## *His Message*

The future of any nation is dependent upon the young people of that nation, and America is blessed with having a group of young people who are equal to the tasks which are ahead of them. Through four years of high school we have provided you with opportunities to work and study together; and with situations where you could practice good citizenship and gain experience as the future leaders of your community. Whether we have succeeded or failed in these attempts can be read in the history of America tomorrow. We have no hesitancy in trusting that future to you. We know that your training in the basic fundamentals which have made our country great has been good and we know that history will bear out the high expectations which we have for you.

To the Board of Education:

The class of 1953 wishes to thank the Board for its untiring efforts in making N.T.H.S. a school of which we can be justly proud.

**William Warren Meyer**

**Clarence W. Payne**

The Board of Education of Niles Township Community High School is justly proud of the school, the faculty and the graduates.

From Colleges and Universities around the country comes the very welcome message that our people do well in competition with those from other High Schools. That speaks well for our school and its graduates, regardless of whether they continue their education in College or go directly to some job.

Congratulations and Best Wishes to the Class of 1953.

W. C. BORNEMEIER, M.D.

## Class Advisers

We indeed owe a vote of thanks to our advisers.

In addition to their various teaching, administrative and counseling duties they have found time to sit in on the various student governing bodies and be a friend to everyone.

Their friendliness and genuine concern with the problems that face the student body have been gratefully accepted and sincerely appreciated.

# History of the Class of '53

Remember how you felt the first time you stepped into the new, unfamiliar halls of Nilehi? Remember your first class and how foolish you felt when you had to ask where to find a certain room? Remember the first pep assembly? The first game! The Homecoming Snake Dance and the big bon-fire that followed!

I know these are things I'll never forget. How about you?

Say, do you remember our class officers that year? They were Dave Hagenow, Jacquie Marshall, Lois Conners, Ginny Jacobson, Joyce Western, Frank Gutowsky, and Dick Rosenberg.

We certainly had a lot of fun our freshman year, but time does move on and soon we began the new fall term as sophomores.

Marlene Milazzo, Joe Duenser, Lauralee Lammersfeld, Carol Wolter, Leanne Walrath, Louis Turcany and Carol Wise were elected our class representatives, and everyone settled down to another eventful year. Remember that year's highlights? There were the first Reflections in two years, football and basketball games with our own class represented, first Homecoming Parade, and many more things that should bring back memories.

In the fall of '51 we elected our representatives to the Junior Council. They were: Carol Cox, Ray Kittredge, Diane Von Eitzen, Bill Below, Jerry Weissburg, Marv Farwell and Caroline Puechner.

This was really an eventful year. The Code of Ethics was adopted and we chose a new school crest which symbolized the ideals expressed in the Code. And how many students can forget our "Cinderella" basketball team winning the Regionals, or the Junior Prom, or the spring trip, when we went "a-travelin'" to Washington with thoughts of giving the President a little advice.

We surely had fun as "upper classmen," and our class ranked high scholastically too. Eleven Juniors were inducted into the National Honor Society and Kay Baumann and John Kruger received the Hi-Y Citizenship Award.

And then all too suddenly we were seniors. With a little more thought and deliberation we looked over our classmates and chose Dick Meyer, Lois Peterson, Jim Saine, Marilyn Scheel, Frank Gutowsky, Kay Baumann and Roger Otte as our class officers, while a lot more of our friends were elected to head various school activities. Chuck King and Bob Merrill headed our class scholastically.

During the first few weeks of September we felt almost as confused as freshmen. A new school program was put into effect and we had to get used to a longer school day and more class periods. But soon that was taken under control and we worked out and put into effect a new Monitor system and had the first all Senior Class Trip.

Winter came and ushered in a string of parties, mountains of homework, hundreds of activities and loads of fun.

A new Student Council was proposed and its Constitution was ratified.

Then suddenly it was spring. Seniors began to look more alive, a little more vibrant as if they were waiting for something. And they were, graduation was approaching.

Now there are only a few days left. Only a few days to look at Niles and your friends and your teachers as only a student can. Soon that magic word, "Graduation," will have transformed the common student into a man or woman of the world.

We have many years ahead of us with which to build our own idea of happiness and success.

We may travel in the light of success or the darkness of failure, but wherever our paths may lead, we will always remember our school and the class of '53.

## Class President and Message

We, the class of 1953, are happy to have completed our past four years of academic requirements. Yet we regret that our graduation marks the end of our association with Nilehi.

Our school has meant more than the building, classrooms, and comfort of a place to learn. It has given us the opportunity to participate in athletics, concerts, plays, water carnivals and other extra curricular activities. The memories of homecoming festivities, Christmas carols echoing through the halls and the school dances will remain dear to us.

The priceless friendships of students and members of the faculty will be highly regarded in future years.

We are indebted for the guidance given us by our teachers, coaches, advisers, and our superintendent.

As we return to the campus in years to come, may Niles Township High School be proud of the class of 1953.

Above all let the true spirit of Nilehi endure through life's victories and defeats.

DICK MEYER

## *Junior Council*

It certainly was fun coming back to school in September, knowing that we were "upper classman." It seemed funny at first, to be rubbing elbows with the seniors, but that is what we have been waiting for, for the past two years.

In September we elected our representatives to the Junior Council and just a month later came that all-important event of ordering our class rings. Before we knew it, spring time rolled around, and in March we were off to New Orleans. In June we again sponsored the annual Junior Prom.

Now it is the end of our Junior year. In a few days the seniors will graduate, leaving the school in our hands. It's a big job, being a senior, but we have had a lot of good tutoring and experience. We certainly hope we can make our senior year as wonderful as the Graduates have made theirs.

## *Sophomore Senate*

This year the class of '55 emerged from a group of bewildered "freshies" into confident, well informed sophomores.

We felt wonderful, coming back in September, knowing that there would be a class below us—a class that would be just as "green" as we were last year.

We chose our representatives to the Sophomore Senate in September, and began to realize that another year added a great deal more responsibility. But that extra year has added even more—our own football and basketball teams, more activities open to us, and even more opportunities to advance scholastically, athletically, and socially.

Now that we have almost completed our second year at Niles, we can say, with even more conviction than ever, that we have a wonderful school and a wonderful class, and we will work hard to keep up our good reputation.

## IN MEMORY OF SHERWIN BROWNSTEIN

These words, written in memory of Sherwin Brownstein by a close friend of his, express, for the entire student body, their deep feeling of friendship for the boy who was loved and admired by all.

### "My Buddy"

This composition is written about one of the best guys I've ever known. He had a heart of gold, and always tried to help some one out. This kid had one of the best personalities I've ever seen. Maybe he wasn't the smartest kid, but he had real talent. He could talk anyone into anything. You could always see him walk around school with his chest out, and his head high. He was a good natured guy, and was always "Johnny on the spot" when you needed help.

Around school nobody knew much of his home life, but we were pretty close and I knew his parents very well. He always respected his parents, and was very close to his grandmother. I don't think there was one student at Niles who didn't know Sherwin Brownstein. He was loved by everyone who ever associated with him. And I'm sure his memory will stay in the hearts of the kids at Niles for a long time. I can truthfully say he was really "My Buddy."

Seated, from left to right: Ken Walters, Darryl Bach, Lenny Muressi, Nancy Keppeler, Lynn Eisard, Dave Karas. Standing, left to right: Miss Green (adviser), Judy Johnson, Anita Hansen, Bob Bacon, Dan Holmes, Jim Voight, Chester Middaugh, Mrs. Schwab (Adviser).

## *Freshman Board*

Well, here it is the end of our freshman year, and we've hardly had a chance to catch our breath since September.

Who would have thought that our first year at Niles could be so wonderful and exciting.

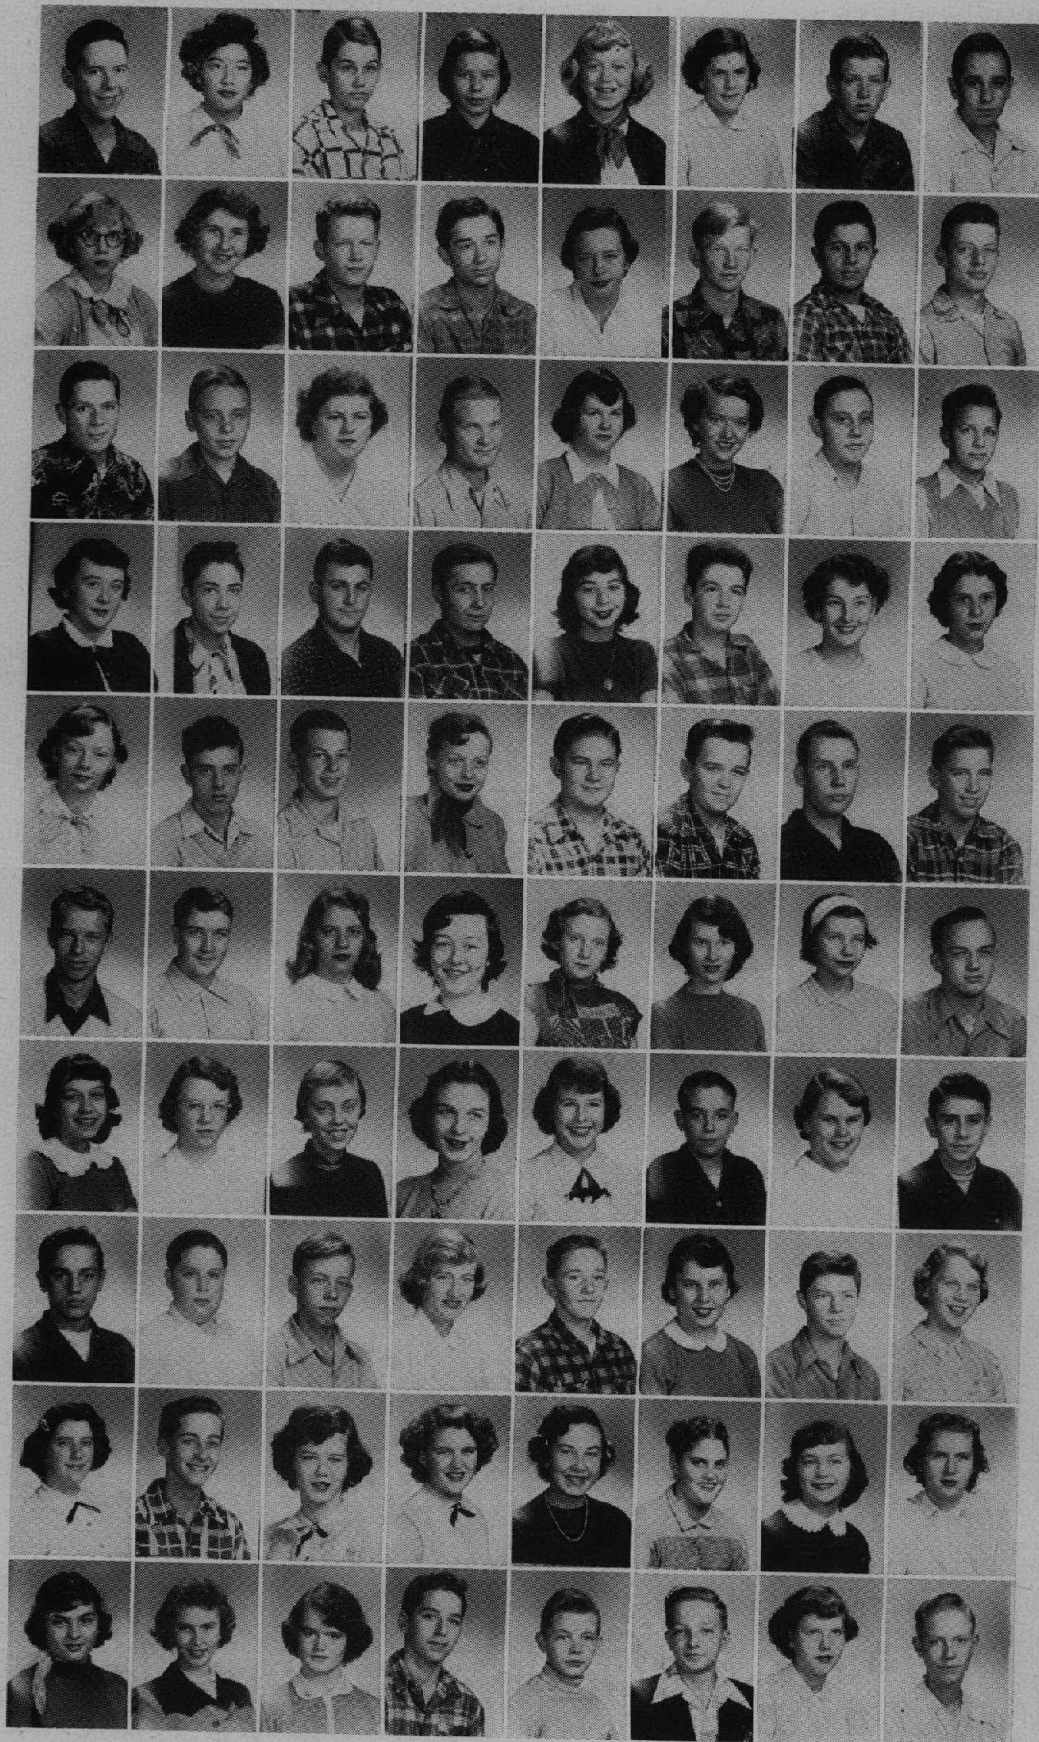

As soon as we settled into the routine of high school life, we discovered the many activities that were waiting for us. And you can be sure that we wasted no time in becoming active in them.

In September we chose our representatives to the Freshman Board of Advisers, saw our first football game, and stared with awe at the female members of our class being initiated into the G. A. A.

Now that our freshman year is almost over, we can look back over past experiences and perhaps even forgive the upper-classmen's practical jokes. (Say, maybe we can sell our elevator passes to next year's "freshies.")

Seriously, we loved every minute of this, our first year at Niles, and we know that we shall never forget it.

## National Honor Society

Friday, April 10, excitement ran high in the halls of Nilehi. Invitations were being given to the new electees of the National Honor Society.

The induction ceremony took place in the gymnasium. Each new member received a rose, a pin, and a certificate stating that he was officially a member of this coveted society.

## Thespians

Having put on their last play, counted all the points, and taken care of the induction ceremony, these busy Thespians are able now, to take their well deserved rest.

First Row, left to right: Jacquie Marshall, Miss Virginia Stemp, sponsor; Barbara Simpson, secretary; Ralph Fjellman, vice-president; and Jeanne Pilkington, treasurer.

Second Row, left to right: Kathlyn Clavey, Helen Schwin, Elyse Rohden, Shirley Magden, Joanne Bruland, and Joy Raven.

Third Row, left to right: Mary Lou Troyer, Sandra Malecki, John Pearson, Dick Pick, Leanne Walrath, and Anne Hickey.

"Oh, how sweet."  
"Isn't that lovely." "Just think, our Ellen is getting married." The three old maids view the finished product of their work on "Operation Husband" as Alexander proposes.

"I just won't be able to take another one." That's Cornelia Otis Skinner speaking, but it isn't the opening night she can't stand, it's the many friends and admirers she seems to have acquired suddenly.

Seeds of suspicion were sown quite liberally in the one act play of the same name. Tension ran high until the final scene revealed the real murderer.

## Spotlighters

Once again this group is "in the spotlight." The Spotlighters have been a busy group this year—rushing potential members, sponsoring the Valentine's dance, and ending the year with the impressive initiation of new members.

Seated, left to right: Leanne Walrath, vice-president; Miss Ruby Marr, sponsor; and Jeanne Pilkington, president. Standing, left to right: Kathlyn Clevey, secretary; Barbara Simpson, Dick McCandless, Elyse Rohden, and Ralph Fjellman.

Ah! the finished touch, a beautiful bride and a harrassed father. Oh well, as we all know, everything turned out just fine.

It looks as if there is some disagreement between Carolyn Jenks and Dick Pick in this scene. Could it be because daughter has gone and gotten herself engaged to "a man we don't even know?"

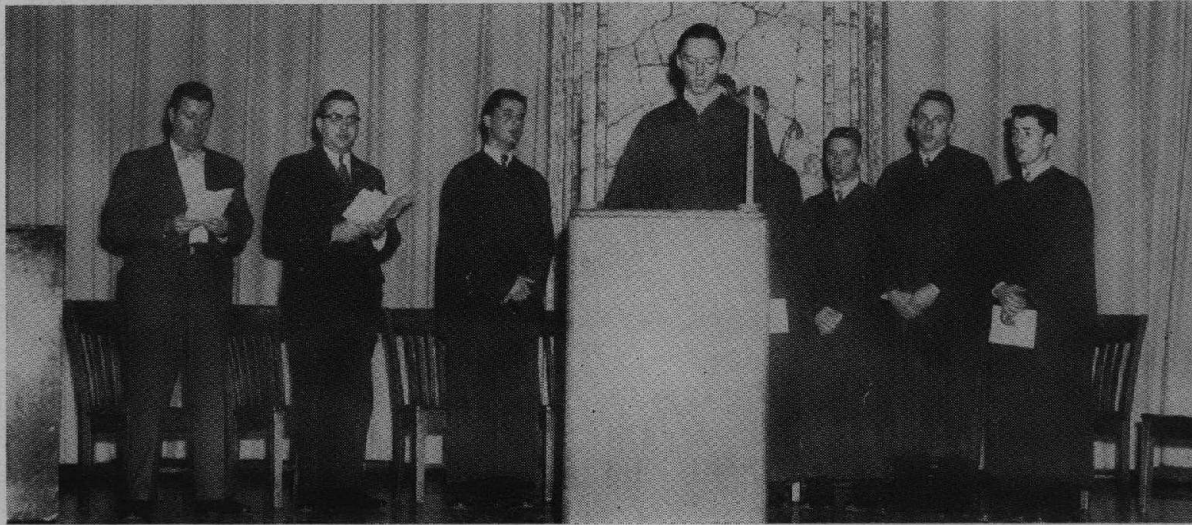

"There's a lot more to putting on a play than acting," is what this group of hard working students will tell you. Props have to be set, lights fixed, and everything has to be put in readiness for a real hit.

## Constitutional Committee

Nilehi organized its first Student Council this year. The class cabinets chose six people to plan and write the constitution for the council. These people with Miss deBooy and Miss Green, spent many hours writing the constitution. They used the "Handbook of Student Councils" as their guide.

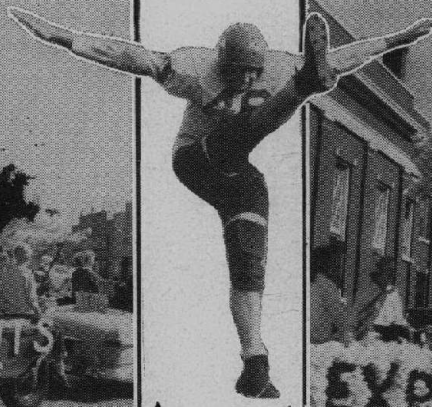

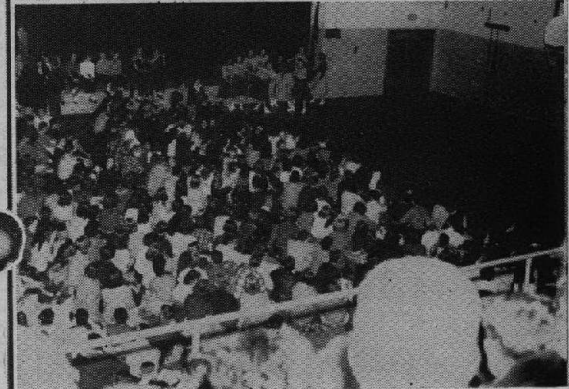

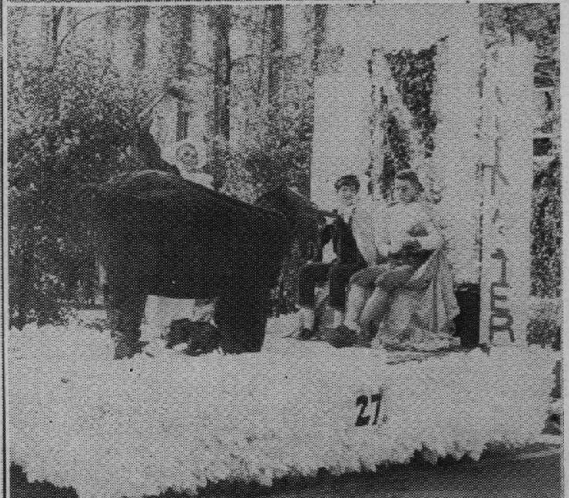

When the constitution was finally finished it was presented to, and revised by the four classes. After amendments were made, the entire school voted on it and the constitution was adopted.

The people who worked on this first committee were: Standing, left to right: Miss Margaret deBooy, sponsor, Don Jefferson, Bob Drake, Tim Sickinger. Seated, left to right: Barbara Berner, Kathlyn Clavey, Ronald Kruchten.

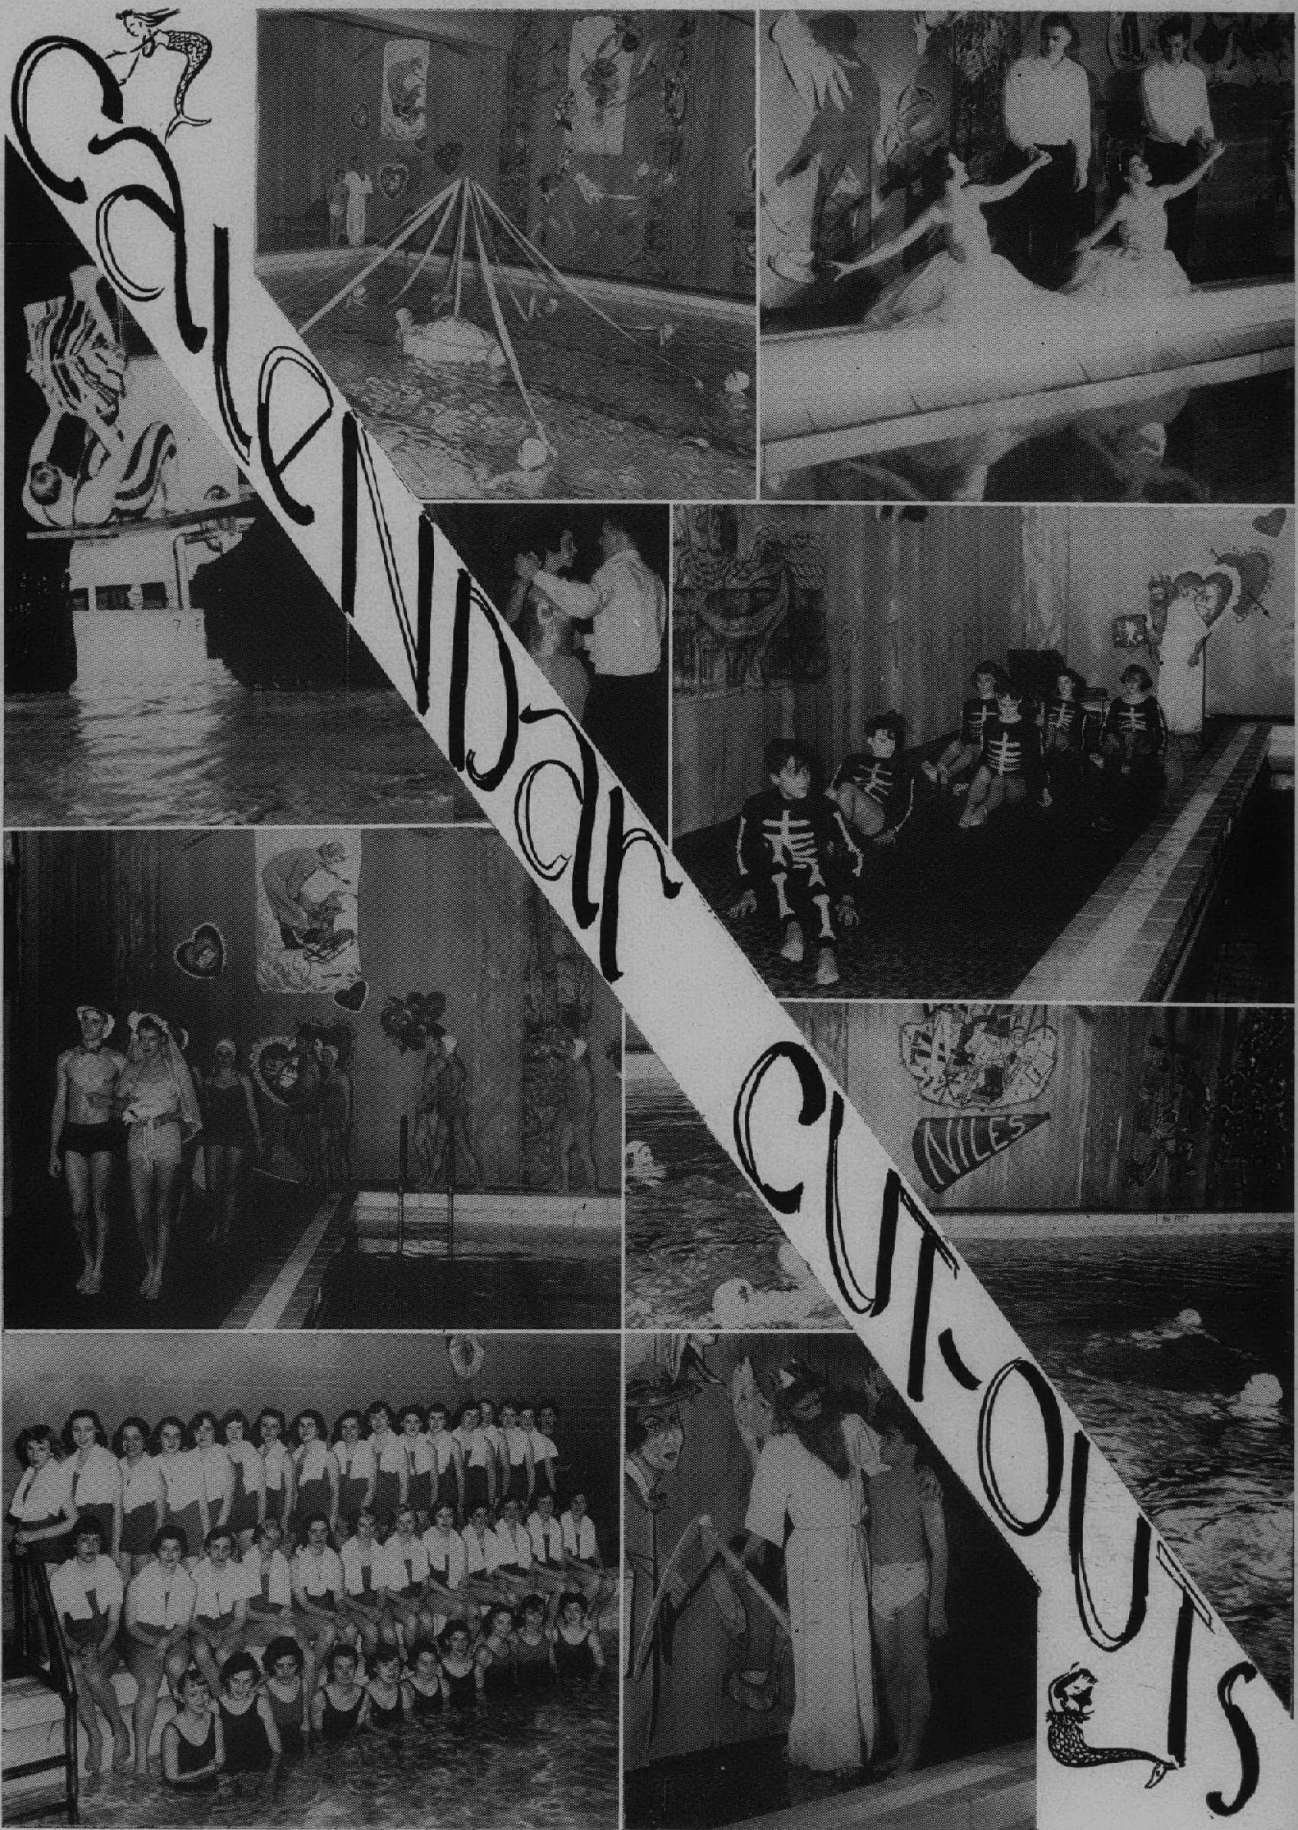

## Student Council

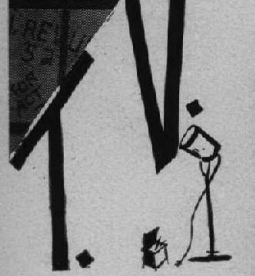

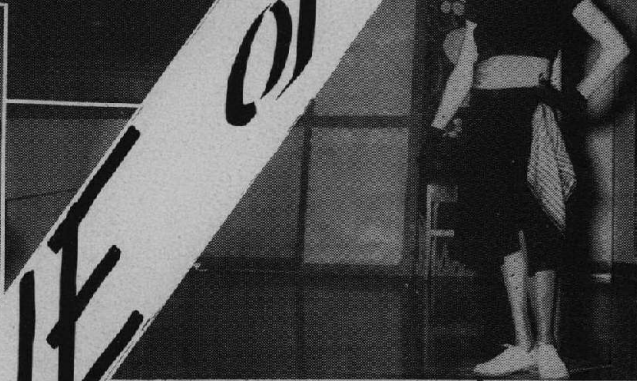

Three seniors, members of the Senior Cabinet, saw Mr. Mason in regard to having a student council. Mr. Mason sent them to Miss Green and Miss deBooy who arranged several meetings to discuss the problem. Next delegates were chosen by each cabinet, 2 seniors, 2 juniors, 1 sophomore, and 1 freshman. These people worked with the sponsors and drew up a tentative constitution which was then presented to the student body. After it was approved by the students, all the Cabinet members met with Miss Green and Miss deBooy and the delegates and discussed and amended the constitution. It was then rewritten and presented to the entire school on February 26, 1953. Finally the students were ready to cast a final vote for or against the Constitution and when this was done it was immediately adopted. Then each homeroom elected one member to serve on the student council. Their job is to discuss various serious problems of the student body, discuss them, vote on them and then send them for final approval to Mr. Mason.
