 1977-78 Freshman "A" Basketball team had a truly outstanding season this year, with Coach Larry Minor emphasizing the exceptional team effort of his group. The boys played with great determination and effort in all of their games, exemplifying the theory that hard work pays off and resulting in a winning record. Excellent performances were turned in by such people as Bob Fouty and Marty Gerald, but the importance of the 'team' concept was the real key to the team's success. This team has a bright future ahead of them.

Niles West's Varsity grapplers had another excellent season this year. What the team lacked in numbers, the team made up for in effort and determination. Though the record of the team was not outstanding, the wrestlers did defeat good teams at Deerfield and New Trier West. The squad focused upon individual goals, and it showed as Bill Porter at 112 pounds went undefeated in beating 26 opponents and took third place in State Competition. Bill has broken and holds all the records at Niles West including most pins in a season, most wins in a season, and most pins in four years of varsity competition. Other outstanding wrestlers included Pat Shemroske, Rich Korb, and Joe Catrone.

Confidence. This was the main goal of the 1977-78 Sophomore Wrestling team, according to Coach Bill Mitz. The coach was pleased with this hard-working group's performance, although he had to contend with the problem of a small turnout. Coach Mitz believes the team will do well next year, but he would like to see more people come out for the team. Chris LaPak, Al Moltz, Rob Peterson, and Howard Stolberg were some of the outstanding performers.

Girl Gymnasts Have Routine Season

The 1977-78 Girls' Gymnastics team, under new head coach John Burkel, had a routine season — routine, that is, because they were always winning. At the time this publication was sent to press the team was in second place in the conference with a 9-1 record and two remaining dual meets. Some of the highlights of the season were: taking third place in the Niles West Invitational, which according to the Chicago Tribune was the largest and most colorful sports event in the country; winning the township championship, which they have never lost; and having one hundred per cent cooperation from both parents and gymnasts to help ensure the success of the season. According to Coach Burkel, the girls' discipline, desire to learn, drive for excellence, and cooperation were fantastic; he has never had a more positive team and it was a pleasure. He also appreciated the help of assistant coach Judi Sloan and dance specialist Jean Armour, and sited Judy Buffo, co-captain Kim Kerbel, Wendy Wallach, Allyson Pollack, Nancy Buffo, Janice Gear, Sue Friedlander, Janice Ross, Jodi Treitler, Donna Zoros, and Karen Loiacano for their outstanding performances.

Eight returning players from last year's super-sectional winning team spurred the 1977-78 Girls' Varsity Basketball team to victory. The squad started off the season better than Coach Arlene Mulder had expected by winning the Evanston Tournament, but the season wasn't all fun and games. "Intensity" was a key word for the group, as they strived to achieve their goal of playing four intense quarters with a minimum of errors and a maximum of potential. The girls concentrated on improving their own individual parts of the game, and worked hard to accomplish a level of skill well polished and skilled. Coach Mulder was pleased with the team's discipline, dedication, and good sportsmanship, and was also pleased with the excellent junior varsity performance. The JV, coached by Nancy Majewski, followed in the Varsity's footsteps and built up a winning season of their own. Special mention should be made of the girls' fine performance in state tournament, where they reached super sectional competition before bowing to Dundee 73-70.

Varsity team members were: Barb Atsaves, Judy Becker, Bridget Berglund, Shirley Cohen, Connie Erickson, Diana Hintz, Missy Isaacson, Peggy Japely, JoAnn Vollman, and Karen Wikstrom. The three main goals of this group were to develop basic skills, to form an idea of teamwork, and to acquire a love of basketball, which Coach Tulla Terpinas believed they did accomplish. The coach said that the girls' attitude was fantastic and that everyone worked hard. They realized that as a team they had to stick together; a most important idea necessary for a successful team. Next year looks very promising for this young group of freshmen, comprised of Donna Anderson, Jill Boepple, Donna Gabel, Rose Goppert, Nancy Gussin, Linda Hanssen, Karen Hirsch, Mary Klancnik, Betsy Kraft, Karen Memmott, Barb Parks, Julie Shurson, Edie Vass, and Lori Zelichman.

Outstanding Freshmen were Erlindo Evaristo, Victor Wu, Steve Rosenblum, Steve Bychowski, Dan Zeller, Mark McCormick, Steve Thill, Howard Cohan, and Mike Haupters. In one of the best seasons ever, Coach Shari Kouba, Assistant Coach Gary Davis, and the 1977-78 Girls' Swim team performed exceedingly well. They defeated such powerhouses as Maine East, East Leyden, Maine North, and rival sister schools Niles East and North to complete the season with a 5-6 record. Coach Kouba was quite pleased with the team's improvement, and claimed that the team spirit was good. High points of the season were breaking five school records: 100 yd. backstroke — Terry Sonne; 200 yd. freestyle — Terry Sonne; 100 yd. freestyle — Terry Sonne; 500 yd. freestyle — Mirtha Lipezker; and 400 yd. relay free style — Terry Sonne, Laura Masters, Marsha Robin, and Chris Darville. Other talented swimmers included Reta Krozel and Karen Gutenkauf in diving and Cindy Jocum.

For the 1977-78 Girls Bowling Team, this season was a building season. Only four returning girls, three of them seniors, had any experience in team play, and the team was hurt mostly by their lack of experience. The Varsity squad placed fourth in their Conference, as did Junior Varsity. The team, according to Coach Lucile Swift, was a cooperative group that worked very hard, and she is looking forward to next year, when she hopes the knowledge they have gained will aid them. Outstanding players include Lauren Hirsch, Mary Mueller, Sharon Serota, Patty Dong, Sara Riha, Jill Wedel, and Lori Spector.

Varsity Tankers Splash Up a Winning Season

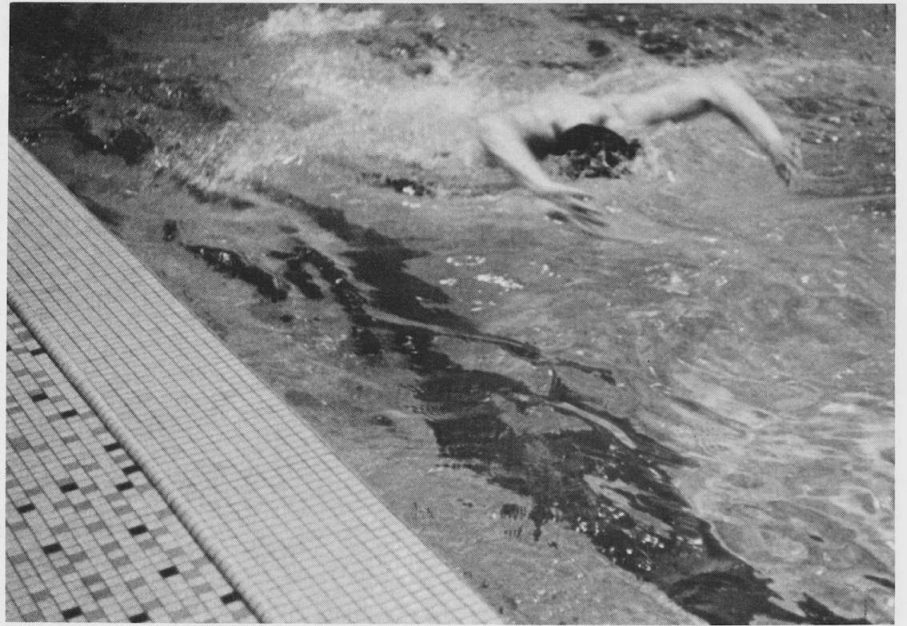

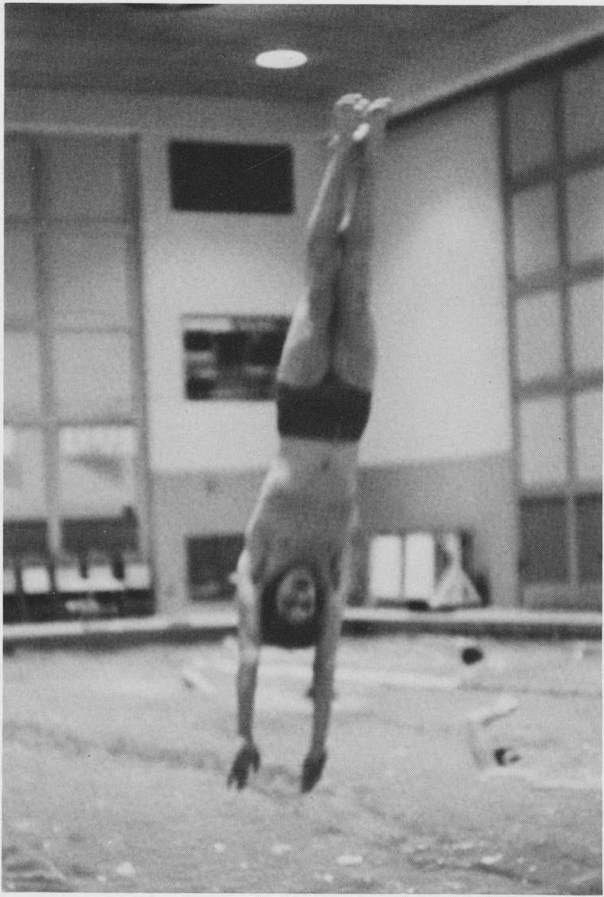

The varsity swim team, under head coach Glenn Anderson, improved greatly over last year. An excellent performance was given by Jay Cameron, who broke the 100 meter freestyle at the beginning of the year. John Benbow, Jim McLean, Gary Robin, Ed Klancnik, and freshman Art Milbrandt were other exceptional athletes, and Art Milbrandt became the fastest incoming freshman ever. The season started off well, and the team had high hopes to go down state with a four-man relay team. Coach Anderson hopes that next year's team will be even more prosperous in their underwater endeavors.

Tankers Swim Like Fish

The 1977-78 Junior Varsity Tankers showed that this year will prove to be very successful. Having many upcoming freshmen and sophomores, they proved that hard work and dedication paid off. Although the swimmers with the best times were moved up to the varsity squad, there were still many excellent JV members, including Steve Sobczak, Leif Berg, Ron Kobaleski, Chris Duda, Ted Smith, Steve Hueler, Len Travis, and Mike Silverman. Coach Mark Recher said that the boys were devoted, hard-working, and responsible. He felt that they were very good swimmers and he sees great opportunity for the boys next year.

The 1977-78 Niles West Varsity Outdoor Track team enjoyed a fine season this year. Coach Savage felt the team morale was excellent and this was definitely a contributing factor to Niles West's Success. Outstanding trackmen were Bruce Weil, Nestor Evaristo, Nick Porcaro, Mike Torres, and captain Mike Okazaki. The outlook for next year is excellent, with many returning varsity members.

Obstacles were plentiful for the 1977-78 Girls track team, but they overcame all of them to enjoy an excellent season. There was a lot of potential on this squad, and it showed early in the season as they defeated powerhouse Maine East. Competition had just gotten underway at the time of this writing, but Coach Jean Armour was very hopeful of her team's chances in league and state competition. She was also very pleased with the team's performance, stating that everyone had a positive attitude towards the sport and that every girl put out one-hundred percent effort. Outstanding athletes were Nancy Balmes, Nancy Eck, Maria Koclanis, Laurie Goodman, Tawny Hammond, Barb Braje, and Cindy Nawesniak.

Girls Softball

The 1977-78 girls softball team "looked good," according to Coach Lee Heeren. The team's goals were consistency and concentration, and they had superior strength in their offense; mainly their quickness and their hitting. Outstanding performances were turned in by Lauren Hirsch, catcher, Karen Erickson and Erin Gallagher pitchers. At the Junior Varsity Level, there was a lot of experience. There were many returning members, and they looked very impressive. Next year should be quite good for the girls softball team.

The 1977-78 Niles West Varsity Baseball team looked like a definite contender for the conference championship. Coach Billy Schnurr, in his first year after taking over the reigns from Coach Phipps, believed the team was an unexceptionally strong hitting club. Coach Schnurr said that the team was aggressive on the bases and he looked for a consistent pitching staff, especially against Maine East and Maine West, who were major challengers of Niles West for the conference crown. Niles West's captains were Jim DiBasilio, Ken Weiser, Rick Zera and Bob DeLeonardis.

Frosh-Soph Netters Have Gratifying Season

If anything at all hurt the boy's Frosh-Soph tennis team this year, like bad weather at the start of the season, it didn't show a bit. Despite the fact that they were able to have only four pre-season practices, Coach Dean Krone said, "The general performance level was greater than I expected."

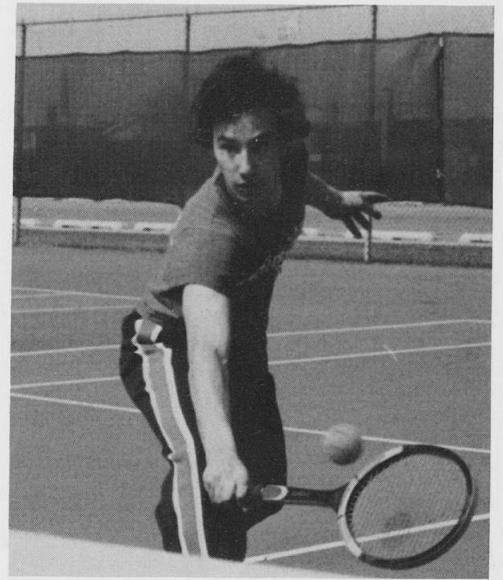

Led by sophomores Steve Rivkin, Paul Meister, Dan Bernstein, and Ken Klein, and by Freshmen Neal Marcus and Rob Chapman, the team ended up with a respectable record and above all showed that Niles West will have a promising varsity squad in the future.

School Board Directs District

The Niles Township School Board was kept busy forming, changing, and dropping policies for the district. They were especially occupied with the closing of Niles East or North buildings. They also tried to unify the district in courses, departments, and structure. This was to make the schools' objectives equal and make grade weighting equal in the district.

Principal Participates

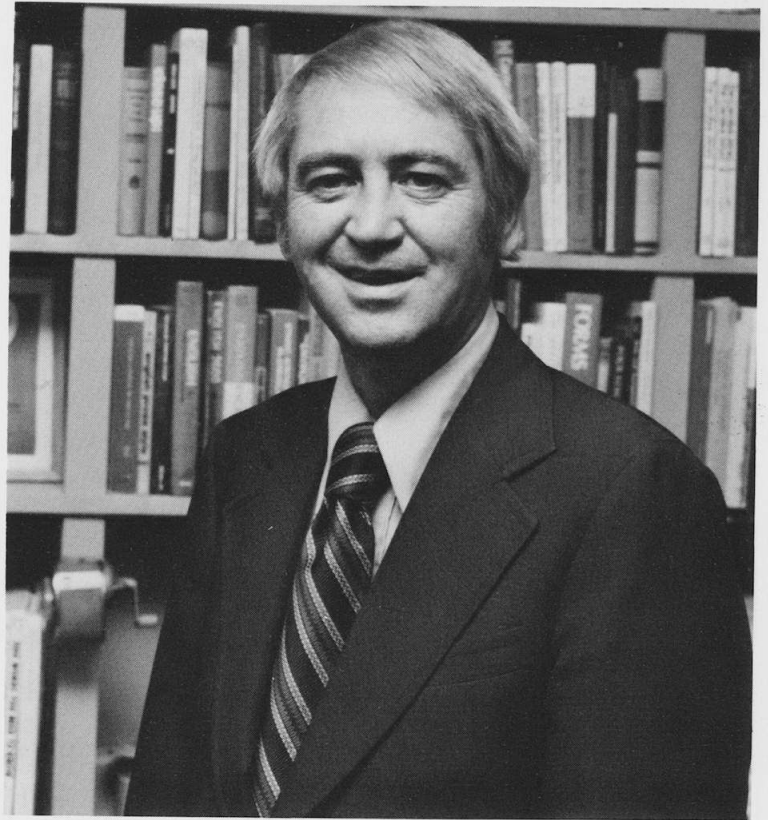

Dr. Nicholas Mannos was the chief administrator of the building. He had nine administrators under him; six departmental directors, two deans, and a building manager, as well as 143 professional staff members. These included counselors, nurses, social workers, psychologist, learning disability teachers, librarians, reading specialist, speech correctionist, and Action Learning Center teachers. The principal served on several committees in the district, such as S.F.A.A., E.P.A.C., and P.T.S.A., as well as many organizations outside the district. Dr. Mannos was on the Illinois High School Association (I.H.S.A.) Board of Directors for three years, in which he was very active in forming a good girls' gym program. He was also a member of the National Association of Secondary School Principals and the Illinois Principal's Association. The job of being a principal took a great deal of responsibility, including the coordination of the administrative team, supervising education, preparing and supplementing the budget, implementing school board policy, and supervising the day to day processes of the staff.

Art Promotes Creativity

The Art Department, as always, had a wide variety and comprehensive program. Courses included painting, drawing, sculpturing, ceramics, and graphic designing. All of these classes aided in the students' abilities to observe, a worthwhile skill to obtain.

Their main purpose was to allow students to gain an awareness of art. Their greatest regret was that more Niles West students didn't participate. The Art Council though, was busy this past year. They finished their mural of Dr. Mannos.

Business Ed. Adds Two Clubs

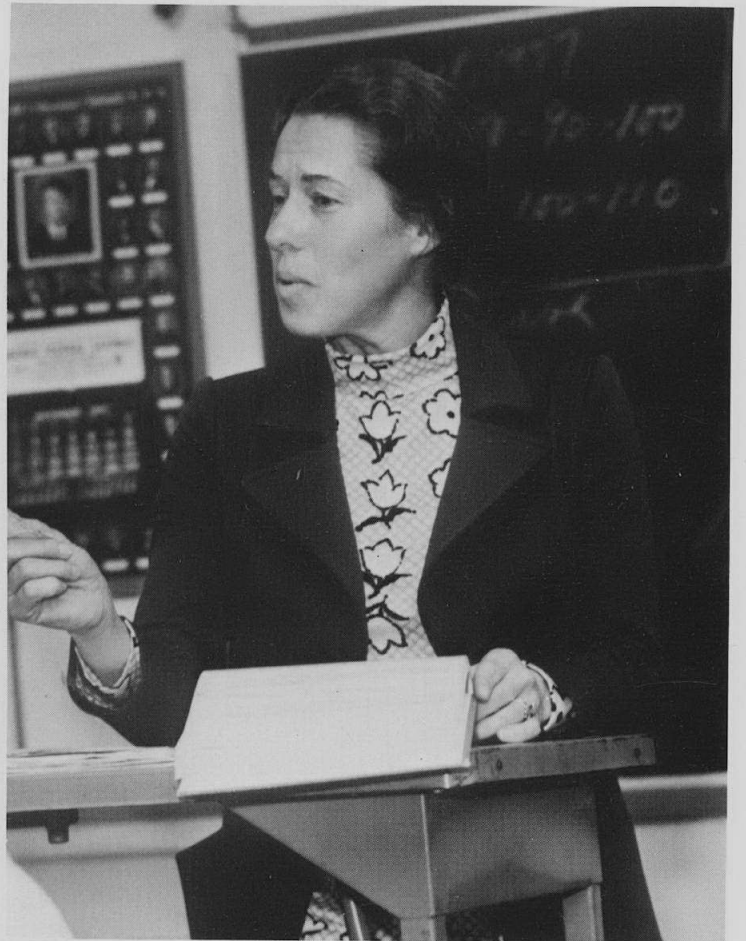

The Business Ed. Department, this past year, offered two new clubs for its students. These clubs, Distributive Educator Clubs of America (DECA) and Office Occupations Club, let students use the skills they had learned to compete on a national level. Foreign Languages Are Useful — “It’s A Small World”

The aim of this year’s Foreign Language Department was to bring the languages closer to the students. Cultural activities were coordinated by the Foreign Clubs. The American Field Service (AFS) program was utilized to help bring excitement about cultures and languages to the students at West. AFS also aided in showing the practical use of languages. As a result of having many more foreign students coming to West the English as a Second Language Program (ESL) was also improved.

Gym Department Changes Program

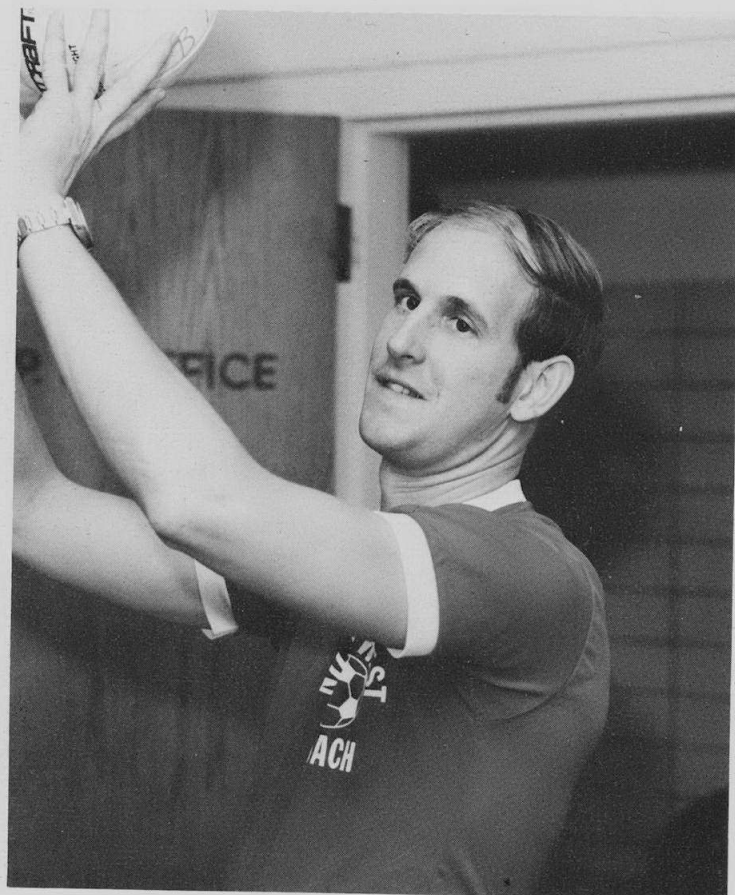

There were many changes in the G.P.E. program this year. The girls elected their courses by semester instead of electing every six weeks, for the first time this year. Home Economics Keeps Busy

The Home Economics Department at West was very busy this past year with a wide variety of fun, educational, and functional programs. The department offered two sewing courses and a wide range of cooking courses, including the popular Chef's Course. In addition, the department was responsible for the Management for Living program, a mandatory course for all West students. The department ran a very successful nursery school on the second floor which was as educational for our students as for the youngsters.

Keep On Drivin'

Mr. Jim Kettleborough

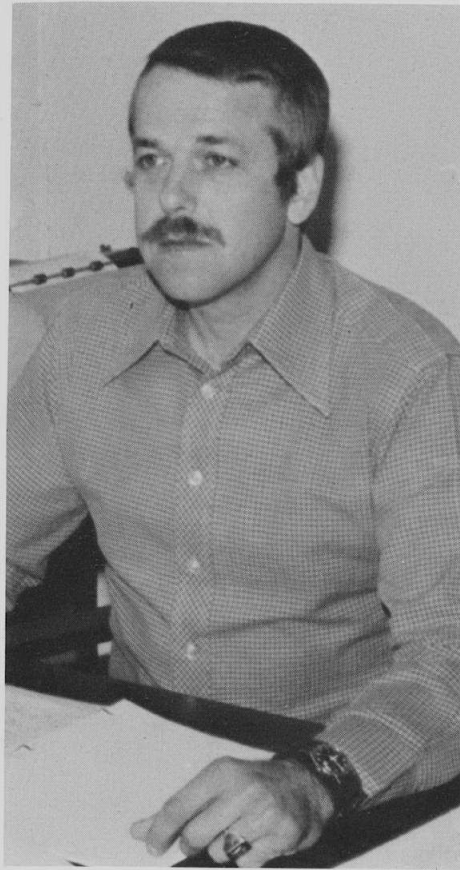

The Driver Education department at Niles West had another successful year of showing the ropes to young drivers. Although the department staff was cut down to only two brave men, they still managed to provide an excellent education in both driving technique and safety through the use of the Driving Range and classroom instruction.

Mr. Eric Van Cleave

Student Services — Working For You

Student Services were aimed, as always, toward aiding the student body whenever possible. The services provided counselors, social workers, the individual instruction center, speech, the reading center, and more. One feature was this year's special programs; College Night and Opportunity Plus. Both were better than last year's programs. In Opportunity Plus, students were able to talk with people who were in professions in which the students were interested. The Niles West Student Services should be well commended for the fine help they provided for their students.
