Join us for remembering

Mr. Richard Hashagen spent much time in the west and knew the country well. Last summer while hiking in the Colorado country that he loved, he was involved in a fatal accident.

Mr. Hashagen began teaching at Niles North in 1968. Besides teaching Speech and freshman English, he also coached soccer and assisted in theatre. He received degrees from the University of Wisconsin in Milwaukee and Northeastern Illinois University in Chicago. He was an accomplished mountain climber, hiker, skier, and skin

diver. Mr. Hashagen's poetry has been published and as an artist he specialized in drawings of unique and interesting houses.

During his teaching career, Mr. Hashagen touched the lives of many people. Students, fellow teachers — everyone he came in contact with remember him as a kind and sensitive man. His devotion to teaching, his enthusiasm for life, the laughter and sense of fun that he brought to school every day are his gifts to us.

A year to listen to the sound
Of laughing men & laughing women.
To listen to the sound
of a mourning wind
Carressing a canyon wall.

Richard Hershagen

O Death, Where Is Thy Sting

"I HAVE A RENDEZVOUS WITH DEATH"

I have a rendezvous with Death
At some disputed barricade,
When Spring comes back with rustling
shade
And apple blossoms fill the air.
When Spring trips north again this year
And I to my pledged word am true,
I shall not fail that rendezvous.

Alan Seegar (1888-1916)

Life cannot be measured by the years of one's life but rather in the way those years are used to their greatest potential.

Maureen L. Armbruster, who was killed in a tragic accident on April 1, 1978 will be remembered for all that she accomplished in her short lifetime.

Miss Armbruster was born in Evergreen Park, Illinois on February 3, 1941. She attended St. Agnes Catholic Church elementary school and graduated from the Academy of Our Lady High School in 1958. She received a Bachelor of Arts degree in 1962 from Alverno College in Milwaukee, Wisconsin.

Her graduate work was completed in English and journalism at a number of universities including the University of Wisconsin at Madison and Marquette University of Milwaukee. Her teaching career began at a high school in Greenfield, Wisconsin where she taught from 1962 to 1966.

Since 1966, Niles North was privileged to have Miss Armbruster for an English and journalism teacher. She taught all of the news writing, news editing and newspaper production classes in addition to freshman English and composition classes.

As adviser of the North Star for 12 years, the school paper received an "All American" rating from the National Scholastic Press Association for every semester it was published. Miss Armbruster also was the school yearbook adviser until 1973.

This summer, Miss Armbruster was planning to be one of the chaperones for the foreign exchange program in Ahlen, West Germany.

As long as the memories of Maureen L. Armbruster are preserved, she will continue to live on through the work of those whom she inspired. We are privileged and fortunate to have known her.

O Grave, Where Is Thy Victory? I Corinthians 15:55

The North Star lost more than an advisor with the tragic death of Miss Maureen L. Armbruster; we lost a friend.

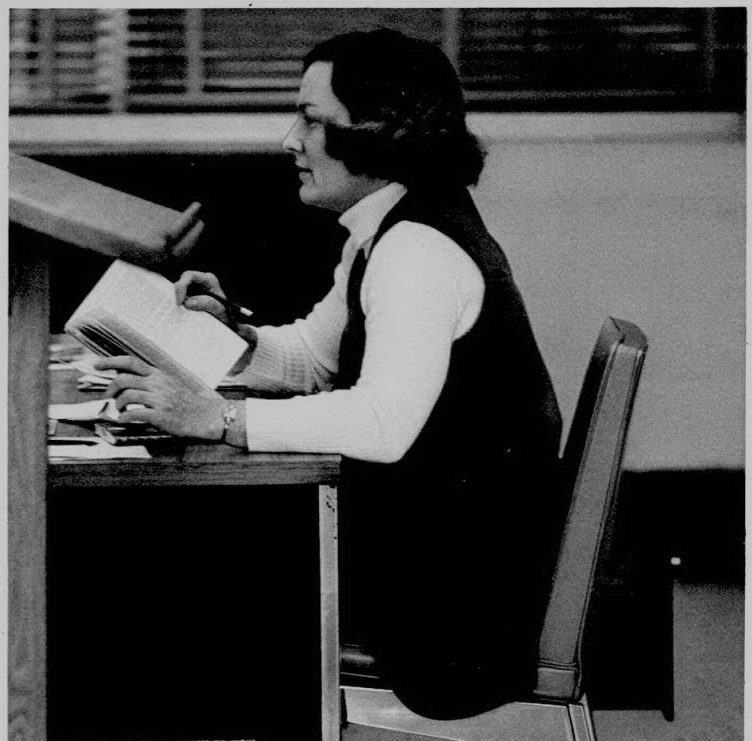

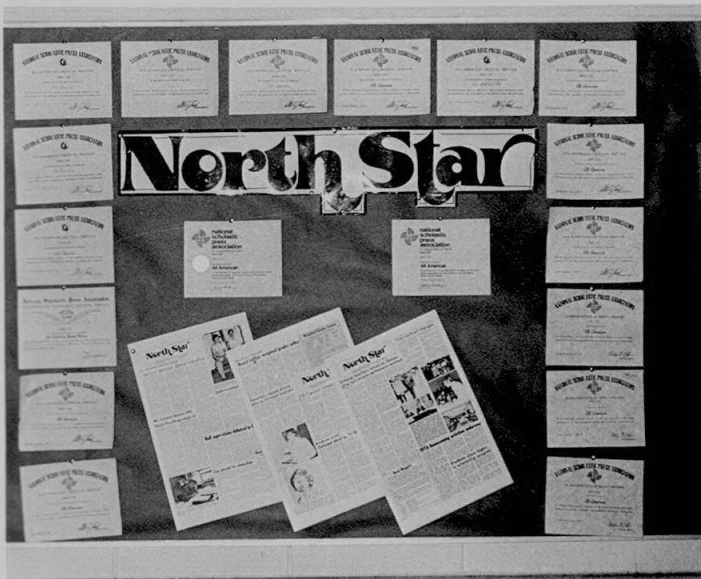

Miss Armbruster took great pride in the North Star and she instilled that same sense of pride in her staff. Miss Armbruster strove for perfection in the North Star. She was able to get that extra bit of effort out of her staff members that meant the difference between a good paper and an "All American" one.

She gave staff members a tremendous amount of freedom, even when it meant subjecting herself to the anger of the administration.

But more importantly, Miss Armbruster was a friend to those who worked with her. Her office door was always open and everyone knew that it was a place where they were welcome, be it for advice or just a friendly conversation.

Th^e special love that Maureen Armbruster put into everything she did can never be forgotten or replaced. We will miss her greatly.

"Leaves have their time to fall,
And flowers to wither at the northwind's breath,
And stars to set — but all,
Thou hast all seasons for thine own, Oh Death.
We know when moons shall wane,
When Summer birds from far shall cross the sea,
When Autumn's hue shall tinge the golden grain —
But who shall teach us when to look for thee?"
----- 18th century English poet

COACH OF THE YEAR

Coach John Cress has retired as Head Gymnastics Coach after a twenty year career at Niles Township High Schools. His coaching skill has produced winning gymnastic teams year after year and has led Mr. Cress to be selected "Coach of the Year" by the High School Coaches Association and to be inducted into the Coaches Hall of Fame.

Mr. Cress began coaching at Niles East in 1958. He later transferred to Niles West and started their first interscholastic gymnastic team in 1961. When Niles North opened in 1964, Coach Cress accepted the job as our head gymnastics coach. John Cress has led out teams to six conference championships and several district championships. Last year, with the aid and encouragement of Coach Cress, our gymnastics team won sectionals and placed third in Illinois State Competition.

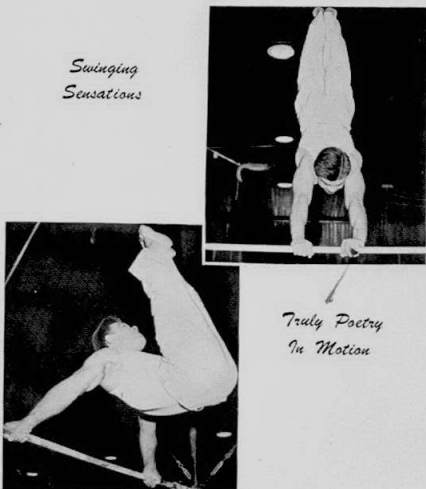

Senior gymnast Frank Mack said, "Not enough can be said about Coach Cress. He has coached some of the greatest Niles North athletes ever. We greatly appreciated his hard work and dedication. It was an honor to end his coaching career with the third place finish in state. We also took great pride in having him in the Hall of Fame."

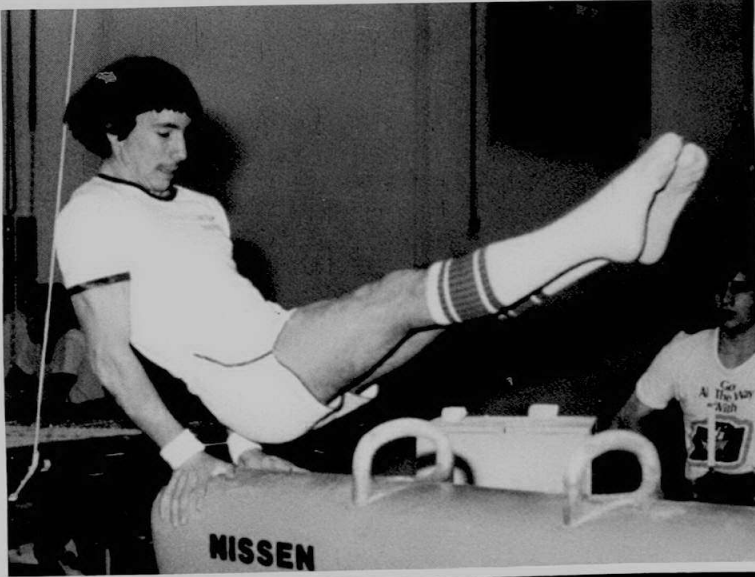

Coach Cress himself was the NCAA champion in 1939 and tried out for the Olympic team in 1948. He entered the Air Force where he coached boxing, swimming and volleyball. After the military he utilized his talents of acrobatics in vaudeville and the circus until Cress came to Niles Township.

Coach Cress had a great amount of enthusiasm and dedication to gymnastics. Junior Rich Heiman felt "it was an honor to be coached by John Cress. He will miss coaching as much as we'll miss having him as a coach."

1977-78:

... In January James Carter was sworn in as the 39th President of the United States. President Carter has a unique human rights stand which he has incorporated into official United States foreign policy. He was also the first to bring negotiations into the White House. Not all has gone well during his term, however, for he has been plagued with the longest strike in U.S. history.

... President Carter was very influential in bringing President Anwar Sadat of Egypt and Prime Minister Menahem Begin of Israel together for peaceful negotiations concerning the problems in the Middle East. These unprecedented peace talks were one of this year's major developments in terms of human relations.

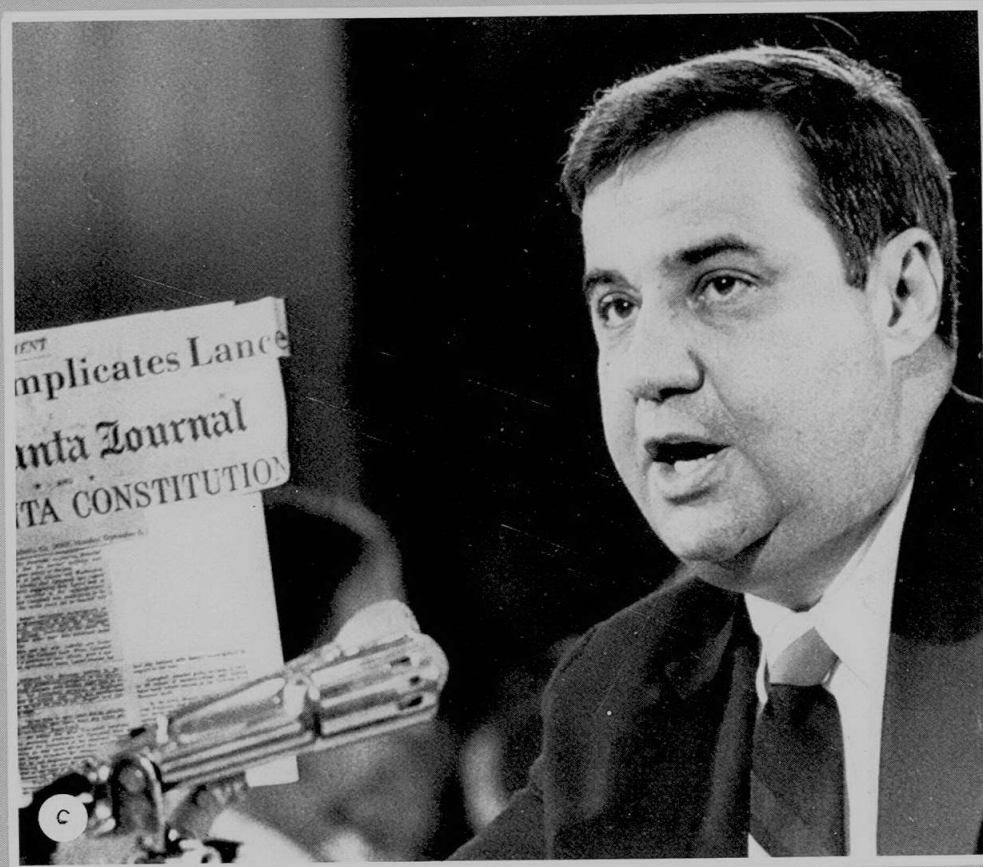

... The Carter Administration was not without a scandal. Bert Lance was accused of improper procedures in his personal banking. The appointed budget director was later forced to resign under pressure of investigation.

... Minnesota Senator Hubert Humphrey, the 'Happy Warrior', died on January 13, 1978. He was considered one of our greatest statesmen. Humphrey was a spokesman for civil rights long before it became popular to advocate civil rights. He also championed the cause of working people by initiating social legislation in Congress. Not only did we lose an outstanding Senator, but we lost some of the best entertainers. We will never forget the impact of Charles Chaplin, Bing Crosby, Groucho Marx, Elvis Presley, and Freddie Prinze upon the world of television, movies, and music.

A: Israeli Prime Minister Menahim Begin and Egyptian President Anwar Sadat meet for Christmas Summit talks.

D: President James Earl (Jimmy) Carter.

B: Prince Charles during his visit to Chicago.

C: Mayor Bilandic and Commissioner Jane Byrne during the taxi cab dispute.

D: Luke Skywalker (Mark Hamill) in a scene from the motion picture hit "Star Wars".

NEWS...LOCAL NEWS...LOCAL NEWS.....

1977-78:

... Charles, Prince of Wales visited Chicago, which was one of the stops on his goodwill tour. He was greeted by Mayor Bilandic and other local dignitaries who gave a banquet in his honor. Afterwards, Prince Charles was taken to see the city and talk to the people who were impressed with meeting a real prince.

... Although only in his first year in office, Mayor Bilandic has already been involved in a scandal. It has been charged, Bilandic illegally raised the fares of Checker Cabs. Jane Byrne, Commissioner of Consumer Affairs, Exposed the scandal, and by doing so, lost her job. Although, the Checker Cab Company scandal has been investigated for some time, it has not yet been resolved.

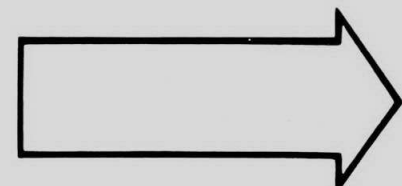

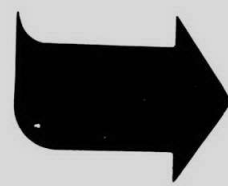

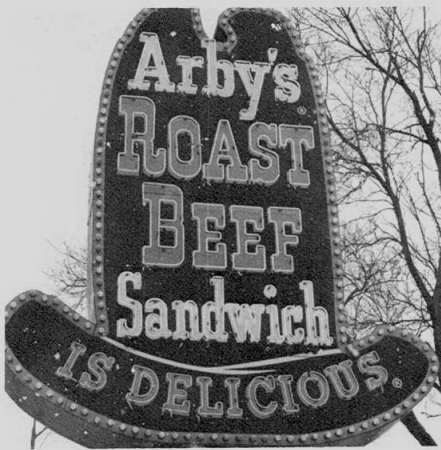

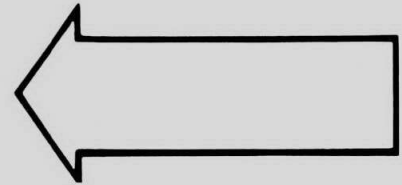

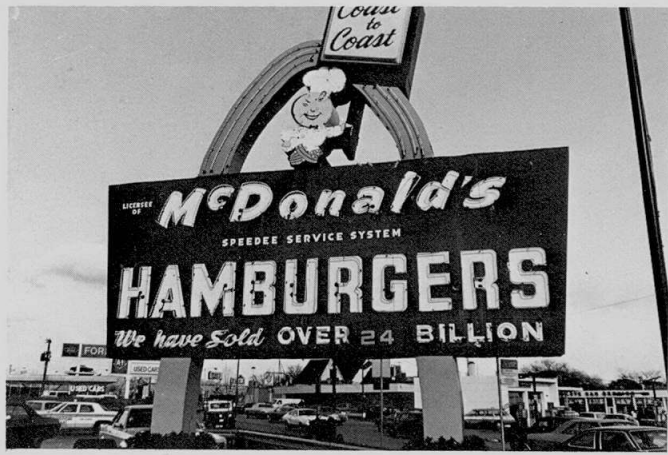

... The science fiction "fad" has returned, thanks to the box office smash "Star Wars". In a matter of a few months, "Star Wars" had made millions. It is now the top grossing movie in the film industry. "Star Wars" appeals to everyone with its spectacular special effects and thrilling action.

... For the first time in 15 years, the Chicago Bears made the play-off game against the Dallas Cowboys. A major factor in the Bears making the play-offs was Walter Payton. He came very close to breaking O.J. Simpson's record for rushing in a single season, but fell 201 yards short. However, Payton did break O.J. Simpson's record for rushing in a single game. For these achievements he was voted the National Football League's most valuable player.

Students Go:

Love is a feeling to learned.
It is tension and fulfillment.
It is deep longing and hostility.
It is gladness and it is pain.
There is not one without the other.
Happiness is only part of love-
this is what has to be learned.
Suffering belongs to love also.
This is the mystery of love, its beauty
and its burden.
Love is a feeling to be learned.

Because of problems early in the season and a lack of dedication, we didn't live up to our potential this season. But despite disadvantages we still had a fairly good season.

Marc Miller

I feel that the wrestling team is improving every year. I owe much of my own success to Coach Browning for his dedication as a coach. I think that the only reason Niles North doesn't have a good wrestling team is because of laziness on the part of the students.

Once again I believe that this years swimming team proved to be the hardest working athletes at North. However, I feel that the swimming team doesn't receive the recognition they deserve. Games are exciting, fun and challenging. They keep us alert, interested, teach us to interact with others, and prepare us for the 'big game' of life. They can mean love, happiness, or victory to the players. Through these and other 'games people play' we learn to live with ourselves. We are then able to cope with the happiness and sadness in our daily life. This constant discovery of ourselves through all our games during high school leads us into "becoming more and more what one is, to become everything that one is capable of becoming."

Producing a yearbook is an exciting experience. The ideas we invent are designed onto layout forms and mailed to the printers. Proofs are then sent back to us to be checked, and are finally featured in our yearbook. Not only was constructing Saga '78 an honor, but it was also rewarding to work with a creative and special staff. Hopefully we can look back upon Saga '78 in 20 years and remember special moments which were woven into our high school years.

Mr. Carey, our advisor, and Ms. McGuinness, our assistant advisor, must receive our very special thanks for their patience, understanding, and guidance. Mr. Dennis Eder, our American Yearbook Company Representative, was also of tremendous help and always seemed to come by at crucial times. Mr. Hal Cress and the Audio-Visual Department were co-operative in allowing us to use their darkroom, and Mr. John Cress also aided us by providing pictures. Jeff Spungen, whose beautiful pictures are shown throughout the book, must also be gratefully acknowledged for supplying us with what we needed.
