

TO THE CITIZENS OF SKOKIE

FROM THE CITIZENS OF SAN FRANCISCO BAY AREA

Our hearts and our thoughts are with you as you meet the challenge of living in a democratic society, and continue to uphold the ideals of brotherhood and freedom.

— We too protest the preaching of hatred.

— We too reject the preaching and practice of violence.

— We too reject the idea that people are "inferior" because they worship in a different way or because their skin is a different color.

— We stand beside you and affirm the concept of democratic pluralism which has built America; which has welcomed all of us to this land from the far-flung corners of the globe; and

— We stand beside you and will work to strengthen this country so that the seeds of racial and religious discord symbolized by the swastika will wither and die.
