Dear Martha,

Best of luck to one of the coolest
gals I know. Gym sure was a "blast"
this year. I sure hope we'll be in
the same class next year. I'm glad
you're not going to "North" next year.
Oh, and don't forget about the puppy!
(my baby). I thank a whole lot, I'm
indebted to you forever. See ya next
year! Have fun with Steve this
summer, but don't forget "little" "old"
me!!! Love ya,

Dance Party
at the University of Illinois
in Urbana

We put these years
In their own proper place.
If they are the best —
And who can say—
They are not all of life.
We are only transient here,
And this is what we see;
This is our own interpretation.

Spectrum '64

Let us tell you;
For we are proud,
If wise we are not.
All this is ours:
A physical thing,
For most to serve,
 For some to hate,
But not yet to be forgotten.
It is not now a musty memory
To be held in hands far off and judged.
Now it lives and breathes
With our breath and our blood.
If we are over-proud,
Consider—
This is a pride of self.

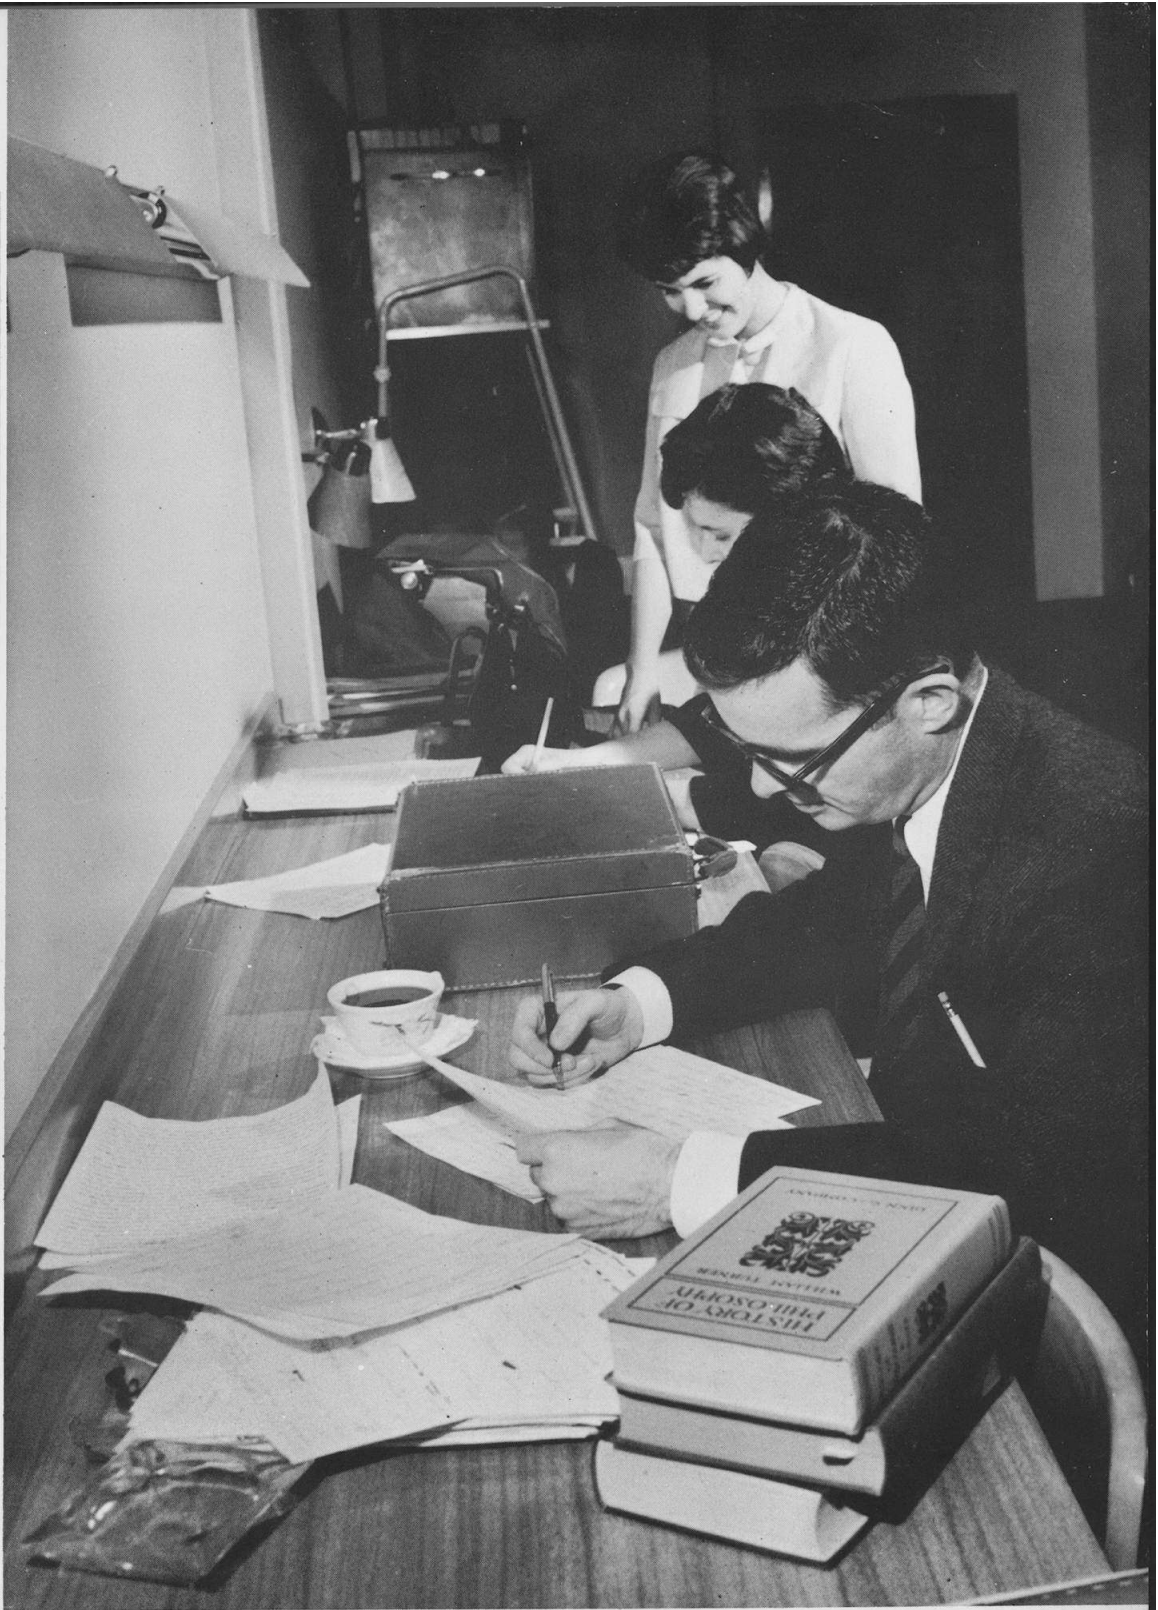

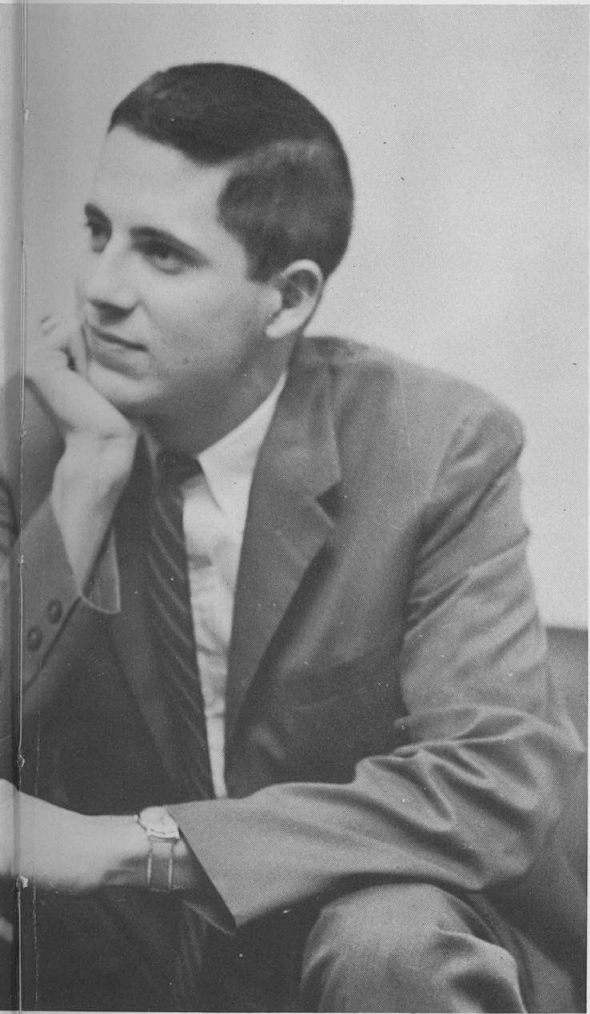

Academic

Thought is the light
Unto the greatest darkness,
Wherein a man may spend
All of his life
And never see beyond himself,
And never know
But what the earth is flat.
The darkness will hold us
While it can.
Although liberation is ours
For the thirsting,
Ourselves must set us free.

Administration and Faculty

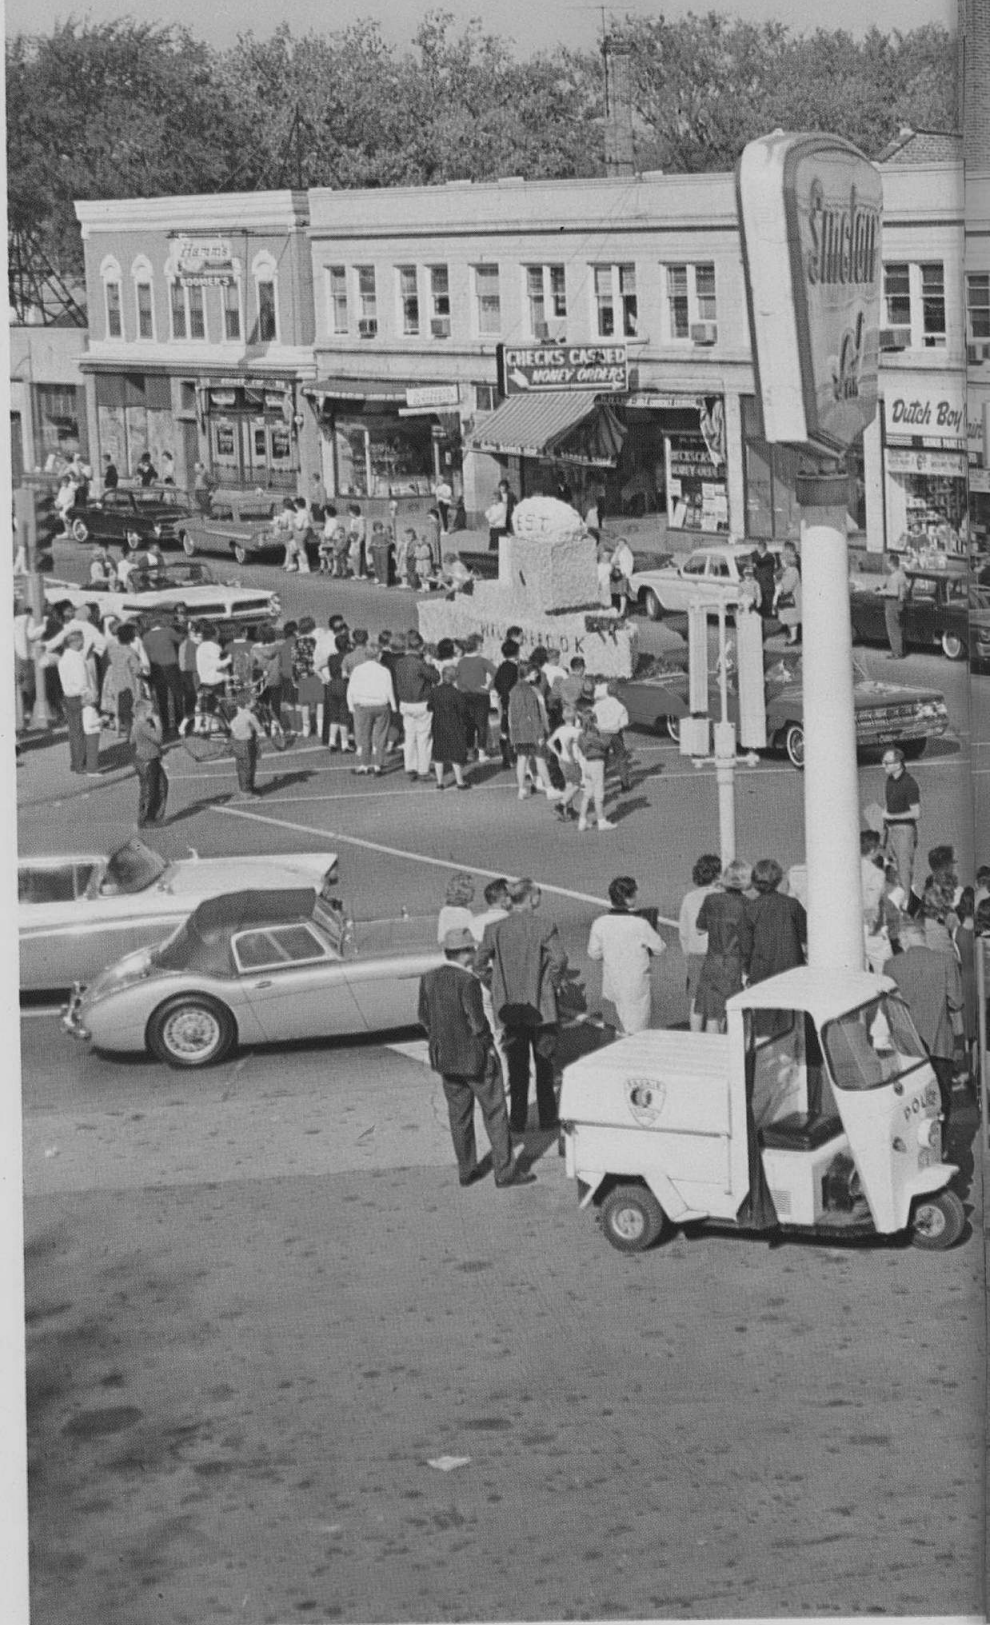

An educator is a person also,
Who once was young,
As we are.
And the only difference
Between educators
Is that there are those
With memory of being young,
And those to whom
Youth has not yet passed on
To memory.
Friend or teacher?
The ancients say the latter.
The best are both.

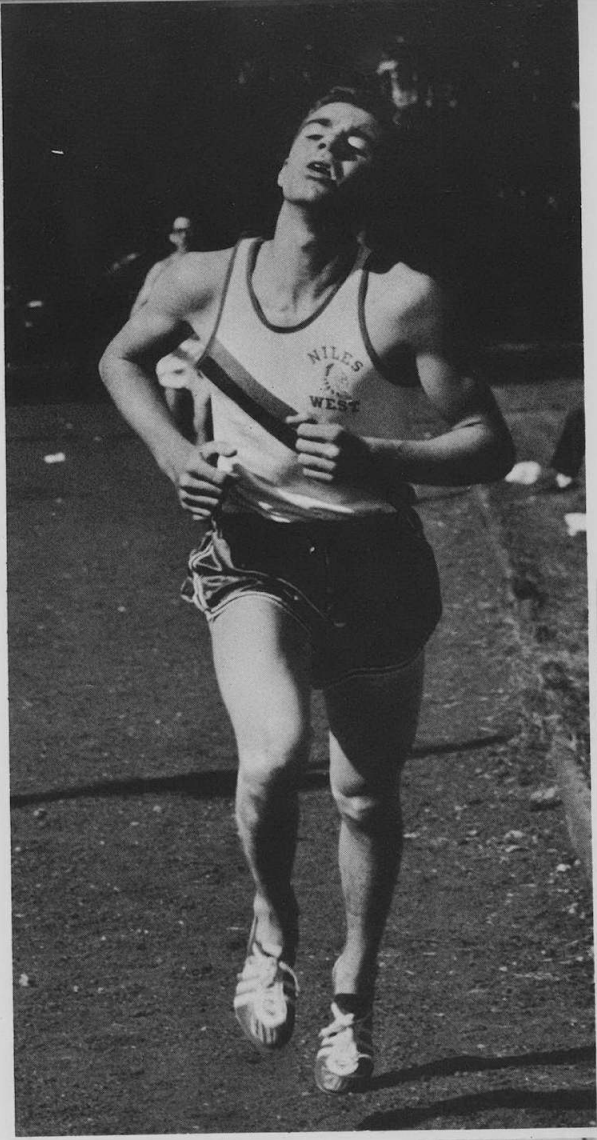

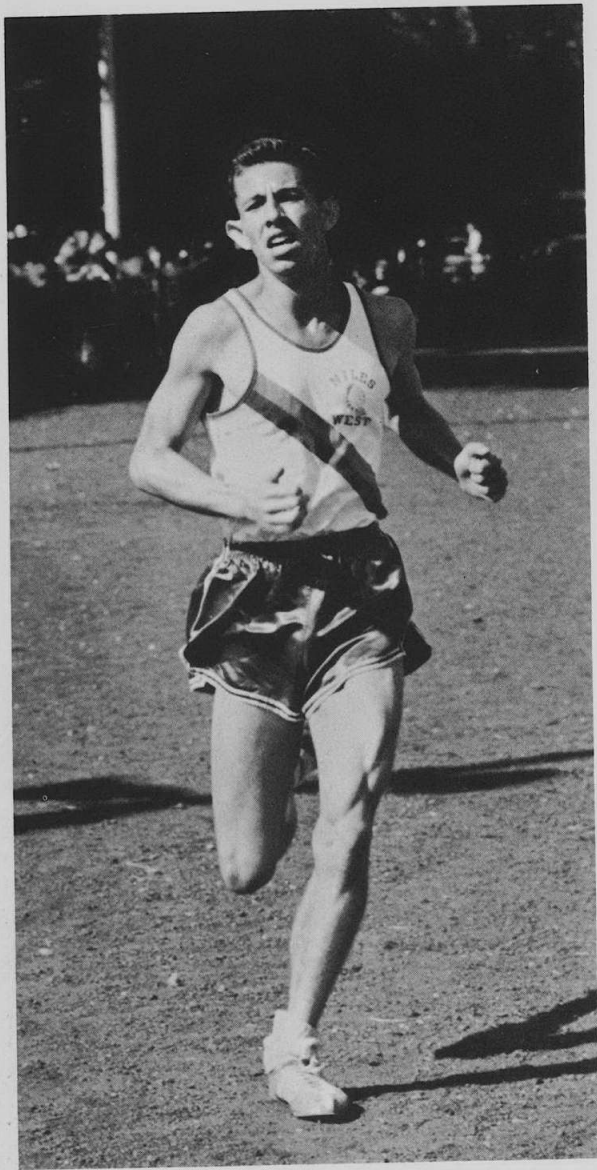

Activities

Fun, fun.
Run, run.
We love to plan things
And to do things,
To be active.
We enjoy going,
As much as arriving.
We are together,
And we do some good,
And we have some fun.
All work and no play, you know,
And we would rather not be dull.

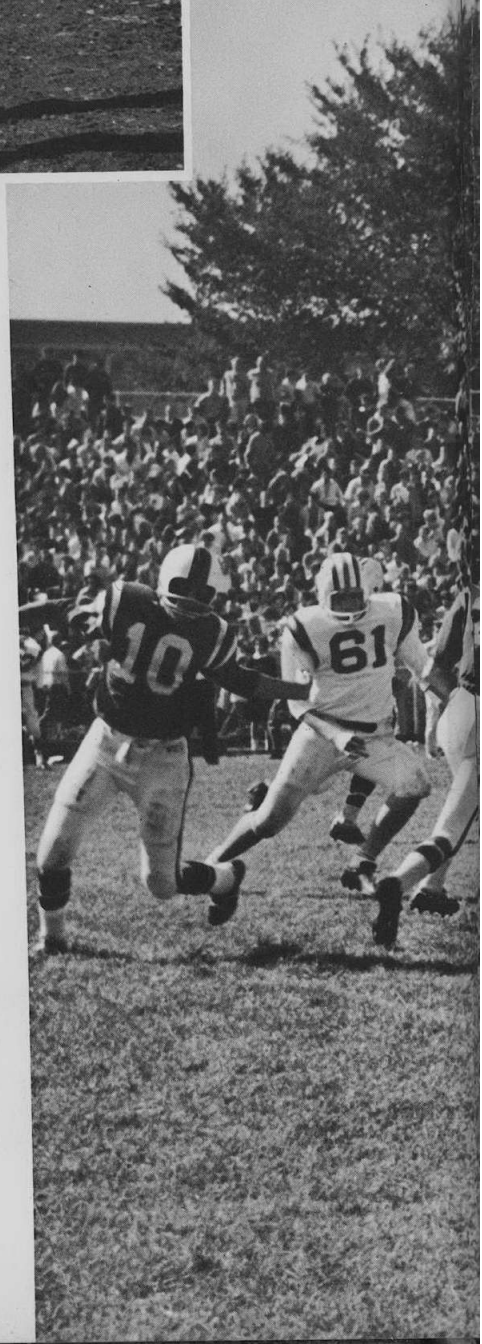

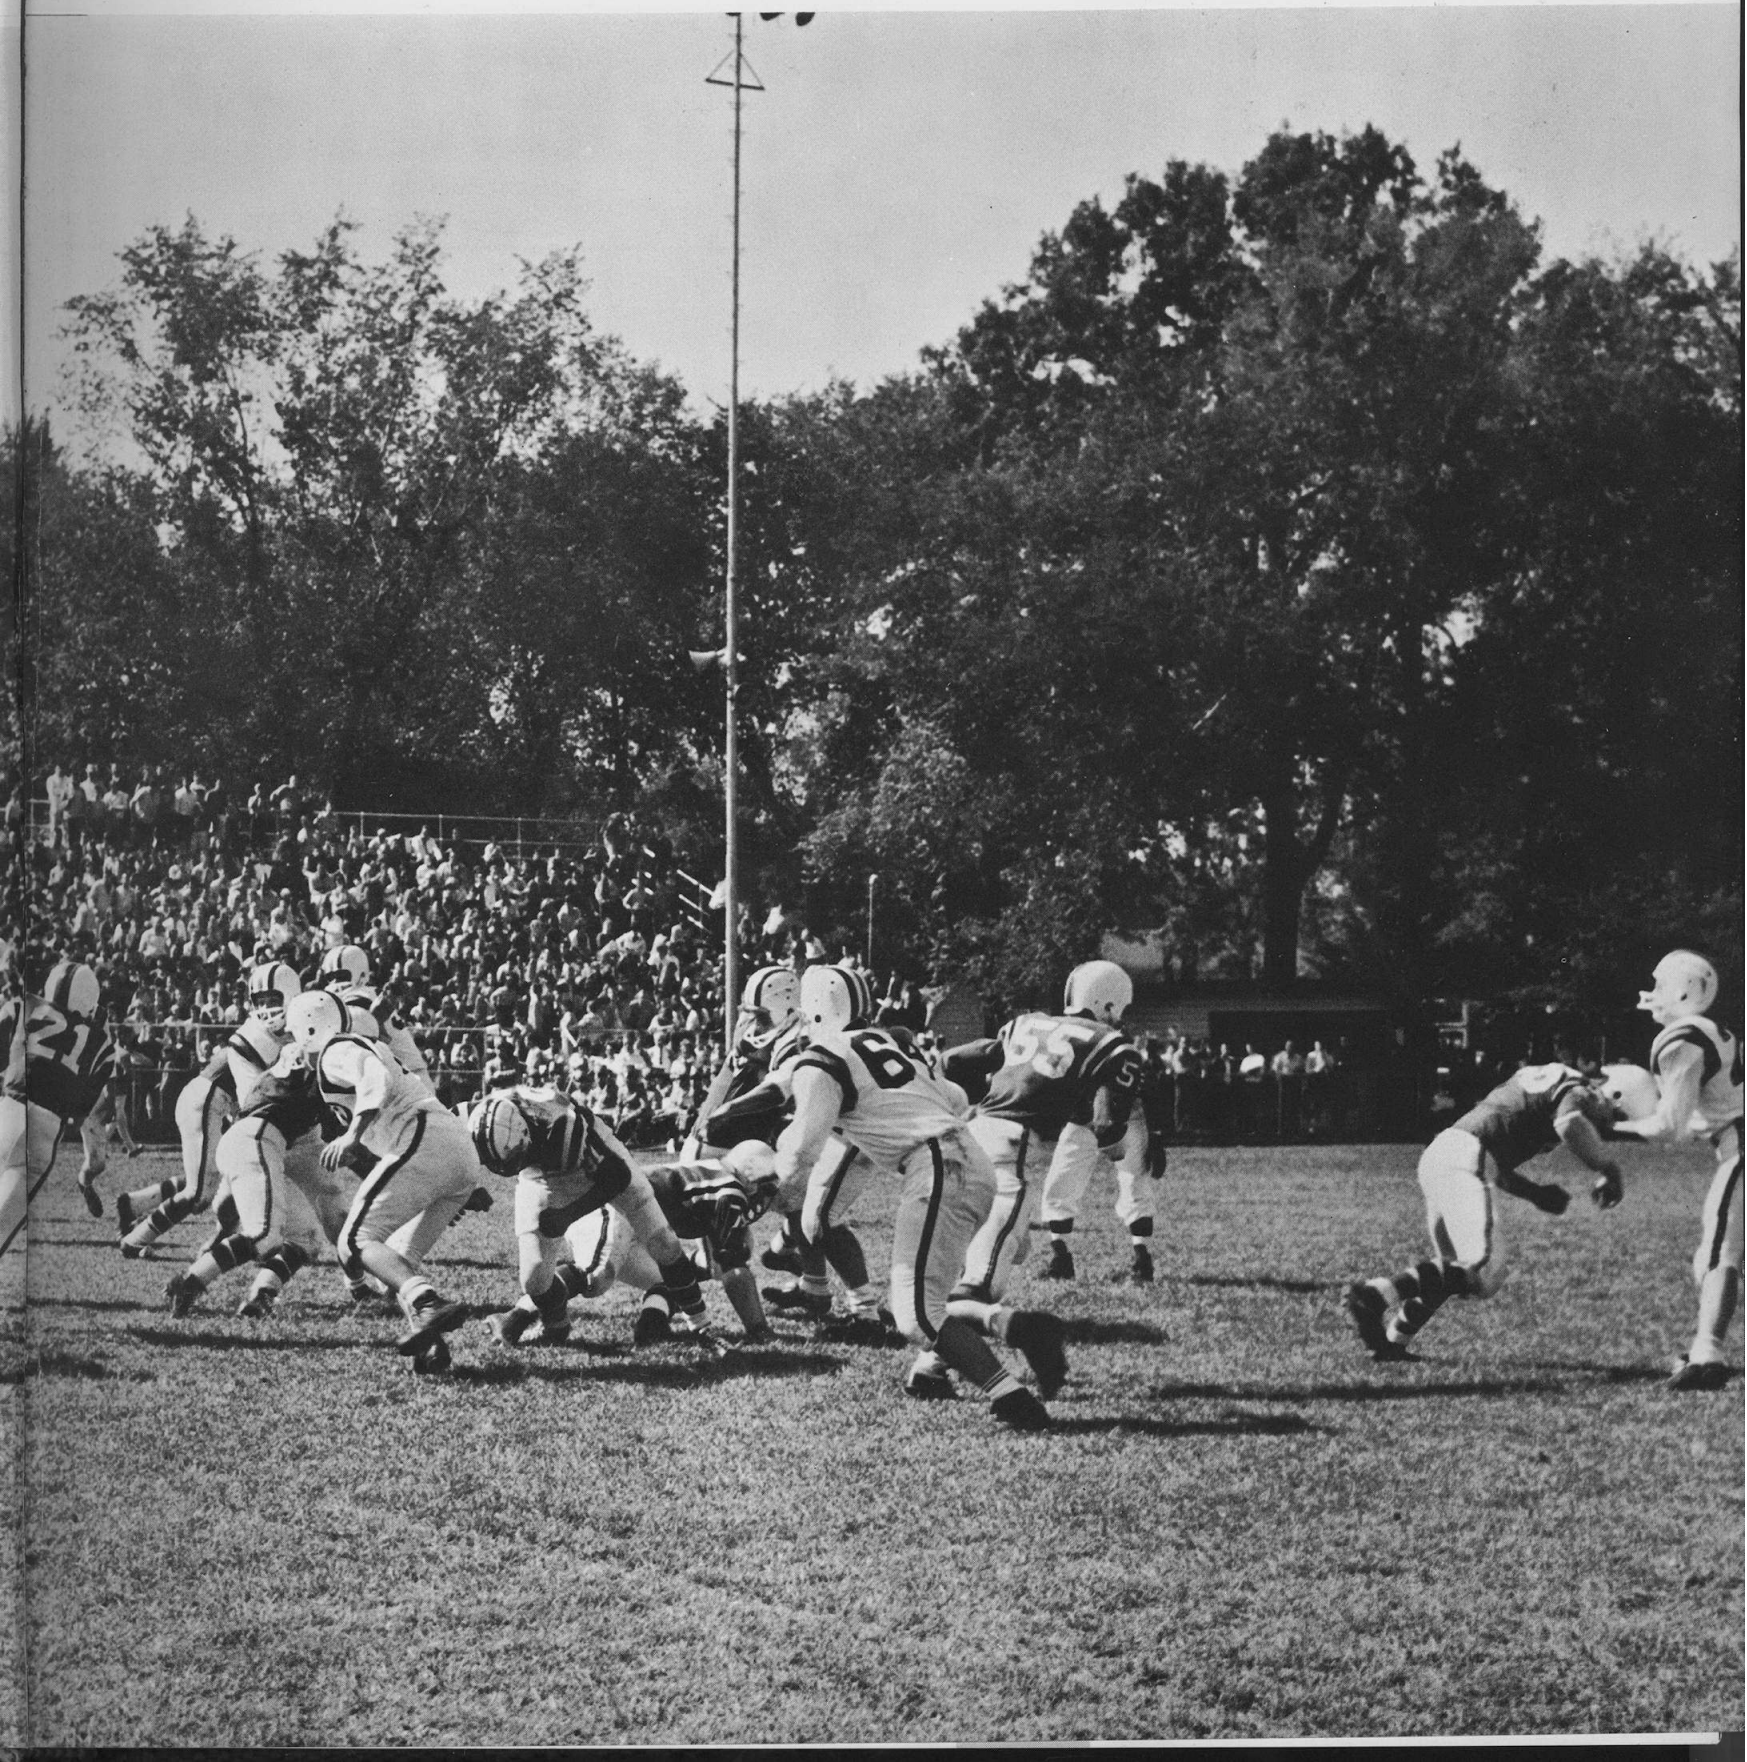

Sports

Curse those who would call
Our sport play.
We must be strong
As well as learned.
The mind and the body
Must be reconciled,
Else imbalance topple us
And turn our energy to useless things.
We lift the book with a goodly arm.

A cademic

Here begins the road of ignorance
On the way to less ignorance,
To be traveled for a time,
But a man is dead
Ere he reaches the end.

English

Over 270,000,000 people in the world speak the English language including Liberians, New Zealanders, Australians, people in the British Isles, Canadians and Americans. In fact, next to Chinese it is spoken more than any other single language of the world.

Because English is composed of words from so many different languages it has often been compared to a mighty oak" . . . its trunk and bare branches represent the native language forms. They give the language its simplicity, directness, and force. The leaves and blossoms represent the foreign element, which gives grace, variety, and ornament to the speech."

Social Studies

We do not live alone in the world, separate from the rest of humanity. We live in a world of people, without whom we could not exist. And if we wish to live in harmony with people, it is necessary that we understand them. It is through the study of the culture of a people, of their customs and heritage, of the social and political institutions, that we arrive at an understanding of them and a closer relationship with them and ourselves.

Science

When we were at the age when everything in the world was amazing and beautiful, we always had a single question - why? Why is the sky blue and the grass green? Why does it rain and what makes it snow? How do people grow, and when will I be grown, too?

As we grow older, we can begin to answer these questions. Most of us are satisfied merely to know our first whys and hows. But there are those among us who wish to explore more deeply and formulate new questions and new answers.

Math

Math is a discipline. It teaches us to untangle interwoven facts and concepts. It teaches us a logical approach to the solution of problems. This is the underlying principle of all mathematics. In math, we discover order in our own minds and in the surrounding universe.

Foreign Language

Une langue étrangère empêche le rapprochement des peuples du monde aussi bien qu'une langue bien connue le promulge. Se rendre maître d'une langue étrangère c'est exterminer une des causes principales du manque de rapprochement, d'intelligence parmi les pays du monde.

El lenguaje puede ser obstáculo a la comprensión tanto como puede servir como su vehículo mayor. Por medio del estudio y la maestría de un idioma extranjero se eradica una de las causas principales de la falta de comprensión entre las gentes del mundo.

Die Sprache kann ein Hindernis sowohl wie das Medium des gegenseitigen Verstehens sein. Durch des Fremdsprachenstudiums können Misverständnisse gossenteils überwunden werden.

Linguā obex modusque operandī esse potest. Studendā perficiendāque linguā aliēnā, una causārum primārum inopiae fraternitātis universalis inter omnēs populos omnium terrārum orbis exstirpātur.

Language can be a barrier to understanding as well as its major vehicle. Through the study and mastery of a foreign language, one of the chief causes of the lack of understanding among the people of the world is eradicated.

Business Education

What does a Business Education Department do? It prepares students for jobs after graduation and provides a background for further studies in the field of business. In addition to its regular typing courses, there is usually a course in notehand for college-bound students.

Through the addition of three new teachers, two new courses, and an electronic shorthand laboratory, Niles West's Business Education Department has broadened the vocational outlook for many students this year. Girls training to be secretaries find the laboratory helpful in developing their skills to meet any situation which may confront them.

In the Home Arts Department, girls learn about the meaning and beauty of the home. They acquire such necessary skills as cooking and sewing and household management, and prepare for the time when they will apply what they have learned in Home Arts to their own homes.

In the Industrial Arts Department, boys have the opportunity to work with their hands. They learn to understand auto mechanics and the concepts of electricity. They gain skill in printing and industrial drawing.

The Home Arts and Industrial Arts Departments provide students with the opportunity to develop domestic and vocational skills.

Fine Arts

There is something within each of us that craves more than the tangible effects of ordinary, acquired knowledge. Music and drama and art express this craving. These art-forms are the outward manifestation of an aesthetic sensitivity and the desire to communicate this awareness to others. They provide us with a means to express that which makes us different from all other people as well as that which makes us akin to all other men. Through all forms of art, we are given the opportunity to use the creativity and imagination with which we are endowed.

L. Metrick

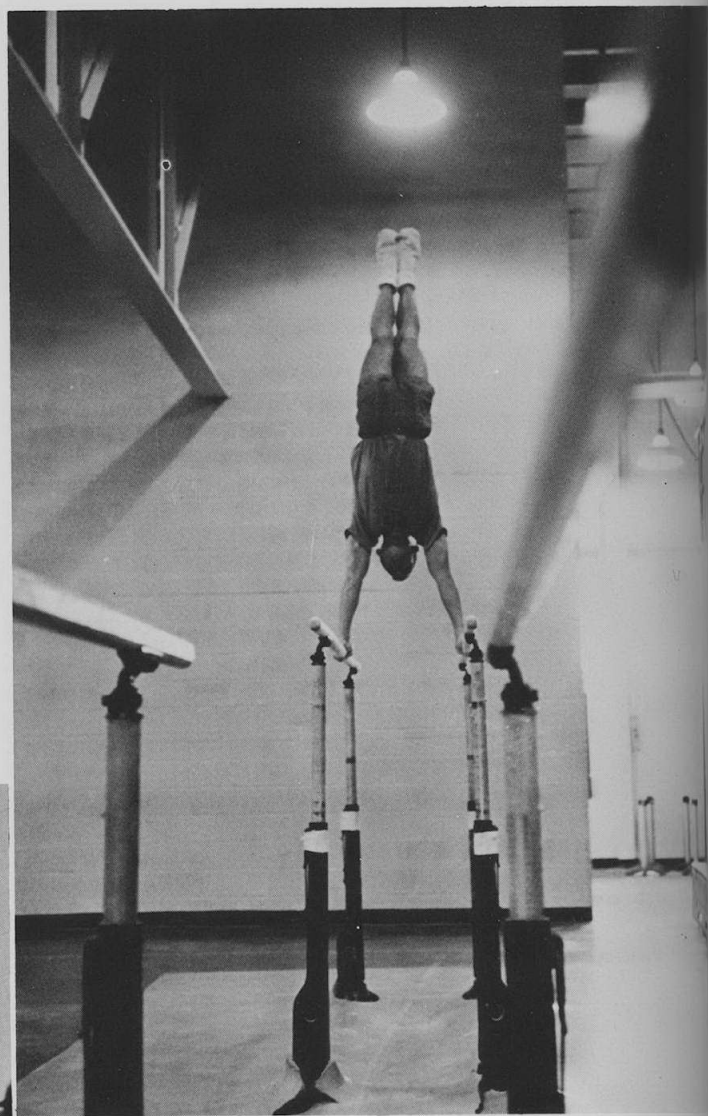

Among the many ideas which have come down to us from antiquity is the Greek ideal of "a sound mind in a strong body." The Boys Physical Education Department helps promote this ideal by its efforts to develop and encourage physical fitness and good sportsmanship. Through active participation in such sports as football, baseball, basketball, wrestling, and swimming, the boys at West strive to realize the Greek ideal which is essential to a mature life.

Girls' Physical Education

In addition to the outward evidences of the work of the Girls' Physical Education Department - the exhausted, bedraggled figures emerging from the girls' locker room, the wet, drooping hair, the scuffed gym shoes - this program fulfills an important need in our education. Exercise, participation in sports, and health and safety instruction contribute to our physical well-being and competitive instincts.

Drivers' Education

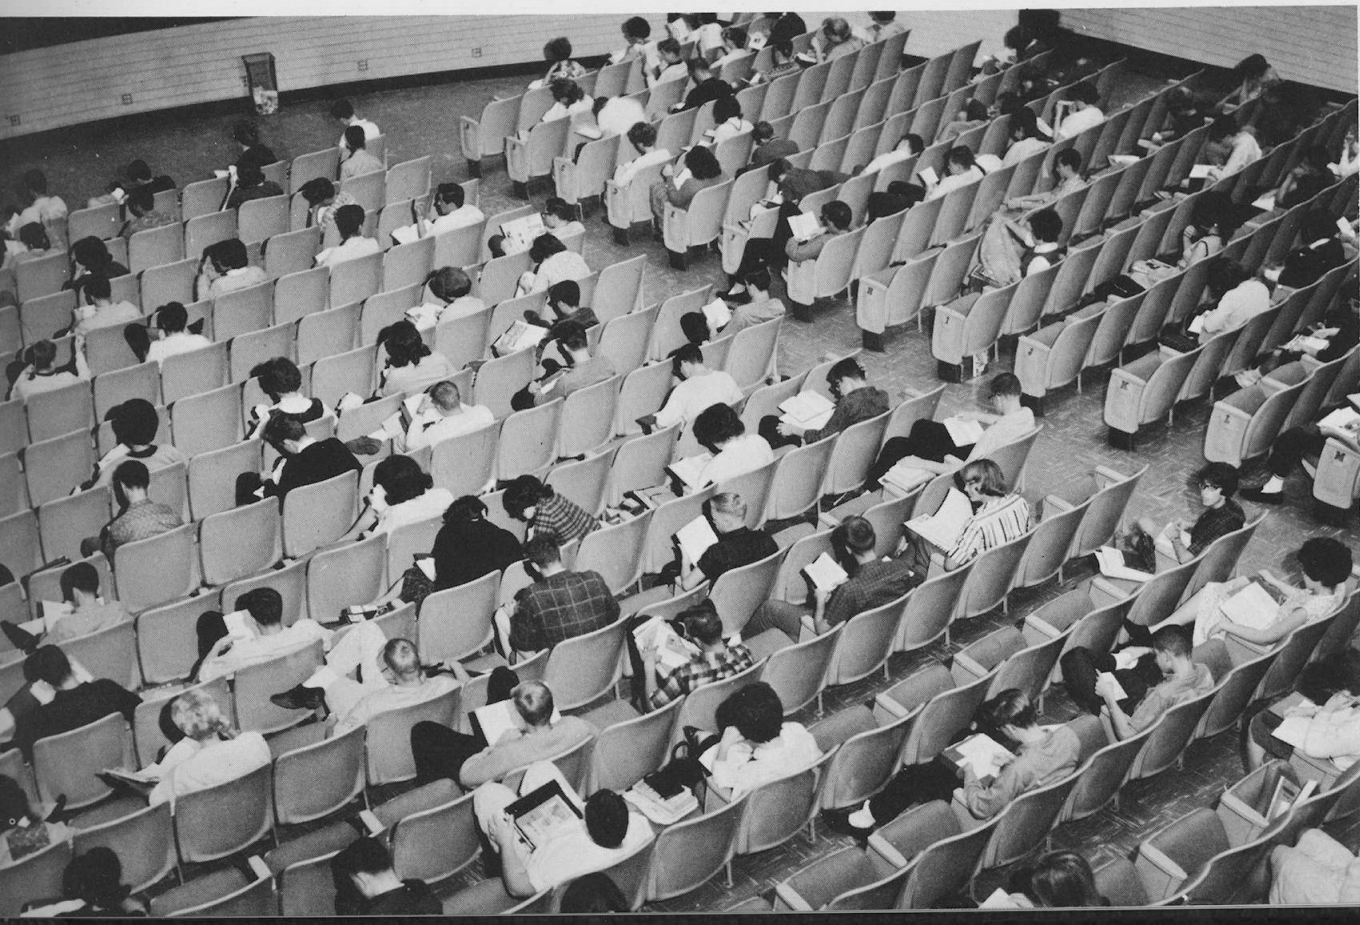

The importance of developing safe driving habits cannot be underestimated. West meets the problem of more cars and more drivers on the roads by offering students a program designed to train them to be able to cope with any driving situation that arises.

Divided into three phases, this program consists of classroom study, drive-trainer sessions, and actual behind-the-wheel experience. We are fortunate in having the opportunity to learn safe driving skills, thereby insuring us against the possibility of becoming just another digit on a sheet of accident statistics.

Educators, all;
And some dedicated,
And some learning to be.
Influences, most,
And some great,
And some not yet noticed.

Superintendent of Schools

The Superintendent of Schools is the administrative head of Niles West and Niles East. It is his first responsibility to formulate and direct system-wide educational and financial policies. In addition to local public relations, our Superintendent travels all over the country representing the Niles Township High Schools.

Through the experience gained in his long academic career as teacher and administrator, Dr. Parker has amassed the wealth of practical knowledge which enables him to serve us so well.

Assistant Superintendent in charge of Curriculum and Instruction, Dr. Stuart A. Anderson, directs the instructional programs at Niles.

Central Administration

Even a casual glance around Niles West reveals the many modern teaching aids and equipment with which we are provided. The Reading Clinic, the Audio-Visual Service, and the Balance Room testify to this fact.

It is to the Central Administration that we owe the modern teaching techniques, the wide range of subject matter, and the choice of textbooks which are used in the various courses. Concerned with promoting knowledge by the finest means possible, the Central Administration provides us with the most recent teaching methods and aids.

Mr. Paul J. Houghton, Assistant Superintendent, maintains and regulates the many personnel services.

West Division Principal

It has been said of him that he lives his job and these are the truest words and the finest praise possible for the man who, more than any other, is responsible for having brought Niles West to the point where it is today.

In a school as large as ours, the chief administrator must coordinate the efforts of each branch in order to achieve a unity of purpose as well as remain aware of individual concerns. Involvement in the life of the student body is the only way to know how to serve it.

In our leader, there is the combination of understanding, concern, and personal contact which is so important to effective administration.

Dr. Mannos asks a faculty member into his office to discuss departmental affairs.

A quick trip to his mailbox provides Dr. Mannos with a chance for a few informal words with Miss Feichtner.

Despite his busy schedule, Mr. Arthur C. Colver, Assistant Principal in charge of Freshmen, can always be found smiling.

West Division Administration

Direct responsibility for the effectiveness of the whole school is in the hands of the West Division Administration. It is the aim of the administration to establish harmony within the school and promote the best possible classroom instruction.

Basically, the West Division Administration is composed of four men, each individually responsible for the students of a particular grade level. The grade level administrators also enforce discipline to the students in their charge.

The positions of Director of Student Activities and Assistant Principal in charge of Sophomores keep Mr. Charles Matka on the go.

As Assistant Principal in charge of Juniors, Dr. George T. Gilluly frequently meets with students to discuss their difficulties.

Mr. Anton T. Schubert, Assistant Principal in charge of Seniors and Director of Student Accounting, attends to the vast number of attendance problems that arise daily.

Underclassmen principals, Mr. Colver, Dr. Gilluly, and Mr. Matka stop in the Main Office to discuss a matter of common interest.

Director of Business Affairs, Mr. Arthur L. Newell, attends to the financial problems of a large school system.

Central Business Office

Though the school is certainly not a profit-making organization, it must nevertheless carry on its business in a similar fashion if it wishes to maintain an efficient and smoothly running operation. To the Central Business Office goes the job of organizing all of West Division's business transactions, keeping orderly records, and publicizing West's achievements.

Mr. Clifford Herbst, Assistant Director of Business Affairs, aids in the management of school finances.

Dr. Arthur H. Ryden, Director of Guidance and Testing, masterminds the program of visits by college counselors.

Mr. Orland H. Ruyle, Director of Adult Evening and Summer Schools, schedules classes for those desiring to broaden their educations.

Mr. Ted C. Cobun, Director of Instructional Communications, is responsible for diversified classroom teaching aids, including films and slides.

Educational Services

Under the broad heading of educational services is a significant group of specialized officers and organizations which serves the student body and faculty.

The Guidance Department and Testing Service are united under Dr. Ryden to aid students in planning many phases of their education, from course or college preparations to the testing of personal growth.

West's library of films, tapes, and records, plus the necessary equipment to utilize these aids, is managed by Mr. Cobun of the Instructional Communications Center.

Furthering one's education is made possible through the Summer and Adult Evening Schools, under the directorship of Mr. Ruyle.

Mr. Harold R. Ohlson, Director of Special Services, is responsible for all school publications as well as public relations.

Special Services

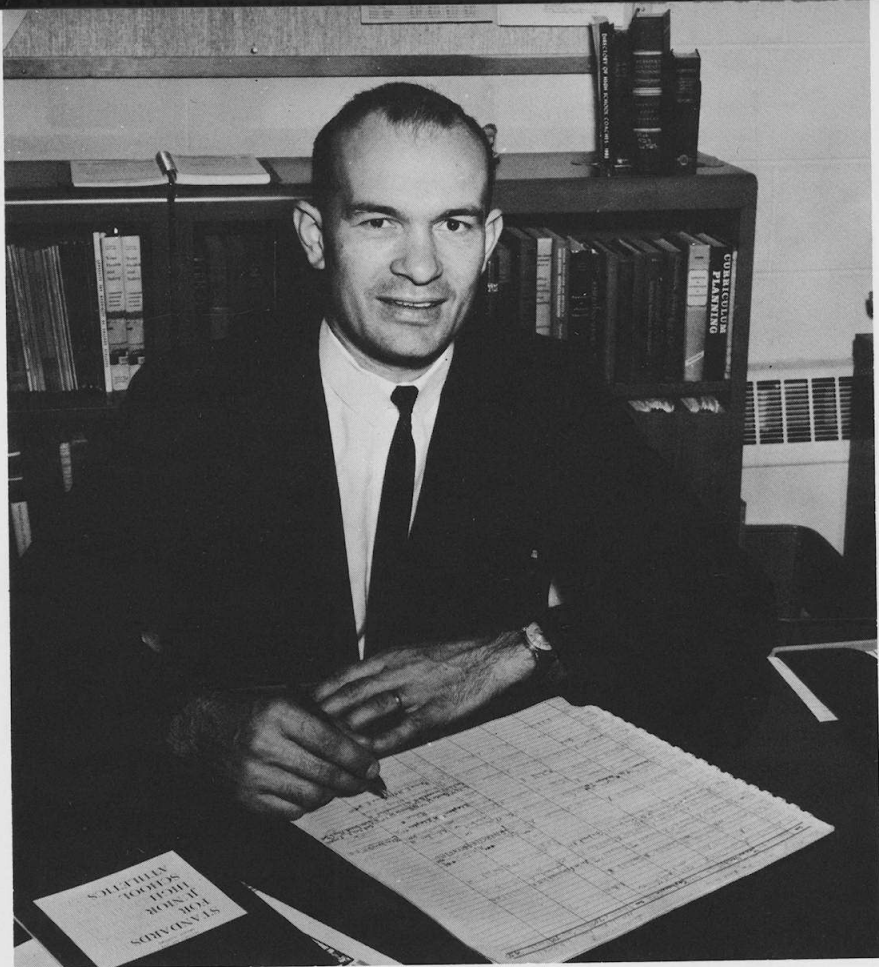

It is important that the school remains an institution in close contact with the community it serves. Public relations and statistical research are carried out through the Special Services office in order to keep Niles Township in touch with the school's activities and functions.

Building and Grounds

Through Mr. John Anderson, Superintendent of Building and Grounds, the staggering duties of the maintenance and upkeep of the huge physical plants of both Niles West and Niles East are administered. The ominous sounding job of building security is also handled through this office. During this year the completion of Niles North has been the chief goal of the department.

Maintaining the appearance of the campus is the job of Mr. John G. Anderson, Superintendent of Building and Grounds.

One of the duties of Mr. Heiniger, Director of Physical Welfare, is the scheduling of Niles West's sports events.

Director of Physical Welfare

Physical fitness, as a factor in academic achievement, has been a much-discussed topic in recent years. Athletics, physical education, and health and safety instruction all are involved in the physical fitness program at Niles West. Mr. Heiniger, as Director of Physical Welfare, coordinates all these elements into a well-rounded program. His duties include scheduling and arranging all athletic contests, hiring officials, and establishing athletic budgets. He is also in charge of the school health services and the building's safety.

Boosters' Club is an organization composed of parents eager to stimulate interest and pride in the competitive athletic program.

In addition to its sponsorship of the athletic banquets and the holding of Demonstration Nights during respective sports seasons, the Boosters' Club provides the Most Valuable Player trophies, which are awarded in all sports. Also, bus transportation to away games is arranged through the Boosters.

Board of Education

LEFT TO RIGHT: Mrs. H. Block, M. Falkoff, K. Littrell, J. Spear, J. Mau, F. Saunders, H. Atchinson.

Seven of the ablest leaders of the community compose the Board of Education. The Board's duties include overseeing all student activities, deciding school policy, formulating the budget, hiring school personnel, and approving textbooks. The leading role which Niles West has assumed among the other high schools of the area serves as evidence to the competency of the Board.

BACK ROW: Mrs. R. Johnson, Mrs. I. Sass. FRONT ROW: Mrs. L. Christensen, H. Anderson, Mrs. B. Konopka.

Parent-Teacher Association

An effective, adult association is the key to successful parent-teacher communications. P.T.A. is the liaison which keeps parents informed and interested in student affairs and accomplishments.

In addition to publishing a monthly news letter, Niles West's P.T.A. offers a regular program of informative meetings, promotes special projects, and sponsors an annual Open House. Thus, P.T.A. has become a vital part of our school.

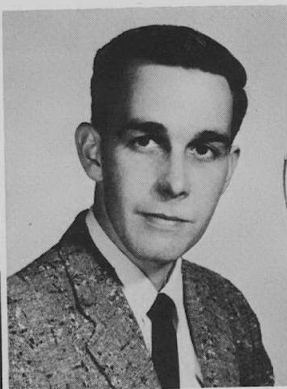

Faithful P.T.A. members serve coffee and cookies to parents at the annual Open House.

Maintenance and Cafeteria Staffs

Not rain, nor snow, nor leaking water pipes, nor burnt-out fuses can upset our efficient maintenance staff. Less dramatic, but equally necessary is the daily after-school cleaning which the classrooms and halls receive in order to keep the building neat and pleasant.

The cafeteria staff prepares nutritious and delicious meals from breakfast, 3B, to dinner 5B, and the amazing thing is that they're all lunch. Students need nourishment in order to work, and the smiling ladies of the cafeteria staff do their utmost to satisfy nearly 3,000 individual appetites daily.

Spectrum

It is not completely true that the yearbook staff is a kind of play therapy. It is, however, true, that the yearbook, like slavery, is a "peculiar institution," demanding not only high-minded ideals and integrity of expression, but also the ability to spell administration correctly at least three out of five times. With these things in mind, it is also interesting to note that the yearbook is a business venture involving sufficient funds to put one person through any college in the United States. Insanity is not necessary, but it helps.

West Word

The *West Word*, humorously referred to as "The Rag" and "The Voice of the Student at Niles West," comes out once every two weeks. It is run by a staff of editors, associate editors, photographers, and artists who work seventh period every day. Through news columns and reports, *West Word* offers information to the student body. The *West Word* recently won an award from the National Scholastic Press Association, commending it as an outstanding high school newspaper.

Arts Club

Culture is a vague word, one that can be interpreted in many ways. Arts Club tries to emphasize and define culture by presenting weekly programs that feature the Seven Lively Arts. This year, members have also taken trips to the Civic Opera House, McCormick Place, and many Chicago theatres. The Arts Club definition of culture includes, as it should, everything from folk-singing to architecture.

Apotheosis

Creative writing must be understood to be appreciated. The members of Apotheosis, the Niles West literary guild, try to further it by holding two creative writing contests annually--one for freshmen, and one for the entire student body. The winning manuscripts are published in the Apotheosis magazine, and the writers of these manuscripts are invited to join this honorary organization.

Art Council

The Artists' Colony of Niles West meets in room 300. Actually, Art Council is a hard-working and little known club, dedicated to furthering art appreciation. The members of this organization select and prepare pictures for display in various exhibits throughout the school. They also try to improve their own artistic appreciation and understanding.

With the large number of audio-visual teaching aids in use at West, it is necessary to have a staff of trained personnel to operate and service the equipment. The Instructional Communications Center is also in the process of building a library of records, tapes, and films.

Future Nurses

Nursing is one of the noblest professions, and the Future Nurses' Club of Niles West offers girls an opportunity to explore the field of nursing as a life's work. Through bi-monthly meetings and participation in service projects, students can increase their knowledge of nursing and its requirements.

The club sponsors a Christmas party to which parents are invited, an annual pinning ceremony, and a May Day. A relatively high percentage of its members enters the field of professional nursing.

F. T. A.

Teaching is more than "reading, 'riting, and 'rithmetic, faculty teas, and grade cards. The members of the Pedagogues, the Niles West chapter of the Future Teachers of America, learn about teaching through practice. F. T. A. conducts a student tutoring program and also sponsors a Teachers' Aid program, in which students help teachers in such tasks as correcting papers and typing tests. The members take trips, too, and hear speakers about their favorite profession.

Music

Throughout the year, the Music Department provides delightful, entertaining programs for the benefit of the school and the community. The Christmas program, the musical, and the May Festival represent the combined efforts of the entire department.

Vivace, West's selective girls' choir, is responsible for much of the prestige connected with the Music Department through its concerts at the meetings, conventions, and banquets of local organizations. Our fine Marching Band, through its many appearances during the season and in local parades, also helps to make public the accomplishments of the department.

Music students at West are given every opportunity and encouragement—from their initiations in music education in Girls' Glee, Mixed Chorus, and Intermediate Band to the culmination of their training in Choir, Vivace, Orchestra, Concert Band, and Stage Band.

National Honor Society

Almost every student wants to be a member of National Honor Society, a nationwide association which rewards students of outstanding scholarship, character, service, and leadership. Membership is a privilege, as only a small percentage of the junior and senior classes is selected each year. New members are initiated in a moving candle-light-and-roses ceremony.

Almost every facet of dramatic interest is represented by the members of Thespians. This organization includes students devoted to acting itself, who perform in the all-school productions; students whose main association with drama is backstage, through crew work; and students fascinated by sound and lighting effects. Members gain valuable experience, and equally valuable points toward membership in the honorary society of National Thespians, through club workshops and dramatic presentations.

Spotlighters

The spotlight, the limelight, the footlights--however it is described, acting attracts many people. Freshmen and sophomores satisfy their desires for playing a part by participating in Spotlighters, a drama organization which provides experience and enjoyment for its members. This year's Spotlighters production, "Quarto," was enjoyed by guests who spent an entertaining evening watching 4 one-act plays.

The art of thinking on one's feet is practiced by people in many walks of life, but to the debator it is especially important. Not only must these students be able to think quickly and logically, but they need poise and speech-making ability. These qualities are developed through the various debates and speech meets in which the squad participates.

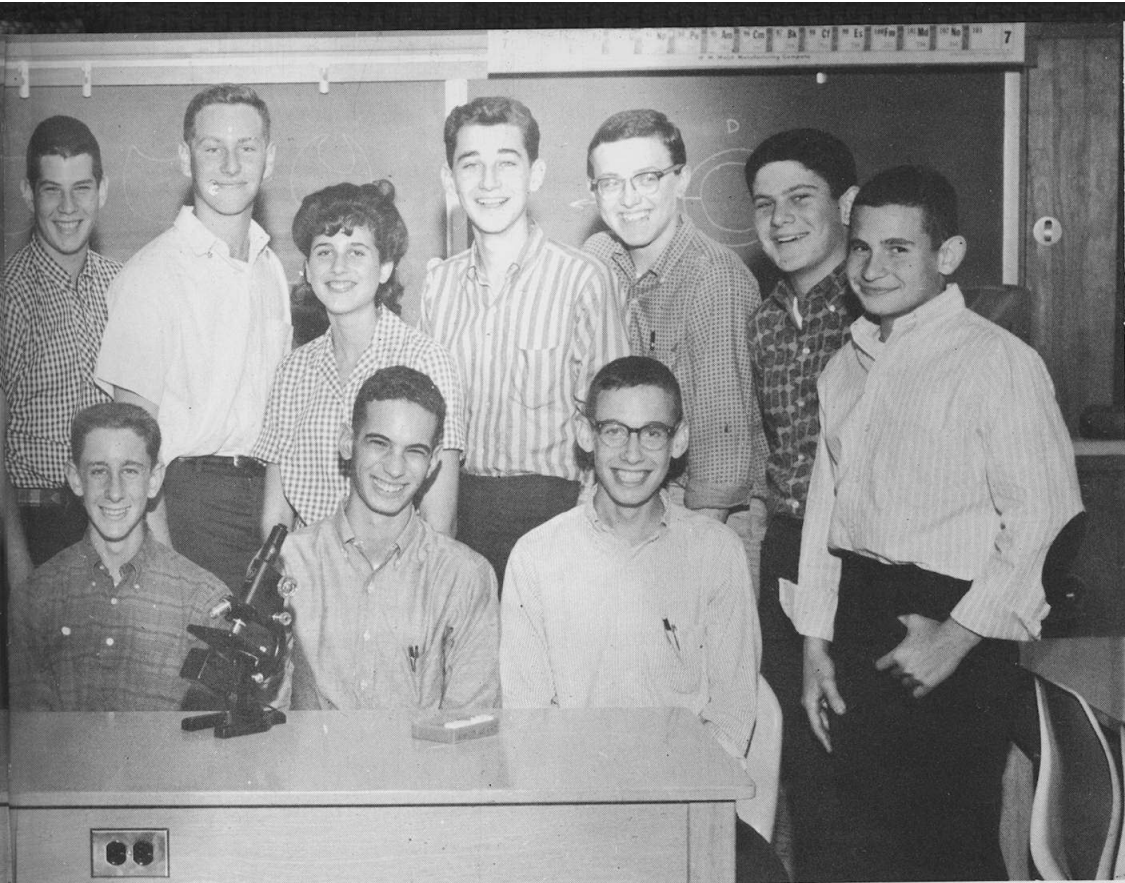

Biology Club

This year, in honor of the former head of the Science Department, Biology Club presented the first annual Florence Harrison Award to the student with the most excellent science project report. Biology Club is made up of science-minded students and five honorary adult members. Lectures, laboratory demonstrations, and films highlight the weekly meetings. As Chapter 1609 of the Future Scientists of America, this group is dedicated to the furthering of knowledge and interest in biological sciences.

Radio-Electronics Club

While most teen-agers are merely listening to their radios, Radio-Electronics Club members are taking theirs apart, putting them together again, and learning Morse Code. When they have finished putting together their radios, they can use them to pick up the club's amateur radio station. The members use this experience in the making of many other electrical projects.

Aeronautical and Astronomy Club

When not visiting a missile base or holding a star party, the Aeronautical and Astronomy Club is busy on its main projects which are the building of a telescope and the construction of several rockets. The Aeronautical and Astronomy Club is also responsible for the annual Miss Universe contest, alas! only the Niles West version.

French Club

Although they do not take planned trips to see Bardot movies, French Club members try to take advantage of every other opportunity to increase their understanding of their chosen language. This year they have attended a play put on by French actors, sponsored an annual banquet, and hosted a meeting of representatives from many local French clubs. French Club holds meetings to plan for these events.

Russian Club

Russian Club provides an opportunity for students to become acquainted with the cultural aspects of the Soviet Union. The activities of this club include: trips to the Bolshoi Ballet, Moscow Circus, Don Cossack Singers and the Soviet Graphic Arts Display in Milwaukee; folk dancing at a Russian Orthodox Church; and a Christmas party. The bi-monthly meetings feature guest speakers or Russian folk music.

German Club

To the members of German Club, study of their language is not limited to the classroom. Through slides, lectures, and movies, they increase their understanding of modern Germany, its culture, and its colorful past. One of the high points of the year is the club's trip to a German restaurant.

No student begins to understand or appreciate a foreign nation solely through language class. Through culture study, German Club aptly provides a supplement to interest in Deutschland.

Latin Club

First Consul, Second Consul, Scriba, and Quaestor. This is not a cast list for *Julius Caesar*, but a list of the Latin Club officers. Through Latin Club, students gain a deeper insight into the unlimited contributions of Rome to western civilization. At the club's annual events--the Saturnalia party in December and the Roman banquet in the spring--members re-create Roman life. They also sponsor the sale of UNICEF Christmas cards as a service project.

Spanish Club

Enchiladas, tacos, the Ballet Folklórico of Mexico, and Jose Greco are only a few of the things Spanish Club members have enjoyed this year. Diversified activities and guest speakers give the members a broad background in the cultures of Spanish-speaking countries. In addition, this year the Club has turned its efforts to a service project to aid underprivileged people in a foreign country.

Student Union Board

Student Union Board is the organization dedicated to keeping Niles West students off the streets on Saturday nights. The Board offers wholesome and enjoyable entertainment, such as "N" Club initiations, dancing, and Beatle music.

This year's flings have included a student hootenanny, a birthday party, and the annual Christmas dance complete with colored lights and decorated trees.

'N' Club

A student walking in the halls of Niles West may be surprised to see some of our finest athletes standing on desks, singing, or picking up trash. If so, he should not be alarmed; this is merely part of the Lettermen's Club initiation. New members are perfectly willing to go through all this so they can become members and wear their major "N"s proudly.

"N" Club serves the school not only by appealing to its sense of humor, but by providing enjoyment in other ways. It sponsors the mid-term dance, the "Breather", and the annual "N" Club-Faculty basketball game.

Girls' Club

Although it collected used toys for underprivileged children this year, Girls' Club is more than the Salvation Army of Niles West. The members of this organization are always trying to help their school and community. They also serve at school-sponsored teas and dinners.

Girls' Club is a new organization. This year, its sponsors and members experimented in trying to find the best possible ways of helping others.

Ushers' Club

The excitement of ushering for plays at Chicago theatres is a privilege earned by the members of Ushers' Club. These girls provide a real service when they usher at our own school plays, music productions, teas, and meetings. Through these activities, they earn points toward other enjoyable ways of helping their school.

Hi-Y

Classes alone cannot instill the spirit of citizenship in all students. The boys in Hi-Y learn citizenship in action. They hold bi-weekly meetings followed by sports activities, but their participation lasts throughout the year. Members attend the annual Youth Legislature in Springfield and send representatives to the summer Hi-Y Congress.

Hi-Y presents a well-balanced program for boys who want to follow the associations motto, "To create, maintain, and extend, throughout the home, school, and community, high standards of service and moral character."

S. S. O.

An S. S. O. monitor is not a unique creature, but one like many others throughout the school. He wanders the halls with a clipboard in one hand and a pad of blank passes in his pocket, and his duties are numerous.

Student Supervised Monitors, (S.S.M.), patrol the halls every period. During the day, there are Student Supervised Study Halls, (S. S.H.), and S. S. D. monitors (Special Services Division). These mobs are organized under the three branches of S. S. O., or Student Service Organization; and the entire operation is overseen by the S. S. O. Executive Board.

Student Council

The influence of Student Council can be seen throughout the school. We are reminded of it whenever we see such things as the Wall of Fame, the school flag, or the fruit machine. Students who attend Honor Lounge, buy books from the school store, or contribute their old clothes to the "Bundles Days" drive, are taking part in successful Student Council projects.

As this school's equivalent of the 87th Congress, Student Council serves as a link between the students and the government. Its members, elected on the various class levels, and its officers, elected by the entire student body, work hard to create true representative government, improve the school, and curb library riots.

G. A. A.

For girls who don't make the varsity team, G.A.A. offers an enjoyable substitute. The members of G.A.A. participate in after-school intramural sports, such as swimming, volleyball, and badminton. G. A. A. also sponsors inter-scholastic teams.

As one of the largest organizations in the school, G. A. A. puts on the annual spring Turnabout dance. Its members are eligible for awards from the Illinois State Girls' Athletic Association, with which the Niles West G. A. A. is affiliated.

Orchesis

Art at Niles West assumes many forms, one of the most successful being Orchesis, the modern dance club. Because of the increased numbers of participants, the organization has developed a type of farm system through which new members are assimilated by way of Junior Orchesis. The chorus of the spring musical consisted of Orchesis members, while a purer application of their art was manifested in another enjoyable annual dance concert.

Cheerleaders

The cheerleaders, as directors of organized chaos, have the gigantic responsibility of channeling all the screams and excitement of thousands of frenzied football or basketball fans into a recognizable yell. Also, they must keep a crowd cheering for a team which is temporarily behind in scoring. As the official representatives of Niles West school spirit, the cheerleaders are always charming, enthusiastic, and vivacious.

Here, then, are two pages of candid pictures which would have made excellent blackmail material, as one of the participants observed. But it is encouraging to know that Niles West has an interested, spirited, and talented faculty; more so the teachers have a sense of humor.

Special Events

Homecoming

Donn Pearlman expounds the necessary winning spirit to five Student Council members at the Homecoming Assembly.

Wapaha Wichaki provided fun and excitement for students and alumni alike in anticipation of the thrilling homecoming weekend. Students spared no effort and expense in preparation of the festivities--even in their selection of a name, Wapaha Wichaki, which means "take their banner away" in the language of the Sioux Indians. A pervading atmosphere of enthusiasm and animation was generated by students who were frantically stuffing the last of the multicolored petal paper into the remaining webs of chicken wire.

Opening the weekend festivities was the traditional twilight pep rally, at which the royal court was announced. The gala float parade on the following morning displayed the skill, ingenuity, and imagination of students at West.

Despite the defeat of Big Red at the hands of Willowbrook, students continued to display their festive spirit at the homecoming dance. Music was supplied by Leo Provost and his band, and Queen Helen Perri presided in regal grace amid the falling leaves and golden colors of "Prelude to Autumn."

We owe the wonderful memory of Homecoming '63 to the efforts of the homecoming committee, who worked throughout the summer to make Wapaha Wichaki the success that it was.

"The Little Foxes"

Both the cast and crew of this year's fall play scored a memorable and truly significant triumph in their production of Lillian Hellman's powerful drama, *The Little Foxes*. With exceptionally fine acting under excellent direction, and beautifully designed and executed costumes, the fall play demonstrated what the combined efforts of a group of Nilehi students could accomplish in the way of provocative drama.

Involved in the technical aspects of producing the play were the lighting crew, sound crew, make-up crew, costume crew, prop crew, and stage crew, all contributing to an unqualified success, and at the same time learning the special skills involved in a complete dramatic production.

Despite the many hours of work, the long rehearsals, the strenuous race against time in constructing the set and preparing for opening night, all who were involved in the production agreed that it was a richly rewarding, as well as truly exciting experience.

"We had agreed that you were to stay in your part of this house and I in mine. This room is my part of the house. Please don't come down here again."

Christmas Dance and Assembly

Making its annual contribution of zest and bright spirits to West's Yule festivities was the Christmas Dance, this year entitled "Silhouettes in Snow." Amid the effervescent atmosphere of striped candy canes and pungent evergreens, couples danced and laughed, soaking up the warmth and good cheer of the evening and the season. Also adding to the evening's entertainment was a satirical sketch of school life by Donn Pearlman. Of course, no Christmas celebration could be complete without the presence of Santa Claus, and he, too, was there in all his red, jovial roundness.

This year's Christmas Festival combined the talents of the various musical groups in the school to produce a program rich in spiritual significance.

Besides the traditional songs of the Christmas season, the choir, accompanied by the narration of Mr. Ronald Van Arsdale, presented a musical calendar, on which the major holidays were marked with a song and a poem especially associated with that particular day.

Musical selections by the band and orchestra, as well as the other vocal groups, Vivace and Girls' Glee, helped to make this year's Christmas Festival another of the outstanding annual cultural events which have become a tradition at West.

The choir, mixed chorus, and girl's glee entertain the student body at the annual holiday assembly.

The orchestra, chorus, and Mr. VanArsdale, the narrator and traditional participant, present the holiday assembly.

The Gateway Trio looks as if they enjoy their work as much as the audience enjoyed their performance.

During a brief moment backstage before his performance, Josh White relaxes.

Animation and a sense of expectancy pervaded the auditorium on the night of February 11, as Josh White stood on the stage, guitar in hand, one leg raised onto a stool, ready to display his dynamic and forceful talent before the Niles West audience. The famous folk singer has a unique style, and he applied it to such songs as "Marching Down Freedom Road," "The Riddle Song," and "Free and Equal Blues." The audience had a double treat when Josh combined his talent with that of his daughter, Beverly.

Also helping to entertain was the Gateway Trio, whose comic sketches and inimitable style delighted everyone.

This was the setting for the third annual Redskins' Revue, entitled, "No Biz Like Show Biz." Acts ranging from large specialty, group instrumental, and chorus line numbers to vocal solo and dance and instrumental numbers participated in West's version of the famous variety show and helped to make the evening a memorable one for every member of the audience.

S eniors

Good bye, my friends.
It has been good,
Has it not?
Now we each
to our own separate ways withdraw,
Each leaving something
in the common pool of memory.

Sophomores

The sophomore sees his school through maturing eyes. As he attends Niles West for the second year, his values are changed and strengthened. Five minute passing periods are no longer a complete trial, and school spirit is more than something one hears about at pep assemblies.

With the sophomores' widening interest in his school comes increasing awareness of the way Niles West operates. He becomes an active part of student organizations: He learns to use his talents and abilities not only for his own benefit, but for his school. Most importantly, the sophomore looks toward the future with a new awareness of the challenges that added responsibility involves.

Freshmen

Newness is a common thing, but its result varies with every individual. In its acceptance of high school responsibility, the Class of '67 has begun to adjust to the pattern of the next four years. Potentially, the Freshmen promise much to the school. They are more than a foil for the upperclassmen; they are becoming a strong unit, establishing the identity of a class capable of eventually bringing its influence to bear on the affairs of Niles West.

Varsity co-captain Bill Hohs surveys the field during the annual Indian rout of Niles East.

Football

The Niles West Varsity football team, bidding for its second conference championship in three years, completed its first year in the Des Plaines Valley League with a 2-3 slate. Plagued with many injuries and illnesses, Coach Basrak's team finished the season with an over-all record of 4 wins and 4 losses. The '63 version of Big Red scored triumphs over Niles East, Glenbard East, East Leyden, and Morton West. Quarterback Ed Bruschi, Ends Spike Kumerow and Jim Parry, Halfback Bill Rosenquist, and Center Roger Basrak were chosen for the All-Conference squad. Denny Smith, Bob Levin, and Rick Steele will tri-captain next year's gridders.

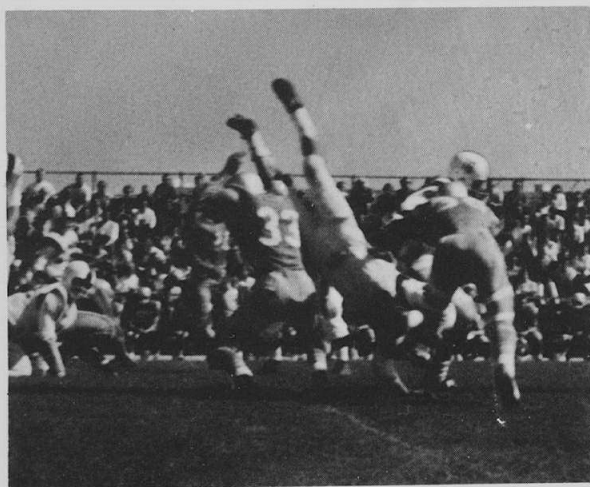

Reserve back Mike Owens, in his attempt to break for the sidelines, is pursued by a host of Willowbrook defenders.

Willowbrook tacklers up-end runner Dan Hirschtick.

Junior Varsity

The J. V. gridders finished 3-1-1 in the 'Dep-Val,' racking up victories over Morton West, West Leyden, and East Leyden, and tying Proviso West. Ending with three wins in a row, the J. V.'s successfully broke out of a four game losing streak in mid-season. Coach Bill Paulsen's team, despite the loss of many of its stalwarts to an injury-riddled Varsity squad, took 2nd place in conference competition.

Sophomores

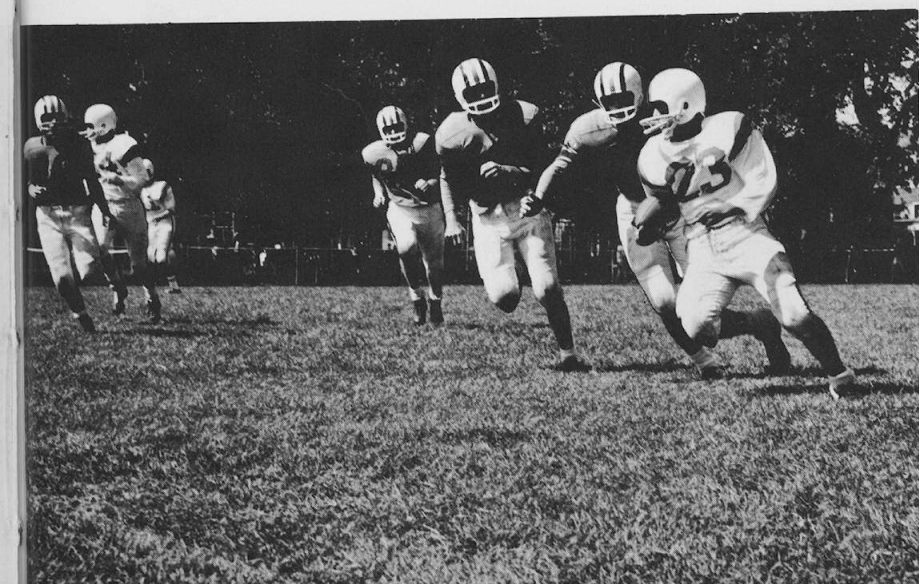

After taking an 18-7 drubbing from cross-town rival Niles East, the Sophomore gridders were unable to get their offense rolling again and were shut-out by Glenbrook South and Maine West before finally posting a 12-0 victory over Willowbrook. Coached by Bill Coyer, the Sophs were hurt by injuries during the '63 season, especially to their interior linemen. The final over-all slate was 2-5-1. Following the Willowbrook victory, the Soph gridders played East Leyden's "Little Eagles" to an unlucky 13-13 deadlock. After a heartbreaking 26-20 loss to West Leyden, they defeated Lane Tech 20-6 and closed the season with a 19-12 loss to Proviso West.

Freshmen

After an opening loss to Glenbrook South, the Frosh gridders reeled off six consecutive victories to capture the Des Plaines Valley League football championship. Their six and one season record was the best showing for a Frosh team in Niles West's brief sports history. The team's most impressive victories were against West Leyden, a crushing 48-0 triumph, and against Proviso West, as they scored 16 points to Proviso's 12, to win the "Dep-Val" crown. While capturing the championship, the "Little Indians" amazed a total of 186 points while giving up only 87. They recorded two shutouts against East and West Leyden, respectively.

Varsity Cross - Country

Picking up the slack after the loss of star miler Bob Barber, the Varsity Cross-Country team managed only one victory in the '63 campaign. They defeated Glenbrook South in the opening meet 24-31 (low score winning). The varsity country-men finished sixth in league competition and nineteenth in the District events. Filling the shoes of Barber was Senior George Caracciolo, who was named the harriers Most Valuable Player for the '63 season.

The Frosh-Soph harriers also had their problems in scoring victories in the long cross-country campaign. They managed only two victories, but finished fourth in league meets. Their overall record was two wins against seven setbacks. Their victories were against West Leyden and Morton West.

The varsity squad was coached by John Harmon and the Frosh-Soph team was directed by John Cress.

Basketball

Winning the first two league games by impressive margins the Varsity cagers looked unbeatable in heading for the "Del-Val" league title. But apparently a team named East Leyden had similar ideas of their own for winning the league crown. The Indians took a big step toward the top spot when they defeated East Leyden 71-63 on January 24, to tie Leyden and Willowbrook for the league lead. When they met again, it was on Leyden's home court and both teams were tied for first place with identical 6-2 records. The Eagles won that game and eventually won the league championship. In the March Regional Tourney here at West, the Indians won the opening game beating Elmwood Park, and lost to their arch-rival, East Leyden, for the second time. The varsity cagers were coached by Billy Schnurr in his third term as basketball mentor.

Junior Varsity

The J. V. Cagers completed a highly successful season with an over-all record of 12 wins and 6 defeats. Under the leadership of Coach Dennis Filliman, who finished his first year at West, the squad earned a 6-4 league slate. The team won two apiece from East Leyden, West Leyden, Proviso West, and lost a pair to both Willowbrook and Morton West. J. V. victories included sound scalplings of East Leyden (71-54), Proviso West (61-39), and Forest View (81-31). 'Del-Val' foe Willowbrook won its two against the Indians by the slim margins of one and two points. Non-conference losses to Deerfield and Prospect were both by a single point.

Mickey Brusman looks for a cutting teammate as Niles East guards, Murray Golden and Steve Helmer anticipate his move.

The Frosh "A" squad, losing three games by the margin of only one basket, ended the year with a 4-9 over-all slate, 3-7 in the 'Dep-Val.'

The Frosh "B" team closed the season 4-3 in league play, but failed to win a non-conference contest in posting a 4-9 over-all record.

Swimming

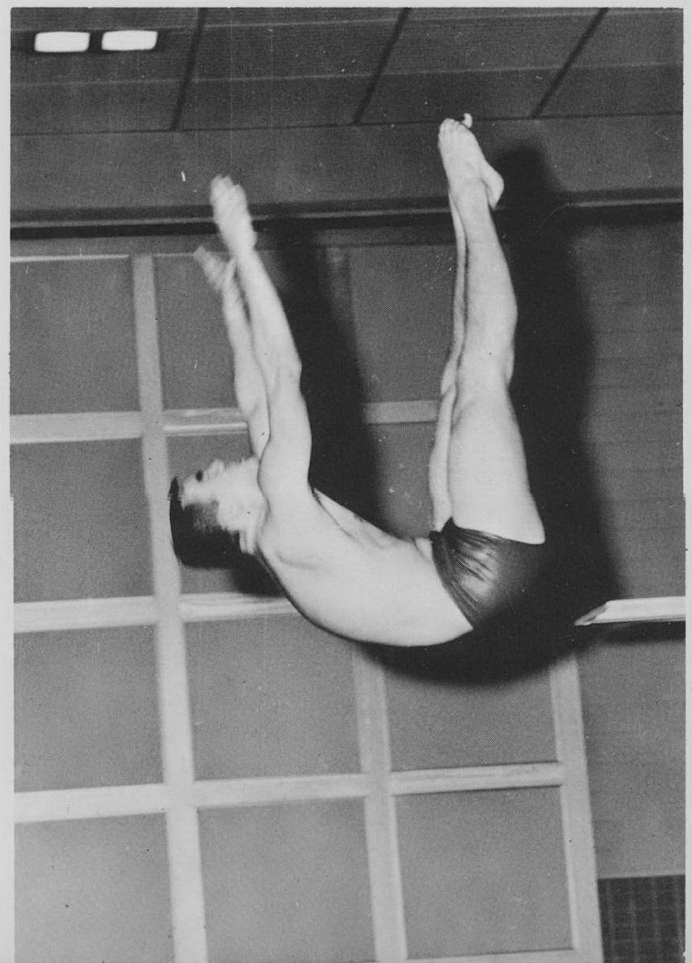

Led by the diving duo of Senior Paul Van Eikeren and Bob Wagner, the Varsity swimmers completed the 1963-64 season with a 2-2 league slate, good for 3rd place. Van Eikeren and Wagner placed 3rd and 6th in the Niles West State Districts and went on to finish 17th and 19th in the State finals, continuing the three year old Indian diving dynasty. Coach Cajet should have a strong nucleus returning next year from a predominately junior squad and will be sure to challenge for the league crown.

The Frosh-Soph mermen were the only winter sports team to grab a piece of any championship for Niles West in the '63-'64 competition. They were Co-Champions, with Proviso West, for the Des Plaines Valley League Crown. They compiled an 11 win and 2 loss season slate. After losing their first two out of three meets to Niles East and Maine West (a 72-23 victory over Glenbrook South was sandwiched in-between), they racked up ten straight victories to earn their 11-2 record. Coached by Darrell Smith, the Frosh-Soph swimmers rolled up the almost unbelievable total of 831 season points, as compared to 400 for their opponents. Their highest single meet score of the season was 84 points against West Leyden.

Wrestling

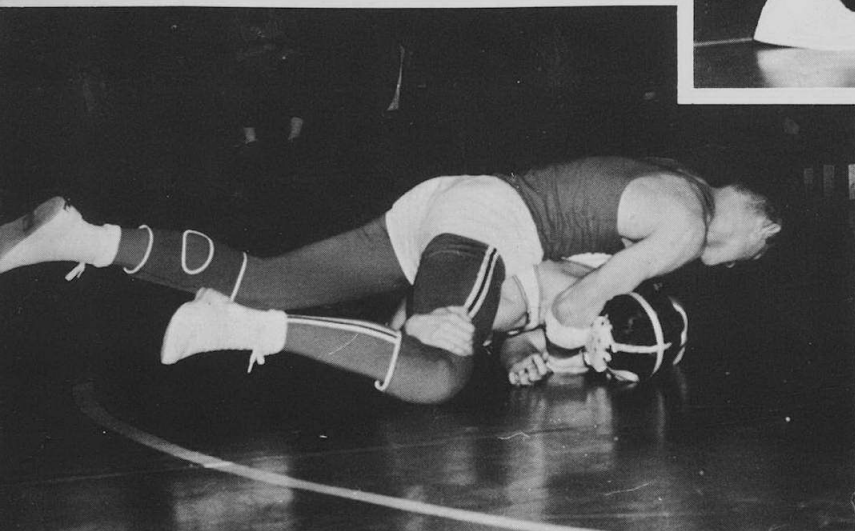

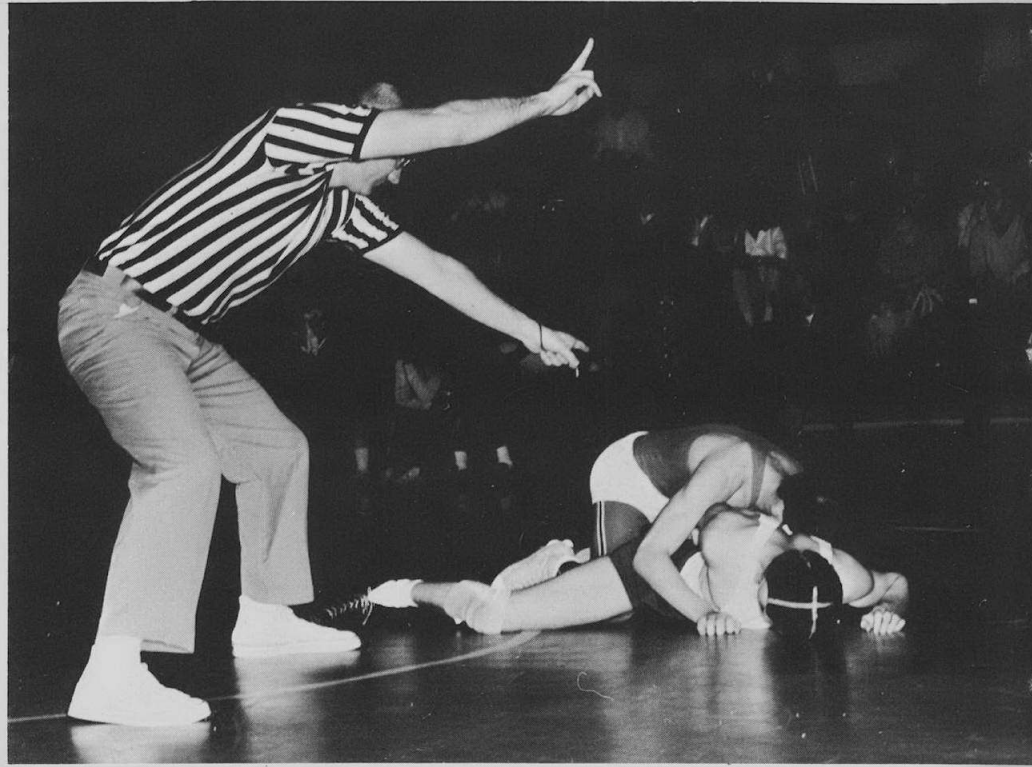

The Varsity grapplers, hurt by injuries and forfeits throughout the season, finished the '63-'64 season in the Des Plaines Valley League cellar with a 0-5 record. The Indians managed two non-conference wins in the disappointing mat season. On the brighter side, Seniors Ted Forsberg, Spike Kummerow, and Russ Lain all placed in the State District competition.

The Junior Varsity squad finished with a 8-8 breakeven slate over-all, and took 4th in the league with a 2-3 record. Seniors Don Kuehn and Doug Lipman suffered only one loss apiece to lead the J. V.'s,

Elliott Greenberg was undefeated at 112 pounds, and 145-pounder Chuck Levin recorded nine straight pins. Rich Lee, a Freshman, competed on the Varsity level.

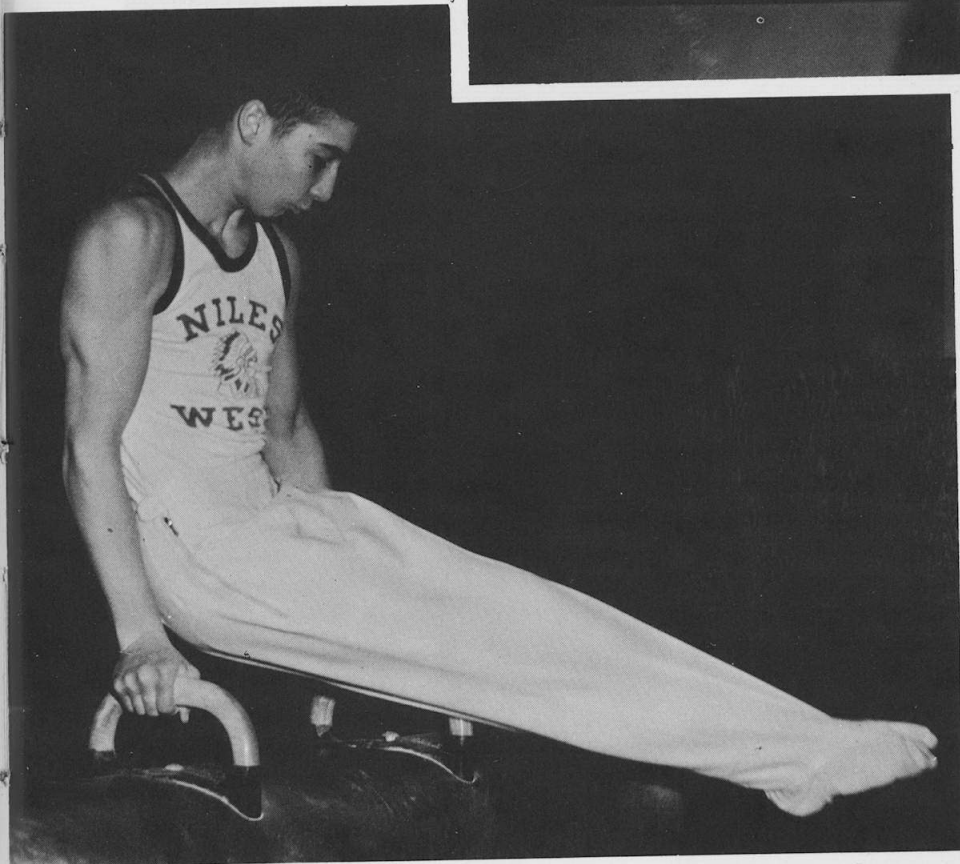

The Sophomore squad won only once during the season, and failed to win in league play. The squad is coached by Rex Whitlatch.

This year's Gymnastic teams, under the leadership of two new coaches, had one of the most successful campaigns in West's brief gymnastic career. Tutored by John Burkel, who coached Niles East's championship teams, the varsity gymnasts scored ten victories, while suffering eight setbacks. They also sent two gymnasts to the State Finals held at Willowbrook in March. Junior Bruce Bolnick competed on the parallel bars and Junior Barry Gold competed on the trampoline.

John Armour coached the Frosh-Soph squad. They scored some impressive victories in the '63-'64 season, finishing third in the League Meet and ninth out of fourteen teams in the Waukegan Invitational. Their over-all slate was 7 wins and 11 losses. The Frosh-Soph squad ended the season by reeling off three straight victories. They beat a highly-touted Forest View team, and scored wins over Rich East and Proviso West.

Dear Marty,
 It was great having
 you in the same
 homeroom. I remember
 how you first showed
 me around this "big"
 school when I first
 came here. You were a
 big help. ~~They~~ as nice
 you are and best of luck

Dear Martha,
 So far your fun knowing
 you and your a real swell kid
 to don't know if I'll be seeing you
 next year but best of luck in all
 your future years
 Love Ya

Dear Martha,
 I really enjoyed having
 you wait at the bus corner
 with me. Remember how mad
 you would get at the people
 that wouldn't at the corner for
 the bus? Remember how funny
 it was when you said you hit
 a girl with your purse for making
 too much noise while listening for
 the BEETLES Bugs? I hope
 you do go to college.

Dear Martha: (?)

You asked me to write small but this is
ridiculous (spelling!) Since I don't
have anything to say and it will
take too much room if I say what I
really want to say, all I can do is
save space (and ink) for someone else to
sign this lovely spectrum. I better just
finish this short (SMALL)
autograph with my signature.
Be good. Stay Sweet

Acknowledgement

Dear Martha:

It is a last, pleasant obligation to thank all who have contributed to the production of this book.

Deepest personal thanks go to Faculty Sponsors Mrs. Mary Howell and Mr. William Geismann, who have selflessly given their time and energy in The Cause. Special thanks also to Root Studio of Chicago for the photography, and to the Norman King Company, publisher, for the actual printing of the book. To the faculty and administration, warmest appreciation for their cooperation and indulgence. The last and best thanks go to the *Spectrum* Staff, to the people who have done the work and to whom the credit really belongs.

The debt of gratitude owing on this book can never adequately be paid in words. The book itself must stand as recompense to all who have made it possible. Hopefully, it is deserving of that place.

Respectfully,

~~D. M. Greenberg, Editor~~

TENNIS

Niles West's varsity tennis fortunes were a mixture of successes, bad luck, and disappointment. After an excellent start which showed victories over all the other teams in the league, the team dropped by losing three matches in the final round. It was disappointing for the two teams with the best league records--Morton West, 9-1, and Niles West, 7-3--to finish second and fourth respectively due to an out-moded scoring system. However, the individual netmen performed commendably: Roger Kaage and Mike Garlich lost in the doubles finals in three sets, Howard Hartman lost in the singles finals, and the other representatives all lost in the second round to the eventual champion. The team amassed an admirable season record of eight wins and five losses.

The tennis future of Niles West is very bright. The frosh-soph squad swept the Des Plaines Valley title, compiling a 9-1 dual meet record and winning the league tournament 13-2. Third singles man Dave Heilbron and both doubles teams--Spitz and Cohen, Katz and Talent--were league champions. Paul Zlotnik and Rick Osney took runners-up honors in their singles division.

The outdoor track season showed Niles West's varsity breaking even in six dual meets, and the frosh-soph only winning one in five.

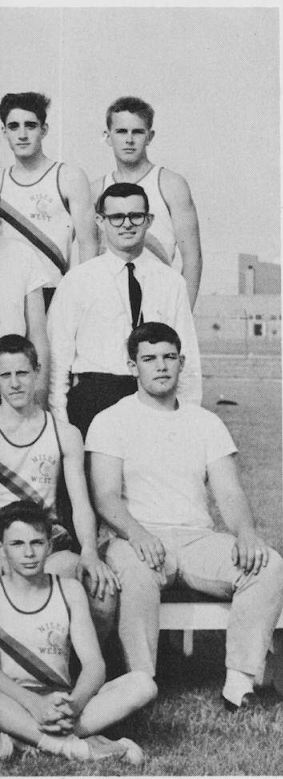

Individual performers fared much better. In large relay meets, Rick Schafer consistently high jumped around six feet, usually placing in the first three finishers. Howie Clark's strong shot putting placed him high in several meets. Both boys narrowly missed going to the statewide competition.

Despite their record, the frosh-soph showed considerable strength in the relays. Young tracksters -- Paul Gaynon, Phil Giuntoli, and Mike Pepper -- showed fine potential. The Niles West frosh-soph were always in evidence in every meet. With a growth in interest, West could provide more winning track results.

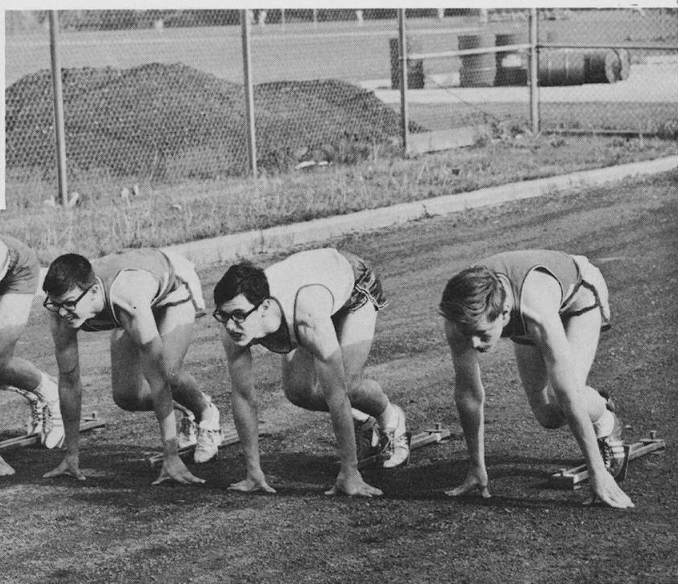

"... and it's Rick Steele in the lead, with Dave Reicherts second ..."

Passing the baton is not the easiest part of being on the track team.

BASEBALL

Niles West fields three baseball squads below the varsity level. During the spring these teams distinguished themselves and forecast a favorable future.

The junior varsity squad, which consisted of the varsity's bench strength, was able to win only one of six contests, with one ending in a tie. Considering the irregular makeup of the squad, this record is quite admirable. Refinement of baseball's many skills and game spirit were the goals of this team.

The sophomore nine claimed an overall season record of eleven wins and eight losses. In league play the sophs finished third. Two of their losses were administered by the co-champion. The leading hitters were Norm Katz, Paul Smetana, Dan Hirschtick, and Ron Halpern. Mike Klein led the mound staff with a 3-1 record and an earned-run average of 1.69. Again, the leadership of Coach Coyer developed fundamental talents, those which show so clearly two years later.

The frosh team ended a long seventeen game campaign winning all but three contests. Coach Bauer again showed his ability to get the best from his freshmen competitors.

The smiles of Dr. Mannos and Coach Phipps reflect their pride in the varsity baseball team's state runner-up status.

Roger Thomas hits a long drive in one of the regular season baseball games.

Niles West's biggest athletic success of the year came from the varsity baseball nine. Coach Jim Phipps' veteran squad advanced through a tough 26-game schedule directly to the state finals. Led by Ed Bruksch, voted the most valuable player in the state tournament, Jim Schnidt, and John Kmety, this team displayed a balanced attack, strong defense, and excellent clutch pitching.

The varsity won the Des Plaines Valley title with a 12-4 record. Having won the conference, the team advanced through the district, the sectional, and the regional tournaments, winning six straight games, four in shutouts. Traveling to Peoria, the team won its first all-state contest over Rockford Boylan on a Kmety shut-out. The second was a narrow 3-2 victory over Pekin. Then came the championship clash.

With a 5-2 lead over Springfield Griffin, Niles West's defense temporarily collapsed, and this, coupled with one successful hit by the opposite team, led to a frustrating 6-5 defeat. Despite this defeat, hundreds of people turned out to give an enthusiastic welcome to the team when it came home that night.

GOLF

Again Coach Jack Fabri's golfers swept to a victorious campaign. The 1964 varsity was undefeated in twelve dual matches, extending its streak to 23 straight victories. As a result of its fine veteran strength and enthusiastic coaching, the linksters won the Des Plaines Valley Conference title and placed a close second in the State District Meet. Individually, the trio of John Bell, Dick Dairberl, and Mike Wynn led the assault, each having a season average in the high 70's. Captain John Bell was chosen the most valuable player, and he can now be considered one of Niles West's finest sports performers.

The performance of the frosh-soph golfers predicted the continuation of a strong golf tradition. Coach Mike Basrak's team compiled a perfect 12-0 record, winning the league championship and finishing second in the conference meet.

“MUSIC MAN”

"Seventy-Six Trombones" led the parade into the auditorium of Niles West. This year, the talents of several departments and literally hundreds of students went into the making of a successful and well-done production, "The Music Man".

As Professor Harold Hill, who comes to River City, Iowa, to cheat the townspeople, Murray Moss and Lee Miller performed lead roles in the double-cast production. In the play, Marian the Librarian (portrayed by Harriet Sherman and Amy Gabriel on Saturday and Friday nights respectively) meets Professor Hill, falls in love with him, and leads him to a better way of life.

That was the basic plot of this year's "Music Man" production. Embellished with songs, dancing, humor, and pathos, it provided rewarding entertainment for the crowds that filled the auditorium for both performances.

As Professor Harold Hill and Marian the Librarian, Lee Miller and Amy Gabriel sing "Til There Was You".

The "Grecian Urns" of River City, Iowa are the epitome of artistic expression.

Donn Pearlman as Mayor Shinn and Sandra Shiner as his wife Eulalie, shown here with Amy Gabriel, provided much of the humor of "Music Man".

Marian politely rejects her brother Winthrop's suggestion that she view his worm collection.

The dance chorus assumes a picturesque pose for the "Music Man" audience.

Exhausted and happy crew members proudly view the success of the production they put together.

SCIENCE FAIR

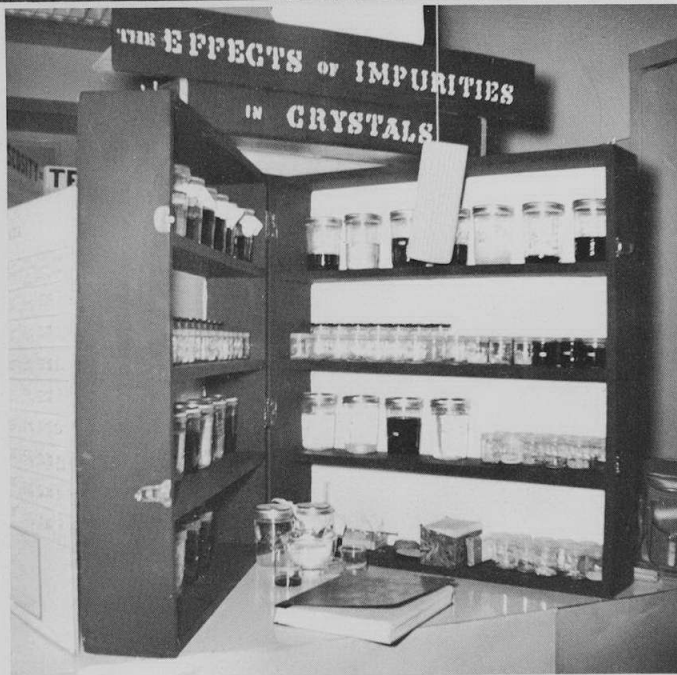

Some of the 2500 science fair visitors study projects on display in the Niles West cafeteria.

The world is waiting eagerly for scientific advancement. If this sounds frightening, the titles of this year's projects--"P-Fluroaniline Boron Trifluoride", "Differentiation of Mammalian Species by Disc Electrophoretic Analysis of Blood Serum Proteins", and so on--are even more so. However, the high level of the Niles West projects reveals not only that a great deal of work was done, but that a great amount of knowledge was used.

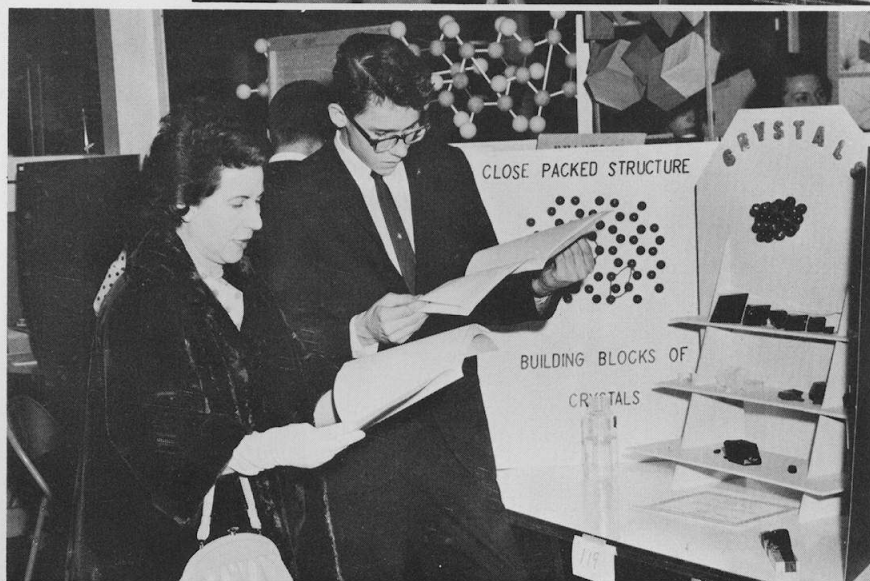

The Niles West science fair was held this spring. The finest projects from various science classes were displayed, and over 2500 people attended the fair. Of these projects, the best were entered in the District Science Exposition. First-place winners there traveled to the University of Illinois at Urbana for the state contest.

There Niles West was extremely successful again. With forty-four projects competing, Niles West had twice as many entries as the next highest school. And Niles took top state awards, winning more "Outstanding" and "First Place" awards than any other school.

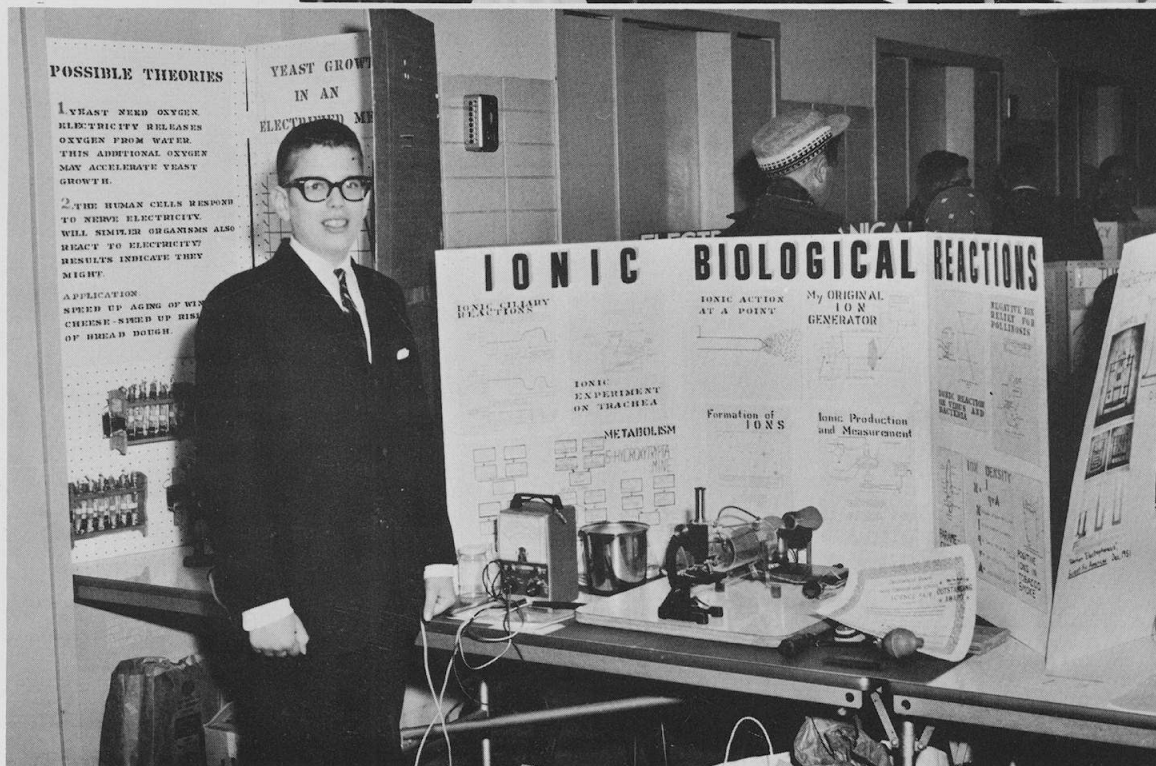

A typical science project, incomprehensible to the layman, which won an "outstanding" award in Illinois State competition.

Mark Harris proudly displays his project on "Universal Gravitation-The Cavendish Experiment", winner of an "outstanding" state award.

Consulting their catalogues are two puzzled science fair visitors, who are studying one of the 250 projects entered this year.

Still another "outstanding" state award was presented to Robert Gordon. Four other Niles West students received this award, and there were also sixteen local state "first place" winners.

Couples gather in the gymnasium, ignoring the decorations which were painstakingly made by G.A.A. members.

SPRING FAIR

The place was Niles West. The mood was spring--spring pastels, springtime, and the magic of this year's G.A.A.-sponsored Turnabout dance, "Spring Fair".

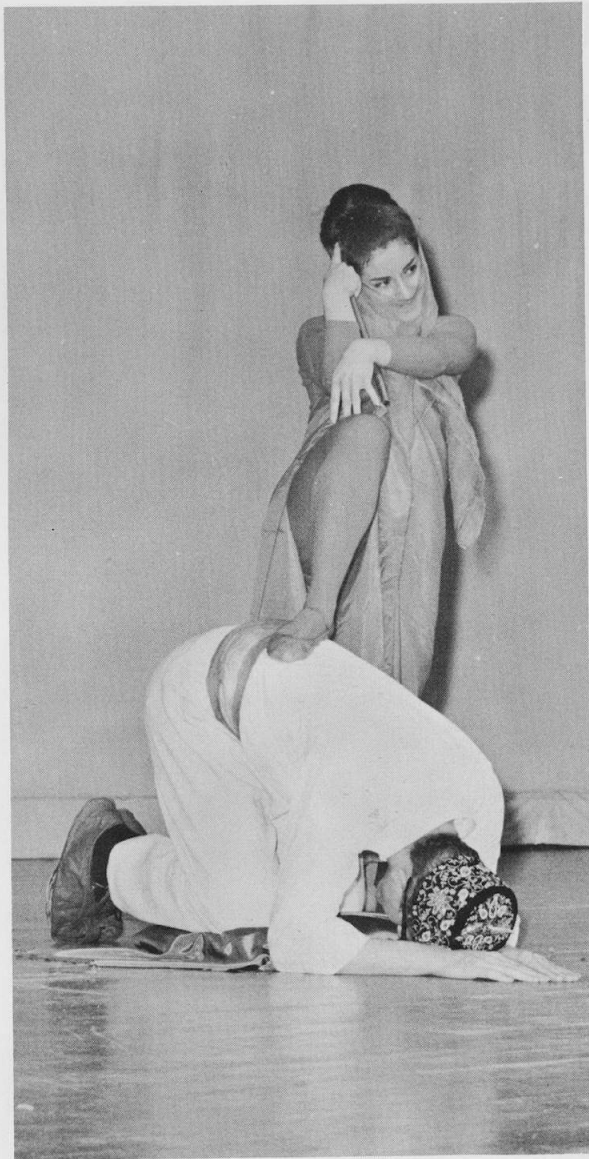

For this dance, the only one of its kind all year, the girls "do the asking". It is a true turnabout dance, for the girls are expected to buy the bids and find dates themselves. However, they were rewarded this year by an enjoyable evening and a "moment of springtime" provided by G.A.A.

Josie Hoffberg and Paul Helford share the excitement of the year's first spring carnival.

"The Ill Winds blow good" at the G.A.A. Turnabout Dance.

Merle Hilfman, having subdued Steve Waller, wonders what her next step should be.

PORT OF ENTRY

This year's modern dance show, held in May, provided unusual and colorful entertainment. Presented by the girls in Orchesis, the program was called "Port of Entry" and had an international theme. Dances were set in such varied places as Paris, Spain, China, and India. Some of the more talented Orchesis members performed solo as well as group numbers.

Much research was done to make the world background authentic and interesting. The production itself was unified by a narration beginning in America, traveling across the Atlantic and to Asia, and returning to New York City.

NATIONAL HONOR SOCIETY INITIATION

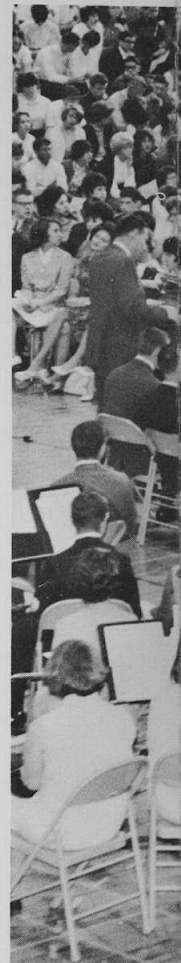

The sparkle of candlelight and the solemn expressions of the inductees reflect the dignity and excitement of the occasion.

Scholarship, leadership, character, and service. These are four qualities of the ideal student; and the Niles West chapter of the National Honor Society tries to include students who fit this description. Both juniors and seniors were inducted at this year's National Honor Society initiation.

The program itself consisted of speeches, a procession of the members, and candlelighting ceremony. Only juniors and seniors who were not admitted, as well as interested adults, were allowed to attend.

Not only do National Honor Society members have to have academic ability; many also have a record of service to the school.

ACADEMIC AWARDS

It is not true that Niles North will be built entirely from sets of the "Great Books" won by our school's "It's Academic" teams. Nor is it true that so many students were seated on the gym floor to receive awards at this year's academic assembly that there was no one in the audience. However, the success of these events is typical of Niles West's scholastic success in general.

This year's academic team followed up last year's Grand Championship team, winning two of the televised contests and being narrowly defeated in a semi-final playoff round.

Scholastic achievement was also rewarded in a special assembly this spring, in which over thirteen per cent of the student body took part. These students received Gold, Silver, and Bronze Keys, and White and Scarlet Certificates, as recognition of academic achievement. Department awards were also presented.

In the NBC-TV studio before an "It's Academic" program, Mr. Brufke discusses the coming contest with team members Jim Futransky, Al Karlin, and Sue Grigg, and alternates Doug Lipman and Ron Landes.

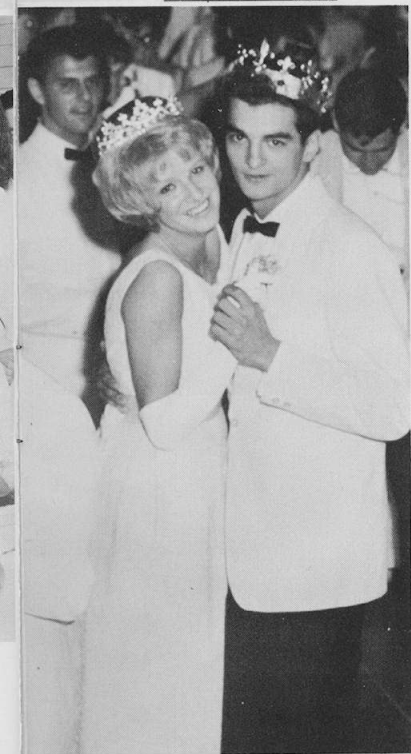

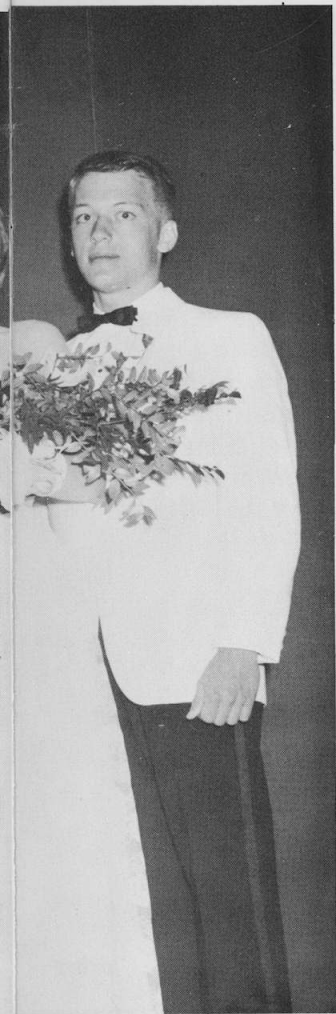

At their coronation, the glamorous Prom King and Queen, Peter Tortorice and Donna Uleck, are surrounded by the members of their court: Tom Pfaff and Sharry Rugendorf, and Nancy Doyle and Ron Zager. Sue Rask, prom decoration chairman, looks out happily.

FANTASIE EN VIEUX CARRÉ

The excitement of New Orleans' Old Quarter came to life on the night of Niles West's prom, "Fantasie en Vieux Carré". Providing a focal point for the evening was an authentic Mardi Gras float, surrounded by such famous landmarks as "Antoine's", and "Tujacques". Couples dancing to the music of Tony Martel's band were caught up in the holiday atmosphere of New Orleans.

The crowning of Prom King and Queen Peter Tortorice and Donna Uleck added a truly unique note to the evening. After the dance, promgoers traveled to various Chicago area night spots to complete a memorable "Fantasie en Vieux Carré".

SENIOR BRUNCH

The day before graduation, the class of 1964 congregated for the last time. The occasion was the yearly Senior Brunch and graduation practice. In a dress rehearsal for the "big day", seniors, wearing their caps and gowns, paraded around the gym and football field, and then visited the cafeteria for the final time. There, they enjoyed a combination of breakfast, lunch, and "after-dinner" speeches. For the moment, the seniors were still a unit that belonged to the school.

At the moment, the food is the most important thing of all to these senior girls.

Fran Garfield's interest in graduation rehearsal is obvious.

The faces of students at graduation rehearsal display their "intense" concentration.

The final issue of the *West Word*, distributed at the Senior Brunch, contained the traditional Senior Survey.

GRADUATION

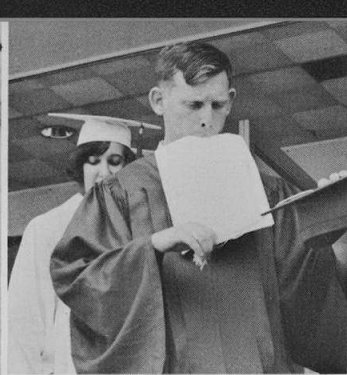

In theory, graduation is more of a "commencement" than an ending. But as far as Niles West is concerned, graduation is final. As the class of 1964 marched across the decorated football field in the school's first outdoor commencement, their high school era was ending.

But the thoughts of the graduates were not on the brightness of either the future or the past. There were too many trivial concerns to occupy them--walking and sitting gracefully, accepting their diplomas in the correct manner, keeping their gold, red, and white tassels from blowing in their faces. Only afterwards could the seniors reflect that in a few hours a period of their lives had passed. While, as commencement speakers traditionally say, "The world was theirs", Niles West no longer was.

Administration, faculty, graduates, friends, relatives, orchestra members, and other assorted visitors watch the graduation ceremonies.

Graduates cross the burning sands.

Graduation is made up of many things: aching feet and a class valedictorian; handshakes and greetings; and, most important, a beautiful, beautiful diploma!
