As our country has an abundance of natural resources, our community and school also have a valuable resource: Unity.

Expression, spirit, action, ideas, and individuals comprise Niles East. These five aspects form a unity ulike that in any other educational institution of its kind.

Expression is evident in the faces and hands of the students.

New spirit has developed between the walls.

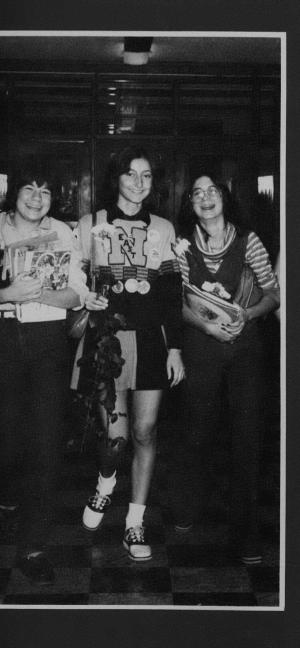

We see others in action while sitting in the stands; we demonstrate action when playing on the courts or on the fields.

Our ideas and values are tied together through the classroom experience.

And we are all individuals.

Yet we have so much unity and togetherness. We cheer each other, perform together, eat with one another, and learn side by side.

We are individuals but we are one.

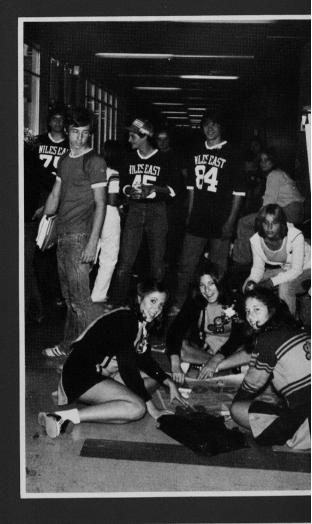

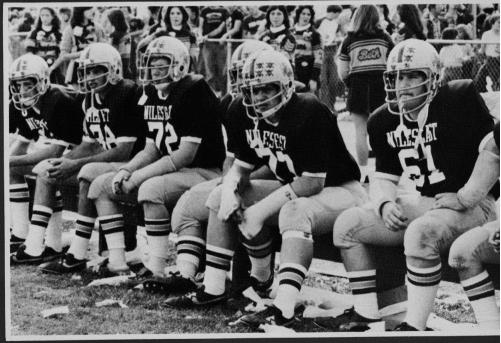

Unity constitutes an abundant resource

Diverse talents create varied expression

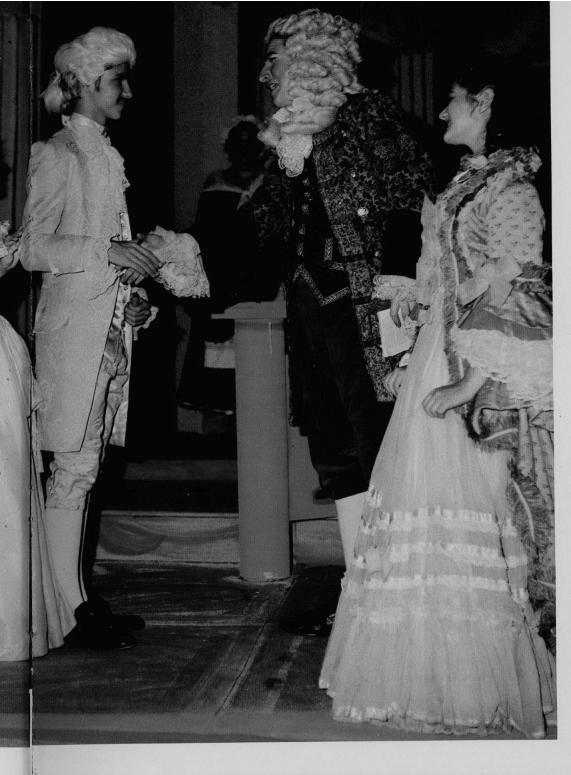

Every student excels in a particular area. Some express themselves with ease. Others fear the moment of getting onstage and performing, or singing to a group of people. Some hesitate to display a piece of artwork or journalistic writing. But those East students who express themselves in some way are talented indeed. Like a skilled craftsman, it takes a great deal of effort to control the emotions of an audience, whether singing, acting, or playing an instrument. As an artist, one may learn of the techniques of others and develop his own masterpiece. These diverse talents at East provide varied expression and opportunities for the stu-

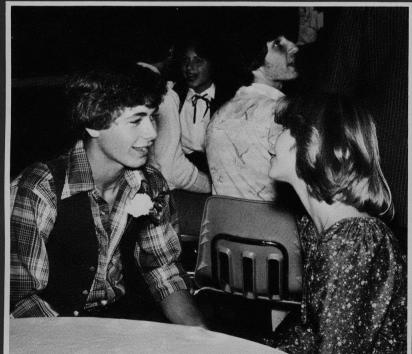

School events cultivate spirit

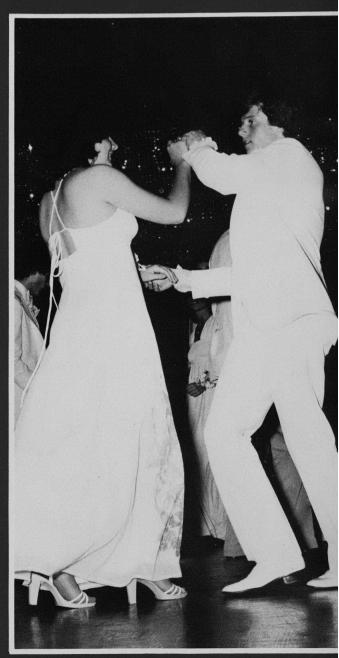

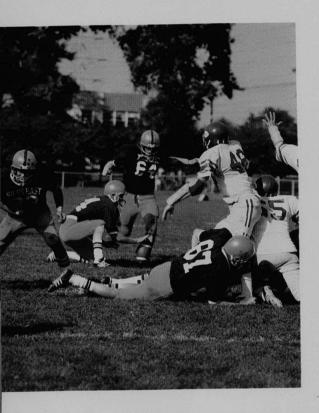

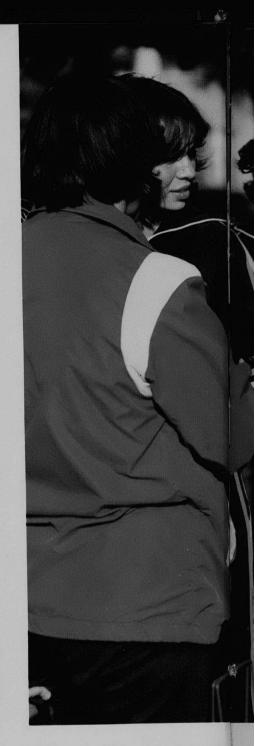

Working on a Homecoming float. Sharing a special relationship at the Prom. Meeting new friends at the Freshman Mixer. Shaking hands with President Carter. Just being involved in these or other events has given many students a sense of accomplishment and more importantly, spirit. The word "apathy" has seemed to disappear between the walls. The knowledge of the closing of this school has produced more enthusiasm at Niles East, not letting the school die out without a last hurrah. School events will forever be remembered in the pages of a high school student's lifetime. They keep on living through a never-ending spirit.

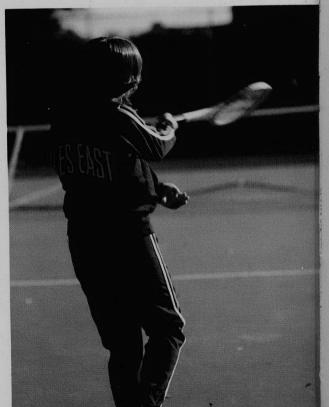

Athletics link action with pleasure

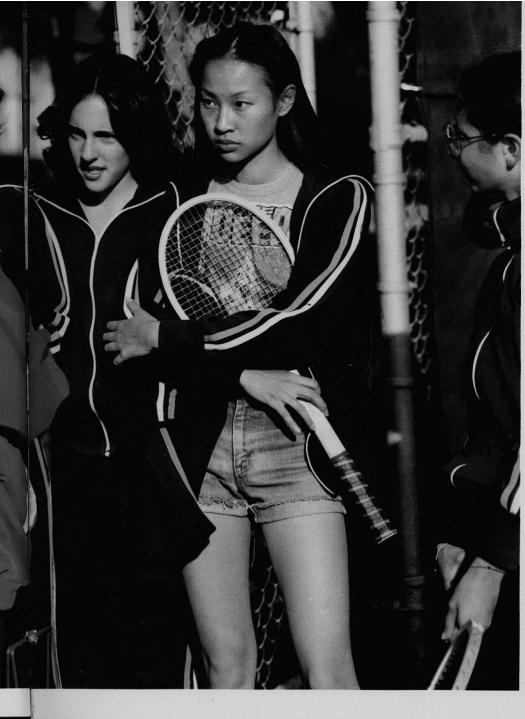

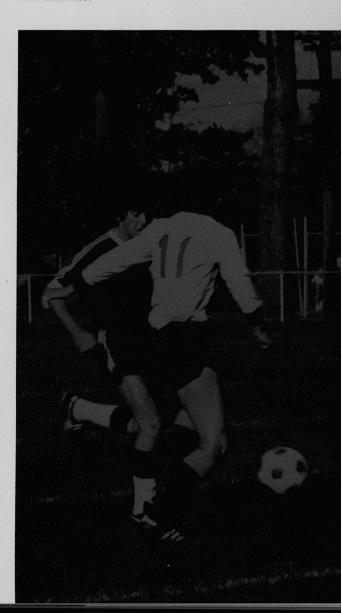

Perhaps it doesn't matter whether you win or lose. It's the enjoyment that is important in athletic participation, both on and off the field. A physical and mental well-being is the treasure in interscholastic and intramural athletics. The treasure is opened when one concludes he has benefitted in both ways from athletics. And the treasure becomes valuable when one sees his work pay off.

For the first time in years, a new wave of enthusiasm spread through the Niles East Community. The action of the sports teams brought action by spectators. New faces appeared. And new faith in East's athletics was produced. The Trojans had finally become contenders in the Central Suburban League, in all sports: football, volleyball, soccer, archery, basketball, gymnastics, wrestling and so on. Many students enjoyed the success of East's competitive, active athletics.

Innovative methods braid different ideas together

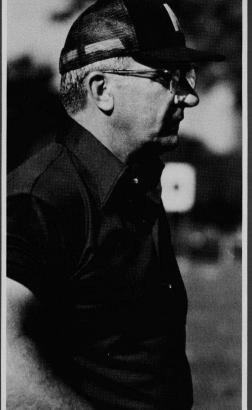

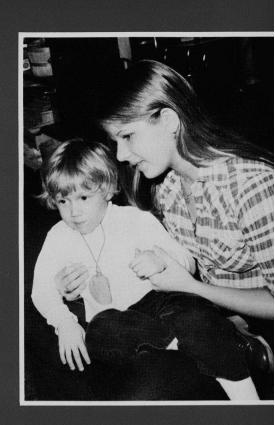

Each teacher has their own method of educating students. Their ideas are diversified, but they are interwoven to form one educational system. They plant the seeds to the tree of learning. As we grow older, our knowledge branches out and we blossom into well-rounded individuals. Our teachers informs us of the things they learned, and in turn we shall pass our knowledge to our descendants, continuing a never-ending braided rope into the future.

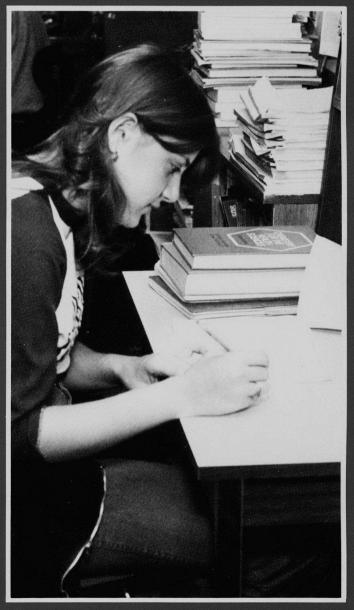

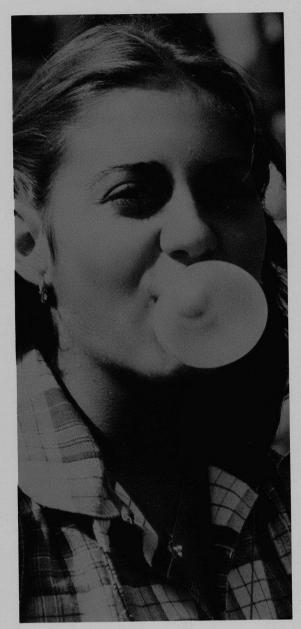

Individualism reigns over Niles East. Everyone strives to find their own niche. Many students belong to a club or organization; others prefer not to.

Individuality at East is unique. So many people with so many interests, characteristics, and personalities are joined in one roof, like a family, like a melting pot. Every student is so different, yet our differences are brought together.

Unified individuals make Niles East tick

Concrete symbols are frequently employed to convey a thought or idea. This year we have utilized basic examples to demonstrate "things fitting together" or unity. The selection of these illustrations should provide meaningful insight into the theme of the year-book.

Weaving is the basic mode for joining different fibers together. Similarly, expression interweaves the brilliance of drama and theatre, the beauty of music, both choral and instrumental, and the flow of journalistic thoughts and feelings.

Like a tightly tied knot, spirit brings our enthusiasm together and binds it to form a dynamic force.

As a modern convenience, the zipper has replaced the button and pin in many places as the mode for joining parts together. Action, at Niles East this year, has also resembled the zipper's unity. Like it, we have sports' teams unlike any in the past. In addition, these teams have become interlocking units advancing to a common goal, success.

A symbol of a moving, thinking age is the cogwheel. These simple machine parts interest together to achieve a final goal. Likewise, the faculty and students share common educational ideas and values. These ideas like the cog, have been redesigned many times to meet today's needs.

Hardness and durability are essential elements for strong linkage. A chain provides this lasting unity. Students at Niles East compose a durable, strong chain of individuals liked to form a unified school with a unified spirit.

This is the essence of our theme: a woven linked, interacting group of spirited individuals whose unified common goal is the life-blood of Niles East.

EXPRESION

East stages Damn Yankees

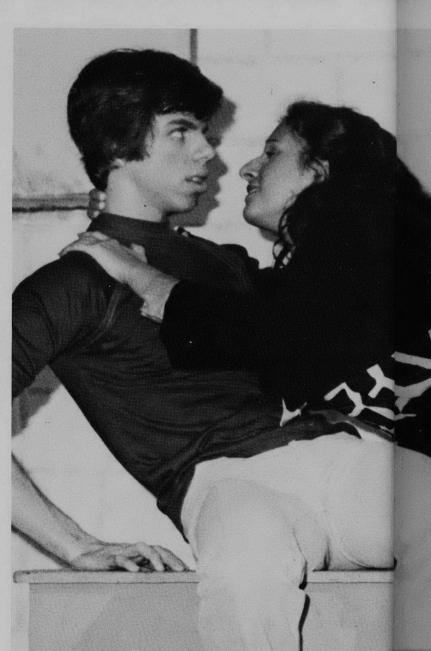

The Niles East Theater Department presented the musical "Damn Yankees" on March 10, 11, and 12, 1978. The story revolved around a middle-aged man, Joe Boyd, played by Ted Hill, who sold his soul to the devil, played by Bill Elliott. His soul was exchanged for the chance to live out his lifetime dream, and become a player for the "Washington Senators", achieving victory over those "Damn Yankees". The player's life, played by Ed Nemmers, soon became complicated with his involvement with the devil's desirable assistant, Lola, played by Lori Schwartz. But he soon realized that his deal with the devil was not bringing him the happiness he desired, so he joyfully returned to his former self and his loving, faithful wife Meg, played by Sheri Marshak.

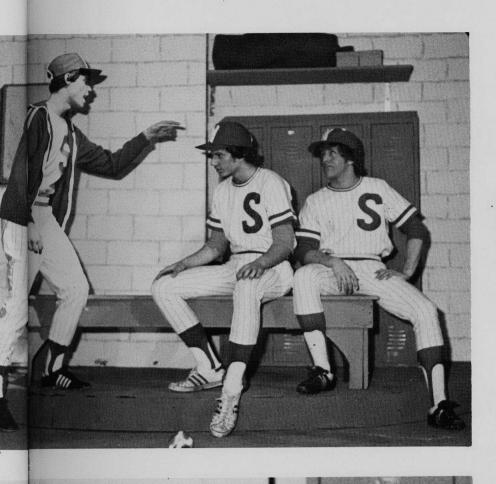

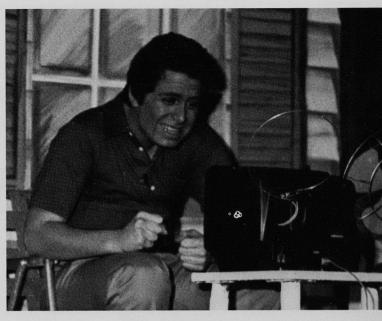

The Pictures (CLOCKWISE FROM UPPER LEFT) are: Ed Nemmers trying to comfort a lonely Sheri Marshak; Manager Danny Silver gives a pep talk to his teammates: Alan Lev and Scott Kleinman; Ted Hill cheers on his team, the Washing-

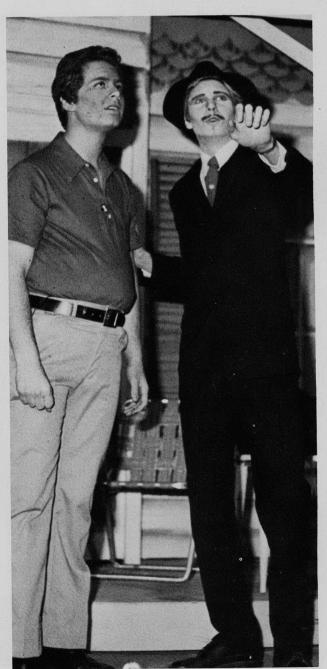

ton Senators; Devilish Bill Elliot describes to Ted Hill all the glories that would be his if he would sell his soul; Lori Schwartz uses her own special persuasion on Ed Nemmers; Arthur Rosenson, Alan Lev, and Scott Kleinman join in song.

"Tartuffe," a play by the French playwright and author Molière, was performed on May 5 and 6 at Niles East. For many students, it was their first exposure to a play set in a different time period.

The plot of "Tartuffe" revolves around the deception of a rich man, Orgon (Layne Friedman), by a sinister hypocrite, Tartuffe (Phil Martini). Although his family clearly sees the rogue as he truly is, Orgon is not convinced of his evil intentions until his property and family are threatened. Tartuffe, however, is foiled and Orgon regains his possessions and respect.

Niles East had not produced a period piece in many years and this may have been one of the reasons for choosing "Tartuffe." "Another reason for having chosen "Tartuffe," Director Jerry Proffit stated, "was that it is a classic period play. It also familiarized students with a famous historic playwright."

(CLOCKWISE FROM UPPER LEFT): Ted Hill and Layne Friedman discuss the virtues of Tartuffe; Suzy Rosenson listens attentively to Phil Martini; Layne Friedman points an accusing finger, while Phil Martini becomes stunned; Jami Lieder ponders Layne Friedman's news; Ellyn Acker shakes Jami Lieder back to reality; Jami Lieder is confronted with the truth by Ellyn Acker; Layne Friedman counsels Phil Martini.

Students perform classical american play, Our Town

The Niles East Theatre Department presented "Our Town" on October 27 and 28. This American classic, written by Thorton Wilder, portrays the daily life, love and marriage, and death of the people of Grover's Corner. This show moralizes about the inability to appreciate life while we live it.

The show was written to be done without the use of sets and limited props. It, therefore took much preparation to make it a successful production. According to Mr. Jerry Proffit, "This is the first time in many years that we have performed a well known production."

(CLOCKWISE FROM UPPER LEFT) The dead await the arrival of Emily (Eleah Horwitz); Mrs. Gibb and Mrs. Webb (Lori Schwartz and Ellyn Acker) speak of the days events; George Gibb (Tim Ortmann) and Rebecca Gibb (Marla Greenspan) gaze at the moon; Mrs. Webb reminisces about marriage; George tells Emily about his future prospects; George and Emily exchange their wedding kiss.

Some of the outstanding musical numbers in Reflections were "If" sung by Marty Lemer and danced by Phil Martini and Karen Feldman. Another fine number was "Signs", sung by Kathy Baer and accompanied by talented dancers. Another number was "Don't Nobody Bring Me No Bad News" sung by Lori Schwartz, who was assited by a chorus and many dancers. Comedy highlights were provided by the Improv group. Members of the group were Bill Elliot, David Williams, Tim Ortmann, Marla Greenspan, Hope Veit, Val Zucker, and Kathy Baer.

Teenis and Thespians labor together

Students who work a minimum of 100 hours in the Theatre Departmant may become Thespians. The International Organization of Thespains is dedicated to promoting quality theatre in high schools by recognizing students who devote their energy and talents to their schools' productions. Niles East Thespians, in addition to almost constant work on the five yearly productions, go on field trips to various shows and attend the annual Illinois High School Theatre Festival. An award is given for each 250 hours of work plus a chair person position.

Tecnis is an organization which handles the technical aspects of all productions, including set construction, lighting, sound, properties and painting. To become a tecnis member one must work 20 hours on a tecnis crew. Many of the students who have worked on a Tecnis crew have found jobs in the technical field.

Thespians and Tecnis work hard to give a well-balanced production. Actors could not work well without crew people and tecnis could not function without the actors.

The Niles East Music Department has gained a new teacher, Ernie Miller, Mr. Miller graduated from the Chicago Musical College with a B.A. in music education and a B.S. in political science. Here, at Niles East, Mr. Miller taught both Girl's Glee and Choral Union. His classes were composed of students of all ages, and he taught all aspects of music. Mr. Miller hoped to institute some changes in the department and wanted to put "emphasis on reading and understanding music, rather than just learning to sing."

(CLOCKWISE FROM UPPER LEFT): Muriel Steiner and Lesli Schulmeister study their music; Erin Kern enjoys the music; A vocalist practices sight-reading; Andrea Myerson concentrates on her part; Robyn Gomberg, Mindy Levin, Chris Redlin, and Ruth Paul sing soprano; Beth Dunn, Erin Kern, Heidi Fishman, and Yasmin Ali sing along with Mr. Miller; Jami Thunholm, Denise Stoll, and Sue Strongin watch their teacher for directions.

Choirs perform at Marriot Lincolnshire

Concert and Chamber Choirs participated in both Winter and Spring music concerts. The concerts were held at Niles East and admission was free to the public. This year, the choirs were honored by being invited to perform in the lobby of the Lincolnshire Mariott.

Mr. Robert Anderson replaced Mr. Frank Winkler as director of the choirs. Mr. Winkler resigned in order to tour Europe as Sammy Davis Jr's pianist. "The Choirs are very enthusiastic about performing this year," said Mr. Anderson, "they have great potential."

Intermediate Band trains new musicians

This year's Intermediate Band was formed after the Concert and Marching Bands. Due to fewer band members, the Intermediate and Cadet Bands became one band. The Winter Festival and the May Festival of Bands were just two of the many things they participated in. Many of the students in this band were chosen to participate in the Reflections and Marching Bands. The Intermediate Band raised funds by selling candy bars, jewelry, and holiday candles. Dr. Charles Groeling sponsored this band.

(CLOCKWISE FROM UPPER LEFT) Dr. Groeling directs the band; Ron Lund and Paul Le Van play their trombones during class; Ellen Brazen and Jackie Woll follow the music; Two band members warm up before class; Gena Schoen and Leo Kelly play Bach; Mike Hajduk memorizes music; Todd Spinner and Ira Strongin practice for a concert.

This year's band participated in many spirited events. They performed at all the home football and basketball games. Even more spirit was shown when the Music and Theatre Departments entered the homecoming float competition and received a first place.

In addition to the Winter Holiday Festival and the May Festival of Bands, the Concert Band performed at and hosted the Illinois High School Assocation Music Organization Contest. The contest was held on April 7, 1979. Fund raising efforts were directed by the student band board, who were very active in its organization and operation.

The Niles East Marching Band was brimming with enthusiasm for the 1978-79 band year, after returning from a successful band tour in St. Louis. The band, under the instruction of Timothy Wolfram, played during halftime at all home football and basketball games. In their sparkling blue and gold uniforms and shiny instruments, their presence brought a rush of school spirit. Their concise marching style, as well as their obvious musical talent, made the student body proud of having such a professional band. The band, consisting of one hundred members, was conducted by junior, Ted Hill. The Marching Band was one of the high points at all games they performed at, and were enjoyed by all who heard them.

The 1978-79 Concert Orchestra went through many changes this year. Due to the departure of Frank Winkler, the Orchestra is now under the direction of Robert Anderson. Concert Orchestra is a younger group than in previous years although the enrollment has remained the same. Some highlights during the year were the Winter Festival whick took place in December and the Orchestra tour to New York and Matthaw High School on Long Island in May.

Expression remembers 1979

Art, Theatre, Music, and Literary Departments have done an excellent job this year. They have helped the students broaden their horizons and expand their ideals. We dedicate this page to the teachers and students who have given their time in these areas of Expressions: Mr. Dennis Grabowski, Yearbook Advisor, Judie Miller and Richard Wetzel, Art Department, Robert Anderson, Choral Conductor, Tim Wolfram, Band Director, Angie Panos, Nilehilite Advisor, Jeanne Derichs, Golden Galleon Advisor, Jerry Proffit, Drama Director, and Frank Mayfield, Technical Director.

Festival brightens holiday

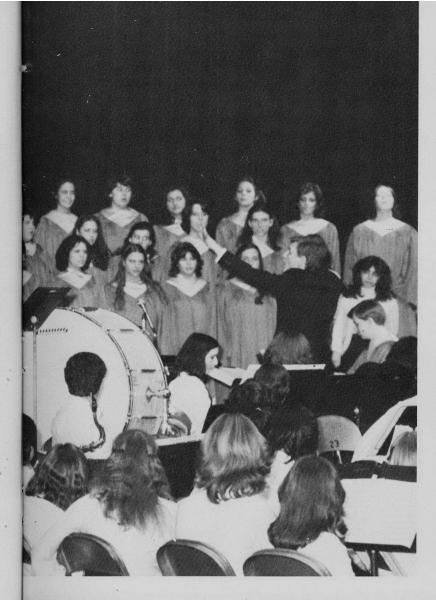

On December 14, 1978, the Niles East Bands and Choral Organizations presented a winter festival. The band accompanied many of the songs sung by the choruses, including "Hanukkah, Hanukkah" and "A Christmas Festival." This year, Robert Anderson directed the combined choirs. Some solo band numbers included "Blue Ridge Mountain Ballad" and "Excerpts from 'My Fair Lady'."

PA appouncers speak out; Editors strive for improvements

At 10:15 in the morning, cheerful voices greet Niles East students. During the homeroom period PA announecments are read by selected students. Miss Rita Stewart, the Building Manager, chose six of the twenty-five students who tried out to become announcers. Each six weeks two different students take their turn at reading the announcements.

The Nilehilite is the Niles East newspaper, written by East students.

The Nilehilite staff writes stories, editorials, and publishes letters pertaining to school events.

"At the beginning of the year we had a relatively inexperienced staff, but they've gained experience and have put out some fine issues, and have proved themselves to be good writers and responsible people," commented Alan Friedman, Editor in Chief.

Many of the students at East feel that the news publication isn't as good as it has been in past years. Inspite of that the Nilehilite editors have worked hard to improve the newspaper.

Elubs express literary 2 photographic journalism

"This year we have a dedicated, hard working, creative staff," said Mrs. Derichs, sponsor of Golden Galleon. The club's goal this year was to publish the finest magazine to date. Though club members diligently worked on grading papers and publicizing the magazine, a problem existed in getting enough student submissions for it. However, the finished product was a fine magazine.

Mr. Miya, sponsor of Photo-Arts Club, felt this past year was a very good one. The club's increase in size included many new eager and talented photographers with good ideas. The club's goals were to help each member, whether a beginning photographer or a veteran to become a better photographer, and to encourage all students to share their interests in photography with one another. Club events included photographic equipment demonstrations and contests.

Art Show Displays Golorful Works

On May 9, 10, and 11, the Niles East Art Department presented the 1979 Art Show. The teachers who assisted the students with the art show were Mr. Dennis Grabowski, Mrs. Judie Miller, and Ms. Hazel Larsen. Oil paintings, wood carvings, ink drawings, photography, clay masks, and sculptures were some of the colorful areas of art displayed.

"It was an outstanding show," commented Dennis Grabowski. "The parents and faculty that visited the show were impressed by the educational worth that was evidence of what was happening in the art classes."

The art show was held in the student lounge where many teachers, parents, and other Niles East students admired the work of both the beginning and advanced art classes. All the art work was created by students in Art 1-2, 3-8, commercial art, and arts and crafts classes.

The 1978-79 Yearbook Staff underwent many changes over the past year. The Yearbook organization joined a press association, KEMPA (the Kettle Moraine Press Association) whose headquarters are at the University of Wisconsin at Whitewater. Over last summer, the two editors-in-chief, Alan Karras and Ted Hill, attended a workshop on Yearbook procedures in Whitewater to make the yearbook better than ever. The Yearbook staff also gained a fresh new look this year, under the guidance of the new advisor, Mr. Dennis Grabowski, who was assisted by Mr. John Golota. According to Mr. Grabowski, "As a yearbook advisor it is exciting to see how the process of unity is working in the production of the '79 Reflections." A mixture of experienced and new members helped to make the book more powerful.

Cabinet picks"Precious and Few" as prom theme

The year-long efforts of the Junior Cabinet came to a close when they presented Prom '78 on May 28 at the Chateau Ritz. One hundred and seventy-five couples enjoyed a delicious dinner after which they danced to the music of Frank Amorosi and his band. The most popular song was the theme song, "Precious and Few."

One of the precious moments of the evening came when Barry Finn and Andi Slowik were crowned king and queen. Their court was Stacey Schneider and Mark Brutzkus, along with Krikor Topouzian and Susan Tuchman. Prom '78 was an evening that everyone involved will not soon forget.

Spirit soars at Balloon Launch and Activities Fair

The students had more school spirit this year and showed their enthusiasm in many different ways.

On May 12, 1978, the Homecoming committee organized a Balloon Launch to start spirits rising for Homecoming '78. There were a lot of booths and games put together in the indoor track.

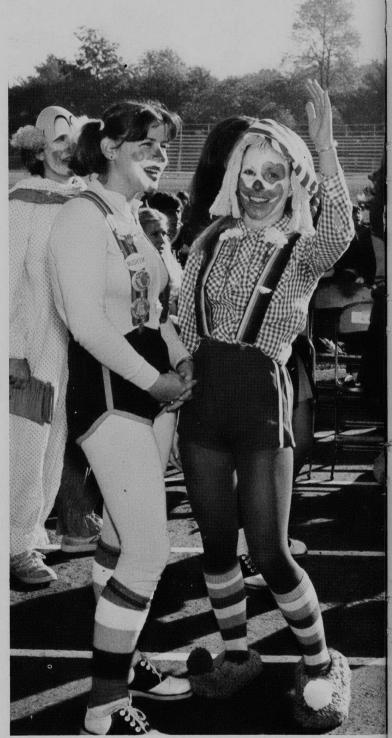

Once again school spirit returned October 10, 1978, at the Activities Fair, held in the indoor track. At the Fair, all the activities in Niles East assembled together to represent their different groups and organizations.

Trojans move out west for Homecoming '78

Saturday morning, October 21, 1978 began with the longest parade ever held at Niles East. Five floats, twelve cars, the Niles East Trojan Marching Band, and the Pom Pon girls proceded down Oakton Street waving to the onlookers. This year's theme, Disneyland, was displayed well by all the floats. The Music and Theatre float took first place, followed by Jr. Cabinet and Key Club.

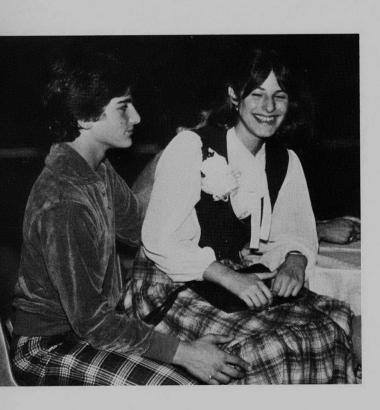

The Trojans' victory over New Trier West was celebrated at the homecoming dance. Refreshments were served by Baskin Robbins and Let Them Eat Cake. Carolyn Ulbert and Dave Sproat were crowned king and queen before the night ended. The court consisted of Sr. Diane Uhle, Sr. Dennis Pucher, Sr. Gigi Carlson, Sr. Brian Kamijian, Jr. Chris Redlin, Jr. Dan Bartfeld, Jr. Carol Rollick, Jr. Dave Lorig, Jr. Beth Feldstein, and Jr. Tim O'Malley. The dance finished off the weekend with a special touch.

Homecoming dance celebrates Trojan victory

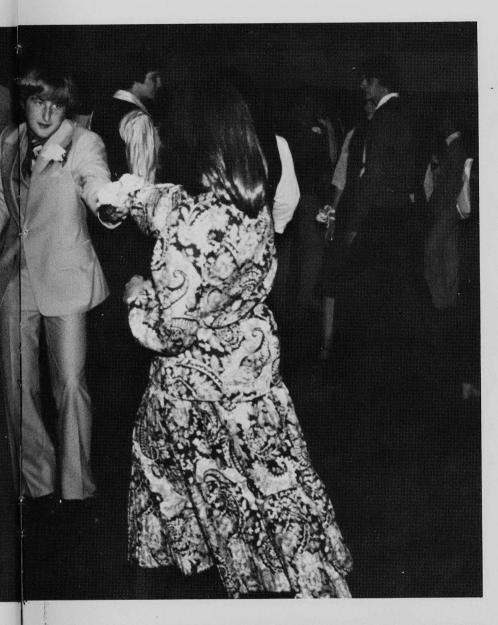

"I felt that this year's committee did the best job ever. They put a lot of time and work into the weekend," said Mr. Steven Poznansky, this year's homecoming committee sponsor. The homecoming festivities began on Wednesday, Oct. 18, 1978 with the annual float building which continued until Friday, October 20. Five organizations assembled to construct winning floats. The homecoming weekend officially began on Friday, Oct. 20 with the all-school pep assembly on the football field. This year's honorary guest speaker, Tim Weigel, spoke highly of the football team and mascot. He was presented with an original Weigel Wiener award by the N-Club. After his presentation, the Trojan Mascot led each class in a cheer with the seniors taking the most spirited class award. Homecoming weekend began successfully.

The biggest social event of the year for the incoming students was the Freshmen Mixer. Held on Friday September 22, 1978 in the Girls Gym. The dance provided a time for all the freshmen to make new friends and renew old acquaintences. One student, Conni Hertel from Fairview said, "I had a lot of fun meeting new people." The main feelings the freshmen had about the mixer was how friendly and out going everyone was. Even though few people danced, the majority of the freshmen enjoyed themselves and had a good

Cheerleaders keep spirit going

The Niles East freshman cheerleaders inspired school spirit this year as they cheered our Trojans to victory. The squad, consisting of eight energetic freshman, delighted the fans. Their flawless cheers encouraged the Gold and Blue to a Trojan Victory.

The experienced sophomore cheerleaders filled the year with lively cheers, helping our Trojans reach the goal of victory. Their exuberance enthused the crowds, and with their cheers helped bring success to the sophomore football team.

Cheerleaders psyche up players

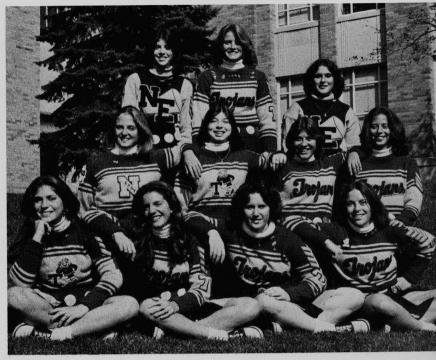

The Varsity cheerleaders cheered our Varsity Football Team to a winning "Trojan" season this year. Their past squad experience, along with their pep and style, helped to make their cheers a high point in the game. This year a new approach was used to enthuse the Varsity Football team. The Varsity Cheerleaders made signs and put them up in the varsity boy's locker room. This tactic helped lead the Trojans on to victory. In addition to leading the crowd, the Varsity Cheerleaders also held bake sales, candy sales, and sold buttons to help raise funds and add school spirit at the same time.

Pom Pon adds to the spirit

After attending a Pom Pon workshop this summer, and receiving a first division rating, the Pom Pon squad was enthused for a dynamite year. Their entertaining routines done from everything from "CopaCabana" to "Zippity Do-Da," served to not only add spirit, but got the fans involved in the whole feeling of Trojan Fever.

Pep Club, Homecoming Committee and Wrestlettes show spirit

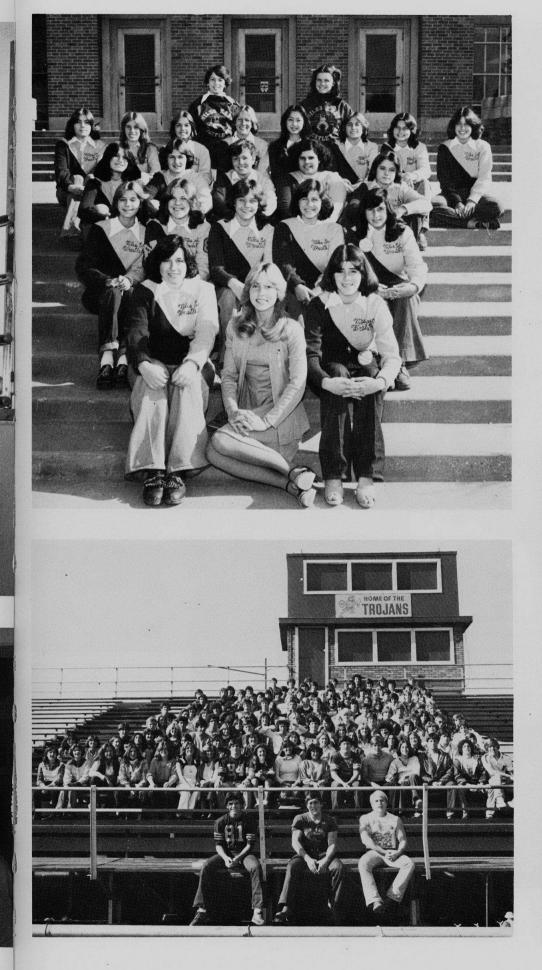

Preparation for Homecoming '78 was started in the spring by committee president Amy Lashinsky, vice president Chris Redlin, secretary Mari Ivener, and treasurer Audrey Fischoff. The committee held many fundraisers to raise enough money for the pep assembly and dance. The six months of hard work proved worthwhile as Homecoming '78 was one of the best Homecomings of Niles East.

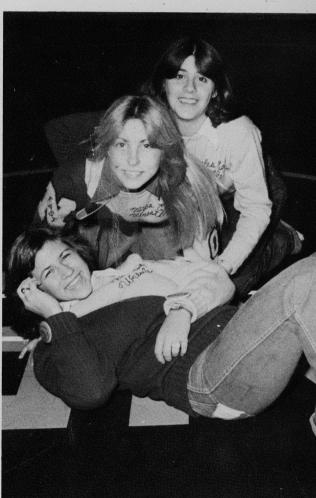

The Wrestlettes, led by Toni Hudac, aid the wrestling team. Their main purpose is to assist Coach Richardi. They do jobs such as keep time and score at the meets. They also raise money for a wrestling banquet at the end of the season.

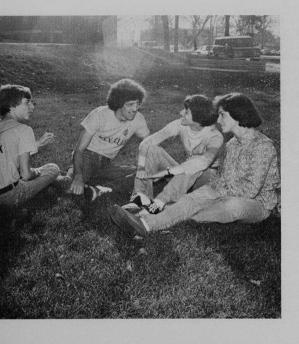

Pep Club is open to all spirited Niles East students. Their main purpose is the promotion of school spirit at all athletic events and other school functions. Coach Odlivak, who is the sponsor, boasts a large membership of 100 students.

Key Club boogies down at "Disco Dance"

The Niles East Key Club boasts a membership of eighty-five. The club, led by president Mike Berkowitz, is a service organization that works directly with Kiwanis. The first Kiwanis-Key Club event was Peanuts Day. Forty-five members of Key Club met at 5 a.m. to sell peanuts for retarded children. Once a week, Key Club sends two representatives to a Kiwanis luncheon in order to keep things running smoothly between them.

On Friday, Nov. 3rd, Key Club held a disco dance which was a total success. The firm "Disco Experience", kept all 150 participants rocking and rolling from 7:30-11:00. Along with their many other events, Key Club had a truly successful year.

Forums are used as enrichment program

"It is a marvelous opportunity for students to benefit from inschool enrichment programs," said Mrs. Muriel Sucherman, Forum's Special Programs Coordinator. Held during school hours, so all students can attend them, Forums are mainly held in the mornings because the guests can't stay too long. Most guests come on a volunteer basis. Mrs. Sucherman, who organizes the Forum programs herself, enjoys doing this and thinks that Forums are a great in-school activity.

The Forums this year included presentations from the Conservation Department of Forest Preserves of Cook County, the Director of Goodman's School of Drama, Oakton Community College representative Elaine Sullivan, experimenting in international living, a discussion about "Summer Abroad" programs in 31 different countries, Israeli Nitzarim Folk Dancers, and the Evanston Social Security office. Forums also sponsored such activities as a Non-Smokers Seminar, a Law Day, and the well-known Heart Day. On this day, blood pressures were checked and menus of low cholesterol diets were offered to help make the day a success.

President Carter visits Niles East

"We try to diversify Forums to make them interesting for everyone," said Muriel Sucherman, Forum's Special Programs Coordinator. Many special events and Forums took place this year. They ranged from a visit from U.S. President Jimmy Carter for a Mikva political rally, to a performance by Israel dancers.

Baseball has weak year

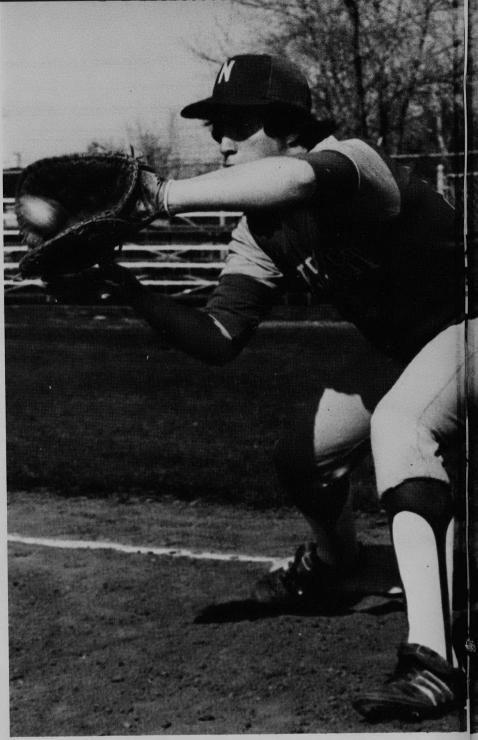

The Varsity baseball team had a bad year, according to Mr. George Galla, Head Coach. The team, under the coaching of Mr. Galla, and Bill Coulson, was weak in the defensive areas of the game, although pitching was one of their stronger points. One of the more outstanding players last year was Tad Slowik, who was in his second year on the Varsity team.

The team had an overall record of 7 wins, 15 losses for the year. Their conference record was 3 wins, 12 losses.

"Our pitching next year should be a strong point, although I'm still concerned about defense. If I can fill in a few holes, we should be competitive. I'm looking forward to a great year next season," noted Galla.

Sophs make errors; Frosh take second

"It was a disappointing year for the sophomore team. The team as a whole made a lot of errors, and we didn't get hits when we needed them. The team record indicated this. Another reason for the poor season was the constant disagreements among the players and the coaches," commented Mr. William Bulthuis, Head Coach.

Coach Bulthuis pointed out that the team started to cut down on errors towards the end of the season. The team had two outstanding players, Tim Callahan and Scott Reicin. "Tim Callahan had a great year with the bat and at the end of the year he was changed to outfield, where he also excelled. Scott Reicen also exhibited good skill in hitting and pitching, as well as being a consistent outfielder," said Bulthuis.

Coach Bulthuis is anticipating a good season for this years varsity team. He feels a .500 record could be achieved if the boys cut down on their errors and developed their hitting skills.

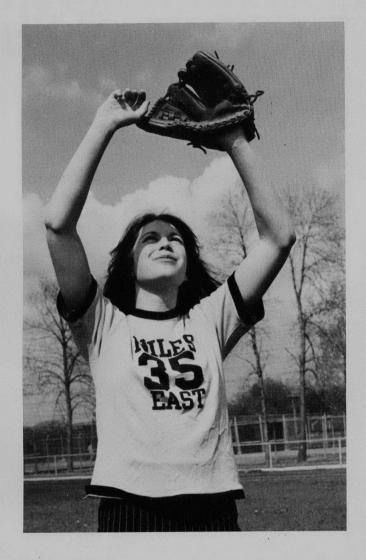

The Freshman baseball team, under the coaching of Mr. Steve Pozansky had a good year. According to Pozansky this is due to the fact that the boys on the team are good athletes and smart ballplayers.

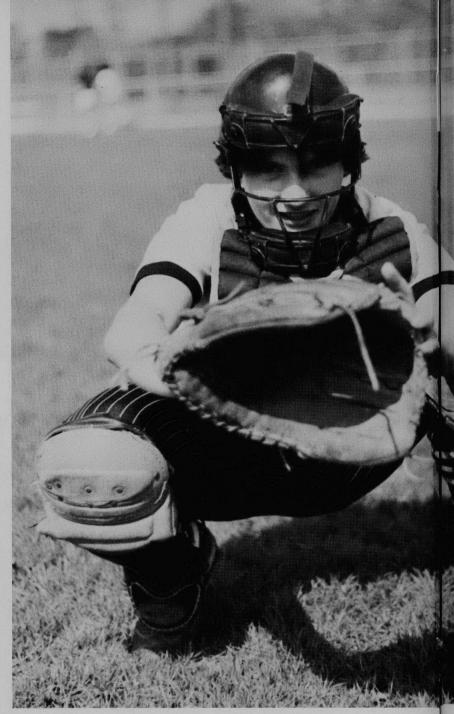

The team had a .313 batting average and an Earned Run Average of .231. The team record for the year was 13 wins, 4 losses. The boys took 2nd place in the Conference with a record of 11 wins, 3 losses.

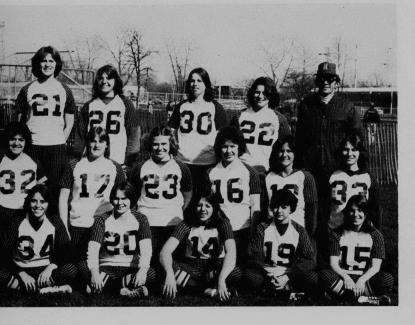

Several of the players exhibited outstanding skill. Bill Witry had a .455 batting average, stole 17 bases. Tony Schiller was the team's number one hitter.

Pozansky believes that this year's sophomore team has the makings of an excellent squad.

Softball team holds "average" season

The softball team finished in the middle of the standings, however Coach Lee Sellers maintained that they played well. "We lost a couple of close games that would have made us number two or three in league," he explained. Sellers went on to say that their conference record of three wins and four losses also belied their devotion to the game.

Most proficient player became all conference third baseman Judy Lee with a batting average of .550 conference, .481 overall, and one error for the season. Jill Chavin, the all conference center, also had one error with a batting average of .563 conference and .434 overall.

Track team improves

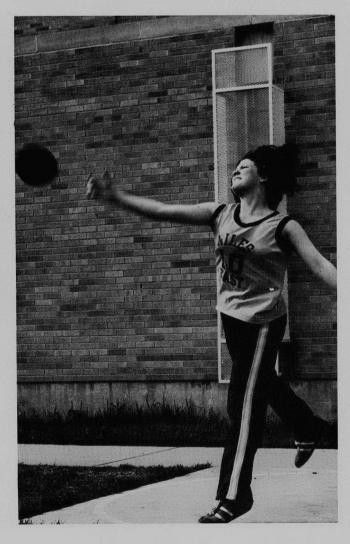

"We gained strength in our running events," stressed Coach Jaci Hess. "The returning sophomores aided our veteran members greatly with their abilities." The influx of skilled athletes allowed the girls to specialize in a chosen event which increased their chances of breaking their records. Chris Porter honored the team with a third place CSL North Division in the two mile run and sixth place in the mile run.

The field events also continued to win awards. Mary Kinnaman placed third in the Evanston Indoor Invitational Shot Put and sixth in the CSL North Division. And Debra Precht and Linda Becker received fourth place and fifth place respectively in the CSL North Division High Jump. Overall, the team placed second three times and third three times in conference.

The team was tied for first place with New Trier East and Deerfield. However, a loss to Waukegen West, resulted in a drop in the standings.

This year's team should be commended for rekindling the spark of school spirit, presenting a winning example to other teams throughout, and finishing the season with better than a .500 conference record.

The Sophomore football team, under the coaching of Ron Henrici, Frank Bostic, and Ron Gralewski had a good year, particularly in comparison to their previous record.

"The class of '81 had 4 victories as compared to two victories a year ago. We started the season with 49 players and finished with 45 award winners" added Henrici.

Most Valuable players were Harold Schwartz and Peter Rollick. Henrici concluded that if these ballplayers continue to play football at Niles East, the football team will be a winner.

The Freshman football team had an outstanding season. The teams most valuable asset was its defense. According to Nick Odlavak's assistant Coach Dave Shusteff: "The major reason for our outstanding year was a varied and intimidating defense. Our offense would score just enough points to be victorious."

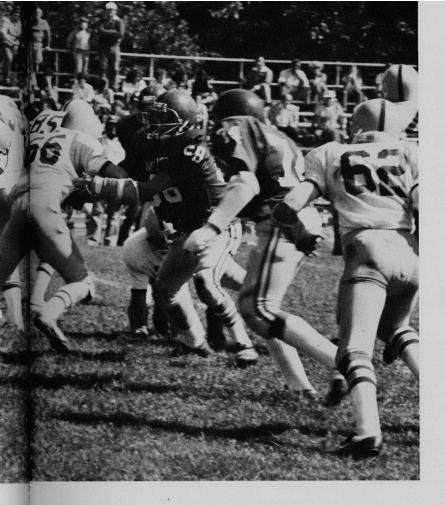

The team had many outstanding players this season. Amoung them were: Marc Brabec, the team captain, and Ira Spiro, the starting quarterback.

Soccer team has spirit: lacks skills!

The Varsity Soccer team finished a slow season with a conference score of 2 wins, 7 losses, and an overall record of 4 wins, 7 losses.

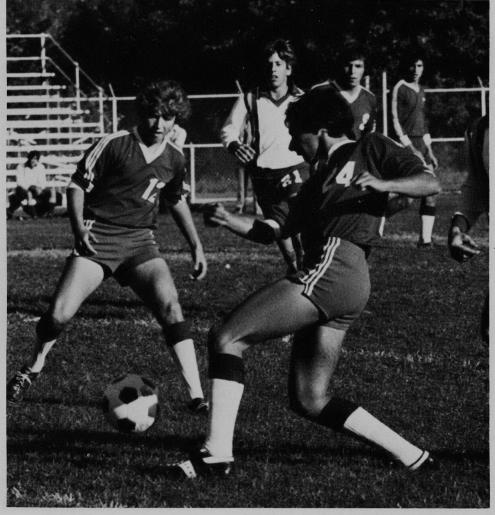

According to Coach Hollister Sandstead, the team lacked the necessary skills to compete, but he felt the year was both rewarding and exciting for the boys. "The team played with determination and spirit," Sandstead commented.

In spite of the team's low record, several players showed outstanding skill. These were Paul Stone, David Klein, Ken Heller, Kevin Nelson, Mark Landau, Robert Sonshine, and Doug Liu.

The archery conference record of one win and seven losses misled the bystander. "Our girls had a lot of enthusiasm and fun," stated Coach Jean Wojdula. The ten varsity shooters faced stiff competition from year round indoor range players, some of which possess bows valued between two hundred and five hundred dollars. Nevertheless, all enjoyed the sport including the six rookie shooters who learned a new skill. "These girls," stated Coach Wojdula, "showed great interest in the team and helped one another. "Next year," she added, "more interested players will result in the addition of a junior varsity team" Outstanding players became Sharon Jacobson, Cathy Cerny, and Cara Johanson.

Cross Country Team gives all

This year's Cross Country team had a poor season. Yet all the blame cannot be placed on the team itself or on the coach. There were only five members on the varsity team. Since no Sophomores or Freshmen came out there was no Freshman or Sophomore team. Because of this disadvantage the team should be commended on its desire alone.

Tennis players rebuild team

Returning sophomores and juniors painstakingly rejuvenated this year's tennis team, according to the tennis coaches. Head Coach Patricia Matlak summarized the results of their strenuous practices. "Everyone improved in individual skills," she stressed. "The many beginners couldn't help but improve," added a team member. Although the team consistently battled against stiff competition, their spirit remained strong. Uncommonly sunny weather added to the enjoyment.

Outstanding players were: Claudia Brisk, undefeated in conference dual meets, second in conference, second in district, and eighth in state; Julie Millman whose four year record was twenty eight wins and ten losses. Overall, the team was 3-4 in conference.

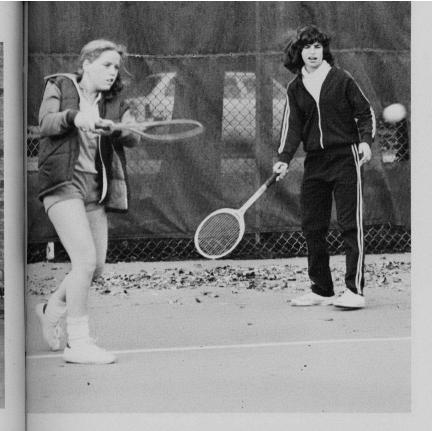

(CLOCKWISE FROM UPPER LEFT) Gabe Strack waiting for the ball; Laura Davis and Lisa Cohan playing doubles; Shelly Mozin running after the ball; Sally Lehman preparing to hit a forehand; Members of the Tennis Team are: (BACK ROW LEFT TO RIGHT) Coach Matlak, Yon Kim, Julie Millman, Mariam Mardi, Janice Kaplan, Claudia Brisk, Linda Becker, Marci Greenberg, Cindy Shapiro, Dana Wohlbrandt; (MIDDLE ROW) Therese

Golf team misses par

This year's Golf team did not have a good season. The Varsity and Sophomores found it hard to compete with teams with much more talent in their conference. Coach Jerome Oswald can look forward to returning team member Mark McCracken who had a good season with some good scores. M.V.P.s this year were Mike Grobman and David Eskoff.

Volleyball team has "Super Year"

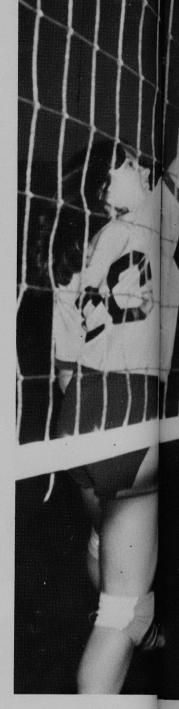

"Defensively, we were one of the top teams in the league," remarked Coach Richardson. "All twelve players were outstanding and each contributed their own special way to the success of this year's team."

Because of their size, however, they had trouble attacking the ball, and as a result, their offense suffered. Nevertheless, all team members improved their skills and technical knowledge of the game a great deal.

Outstanding back-line player in the league became Natalie Doi who was also unanimously selected to the All-Conference Volleyball team. Also, Bobbi Lewen was given honorable mention for the All Conference team, and was recognized for her outstanding serving and spiking ability.

East's Varsity Basketball team had a good season this past winter, according to Emil Capitani, Head Coach.

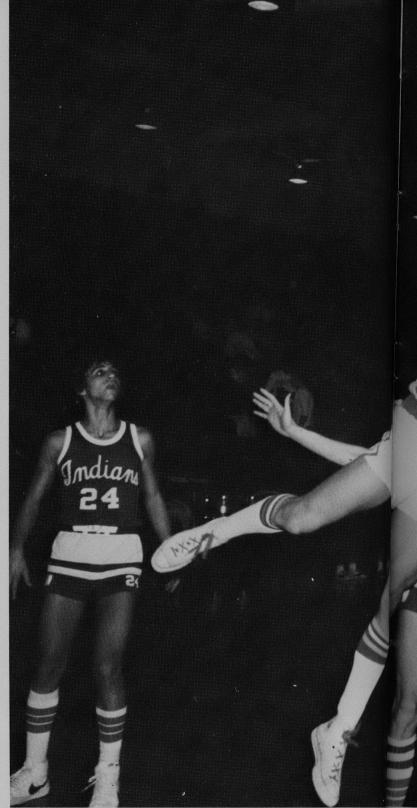

"We had experienced players on the team. Tad Slowik, for instance, was the second leading scorer in the conference and was all-conference last year," noted Capitani, "Alan Andrea was the starting guard from last year, and Dave Sproat was the best player and the team leader."

Other outstanding players included Ken Houdek-6'6, averaging 11 points per game, a tremendous improvement. Dave Klein, 6'4, was the team's forward and a good jumper, while Rich Nikchevich was the team's outstanding shooter.

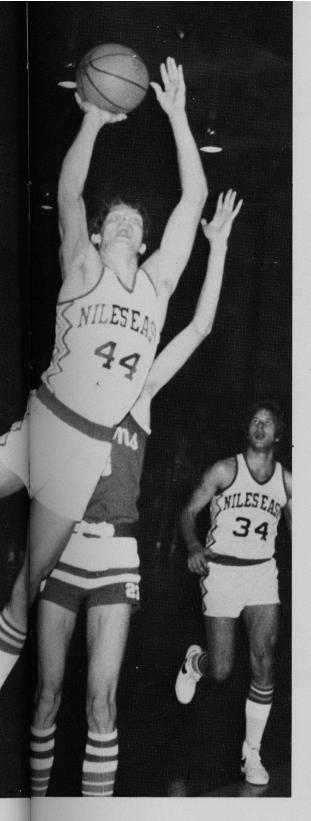

"The team spirit has a lot to do with the success of this ball club. We had a winning attitude throughout the team. This was the hardest working group I have ever been associated with," concluded Capitani.

Sophs and Frosh live up to expectations

"This year's Sophomore team was hurt by lack of height," said Sophomore Basketball coach Frank Bostic. Team member Tony Schiller agreed with his coach, but added, "We make up for it with hustle and spirit." The team worked together, though Scott Shintani and Brad Cole were known best for their rebounding and defense. The team went into the season with a positive approach. Tony Schiller also added about the coaching problem, "We had trouble making the transition from one coach to another, but once we made the adjustment we played respectably." The sophomore team may have lacked height but they didn't lack spirit.

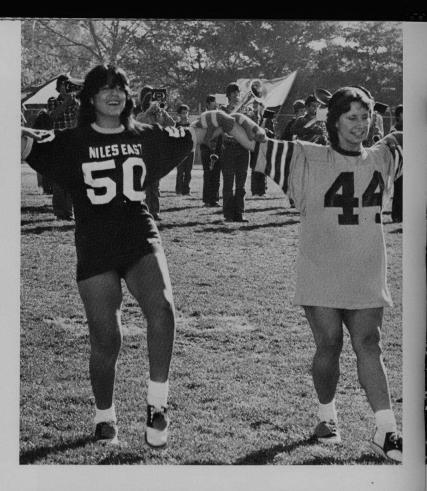

The freshmen used the year as a learning experience for their future years at Niles East.

Fans cheer teams

Wrestlers win conference again

This year's Wrestling Team had another fine year. High team morale and lots of effort on the part of individuals led the team to another conference title.

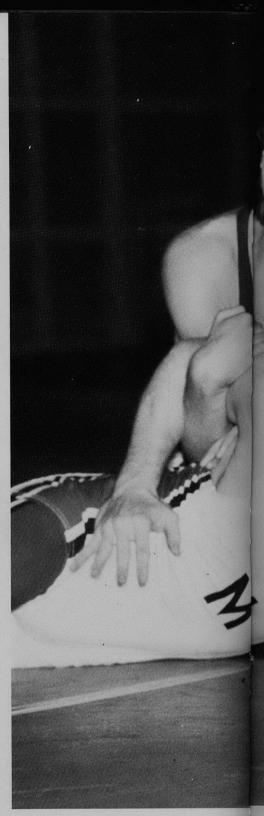

"We may not be as strong individually as past East teams, but we were stronger overall," commented Varsity Wrestling Coach Fred Richardi. Richardi expected a clean sweep of all four division titles and received it. The only losses came from Fenton, DeKalb, and Addison Trail which are rated high in the state.

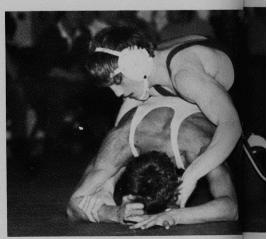

Top wrestlers this year included Mark Pollack, Howard Walovitch, Dan Sarasin and Kelly Walls. Don Schmidt did a great job, while Scott Sylvan improved so much that Richardi believed he helped the team tremendously. The wrestlers who helped the team the most were Victor Suarez and John LaManna, who was prep-athlete of the week and won the Amateur Athletic Union meet.

The Freshman and Sophomore Wrestling teams had outstanding seasons this year. Both teams came in first in the conference and finished the season with excellent records. The Sophomore squad finished the season with a 14-3 record and the freshman squad finished their season with a 15-2 record. Two reasons for their successful season were that they were a hard working and dedicated group of athletes and they improved as the season progressed. The Freshman team were led by Art Zygman, Troy Heinkoff, Rick VanRoeyen, and Steve Potts. According to Coach Poznansky, "This is the smallest turn out on the freshman level in three years but it is the quickest and smartest group in three years."

Trojans rebuild to victory

Despite the loss of many seniors, the Varsity Gymnastics Team finished the season with a 6-3 record. Leading the team to their season high score of 119 at Districts were Dennis Pucher on side horse, Brian Sanchez on still rings, and Mike Epstein on still rings. With the help of freshman Steve Malitz, averaging 5.7 all-around, and Mike Lankford, averaging 5.8 all-around, the team finished fourth in Districts.

Other outstanding performers were Steve Fishman on floor exercise, Dave Nisson on the side horse, Steve Korn on the high bar, Randy Kessem on parallel bars, Mark Seplowin on parallel bars, Mike Seplowin on still rings, and John Murray on still rings and vaulting.

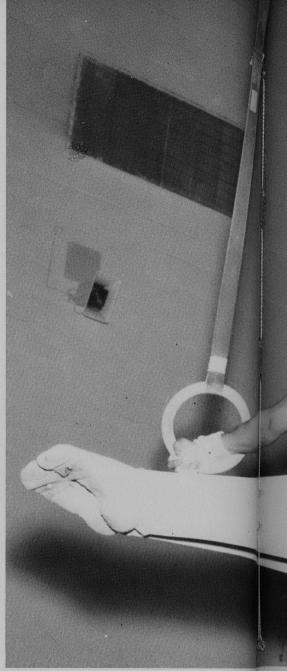

Coach Tom Sokalski commented, "Although we had a young all-around man and little depth on a number of events, the team effort and attitude proved once again gymnastics remain one of the top sports at East."

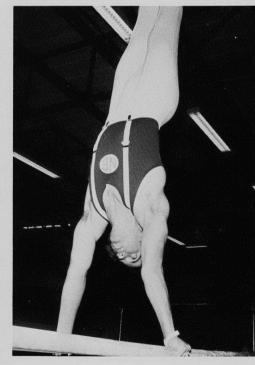

Sophomores go undefeated; Freshmen hold great season

Even though the Freshman squad was quite small this year, they enjoyed a good season. Led by all-around men Dan Agemura and Rich Stegmuller and John Blix on side horse and vaulting, the team finished with a 3-3 record.

With the help of Coach Rifkind, the sophomore gymnasts once again went undefeated. Outstanding scorer of the team was allaround man Steve Malitz, the only freshman on the squad. Other leading performers included Joel Zolin, all-around, Perry Browder, high bar, parallel bars, and still rings, and Fred Iles on side horse. Together, they led the team to another conference championship and a season record of 9-0.

In the past, the Niles East Girls' Gymnastics Team has not been very strong. This year the team acquired two new coaches Seymour Rifkind and Marcia Berke. Both coaches said that "this year was a building year for the girls." The majority of the team was made up of underclassmen with a lot of potential and the drive to work hard.

Outstanding performers who returned from last year were: Sue Besser, floor exercise and vault; Alison Mann, beam; Fab Zimanski, Beam and floor exercise; all-arounds Jane Nesbitt, Terri Dallas, Kim Karnes, Along with the help of Sharon Palm, Mary Pankiw, Cara Johanson, Lori Blackman, Audrey Wagner, Terri Leahy, Therese Lankford, Pam LaManna, and Rebecca Lotsoff, this year's team was an improvement on the past performances.

Varsity struggles while J.V. succeeds

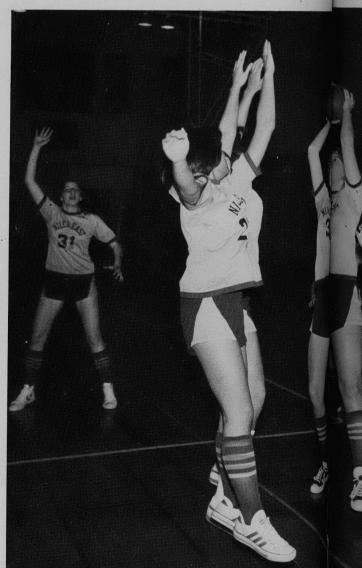

The Girl's Varsity Basketball team endured a disappointing season. Reasons for the losses cited by Coach Jerry Oswald included the graduation of several key seniors from last year's squad and the lack of experienced juniors and seniors for this year's team. Others mentioned were shortages in offensive power and shooting skills. Promising points were a much-improved defense and the maturation and skills gained by several sophomores.

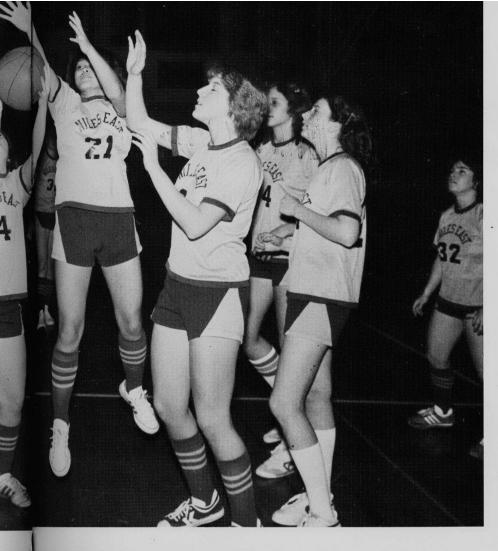

A successful year was enjoyed by the Niles East girl's Junior Varsity Basketball team. The twenty-two member squad displayed a great deal of enthusiasm. Coach Ellen Agoranos was exceedingly pleased with the hardworking group and noted that they had been well coached in the past. Captain of the team was Chris Sproat, and co-captain was Cindy Wu. The girls played a full schedule of competitive games, including a February junior varsity tournament at Glenbrook South.

Tennis players give 100%

Last year was the first time in eighteen years, that a Niles East Varsity Tennis Team had a losing season. This year the team led by seniors Marty Brisk, Dean Heinberg, Stu Flanzer, and Dan Pastron improved greatly, mostly because they competed as a team and not as individuals. Other team members included Mark Landau, Monty Hinchman, and Dave Theobald.

Though a young team, it improved from one practice to the next, showing lots of potential and dedicated, hard work. Outstanding players included Ros Behr, Natalie Doi, Joy Klancic, Judy Klancic, Lee Klancic, Tina Lee, and Faith Martinez.

Outstanding senior athletes lead teams

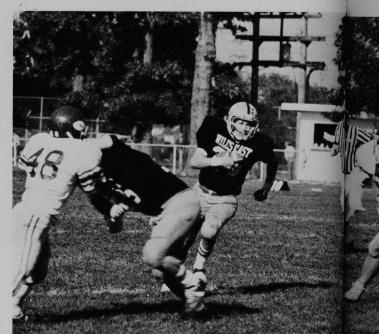

Niles East athletics fosters many talents, but several exceptional seniors provide the leadership and ability necessary to guide their teams to success. Many athletes have enjoyed notable careers at East, especially the people highlighted on these pages. Their teammates and coaches will sorely miss their presence next year, as will all followers of the Trojans.

N-Club organizes athletes

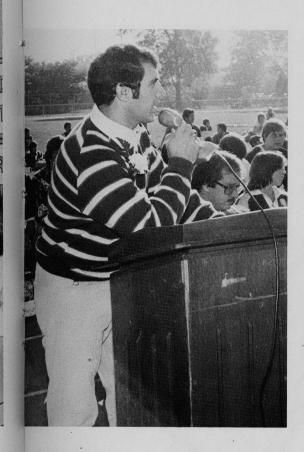

N-Club is an organization for all male athletes who have earned a major or minor letter. N-Club organizes athletes from different sports into one group in order to boost school spirit. N-Club's functions include presenting a scholarship to the most deserving male senior athlete, awarding honorary N-Club membership to deserving adults three times a year, hosting a coaches picnic in spring, and having numerous popcorn sales throughout the school year.

Groups contemplate

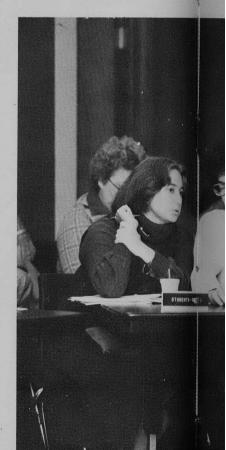

The P.T.S.A. and the Board of Education are two organizations which have continually worked for the best interests of Niles East's students. Both groups have faced a challenging year in dealing with the school closing dilemma. Despite the conflicting debates of community members, both organizations have strived for the best solution to this problem.

The P.T.S.A. has taken a stand which will provide a smooth transition for those students who must leave Niles East in the middle of their high school years. The organization has worked for the unification of the curriculum for all three schools in order that the transferred students will not face academic difficulties. The P.T.S.A. has also attempted to widen students' horizons by arranging for various cultural forums throughout the year. In addition, concerned parents of the P.T.S.A. have worked long hours selling refreshments at football games. It is also necessary to mention that the P.T.S.A. gives out college scholarships for seniors each year.

The Board of Education, composed of seven elected residents of District 219, is basically responsible for establishing the policies which the administrators and staff enact. During this past year the board has struggled with the re-affirmation of its policy adopted in 1975. This policy has the effect of closing Niles East in 1980. The board sought an alternative to closing Niles East, but ultimately rejected the offer by Oakton Community College to buy Niles North. In January of 1979, the board voted to proceed with its 1975 policy. Consequently, East will close in 1980. Although this decision may be unfavorable to Niles East's students, it is apparently the only successful alternative for the problems which face our district.

East's future

Administration

structures Niles East

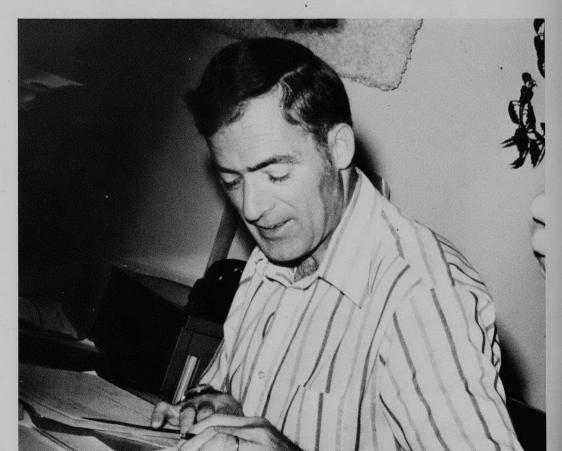

The administration of Niles East provides sound structure for the school to operate. Mr. Hosler, Dean Miller, and Dean Shusteff, as well as the department heads are included in the administration. These people have the major responsibility of maintaining order within the student body. A new method of maintaining order was the publication of a daily exclusion list which prevented students from coming to class without admits and proved to be very helpful in curbing the number of absences each school day.

Counselors guide students

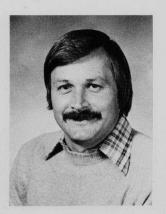

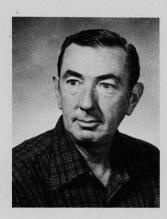

to a better future

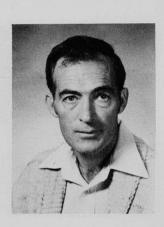

The sole responsibilities of Niles East's seven guidance counselors do not merely consist of scheduling students for their four years in high school. They familiarize freshmen with registration procedures in the transition from junior high to high school. This process consists of conferences with parents, orientation, and tours of the school. They assist juniors and seniors with their future plans; college or otherwise, according to that student's career potential. This is accomplished by administering college placement testing so that the counselor may observe what a student is best equipped for. Mr. Thomas Grossman, an East cou for thirteen years who handles over 250 students, says, "We help students with just about any problem that may arise, whether it's a personal problem or something else." This is what makes a counselor not only a great help, but a good friend.

The clerical staff provides

valuable services

The Niles East Clerical Staff is faced with the task of organizing a confusing mass of work into understandable and efficient areas. Clerks at Niles East take charge of the attendance records in the dean's office, issue detentions, and run the main office. Clerks also provide a much needed service for the students and faculty of East. It is difficult to imagine how Niles East could function as smoothly as it does without the work of these invaluable people.

Special services focus on

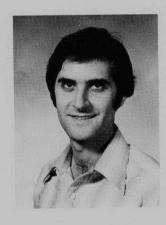

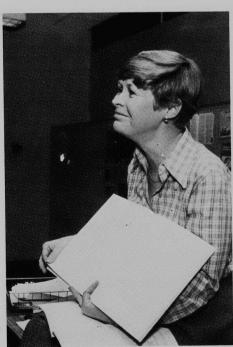

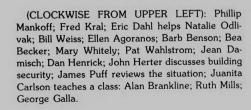

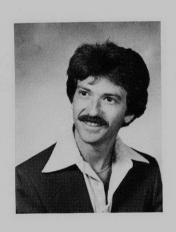

student's needs

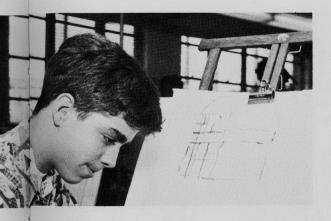

Special Services is a unique department in Niles East, as it provides special instruction in several areas for students. This allows Niles East to serve a student body that varies greatly in its intellectual as well as its social capabilities. The Center for Individualized Cirriculum and the Individualized Instuction Center are two of these meritorious programs. They provide an unparalleled opportunity for students to learn at their own pace.

Included in these services is health instruction. All freshman and sophomores are required to take a one semester course on relevent health problems and how to deal with them.

Among the services also provided are a psychologist and two social worker interns. When students have difficulty keeping up with their obligations, these staff members help with any problems. This department also gives aid in improving speech as well as reading habits. The reading center has been an excellent study area for students who wish to improve in this area.

Within the past year, the registrar and scheduler have been a great help by making it possible for students to change their schedules with little difficulty. The security guards provide order at school functions and help maintain order at school. Lastly, Niles East's two, full-time nurses have helped to keep the student body's general health.

Monitors assist in

Monitors are students who give up some of their free time to help in the security office. At the beginning of the school year, these students passed out I.D. cards and locker combinations. They also, along with the ushers, assisted in Open House and Graduation. Ushers, besides participating in these events, helped out at Freshmen Parent's Night and the Academic Awards Assembly.

Cafeteria provides more

The cafeteria is one of the most popular areas of Niles East. It is almost always crowded and loud, and here, students can relax and talk without raising their hands. However, there are a few annoying aspects of the cafeteria: The food is not fantastic, there are never enough chairs, and the vending machines seem to have a mind of their own. Also, the decor could be more coordinated. Nonetheless, Niles East students couldn't survive without the cafeteria.

Policy changes affect

The Niles East English Department offers a wide variety of courses. Subject matters cross the spectrum from basic grammar (Grammar Review) to ideal societies (Satire and Utopia).

The School Board has affected a major policy change in the English Department this year, which will be implemented in the fall of 1979. All students will be required to take both Freshmen and Sophomore English before they will be able to choose elective courses.

Dr. Lee Hawkins, director of the English and Foreign Language departments, hosted a Forum this year, where he pointed out the correlation between a quality English program and a high verbal SAT score.

Department revises

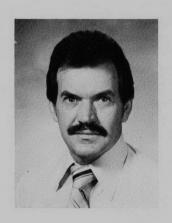

The Social Studies Department has under gone many changes this year, with Mr. Thomas Giles becoming the head of the department, replacing Mr. Ronald Lamb.

Some course names and requirements also changed, although a student still must complete three years of Social Studies to graduate. The freshman course was re-named "People and Their Culture," to correspond with the other schools in the district. It also allowed freshman students to elect an area of concentration during the 2nd semester. In addition, starting with the class of 1981, all students must complete one semester of Western Civilization.

To complete the Social Studies requirement a student must pick from many elective courses. As in past years, these courses allow students to study past and current world events and the actions and interactions of people.

Science reveals

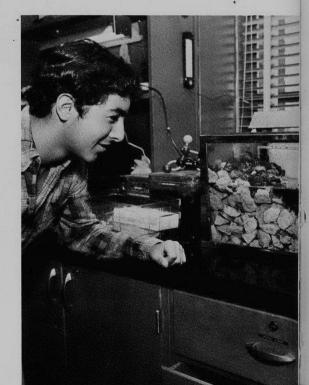

Biology, physics, chemistry, and earth science are all included in the Niles East science program. At some time, every student must make the seemingly endless climb to the third floor. This year, earth science became an extremely popular course. Science supplies the tools to experiment and question the world. New concepts can be learned as exploration takes place.

G.I.T. (Getting It Together), now in its third year, is a community service, health oriented group. This year, the members visited nursing homes, trick or treated for UNICEF, and worked at the bloodmobile. G.I.T. worked with the Red Cross and U.S. Marines. In addition, they sponsored, "Toys for Tots" with the aim of collecting toys for underprivileged children. President Cathy Resnick said, "Many people may think that it isn't important to service a community, but you really get a special feeling when you help people."

Mathematics explains

Math is a challenge. Whether it is algebra or geometry, calculus or trigonometry, numbers occupy the mind. Although math may not be the most popular subject and it can be a struggle, math is necessary.

This year, there have been some new developments in the math department. A class, Statistics and Probability, was offered. Some teachers used experimental books in their algebra classes. Two calculus classes were added to the Niles East curriculum.

The Math Club, sponsored by Dr. Kort, generates an interest in mathematics. Member Jim Stukas said, "We try to prepare for the math test to be taken in the spring."

media to students and faculty

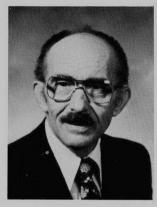

Every student has access to the library at Niles East. Students who use the library know how helpful it may be. The library serves as a resource room and a study area; students may go there during their free periods and before and after school to use it. Dictionaries, Encyclopedias, magazines, and newspapers may be used by students in the process of studying. The librarians are always willing to help students in finding needed materials. As a result, Niles East's library is a valuable resource for all.

Foreign language

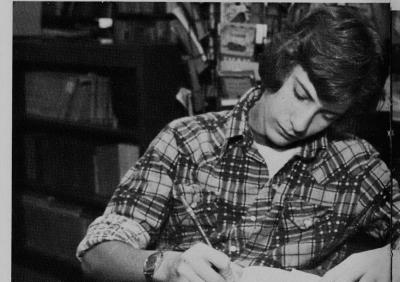

cultivates cultural understanding

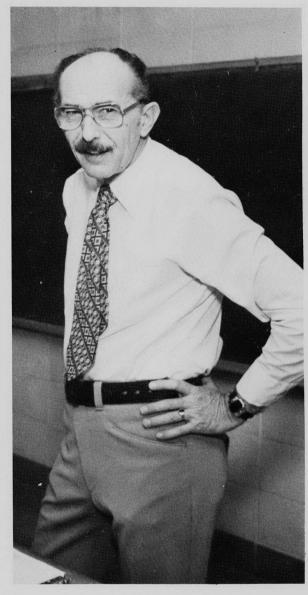

An exotic Spanish bullfight or an alleyway in the Arab market of Jerusalem may seem far away, but these places all come within our grasp with the assistance of the foreign language department.

Four languages are offered at East. Spanish, French, German, and Hebrew are taught at four levels in regular classrooms. Russian is provided through independent study programs. Spanish and French are also offered in honors and APP courses.

With the services of well qualified instructors and with varied and imaginative programs, a student is practically assured of an educational and cultural experience.

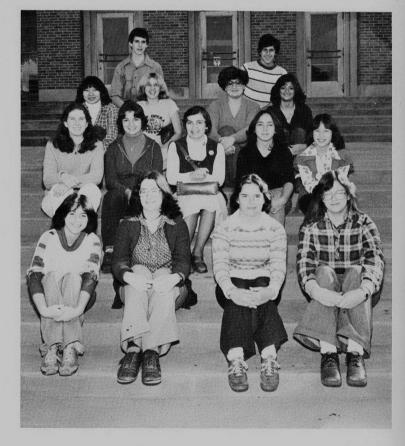

(CLOCKWISE FROM UPPER LEFT) Mr. Miron grades papers; Mrs. Lopez assists Lisa Engelberg with a difficult translation; Mr. Blair instructs his Spanish class; Miss Burnham consults her gradebook; John Gabrielides studies in the resource center; Herminia Lopez; Alex Miron; Dorann Klein; Donald Blair; Judith Rochotte; John Moshak.

Clubs provide

Students can extend their participation in the Foreign Language Department by becoming an active and interested member of one of several clubs. These groups provide the opportunity to study and enjoy the culture of a country. Organizations are French Club, Students for Israel, Spanish Club, and German Club.

Groups conduct programs involving various aspects of a country's culture. Clubs hear from guest speakers and enjoy creative culinary experiments with native foods. Students also participate in holiday celebrations and occasionally take part in field trips and forums.

Drivers' education

trains the beginning motorist

Driver's Education provides the experience a future licensed driver requires. The course is conducted in three different situations; classroom, multiple-car range, and behind-the-wheel.

The behind-the-wheel instructor faces as much or more constant danger and unending peril as any member of the faculty, yet they are consistently successful in producing capable drivers. In this mobile classroom, the instructor performs his task of educating students in the basic and in-depth techniques of driving while maneuvering in traffic. Additional time is spent on the range at Niles West, where students drive alone, following the directions of the teacher via radio. Students learn traffic laws and rules of the road in classrooms held two or three times per week.

The Driver's Education student receives a thorough course in defensive driving and car safety while the Driver's Education instructor enjoys a year full of unending and unwanted thrills.

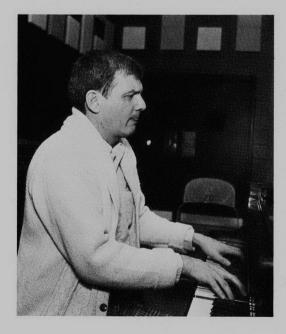

(CLOCKWISE FROM UPPER LEFT) Mark Steinhoff demonstrates techniques on the simulator; Mike Lopez clears his left side mirror; Mr. Pugliese lectures during a classroom; Mr. Richardson prepares to embark on a behind-the-wheel session; A Driver's Education vehicle combats adverse conditions.

Art & Music cultivate

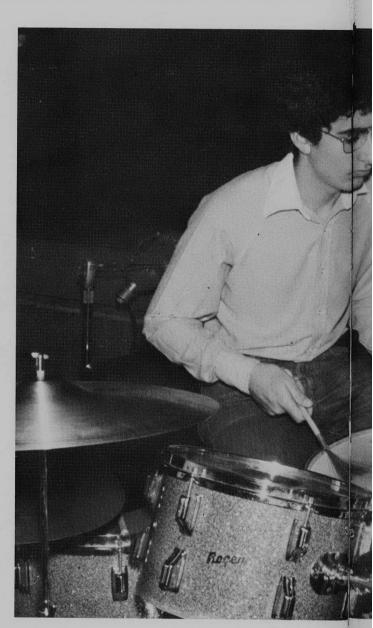

The Music department supervises bands, orchestras and choruses for students of various abilities. This year, Band and Orchestra members embarked on tour to entertain the residents of other localities.

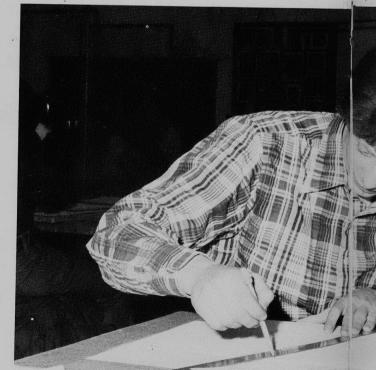

Artists can enroll in a four year program or study a specific field for a semester. Works are displayed at the Art Show each year.

toward a goal of health

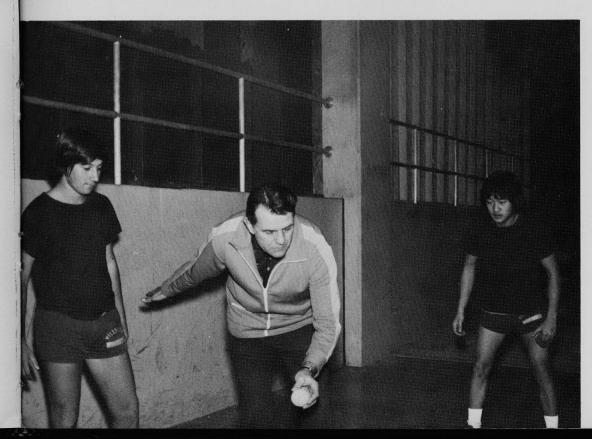

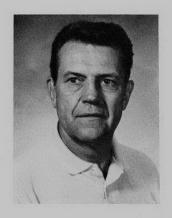

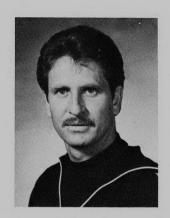

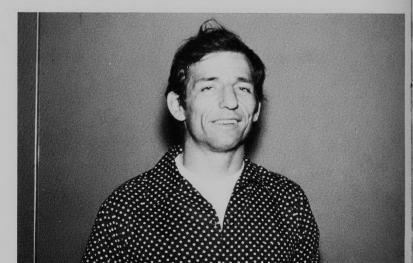

Business Education developes useful skills

"All our gym classes are more physically stimulating this year," said James Swanson, Director of Physical Welfare. For regular gym, freshman and sophomores take required courses which include swimming, volleyball, and basketball. Juniors and seniors choose their own curriculum with choices such as badminton, soccer, and track.

Adapted Gym is taken by students who are not permitted to attend regular classes due to a physical problem. This class consists of mostly recreational activities like shuffle board and ping-pong.

In today's changing world, knowledge of the fundamentals of the structure and function of business and how to apply them to one's own life is increasingly important.

The Niles East Business Education Department offers courses for those with just a slight interest in business, or those who wish to pursue a career in this fast-paced world of occupational opportunities.

Clubs prepare

The Business Education Department sponsors three clubs open to students who have an interest in a business field. Office Occupations is a work study program which combines on-the-job training in the area of office occupations with a related classroom course. Office Occupations belongs to a national organization called "Office Education Association."

DECA is also a national organization that has a chapter at Niles East. Students study the retailing field, with emphasis placed on salesmanship, advertising, and display. DECA members compete in state and national contests, take part in civic and social activities, and run the school store, Emporium East.

The Investment Club is an organization designed for students who have an interest in investment practices. Club members learn about many different types of investments, actually invest money in the stock market, sponsor stock contests, and take field trips.

Home Ec.

Nursery, cooking, and sewing are all a part of the Niles East Home Ec program. One of the most interesting classes is Advanced Foods. Every week, a dinner of a different ethnic variety is prepared and served. Foods from Israel, France, Italy, and China are sampled. New this year is the consumer ecology unit which teaches students to be aware of consumer waste. Home Ec is practical as students can make us of skills gained.

Clubs Instruct for

Students in the Practical Arts department can increase their future career opportunities by participating in HERO, VICA, or the Aeronautics Club.

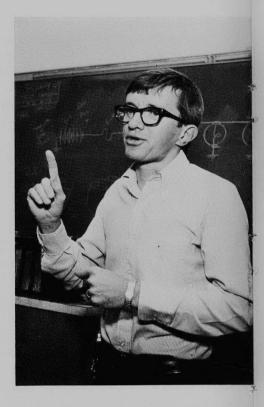

HERO, the Home Economics Related Occupations organization, draws its membership from interested and opportunistic persons taking courses in the home economics fields. Chapter events include action labs and skill workshops. Scholarships are awarded to outstanding members.

VICA, the Vocational Industrial Club of America, encourages vocational competitions for qualified students. Members believe that individuals deserve recognition for demonstrating a high degree of skill in a particular area.

The Aeronautics Club provides an impetus toward a career in aerospace. Activities included a rocket competition and operating a flight simulator. The club also keeps informed on recent aeronautical advances.

Industrial Arts

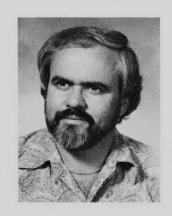

offers variety

Niles East Industrial Arts Department offers a wide variety of courses. These classes include Beginning Woodworking and a more advanced Woodwork class, both taught by Robert Keen. Thomas Ristow instructs the Photography, Graphic Arts, and Technical Drawing classes. Glen Jurek and Donald Test both teach the Autos classes which provide information on the care and maintenance of the automobile. Lee Sellers teaches Electronics and Aeronautics. Aeronautics is a unique course where the students are given the chance to actually fly an airplane. Thomas Kaiser says, "Beginning Metals is a class to familiarize the students with the various machinery used when working with metal."

(CLOCKWISE FROM UPPER LEFT): Thomas Ristow takes time out from his Graphic Arts class to pose for our photographer; Thomas Kaiser; Lee Sellers; Robert Keen; Donald Test; Tom Kaiser prepares to demonstrate how to cast aluminum; Student works on a project for Metals class; Robert Keen begins to write notes on the blackboard for his Woodworks class; Junior David Swerdlow; Glen Jurek takes a break from his Autos Classes; Don Test smiles for our camera.

NHS and Debate club

Each year a number of outstanding juniors and seniors are selected by a faculty committee to membership in Niles East's chapter of the National Honor Society. Eligibility for membership depends on a student's high academic average and a high degree of progress in the areas of leadership, service, and character. This year, Karen Feldman and Phil Rappoport were nominated by the Honor Society to enter a national competition for a \$1,000 scholarship.

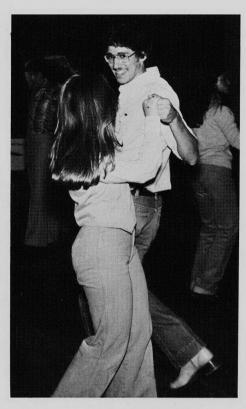

The Debate Club also presents enthusiasm by rebuilding after four years of inactivity.

°It's been a slice..."

We hope we have successfully communicated to you, the reader, that which we consider to be a most vital component of Niles East: unity. Through the use of symbols, pictures, words, and layout design, we have strove to demonstrate our conception of school life. Our success depends upon each and every student's ability to perceive and comprehend the multifaceted role of the Yearbook as a chronicle of school events and an exposé of each participant's role at Niles East.

The yearbook staff is just one entity of the many found at Niles East. Through continual dedication, we believe this group has been successful in demonstrating our goal in an aesthetic and journalistic manner. We, as editors-in-chief, would like to thank every individual for their personal contribution.

Special mention should be given to those

people who significantly added to the yearbook production:

Leslie Oif, editor of Expression, whose wit and talent made working with her a pleasure. Her knowledge and experience helped to enhance the quality of her section;

Alan Schoen, whose pleasant personality in-

Alan Schoen, whose pleasant personality increased the enjoyment of our task. His innate ability and competency proved beneficial to other staff members and the Action section;

Nancy Kaplan and Laurie Pautz, Individual editors, successfully organized a most difficult section of the book. Their initiative and perseverance reduced the burden placed on others.

Lisa Woll, Index and Copy Editor, though faced with an almost insurmountable task, accomplished it with grace, dignity, and whole-

haartadnass

Sue Isserman, who collaborated on the Action section, demonstrated both a literary and professional approach to yearbook;

Judy Brazen, editor of Ideas, though new to the staff, undertook her work with enthusiasm and interest;

Gena Schoen, alias Queen of the Copies, and Spirit editor, infused her wit and youth through out the Yearbook;

Karen Sawislak filled in when needed and accomplished her additional task with the necessary strength and quality;

Lori Blackman, whose devotion of extra time and effort proved to be a valuable asset;

Phil Rappoport, who volunteered his spare time and past journalism experience, provided able assistance:

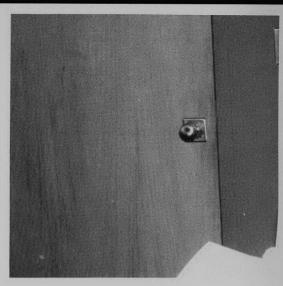

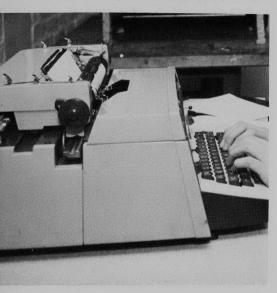

"Having a great time...
Wish you were here!!"

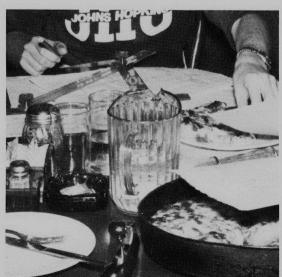

George Levin, Arlene Weicensang, and Dan Finn learned how to work with headlines and supplied us with these essentials; Mark Ross, our photographer from Root Studio, not only provided us with excellent

Mark Ross, our photographer from Root Studio, not only provided us with excellent photographs and superior coverage, but also proved to be a true and generous friend. His enthusiasm and experience made working with him a pleasure. The quality of the photographs, readily seen, are a direct result of his skills as a photojournalist

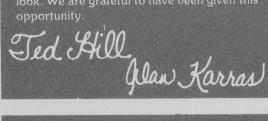

his skills as a photojournalist
It is almost impossible for us to enumerate the myriad of roles Dennis Grabowski, our advisor, has filled. By allowing us to explore and develop our own ideas, he made the 1979 Reflections a truly student publication. His unbounded efforts to assist and support us in all our endeavors while at the same

time providing us with an educational experience, proved him to be most worthy and capable. Always on hand when needed, he aided us with our problems while frequently interjecting comic relief. He deserves to be thanked for everything he has accomplished.

Working on the Yearbook, has certainly been a rewarding experience. We have learned how to better cope with ourselves and others as well as problem situations, with a more mature and sophisticated outlook. We are grateful to have been given this opportunity.
