## S.A.B. Makes Things Exciting

"Boy, is it boring tonight." "Well, the Student Activities Board is sponsoring a sock hop after the basketball game. Want to go?" "Sure, that sounds exciting." And it was, like all the other activities held by this club. Larry and Nancy Erickson help the club plan its functions, some of which are Homecoming, including the Queen elections, pep rally, ice cream social, and dance. They also planned the Valentine's dance. We are all glad we have the SAB to plan activities or we would all be bored.

## Expounds the Virtue of Humor

Niles West was honored this past year with the formation of an elite group, The Niles West Philosophy Club Esq. These mental geniuses felt an obligation to instill humor at Niles West, a morally reprehensible deficient institution in humor. During their lunch seventh period, they discussed several problems, and planned field trips. These include a one-day excursion to Greece to develop an appreciation for ancient humor and philosophy. Also they attempted to arouse concern for quadriplegics in militarily troubled areas of the Middle East who are in desperate need of arms. Showing their emotional concerns, the members of the club advocated medical facilities especially in the field of cancer prevention. The sponsor for this amusing club was Gerald Boevers.

This year's Varsity Football team had great expectations. Head Coach Don Huff called his squad "The hardest working group he has ever had." The team was led by all-conference players J. Brennan, L. Atsaves, J. Dione, M. Jiu, and F. Kruczinski. Despite all this talent and effort the team posted a 4-5 record, losing one of the games to a forfeit because of the teachers' strike. As Coach Huff phrased it, "The record is no real indication of the great ability we had this year." Huff felt the team effort was outstanding and they worked in great harmony. He is looking forward to a great season next year.

Coach Bauer said that his team was a competitive team and they showed a lot of character. The team was led by the outstanding performances of C. Wheeler, M. Cuff, and A. Moltz.

The Frosh B Team worked very hard this season, even though their record was only 3-5. Coach J. The 1976 Varsity Soccer team finished in 4th place for Conference, posting a 8-6-0 record. Coach John Burkel felt this years team never reached their full potential. "The other teams in the area have good outside programs for soccer. Many of the Niles West players do not have as much outside experience.

The Varsity played close all year scoring 25 goals to 18 against. They went to the State tournament, but lost in a close game to New Trier East, 1-0.

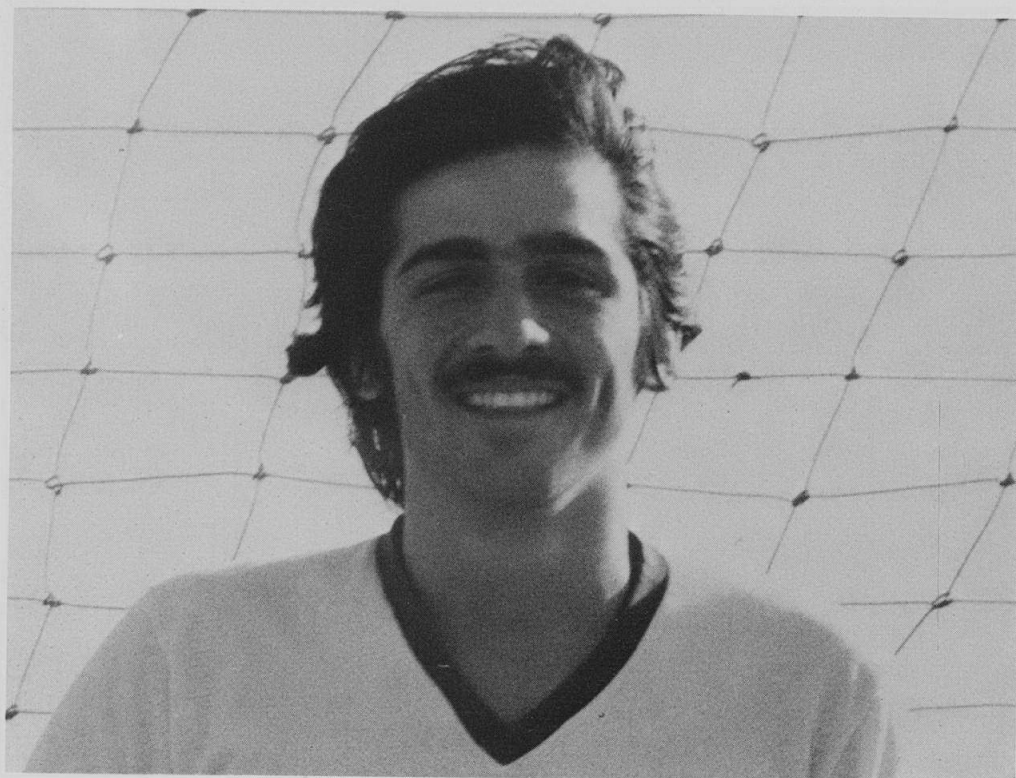

Outstanding players were All Conference K. Jung, who set an unofficial record for the longest goal ever scored, Sinan Murathon, who made All State, B. Clarke, B. Casey, P. Speidel, G. Klein, J. Coach Zorn said that he had two good players for every position. They had great intelligence as a team, according to Zorn. Outstanding sophs were A. Gualano, D. Hildebrand, V. Nitti, M. Conner, E. Leney, R. Lanners, T. Carlson, P. Kron, L. Siers, P. Stamos voted most valuable player, J. Kim, M. Rubin, G. Kaplan, and R. Snow.

# Frosh Mediocre

The freshman "A" soccer team turned in a 5-6-1 year. This record is quite a change from past freshman teams. Coach Porter felt the poor showing was due to a lack of experience and a slow start in September. "They seemed to improve quite rapidly toward the end of the season" Coach Porter commented. Leading scorers for the frosh "A" this year were: S. Siegal with 7 goals and D. Zaslowsky with 5 goals. Other fine players included: co-captains Boren and Schneider, half-backs Swartz and Rifkin, and goalies Schurr and Kaiser. The freshman "B" team finished with only a 1-4-3 record this year. Coach Klebba felt this record to be deceiving, however. He was quite impressed with his team's rapid improvement and their competitive attitude throughout the season. Leaders for the "B" team this year were: B. Majewski, T. Helander, K. Klein, and R. Schuman.

The Frosh-Soph Cross Country Team enjoyed a fine season in 1976 winning several individual invitational trophies and taking many dual meets. The Varsity Golf Team had a 3-9 record. Coach J. Fabri said they had great potential but lacked the consistency to win the close meets. Coach Fabri was proud of his team and said they were the easiest group he ever had coached. Outstanding members were B. Stolar, J. Hyosaka, R. Kohls, J. Pisors, and M. Jacobs. The Frosh-Soph Golf team also had a tough season, going 1-11. Despite this record, Coach Filliman was happy with the added experience they gained throughout the season. The team was lead by K. # Girls Swimmers Stay Afloat

This year's Girls Swimming and Diving Team was much improved. Coached by Ms. Kouba and Mr. Davis, the girls exhibited a great deal of spirit and enthusiasm, and were always striving for improvement. The coaches were pleased by the team efforts, especially during the Conference Meet, when the team won three sixth-place ribbons.

Outstanding swimmers were J. Cameron, D. Cozzo, M. Lapezker, N. Sinica, R. Krozel, and K. Gutenkauf. The Diving Team was composed of R. Krozel, K. Gutenkauf, and S. Aryman.

This year's Girl's Tennis Team, with the great coaching of Ms. Mulder and Ms. Majewski, had a very successful season. Despite the terrible winds and freezing temperatures, the girls tied for second place in the Conference Meet and earned the reputation of having the best refreshments in the league. All the girls made a special team effort and showed a lot of enthusiasm, regardless of position or year in school. The girls' flexibility and dedication towards improvement probably were main factors in their final record. Ms. Mulder looks hopefully towards next season, although she will be losing the entire second doubles and half of third doubles teams. Outstanding performances were given by H. Bland, 1st singles and voted most valuable player, M. Fenchel and A. Elrod, 1st doubles, and 2nd doubles B. Rosenberg and L. Rubenstein, all of whom took 2nd place ribbons in the Conference Meet.

The varsity basketball team had a disappointing season by finishing just above a .500 average. Coach Schnurr attributed the bleak results to the lack of returning Seniors. However, there were several outstanding netmen on the team. Among these were, John Anastos, Brad Goldstein, Jeff Cartwright, and Peter Corrigan.

The 1976-77 sophomore basketball team made tremendous improvement although winding up with a seemingly disappointing record. Aimed at making the individual members better players rather than winning games, the philosophy of the sophs was to make them excellent players as far as skill and ball handling. Much of the team's success was credited to their height and good rebounding. The players also became better shooters which helped compensate for their lack of quickness and difficulty in pressure situations. The team was led by the fine play of Rich Reichert, Dave Hindley and Mark Handzel although Coach Earl felt Chris Erikson made the major contribution of making the team a cohesive unit. Coach Earl was surprised that the team was able to maintain a fine attitude despite their poor record and hoped that combined with their physical potential that they would perform well for the varsity.

# Frosh Surprisingly Strong

The freshman "A" basketball team came on strong in the second half of the season to end up with a respectable league record. After a mediocre start the team held a meeting and was determined to finish the season playing their very best. Coach Minor attributed the team's turnaround to the general improvement of each of the players. The team was excellent defensively and passed and handled the ball well. The only major weakness was their ability to shoot in pressure situations which resulted in many close losses. More experience, however, should correct this. The team played well in strong wins over Maine East and Niles North. Coach Minor was happy with the team's serious attitude and stated that the players had good potential to develop into fine ball players.

# Hard Working Frosh Respectable

Although not reflected in its record, the 1976-77 freshman B basketball team had a very successful year. The team only finished the season near the 500 mark, yet Coach Klebba was pleased by the team's excellent attitude and progress. Most of their success was attributed to their hard work and competitiveness. The team was aided by the consistent performances of leading scorer Al Goebel, Ron Asher, and David Martin. Although not exceptionally tall or quick, many of the players displayed a fine shooting touch from the field. Coach Klebba expressed confidence that with their enthusiasm and grasp of the fundamentals that the players show potential to be fine varsity performers in the future.

The varsity gymnastic team had an average season finishing at 5-7 on the year. Coach Armour felt the effort was excellent, but that he was disappointed in the loss of two members that could have helped a great deal. Coach Armour said that team morale was hurt by the loss but that he was very satisfied with those that finished the season. The team had gymnasts Darell Kerbel and Paul Helgeson, who both had good chances at the State tournament. Next year looks good, with four returning seniors.

The sophomore gymnastic team compiled an excellent team record of 9-2. Coach Burkel called it an exceptional season with individual stars B. Fox and G. Pockrandt. B. Fox had the highest all-around average at the sophomore level in the state. Coach Burkel feels Fox is one of the best gymnasts he has ever coached. As a team, Coach Burkel called them highly coachable, excellent workers that established and met short range goals. As a freshman team, these gymnasts broke all team records. As sophomores, they broke the team high of 74 points by more than 20 points. As coming varsity, the sophomore team looks like a top state contender.

The 1976-77 freshman team managed to end up with an average record of 4-5. Bright spots on the team were tumbler Bill Reichle, who placed first at the freshman Invitational, and Joe Krozil on the pommel horse. Coach Lovering felt the team worked fairly hard, but the team was hurt with a lack of experience as compared to other local schools. Next year, the team will be looking forward to the improvement of skills and hope to have a better season.

# Varsity Wrestlers Gain Respect

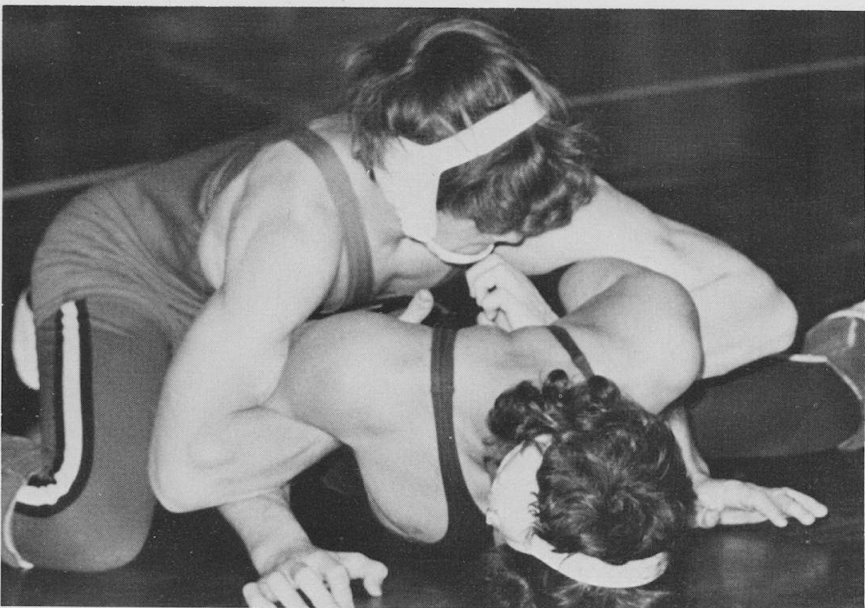

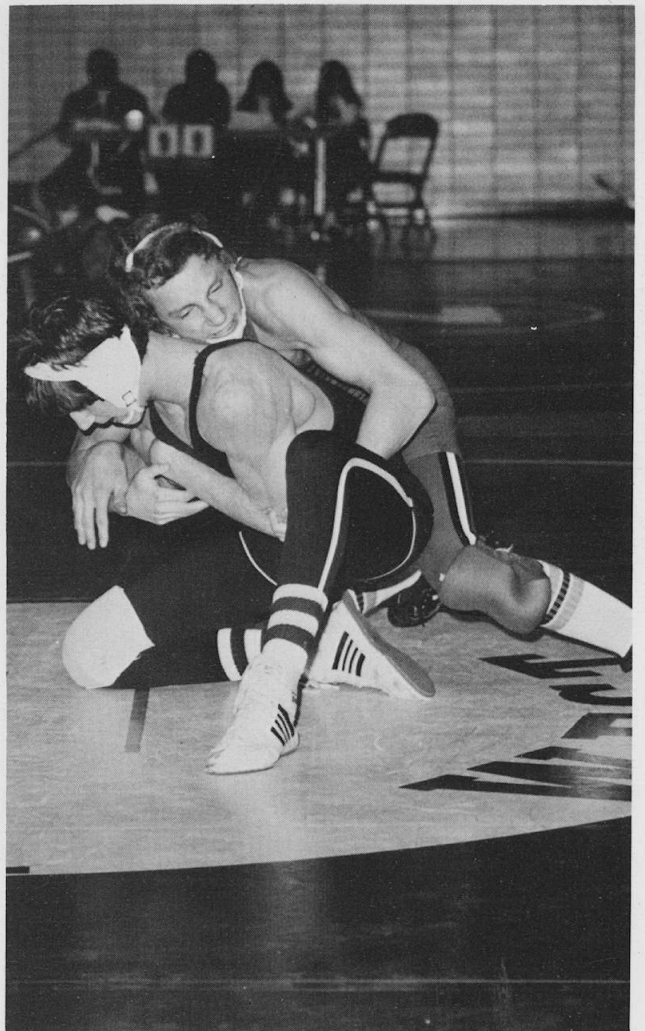

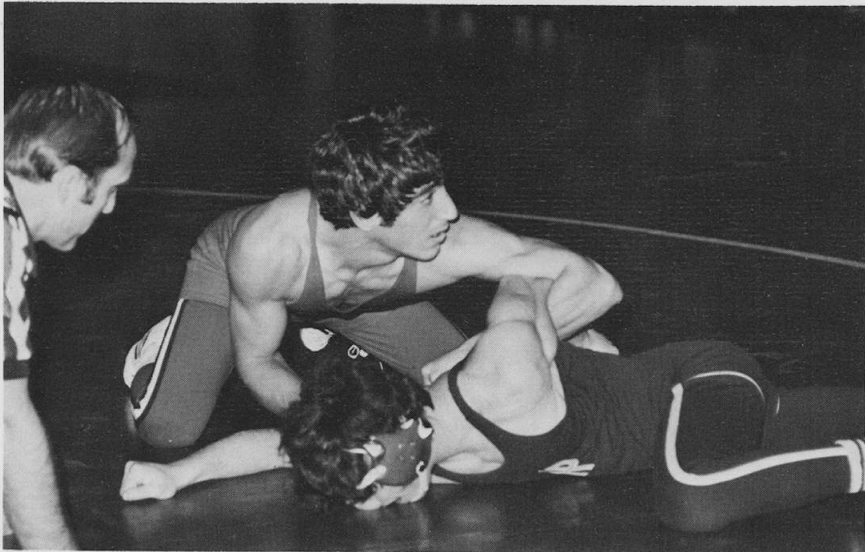

The varsity wrestling team, with the aid of many fine wrestlers, finished over .500 this season. Some outstanding performances were given by Bob and Bill Porter. Bill had an uncomparable record of 21-0, with 11 wins by pinning his opponent, and Bob had a record of 15-0. Bill also won the Niles East tournament, believed to be the toughest tournament in the state. Both qualified for the state meet, and Bill captured 2nd place, finishing the season at 34-2. Some other top performers were Mike Jacobs and Paul Mitsui. Coach Porter felt that his team strived hard to achieve their goals, and has high hopes for next year and the many returning members.

# Grapplers Look Promising

The 1976-77 Sophomore wrestling team ended up with quite a respectable season, finishing 9-8. Outstanding wrestlers included Steve Edwards, who lost only one match during the season and won first place in the Notre Dame Tourney. Steve Binder, Bruce Sienkowski, and Mitch Abrams, who also placed in the Notre Dame meet.

Coach Richardson was a little disappointed in the turnout of the team. He was forced to forfeit many matches because of a lack of depth. He looks forward to a better year next year and hopes to see more men turn out.

The 1976-77 freshman wrestling team did not fair well this season. Their main problem was a lack of depth, which led to an overall record of 0-16.

There were some bright spots on the team. excellent performances were produced by such grapplers as C. Wheeler, who placed 2nd in conference along with Mitch Besterman, Gus Rubiano, Mark Chao, and Gary Rose.

Coach Schusteff felt that the team improved towards the end of the year by scoring the second highest total against the conference champions, Niles East, in a losing effort.

The 1976-77 indoor track team came up with a fine season record of 13-9, although they were plagued by lack of members. They captured the Township championship meet for the sixth year in a row, as well as placing fifth in the Conference Meet.

Outstanding performers in the Conference meet, as well as in the regular season, were: Roy Jensen, who took two first place titles, set a new record in 50 yd. low hurdles, placed second in high hurdles, and had the second best time in the nation in low hurdles; Jim Heinz, second in the 440 and tying the school record; and Ken Chelcun, placing fourth in the 440. Other outstanding team members included Srs. K. Johnson, B. Fouty, and T. Torres.

The varsity swim team, under head coach Glenn Anderson, had a tough season, finishing at 1-7 for the year. Like so many other teams at West, the swim team was plagued by a lack of swimmers. Lome excellent performances were given by John Benbow, Bob Daehler, Ed Klancnik, and Jim McLean. On the optimistic side, Coach Anderson observed that this year's team scored more points than any other team and that the team improved as the season progressed. He also felt that to be a contender he needs more swimmers, and he hopes next year will turn out more hopeful.

# Frosh Hopeful

The Frosh swim team of 1976-77 looked promising this year as the team was highlighted by first rate showings from such members as Leif Berg, Barry Malkin, Ron Braver, Dave Kaufman, and Steve Sobczak. The team was hurt by the low interest in swimming but the outlook for this young team seems optimistically good.

The 1976-77 Girls Volleyball team had one of its best seasons, with a 3rd place win in districts. Everyone played their best and they relied on teamwork, not one or two outstanding players, using each member's specialty to the fullest. According to Ms. Kay, varsity coach, the reason for their success was their high level of skill, which was the highest in the history of the team. However, one of their main problems and the reason their overall record was 6-4 was keeping the team morale up during a match. If they lost a game, it was not because they were out-psyched.

With the JV's 9-1 record and the B team's 6-2 record, Ms. Kay looks hopefully towards a great team next year.

# Girl Gymnasts Make State

The highlight of the season was the qualification of Marilyn Taldone and Jody Treitler, vault; Karen Dermer and Karen Loicano, uneven bars; Chris Putz, balance beam; and Jane McDonald, floor exercise; for the first State Championships held at Maine East and televised on Channel 9 Feb. 12.

Other fine points of the season were a 7-1 division record and placing second in conference and district meets. Coach Judi Sloan explained that the team finished where she had expected and they reached all of their goals. She was also very pleased with the turnout of the Invitational hosted at West.

According to Ms. Sloan the future looks tremendous. She has a young team, with many outstanding girls coming in. Other super performances were given by Carol Buffo, beam; Carey Lyman, uneven bars; and Janet Lease, vaulting horse.

# School Board Introduces Pass/Fail

Ms. Evelyn Rosenzweig

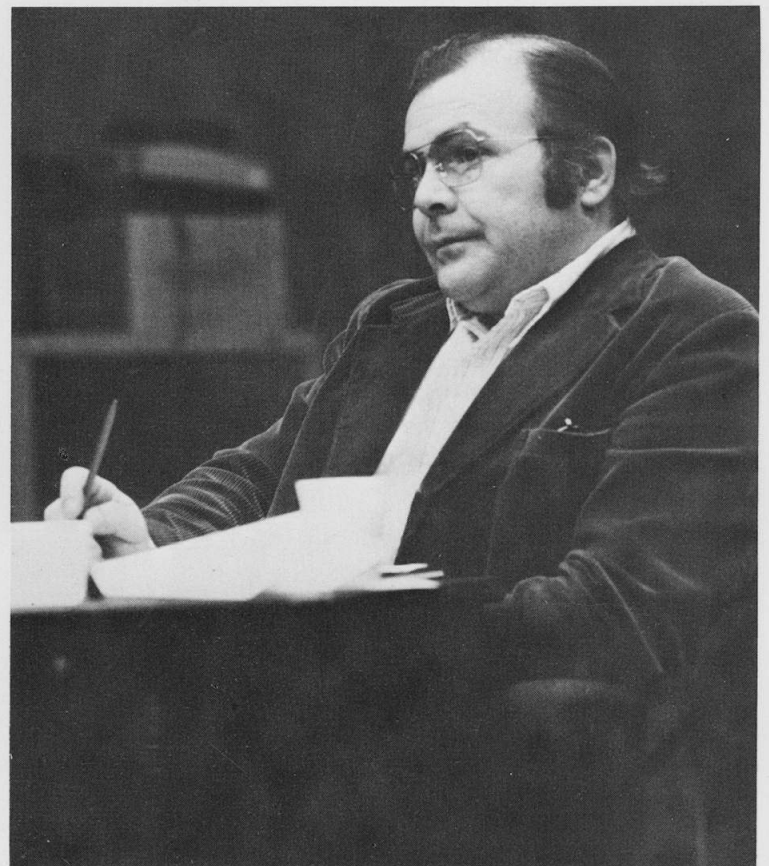

Mr. George Hanus

The year of 1976-1977 brought many changes to Niles West. Most of them had to go through the school board. Any proposal or bill that was passed in the school government would later go to the school board, if it was to affect the three Niles Township schools. There are seven school board members, plus the superintendent. The board members were elected to their positions by members of the community. The board members give the final decision to policies concerning the three Niles Township High Schools. Two of the policies that they worked on were; unifying the Pass/Fail system in the three Niles District schools and formulating a weighted grades policy. This policy will go into effect after a little more work by the school board. Also, the board was a main key to settling the teacher strike which occurred early in the school year.

Dr. Eric Moch

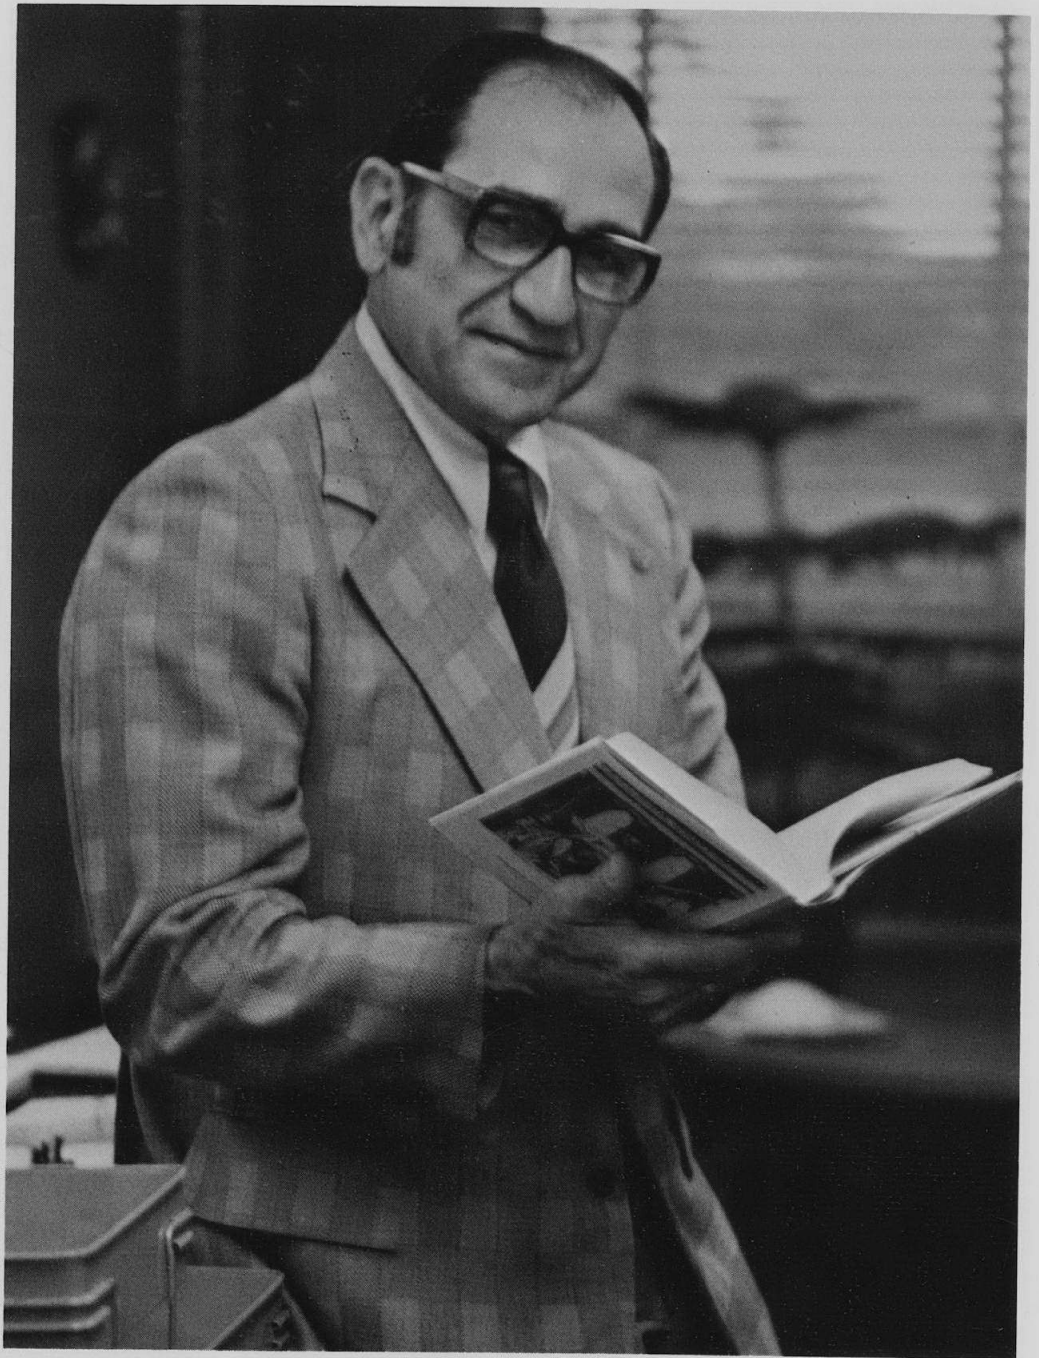

Mr. James Gottreich

# Administrators Strive For

Dr. Nicholas T. Mannos

This year, the administrators continued to work for retaining the high standards of Niles West High School. They were especially concerned with the learning of the students. A prime example of their concern was illustrated by an event that occurred a few weeks after the opening of school in the fall of 1976. Many of the Niles West Township teachers went on strike, leaving the students in a state of confusion. Acting quickly, the school board authorized the administrators to interview and hire teachers to substitute for the striking teachers. Through this, they showed their concern for the students' welfare.

Throughout the year, they worked hard to keep the rights of the students intact. Dr. Mannos, the principal of Niles West for the last seventeen years was aided by nine able department heads. They were: Mrs. Geri Nash, dean of classes 1977 and 1979, Mr. Gerald Turry, dean of classes 1978 and 1980, Mr. Harold Trapp, director of the physical education department, Mr. John Winterhalter, director of the industrial arts department, Mr. Edmund Brufke, director of the history and fine arts departments, Mr. Richard Antes, director of student services, Mr. Dale Flick, director of the math and science departments, and Mr. Dennis Fickes, building manager. These ten administrators combined to keep the school and its students in the good condition in which it has always been.

## Office Personal Contribute Great Amount of Work

Mrs. Cissy Arvidson

The west division office personal assisted the students at Niles West in many ways. Some of the things they take care of are locks and lockers, bus passes, identification cards, mailing and many other things.

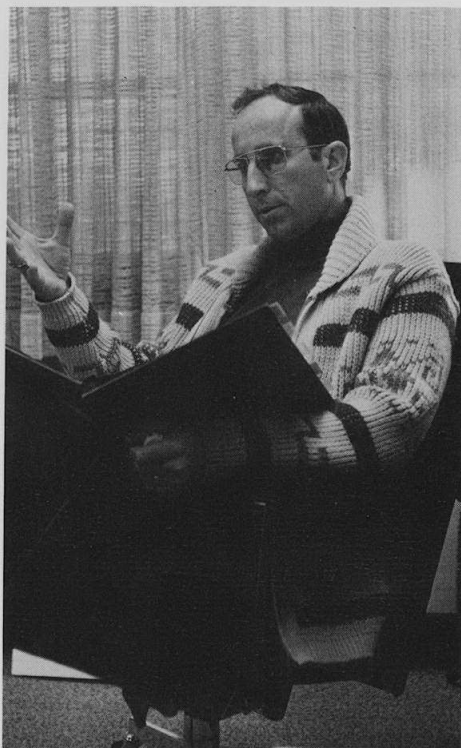

Mrs. Dorothy Groth, Mrs. Barbara Hedrich, Mrs. Shirley Shmidt, Mrs. Val Fassel

# Counselors Help Students With New Pass Fail System

The counselors once again assisted the students through another year. One of their biggest jobs this year was to explain to the students the new pass fail system which was adopted by the school board. The pass fail system differed from the former credit system because it did not allow students to take courses required for graduation pass fail. The counselors not only had to explain this change to the students but they also had to help them change plans which they may have made when the credit audit system was still in use.

The counselors also had a role in the new academic study hall. The study hall was assigned to students by their teachers when the teacher felt a student needed to spend more time on a subject. The counselors had to talk to the students about the recommendations and then they would approve or disapprove the recommendations. The counselors agree that the thing which makes their job most enjoyable is working with students. They find the students are lively and interesting.

## Art Department Creates

The Art Department, as always, teaches students skills and techniques in a variety of areas in art, such as, sculpture, painting, and drawing. This enables the students to use their imagination and creativity and to present it in a way that is fun and interesting.

The teacher's primary objective is to teach the student to observe not only appearances, but also feelings and to express them in art.

## Business Ed. And CVE Combine

# English Dept. Goes Computer

This year, the Niles West English Department took advantage of the tremendous resources of the school's computers. After hard work last summer by dedicated teachers, "Genie" programs were developed for the use of incoming freshmen as well as for the use with upperclassmen as training for the SAT and ACT examinations. Semester exams were developed for freshmen to systematically test their progress in department courses. Among new acquisitions by the department were the two new television cameras and a monitor for use in the video lab.

One of the major goals of the Foreign Language Department this year was to improve in the conversational track of foreign language study. New teaching materials were aquired, such as sets of new audio cassettes which were in full use in foreign language courses. These tapes give students an excellent opportunity to improve their accents. Standardized semester testing was employed to follow the progress of students in department courses.

# Management for Living has High Enrollment

Management for Living was the course with the highest registration in the Home Economics department this year. Management for Living not only provided the students with a beneficial learning experience but it also fulfilled the consumer economics requirement.

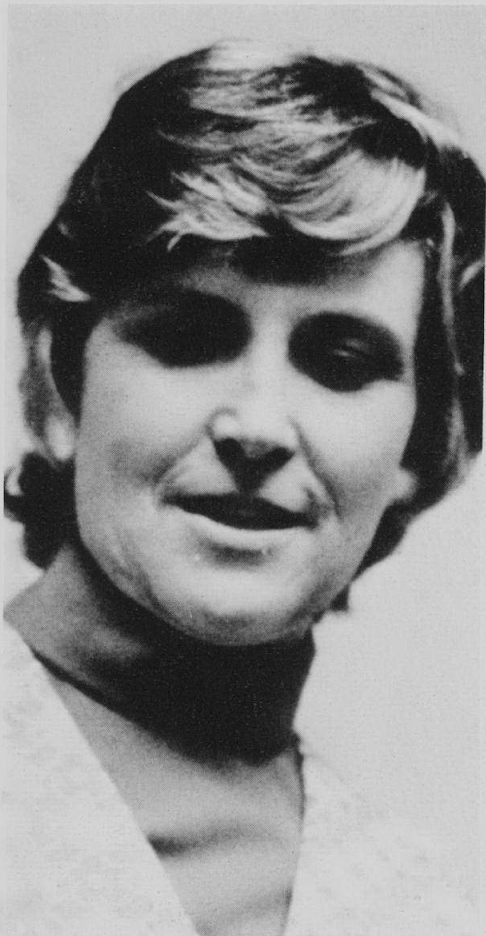

In the Foods section this year the Foreign Foods class not only prepared dishes from other countries but they also studied the origins of the foods. Second semester this year another type of foods class, Vocational Foods, prepared and sold food to faculty and staff.

This year, the math department had utilized the computers even more. They are used by both the students and faculty of all the math classes. One computer that was used only this year was the micro processor. This new computer is small enough so that it could be carted onto a classroom and actually be programmed and used in the classroom.

# Media Center Serves The School

The staff of the Media Center all contributed much to the school this year. Each librarian knows about a specific resource in the library, Annex, or A.V.E. center, and each cooperated with some of the other various departments at Niles West. One librarian helped other teachers with organizing a unit that used different references on the library. A librarian from the Annex helped the students and faculty work with the Reader's Guide and periodicals. The A.V.E. and the Listening and Viewing librarians helped the faculty and students by arranging the audio-visual resources. Some special programs the library was involved in this year were: the Martin Luther King Jr. memorial program, the National Library Week, and also the displaying of some of the students' artworks.

Students pursued solo and ensemble work in their particular field of interest. Many students took private lessons at the school. Tours to other parts of the country as well as performances at local junior high schools were a part of their yearly program. The music department contributed to the spirit of the school through its involvement in marching band, the Holiday Festival, the Spring Musical, and several other productions.

# Strike Throws School Into Turmoil

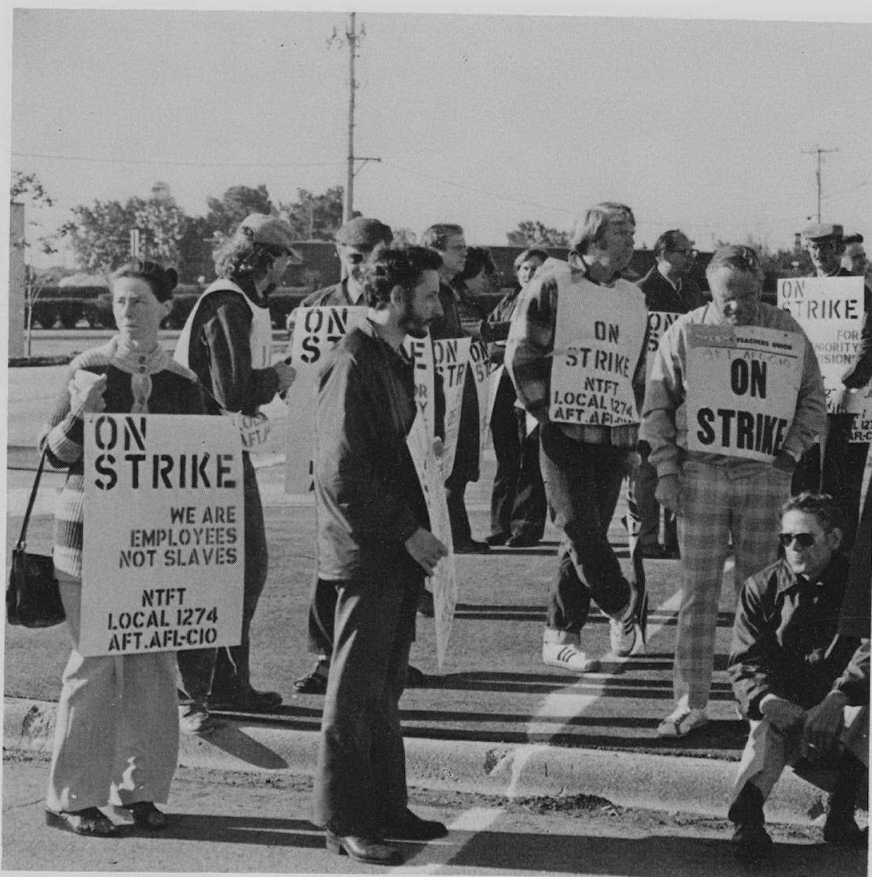

In September, the Niles Township High Schools were once again thrown into bitter turmoil with the School Board concerning the renewal of a new teacher's contract. Dissatisfied with the Board's delay in the contract renewal, discontented teachers struck. Despite School Board threats ordering teachers to return to their classes, half the faculty remained on the picket lines, while the other continued conducting classes as usual. As a result, the Board fired all striking teachers in a fiery, bitter, and tumultuous School Board Meeting. The Student body, lost somewhere in the middle, reacted strongly and boycotted their classes 'til the Board re-hired the teachers back to their jobs. Within a few days, the teachers were re-hired, students returned to their classes, and the school began to function back to near normalcy.

Mr. Kupferberg, Dean Turry and others gather on West's East lawn to discuss any new developments.

Striking faculty members look over new literature concerning the Board's threat to fire striking teachers.

Teachers await the arrival of student and substitute's buses, in the South parking lot.

LEFT: Students cheer and jeer classmates' speeches supporting the striking teachers. BELOW: Dr. Mannos requests that students return to their regularly scheduled classes.

Dauntless, Ms. Gordon still held lectures for her English classes out of doors.

Striking teachers muster a smile for a Spectrum photographer while battling nature's elements among other things.

# In Memoriam

Only remember me; you understand  
It will be late to counsel then or pray.  
Yet if you should forget me for a while  
And afterwards remember, do not grieve:  
For if the darkness and corruption leave  
A vestige of the thoughts that once I had,  
Better by far you should forget and smile  
Than that you should remember and be sad.
