267 TEACHERS FIRED- THEN REINSTATED

After months of haggling negotiations between the teacher's union and the Board of Education, the inevitable strike occurred Tuesday morning, September 21. The Board decided to hire replacement teachers, threatening that if striking teachers did not return to classes Thursday, September 30, they would be fired.

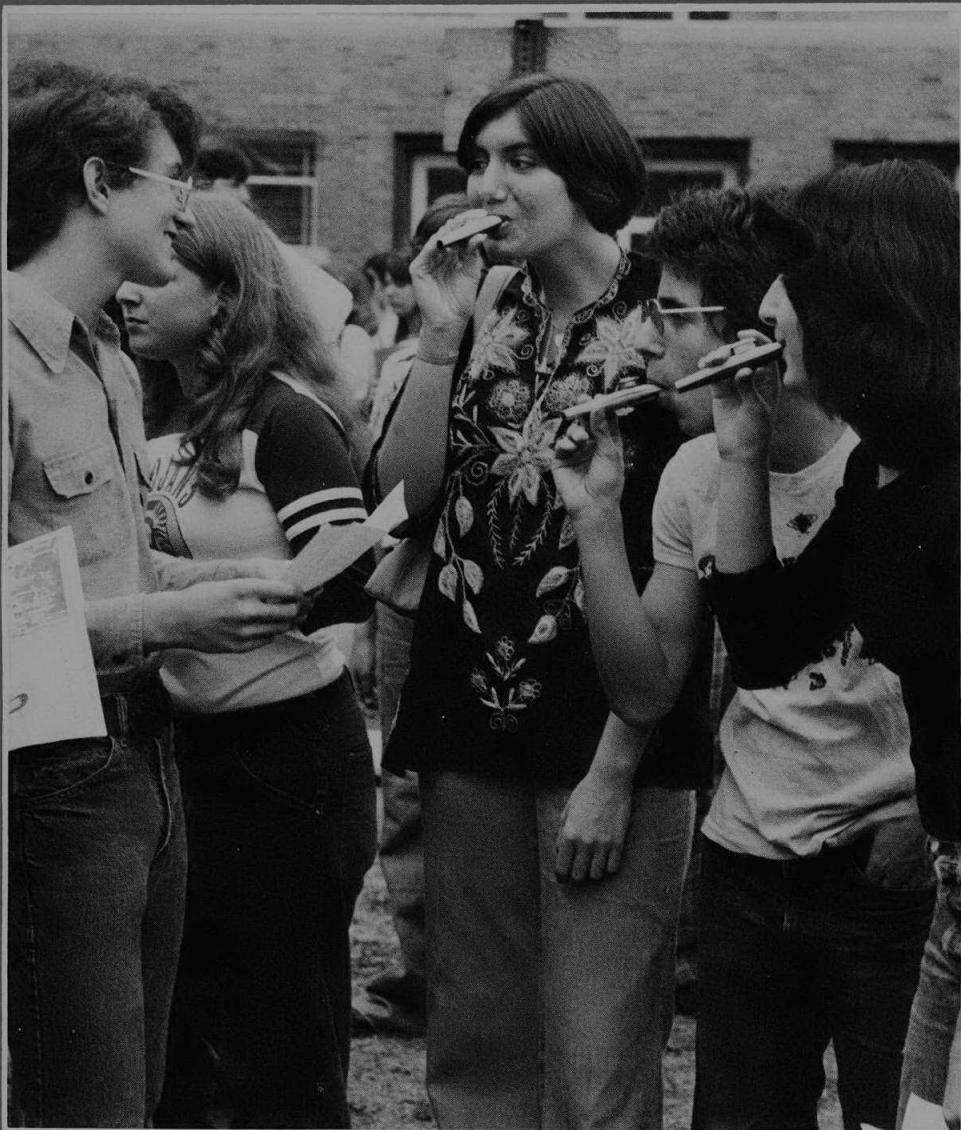

Niles East students showed their support for the striking teachers on the first day the replacement teachers were called in. Nearly 70% of the student body either walked out, or did not attend classes at all.

Two hours before the deadline to officially fire the teachers, the strike was settled after twenty-four hours of negotiations. Two hundred sixty-seven teachers were reinstated.

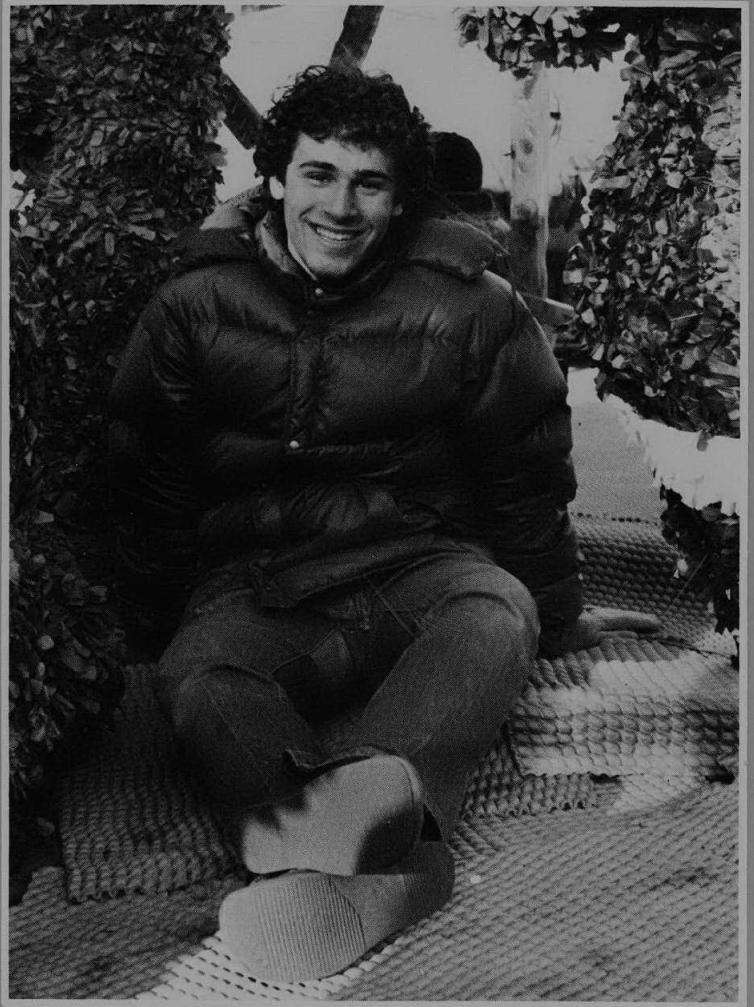

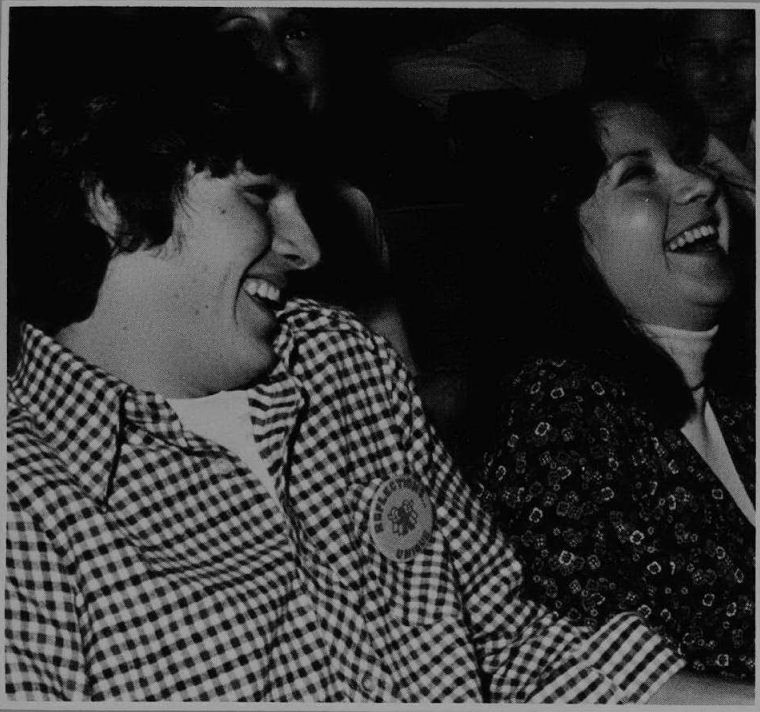

SCHOOL SPIRIT: THE HEARTBEAT OF NILES EAST?

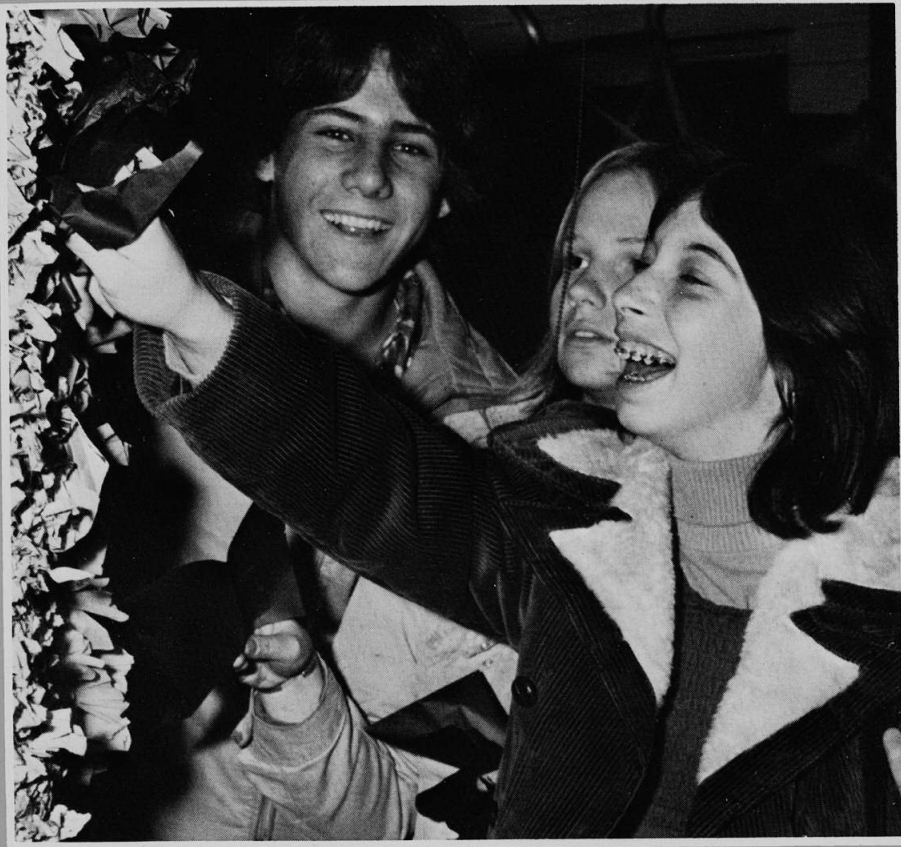

School spirit is more than just cheering at a football game; it is pride in our school, whether in a well-played basketball game, a session of student senate, or a performance of "Reflections". Some activities are purely for fun, while others have a more serious purpose. But all show our interest and involvement in Niles East, and reflect the guidance of a dedicated teaching staff.

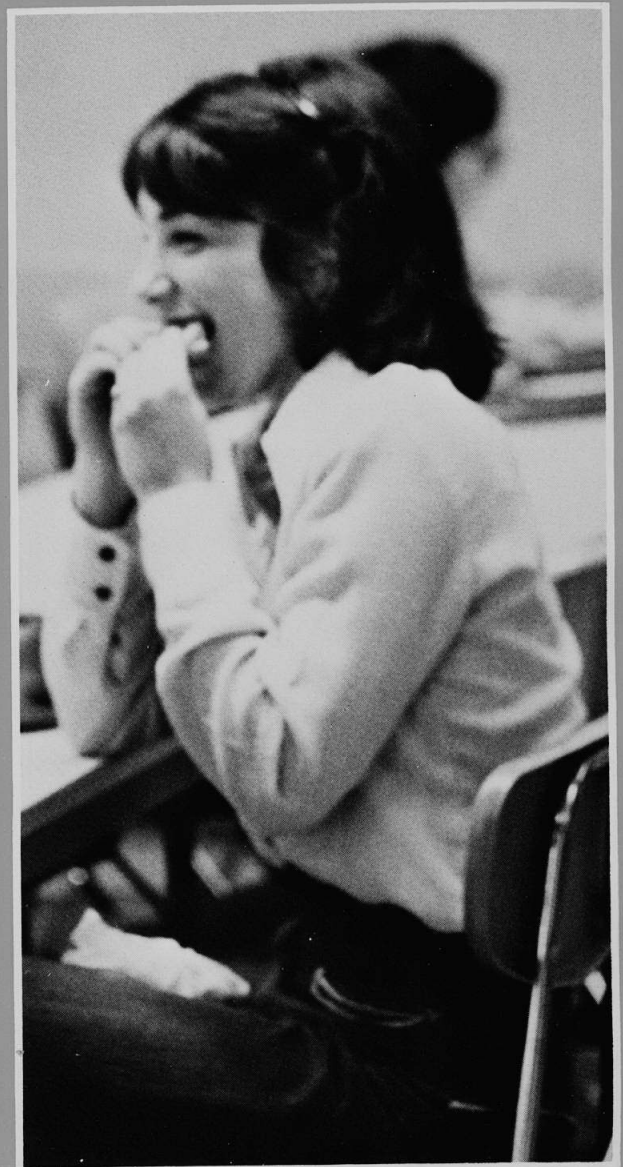

WHAT MAKES
YOU HAPPY?

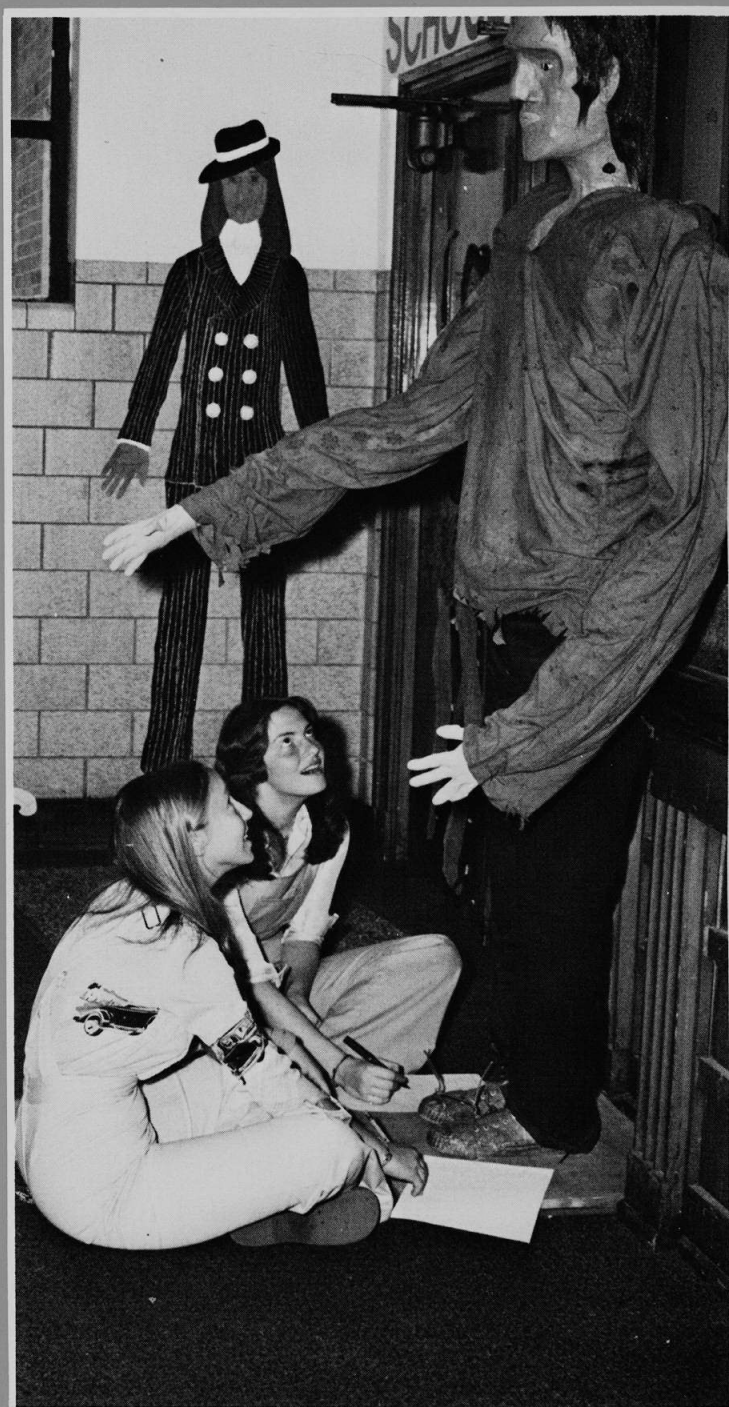

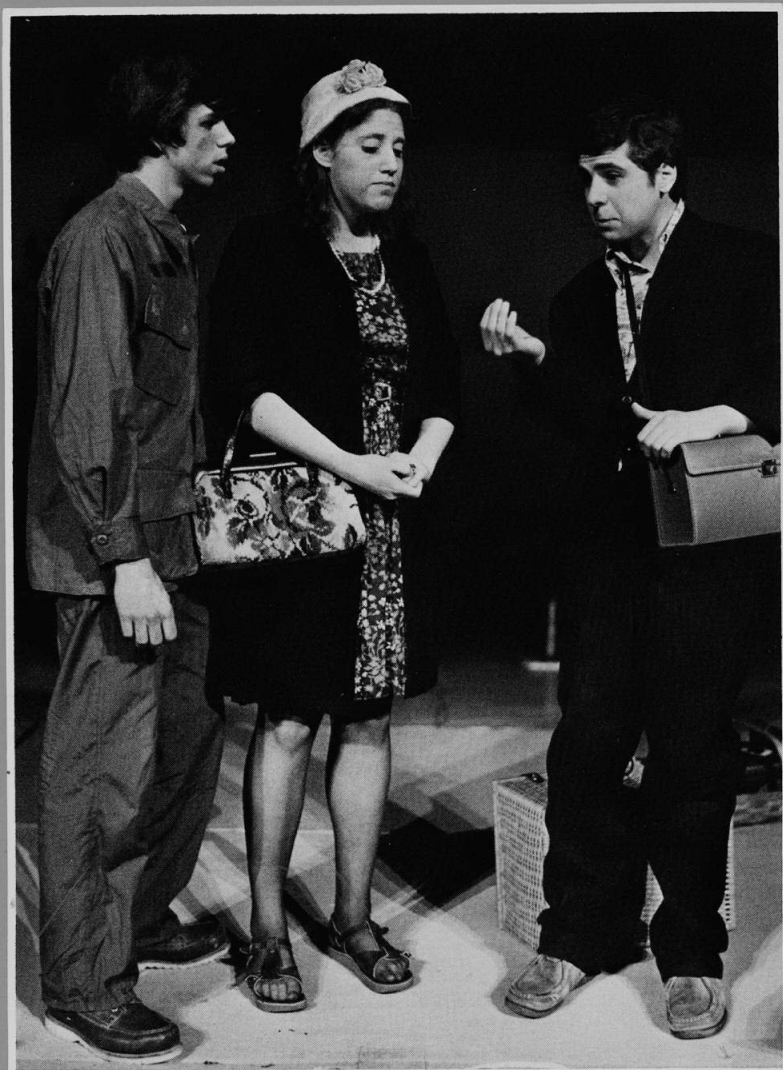

Happiness has a special meaning to each person. Describing the different things that make people happy is a monumental task. Students derive happiness from many activities that are available at Niles East. Some students hope to find happiness after they leave high school. The way in which you find happiness is a very individual and personal thing. We have tried to capture some happy kids, and the ways they find happiness in school.

Throughout the school year, Niles East students had the opportunity to see and participate in a variety of events. These included not only the Art Fair, and school productions like *Fiorello!* and *Reflections*, but touring groups like *Up With People* who performed on November 27. During this congressional election year Abner Mikva, incumbent congressman from the tenth district, came to talk with the students. As a special musical treat, Woody Herman and his *Thundering Herd* performed.

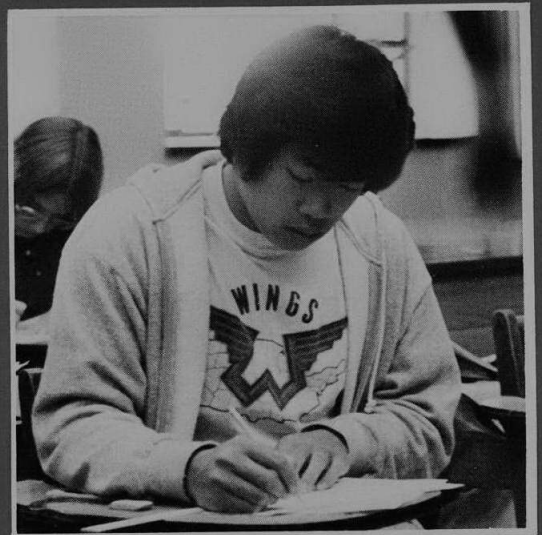

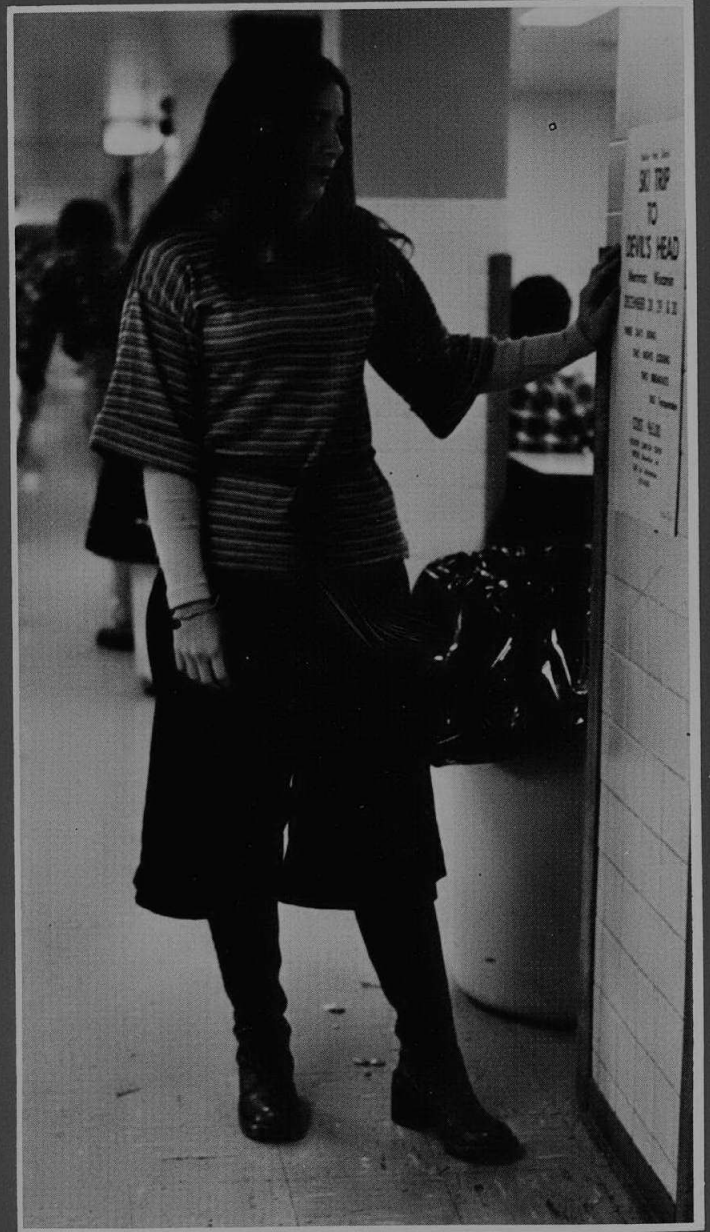

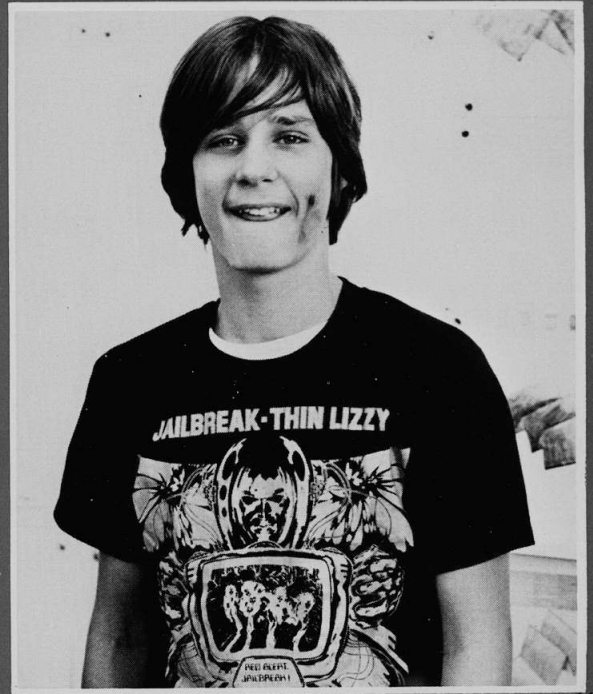

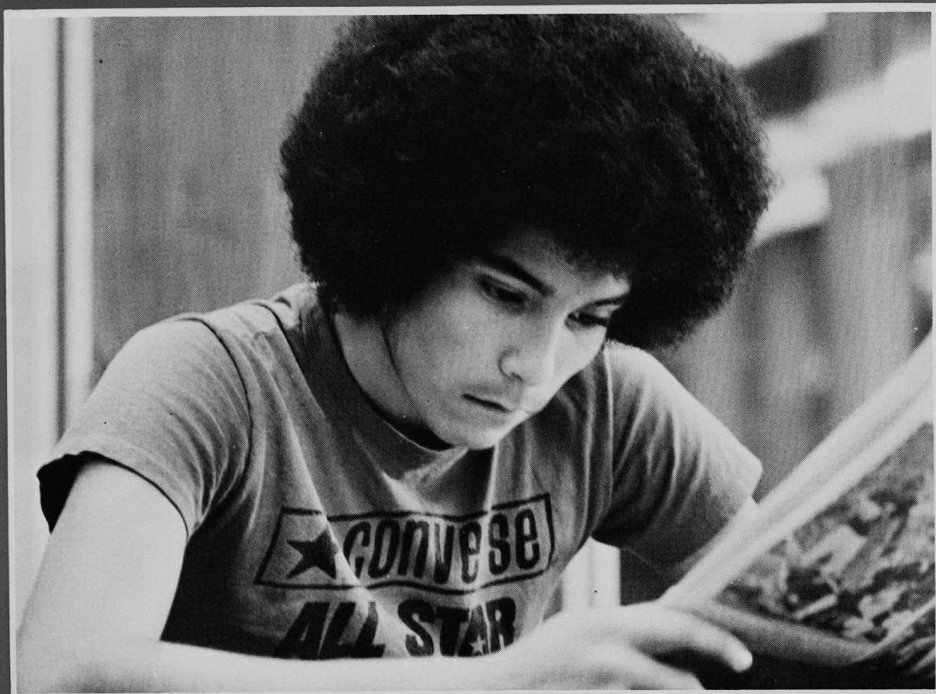

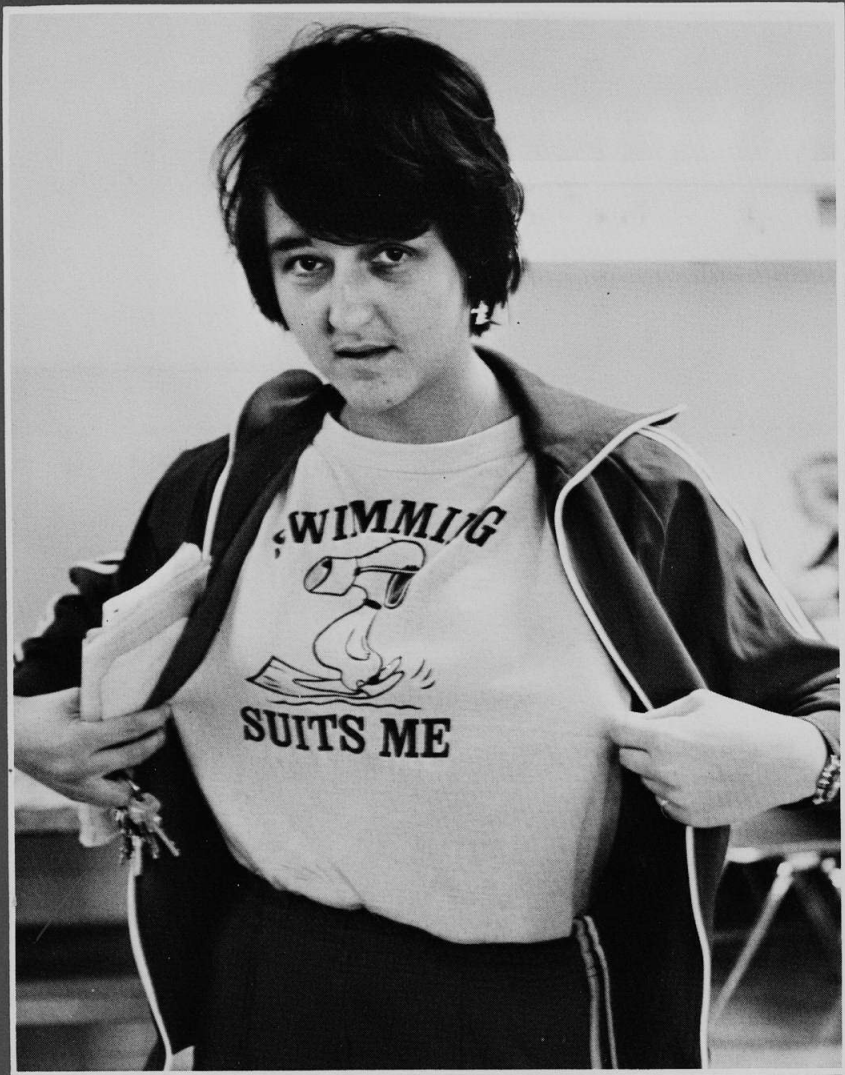

SPECIAL EVENTS HIGHLIGHT THE YEAR

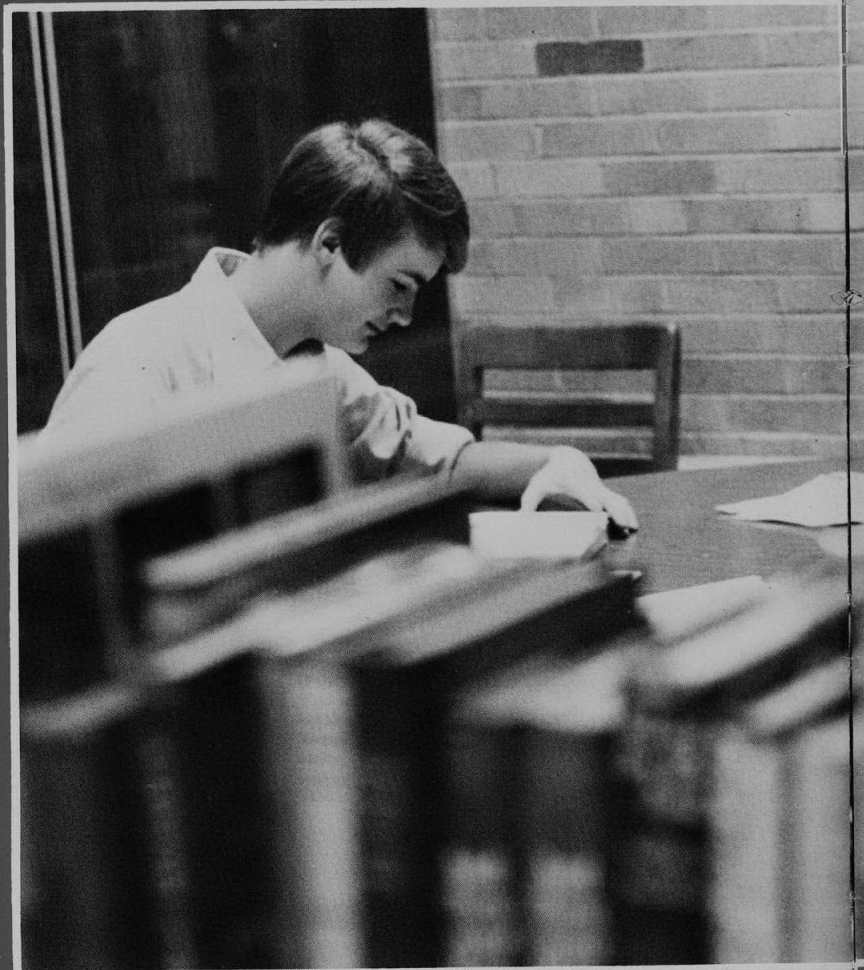

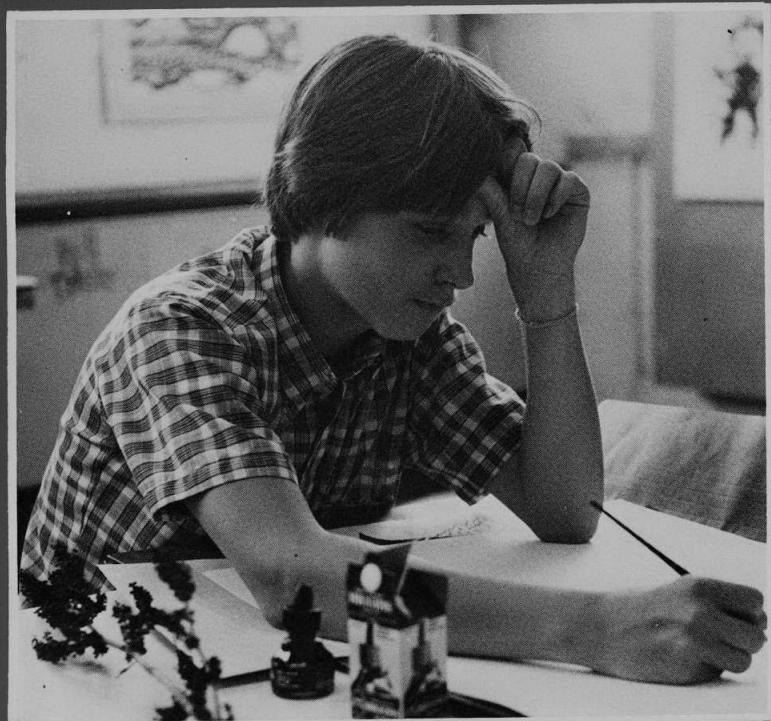

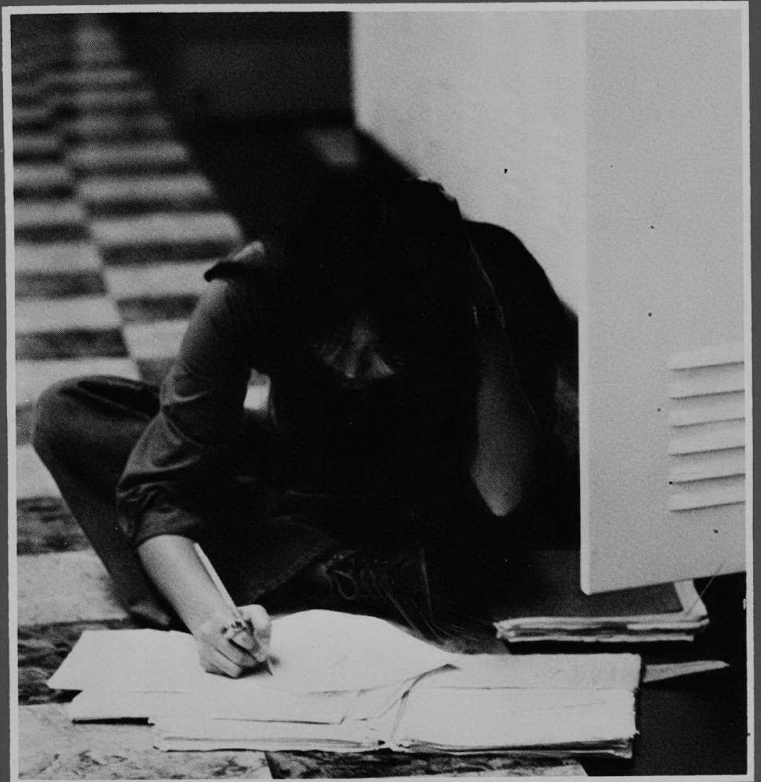

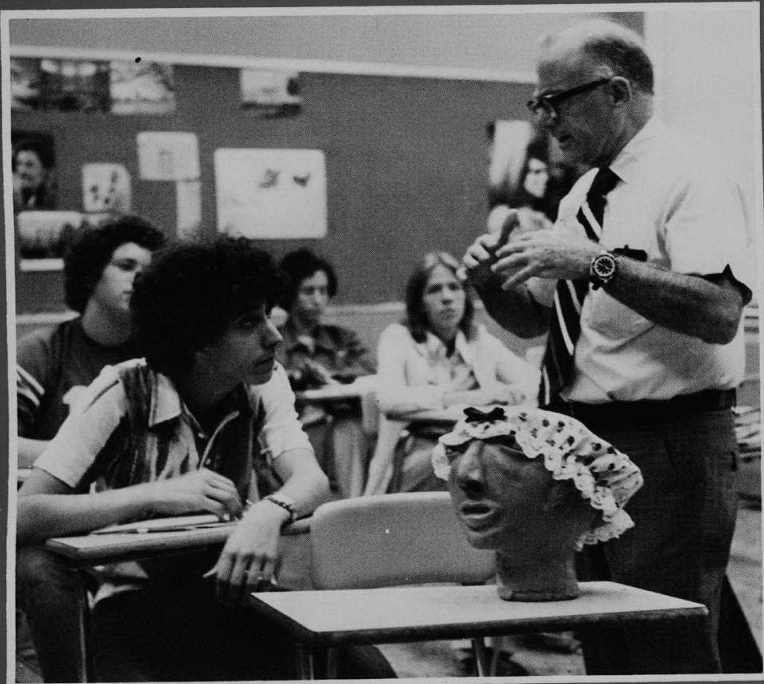

TODAY'S FASHION IS TOMORROW'S NOSTALGIA

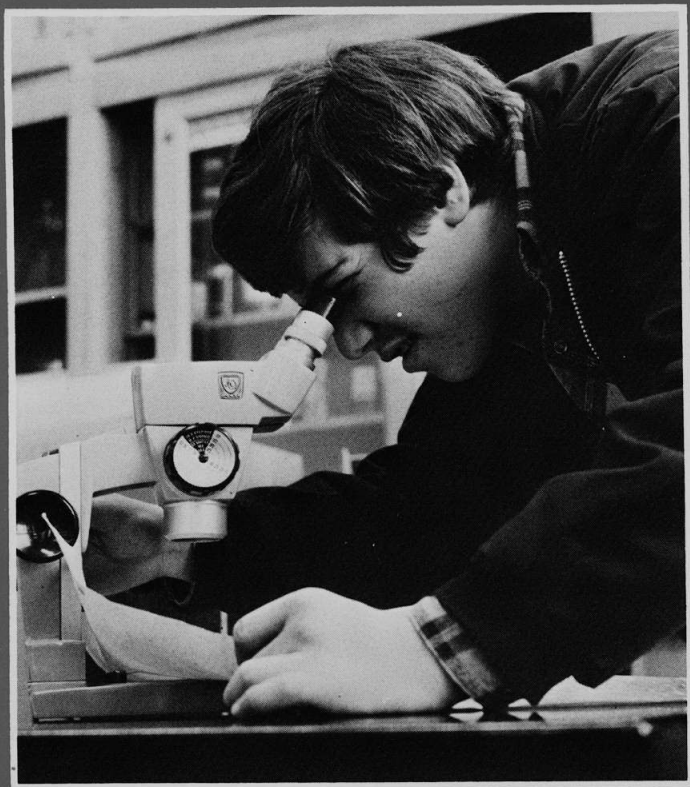

When you walk through the halls of Niles East, the first things you notice are the students. Students have unique tastes, but sometimes that uniqueness is abandoned for the sake of fashion. Fashion trends are set by magazines and television, and these trends are seen in the everyday activities at school. The fashionable girl this year wore gaucho pants, a cowl neck sweater, and western style boots. A popular fashion for the boys was the rugby shirt, a bold horizontal striped shirt with a white collar. An interesting development in the fashion world was the T-shirt. T-shirts were worn to communicate ideas. Some describe the wearer, others advertise, and still others display the wearer's favorite singer or actor. Purses with names or phrases were also popular. There are many fashions and fads that we were unable to photograph. But remember today's fashion is tomorrow's nostalgia.

BY LEARNING
WE ACQUIRE
KNOWLEDGE

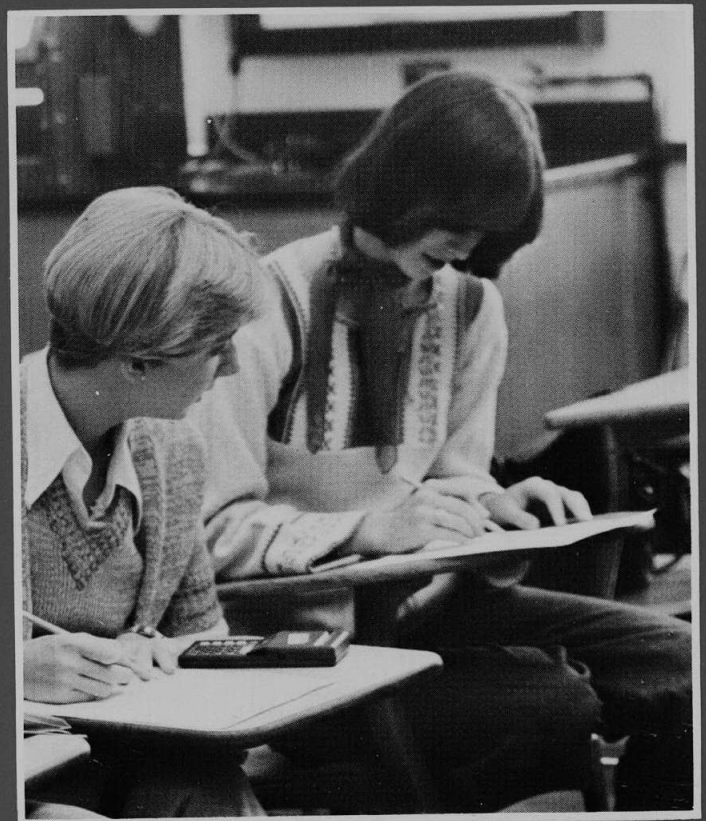

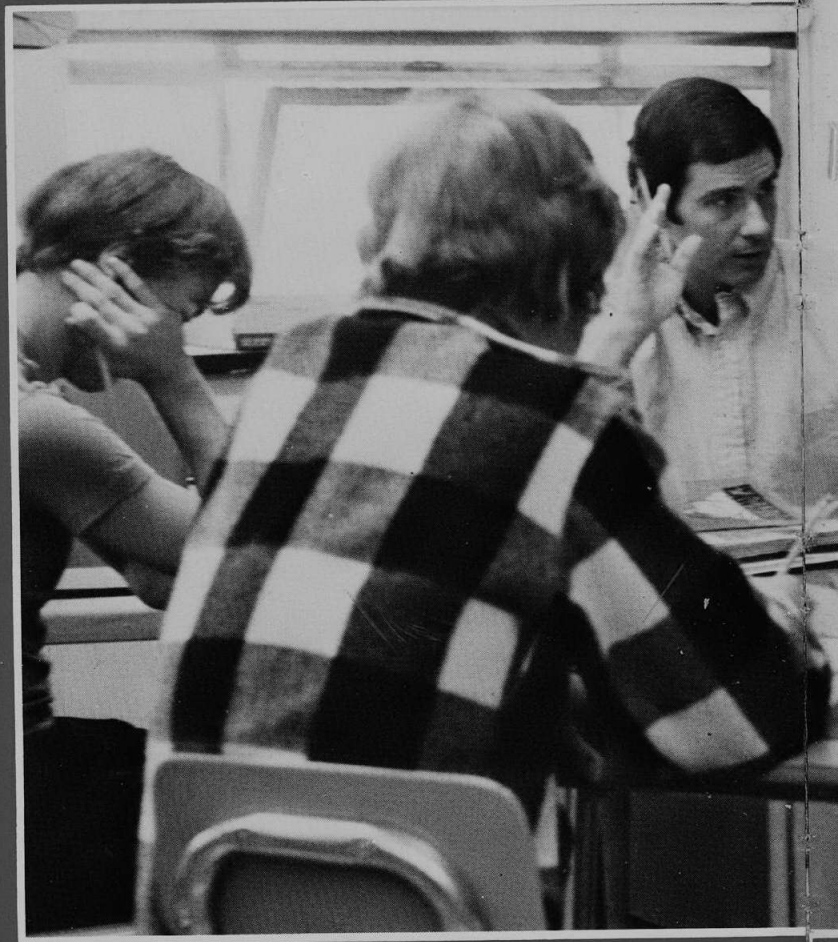

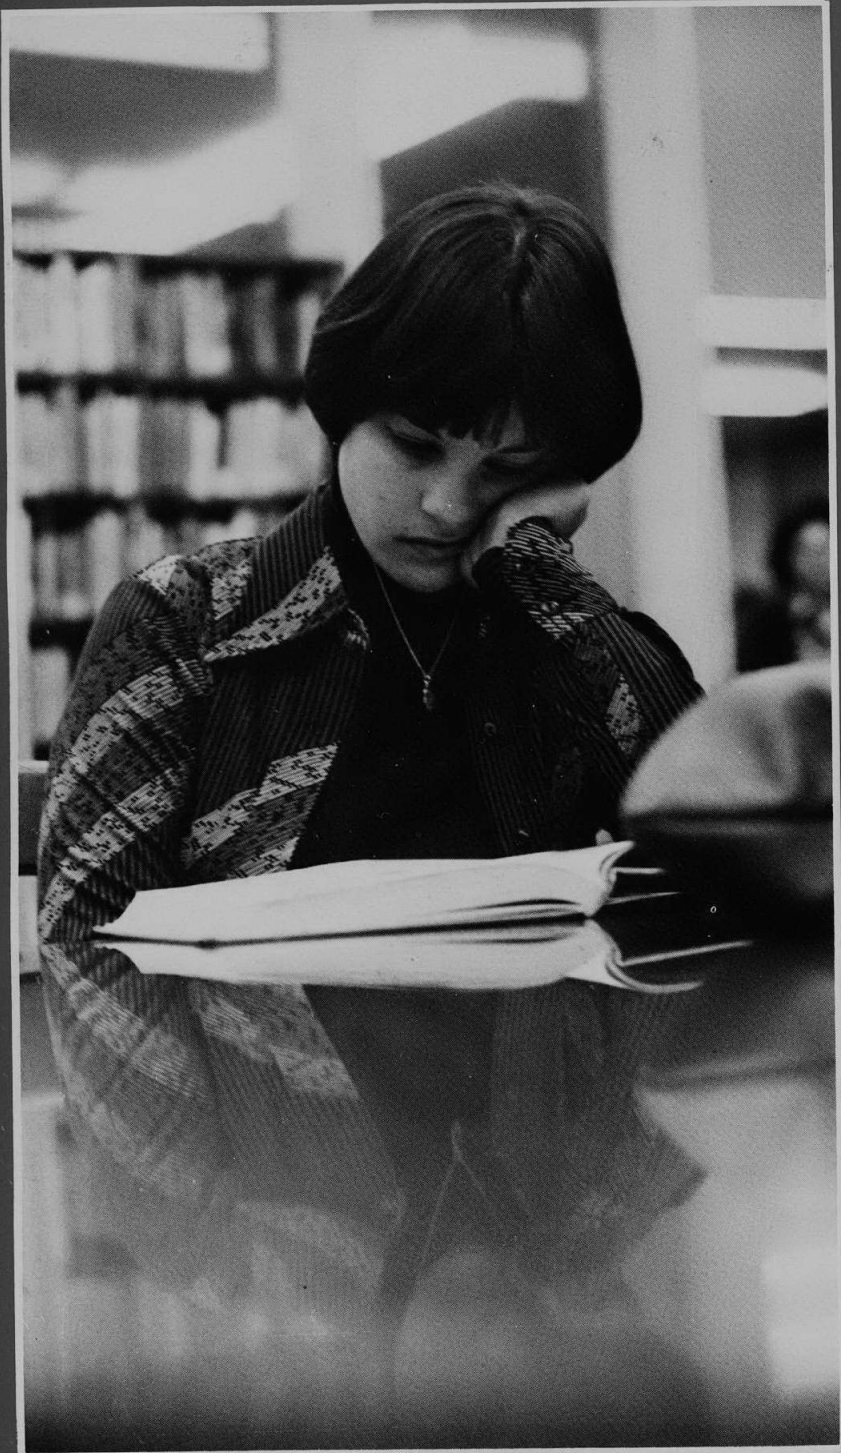

Although many things happen in school, education was the primary reason that the institution was created. A lot of emphasis has been placed on success at school work. In order to be successful, education has been approached in a myriad of ways. The job of a teacher is to encourage all the ways in which people learn. Classroom situations, independent study, and alternative learning centers are ways in which teachers and students at Niles East have attempted to make learning successful. This interaction between students and teachers makes school a place where one can acquire knowledge.

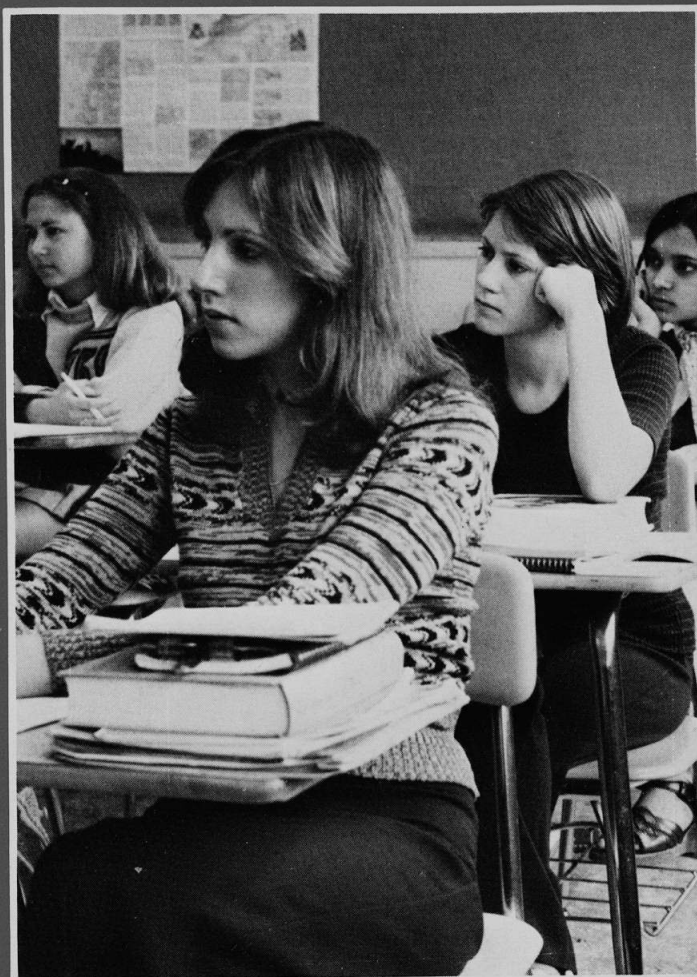

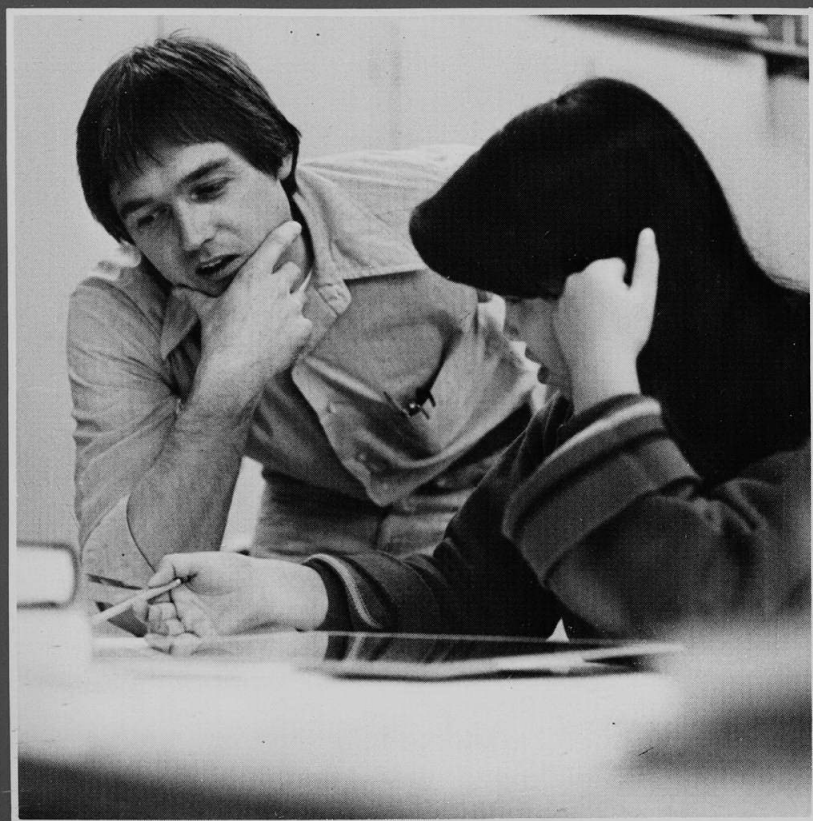

BY LIVING
WE ACQUIRE
WISDOM

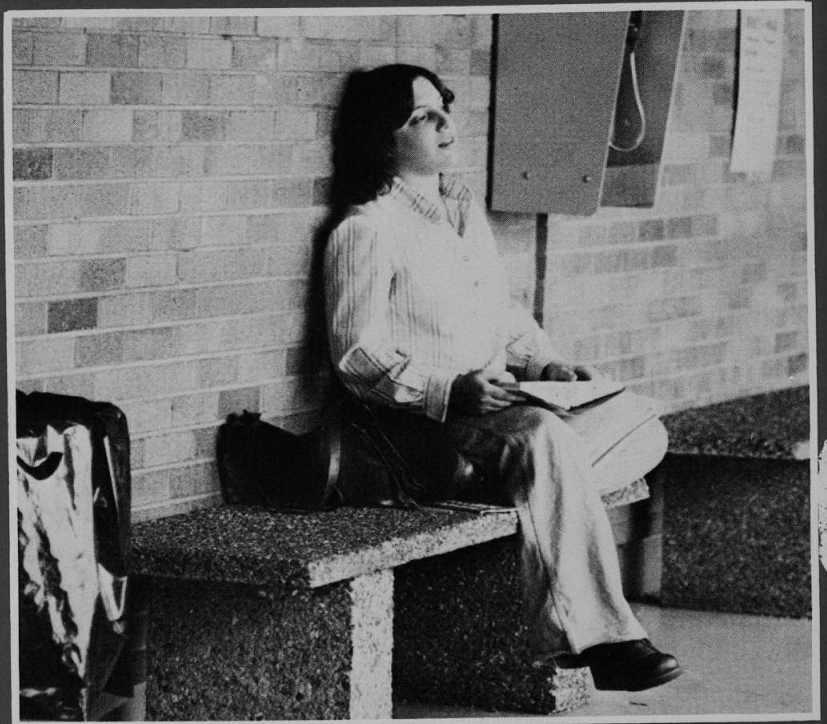

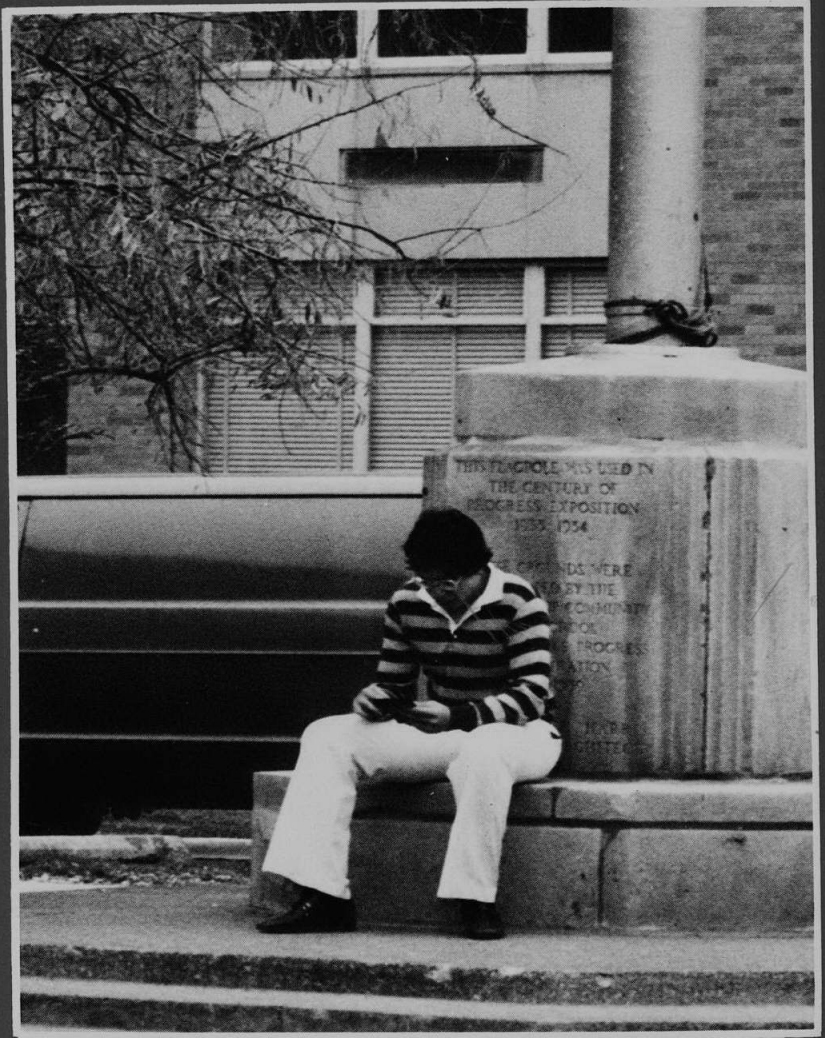

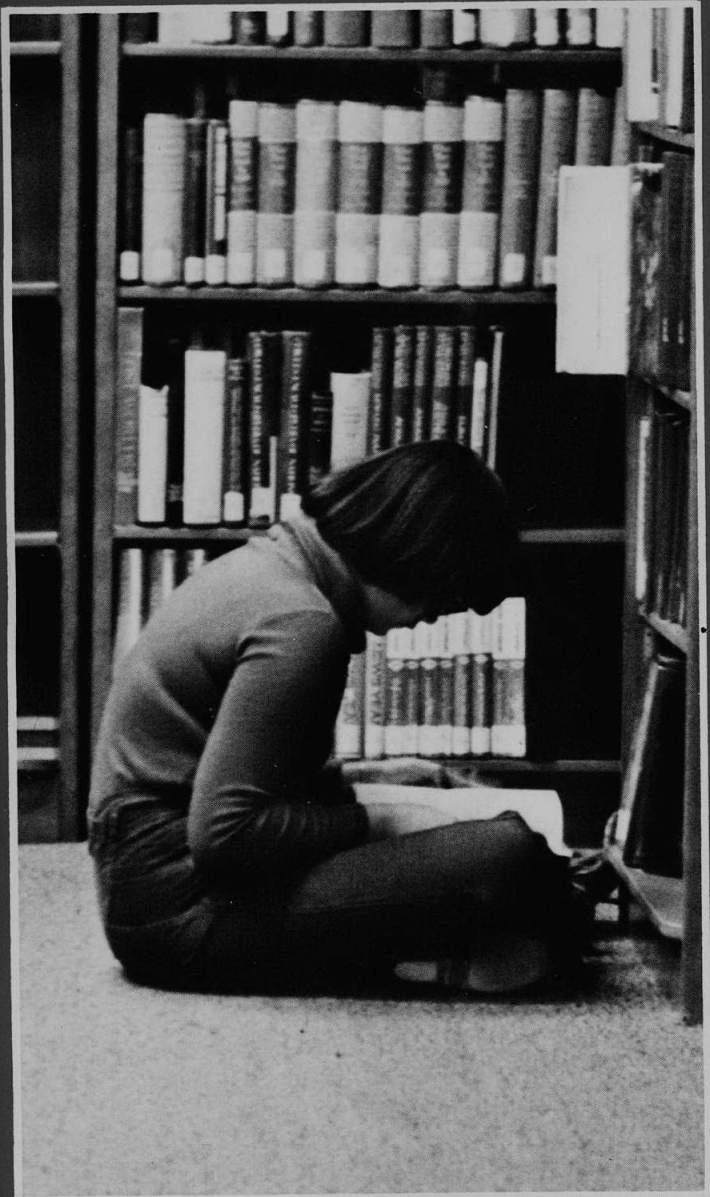

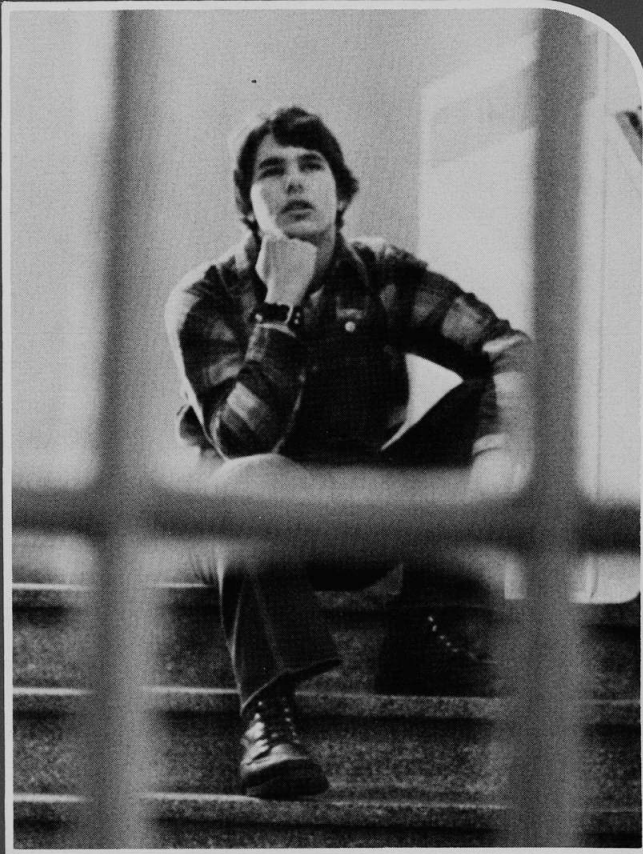

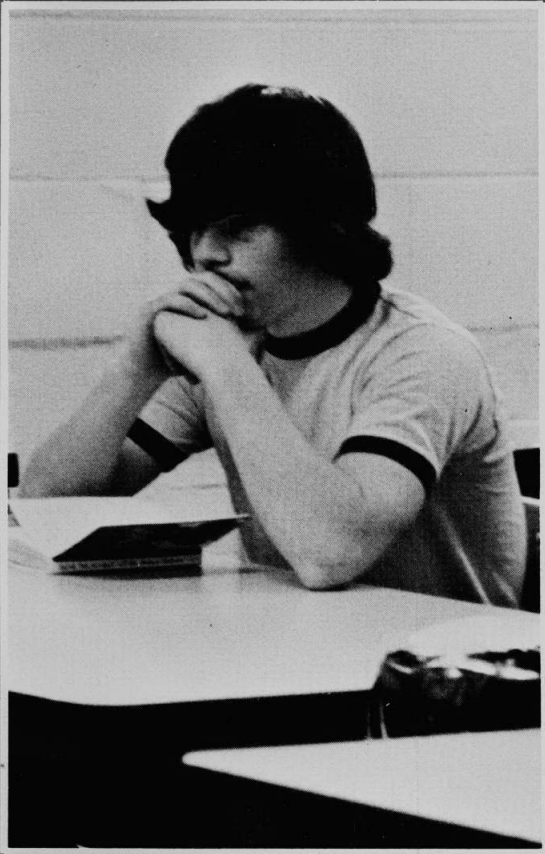

In this education oriented society young people are expected to spend a great deal of their time in school. The school environment enables us to meet fellow students and deal with teachers and administrators. This contact helps us to develop academically as well as socially. School provides a place where we can learn basic skills - such as reading, writing and mathematics, as well as more advanced studies - such as calculus, chemistry and history. However school is not the place to learn all aspects of living. Success in a school environment does not guarantee success in the world out of school. Through life, both in and out of school, we can acquire the knowledge and the wisdom to lead happy and successful lives.

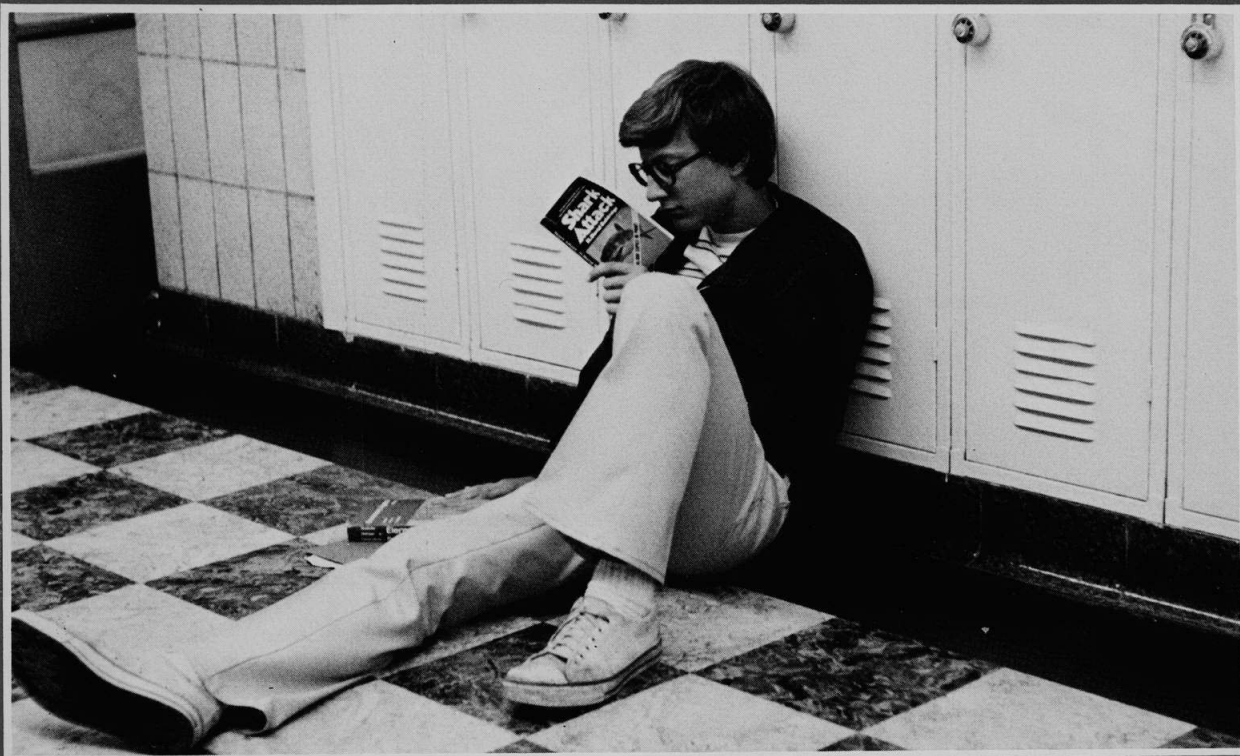

Faces in the crowd, each person lost in his own thoughts. I need time to get away and shake the feeling of being one of the multitude of people rushing past. Everyone rushing somewhere-to class, to the cafeteria, or to meet friends. I had to leave the crowd and find a place to be alone! Many people have had this feeling during the course of the day. In a big building such as Niles East, there are many places where students can get away from the crowds. We've found some students enjoying their solitary moments.

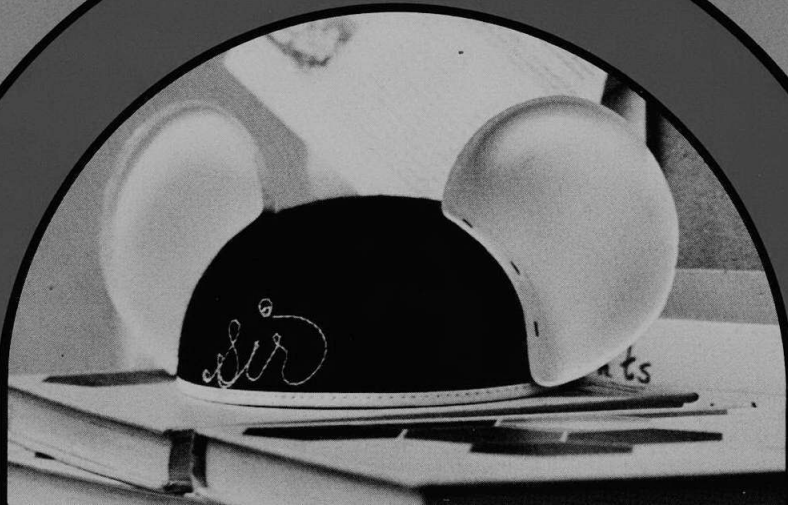

FAR FROM THE MADDENING CROWD

FACULTY

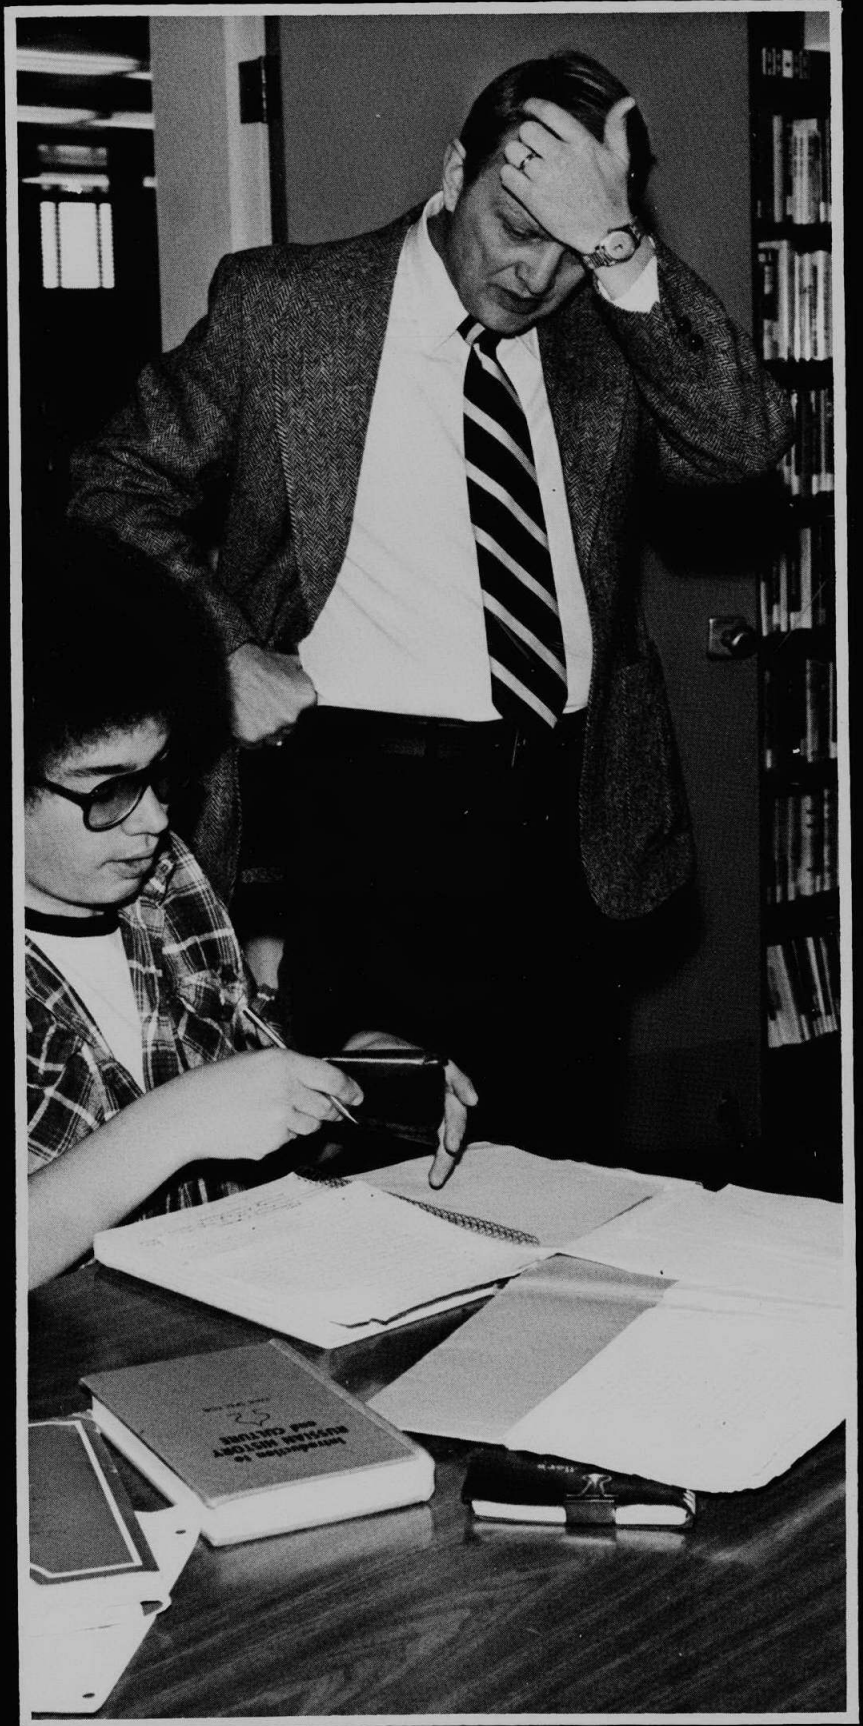

MR. HOSLER FACES NILES EAST

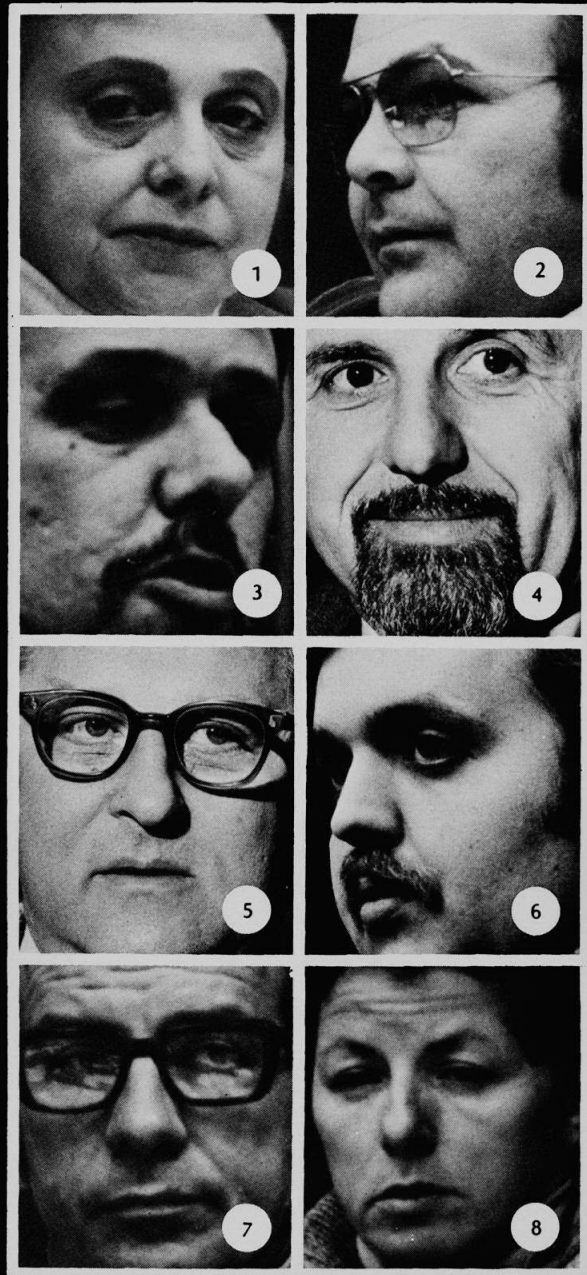

The NEW SPIRIT of Niles East has continued to grow and flourish throughout this school year. Student interest in activities has blossomed and student participation in school affairs has grown in useful and constructive ways. This year's Reflections stands as ready testimony to the enthusiasm and vitality of our school life and provides each of us an opportunity to review our separate contribution and renew our commitment for the future.

As we bid farewell to the Class of 1977, we say "thank-you" in acknowledgement of their role in the creation of this New Spirit.

OCCASIONS

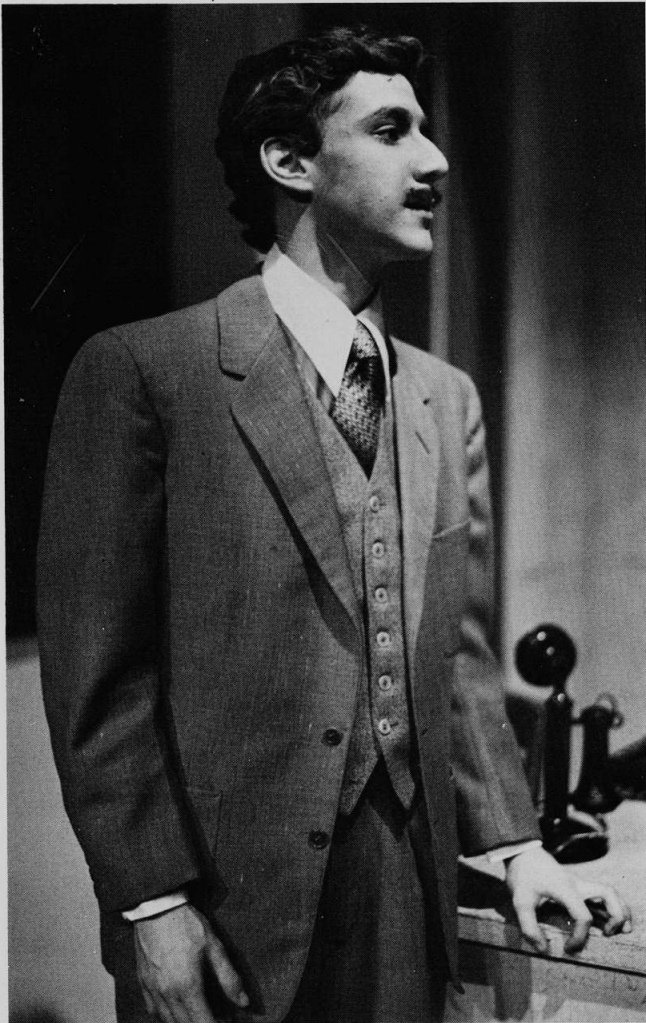

FIORELLO!

FIORELLO! was presented on March 31, April 1, 2, and 3. Through the combined efforts of the Niles East Theatre and Music Depts., the audiences were treated to a very exciting musical.

The story commenced with Mayor Fiorello LaGuardia (Barry Kramer) reminiscing about the times when he was an unknown lawyer in his New York offices, shortly before WWI. The scene opens with his assistants, Morris (David Pevsner) and Neal (Mark Blackman), and his secretary, Marie (Susi Fleischman), describing the honesty of their boss. The action shifts to the Ben Marino Club, where Ben (Jerry Lavin) and his card playing cronies (Chip Auerbach, Michael Guerrero, Andy Goldstein, Phil Auerbach, and Bill Elliot), decide to nominate LaGuardia as senator, thinking that he will lose. In the course of his campaign, he defends some women on strike. At the strike he meets Thea (Gail Norris) and Dora (Patti Sucherman); the strike is later broken up by Floyd, the cop (Bill Daitchman). The first act closes with Fiorello asking Thea to marry him.

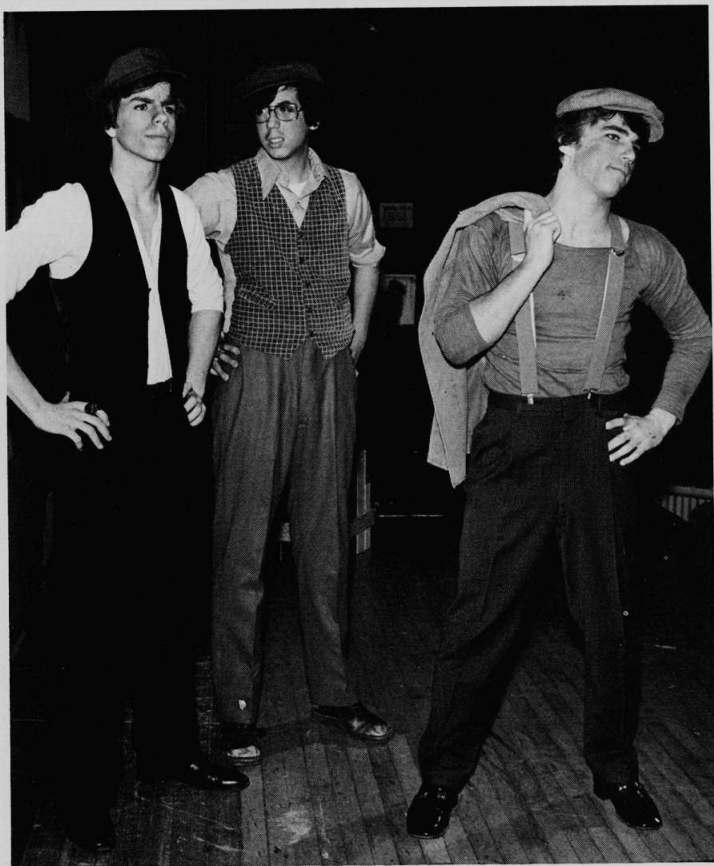

... THE NAME'S LAGUARDIA

The second act takes place ten years later, and now Thea is very ill. Dora comes to tell her that she's in love with Floyd, who is hosting a big party in his penthouse. At the party he unsuccessfully plots with a big gangster to kill Fiorello. Meanwhile, Thea's condition worsens and she dies.

The scene shifts back to Ben Marino and his boys. They tell all about the corruption and graft in the government in a show stealing song, 'A Little Tin Box.' We return back to Fiorello's office and we find politicians storming his office, demanding that he run for mayor. As the show closes, Fiorello proposes to Marie, who has loved him all along, and he consents to enter the mayoral race.

COULD IT BE MAGIC?

The efforts of the Junior Cabinet to organize Prom '76 were rewarded by providing another memorable evening for Juniors and Seniors.

On May 28, in a softly lit room at Algauer's Fireside Inn, the prom couples enjoyed a lavish dinner, and later danced to the music of Dick Single and his Orchestra.

The Proms theme entitled "Could it be magic?," adapted from the popular song, best represented the feeling gracing the dance floor. A swirl of light shown on the royal prom couple, Queen Sue Stahlberg and King Jim Carlson, after being announced the winners of the prom election.

All guests received black magicians' hats concealing surprise scarves as an additional souvenir to add to their many high school memories.

On May 7 and 8, the Niles East Theatre Department presented three one-act, student directed plays. The first was entitled "Impromptu" and was directed by David Pevsner. Phil Martini, Bob Silverman, Bobbi Frazes, and Cathy Lasowski portrayed four actors lost in the world of the theatre, and attempt to discover new facets of themselves through an exchange of personalized dialogue.

The Second play was called "Here We Are," with Patti Sucherman directing. David Wolfe and Paula Sugarman played two newly-weds having their first fight while abroad a train traveling to their honeymoon resort.

The final play was directed by student teacher, Janice Englehardt. "Picnic on the Battlefield" dealt with a confused and lonely young soldier attempting to capture an enemy soldier. Ed Nemmers, the soldier, learns the pointlessness of war through such experiences as his parents, Jerry Lavin and Rena Zaid, visiting him on the battlefield to have a picnic, and through discussion with the enemy, played by Scott Gothelf, learns that he is really no different from the man he is trying to kill.

NILES EAST DANCERS "GLOW"

Saturday night, February 19th, and Sunday afternoon, the 20th the Niles East Dance Company presented "Glow." The show included a variety of dances, ranging from an ethnic number to lively jazz pieces to graceful ballets. Each dance was choreographed by different members of the junior and senior Dance Companies. The many hours of hard work put in by all of the girls made "Glow" an entertaining and successful show.

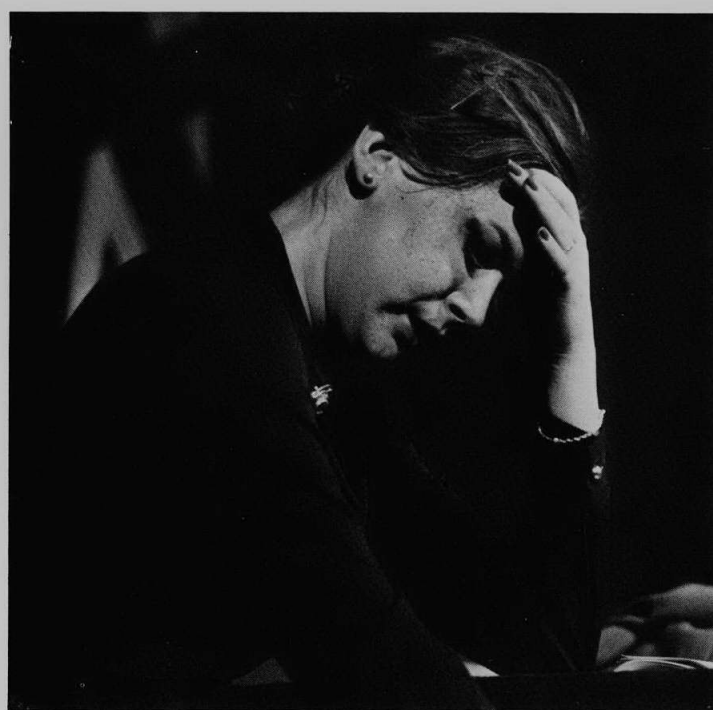

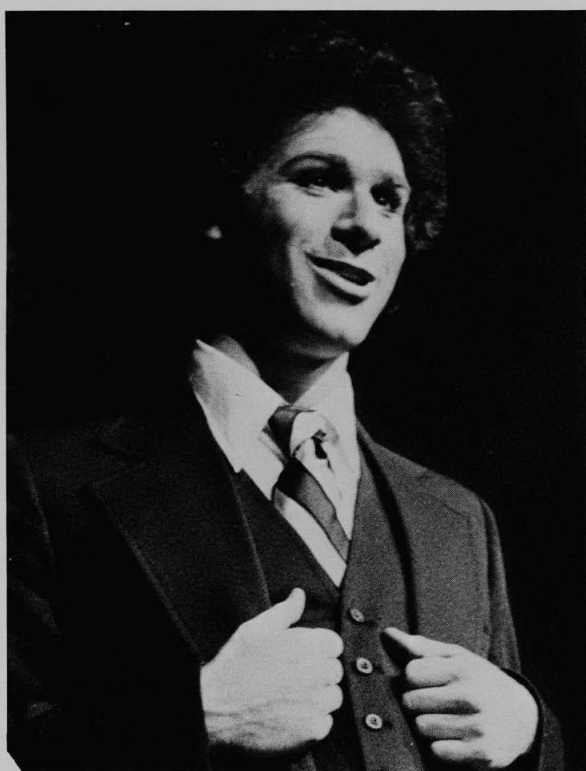

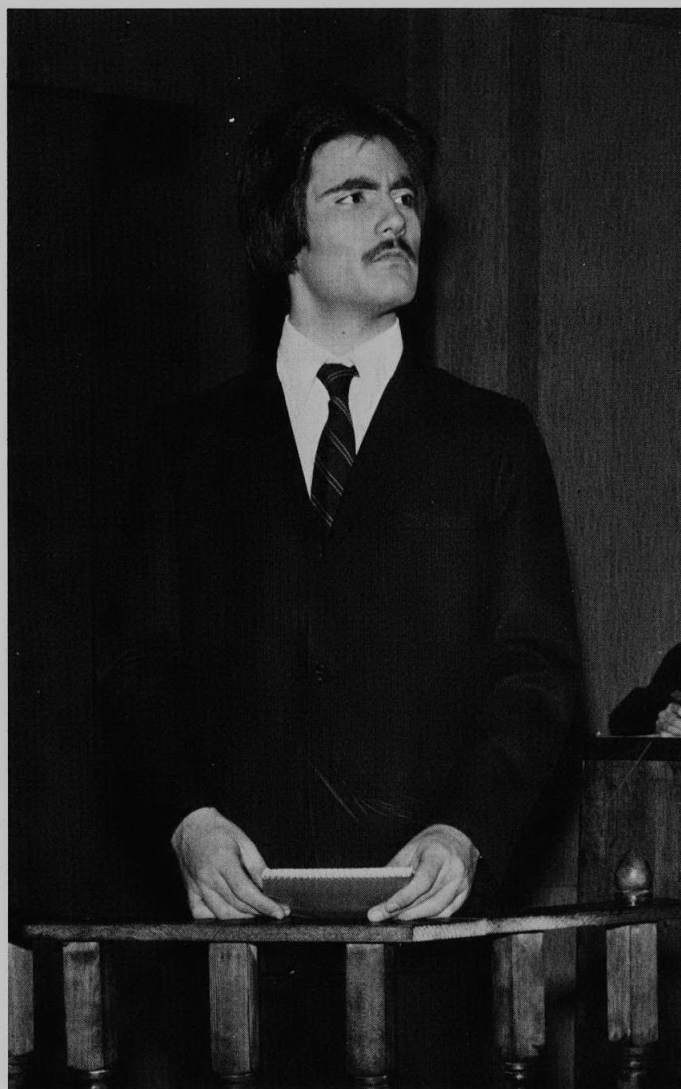

WITNESS FOR THE PROSECUTION

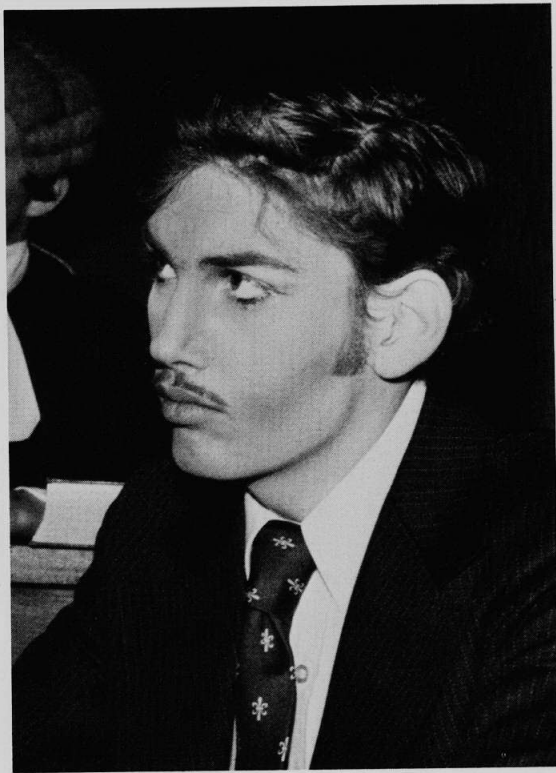

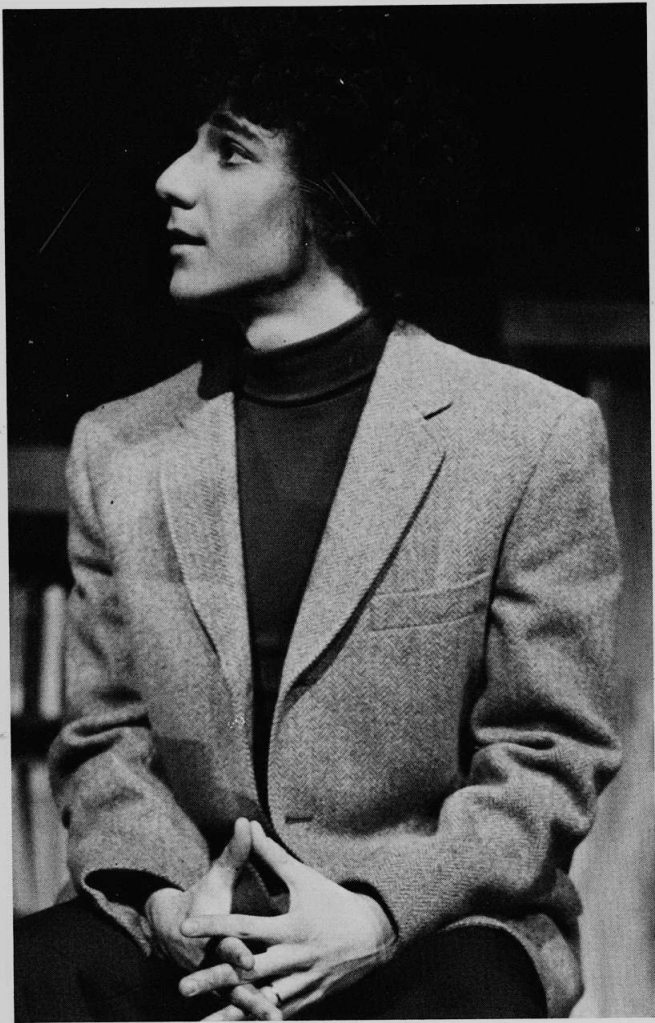

On January 20- 22, the Niles East Drama Department kept the audience on the edge of their seats trying to guess "whodunit." But nobody could predict the outcome of the Agatha Christie courtroom murder mystery, "Witness for the Prosecution."

The story is about Leonard Vole (David Pevsner) a carefree and shiftless young man accused of murdering an elderly woman who willed him her fortune. His defending attorney, Sir Wilfrid Robards (Barry Kramer) counts on obtaining an acquittal from the testimony of the prisoner's wife, Romaine (Mira Achimovich).

As the trial proceeds, the prosecuting attorney Meyers (Bill Elliot) tries in vain to hang Leonard Vole. Suddenly, Romaine turns on her husband and coldly destroys his alibi.

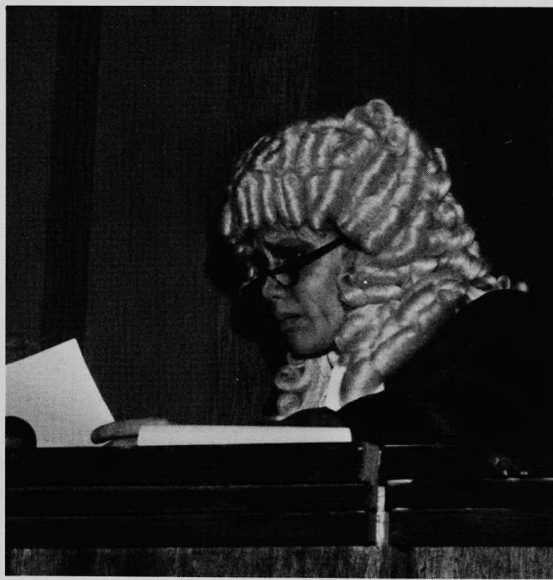

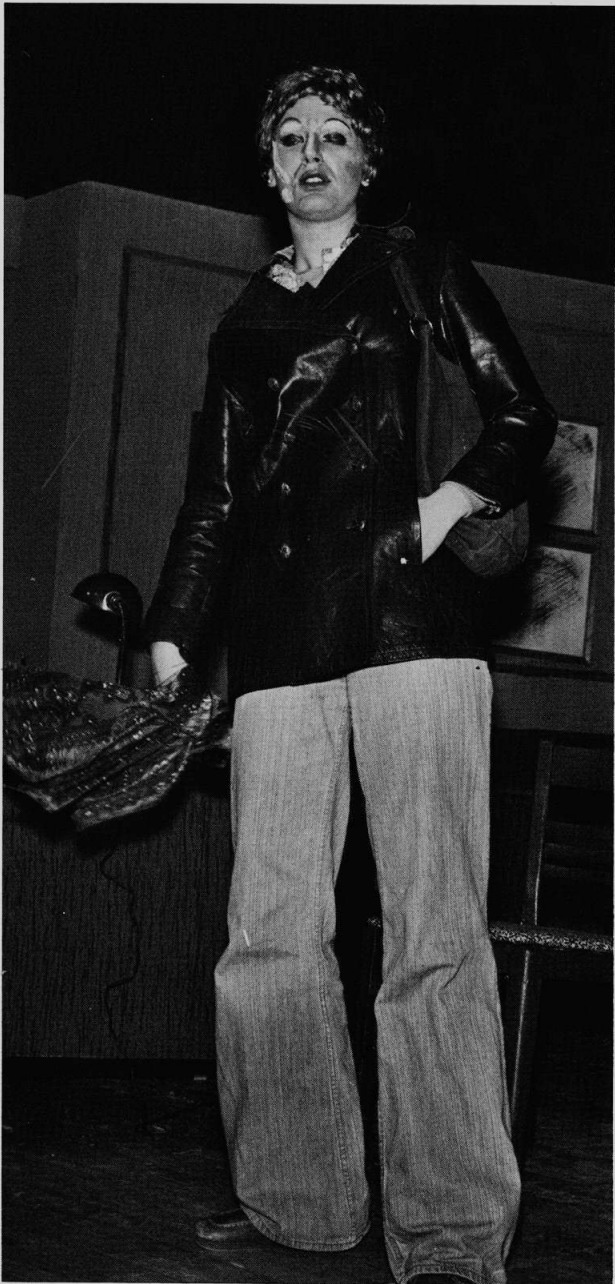

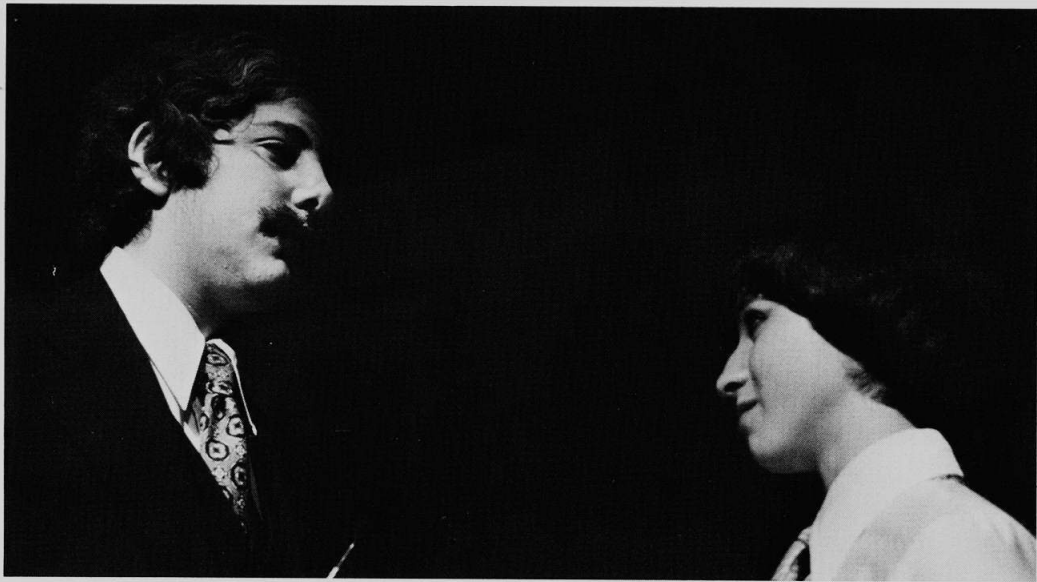

That is just one of the many surprises in this puzzling mystery. A cast of thirty (including supporting characters David Weinstein, Mary Postel, Andy Goldstein, Dennis Liu, and Bill Deitch) was needed to determine whether Leonard Vole was guilty or innocent.

A COURTROOM
WHO DUN IT

Various types of artwork were displayed at the annual Art Show, held the second week of May in 1976. The Art Show gave many students an opportunity to express their thoughts and feelings by using their creativity.

Sculptures, ceramics, fabric quilts, macrame, prints, drawing, and paintings were among approximately 600 works displayed in the student lounge.

Dennis Grabowski, Hazel Larson, Ronald Lamb, Manager of the Art Department; Judy Miller, and Richard Wetzel were trying to show what occurs in the classroom and what the art curriculum includes.

REFLECTIONS OF

'Reflections of a Lifetime Unique' was presented to the public on November 18, 19 and 20. The show, written, directed and performed by the students, portrayed events of four stages of a lifetime—Childhood, Adolescence, Young Adult and Later Years.

The directors of this year's 'Reflections Unique' contributed much time and effort in making the show a success. They were Gail Norris and David Pevsner; choreographers, Paula Jeremias and Mary Postel; music directors, Laurence Cohen; set designers, Diane Ament and Carol Miller; and technical director, Howard Steirman. The cast, of approximately seventy-five, worked along with the band and the crews to put together one of Niles East's best 'Reflections.'

HOMECOMING

Homecoming, 76, a weekend to remember, was held October 15-16. "A Western Round-up Eastern Style" and "the sun rises on the east and sets on the west" was the decided theme for Homecoming.

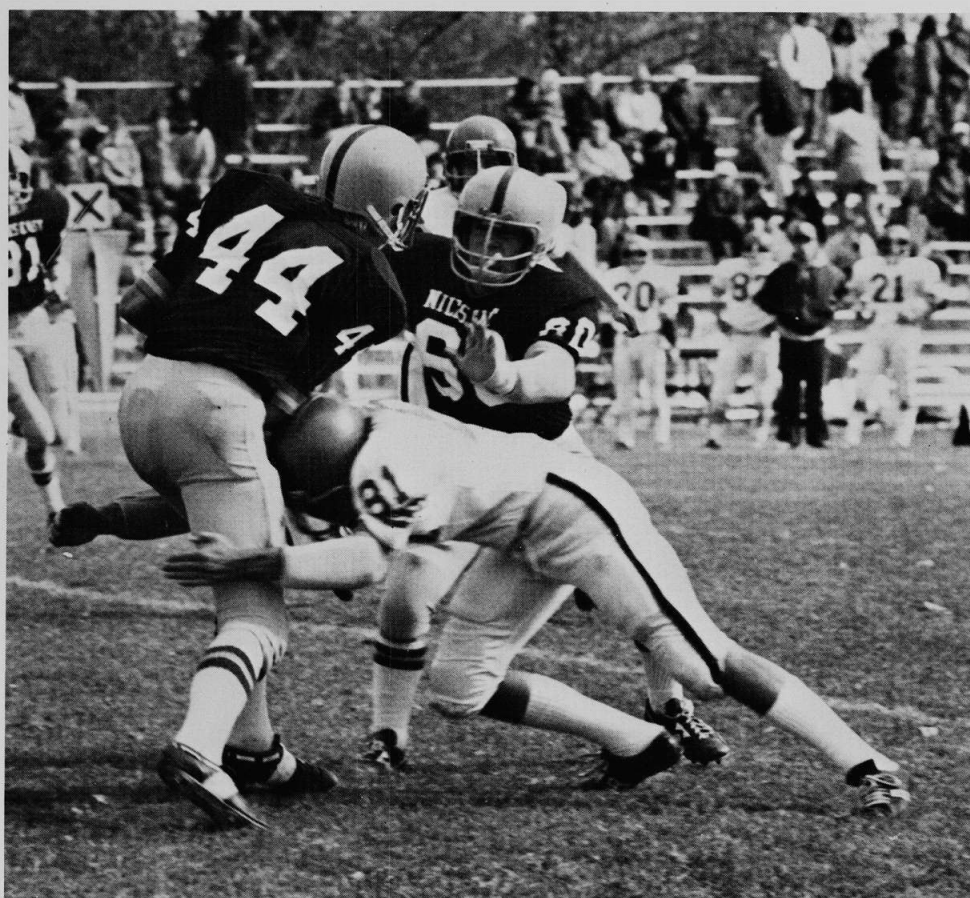

Robert Irsay, owner of the Baltimore Colts, spoke at the pep assembly on Friday, October 15, during homeroom and fifth period. Much spirit was displayed by the cheerleaders, pom pon girls and spectators as well as the Trojan Mascot.

Early Saturday morning, about 9:00, the parade began, consisting of seven floats, the marching band, and decorated cars.

At the Varsity football game, the Niles West Indians beat the Trojans, 36-0. Despite their defeat everyone enjoyed the many events of Homecoming.

WESTERN ROUND UP EASTERN STYLE

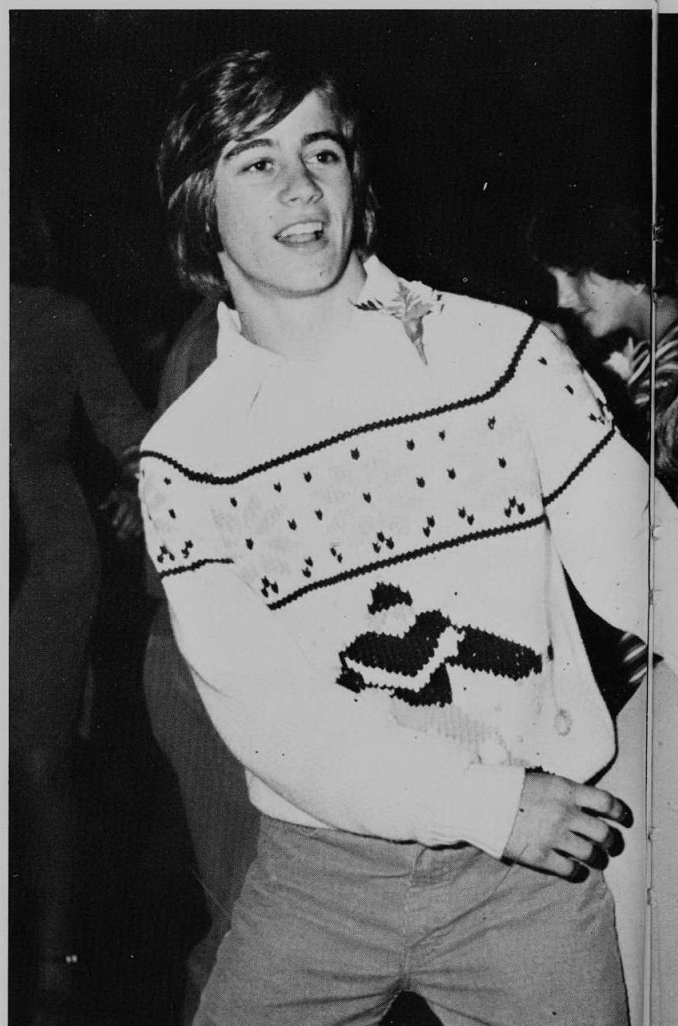

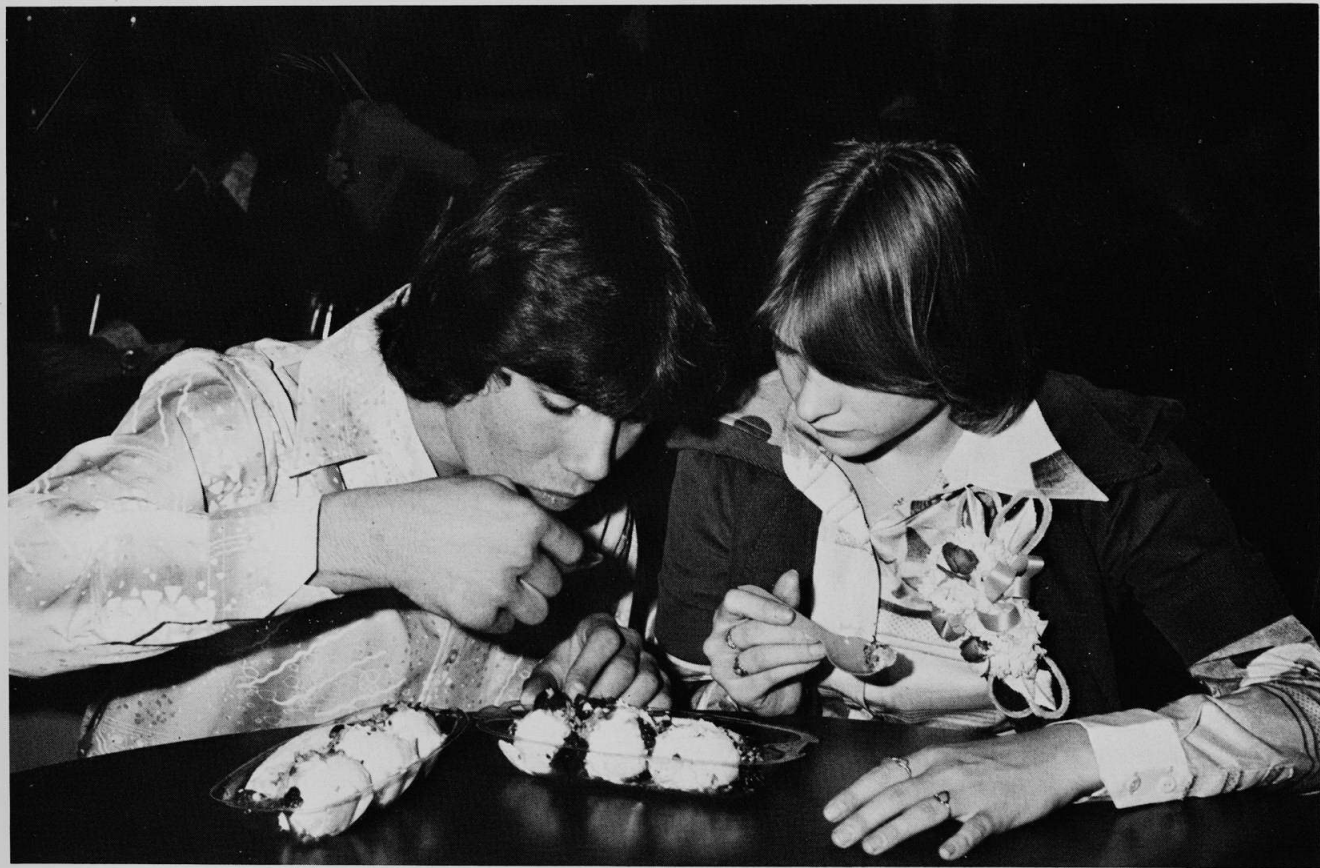

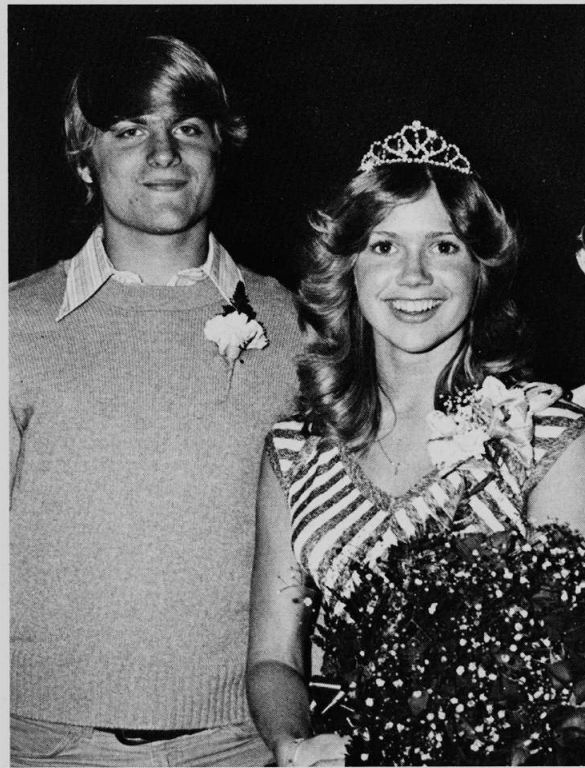

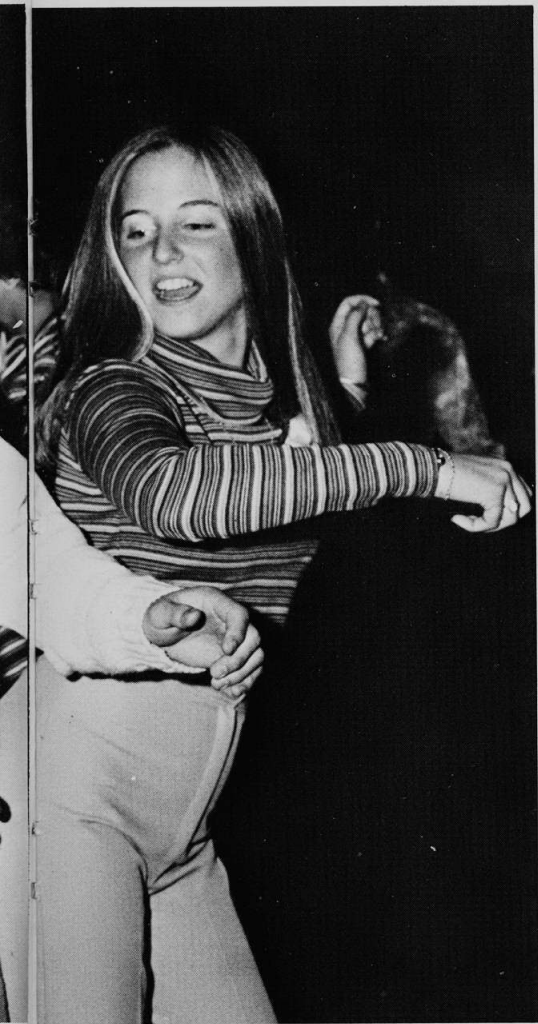

COME DANCE WITH ME

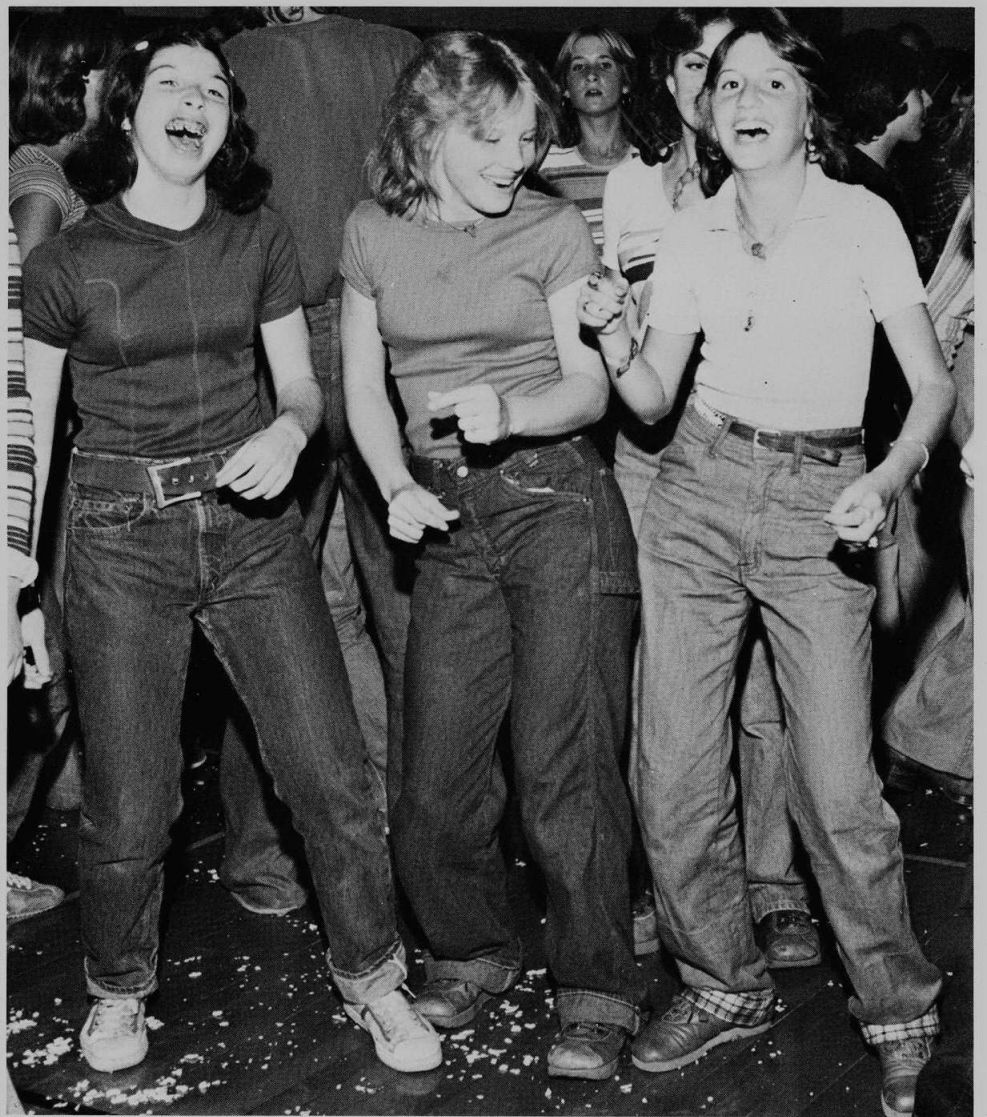

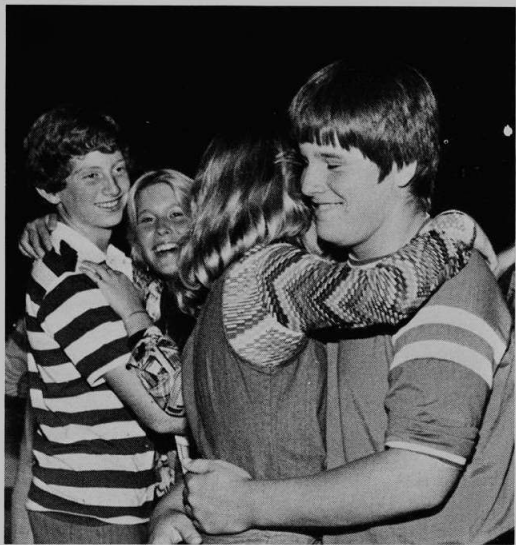

The semi-formal homecoming dance was held in the girls' gym at 8:00 Saturday evening. The western decorations set the atmosphere for the students as they danced to the music by the rock band, "Choice." Afterwards, the hungry students piled into the dance studio to enjoy ice cream and toppings supplied by Baskin Robbins 31 Flavors.

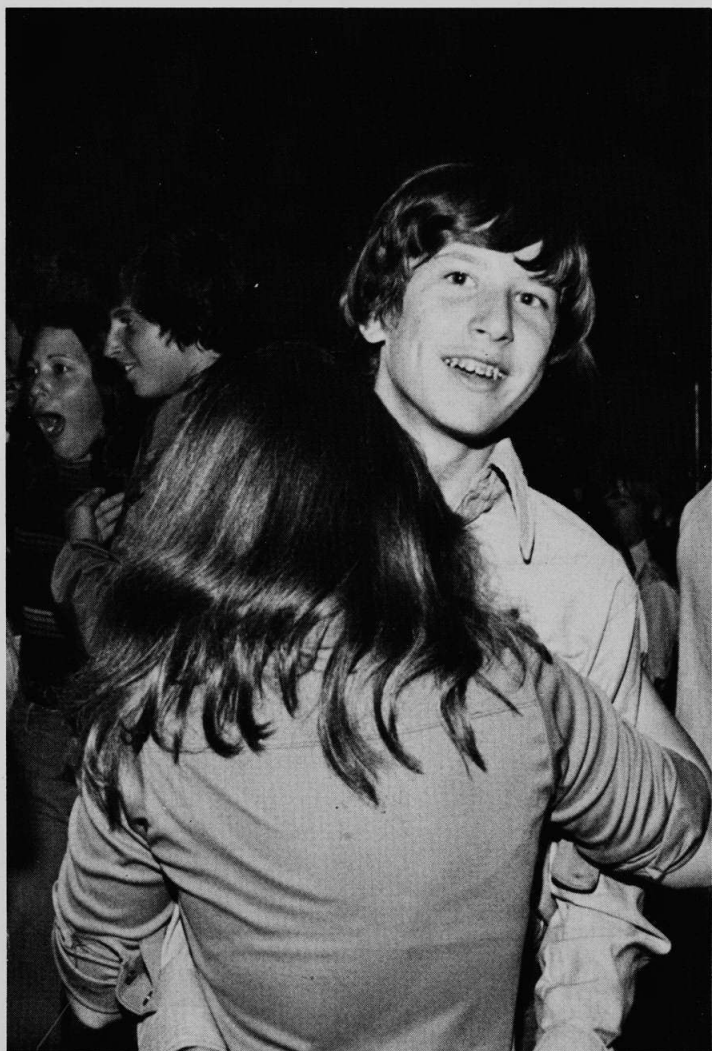

The Homecoming Queen, Renee Bielinski; King, Chris Klancic, and their courts Sari Gold, Mary Knish, Andi Liss, Shawn Moses, Laura Wu, John Carlson, Jim Kipnis, Jim Schuman, Tom Siemsen, and Ricky Yale were announced at about 10:30.

Thanks to the efforts of the Homecoming Committee, chairman Ilene Levin, and co-chairman Cathy Bernstein, this year's homecoming was another Trojan success.

THERE WAS TIME FOR TOGETHERNESS AT THE FRESHMAN MIXER

The class of 1980 had its first social event Friday, September 17th. A large portion of the freshman class attended. Many gathered outside early, eagerly awaiting the 8:00 opening of the doors.

The Freshman Mixer was held in the girls' gym. After overcoming the initial shyness of being among so many new classmates, the freshmen made new acquaintances and enjoyed dancing. The music, provided by the group "Neptune," helped add to the atmosphere of excitement. The Freshman Mixer proved to be a good start for four years at Niles East.

SPECIAL EVENTS . . .

Throughout the year, the Music Department presented several choral and instrumental concerts. Audiences were treated to many pleasurable hours of entertainment.

Towards the end of the '75-'76 school year, the Theatre Department again organized a small group of students to form a Children's Theatre. They performed several short humorous skits, each ending with a moral. They were presented at several area elementary schools.

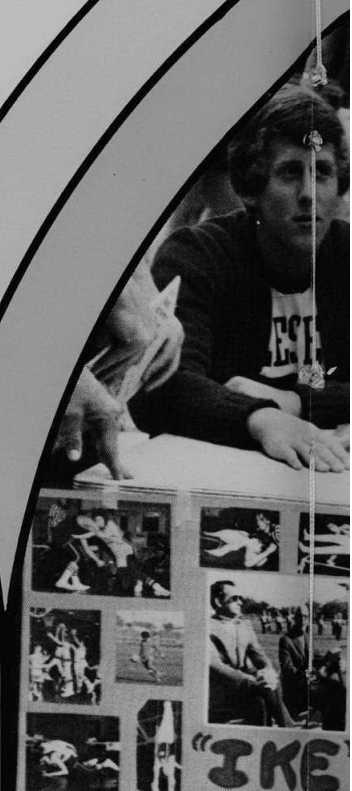

The month of March was declared National Youth Art Month. Our Art Department celebrated this by having an all-day workshop for the staff and students. The combined efforts of all these groups created a huge graffiti mural.

TEAM FIELDS .500

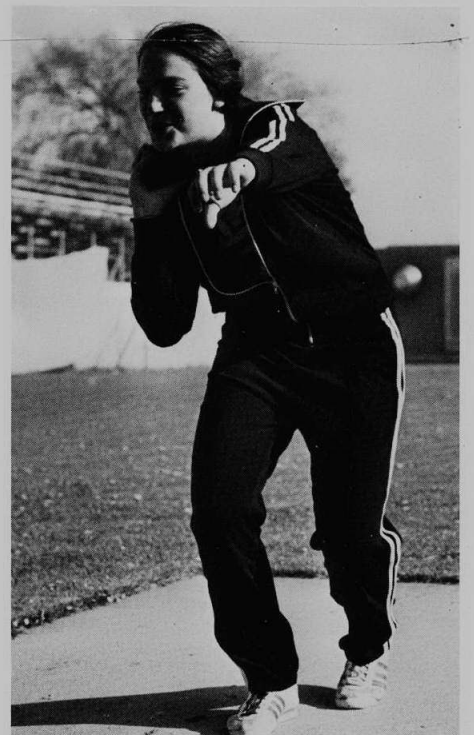

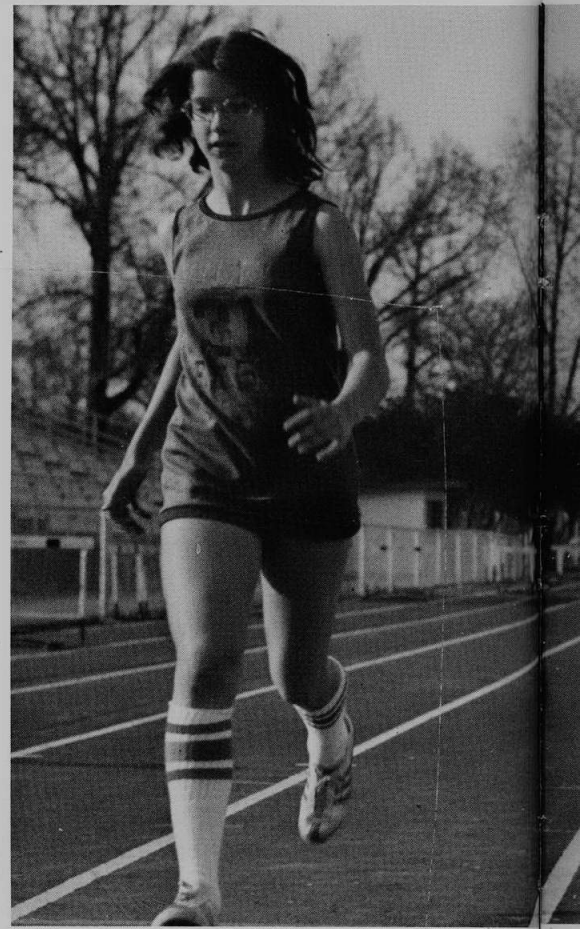

Under the leadership of Coach Chris Woodard and Captain Debbie Jaski, the varsity softball team played a very exciting, and impressive season. Hard work advanced the girls to the subregionals of the state tournament. The team's outstanding players were Judy Lee, the Most Valuable Player, Ellen Schwartz, the Most Proficient, and Andy Slowik who compiled a .466 batting average. The girls were proud of their 5-6 season record.

The Junior Varsity team was coached by Skip Petrezlka, the first man to coach a girls team. Both teams practiced daily at Oakton Park. An excellent atmosphere of sportsmanship led to their 3-5 record.

TEAM PRODUCES LEAGUE CHAMPS

Coaches Carroll and Trella were proud of their 1976 Track Team. The girls' hard work and good sportsmanship made a successful team. Highlights of the season were Jamie Borkovitz placing 8th in discus throwing and Karen Behr placing 22nd in shot put in the State Finals. League champions were Wendy Paulson in high jump, Karen Behr for shot put, and Jamie Borkovitz again in discus throwing. Though the team completed the season with an 0-5 record, their great strength in field events made it a very respectable season.

ARCHERS BEST SEASON . . .

With a strong foundation and hard work, Coach Wojdula led the Girls' Archery Team to its best season in four years. Because of a large turnout, it was possible to have a varsity and junior varsity team. Nancy Paulson, number one archer, qualified for the State Archery Meet, the first one ever held. Ellen Schwartz, Ellen Schwartz, and Andi Slowik, were the other top scorers for the team. With each team member's skill, the team compiled a 3-4 record.

The 1976 Track Team consists of: **(BACK ROW: LEFT TO RIGHT):** Coach Carroll, Mary Kinnaman, Mary Binnall, LeeAnn Achimovich, Debbie Precht, Amy Lashinsky, Jamie Borkovitz, Dawn Flakne, Jean Krier, Karen Behr and Coach Trella. **(MIDDLE ROW):** Caroline Eberle, Wendy

Highlights of the season were Jamie Borkovitz placing 8th in shot put and throwing and Karen Behr placing 22nd in shot put in the finals. League champions were Wendy Paulson in high jump, Karen Behr for shot put, and Jamie Borkovitz again in shot put. Though the team completed the season with an overall 4th place, their great strength in field events made it a very successful season.

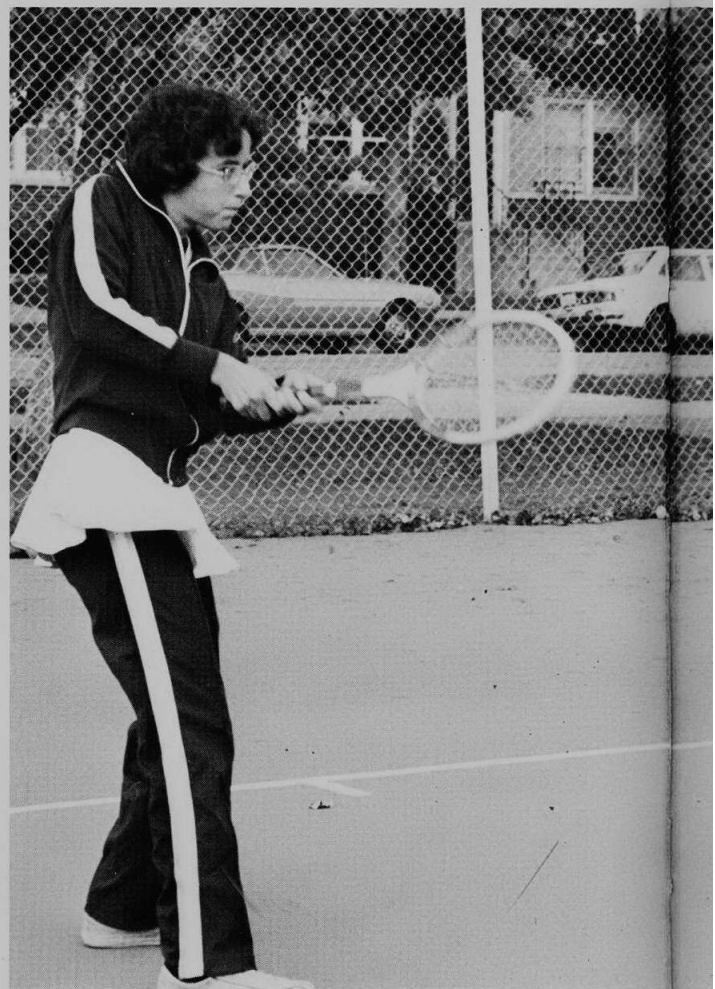

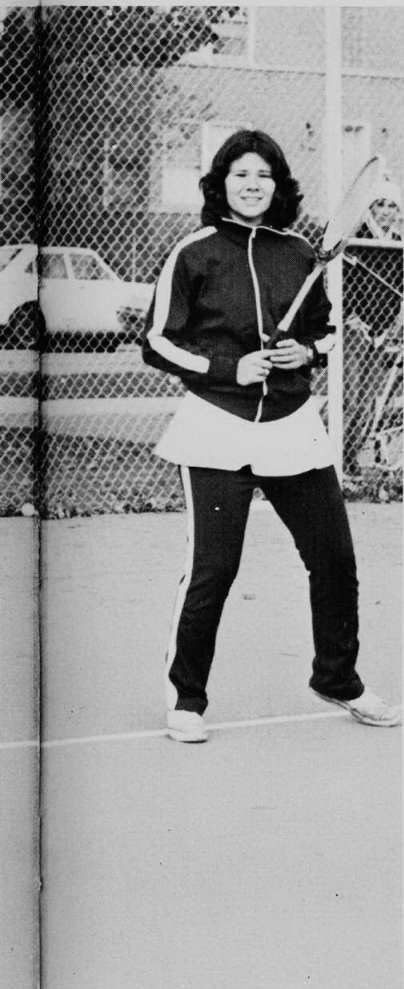

ARCHERS BEST SEASON . . .

With a strong foundation and hard work, Coach Jean Wojdula led the Girls' Archery Team to its best season in four years. Because of a large turnout, it was possible to have a varsity and junior varsity team. Nancy Ciran, number one archer, qualified for the State Archery Meet, the first one ever held. Ellen Schwartz, Beryl Schwartz, and Andi Slowik, were the other top shooters for the team. With each team member's skill, the team compiled a 3-4 record.

8 WINS, 2 LOSSES

Placing 2nd in the Central Suburban League brought the 1976 Girls' Tennis Team to a successful finish. Cooperation between Coaches Pat Matlak and Cass Diamond as well as the team made possible a sensational 8-2 season record. Among the tennis stars were Mindee Epstein, placing 1st in 1st singles, Claudia Brisk, taking 1st in 2nd singles, and Julie Millman, capturing 2nd in 3rd singles for the League. This unusually good season was the result of improved skills, positive mental attitude, and great group spirit. With this combination, next year's season looks promising.

The 1976 Tennis Team includes: **(BACK ROW, LEFT TO RIGHT):** Coach Diamond, Jo-Flor Martinez, Barbara Chabner, Cindy Shapiro, Jan Blitt, Claudia Brisk, Debbie Precht, Karen Gillespie, Andrea Dubow, Jean Russell, Mindee Epstein, Coach Matlak. **(MIDDLE ROW):** Anita Nuss-

EIGHT NEW TEAM RECORDS

The main problem for the 1976 Swim Team was lack of swimmers. The team was not large enough to fill all the swimming positions during the meets. Under the direction of coaches Berke and Boyle, the girls improved steadily. Breastroker Erica Bokor and freestylers Jody Coninx and Dawn Flakne constantly finished in first place. Team records were set by these girls plus butterflyer Cheryl Underwood and diver Jane Nesbitt. It's performances like these, not the poor win-loss record, which truly reflect the attitude of the girls and the nature of the swimming.

The 1976 Swim Team was: ((**TOP ROW, LEFT TO RIGHT**) Dawn Flakne, Cheryl Underwood, Janet Chavin, Jody Coninx, Mary Kinnaman, Patty Glysing, Julie Ellison, Jeannie Hausman. (**SECOND ROW**) Coach Jackie Boyle, Janet Tortennsen, Nan Odlivak, MaryPat Cristantie, Erica

Boker, Laura Finn, Jane Nesbitt, Coach Marcia Berke, Kathy Matz, Donna Thiry, Sue Jacobson, Leslie Cupp, Caroline Eberle, Marcy Locasha, Sue Gockenbach.

TEAM WORK ALL THE WAY

The Varsity Volleyball team had a fantastic season. A season's record of 10 wins, 5 losses placed the team second in the Central Suburban League. The team, rated by most coaches as the best in the district, was defeated in the district finals by New Trier East. Next years team will be hurt by the loss of graduating seniors, but returning juniors will insure the success of the team.

The Junior Varsity team, coached by Cass Diamond, was a very well balanced team. Their devotion and hard practices resulted in a 5-6 season.

The Freshman team, coached by Jaci Boyle, finished the year with a 1-7 record. The team is filled with many up and coming players determined to continue the winning tradition of the varsity.

GYMNASTS REBUILD TEAM

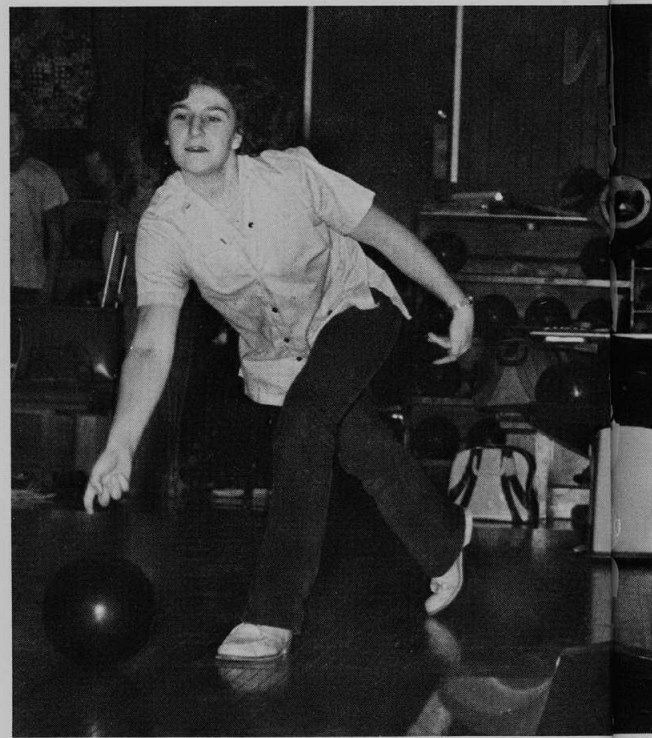

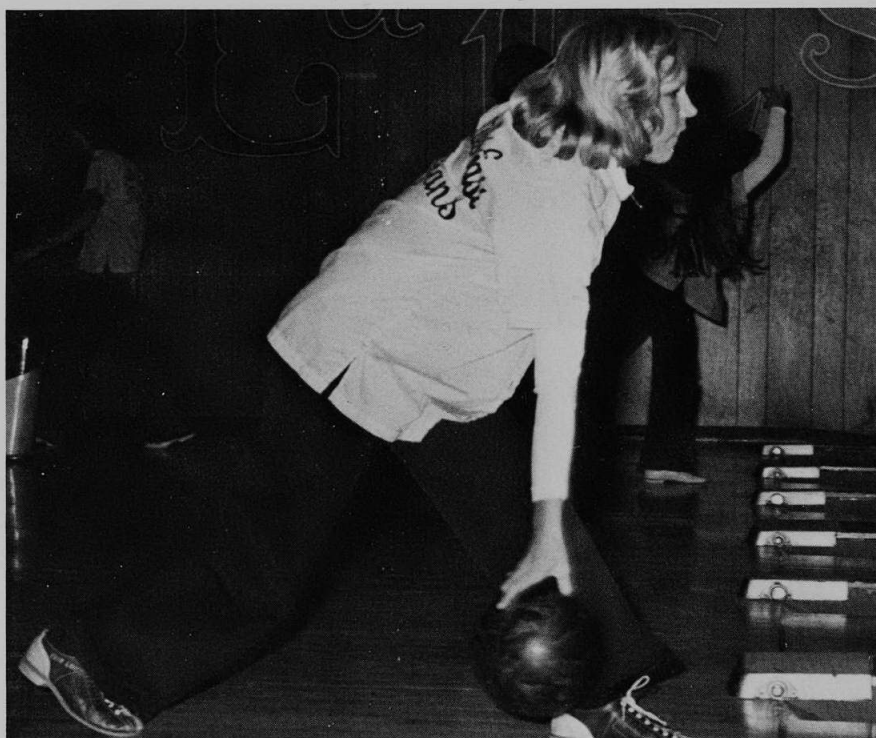

This year's gymnastic season, like past ones, was filled with changes. 1977 was the first year a state meet was held. All meets had a different format with four girls performing optional routines and three girls performing compulsories. Coaches Berke, Caliendo and Moeller picked a team composed of mostly freshman and only four seniors: Elise Kaplan, Carol Landy, Mary McCracken, and Robin Shore. The season was not successful, however, high scorers were Gigi Carlson, Sharon Lee and Jane Nesbitt.

In the invitationals, the team hosted three tournaments. Seniors Lisa Frank and Vivian Maniates took 1st place in doubles, while Val Scheinpflug and Carolyn Ohlwein took 3rd place. Both varsity and junior varsity captured 4th place in the Niles East Invitationals, and in the IHSA District Tournament, the team placed third. The outstanding bowlers of this successful season included Lisa Frank, Vivian Maniates and Cindy Kouzoures.

A training program in the sophomore and junior years qualifies a senior girl to be a physical education leader. As a leader she utilizes her training skills to assist the physical education teachers. Endurance, precision timing, and grace are necessary for water ballet. These elements, in addition to new stunts and synchronized stroking, were practiced throughout the school year by the club members. The end result, the annual water ballet show, displayed all these skills. The 1976 show consisted of interpretations of childhood games. Presented at the Niles West Pool last spring, the show was enjoyed by all who saw it.

TROJANS HOPED FOR 76 VICTORY

Although the football team had a disappointing season, there was a lot of spirit from the team members and coaches. The Varsity Team had dreams this year of an average season, but they just could not manage it. Their performance gave them a winless record, in spite of the fact that they had the energy and the players to have a winning season. Head Coach Gerald Ferguson and Assistant Coaches Steve Poznansky and Bill Langston believed it was a year that could be improved upon. But considering that the team's schedule is one of the toughest in the state, the team had a great trying ability. Hopes for the upcoming football season, according to Coach Gerald Ferguson, include eighteen incoming lettermen. All-Conference James Kipnis and Honorable Mentioned Chuck Thiry and Joe Naumes will also be in the fight for victory next year.

BOOTERS ARE OPTIMISTIC FOR WINNING

Under the coaching of Hollister Sandstead, and the assistant coaching of William Bulthais, the Varsity soccer team achieved a conference record of 2-5 and an overall record of 7-8. Although it was only a fair year for the team, they gained momentum and began to put it together towards the end of the season. Outstanding players on the varsity team include goalie, Brad Moss, Dan Stone, who was named to All-Conference, and John O'Malley, who was also named to All-Conference in addition to being honored with the Most Valuable Player award. Next year's team, which will have many returning juniors with already a year's experience on the varsity level, will help to make the varsity team contenders for the upcoming season.

ROADRUNNERS DETERMINED TO WIN

This year, the determination of team captain, senior, Ken Golub and, junior, Ed Santacruz led the varsity team to a fifth place conference record. Both team members placed in the districts and Ed Santacruz was named to All-Conference. Outstanding runners on the sophomore team included Jeff Pozen, Phil Waller and Marty Brisk. The cross country team's hard work and assistance of head coach Tom Ristow and assistant coach Todd Dvorak guided them to an encouraging season. A second place finish in the Maine North Invitational and a third place standing in their own Trojan Invitational highlighted the team's year. Next year, the team has hope of being better than ever. Their future looks to be promising.

GOLFERS UP TO PAR

The Golf Team had a good season. The team finished fifth. According to Coach Richardson the team finished 5th because of the ability of the players. They worked hard to achieve many goals this season; for example, they placed 10th in the Quincy Invitational out of 20 teams. They also tied a school record of 153 in the dual meet victory over Conference champion, Glenbrook North. The team could not have won without the outstanding achievement of Rick Martini, who shot a 35 (1 under par) in a match against Glenbrook North. The effort put in by Mark Brown, Jordan Lohn, and Steve Nelson helped tremendously. It was an adequate season for the Golf Team of Niles East.

GYMNASTS HAVE GREAT FORM — FINISH IN TOP TEN

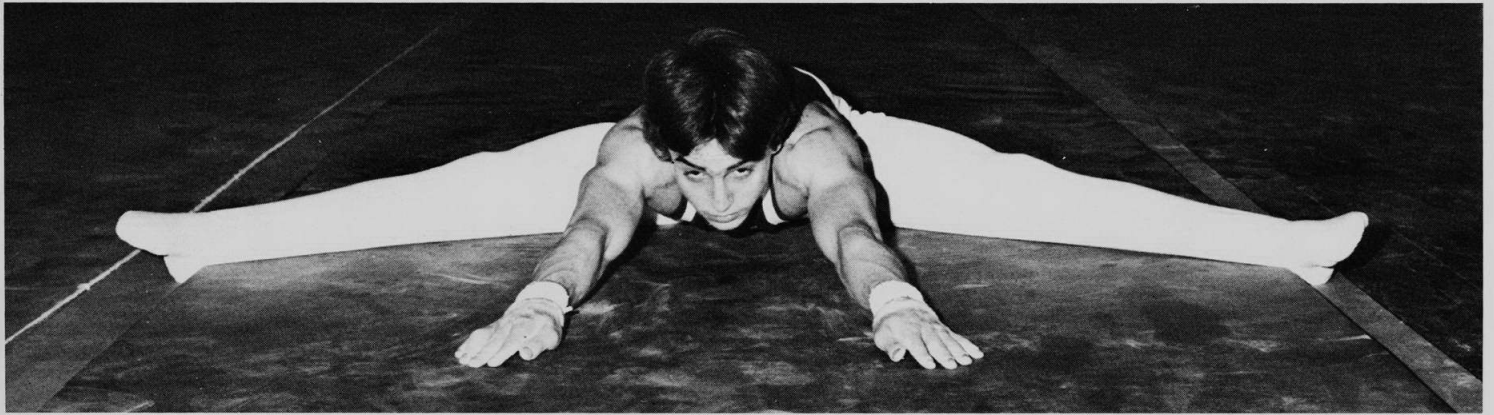

This years gymnastic teams did an excellent job. Both the Varsity and Freshman teams finished second in their respective Conferences and the Varsity took first in Districts. This outstanding feat placed them well within the top 10 teams in the state. There were also three district champs this year; Brain Austin (Still Rings), Jim Burke (Side Horse), and Chris Besser (All-Around and Free Exercise). Head Coach Tom Sokalski said, "although we are

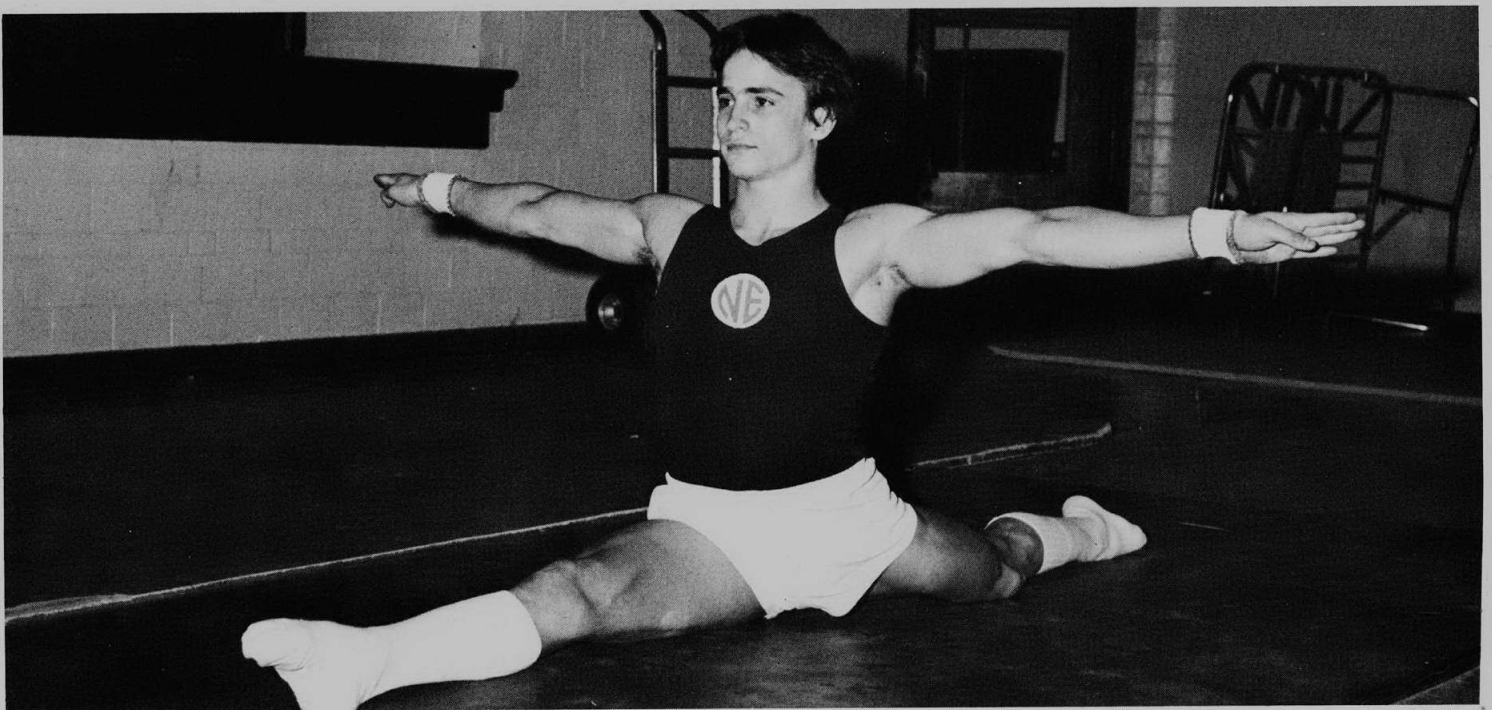

losing some fine seniors, next year's team looks very good with lettermen Chris Besser, Bill Saputo, and John Lopez, all returning to the all-around spots." They will be supported with fine sophomore specialists and existing lettermen on upper levels. These young gymnasts got their experience with the guidance of assistant coaches Seymour Rifkind and Robert DeCarlo, both helping tremendously.

CAGERS HOPE FOR A REBOUND

This year's Basketball Team, under the coaching of Emil Capitani and Bill Bulthais, was a good, competitive team although it was hampered by a lack of size and experience. Head Coach Capitani remarked that the first string Varsity Team consisted of only one senior, which resulted in the team's lack of experience. This fact coupled with a very difficult schedule made it extremely hard on the Varsity Team. In spite of this year's record though, Coach Capitani is hoping for a great rebound and a winning record of over .500.

FENCERS MAKE THE POINT

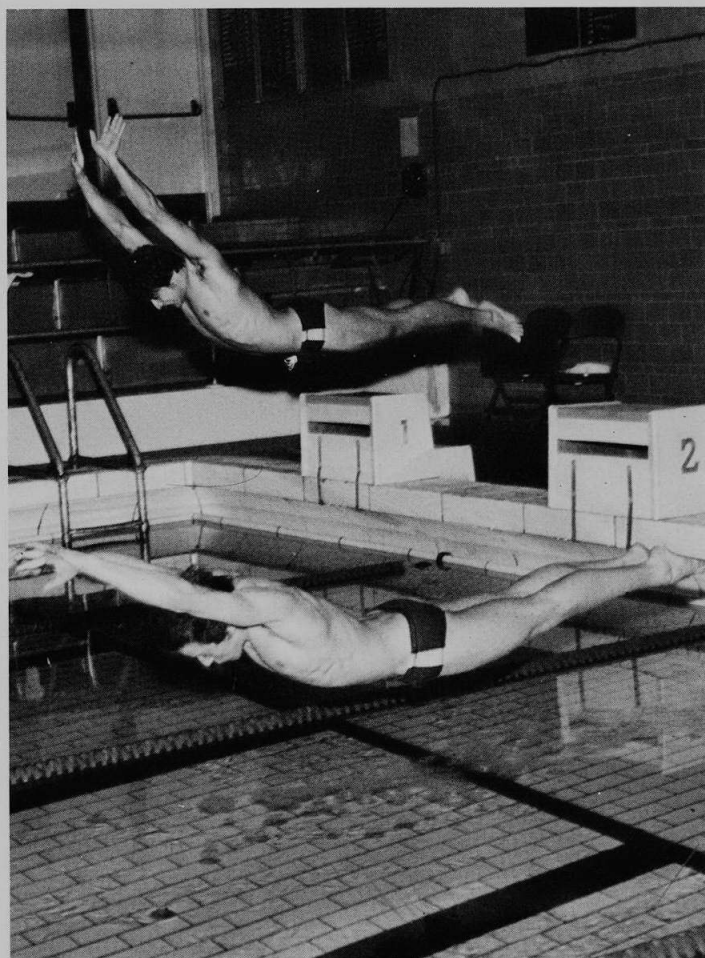

This year's fencing team filled other schools with holes, as they won 4 out of 7 dual meets. The team's 13 members helped to achieve these victories. Continued improvement by Junior fencers was evident in most of the dual meets. The confidence of this year's team was greatly improved and was reflected in their performances. Allen Tish, Chuck Heftman, Steve Kessler, and Bill Samuels helped tremendously to achieve these victories.

SWIMMERS GLIDE TO A GREAT SEASON

This year's Varsity Swimming team was highly successful in most of the season's swimming meets. According to Coach Oddivak, the Freshman team, though inexperienced, had an excellent season. Both Coach Oddivak and Assistant Coach Stempel are expecting some of the swimmers from this team to compete on all levels next year. If these swimmers maintain their spirit and continue to improve every year, Niles East should have a conference contending swimming team. For most people swimming means fun and recreation but for this year's swimmers it means intense competition against individuals, teams, and the clock.

WRESTLERS TAKE #1 A FIRST FOR NILES EAST

This year's wrestling team has achieved a goal that no other sports team in Niles Township has ever reached before. With a 26-1-1 record, they grappled the conference titles on all four levels, to land on top of the conference. Head Coach Richardi stated many reasons for this great accomplishment. He said he had a well balanced team of excellent and dedicated wrestlers, none of whom had a losing record. Coach Richardi highly praised his other head coaches, Al and Steve Poznansky and Karlo Hartunian.

Next year, Coach Richardi says that it will probably be a rebuilding year because so many seniors are leaving. But with hard work the wrestling team could make alot of news again.

Members of the Sophomore Wrestling Team include, **(BACK ROW, LEFT TO RIGHT):** Coach Hartunian, Joe Broton, Dean Secler, Jay Walinski, Mark Pollock, Orrin Edidin, **(MIDDLE ROW):** Jim Stukas, Denver Santilan, Neal Schneider, Dru Scarbrough, George Kafkis, Mitch Friedlander, **(FRONT ROW):** Dan Sarasin, Neal Kaplan, Dave Zaslowky, John Lamanna, Aaron Frankel, Not Pictured: Don Schmidt, Wayne Dressler.

BALLPLAYERS HOPE FOR IMPROVED PITCHING

Last year the Varsity Team was made up of many fine players. This was proved by their 5-9 conference record. This record would have been reversed if they would have won the four conference games they lost by one run each. The pitching seemed to be their main fault and Coaches George Galla and Bill Coulson hope that improved pitching will come through. If it does, it should be a winning year for the baseball teams. Outstanding players Mark Brines, who made All-Conference, and Bob Tortenson, who also made All-Conference helped to pull the team to victory. In addition, Mark Brines also played in the East-West All Star Game last summer.

NETMEN FOLLOW- THROUGH

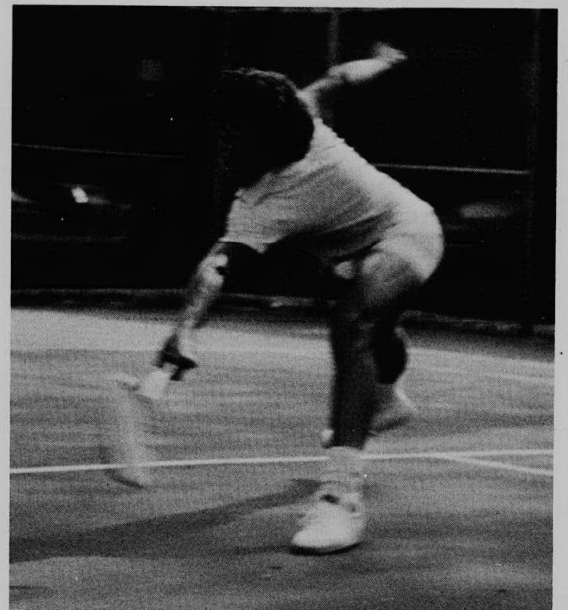

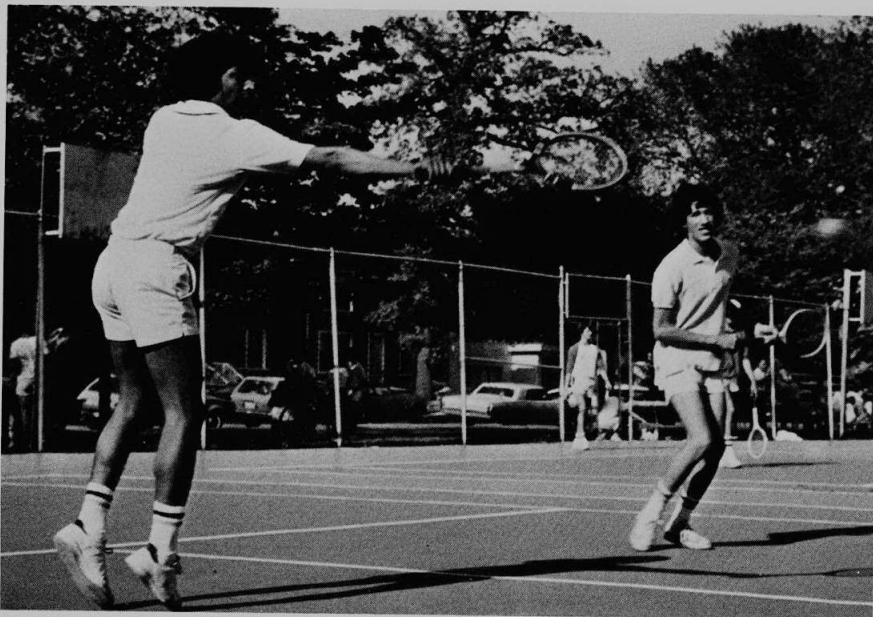

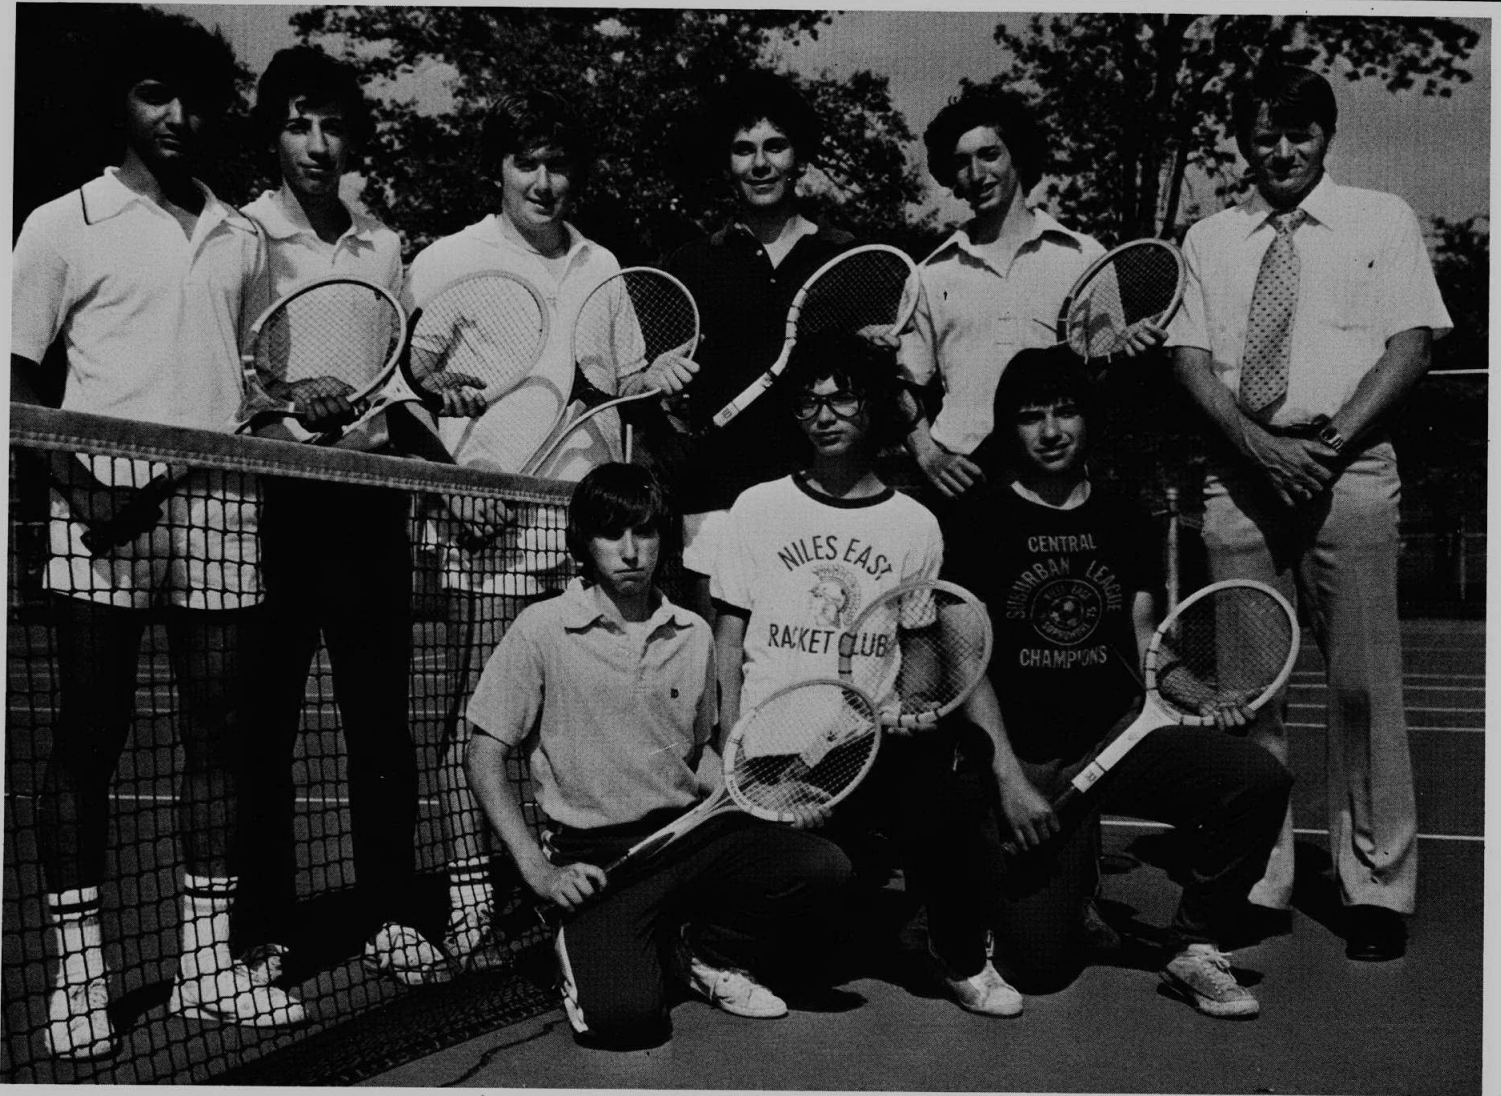

The Tennis teams played superbly this year according to Coach Baker and Coach Winans. The Varsity and Sophomore teams both had a record of 6-6 which was truly outstanding. The '75-'76 Varsity team placed second in the league behind the undefeated Niles North squad. Also the Sophomore team won the Conference title, while the Freshman team ended their season with a 5-2 Conference record. The Trojans are now in a new division consisting of eight teams. The division is made up of squads from Maine South, East and West, Glenbrook North and South, and Niles West and North. Coach Len Winans was very satisfied with the '75-'76 record, but is hopeful that this year's team will do even better.

UNDER-

CLASSMEN

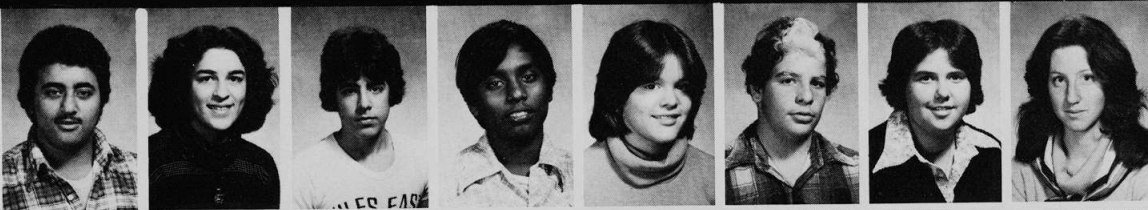

As President of the Freshman Cabinet, I have been asked to try to tell about our goals. It is impossible to know what all of the freshmen see in their future. We know, however, hard work and studying is ahead of us. Our teachers and parents will help us grow and mature. When the time comes to leave this school, we will be prepared for college or to enter the business world. We hope to help and please everyone.

The class of 1980 may well be the last, but for us, it is just the beginning.

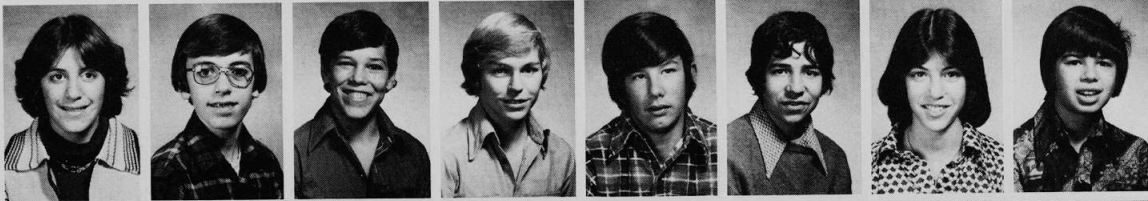

Thank you,
Karen Zaban

The Sophomore Cabinet is a group of students who plan fun activities for the benefit of all the students at Niles East. Our major goal was to make enough money to give the Juniors and Seniors an enjoyable prom and to increase the spirit in the school. Some of the activities we planned were Donkey basketball, a big spring carnival, a hayride, bake sales and more. We met about once a week to discuss these plans and to think of more.

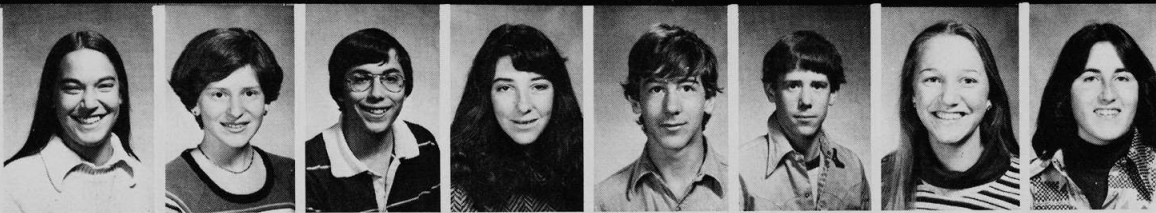

A great deal of credit should be given to Mr. Steve Poznansky, our sponsor; to Lauren Berg, vice-president; to Amy Lashinsky, secretary; to Lisa Poteshman, treasurer; and to all the other members of the club.

It is a good organization and all Sophomores are welcome to join.

The present Junior Cabinet has been working two long years raising funds. All this hard work and effort will culminate in this year's prom, the theme of which is, "This One's For You." Our class, as a whole, has been a very successful class, both scholastically and athletically. Looking back at ourselves we see, for example, the freshman talent show, a winning sophomore football team, and again, this year's prom. Now we are enthusiastically looking forward to completing our high school education. Niles East has the potential, in its last years, to become a memorable and rewarding place to look back on when we grow older. The Class of '78 is helping this become a reality.

The day that the yearbooks are distributed is a day of tremendous excitement. The yearbook is the culmination of a year long project that requires the work and dedication of many special people. The section editors were: Barb Chabner, Andy Goldstein, Eileen Saltzman, Ellen Brin, Ed Nemmers, Bob Noesen, Cheri Gassel, Karen Andre, Sandy Mohr, and Janet Ginsburg. They undertook their responsibilities with enthusiasm. We would like to thank each staff member for their contributions. Credit goes to Mr. Tom Kaiser for one of the strike pictures. We appreciate the assistance of Mr. Dennis Eder, the representative from the American Yearbook Company. We thank Root Studios for supplying most of our pictures. We would also like to thank our assistant advisor, Mr. Dennis Grabowski. His constant help and advice was invaluable, especially regarding artistic aspects of the book. Most of all we thank our advisor and friend, Mr. Mel Pirok, whom we have had the good fortune to know for three years. He made it possible for the staff and editors to work together. We couldn't have done without his experience in this field. Finally, he made working on the yearbook a fun and worthwhile experience.
