UNDERCLASS

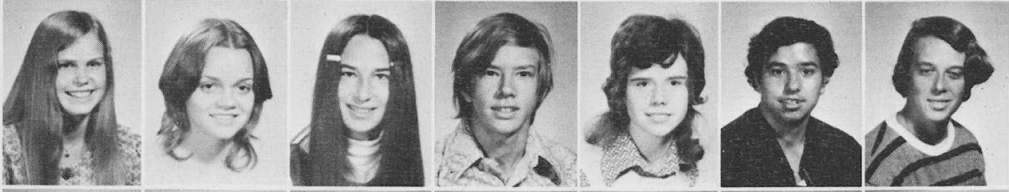

The Niles West underclassmen are students to be proud of. From them we see an increase of pep, intelligence, enthusiasm and school participation. The Juniors, Class of 1974 have begun to make early plans for the Junior-Senior Prom in May. Other class activities include school dances, movies and fund-raising projects.

The Sophomores, Class of 1975 are displaying the most school spirit seen in a sophomore class. The students show the potential to be hard-working juniors and seniors. We're sure to hear more things about this class.

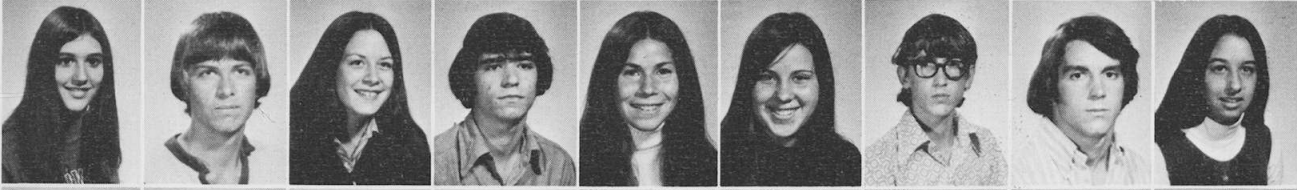

We welcome the Freshman, Class of 1976, to Niles West. We know that your next four years will show a growth in maturity and responsibility. This class has shown that they have the capabilities for high academic success and far-reaching goals. Best of luck to you and your fellow classmates.

FALL SPECIAL EVENTS

The first Pep Assembly on September 15 sparked the enthusiasm which initiated the 1972-73 school year. Dr. Mannos reviewed the triumphs of the previous year and the coaches encouraged team spirit for the coming sport season. The football players were introduced to the student body at the Homecoming Pep Assembly on October 4. This was followed by a comical skit performed by the Homecoming Committee.

The 1972 Niles West Homecoming was organized by a committee of 13 people under the advisership of Mr. Richard Turner. The weekend began on Friday, October 6 with the Twilight Pep Rally. Later that evening was the Ice Cream Social at which the band "Graves End" performed. The next morning commenced with a colorful parade. Then came the awaited football game against the Maine East Blue Demons. The Niles West Indians certainly did "Cast a Spell" over the Blue Demons as they defeated them 27-6. Concluding this exciting weekend was the annual Homecoming Dance.

Under the direction of Mr. Jerry Orr, the

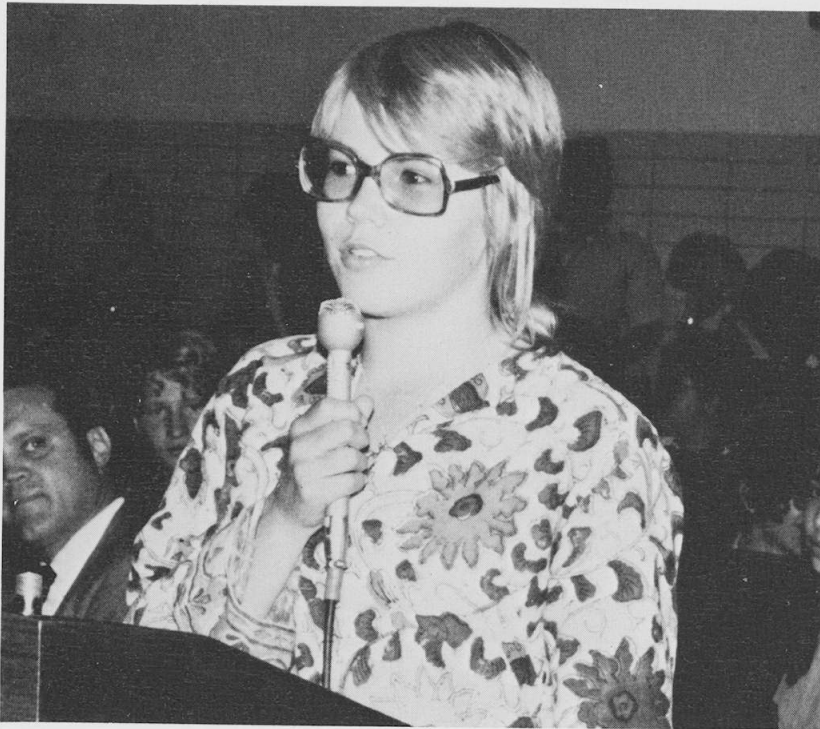

Children's Theatre production was "Pinocchio." The play was performed in the Niles West Auditorium on October 20th for children from area grade schools and on Saturday, October 21st for the general public. People contributing to the success of "Pinocchio" were Randy Kaplan as student director, and Cindi Trossman as technical advisor. Received generously by the public, the Children's Theater had its largest audience ever.

Neil Simon's hit comedy play "The Odd Couple" was performed by Niles West students in the Auditorium from December 11th thru the 18th. This comedy involved two divorced men with incompatible personalities who attempt to share an apartment. Starring in the production were Gordon Rothman as Oscar Madison and Ami Kornel as Felix Unger. Mr. James Batts successfully directed the students performances which received great acclaim and hearty laughter from the audiences. Sets constructed by students under the guidance of Mr. Tom Engle added to the excellence of the show.

FALL SPORTS

The fall sports season at Niles West was one of increased participation and greater school spirit. In summing up the season, Mr. Harold Trapp, director of physical welfare for Niles West, stated, "The success of our season was dependent on the greatest team effort in the history of the school." Mr. Trapp cited the football team as an outstanding example of such team effort.

The football team was characterized this year, not by one outstanding individual performance, but rather by total and selfless team performance. Under the able coaching ability of Head Coach Mike Basrak, the varsity football team became a threatening force in the Central Suburban League. Mr. Basrak and his assistant coaches led the varsity football team to a 6-2 record. Head sophomore football team coach was Mr. Gene Earl. Mr. Ron Lamb and Mr. John Armour coached the Freshmen A and Freshmen B football teams.

In addition to the football team, Niles West students gave full support to the soccer team. The varsity soccer team was an extremely fast team. Unfortunately the team was hampered by poor playing conditions. The weather created muddy fields which prevented traction. Therefore the soccer players could not put their speed advantage to use. The varsity soccer team posted a record of 7 wins, 5 losses and 1 tie. Mr. John Burkel, head soccer coach,

not only provided superior coaching, but was also generally cited for developing an excellent player attitude. The sophomore soccer team was coached by Mr. Marvin Klebba and the Freshmen soccer team was coached by Mr. Bob Porter.

The attitude of the cross country team was one of anticipation. The cross country team performed well this year. This performance included some outstanding individual performances. The team appears to have a good future with the probability of nine returning varsity cross-country lettermen. These athletes will provide one of the strongest cores of athletic ability on any of the area teams next year. The varsity cross country team is coached by Mr. Pat Savage and the Frosh-Soph team is coached by Mr. Ron Campbell.

This year also saw the expansion of girls' interscholastic sports competition. The swimming team and the tennis team represented this expansion during the fall sports season. The girls' swimming team was coached by Miss Barbara Womer. The girls' tennis team, which was undefeated was led by Mrs. Letitia Myers.

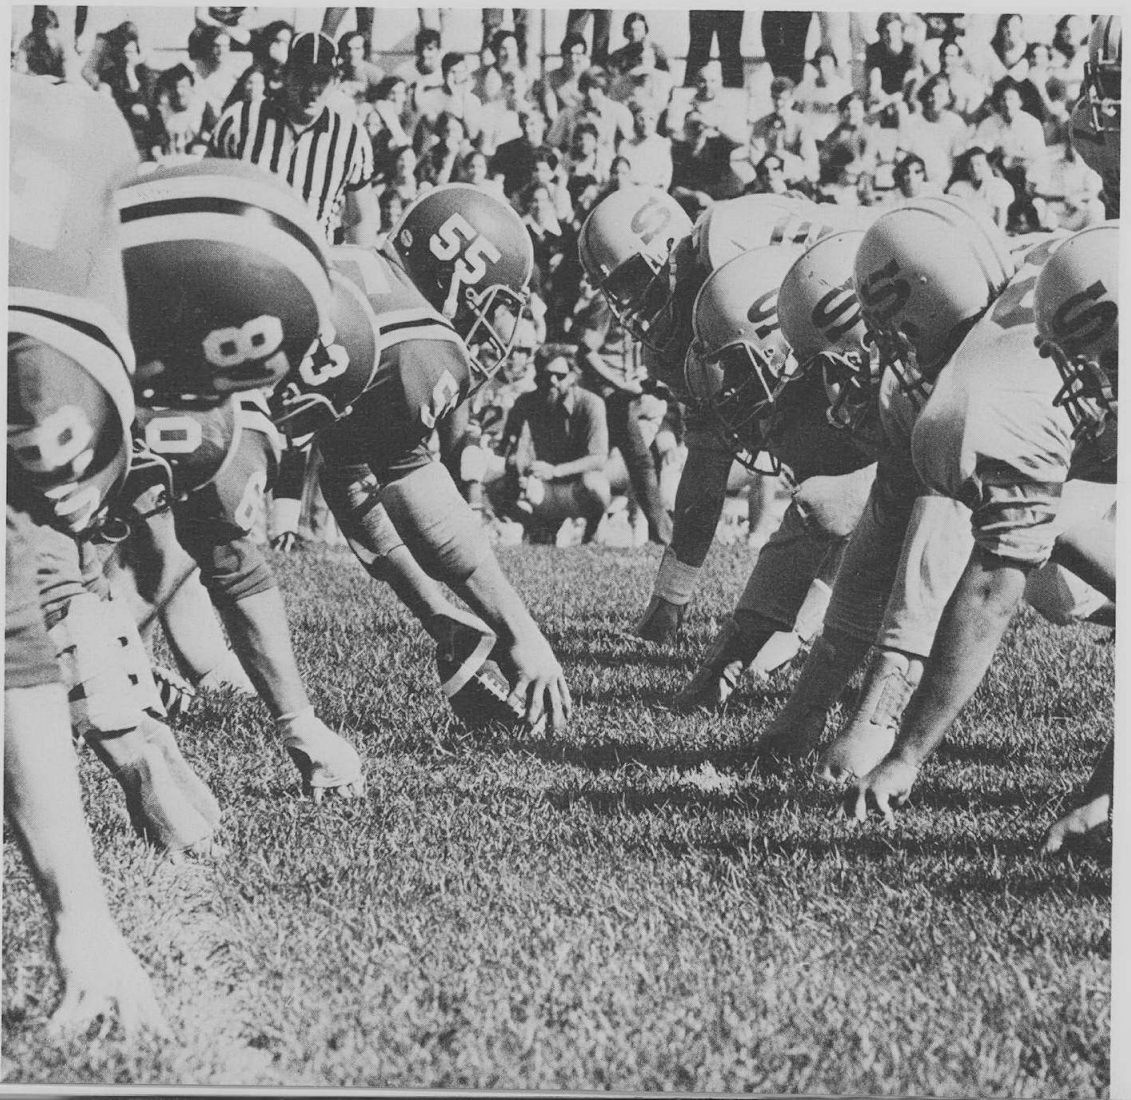

The Niles West fall sports season was an especially successful one. It not only represented the efforts of a large number of students, but also it was indicative of an increased cohesiveness of the school population.

WINTER SPECIAL EVENTS

This year's winter festivities were initiated by the Winter Festival at which the combined choral groups and orchestra gave another outstanding performance. The show was presented in the Niles West auditoriums on December 10. Under the direction of Hugh McGee and Frank Winkler, the vocal groups sang with spirit that delighted the audience. The instrumental sections, conducted by Charles Groeling and Ted Kaitchuck, furthered the excitement of a terrific performance.

The Niles West It's Academic team consisted of Randy Kaplan, Sandford Levin, and Bruce Topol; the alternates were David Dorfman and Margaret Foo. The contestants were prepared for the competition by advisor Richard Turner. The team came in second place, lagging behind the winning team by a narrow margin of five points.

The forums program has greatly expanded to accommodate the growing interest of the student body. We were fortunate enough to hear from various persons in the television, literary, and political fields. Among

them were newsmen Jack Taylor and Len O'Connor, poet Leonard Lucas, Governor Daniel Walker, Abner Mikva, and Ed Warman.

For the first time at Niles West a dance was held to celebrate Valentine's Day. The "Sweetheart Ball" took place in the student lounge on February 17. Among the numerous festivities was the Band which played only the requests of the students. Highlighted by the unique decor, the Valentines Day Dance proved to be a great success.

Ellen Roione, who came to the United States from Oslo, Norway, spent the entire school year at Niles West. She gave insight into the culture of her country.

Phoenix Indian High School and Niles West collaborated in the third annual exchange program this year. From Phoenix Indian High School we welcomed Herman Tapija and Gayleen Roy. The participants from Niles West included senior Candy Goldstein and sophomore Barbara Gump.

Sandy Levin, Bruce Topol, and Randy Kaplan tensely battle on in the close pressure-packed contest.

The entire team including Randy Kaplan, Margaret Foo, Sandford Levin, David Dorfman and Bruce Topol take a short break during a practice session.

IT'S ACADEMIC

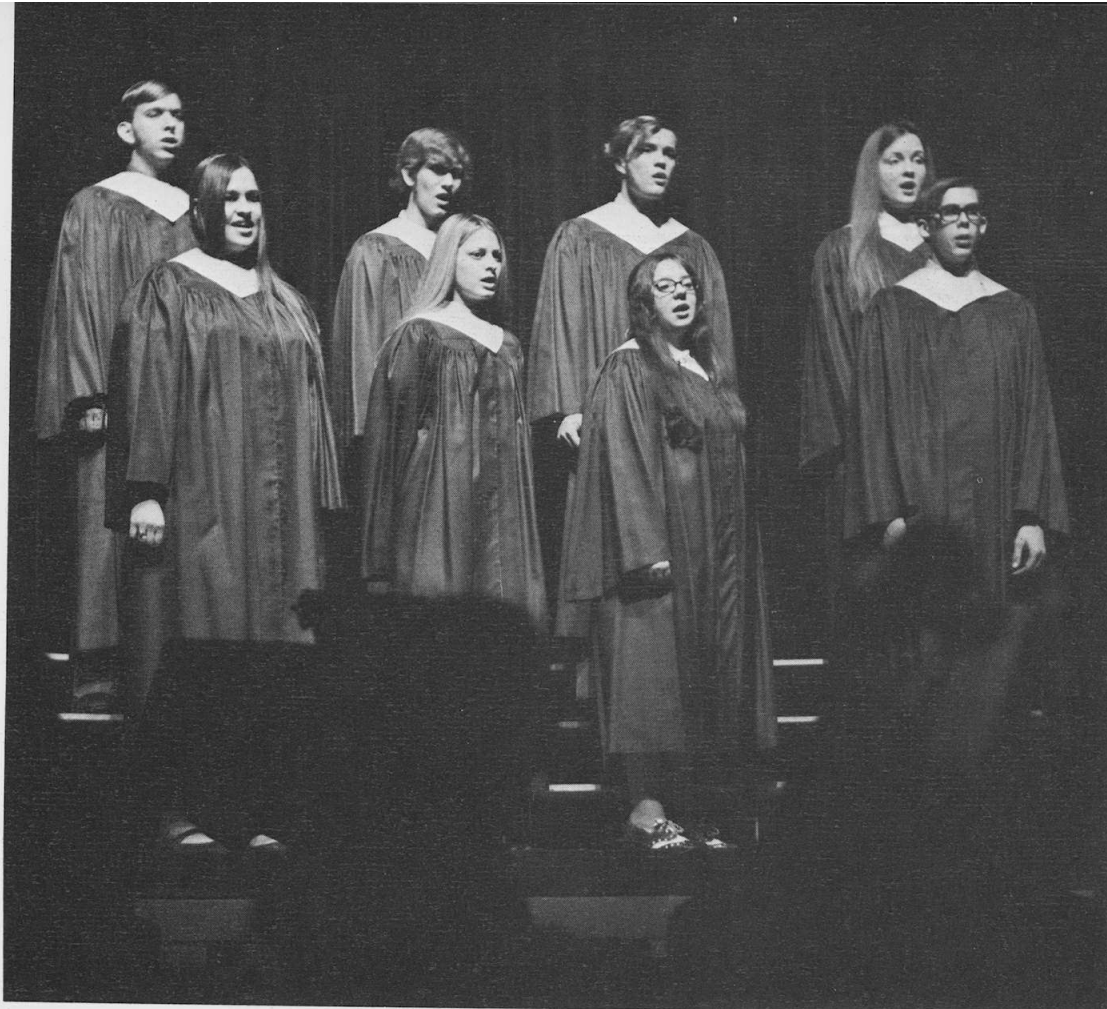

WINTER FESTIVAL

Preparing to sing "We Wish You the Merriest," the choir members compose themselves.

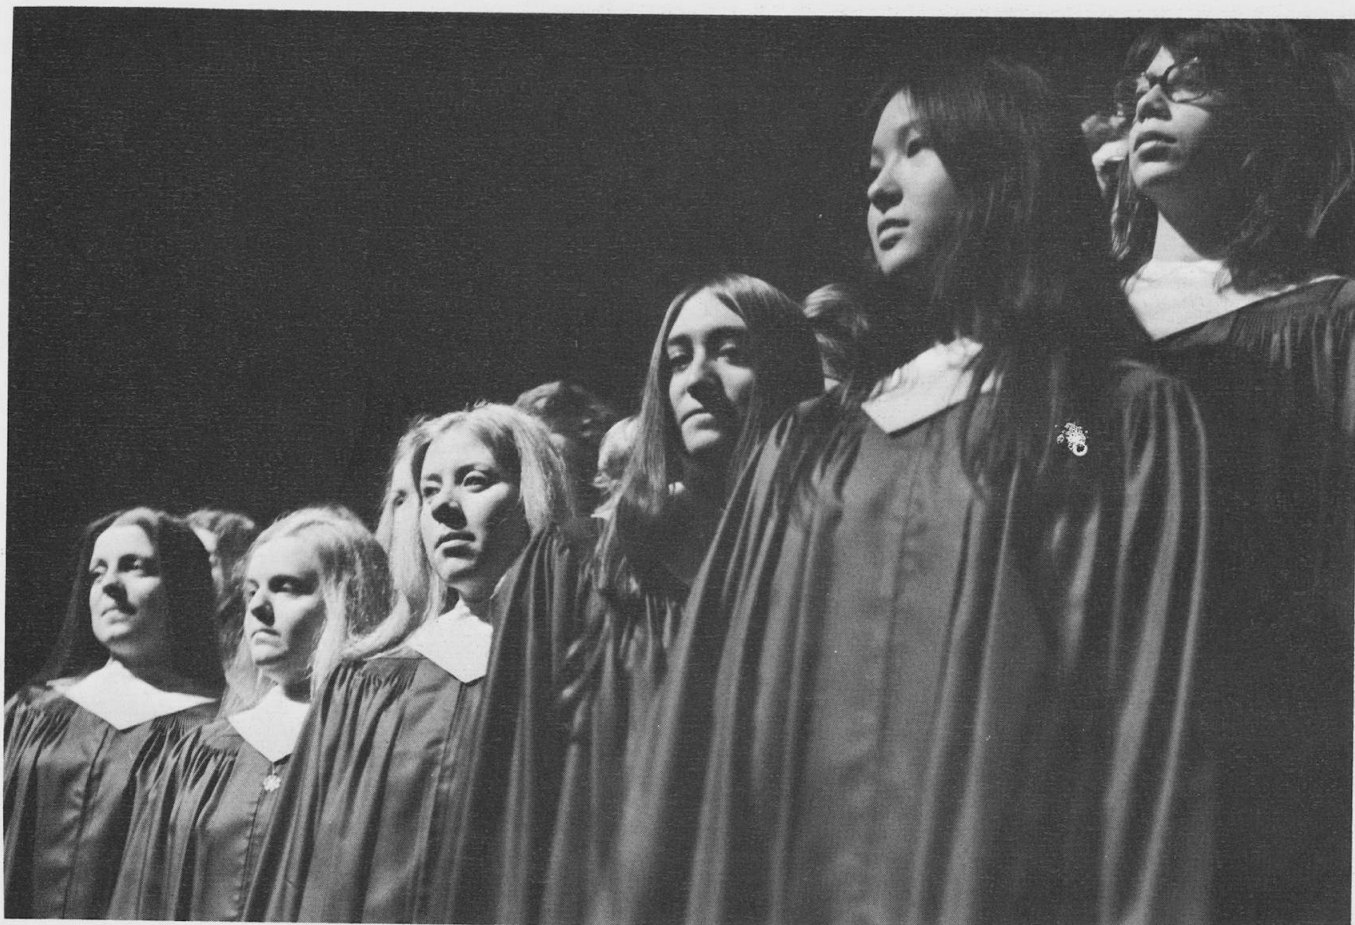

The choir concentrates on Mr. McGee's directions as they make their way through the first choral selection.

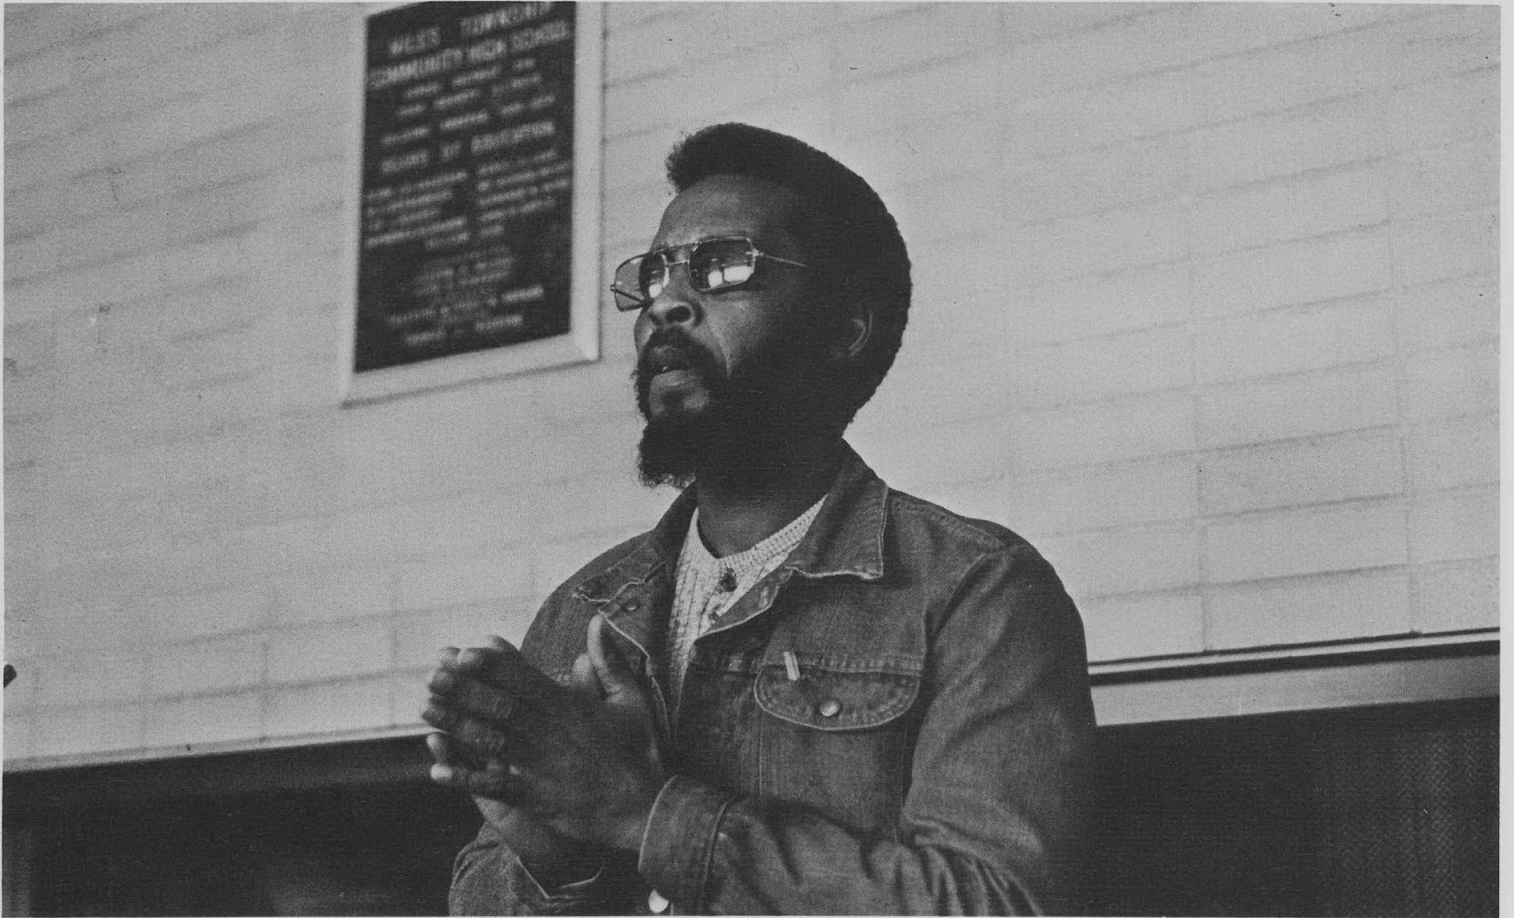

Acapella, in the final moments of performing, enthusiastically sing forth.

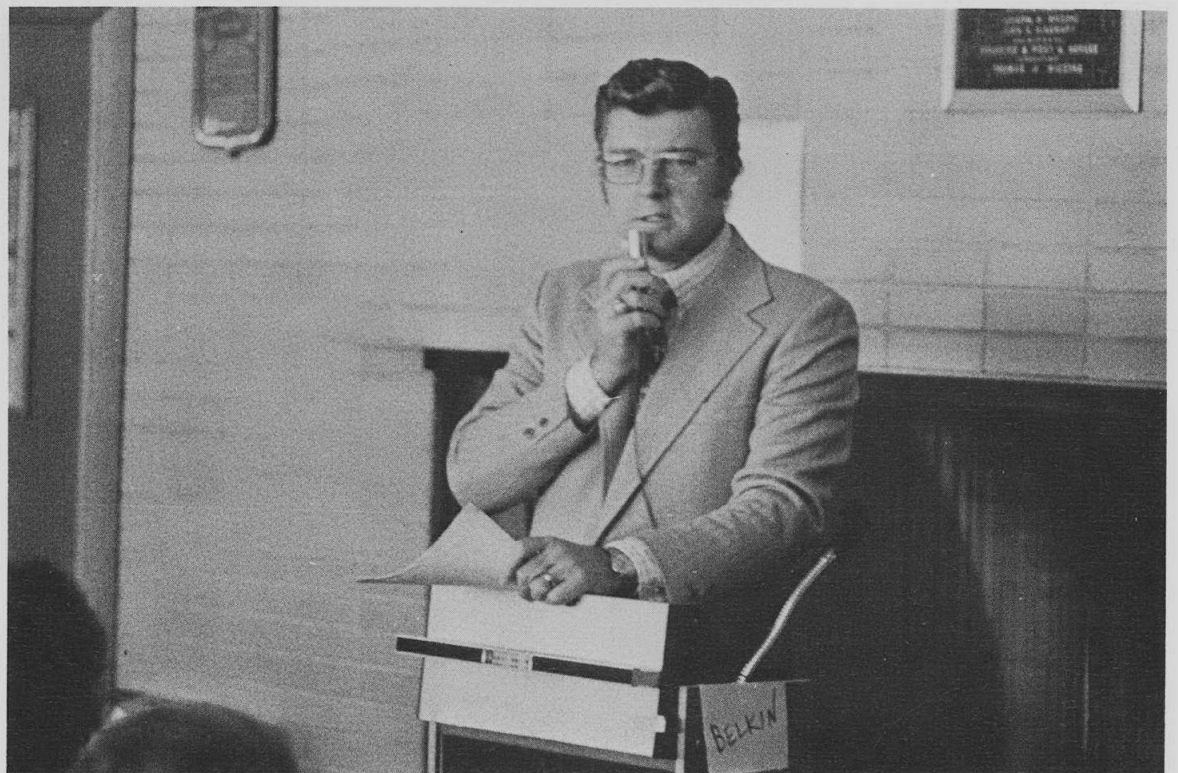

Awaiting attentively, the choir watches for the cue to begin their performance.

Leonard Lucas, organizer from C.O.U.P. (domestic project sponsored by the Walk for Development), holds students spellbound with his poetry of life.

WINTER SPORTS

The Winter Sports Season at Niles West was one which the entire school may be proud of. The success of each team was surpassed only by the enthusiasm exhibited by the individual members. It was obvious that every participant gave one hundred per cent of himself, and all strived for the overall benefit of their teams.

The Basketball Team was no exception to this statement. Under the fine supervision of Coach Billy Schnurr, the team was able to achieve another winning season. It is clear that Schnurr's nineteen years of coaching experience aided the team immensely. Needless to say, the team's great season was the result of the players' efforts.

The players all proved their worth as they worked overtime to compensate for a key member's injury. It is always difficult to attain a winning record when an important player is missing, but Niles West proved to be capable of this feat.

Winning records were also achieved by the Junior Varsity Team under coach Murphy's watchful eye. This superb coach led his team to many victories. The players will certainly comprise a winning team next year.

The Sophomore and Freshman teams did quite well this year. Coaches Earl and Field were able to teach their qualified players the proper techniques, which helped to attain their great performances.

Great performances were also the characteristics of the Wrestling Team. A concerned Coach Porter was able to lead his team to numerous victories. His quiet

mannerisms were a key factor in procuring the teams respect. All in all, the team had a great season, and shows signs of being a championship team next year.

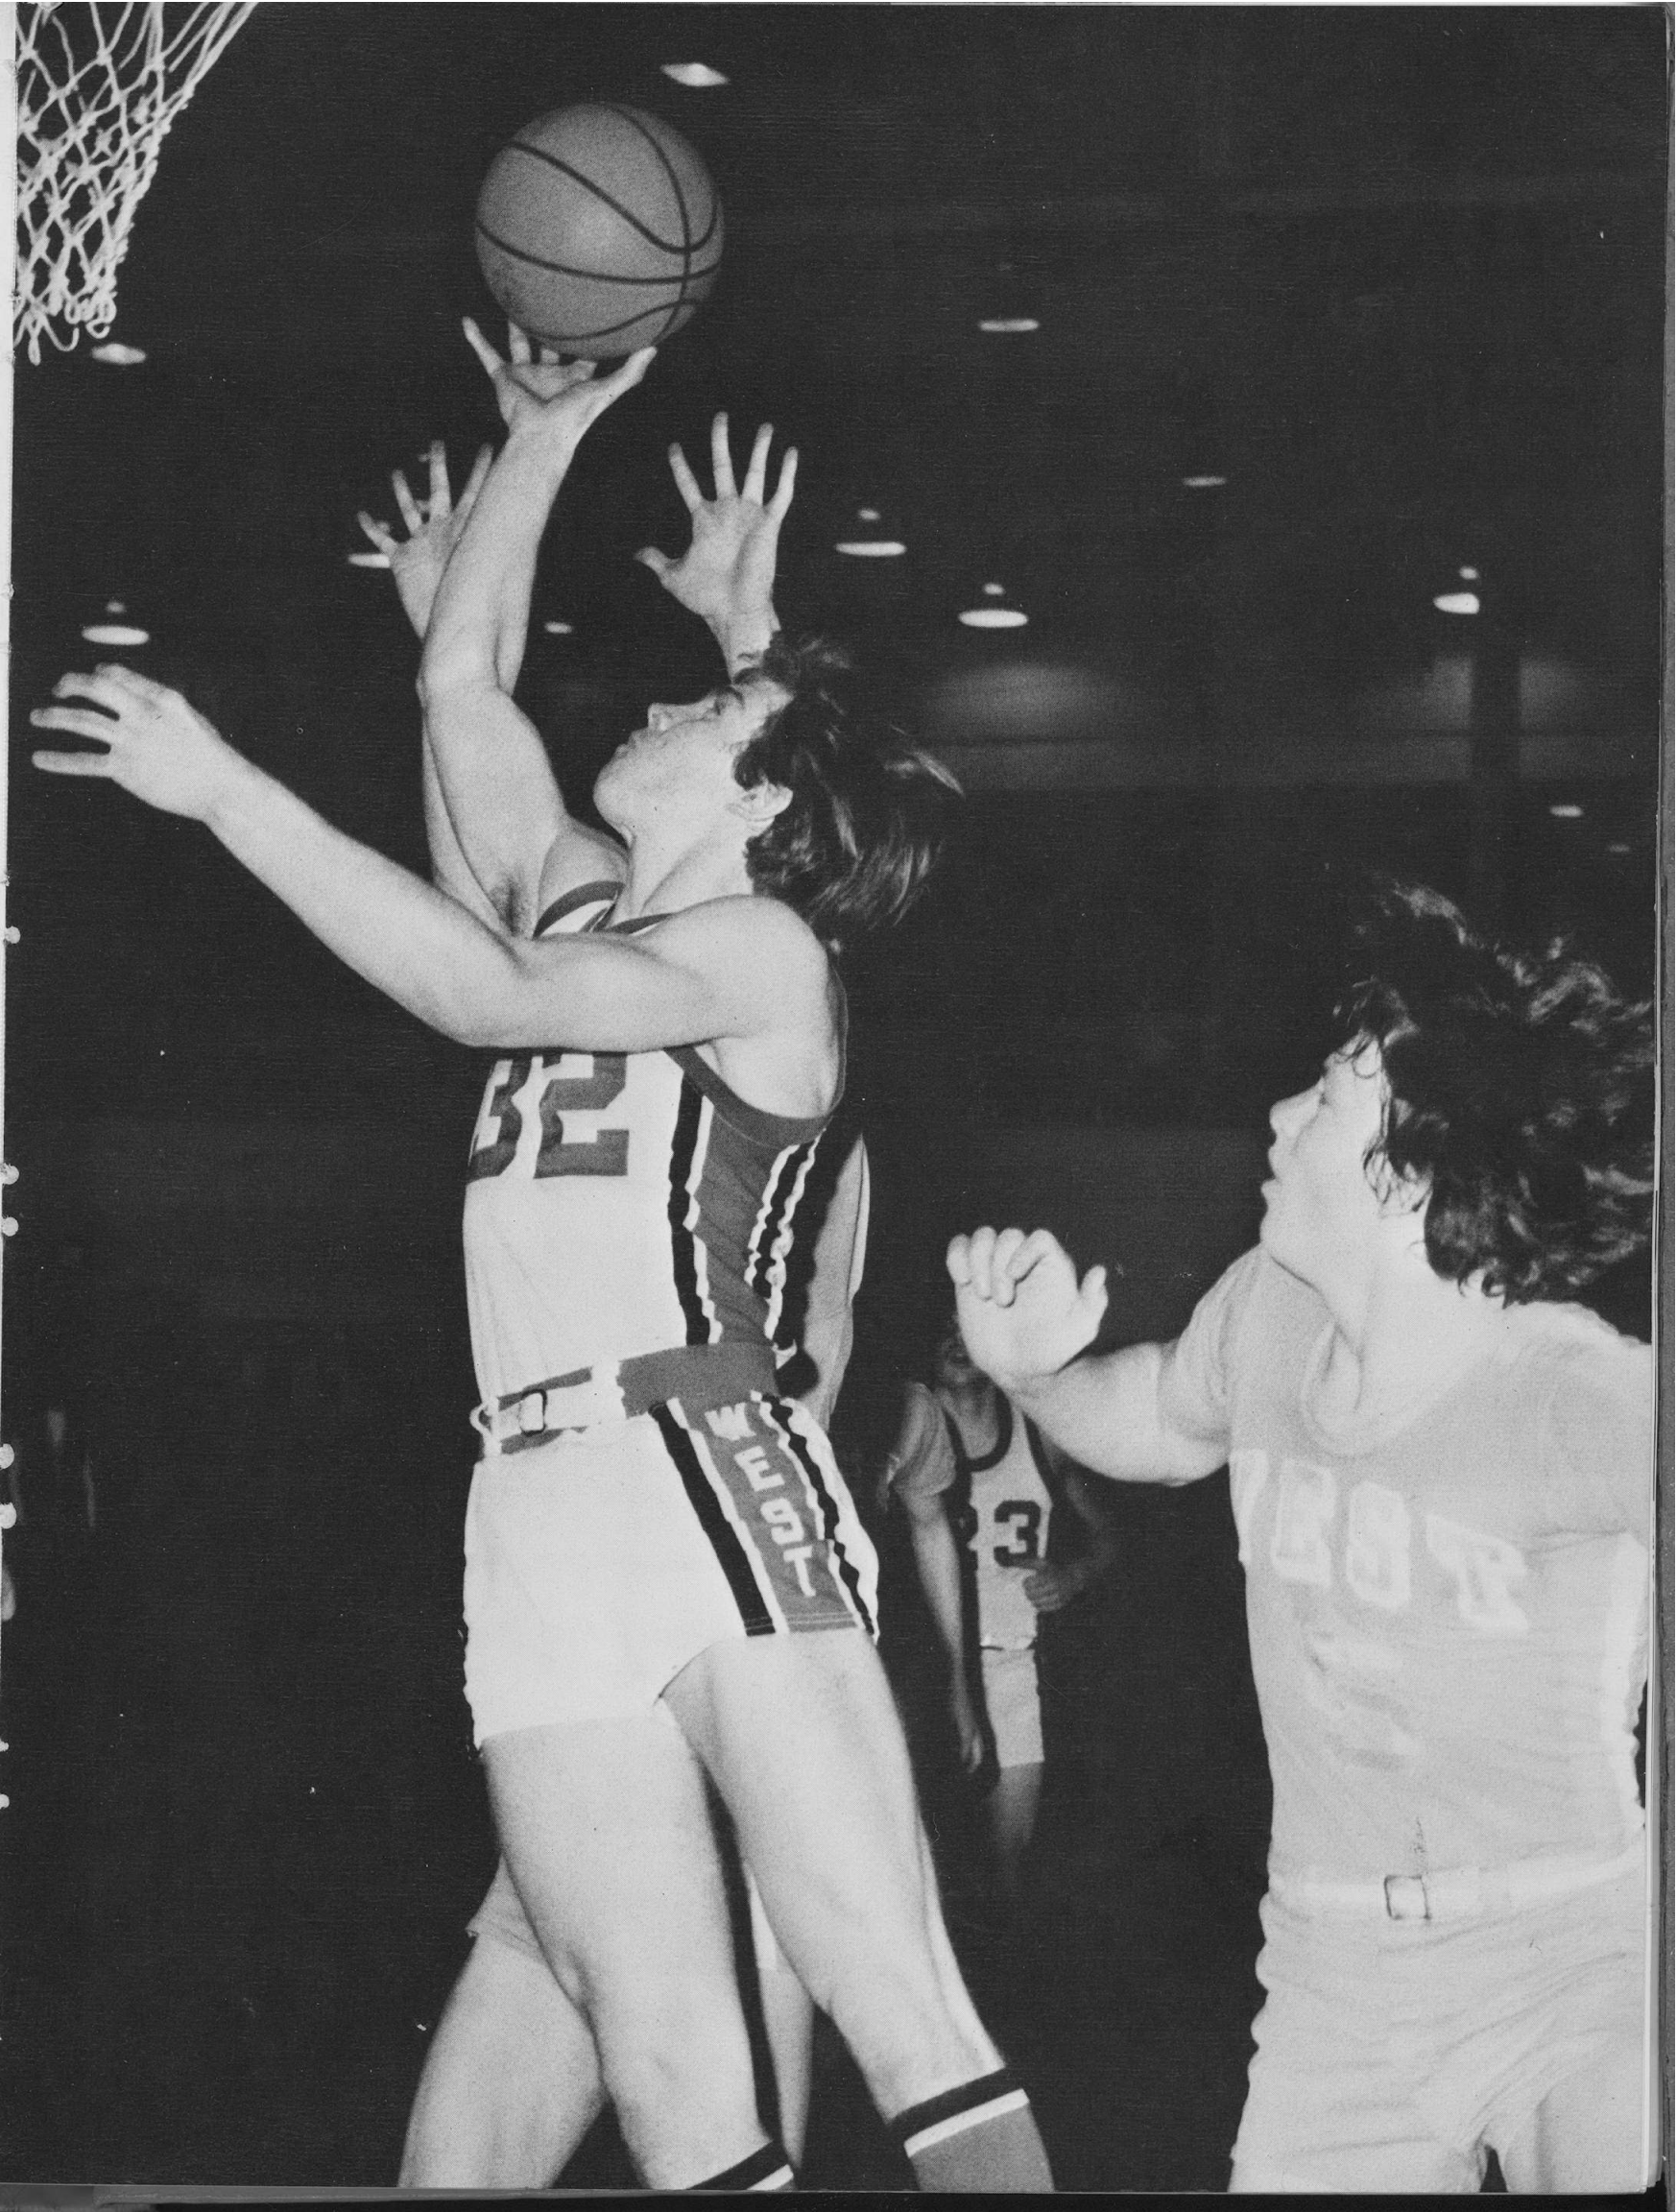

Coaches Yantz and Richardson were outstanding leaders and teachers, as can be seen by the fine records of their squads. Congratulations to all Niles West wrestlers for their excellent showing this year.

Coach Ron Campbell's Indoor Track team also proved to be of excellent quality. Several key players and runners were responsible for their township win. This team has great expectations for next year, when they hope to compete in the state championships.

As in the case of fall sports, the girls' teams were again expanded and moved into the interscholastic competition slot. Miss Heeren did a very fine job in coaching her volleyball team to a winning season. The girls really proved themselves in this new type of competition. The team effort exemplified by these enthusiastic young ladies led them to numerous victories.

Mrs. Sloan showed her coaching ability by the manner in which her gymnastic team attained perfection. Mrs. Sloan concentrated her teaching to the girls with the most promise, and by doing so developed an outstanding team. Congratulations to a very fine coach and her well trained gymnasts.

As one can clearly see, Niles West was again fortunate to have such able coaches that led their teams to undaunted victories. West is also fortunate to have such great sports enthusiasts.

SPRING

SENIORS

"Nothing like us ever was," and nothing like the class of '73 ever will be. Encompassing the drive to win and the overpowering enthusiasm shown by this year's Senior class were all activities, both academic and extracurricular. Consequently, this year's Seniors will never be forgotten.

Abraham Lincoln said, "A house divided cannot stand." The Senior class realized a class can't be divided either. They achieved strength through unity. With the leadership of few, and the spirit of masses, they planned and successfully executed many goals. Among them were victorious athletic teams, Homecoming, the Valentines Day Dance, Prom, and Graduation.

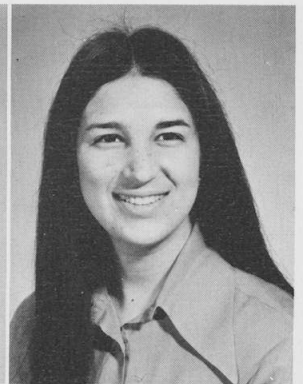

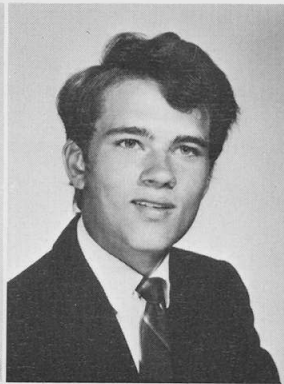

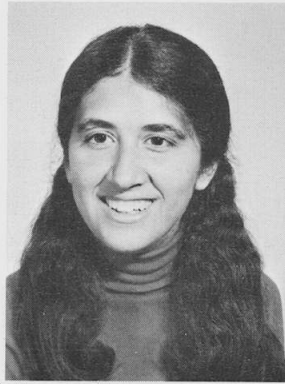

"Ah whatya say? Get together uh, get

together uh, uh." The Seniors got it together and formed the biggest cheering section in the history of Niles West.

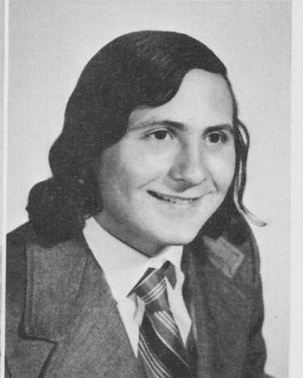

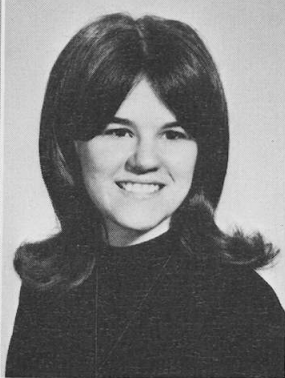

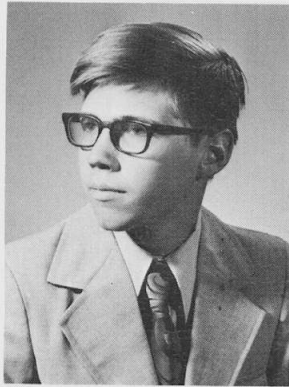

Seniors aided in school improvement through student government and administrative advisory committees. In addition, they aided in improving schoolwide activities. West Word, the school newspaper, served as a voice for student editorial comment. The Student Activities Board was revised and provided a program of concerts, movies, and other activities.

The Class of 1973 is remembered for effort and enthusiasm. Therefore it is an example which other classes should be proud to fulfill.

SPRING SPECIAL EVENTS

For the past three years, Project '70 has held Hunger Hikes — Walks for Development. The fourth successful thirty mile walk was held on May 6, 1973. As a result of the walks, over one million dollars have been raised and distributed to agencies, both domestic and international, ascertained as catalysts against hunger, poverty, and oppression.

Dale Wasserman's play, "Man of La Mancha," was performed at the Niles West auditorium on March 16, 17, 23, and 24. This was the first year that the musical ran on two weekends. Thanks to the brilliant directors, Robert Johnson, Frank Winkler, Josie Berns, and Tom Engle, West pulled off another successful musical.

The year 1973 saw the initiation of a festival which encompassed a vast variety of art forms. The Spring Art Festival was held from April 29 thru May 4. Included in the festival were the opera, "The Medium," and the play, "You're a Good Man, Charlie Brown." The festival also involved

a dance show, a talent show, a fashion show, a mime performance, and music concerts. Niles West extends their thanks to the faculty and students who worked so diligently to make this unique experience a success.

The 1973 prom, "Speak Softly, Love," was held at the Pick-Congress Hotel on June 1. The occasion was a great success due to the prom committee's careful planning. The weekend was one which will long be remembered with happy sentiments by the senior class.

Graduation, which was held on June 10, marked the end of four hard years of study for the senior class. As the class of '73 united in its entirety during these closing moments, they gave a fond farewell to Niles West. Yet, the diplomas which they received during the ceremony will serve not only as a recognition of their achievements, but also as a remembrance of the experiences which they have shared at Niles West.

SPRING SPORTS

The Spring sports season at Niles West was greeted with open optimism and great enthusiasm. Spring sports included girls' softball, golf, track, tennis, and baseball.

Baseball was the star of Niles West's Spring sports. As current state champion, the baseball team faced the toughest competition available. But under the able coaching ability of coach Jim Phipps, the team maintained a winning record and appeared headed for another state championship. Meanwhile, coaches George Galla, Charles Anderson, William Coyer, and Ron Lamb assisted Coach Phipps and prepared underclassmen for the championship varsity team.

A returning nucleus of lettermen should provide the track team with the key to a championship season. Coach Ron Campbell along with coaches Pat Savage and Elmer Lucas developed a year round training program and looked forward to future victories.

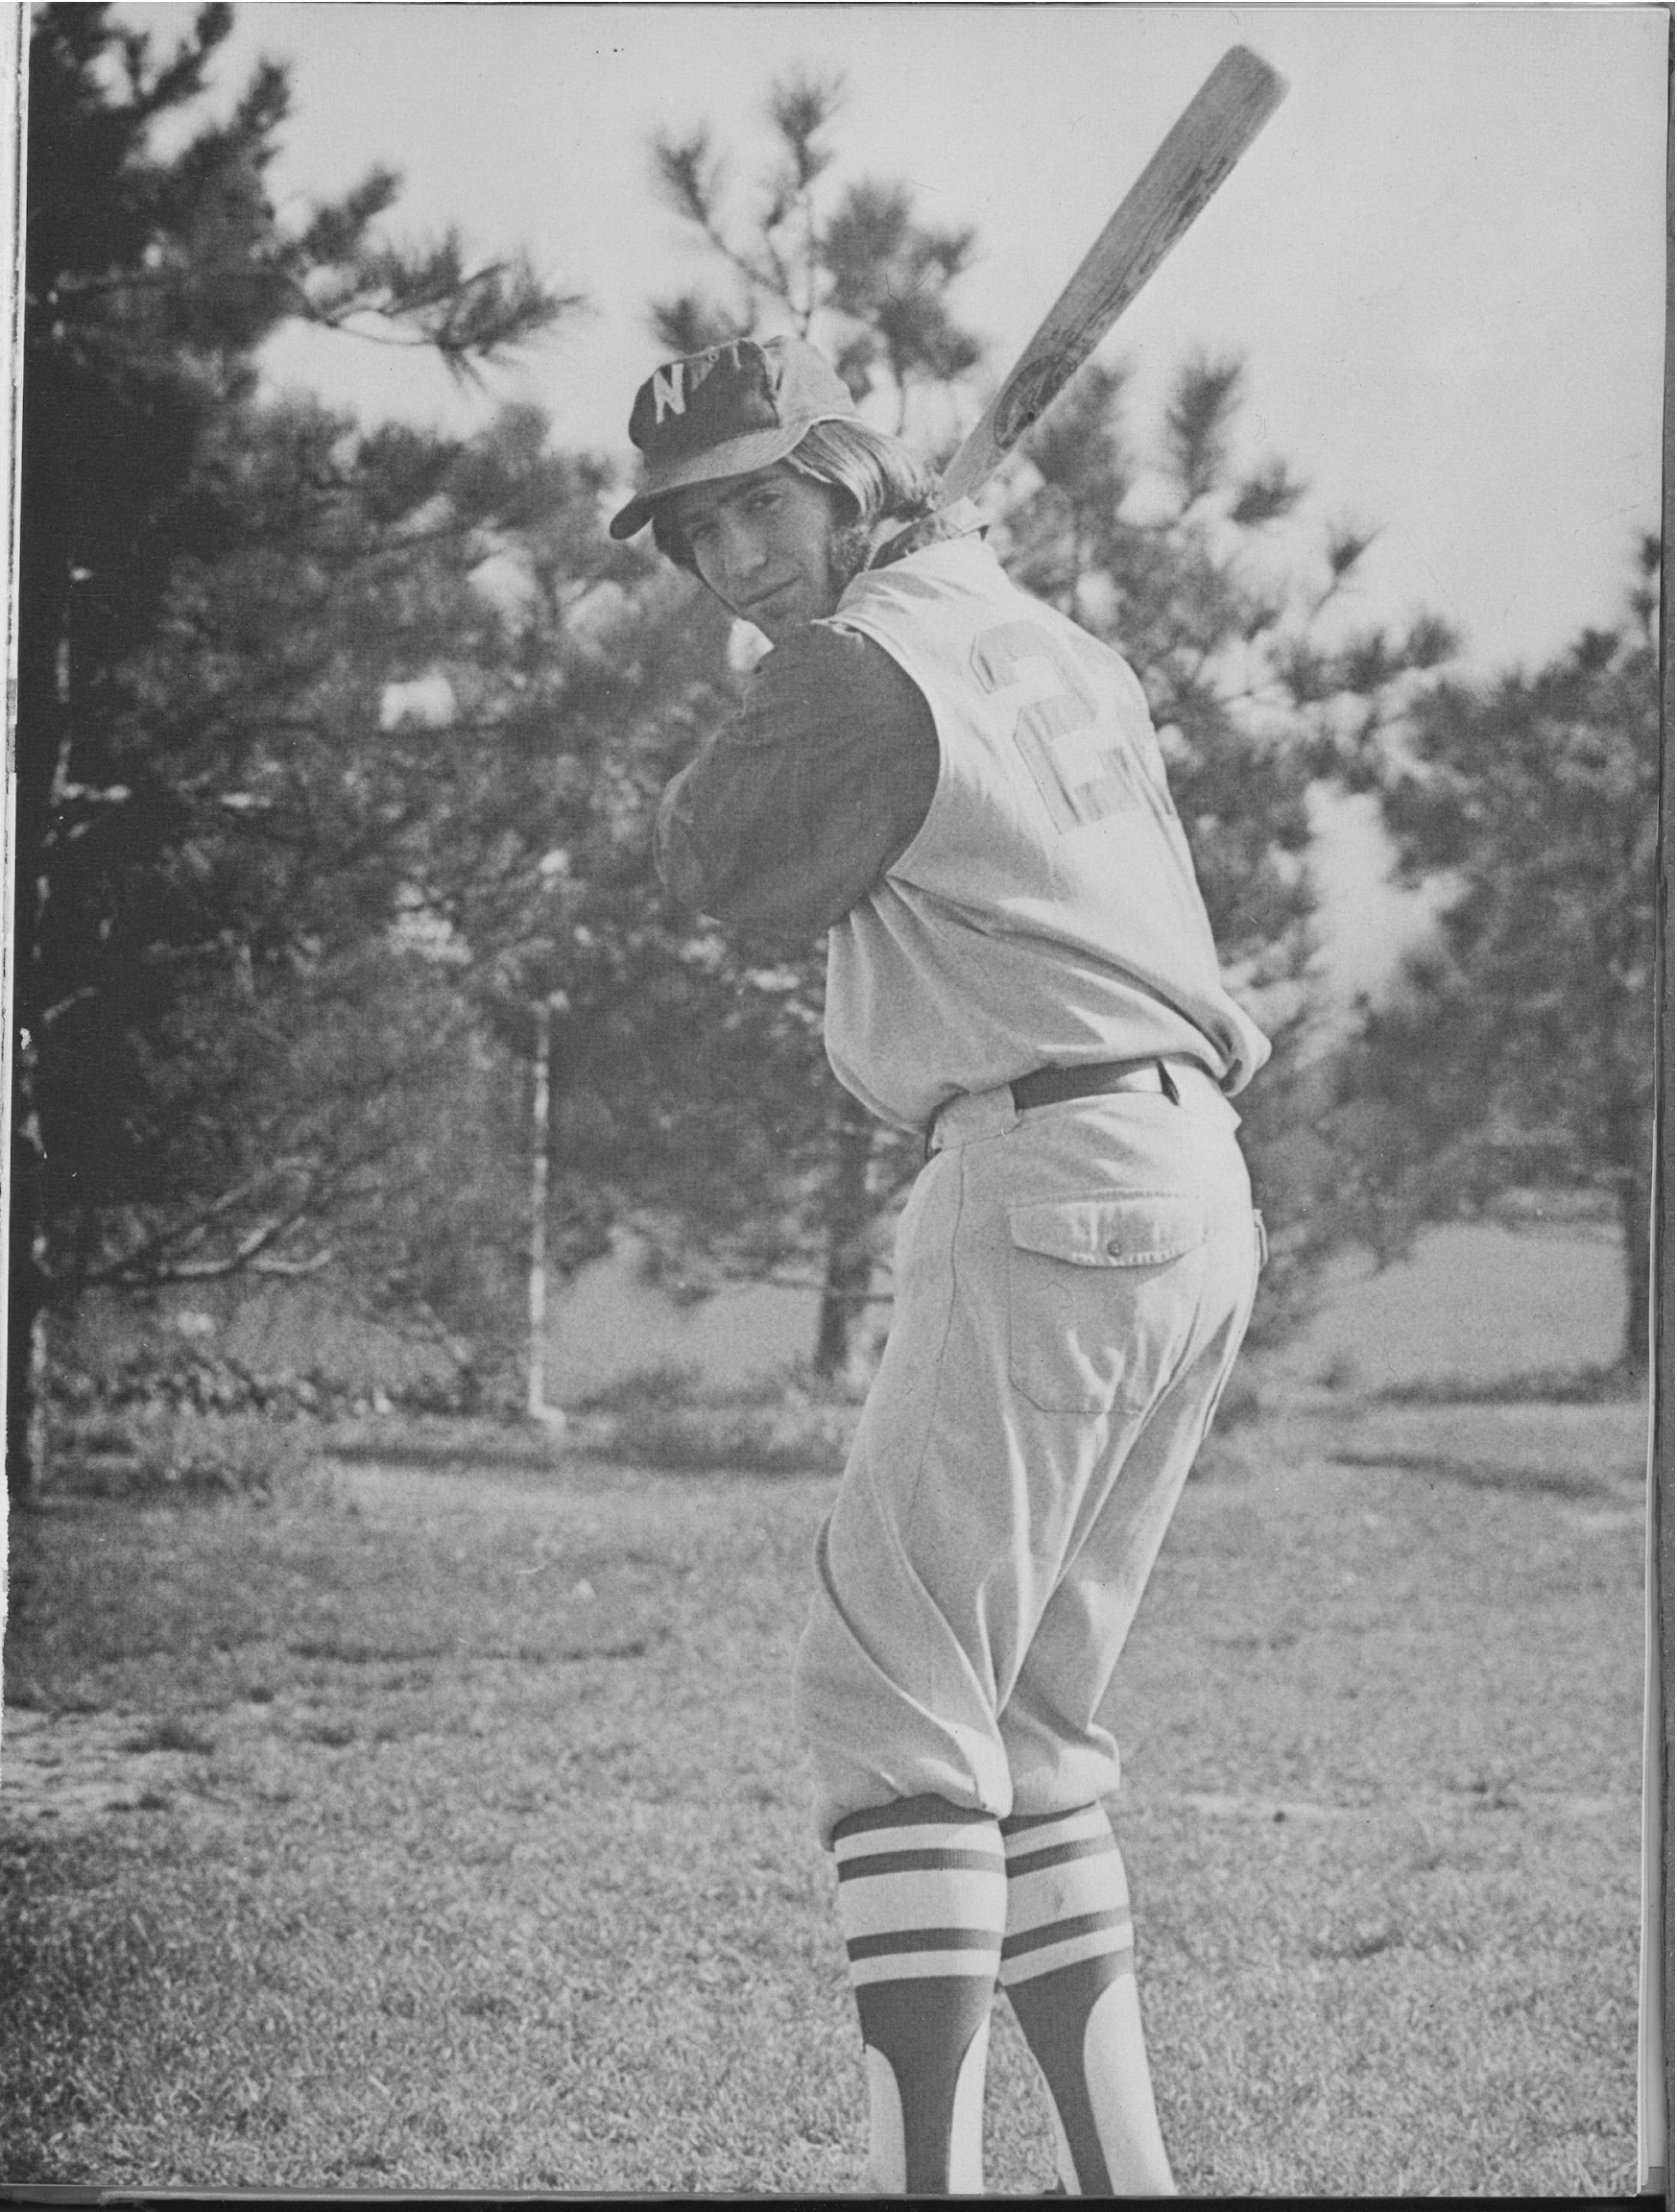

Remarkable ability was the key to the tennis team's victories. Coach Dan Hill concentrated on improving the team's consistency on the varsity level while

simultaneously coach Larry Broy led the underclass squad to victory after victory. The tennis team looks forward to the coming year with a returning core of lettermen.

Finally, the Golf team posted a winning record also. Although plagued by wet weather, under coach Jack Fabri, they managed to maintain their superior showing.

Part of the expansion of athletics at Niles West included girls' interscholastic sports competition. The Girls' softball team held tryouts in early April and looked forward to their first season with enthusiasm. Coaches Heeren and Mulder concentrated on increasing batting percentages. Consequently, the girls posted a fine record.

The Spring sports season represents the final days of the Senior class. Senioritis often is a major obstacle to recruiting strong teams. Nevertheless there was a large team turnout and massive crowds and school support were again a testimony to the new found enthusiasm of Niles West.
