NILEHI LITE

"Make the '50
a Nifty"

Vol. XI, No. 1

Skokie, Illinois

Frid-y, September 30, 1949

Homerooms Elect Council Members

Who's your homeroom representative? Whom have you chosen as an outstanding leader from your group? Here is a complete list of all students elected by their homerooms to serve on the respective boards.

On the Senior Cabinet: Jim Kennedy, 212; Joe Donavan, 308; Joan Hamlet, 112; Martin Seidler, 310; Ed Buerk, 211; Dick Baumann, 106; Wally Popp, 213.

The Junior council: Ronald Gawrys, 210; Bob Raveret, 219; Rex Hennion, 208; Larry Britenstine, 206; Charles Owen, 108 Walter de Stories, 101.

The Sophomore Senate: Ken Howard, 121; Richard Le Veau, Lib.; Gregg Wold, 313; Philip Koser, 208; Arlene Meyer, 110; Ronald Lehman, 221; Gail Westgate, 216.

The Freshman Board of Advisers: Lois Conners, 107; George Wagner, 209; Virginia Jacobsen, 306; Franklin Gutowsky, 316; David Hagenon, 314; Don Girard, 102.

These boards are under the supervision of the class advisers: Mr. Harold Ohlson, seniors; Miss Margaret de Booy, juniors; Mr Marvin Ihne, sophomores; Miss Marie Green, freshmen.

Senior Traffic Patrol Formed

The traffic situation after school is now under the control of the Senior Traffic Patrol, according to Miss Grace Harbert, director.

The white-belted boys are John Kadlec, Richard Swanson, Al Hartig, Roger Schweger, Ed Buerk, Joe Donavan, Tom Brice, Bill Straw, Harold Siemson, Don Brock, Jon Eckert, and Bill Kathe, and their elected captain is Louis Keesey.

Board Member Dies

Students of Nilehi join the faculty and staff in extending sympathy to the family of Mr. Ivan M. Paroubek, who died Saturday, September 24, after a long illness.

Mr. Paroubek had been a member of the Niles Township High School Board of Education from its beginning in 1936 when he was a leader in the organization of the school district. He was board president in 1946, secretary in 1940, 1943, and 1948.

Mr. Paroubek served as chairman of the Building Committee of the Board throughout the planning and construction of the present Nilehi building and for nine of his 13 years as a board member. He served on the Lincoln School Board of Education from 1930 to 1940.

Four sons and three daughters are graduates of Nilehi.

Yearbook Magazine Drive to Start October 6; School's Total Sales Goal Placed at \$10,000

The 40 people who attended the meeting of the 1950 Nilehi yearbook finance staff, September 20, had a busy afternoon. The purpose of the meeting was to organize a magazine drive, the profits of which are to be used to finance the 1950 yearbook. The drive will begin October 6 and close October 19.

Mr. Ronald Van Arsdale, sponsor of the yearbook finance staff, stated that the drive is very important, as it will determine whether the school yearbook will "sink or swim." He has set the school total sales goal at \$10,000, the individual homerooms at \$400, and each student of the school at \$12.

Mr. Olen Murdock, representative from the Curtis Publishing Company, spoke at the meeting, outlining and explaining the campaign. The awarding of prizes will run as follows:

Prizes to Be Given

Students that sell two or more subscriptions are eligible for a prize. The daily high salesman will get either an Eversharp pen and pencil set, or all the nickels he can grasp in one hand. A door prize will be given to the daily high homeroom.

A student may be a member of the Opportunity Club if he sells 30 or more dollars worth of subscriptions. For each \$30 he gets one chance on a 45-dollar watch.

Grand prizes are to be awarded to the 12 high salesmen of the school at the end of the drive. Among these are a Bulova watch, Emerson portable radio, Motorola table radio, and a Parker pen and pencil set.

To the high salesman of each class will be awarded either an Elgin watch, or all the silver dollars he can grasp in one hand.

Committees Named

Committees were also appointed at the meeting. Ruth Wenzel, junior, was appointed general manager of the drive. Her two assistants are Evelyn Hartig and Joan Searing. Others appointed were Astrid Halbrendt, promotion manager; Donna Belik, charge of prize display; Caroline Pence, in charge of securing totals from homerooms; Edwina Zielinski, in charge of prizes for daily high salesmen; Pat Schnur, head of Opportunity Club; and Rodney Barkow, in charge of prizes for grand prize winners.

Enrollment Reaches New Peak

Nilehi's student enrollment has this year climbed to 963. This number is greater than any previous year since the school began in 1938. In that year the enrollment was 457.

The sophomore class leads the enrollment with 286. Freshmen follow with 245. The seniors and juniors rank third and fourth with 225 and 207, respectively.

Nilehi Faculty Increased By Seven New Teachers

There have been seven new teachers added to the Nilehi faculty this year. Mr. Leo Hoosline, math teacher and coach, previously taught math at Clearbrook High School, Clearbrook, Minnesota.

Another new teacher at Nilehi is Miss Mary E. Walker, librarian, who comes from a similar position at West Aurora High School. In Miss Walker's study hall there were enrolled many of West Aurora's athletes. When asked whom she would cheer for at the Nilehi-West Aurora game, she said that she would do her cheering for Nilehi.

Mrs. Valeria Z. Gallagher, also a newcomer to our faculty, has taught for several years at Immaculata High School in Chicago. According to Mrs. Gallagher, one of her first impressions at Nilehi was the many co-operative students.

Teaching second-year Spanish and first-year Latin at Nilehi this year is Mrs. Oneta Hannum. Before joining our faculty Mrs Hannum taught at Northwestern and says that she is favorably impressed with Nilehi.

Mr. Carl E. Johnson, who will act as visiting counselor, is another newcomer to Nilehi. He has taught for the past six years at North Park College Academy.

This year at Nilehi our faculty includes a new speech correctionist, Mrs. Lou Ann Moran, who is a graduate of Northwestern University.

Mrs. Robert Rice is engaged as English teacher and assistant in Journalism at Nilehi. This year at Nilehi isn't the first for Mrs. Rice as she previously taught freshman college rhetoric in the Nilehi branch of the University of Illinois Extension Division in 1947-48.

Returning to our faculty is Mr. Arthur Ryden, who has spent the last year on leave of absence doing graduate work at Northwestern University.

This 'n' That -

Need some money in a hurry- You might be able to sell your bones for \$175. According to Mr. Charles Hussey, Nilehi biology teacher, that is the price of the science department's new skeleton. The question is, how to collect the money after you deliver the goods.

For the second time this year Mr. Marvin Ihne, sophomore adviser, has been called by a radio quiz program and has missed out on the prize.

Last January he was called by Libby's Furniture Quiz and had a chance to win \$2195. Although Mrs. Ihne is a frequent listener, no one was home at the time of the call. They received a \$50 merchandise certificate as a consolation prize.

On September 9, he was called by Calling All Detectives and was asked, "Who was the professor in the story?" Mr. Ihne had just returned home and so he again missed out on the prize, an Admiral television set. Now instead of a new television set, Mr. Ihne must settle for a fountain pen.

When asked if he would listen to Calling All Detectives or Libby's Furniture Quiz in the future, he said, "I'm usually too busy, but I may now."

It Isn't Musical Chairs, It's Teachers Trading Offices

Because of the special teachers who come to N.T.H.S. this year and because of the many changes of offices throughout the school, it seems as though the teachers are playing a game of musical chairs with the offices.

Miss Marie Green, freshman adviser, has her office in 104 where the pay phone used to be.

The pay phone is now in the main office.

Mrs. Lou Moran, the speech correction teacher, is in 301 where Mr. Marvin Ihne had his office.

Mr. Ihne, the sophomore adviser, has moved to 115 where the office manager, Miss Agnes Harte, used to be.

Miss Harte has her office in 111 where Miss Margaret deBooy, junior adviser, used to have her office.

Miss deBooy will have her office in the old V.A. room, which is 116.

The Visual Aids room is situated in 207 since the school store has moved in driver education; and Mr. Charles Sydam, the other driving instructor, will share Room 318 where Mr. Harold Ohlson previously had his office.

Mr. Carl Johnson, the visiting counselor, is now in Room 105, but soon will with the towels in Room 20.

Mr. Arthur Ryden, the placement teacher; Mr. Leo Babcock, head of be moved to 118.

Question of the Week: Does Nilehier Star at Chez?

"Say, Wally, are you working at the Chez Paree?" This was a common greeting to Wally Popp, senior, recently.

It seems that one of the attractions at the Chez these days is "Wally Popp at the piano." Curious people have checked with him and found out that it isn't Wally or any relative of his.

If you've seen Coach Robert Mackey passing out cigars lately, here's the reason why: on September 15, a little seven pound, two and one-half ounce bundle named Mary Ann was born to his daughter, Mrs. Margaret Ann Huska of Chicago.

Coach Mackey is the first grandfather on the Nilehi faculty.

"—AND NEXT TIME TAKE
ONLY THE SUBJECTS WITH
THE THIN BOOKS"

Find Comments on Fresh

The annual invasion of freshmen upon Nilehi has led Nilehiers to make such comments as: "They get smaller every year." "How can they eat so much" and "We never acted like that when WE were freshmen."

Well, it seems that in William Shakespeare's day, they too had freshmen. This is what Will said about them:

"Are these things necessities?"

King Henry The Fourth, Act 3, Scene 1

"Come you thin thing; come you ras-cal!"

King Henry The Fourth, Act 5, Scene 4

"He is...small."

Love's Labour's Lost, Act 5, Scene 4

"Tell them to 'walk softly and look sweetly and say nothing.'"

Much Ado About Nothing, Act 2, Scene 1

"Kneel down."

King Henry The Sixth, Act. 5, Scene 1

"You are strangers."

Love's Labour's Lost, Act. 5, Scene 2

"Do with them what thou wilt."

King Henry The Sixth, Act 4, Scene 7

Measure For Measure

"I'll make them stoop and bend their knees."

King Henry The Sixth, Act. 5, Scene 1

"He makes faces."

Love's Labour's Lost, Act 5, Scene 2

"Ha!"

"If you had the job of improving Nilehi, what would be the first thing you would do?"

Bonnie Nicklas, freshman: Put in an elevator.

Charles Locke, freshman: Cut down homework for football players.

Robert Grasc, freshman: Nothing!

Catherine Niblett, freshman: Put a center staircase up to the third floor.

John Barranco, junior: Start a campaign to get more boys out for after-school sports.

Elizabeth Hamilton, freshman: Give students more time for passing between classes so we'll have less rushing around.

Jim Foran, freshman: Start freshman sports earlier.

Barbara Warkenthien, freshman: Shorten classes.

Otto Wagner, freshman: Have longer lunch periods.

Tom Matthews, freshman: Give students more time between classes.

Jeannette Lockeman, freshman: If I had the right to change Niles Township High, I would leave it just as it is.

Dads to Chaperon All Dates; This May Happen Soon

By Dorothy Hartigan

"Dad, may I borrow the car tonight?" is probably the familiar Friday or Saturday evening question in many families, but in another month, or year, the dreaded request may become instead, "Dad, do you suppose you could drive Sally and me to the movies and pick us up when I call you about twelve?"

According to the director of the traffic bureau in a north-of-Chicago suburb, a proposed bill is expected to be passed in Springfield soon, whereby a driver's license will be issued only to those who are eighteen years of age and who have the written consent of parents or guardians. Licenses of those under eighteen would be revoked.

The outcome of this problem would prove whether or not girls are those so-called hypocritical creatures who love a man only for his car.

Because Dad would undoubtedly be the victim chosen to loan his presence and skill to the driving wheel on date nights, the day might come when a new date combination would appear at school dances and social functions: boy, girl, and father. Triple dates would become the is passed, all fathers should be taken out on a trial date. "What are ya doin' order of the day. Maybe, before the law Saturday night, Pa?" will be the cry of teen-agers in Illinois.

By the way, how much would a horse and buggy cost?

Alaska, Europe, Mexico Teachers See Them All

North, south, east, or west-Nilehi teachers have covered them all during the summer vacation.

Miss Doris Tillman and Mrs. Priscilla Baker just missed a revolution in Guatemala, which might have been interesting to see but maybe a little dangerous. Miss Jean Small was in Acapulco, Mexico for over two weeks.

Miss Dorothy Lungmus and Miss Helen Heitman took a six-week trip to Europe. Miss Grace Harbert and Miss Clara Klaus were also out of the States. They took a seven-week trip through Canada and Alaska.

There were also quite a few places visited here in the United States. Miss Ada Immel went to Denver, Colorado for ten days, to visit her brother. Mrs. Dorothy Hind may not have seen Miss Immel, but they were very close. Mrs. Hind was at Mesa Verde National Park in Colorado.

Mrs. Robert Rice took a 3,000 mile trip through New England. After teaching swimming classes for six weeks, Mr. Anton Schubert needed a vacation, so he took a two-week fishing trip in Canada.

Mr. Ronald Van Arsdale decided he liked school so much that he attended Northwestern and then went up to Wisconsin and Minnesota for fishing. Mr. Leo Hoosline was also at Northwestern but he taught there for two weeks.

Miss Gertude Montgomery was head counselor at Camp Arbutus in Michigan. Deer hunting was Mr. George Adams goal, but he never got to shoot any—he forgot to get a hunting license.

Teacher Seen on Television

Being on television is not new to Mrs. Robert Rice, English teacher at Nilehi. "It's a Great Idea," a program discussing the classics, is the one on which she has appeared four or five times on WNBQ. The program is on Wednesdays at 9 p.m.

NILEHILITE

The NILEHILITE is written, printed, and published by the students of Niles Township High School, Skokie, Illinois.

FACULTY ADVISERS

Paul M. Eberhardt

Clement Meier

Club Flush

Spotlighters Club

The officers of the Spotlighters Dramatics Club held a meeting recently to discuss club activities for the coming year, according to Miss Virginia Stemp, club sponsor. This year's officers are Barbara Banghart, president; Rozsika Carroll, vice-president; Elsa Stromberg, secretary; Joan Lacey, treasurer; and Edith Brunt, business manager.

Some of the activities planned for the coming year include seeing one major stage production, joining the National Dramatics organization, Thespians, and for the first time the club will sponsor an all-school dance.

See Chicago Club

The See Chicago Club got under way with a trip to the Chicago Railroad Fair on September 28.

The next trip will be to Brookfield Zoo on October 15, according to Miss Grace Harbert, sponsor.

The club is open to all seniors and each member is required to take a minimum of five trips during the year.

Forensic Club

The first debate of the 1949-50 season for the Nilehi debaters under the direction of John L. Betts, is a tournament to be held at New Trier, November 10.

Returning debaters: John Young, Ashley Craig and Nancy Gerhardt, seniors; Allan Weissburg, Jack Nettland, Barbara Shields, Junardin Williams, Mary Palmer and Marsha Saar, juniors.

This year the state topic of debate, open to all Illinois schools, concerns the direct election of the president by the elimination of the electoral college.

Visual Aids Club

The Visual Aids Operators Club has elected Ronald Peterson and Jay Dahm, seniors, president and secretary-treasurer, respectively.

Mrs. Dorothy Hind, faculty adviser, appointed Robert Hallwacks, senior to be chief operator and John Krupka, also a senior, as Robert's assistant.

This year there are a total of 58 members.

Skokie Youth Club

Plans have been announced for the Skokie Youth Club's seasonal opening tonight immediately following the football game, by Dick Voss, president.

One of the main attractions of the evening will be Rollin Oliver's Blue Notes, who will furnish the musical portion of the evening's events.

Membership cards have been on sale in the cafeteria.

Departments Receive Added Equipment During Vacation

Nilehi has acquired much in the way of new equipment over the summer. All sports-minded boys should appreciate the new heat lamp for those "charlie horses." The track men will be decked out in their new blue track uniforms.

The swimming team was not forgotten, for they will swim in the new orange swimming trunks at the meets this year.

The pool will really be colorful this year, for when the boys aren't occupying the pool, the girls will be swimming in bright red suits.

For the last few years the science department has been trying to get a skeleton for use in all the science classes, and now it has arrived. So far the structure has not been named but Mr. Charles Hussey is waiting for suggestions.

The business department wasn't forgotten either, for they acquired two new machines, a Burrough calculating machine purchased by the school board, and a Burrough bookkeeping machine given to the school by the First National Bank of Skokie. The department is also planning on new typewriters in the future.

Nilehi Beauty Wins Contest; Feted at Dinner, Interview

She's "5 feet 2, eyes of blue;" that's Violet Kubany, Nilehi junior, who has recently been chosen as one of six of the most beautiful 15-year-old girls in the Chicago area. She was chosen out of 400 contestants in a contest sponsored by Lux Radio Theater and Radio Station WBBM.

Pictures of Violet and the other winners will be on display in and around Chicago. The public will vote on the winner in a contest being held from October 17 through November 14. This winner will compete in a national contest.

These six girls were entertained at the Pump Room of the Ambassador East Hotel on September 22, along with Keen Teen representatives from their schools. Barbara Kokum and Joyce Swartz were present from Nilehi.

An interview with Marie Wilson, of "My Friend Irma" fame, was also scheduled by the Chicago DAILY NEWS. Miss Wilson is now appearing at the Chicago Theater in her latest movie, "My Friend Irma." Her performance in "Blackout," which ran for five years, is the record for a legitimate play.

An interview with Herold C. Hunt, Superintendent of Chicago Public Schools, held earlier in the week, was also attended by Barbara and Joyce. At this time Dr. Hunt expressed his vigorous approval of student government, believing it leads to greater appreciation of responsibility.

Trojans Battle West Aurora Here Tonight

Out of the Helmet

Coach Harold Isaacson, athletic director of Nilehi, chooses the officials for all inter-scholastic games played at Nilehi from the Central Officials Association of America.

The officials like to come to Niles because of our nice school and the good sportsmanship of the student body. "Let's keep it that way for the '49 - '50 season," Nilehi coaches say.

Tryouts for the synchronized swimming groups were held last Tuesday, September 27, in the Nilehi pool. Miss Gertrude Montgomery, physical education instructor, asks that all girls interested in participating in the 1950 Water Carnival come out and join the class. The class will meet every Tuesday after school for the next five weeks.

Freshman boys will be working for their beginners card in swimming, while sophs work for their swimming cards, and juniors and seniors work for their Senior Red Cross cards, reported Anton Schubert, swimming coach.

Marilyn Reiland, senior cheerleader, who has recently been elected captain of the squad, has served on it for four years. Other senior cheerleaders are Jane Bastow, Shirley Timberg, and Doris Lyde, all new on the squad, while Violet Kubany, Joan Andrews, both juniors, are returning for their second year.

G.A.A. after-school sports program is off to a great start, reported Miss Helen Heitmann. Badminton and soccer will be the highlights of the season.

After playing two games, the Nilehi frosh football squad of 50 members has just had a taste of their tough schedule, reported coaches James Phipps and Anton Schubert.

Four of these five games will be with arch-rivals of the old Northeast Conference, Arlington, Leyden, Woodstock (now of the North Suburban Conference) and the fifth opponent will be an old time Suburban League rival, Evanston.

Bill Bruce, (class of '49) who is now attending Drake University, has been reported doing very well in cross country. While at Niles, Bill was a varsity trackster, and was showing promise of being a good half-miler, according to Charles Hussey, varsity track coach.

Did you ever wonder how many gallons of water it takes to fill the swimming pool? According to Mr. R. L. Mackey, head engineer, it takes 100,000 gallons.

G. A. A. Cheering Squad Builds Up School Spirit

At a G.A.A. Board meeting recently, Joyce Baumann, junior and treasurer, suggested that the G.A.A. organize a cheering squad "to help build up school spirit." The Board agreed and it was decided that membership would be limited to G.A.A. members only.

The cheerleaders and Miss Gertrude Montgomery, girls' physical education teacher, agreed to help the girls in all ways possible.

Coaching Staff Is Increased to Eight

The Niles Township High School coaching staff has been increased to eight this year. The two new members are Mr. Leo Hoosline and Mr. Arthur Ryden, who has returned to Niles after a year's post-graduate study.

The coaching staff is headed by Mr. Harold Isaacson, Athletic Director and head football coach. Mr. Robert Mackey is sophomore football coach, varsity basketball coach, and freshman baseball coach. Mr. James Phipps is varsity baseball coach, sophomore basketball coach, and coach of the freshman football team with Mr. Anton Schubert as his assistant. Mr. Schubert is Nilehi's swimming coach and also has charge of the junior baseball team.

The varsity track coach, Mr. Charles Hussey, also serves as freshman basketball coach and assistant varsity football coach. Mr. Thomas Kiviluoma, the Nilehi golf coach, is coaching the cross country men this fall.

Mr. Ryden is assistant sophomore coach in football and will assist Mr. Hussey with track in the spring. Mr. Hoosline is also assisting Mr. Isaacson in varsity football and will assist Mr. Phipps with sophomore basketball and will have charge of sophomore baseball.

NILEHI'S '49 FOOTBALL SCHEDULE

Varsity Coach, H. Isaacson	
Sept. 30	here 8:15 p.m. West Aurora
Oct. 7	there 8:00 p.m. Belvidere
Oct. 14	here 8:15 p.m. Morg. Pk. Mil.
Oct. 20	here 8:15 p.m. Arlington
Oct. 28	here 8:15 p.m. Leyden
Sophomore Coach, R. Mackey	
Sept. 30	here 6:15 p.m. West Aurora
Oct. 7	there 6:00 p.m. Belvidere
Oct. 14	here 6:15 p.m. Morg. Pk. Mil.
Oct. 20	here 6:15 p.m. Arlington
Oct. 28	here 6:15 p.m. Leyden
Freshman Coach, J. Phipps	
Sept. 30	there 4:00 p.m. Evanston
Oct. 13	here 4:00 p.m. Leyden
Oct. 20	here 4:00 p.m. Arlington
Oct. 28	here 4:00 p.m. Evanston
Nov. 4	there 6:00 p.m. Woodstock

Varsity Wins One, Loses One Trojans 19 - Amundsen 6 Trojans 6 - Steinmetz 7

The Nilehi Varsity Trojans will meet West Aurora tonight, September 30, at 8:15 p.m. under the lights at the Niles field. The Men of Troy will be out to avenge a 25 to 13 defeat last year by West Aurora.

West Aurora has a number of veterans returning from last year's team, which won the Big Eight Conference championship. Already West High has registered two victories in the 1949 campaign. In the season's opener West High edged a strong Naperville team by two points. Last week West Aurora beat De Kalb by an impressive score of 25 to 13. West High has been given a good chance of repeating as conference champs by many sportswriters.

The Nilehi Frosh-Soph gridmen, like the varsity, face West Aurora tonight with a record of one win, one loss. The little Trojans won their first game September 16 by a 6-0 score against Steinmetz. They lost their second game, 13-6, against Amundsen Friday night, September 23.

Girls Act as Stooges For G. A. A. Initiation

The informal initiation for all new members of the G.A.A. was held Friday, September 23. Each "stooge" wore clashing clothes, straight hair, no make-up, no bobby pins, and a sign with her name printed on it.

The girls remained after school for an hour of tricks and stunts which included three-legged races, shoe hunts, relay races of various types, and other funny pranks. According to the G.A.A. Board a "good time was had by all."

Cindermen Prepare For '49 Schedule

The Niles Township High School 1949 Cross Country team, coached this year by Mr. Thomas Kiviluoma, is getting under way. There are four returnees from last year's squad: Ed Buerk and Don Brock, seniors; Ken Nordlof and Roger Oslund, sophomores.

Other squad members are Jim Johnson, Dick Swanson, seniors; Eugene Alback, junior; Greg Wold, sophomore; and three freshmen—Ralph Fjellman, Harry Bextel, and Russell Matson.

Although the schedule for the season is not complete, the meets already lined up are:

Sept. 30	Proviso	There
Oct. 14	Oak Park	Here
Oct. 21	Conference meet	Oak Pk.
Oct. 29	District	
Nov. 5	State
