

## March of Dimes Gets Highest Total

**THE MARCH OF** Dimes drive for 1956 reached its all time high here at Nilehi with a grand total of \$584.59.

The senior class led the drive with a sum of \$157.23 while the freshmen came in a close second with \$137.53. The junior class contributed \$135.65; the sophomores, \$128.15.

Miss Joan Coon's senior homeroom, 121-5A, raised \$32.20 for the drive. Miss Doris Tillmann's senior homeroom, 321-4A, came in second highest with \$16.80. Mr. Anton Schubert's junior homeroom, tower-5B, came in third with \$16.

Money was raised for the drive by either regular contributions or a special homeroom project such as a white elephant sale, an auction, or a box lunch raffle.

**THE DRIVE HAS** reached a higher total every year. In 1952 the final count was \$195.60; in 1953 it was \$267.32; in 1954, \$366.75; in 1955, \$423.44; and in 1956, the highest ever, \$584.59.

Miss Doris Tillmann, English teacher, was chairman of the drive. "I want to thank sincerely all those who gave their time and money to make our drive such a big success," she said.

## Big Brother, Sisters To Talk to Freshman

**SENIORS WILL** soon be acting as big brothers and sisters for all freshman homerooms.

Two senior girls and two senior boys will be assigned to each freshman homeroom to talk to the younger students about Nilehi studies and activities. The seniors will visit the homerooms once a

week. A welcoming committee of the Student Council and several members of the Senior Cabinet will be in charge of the big brother and sister program.

"Although this is not a new project, we hope it will acquaint freshmen with Nilehi," commented Jane Scheuer, chairman of the welcoming committee.

"CONGRATULATIONS," says Mr. Roth to senior Phil Quigley on Phil's nomination for governor of Illinois for the Youth Government Day program.

## Phil Wins Scholarship, Gets Nomination for Governor

**PHIL QUIGLEY**, Nilehi senior, has recently received two honors. One of these, a \$200 scholarship to Ripon College, was awarded to him by the National Forensic League for having achieved the degree of distinction in the League.

Only eight Nilehi students have received this honor in the last 10 years.

Phil has also been nominated by Nilehi's Hi-Y Club for governor of Illinois in the Youth and Government program to be held in Springfield April 20 and 21.

"This is the first time Nilehi has ever nominated anyone, and it is quite an honor for Phil," commented Mr. George Roth, club sponsor.

The Youth in Government program is sponsored by the Tri-Hi-Y and Hi-Y Clubs of Illinois. This year there will be over 500 young people participating.

Each club sends two representatives, one of them sitting in the Senate; the other in the House of Representatives. The clubs also sponsor a bill which must go through committees of the House and Senate.

After these committees decide

the importance of the bill, it must then be signed by the governor for adoption.

Before these bills are drawn up, a series of educational meetings are held with talks by senators and representatives to teach the students how to prepare and put through a bill.

The election for governor will take place tomorrow, February 18, at Northwestern University for the clubs in the northern part of the state. Before the voting, each candidate will give a short speech to present himself before the group.

As another part of his campaign, Phil will visit other Hi-Y clubs in this area where he is already well known through Hi-Y councils.

Nilehi's other representative will be Len Meyer, junior. Last year's representatives were Fred Melberg and Bob Peterson.

Dear Editor,

While riding the school bus every day to school, I find it almost impossible to get on, move, or get off. The bus is terribly overcrowded, resulting in extreme discomfortability and a dangerous hazard. If the bus had an accident, there would be no hope of escaping because it is so crowded. Can't something be done about this?

Sarane Crowther  
Junior

ED. The crowded conditions are a hardship on all of us, Sarane. Right now the only thing we can do is grin and bear it.

Dear Editor,

As I was coming into school this morning, I happened to notice the sign over the Assembly Room. It is badly marred and definitely shows a need to be shined up.

Judy Stansfield  
Junior

Dear Editor,

The Regionals are approaching. In order for the team to do well, it is obvious that they be in good shape; but that's not all. The team needs support, so let's all get out and cheer them on.

Roberta Rice  
Junior

Dear Editor,

Since it is the beginning of a new semester, there are many new students here at Niles. If each student would do his or her best to make the newcomers feel at home, they'd have a much better impression of Niles.

Marilyn Escher  
Junior

Dear Editor,

I believe the S.S.S.H. committee and all those connected with it should be congratulated on the fine job they are doing.

Sandy Jacobsson  
Senior

Dear Editor,

I realize that it is impossible to have many assemblies this year,

## We Fulfill Pledge of Allegiance To Community, School, Ourselves

WE PLEDGE allegiance to the flag of the United States of America and to the republic for which it stands, one nation, under God, with liberty and justice for all.

It is the duty of all Americans to fulfill this pledge through actions, not just through words.

Adults show their allegiance to their country by work in the community through clubs, committees, and projects.

THEY TAKE pride in being able to say that their community is well-run and well-kept.

As students we can do the same thing by making our school a better one in which to work, to learn, and to play.

At Nilehi we have limitless opportunities to enrich the school; and by doing so, we make our lives fuller. There are more than 55 clubs we may join to accomplish these ends.

BY BELONGING to the Student Council, Student Court, class cabinets, or Student Supervised Study Halls, we have a hand in governing the school. Work in these organizations also develops our leadership abilities.

Putting on a play, producing a yearbook, or performing in a music concert provide outlets for our individual talents, as well as being a source of entertainment to others in our community.

There are specialized clubs pertaining to our classroom subjects which develop our abilities in diversified fields.

MEMBERSHIP IN groups such as the Biology Club, Latin Club, Pins and Pens, or 100 Per Cent Club gives us an added insight into our course selections.

We can improve our community by improving our personal actions, as well as through work on organizations.

A friendly smile, a happy "Hello", a clean locker— all these things contribute toward making our school a happy, close-knit, well-run community.

but I do wish we could have the athletic awards ceremonies as we did in previous years. In my freshman and sophomore years I always looked forward to being a junior so that I could watch the boys in my class receive their major "N's." I am sure that receiving these awards in front of their classmates would mean a lot to these boys and there would be only three of these assemblies a year.

Dorothy Collin  
Junior

Dear Editor,

Why are all the doors and gates locked at 5:30 at the southwest and north entrances? After Vivace on Friday afternoons I have to walk outside all around the school in order to be headed in the right direction for home.

Judy Burt  
Junior

Dear Editor,

Would it be possible to have a movie or a jukebox in the Assem-

bly Room during the lunch periods? For those who either can't leave the building or don't wish to, it would provide better entertainment than just standing around and talking.

Marcy Prikikin  
Junior

ED. Perhaps the Student Council can help you with this problem.

## NILEHILITE

The NILEHILITE is about the students, written by the students, and primarily for the students. It is intended for the enjoyment of its readers and to stimulate pride in Niles Township High School, Skokie, Illinois. Dr. Joseph A. Mason, Superintendent-principal.

## Pledge to Highlight Hi-Y Ceremony

IN AN ATMOSPHERE of seriousness and dedication, the Hi-Y induction ceremony will be held this Sunday, February 19, at 3 p.m.

One of the main parts of the service will be the taking of the Hi-Y pledge by about 100 members, both old and new, according to Mr. George Roth, club sponsor.

**The pledge states the purpose of Hi-Y, which is to create, maintain, and extend throughout the home, school, and community, high standards of Christian character.**

The ceremony will be presided over by the first semester officers with Bill DiGillio, president, and Bob White, chaplain, in charge.

**THE PROGRAM WILL** consist of the pledge ceremony, music, a speaker, who will help interpret Hi-Y for the parents, and slides of Hi-Y activities during the past year.

An honor certificate will be given the outstanding first semester officers.

**AFTER THE PROGRAM,** a tea will be held with Mrs. Robert White in charge.

## G.A.A. to Entertain At Old Folks' Home

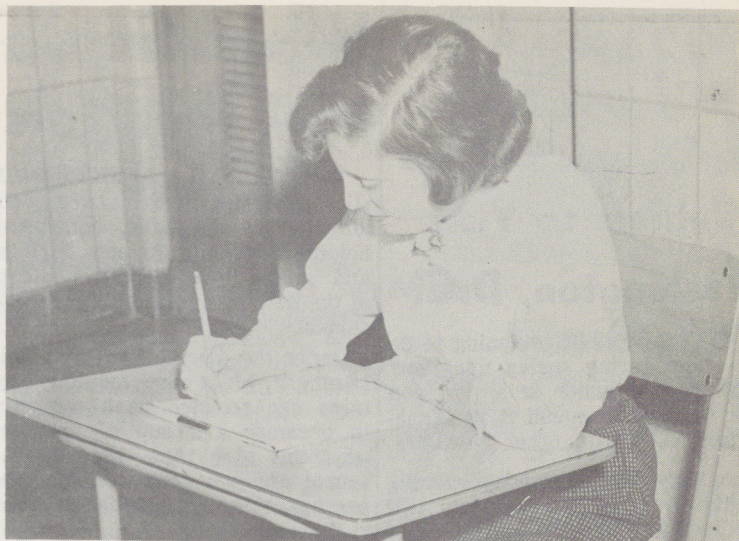

**TO INCREASE THE** social activities of the G.A.A. is one reason a few of the members are going to Norwood Park Old Peoples' Home next month.

They will provide entertainment, the theme of which will be memories. Refreshments of tea, coffee, milk, and cookies will be served.

Skits, revolving around the Charleston, "Bicycle Built for Two," and an old time movie, will be presented. Nancy Phillips, junior, will sit back in a rocking chair and act as M. C.

"If this activity proves to be successful, it may become an annual event," Karen L. Holmberg, G.A.A. president, said.

**THE FOLLOWING G.A.A.** members are in charge of the afternoon: Eileen Corr, refreshments; Barbara Duckers, property; Betty Farwell, costumes; Deborah Rothholtz, transportation; and Roberta Simmons, publicity.

**PROJECTS** for her homemaking class shouldn't be too difficult for Donna Searing, senior, who won the Betty Crocker Homemaking scholarship test at Nilehi. Here she tackles an architectural drawing.

## Donna Searing Is Nilehi's Homemaker of Tomorrow

**DONNA SEARING,** Nilehi senior, is the winner of the Betty Crocker Search for the American Homemaker of Tomorrow at Nilehi.

Donna has received the highest score in a written exam which tested homemaking knowledge and attitudes of the senior girls. She will now be entered in competition to name the Illinois candidate for the title of All-American Homemaker of Tomorrow.

The state winner will receive a \$1,500 scholarship and an educational trip with her school adviser to Washington, D.C., colonial Williamsburg, Virginia, and Philadelphia.

**A \$500 SCHOLARSHIP** will be awarded the runnerup girl in each state.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be

increased to \$5,000. This national winner will be named April 12.

More than \$100,000 in scholarships will be awarded.

"**I HAD NO IDEA** I'd win," answered Donna when asked whether she thought she would win the school title when she took the exam. She admitted she thinks she "probably won't win the state title, but I'm hoping, anyway." she added.

## Five to Take Test For Scholarships

**A GENERAL APTITUDE** test to determine the national winner of the National Honor Society and teacher education scholarships will be given to five Nilehi seniors on March 20.

**Of the present 18 members of the Society, the upper 25 percent were chosen to take the**

test. They were Bette Halvorsen, Nancy Keppler, Barbara Neuman, Jerry Vick, and Bob Schroeder.

The highest scholarship in the group is the \$1,500 National Honor Society Scholarship, which will be presented in the form of \$500 a year for three years.

**IN ADDITION** there are twelve \$500 Grolier-American Teacher Education Scholarships for seniors planning to enter the teaching profession, and 65 other scholarships and cash awards totaling \$10,000.

## Nilehiers to Visit Washington, D.C.

WHAT ARE YOU planning to do this year during spring vacation? If you are a junior or senior, you will be able to spend it in Washington, D.C. with other Nilehiers.

Leaving Chicago Sunday evening on the B & O., the students will arrive in the nation's capital early the next morning. They will begin their first day by taking pictures.

THE TRIP HAS been planned to give the students more free time to take pictures and shop.

Mount Vernon and Arlington Cemetery will be only two of the sights that will be seen. A visit to Annapolis and a boat ride up the Potomac are other special features of the trip.

While in Washington the group will stay at the Lee House. There will be four students to a hotel room and two to a cabin on the boat.

THE SELECTION of roommates will be left up to the students, but if there is any trouble, Mr. Eugene Napier, sponsor, will assign the rooms.

There will be no assembly this year to tell Nilehiers about the trip. An announcement will be made, and Mr. Napier will talk to the interested people personally.

The entire trip, including personal and luggage insurance, will cost between \$117 and \$125. A deposit of \$15 must be made to Mr. Napier after a student's announcement to Mr. Napier that he will go.

The students will return home the following Saturday. Next year's trip will be to New York.

## Nilehi Gets New Monitors

COLLECTING ATTENDANCE slips, checking passes to prevent loitering in the halls, and being helpful to Nilehi's students, faculty, and guests are the main duties of the new monitors for the second semester.

Under the direction of Miss Lois Lamberg, eight new monitor captains are selected each semester to organize a group of monitors who can give their time to the school and who can see that the previous mentioned duties are carried out.

In all there are about 20 monitors on duty each period.

This semester's monitor captains are Wayne Ohlson, period 1; Ralph Perlick, period 2; Malcolm MacClean, period 3; Chester Middaugh, period 4; Bill Allen, period 5; Tom Freeling, period 6; Bob Blowers, period 7; Bill DiGilio and Dave Chevrier, period 8.

According to Miss Lamberg, each of these students was chosen because of his dependability and availability.

MISS LAMBERG also stated, "I feel that this group is doing an exceptionally fine job and these monitors have proved many times that they are responsible citizens of Nilehi."

## Seniors Sponsor Valentines Dance

VALENTINE, CUPIDS, and hearts were the theme of the annual Valentine's dance, "Sweetheart Serenade," sponsored by the senior class last Saturday night, February 11, from 8:30 to 1:30 p.m.

"We hope we have surprised and pleased the students and faculty with the fresh and original features and decorations, we feel were the best Nilehi has ever seen," stated Bob Schroeder, senior cabinet vice president.

The bids and tickets were on sale the week before the dance for three dollars.

Dress for the dance was the usual "after five" dresses for the

## Students to Fly To Mexico City

"MEXICO, HERE WE come!!" is the cry of Nilehiers who have already signed up for and paid their \$25 deposit on the annual trip to Mexico.

According to Mr. Don Blair, Spanish teacher and sponsor of the trip, any student who is taking Spanish or has already had it may go.

The cost of the trip is \$275, not including spending money, laundry, etc.

The sum includes air transportation to and from Mexico City and Acapulco, where the group will spend two days.

DURING THE COURSE of the week bull fights and the floating gardens will be seen, along with the silver mining town of Taxco. The students will also take a sight-seeing tour of the University of Mexico, the largest one on the North American continent.

The travelers will also see the Aztec Pyramids.

girls and suits for the boys.

Taking care of the details were six committees, each headed by a senior cabinet member. The following are committee chairmen: bids, Barb Larson and Bette Vosnos; decorations, Bob Schroeder; band, Marilyn Horn; publicity, Dave Chevrier; tickets, Sandy Bruening; chaperones, Phil Quigley. The general chairman was Mr. O. T. Hendrickson.

A contest was held to choose the name for the dance, and the winner was Judy Link, freshman. Judy submitted the name "Sweethearts' Serenade" for which she received a prize of two bids to the dance.

"I submitted another name which I thought was better and entered 'Sweethearts' Serenade' without thinking much about it. Was I surprised when it won!" Judy said.

## 'Names, Classes' Say Personnel

"**KNOWING** students only as names and classes on a card is a funny feeling," commented Mrs. Angeline Alonzi, one of the office personnels at Nilehi. Mrs. Alonzi, in addition to collecting fees before school started, does general office work.

"**ONE OF** the most interesting parts of my job is the typing of tests for various teachers," she continued. "Many times I find I can't answer all the questions myself."

If any teacher has to place any orders for equipment, the person who makes the orders out is Mrs. Monica Schabow, the purchasing recorder. She is now busy with equipment for the Business Education Department in the new wing, and orders from all the shops.

"**THE BIGGEST** things I ever placed an order for," she said, "were the new machines in the Industrial Arts section."

**THERE ARE** three bookkeepers in the office — Miss Therese Schweitzer, who takes care of the payrolls and general accounts, Mrs. Laura Wold, who is the bookkeeper for the activity accounts, and Mrs. Helen McGinnis, the bookkeeper for the cafeteria accounts.

Mrs. Dorothy Herkert, who was introduced in a previous issue, is Dr. Mason's secretary.

**MRS. RUTH Akerland**, in addition to her duties in running off ditto and mimeograph sheets, does office work for Mr. Harold Isaacson, the boys' athletic director.

"**MY PET** peeve is a teacher running in with a paper to be run off and wanting it right away. Actually, I'm supposed to have two or three days," said Mrs. Akerland.

When you walk into the office, the first two people you see are Mrs. Betty Moe, the receptionist, and Mrs. Helen Snyder, switchboard operator.

"**THE ONLY** well-known television personality who has ever come here was Adrienne Falcon, hostess of 'Hi Time for Coke,'" Mrs. Moe said. "Students come

**WOOD SHOP** classes at Evanston Township High School recently had a very unusual project. They made pink bulldozers, blue boats, and many other toys that they distributed at an annual Christmas party for needy children.

**IT LOOKS** as if Nilehi and Waukegan have started something, Evanston and New Trier are talking about having a talent swap show.

**IN SPEAKING** about Waukegan, they also have a foster child whose name is Gerhard and lives in Germany.

Here are some of Waukegan's Daffynitions:

**Putter** — What you put on bread.

**Delight** — De opposite of de dark.

**Data** — Exclamation of surprise, "Is data fact."

**Hobby** — A greeting. "Hobby you? I be fine."

**Nodding** — What people won't work for—nodding.

**MAINE** Township High School has student monitors who guard their parking lot and have the authority to issue a ticket for reckless driving, hot rodding, etc.

**IN THE** issue of December 8, the Arlington Heights Cardinal reprinted the Nilehi Code of Ethics in order to clarify what a code really is like. Their Student Council is working on the draft of a code now.

**RECENTLY** the NILEHILITE received a request for the paper to be sent to Punahou Senior Academy in Honolulu, Hawaii.

and ask me for things anywhere from milling a pen to some important program changes," she added.

**SUPERVISING** all this busy bee-hive of work is Mrs. Irene Prang, office manager.

"**I'M** A Jack-of-all trades. If there's anything to be done that someone doesn't have time to do, I do it. And believe me, there's plenty."

## Meet . . . Miss DiTullio

**PEOPLE**, especially those who are sincere, social affairs, sports events, and Harry Bellefonte are tops on the list for Miss Mary Di Tullio, typing and shorthand teacher.

"**I LIKE** Niles very much. It's quite a lot like the high school I attended," Miss DiTullio stated.

Before coming to Nilehi, she received her degree from Northern Illinois State College at DeKalb.

"**MY SECRET** ambition is to someday be happily married and to teach my own children," Miss Di Tullio admitted.

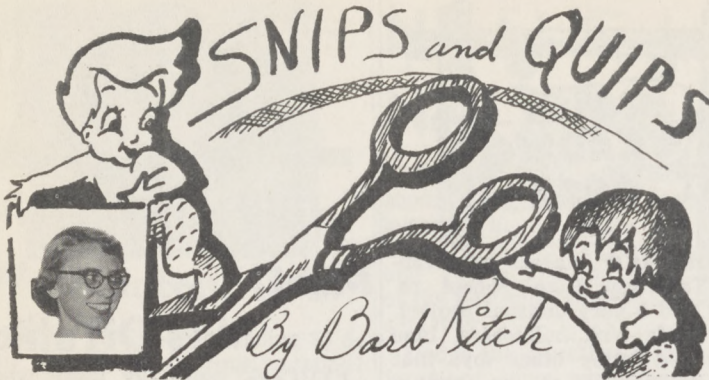

## . . . Meet Mr. Wenzell

**WANT TO** know something about bees? Just ask Mr. Wenzell. When asked what his favorite hobby was, Mr. Wenzell, freshman adviser, replied, "Bee keeping." Every summer, Mr. Wenzell, his wife Rosemary, and two children, Mark, and Janet, journey to their cottage at Three Lakes, Wisconsin, where his bees are kept.

After studying at Beloit, Mr. Wenzell transferred to the University of Wisconsin, where he received his Bachelor of Science degree. He received his Master of Arts degree at Columbia University.

"**PEOPLE OR** institutions that have a resistance to change," remarked Mr. Wenzell, "is my pet peeve."

**WELCOME BACK** to a familiar, but long absent friend, Ed Malecki, senior. Ed has been recovering from a polio attack since last August.

**"BORN ON A** mountain top in Tennessee; killed him a bear when he was only three," may be sung by Dr. Vernon Haubrich, history teacher, who has taken up a new hobby, pathfinding.

**IT ALL** came about when a certain person went out on a pass to his locker and never came back. Dr. Haubrich went out to find him but came back empty handed.

**A COLLECTION** was taken in the period 7 U.S. history class, and the proceeds were used to buy Dr. Haubrich a Davy Crockett hat, cap gun, and a Pathfinder comic book to aid him in his new career.

It would be a rather difficult task to decipher the notes of Mr. William Bost concerning the Reflections' tryouts. For purposes of convenience, Mr. Bost used "zoom" and "boom" to describe the acts.

**IN MR. EARL** Hoff's period 3 advanced algebra class, Bob Peterson and Jay Wollin, juniors, were discussing a date they had the Friday before. Mr. Hoff, noticing the disturbance, asked them if they were discussing algebra. Dave Cleven, junior, quickly assured Mr. Hoff by telling him, "Oh yes, they're talking about figures all right."

**ALL WAS** quiet in Dr. John Betts' period 7 problems class as the class eagerly awaited the coming P. A. announcement. But suddenly the lull was broken by Terry Wilson, senior, who announced, "Bus 9 is late again."

"Happy birthday to you; hap-

py birthday Coco Poo." A party in the honor of Lois Adelman's dog, Coco Poo, who celebrated his year and a half birthday, was held recently in Miss Doris Tillman's 321-4A senior home-room. Cake and cookies were sold, and the proceeds were given to the March of Dimes.

**IN MR. JAMES** Michael's period 6 U.S. history class, Dave Cleven, junior, said, "Did you know that Alcatraz is the most expensive hotel in the country? There's a bar in every room."

**"CASHMERE** Casual?" commented Mrs. Parepa Rice to her composition class. "The next dance will probably be called the 'Mink Meander.'"

Fifty miles an hour seems pretty fast for a submarine to travel, but according to a recent discussion in Mr. Mike Basrak's period 6 problems class, they can do just that.

"But isn't that dangerous?" Lois Adelman, senior, asked. "Look at all the fish it could kill."

To this comment Bob Godell, senior, replied, "Yes, Lois, but consider all the ants the infantry has killed."

**"IT'S LATER** than you think." In Mr. David Jackson's period 2 U.S. history class, Mr. Jackson asked the class, "What was the Critiden Compromise?"

To this Marilyn Escher replied, "I'm sorry, but that was before my time."

**HAVE ANY** broken mirrors or glass? Well don't throw it away. Put it in the "broken glass basket" in room 100. The mirrors, etc., will be used for making a huge glass ball that will hang from the ceiling during one of the

scenes of the spring musical, "Student Life."

**Attention all bowling champs!** Dr. John Betts recently stated that he was a fine bowler and could bowl a 240 game—against the Ding Dong School Varsity team.

**AT 6 A.M.** in Chicago, it's 7 a.m. in New York, 12 noon in London, 9 p.m. in Tokyo, and 4:30 in the library at Nilehi.

**AT 12 NOON** in Chicago, it is 1 p.m. in New York, 6 p.m. in London, 3 a.m. in Tokyo, and 4:30 in the library at Nilehi.

**Tempus fugit** or in a rather loose translation, time passes all over the world, except in the library at Nilehi.

**ATTENTION ALL** gum chewers! This means YOU! Why not take advantage of this box near the drinking fountain on the first floor. The result might mean a lot more pleasant looking drinking fountains.

**SCHOOL IS** for the birds! At least that's what two small sparrows thought one day last week.

**SEEING THE** door to the Assembly Room open, they flew inside to get some education, or so they thought.

**With a thundering** sound, 10 or 12 Nilehiers came tramping in the room. Frightened by this interruption, the birds rushed toward the still open door, flew out, and were not seen in school again.

**SCHOOL,** they decided, is for the humans!

## Junior Carpenters Make Projects

**GOT A KNACK** for building things out of wood? Then Nilehi's woodshop is the course for you. There students learn, in addition to making projects, the types of wood, the woodworking industry and general safety in a woodshop.

**APPROXIMATELY** three and a half half days out of the week are spent making projects. Along with making these, the students learn to use circular saws, jointers, band saws, drill presses, wood working lathes, power sanders, and hand and portable tools.

On Friday of each week, there is a discussion about what the students have done in the previous week and about the weekly textbook assignment, which is on related information. Projects that come out of Room 12B are T. V. stools, cobbler's benches, and wrought iron tables and chairs; all projects being made in the modern trend.

**IN ADVANCED** woodshop, carpentry problems are studied along with mass production methods. Next year upholstery will be added to the course of study.

**LAST YEAR** the advanced woodshop refinished the oak desk tops in some of the rooms, in addition to building a room in the metal shop.

The students along with Mr. Bruce Sorenson, instructor are looking ahead when the shop will "jump across the parking lot" into the new wing where new and modern machinery, along with a new room and furnishings, will house the woodshop.

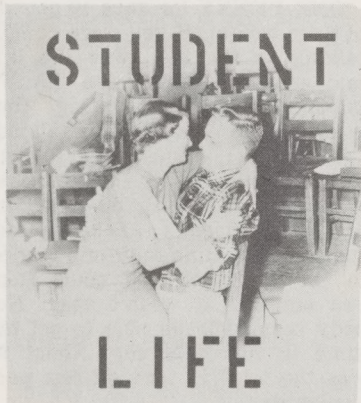

**BUILDING THINGS** out of wood interest you? Then take wood shop. The boys make one of their weekly projects in the picture above.

## Helpless Student Gets 'Big Smooch'

**SUCH SQUIRMING** and color changing! What pathetic and helpless looks were displayed as he sat before the cameras with "Marilyn" sitting on his lap, about to give him a big "smooch."

**IT WAS** a situation which most boys would consider a "golden opportunity," but to Phil Quigley, senior, only a harrowing experience.

At the first rehearsal of the

spring musical, "Student Life," Phil, who is playing the part of Greg, and Marilyn Dell, senior, who is Lola, had their pictures taken in the phase just described for a publicity feature.

**"GET THE** picture just before the point of impact," advised Mr. Hugh McGee, music department head, "then it won't be quite as hard on Phil."

## Introducing . . . Karen Holmberg

**BEING PRESIDENT** of the G.A.A., and Dance Director of the spring musical, "Student Life," are just two of the activities which keep this busy senior girl hopping. Karen has been an active G.A.A. member for four years and was the secretary last year. One of her most exciting experiences at Nilehi was when she was presented with the president's gavel at the formal induction ceremony last year.

**OTHER** activities Karen participates in are Spotlighters, Tri-Hi-Y, Choir, Usher's Club, Reflections, the water show, and yearbook staff. Last year she was inducted into the National Honor Society, which was also one of her most thrilling experiences.

**Ice cream, Italian food (especially pizza), turquoise, red, boys in saddle shoes, blazers, bermudas, short haircuts, and music, really rate high with Karen.**

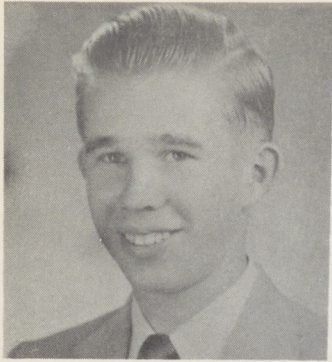

**DISLIKES** include homework, smoking, people who don't keep their word, and untrue friends.

**WHEN ASKED** what she did in her spare time, Karen exclaimed, "Who has spare time?" Then she added that she dances, plays her accordion, goes golfing or bowling, and works at handicrafts during what spare time she has.

**"The University of Wisconsin is the only school for me,"** replied Karen when asked about college plans. "I would like to major in physical therapy, and would like to participate in modern dance courses for extra-curricular activities."

**"MY SECRET** ambition? Show business!" I would love to be the choreographer of a big Broadway musical," admitted Karen.

## Introducing Jerry Vick

WITH A mischievous twinkle in his eye, senior Jerry Vick confided, "My secret ambition is to beat the roulette wheel in Las Vegas with a system several of my friends and I figured out last summer!" This is a little misleading, considering his past record at Nilehi.

JERRY HAS been in the Latin Club, Golden Galleon Guild, National Forensic League, National Honor Society, yearbook staff, Union Board, Junior Cabinet, and Service Club. He was also selected to represent Nilehi at Boys' State last year.

"My favorite likes include very thick milk shakes, pizza, movies, sports, and evening swims in the summer.

"I DON'T go for kids who cheat at games at all," he added.

JERRY HOPES to go to West Point, for which he is the first alternate for appointment. Otherwise, he would like to attend the University of Michigan. In either case he will major in engineering and law.

"The most fun I ever had was on a weekend debate at Rock Island. Phil Quigley and I had a real exciting time, and ended up doing more miscellaneous things than debating!"

IN ADDITION to all this, Jerry works as a stock boy at the Kroger store in Glenview in his spare time.

"EVEN WITH this schedule I find time for hobbies," he stated. Among them are playing the accordion, horseback riding, and playing on a basketball team in the Morton Grove League.

## Cookies, Brownies Help Raise Funds

THROUGHOUT the school during the March of Dimes Campaign, many different ways were used to raise money in the homerooms.

In 313-4A, Mr. John Sheahan's homeroom, box lunches were wrapped up fancy and auctioned off. This proved to be very successful, since \$14 was made.

A cigar for \$.85, a roulette game for \$1.10, a neat picture for \$.42, and a number of other things were auctioned off in Mr. Gale Wesley's 321-4B homeroom. In all, they made \$6.63.

ONE PENNY for each 10 pounds of your weight, if you were caught talking or the like, was the law laid down in Miss Helen Smith's 313-4B homeroom. During that week there was very little talking.

PITCHING dimes into a container two inches in diameter was a contest held one day in Mr. Paul Eberhardt's 219-5B homeroom. Every time the dime landed in the container you could take two out, but it wasn't easy. Nobody seemed to be able to get his dime in the little cup. About \$6 was the total in take on this particular day.

Many other homerooms sold cookies, fudge, and brownies; and all made very successful attempts to raise money.

## Meet Your Meat

"IT WAS educational, and it made us hungry too," replied the period 8 foods class when asked about their visit to the meat department of Huber's grocery store in Skokie.

"THE PURPOSE of the trip was for the girls to become more familiar with the parts of the animal from which we get the different cuts of meat," stated Miss Florence Butler, home economics teacher.

The class was shown a quarter of beef, half of a lamb, and a hind quarter of veal. The butcher also showed them where the different cuts of meat came from and how to cut it in the right places.

"TO MOST of us the trip was an interesting experience, which helped to clarify what we had learned in the classroom from charts," commented the class.

FOOTPRINTS give away a lot of secrets don't they? Or so it seems on the campus of Nilehi.

KEEP YOUR campus clean.

**THE QUESTION** your Inquiring Reporter asked the students and faculty at Nilehi this week was "If you had something to invent what would it be?"

**CAROL PIKE**, junior: "A queen-size cigaret."

**BOB PEARSON**, junior: "A squirtless grapefruit."

**MARILYN HORN**, senior: "A car that you could fold up, and put in your pocket when you go downtown."

**MR. PAUL EBERHARDT**, English teacher: "A library clock that would work."

**JOAN COMIANO**, junior: "A test taker."

**MR. JOHN SHEAHAN**, basketball coach: "A printing press that prints \$20 bills."

**PAT PIERCE**, senior: "A checking account that wouldn't run out of money."

**MARILYN ESHER**, junior: "Elevators for the elevator passes."

**JUDY STANSFIELD**, junior: "A windshield-wiper for glasses."

**ALICE BAPTIST**, junior: "Escalators here at Nilehi."

**JOE STOUT**, sophomore: "Something to take the place of girls."

**BILL ZUBER**, junior: "A teacher that always says, 'No homework.'"

**JERRY ADAMS**, sophomore: "Smell-a-vision."

**DAVE HORSMAN**, junior: "A car that could run on water."

**CINDY CORDES**, junior: "Clocks in the middle of floors two and three, that work."

**KAREN CARLSON**, junior: "A morning pepper-upper."

**CECELIA BELGARBO**, junior: "Something to do my sleeping for me."

**NANCY PHILLIPS**, junior: "A push-cart affair that would take me down the halls to my classes."

**ROBERTA HELLER**, junior: "A thinking cap for tests."

**PENNY MAIER**, freshman: "A boy-attractor."

**ROBERTA RICE**, junior: "Something to keep me awake during the afternoon."

**RUTH CAPLAN**, freshman: "An automatic dish-drier."

**FRANK KISZELY**, junior: "A mechanical woman that won't talk."

**ANNE CUSIC**, freshman: "A

## Chivalry Not Dead Says Mrs. Sparrow

"THIS CLASS is for the birds," was the comment of Mr. Paul Eberhardt when his period 6 English class received a new student, a sparrow.

**MRS. SPARROW**, having been injured, was perched on the outside window ledge of Room 219, and one chivalrous student, seeing her injured, reached out and brought her inside.

The sparrow was taken to the biology laboratory of Room 316 where Mr. Robert Botthoff made a brief examination. "She has no broken legs or wings, but her sense of balance is off, and she is injured internally," stated Mr. Botthoff.

**DAVE ANDERSON**, freshman, who plans to be a veterinarian, took the bird home, where she now receives treatment.

**IF MRS. SPARROW** had to answer the NILEHILITE's Inquiring Reporter, her answer would be, "Chivalry certainly isn't dead!"

## Skokie Appeals to Girl

"I CHOSE to write to your school because the name Skokie, Illinois, looked good to me." These were the words from Edna Mae Howard's letter asking the junior class for some badly needed clothing.

**EDNA MAE** did not want charity, but she wanted to exchange some holly and ferns for some clothing. Edna Mae lives in Haskinston, Kentucky, and has very few clothes.

In every letter that was received, there was a list of sizes in the clothing she needed "worst." She had no picture of herself to send us although she would try to have one taken.

**AFTER THE** box of clothing was sent to Edna Mae, late in December, we received the holly and fern. That was the last we have heard from her. There is no way of telling if she ever received the box of clothing, since she hadn't answered and letters since that time.

**IF YOU** ever visit Haskinston, Kentucky, look Edna Mae up. She'll probably be glad to see you.

mind-reader to see what mood the teachers are in."

## ALUM NEWS

Many Nilehi alums are taking the big plunge in matrimony. Among them are **Pat Ebert**, '51, who will marry Rollin Collins; **Joanne Peterson**, '52, who will marry David Anderson; and **Marilyn Thompson**, '55, who will exchange vows with **Kenneth King**, '53.

**Gail Moier**, '52, is engaged to **Bill Mriene**, while **Lynn Mattis**, '52, is engaged to **Jerry Mriene**.

**Ken Howard** and **Nancy Jacob**, '52, announced their engagement during the Christmas holidays.

**BETTY LOU SWANSON**, '54, was recently married to **Donald Marchon** of Evanston. They are living in Cheyenne, Wyoming.

**JERRY WEISSBURG**, '53, was injured in an automobile accident in Des Plaines; he is now in the Resurrection Hospital.

## Nilehi Keeps Growing

Nilehi just keeps growing and growing. There were 58 new students registered at the beginning of the new semester which swells the enrollment to 1,835.

The senior class now numbers 354 with the addition of six new members. The juniors received ten new pupils to make their class total 426. The sophomore and freshman classes showed the most gain with 11 and 331 new students being added respectively to make their enrollment 478 and 573.

# Big Secret Revealed

**THE BIG SECRET** is about to be revealed! What exactly does go on during the hours when a boy and girl are getting ready for a dance? Here's the story of the complete day as seen from both the boy's and girl's side. The couple is portrayed by Sarane Crowther, junior, and Bob Martin, senior.

**OUR HEROINE** awakens at 10 a.m. and slowly crawls out of bed. She wanders into the kitchen and has a glass of orange juice and a piece of toast (she's afraid she'll gain weight and won't fit into her new dress).

Things move on slowly until the time comes to go to the beauty shop. She arrives at the shop, and has to wait about half an hour, because all the other belles are getting curled for the big evening. Finally her turn comes, and she sits down to two hours of snipping, pinning, baking, and brushing. She emerges with a head of shiny, curly hair and a bright red face.

**HOME SHE** goes for her "beauty nap," and up goes the hair again. After a nap for about an hour, she gets up, and now begins the real scramble.

**FIRST INTO** the bathroom for a nice hot shower. Then comes the make-up job—powder, rouge, mascara, eyebrow pencil, eye-shadow, and lipstick.

She begins to run into more trouble and has to call for help from a more experienced member of the family—mother.

"**MOTHER,** I ran my new pair of nylons. What should I do?"

"**MOM,** where's my pink petticoat?"

"**Moootherrr!** Help me zip my dress!"

**NOW SHE'S** all ready—almost. It seems that one of the new earrings can't be found. Finally she decides to wear another pair, and changes all her jewelry. This is the cue for the lost earring to appear, which it readily does, and all the jewelry is changed again.

**SHE GLANCES** at the clock. He's ten minutes late!

A car is heard pulling up the driveway. She takes one look at her room—it looks as though a cyclone had just struck—and walks serenely and calmly to open the door. Her evening has just begun.

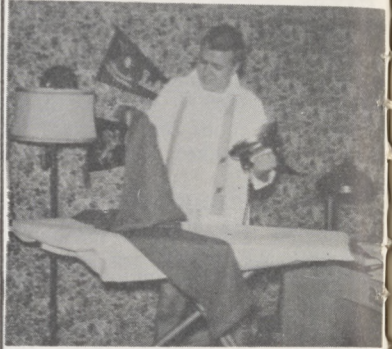

**NOW OUR** hero is a working man, must rise early at 8 a.m. to be on the job. So, with a big yawn, he stumbles into the bathroom takes one look at the blurry-eyed image in the mirror, and goes downstairs for a huge and hearty breakfast. He dresses, but before he leaves, he has to make a couple important phone calls—the florist and the restaurant. Of course he can't remember what color her dress is; so, he gets white flowers just to be safe.

**NOW OFF** he goes to earn some money for that gala evening.

He toils all the day, and around 4:30, goes to pick up the corsage. He loafs around the house until about 7 p.m., takes a shower, and then begins to get dressed.

**BUT WHAT'S** this? Somehow his good pants have gotten a little messed, and an emergency pressing is needed. But he can't quite figure out how it's done—so, mother comes to the rescue.

**THE PANTS** and shirt have finally managed to be put on unwrinkled, and now he starts to tie his tie. He's a little nervous and somehow it just won't tie right.

Finally he's all dressed; so, he takes the corsage, says good-bye and leaves.

**OOPS! THE** ticket! Back he goes to get it and then starts to pick up his date. He rings the bell, and she comes down the stairs. The perfect evening has started.

## Improved Varsity Averages Defeat

**THE GREAT** improvement of the Nilehi varsity basketball squad since the beginning of the season showed last Friday night when they avenged their sudden death defeat by Highland Park by toppling them 69-50.

The Trojans got the ball in the opening jump and proceeded to roll right over the Little Giants.

In the first minutes of the game, the teams seemed to be evenly matched.

**HIGHLAND PARK** had a hard time keeping the ball in the face of Nilehi's keenly executed offensive and defensive plays.

Roger Peterson and Dale Kaiser, leading the Trojans in rebounding, left little chance for George Moran, Joe Borgini, or Buzzy Joseph of Highland Park to control the boards.

Coach John Sheahan's five-man team had ended the half leading 39-23.

The start of the third quarter looked like it would bring the Trojan's downfall.

It appeared that Nilehi had lost both their spirit and control of the ball.

They tallied only 12 points for the quarter, their lowest total of the night. Highland Park was right behind them with 19 points.

The team picked up in the last quarter and sank four baskets in a row. They held Highland Park to the line and kept their scoring down.

The starting five for the Trojans were Bruce Reinger, Hal Neimer, Dale Kaiser, Joel Febel, and Roger Peterson.

Dale Kaiser led the team in scoring with 23 points.

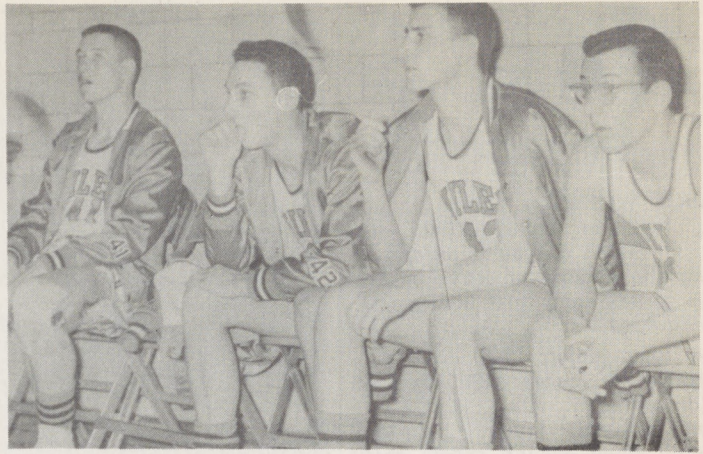

## Soph Wrestlers Split Weekend Matches

**THE NILEHI** sophomore wrestling team split Friday and Saturday, February 3 and 4, as they felled Highland Park 47-5 and lost to Oak Park 28-21.

The split gave Coach Nick Odlik's sophs a six and seven record with one meet left to go.

The sophs had to forfeit one match Friday for their only loss and had to forfeit two matches

(Continued on Page 14)

**WILLING** the team to victory from the bench, Hal Neimer, Joel Febel, Dave Chevrier, and Ken Walter reflect the game's excitement with their tense expressions.

## Evanston Drowns Soph Swimmers

**NILEHI'S FROSH**-soph swim team lost their meet February 3 to Evanston township by a score of 61-16.

Nilehi took a first in the 200-yard medley with a timing of 2:09.9.

Swimming in the relay were Dave Oakes, Jim Iverson, Burton Feingold, and Charles Breen, sophomores.

**BURTON FEINGOLD**, sophomore, took a second in the 50-yard breast stroke with a timing of 33.3, while Turner of Evanston placed first with a 32.8 time.

Charles Breen, sophomore, a newcomer to Nilehi's team placed third in the 100 yard free style with a time of 1:03.2.

**OTHER THIRD** place winners were Pete Thworoger, sophomore, in the diving; Norman Carberry, freshman, in the 150-yard free style and also 25 yard individual medley; Dave Oakes, sophomore, in the 50-yard back style; and Kert Hopper, freshman, in the 50-yard free style.

## Little Trojans Top Highland Park

**NILEHI'S SOPHOMORE** basketball team defeated the Highland Park five on the home court by a score of 42-36, February 3.

A new starting five for Niles, consisting of Bill Ahlberg, Glenn Herriett, Dave Wicker, Bob Johnson, and Tom Baumann held Highland Park to a 10-10 tie at the end of the first quarter.

The regular starting team for Nilehi played the second quarter. **AT THE HALF** the scoreboard read Niles 22, Highland Park 17.

Coach Jim Phipps substituted a new team and they held Highland Park during the third quarter of play and the score saw Niles ahead 28-26.

With ten seconds left in the fourth quarter, John Dragisic took an out-of-bounds pass from Mike Sheahan and seeing that there was very little time left in the game, threw the ball right through the hoop.

**THE LITTLE** Trojans hit for 44 per cent of all their field goals and 66 per cent of all free-throws.

**AT THE LEFT**, frosh-soph cheerleaders Renee Baron and Ginger Golden lead the crowd in cheering their team on to victory. The sophs, who defeated New Trier 55 to 44 last Tuesday night, have a 6-4 season's record.

Robert Kendler, '55, was recently named a member of the boxing team at Michigan State University in East Lansing, Michigan.

# SPORTS

INQUIRING REPORTER

**THIS WEEK** the Sports Inquiring Reporter asked Nilehi students: "What do you think can be done about kids who leave basketball games early just because we are losing?"

**Judi Liss, junior:** "Kill em!!"

**Skip Nelson, junior:** "Put them on the team."

**Dave Clevan, junior:** "If they don't have enough school spirit to stay for the whole game, they shouldn't come at all."

**Frank McGinnis, junior:** "Charge them a fine."

**Janet Minors, junior:** "Since it is an after school activity on their own time, you can't really do anything."

**Sharon Gaynor, junior:** "Win."

**Larry Laske, junior:** "Send em" to the salt mines."

**Barb Larsen, senior:** "The doors should be shut and someone should be watching them about 10 minutes before the game ends."

**Diane Nelson, senior:** "Lock the doors and windows!"

**Gary Meyers, sophomore:** "I don't think it can be stopped. It's the same thing in every other school."

**Paula Grant, sophomore:** "Have social afterwards to make kids want to stay."

**Judy Hanelin, junior:** "Have more discussion in homeroom about this poor display of sportsmanship."

**Keith Hertweck, sophomore adviser:** "Build up a true school spirit instead of a false one."

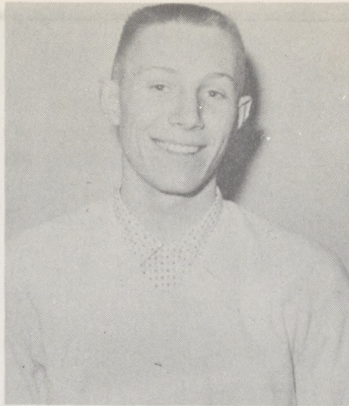

**Judee Gelman, senior:** "Shoot the early leavers at dawn."

**Sand Bain, senior:** "Discuss this poor display of sportsmanship at pep assemblies."

**Sarane Crowther, junior:** "Request at half time that the kids remain until the end of the game."

**Mike Basrak, football coach:** "Bring out the point that a winning team needs no support. Let's show some school loyalty when our team is losing and needs support."

**Sam Topel, senior:** "Don't worry about the kids who leave early; worry about those kids who never show up."

## Presenting . . . Bruce Reinger

A GREAT improvement in his basketball playing has put Bruce Reinger in front of the Nilehi fans at basketball games.

Bruce, who couldn't make the basketball team in his freshman year and played second-string while he was a sophomore, is now the captain of the varsity squad.

Bruce attributes his increase in skill to practicing during his free time while working at the Evanston Golf Club this summer.

"I TRY TO fire up the team. I bring the ball up court and start plays just like a quarter-back in football," commented this 5'11" guard.

According to Bruce, the team should do well in the Regionals because their morale is high and they have been constantly improving.

Bruce is also a member of the football and baseball squads.

HIS MOST exciting moment came when he was named a member of the All-Suburban baseball team, and when he led the league in hitting.

He has big plans for this year's baseball team.

"We should take the Suburban League and go downstate. Almost everybody from last year's team is still with us."

BRUCE'S LIKES include raviola, jazz, and "C.J." If he could improve the school in any way, he would have a room where kids can smoke, like the Evanston student lounge.

Topping his list of pet peeves is the fact that nobody comes out

## Hoopsters Leash Oak Park Huskies

THE TROJANS journeyed to Oak Park and defeated the Huskies 75 to 71 on February 4.

After the game's opening basket by Oak Park's high scorer, Roger Horsky, neither the Huskies nor Trojans could control the court.

BY THE END of the first quarter, however, Niles had built up a three-point lead.

The Trojans stumped the Huskies with their new offensive play which featured rapid passing of the ball from the opposing basket to their own.

This play worked like a magic charm until the fourth quarter when the Huskies got wise and began intercepting the ball.

THE TROJANS, who matched the Huskies in height, matched them in rebounding, too.

Their high spirit, large amount of fight, and will to win put the Trojans ahead.

Nilehi controlled the ball and the court until the fourth quarter when the Huskies scored 25 points to the Trojan's 16.

AT ONE POINT of the last quarter Oak Park had cut the lead to 64-62 after a basket by Horsky.

A tally by Dave Chevrier, followed by three throws by Roger Peterson and a basket by Dale Kaiser, put the Trojans back out in front with a lead large enough to carry them through the game.

Rog Peterson, Hal Neimer, Dale Kaiser, Bruce Reinger, and Joel Febel composed Coach Sheahan's starting five.

High scorers for the team were Rog Peterson and Dale Kaiser with 16 points each.

DAVE CHEVRIER led the team to victory in the last quarter, keeping a cool head in the light of Oak Park's speeding up of the ball game.

Chevrier tallied almost half of the team's last quarter total.

to cheer for the baseball team.

Bruce's ambition is to be third baseman for the Milwaukee Braves — "even though the Cubs are my favorite team."

Bruce plans to attend either St. Olaf College in Northfield, Minnesota, or Western Michigan, in Kalamazoo.

## Trojans Encounter Leyden in First Regional Game

**NILES VERSUS** Leyden is the way it stands now for the oncoming State Regional Basketball Tourney beginning Wednesday, February 28.

The Trojans, who were previously defeated by Leyden 71-57, will have their chance for revenge as they journey to York Community High School in Elmhurst.

**The Trojans feel they can down Leyden in their first game of the Regionals.**

**THE TROJANS** will be after their first victory since 1952 when they were at Waukegan.

In 1953 and 1954 the Trojans were defeated by Waukegan in the second round of play.

Last year the Trojans played in the Leyden Regional for the first time because of the creation of North Chicago High School, who took the Trojan's place at Waukegan.

**The Trojans were defeated in the second round by Oak Park.**

**THE SAME** teams which competed in last year's regional are at York this year.

According to Coach John Sheahan, the roughest competition will come from Proviso and Oak Park.

He went on to say that York, Glenbard, Maine, Leyden and the winner of the St. Procopius District will give any team trouble.

**IF THE TROJANS** were to go all the way to the State Title they would do it this way:

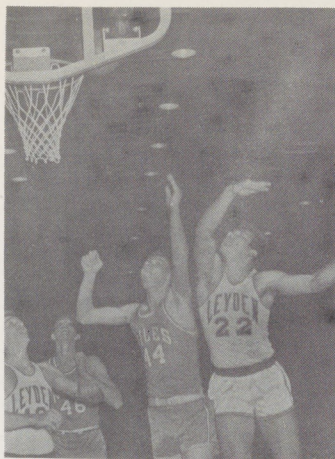

After defeating Leyden they meet the winner of the Oak Park-Maine game.

Winning that, they would play either Proviso, York, Glenbard or the St. Procopius District winner in the final game of the Regionals.

**THE TROJANS** would then travel to the Hinsdale Sectional where in the first game they would meet the winner of the Aurora West Regionals.

In the finale of the sectional they would meet the winner of the game between regional winners from Joliet and Riverside-Brookfield.

**The Trojans would meet the winner of the Kankakee Sectional at Hinsdale in the Super Section-**

**DALE KAISER** (44) and **Roger Peterson** (46) are shown here with two members of the Leyden basketball squad, the first team the Trojans will encounter in the 1956 State Regional Tournament at York Community High School in Elmhurst.

## Evanston Mermen Top Niles 68-9

A **TOUGH** Evanston swim team topped the Niles' mermen by a score of 68-9 on February 3.

Niles took only one second place in the meet.

Doug Stryker came in second in the 100-yard breast stroke.

Tony Follet of Evanston set a new Suburban League record, beating the old record of 2:2.1 seconds with a 2:0.2 seconds in the 200-yard free style event.

**THE 200-YARD** medley team lost their first conference race of the year.

**al which is replacing the "Sweet 16" tourney.**

**FROM THERE** the Trojans would travel to Huff Gym at Champaign and meet the winner of the Peoria Super Sectional.

The Trojans would next meet the winner of the game between Super Sectional winners at Springfield and Salem.

**The Trojans would finally meet the best of the Evanston, Decatur, Moline, and West Frankfurt Super Sectionals.**

**THEN, IF THEY** win, in Skokie on Saturday, March 17, the Trojans would be crowned State Champions of Illinois for the year "1956."

In all, the Trojans would have won nine games.

## Varsity Wrestlers Break Own Record With Tenth Victory

**THE NILES** varsity wrestling team added another record to the books Friday and Saturday, February 3 and 4, as they broke their previous record of eight wins in a season as they gained their ninth and tenth victories.

The Trojans dropped only four matches both days as they trimmed Highland Park 47-5 and Oak Park 31-9.

**Len Miresse and Jim Esbrook, Coach Howard Byram's two top wrestlers, gained their 13th and 14th straight victories.**

**EACH GAINED** falls against Highland Park and decisioned Oak Park.

Henry Feuerzeig gained his 12th and 13th victories against his eighth and ninth pins.

**He was the only Niles grappler to gain two falls.**

**OTHER DOUBLE** victories were Dale Wright, Roger Simpson, and Bill Enke.

Wright won 11-10 and 6-0 while Simpson 9-1 and 6-1. Enke gained a fall in 3:43 and won 3-1.

**Ron Johnson, Bill DiGilio, and Dave Horseman all split.**

**BILL ALLEN** and Ron Chez alternated at 133, with Allen pinning in 1:25 and Chez winning 5-1.

Jack Hagman and Bob Nordlie also alternated at 175, Hagman winning 8-5 and Nordlie winning 5-2.

The double victory gave the Trojans a 10-3-1 record and a record of 2-2-1 in Suburban League meets.

## New Trier Swimmers Beat Frosh-Soph Squad

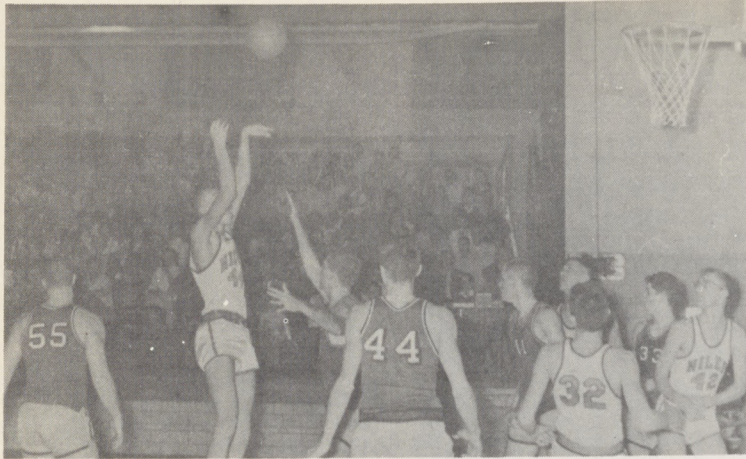

**AFTER PUTTING** up a struggle, Nilehi's frosh-soph swim team lost their meet to New Trier on January 20 by a score of 52-25.

Pete Tworoger, sophomore, took a first in the diving while Edson Brock placed third.

Placing second in the 50-yard free style was Kirk Hopper, freshman, with a time of 28.5.

**ALSO COMING** in second were sophomore Burton Feingold in the 50-yard breast stroke with a time of 34.0 and Dave Oakes, sophomore, in the 50-yard back stroke with a time of 33.0.

IT'S TWO more points for Dale Kaiser (44). This varsity sharp-shooter tallied 36 points against New Trier to put him in second place in the Suburban League scoring race.

## Kaiser Ties Niles Scoring Record As New Trier Defeats Trojans

COACH JOHN Sheahan's varsity cagers will host Morton tonight and journey to Evanston tomorrow night in an effort to raise their Suburban League standing from fifth place.

Last Friday night the squad was beaten 85 to 78 by a well-balanced New Trier five led by John Magnuson, forward.

Magnuson, who heads the Suburban League in scoring with a total of 274 points, scored 28 points in Trojanville.

Dale Kaiser, Nilehi center, sank 13 baskets and 9 free throws to tie the Trojan record for high scoring for one game.

KAISER'S 36 points raised him to second spot in the league standings with 198 points.

The Green Wave rolled over the Trojans right from the first moment of play and built up a seven-point lead by the end of the first half.

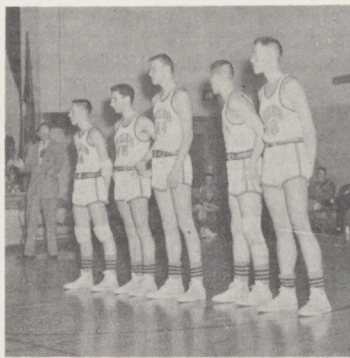

More points were added to this lead as the game progressed.

NEW TRIER'S accurate shooting, successful rebounding, and clever ball handling kept the Trojans stunned.

At the end of the third quarter the Green Wave had a 17-point lead.

The Trojans weren't completely down, however.

THEIR SPIRIT and determination brought them within seven points of the victor by the end of the game.

BRUCE REINGER, Joel Febel, Dale Kaiser, Hal Neimer, and Rog Peterson, regular members of Coach John Sheahan's starting five, are being introduced to the fans on the free-throw line.

### SUBURBAN LEAGUE VARSITY STANDINGS

	W	L
Proviso	10	1
Morton	8	3
New Trier	8	3
Oak Park	6	5
NILES	4	7
Evanston	3	8
Highland Park	3	8

## Trojanettes

THE G.A.A. turnabout, "Seventh Heaven" will be held on April 14.

The gals will wear "after-five dresses" and will be paying \$2.50 for the bids.

\* \* \*

THE "PARENTS Playnight," coming soon, will consist of the parents and gals participating in volleyball and Norwegian softball.

The girls will then demonstrate their abilities in modern dance and basketball.

\* \* \*

FRESHMEN GALS — don't forget to hand in your applications for freshman representative of the G.A.A. board.

## Soph Squad Sets High Scoring Record

A SCRAPPY Nilehi sophomore team set a new high scoring record for Niles when they trounced the Oak Park Huskies 73-48 on the loser's court, February 4.

Nilehi got off to a fast start by limiting the Huskies to five points, while the Trojans racked up 17 points in the first quarter.

In the second quarter Nilehi matched its first quarter total when Jerry Keidel sunk a field goal with two seconds to go in the first half.

THIS GAVE Niles a 16-point lead of 34-18.

The third quarter saw Nilehi more than doubling Oak Park's score, 61-30.

With a 31-point lead going into the fourth and final quarter, Coach Jim Phipps substituted freely, clearing the bench for the first time this season.

(Continued from Page 11)  
Saturday against Oak Park.

Jack Cooper, 95 pounder, and Glenn Kuehn, 133, both gained two pins. Cooper's times were :45 and 1:15, while Kuehn's were 5:30 and 3:14.

PHIL LETOURNEAU, Dick Pankey, and Bruce Herkert also were double victors with each gaining a pin and a decision.

Bob Dilg, Dave Jarvis, Harry Masek, Bill McGrath, Ron Chez, and Bob Marks, all gained single victories.
