STATEMENT OF THE NILES TOWNSHIP HUMAN RELATIONS
COUNCIL IN SUPPORT OF A FAIR HOUSING ORDINANCE
FOR THE VILLAGE OF SKOKIE

After careful study of the ordinance prohibiting certain practices of discrimination in housing accommodations proposed by the Skokie Human Relations Commission, the Niles Township Human Relations Council reaffirms its wholehearted support for the enactment of such an ordinance by the Village of Skokie.

We have a few suggestions which we would like considered when the final writing of the ordinance is undertaken. These we have included in a separate letter to the Commission.

At this time then we would like to commend the Human Relations Commission for its work in bringing forth what we feel will be an effective ordinance and indicate our continued desire to work for equal housing opportunities in all of Niles Township.
