## Congregation of stars

TEMPLE JUDEA MIZPAH IN Skokie was host for CBS Television film crews Tuesday, Dec. 2, as work continued on "Skokie," the docu-drama that will portray the village's fight to avert a Nazi march in 1977-78. At top left, Danny Kaye takes a rest between scenes while Eli Wallach (top right), poses for a still photo. Above, about 50 members of the synagogue's congregation worked as "extras" for the filming.
