### 116 Seniors *Shubin* Receive Diplomas

This year's graduating class, the largest in the history of the school, numbers 116 pupils. Three members of the class completed their credits in January with the close of the first semester. Three more expect to finish at the close of summer school.

Next year's class will approximate 150 pupils. The 1943 class will number over 180 pupils. The 1944 graduating class — this year's Freshmen group — will be well over 200 students.

When the 1944 class joins the ranks of the alumni, the "old grads" will then number nearly 1000, and graduates of N.T.H.S. will be found far and wide, enrolled in all walks of life.

### NTHS Rates High With State Department

Following his visit to our school early in May, Dr. P. E. Belting, Assistant Superintendent of Public Instruction of the State of Illinois, submitted a letter to Supt. R. E. Cotanche, in part, as follows: "The School Board, the Superintendent, and the teachers are to be congratulated on the great improvement that has been made in the Niles Township High School".

### NTHS Receives North Central Award

The Niles Township High School, under date of April 25, 1941, has again been placed on the list of secondary schools approved by the North Central Association of Colleges and Secondary Schools.

This recognition, the highest recognition granted to any high school, permits all pupils, accepted by any college or university, to enroll without entrance examinations.

### Outstanding Senior Boy and Girl

The Niles Township High School presents at Senior graduation these awards for outstanding achievement.

The 1941 Scholarship medal will be presented to Jeannette Huemmer, who averaged the highest grade for four years of work.

The various coaches named Ben Domas for the 1941 Athletics medal. Ben has not only been an excellent student, but he is the only senior to earn major letters in three sports.

Congratulations, Jeannette, and Ben.

### Appreciation

Thanks:

To the Senior Faculty Committee, Mrs. Esch who assisted us at Commencement rehearsals, Miss Klaus and the choir, Mr. Collins and the orchestra, the office, the administration, the Board of Education, our fathers and mothers, Juniors, and all others who have assisted to make our years of high school profitable and enjoyable, we wish to express our sincere appreciation.

The Class of 1941.

## GRADUATING JOURNALISTS

Final remnants of the Nilehilite's original staff graduate. Concluding a brief career of journalistic work.

Clark Barton: Staff's No. 1. means of sports coverage. The most legible hand writing found anywhere in Room 108.

Phylliss Braeseke: Most often misspelled name. Leads staff on poetry. Always seems to want a committee for something.

Annette Carroll: Staff typist. Only editor who goes around looking for work. Sticks strictly to G.A.A.—her old stamping grounds.

Florence Gable: Only editor who gets her work in promptly, and we mean on time.

Bob Reiland: Is a good feature writer. Usually takes care of the bowling news.

Bill Stevens: Feature writer. Most original speller; most original at excuses—excuses for anything.

This year the beginning Journalism Class is losing several efficient members of its staff. These are: Sal Rizzo, who contributed to "Printers' Devils," Jane Comstock and Norma Delfino, who wrote "The Cat's Meow," and feature stories; and Betty Kelly who wrote "Platter Chatter" and poetry. Who knows, perhaps some of these pupils will be great Journalists someday?

### Senior Cabinet

There was really a story behind the minutes of the Senior Cabinet meetings. You don't think the meetings went off as smoothly as those minutes read, do you? Oh, no! It took the Cabinet three meetings to decide on the graduation exercises. Remarks flew so fast and furiously that Ben Domas, president, has a hard time keeping the meeting in order; and Sue Schaeffer, secretary, an even more difficult time jotting down the minutes.

Each senior Home Room was represented in the Cabinet by four members. Other officers were: Bob Reiland, vice president, and Betty Kelly, treasurer. The cabinet planned many important activities this year for the seniors, such as: the senior picnic, graduation announcements, and the senior breakfast.

### To Mother - From Daughter

Dear Mom and Dad,

I'm all alone now in my room. It's very quiet out; the sun is just sinking behind the trees. You are downstairs rushing around a little excited at having your daughter graduate, and you are very happy and proud. I can see it in your eyes.

Dad will be home in a few minutes; we'll eat, and then—. The reason I'm writing this is because I was just a little bit restless and a little afraid. But now, as I pour my thoughts out to you, I lose that restlessness and that funny feeling in the bottom of my stomach, because I think of you two to whom I have always been able to turn. I think of you as people who have fed me, clothed me, brought me up to be something in your eyes that you always wanted me to be. And most of all you've given me every bit of love you have ever possessed. And now, —I'm not a baby anymore. I've grown up and I hope I'm half of what you wanted me to be, because you've worked so hard. And I have tried, you know that. I haven't been on the honor roll, and I won't be the most outstanding graduate this evening, but I have tried, and that's what I want you to know.

I just heard dad come in and you called me to come down to dinner. I love that tinge of excitement in your voice, Mom dear. Now that funny feeling is coming back, but before I close, I want you to know, you and dad, that I'll always think of you as the grandest people in the world. It was you two who made sacrifices for me so that I could have the best. Now it's my turn to help you — and I will. Wait and see —.

Your loving daughter—,

### Seniors Sponsor Study Hall

This year Nilehi inaugurated a study hall under student supervision. A group of seniors set up rules and regulations governing the study hall.

The eight seniors who worked in shifts throughout the week are to be highly complimented on their success. The Senior Committee was: Phylliss Braeseke, Chairman; Leone Becker, Merwyn Becker, Kermit Faust, Florence Marglaski, Emma Schmelzer, Edward Springer, and Adaline Stachon.

### Seniors Head Student Faculty Forum

The Student Faculty Forum of Nilehi, came to a close after a very successful year concerning school government. The purpose of the forum is to encourage students to take a part in the governing of the school. Students are appointed from various homerooms to part-take in the forum. A representative and an alternate are chosen from the homerooms, the representative having the privilege to vote on all matters brought up during the meetings. Dick Paroubek presided as president, with Frank Thulstrup as parliamentarian, and Phylliss Braeseke as secretary. Other seniors who were members of the forum were: Perry Anderson, Paul Mikota, June Vincent, Clyde Henning, Betty Meuer, Bill Peterson, Kermit Faust, Art Hanneman, Clark Barton, and Dorothy Kranz. We hope that next year we may have as active and successful a forum as this year's organization.

### Seniors Instruct Science Classes

Seniors Wm. Ross and Edward Hienz have been assisting Miss Stone by instructing the girls' general science classes. While beavies of the fair sex hovered about the motors in the auto shop, "Bill" and "Eppie" explained the parts of an automobile, their purpose and operation, after which the girls asked questions—"wise and otherwise." The young ladies appeared to be most interested in the Cadillac V-8 motor and its roaring exhaust.

### Art Scholarships

Jeanette Blameuser and Edith Luxem have been given a six-week free Saturday scholarship to the Chicago Academy of Fine Arts, a qualifying class for a full two year free scholarship valued at \$350.00. We are rooting for these girls, and hope that they both win this valuable two-year scholarship.

## Seniors Reveal Plans- Half to College, Others to Work

Fifty percent of this year's graduating class have indicated their intention of continuing their education next September. The others will enter various fields of work.

To each of these groups we wish success in whatever field they enter.

## University Scholarships Awarded to Seniors

Phyllis Schlotterbeck, senior, was notified last week that she has been granted a one hundred and fifty dollar scholarship by Northwestern University. Miss Schlotterbeck will apply the grant on her freshman tuition at the University next fall. Northwestern University also announced a grant of fifty dollars to William Feich, senior, for tuition at the Northwestern University College Evening School.

Donald Rhodes was honored by the announcement just released by the Illinois Institute of Technology that he had won an alternate scholarship of three hundred dollars to the Armour College of Engineering by placing among the first twenty among three hundred Chicago area high school seniors who competed in a recent examination in science and mathematics.

Laura Nunemacher and Winifred Flagg have been named for the State Normal college scholarships which will be honored next year at Northern Illinois State Teachers college at De Kalb. These are tuition scholarships and can be applied for each of four years of attendance.

## TO THE SENIORS!

Four years pass in tribulation,  
Striving for an education.  
After first day registration,  
Which includes all information,  
Came those long examinations.  
Teachers harped on demonstra-  
tions,  
Calculations and equations,  
Estimations and translations,  
Organizations, presentations,  
Illustrations, applications,  
Exploration, explanation,  
All these things called education.  
Four years pass in desperation.  
This year is the termination  
Of your mental cultivation.  
Pictures, friends, and relations!  
Baccalaureate! Graduation!  
You've made the grade!

Congratulations!

by Phyllis Braeseke

# Seniors, Do You Remember as the Years Pass in Review?

Do you remember, Senior, how terrified we were our first day at high school? And how we waded through hoards of grade school kids to find our new classes at Lincoln School? Remember our community lockers? Of course you couldn't have forgotten the infantile paralysis epidemic that gave us a week's vacation so soon after school began.

In our first year the new school was still in the blueprint stage. But we didn't mind that because we had such diversions as the first Hobo Day and the spring play, "Another Spring," to keep us happy. As freshmen we girls became charter members of the G.A.A. Freshman-sophomore shift, twelve o'clock to four-thirty, was a great temptation to our keeping late hours. G.A.A. rules suffered more than once!

Then do you remember how the excitement of moving into the new building completely overshadowed the worry and gloom of mid-year exams? With the new location came those new hours, nine to two-fifteen, that were so super. Another innovation of our sophomore year was the new Student Faculty Forum which had much to say in school affairs. Then we had our first big chance to sponsor a social activity—the Sophomore Snowball Dance.

But, you remember, it was our junior year that really found us in the swing of things. We joined the See Chicago Club and saw Chinatown, Maxwell Street, and the Tribune Building. We extended Chicago a little and took in Washington, D. C. We also gave our attention to the Spanish Fiesta, the school's first international night, and to the Egyptian Water Carnival, and to "What a Life."

And girls, will you ever forget La Femme Hop which gave us our first chance to escort the man of our dreams? We even had our Bonnie pictured in the NileHiLite, our paper then just five issues old, dragging off Jonnie as unwilling (?) quarry.

Then you remember that all-important event of any year, the Junior Prom. We girls put aside our saddle shoes and sloppy Joes to blossom forth in billowy gowns. You boys splashed on extra doses of hair tonic in vain efforts to make your heinies sprout. It was our glamour evening, for sure!

We all felt pretty big being Seniors last fall. Preparations for college and job hunting were serious problems. Memories from the lighter side include that melodrama at the Senior Party which was funny enough to make Hitler forget Hess. Then the football skit at the Spinners' Skip with the girls decked out in the football team's fall ensembles was pure panic. Trips to the County Jail, the Garfield Park Conservatory, Springfield, and Hull House were events on the See Chicago calendar. Water Carnival went Aztec. With "Don't Take my Penny" the curtain fell on the final performance of many seniors.

Forgetting some of the social whirl for a moment, think back over the innovations of this year. (You don't want to think tonight? Well, all right, since it's graduation we'll think for you.) This year saw: a new size for the NileHiLite, chimes to introduce announcements, the new Pep Club, the beginning of the All Girl Orchestra, new uniforms for the band, twirlers and twirling coming to the fore, synchronized swimming, and an exchange assembly. See? Really a lot when you think about it.

And now, if we may do so without seeming sentimental, we would like to wish that our future will have as many happy memories and bring as many good friends as these four years of high school did.

## Breakfast Closes Senior Activities

The cafeteria was the scene on Wednesday morning, June 11, of the last meeting of the Senior class before Commencement. The occasion was the Senior Breakfast.

Over their last cups of coffee, (or was it cocoa) these near-alumni listened to various members of their class give their final words of encouragement in prophecy of better days to come. The Class Will also had its place in the program. Then, too, there were athletic awards, not previously presented, honorable mention awards, and also certificates for both scholarship and attendance.

After the breakfast came the issuance of the caps and gowns which was followed by the first of the two Commencement rehearsals, one also scheduled for Thursday morning.

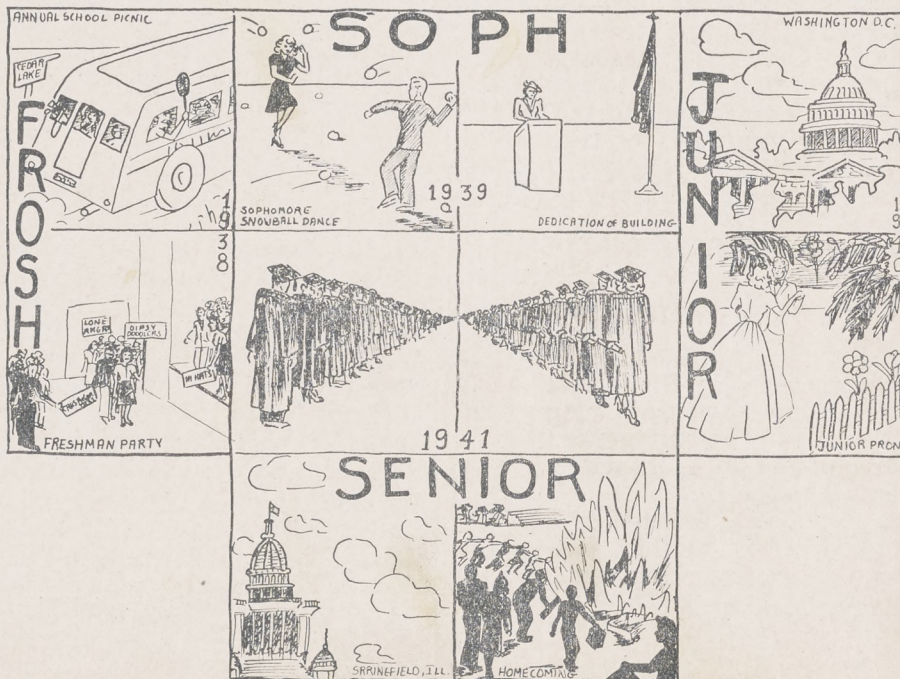

Commencement days are busy days.

## Mother, Your Daughter CAN Cook!

"Good cooks can be made," says Miss Line, Home Economics instructor.

Outstanding Senior cooks, she announces to all concerned, are Virginia Baity, Bernice Boyk, Jane Comstock, Helen Miller, Genevieve Becker, Clara Ketter, Virginia Berry, Carol Blameuser, and Mildred Risinger.

"Mothers can also pay particular notice," she says.

## Senior Scholarship Awards

The winning of a scholarship award is an achievement at Niles Township High School, where competition is live and keen. To win a gold pin, it is necessary for a student to earn 28 points, each point representing placements on the quarterly Honor Roll. A silver pin indicates 21 points; a bronze pin 14 points.

Seniors who will receive gold pins at Commencement are:

Gloria Bartz  
June Berg  
Phyllis Braeseke  
Ben Domas  
Don Fisher  
Lloyd Friend  
Jeannette Huemmer  
Dorothy Kranz  
Phyllis Schlotterbeck  
Edward Springer

Silver and bronze pins were presented at the Senior Breakfast to the following:

**Silver**  
Rita Jane Fisher  
Isabelle Hoth  
Laura Nunemacher  
Marjorie Riser  
William Stevens  
**Bronze**  
Florence Gabel  
Edith Luxem  
LaVerne Schuler

## J. Huemmer Receives Reader's Digest Award

Jeanette Huemmer in earning the high scholastic honors for the Class of 1941, is receiving an engrossed certificate and a year's subscription from the Reader's Digest.

Each year the Reader's Digest presents this award to young men and women throughout the country who, as graduates of these many high schools, have shown by their efforts promise of attaining leadership.

Congratulations, Jeanette!

## D.A.R. Citizenship Award

Phyllis Braeseke is receiving on Commencement Night, the D.A.R. award for citizenship. Mrs. G. E. Harbert of Park Ridge, representative of the D. A. R., will make the presentation.

Phyllis was selected by a vote of the faculty for her outstanding efforts in promoting school activities.

## Six Seniors To Attend Boys State

On June 28 the following Seniors, Richard Paroubek, Robert Freres, Robert Reiland, Richard Wilson, Perry Anderson, and William Peterson will board the Special Boy's State Express at the Union Station which will speed them to the Illinois state Fair Ground's at Springfield for the 1941 session of Premer Boy's State. Other representatives from N. T. H. S. are: Richard Solon, Francis Keegan, William Dickinson, and Robert Moore.

Boy's State is a junior organization modeled after our state and local governments. The State is divided into cities, counties, and Judicial Districts. The officers of the government are boys elected by popular vote. While the fellows are attending this session they will go to special schools, according to their positions. There are four of these schools: Peace Officers, Law, Civil Service, and one for Political Office Holders.

Boy's State in Illinois is a rather new idea as this is only the fifth year of operation. Thirty-six other states in the Union also have a Boy's State. The American Legion is the sponsor of this instrument to teach American boys the American form of government.

## Attendance Awards, Presented to Nine Seniors

Virginia Baity, Mary Louise Boyd, Phyllis Braeseke, Annette Carroll, Isabelle Hoth and Clara Ketter will receive Honor Certificates for four years of perfect attendance in high school. Honorable Mention certificates will be given to Nick May, Shirley Dilg, and Leone Becker for an attendance record of two days or less absence.

Seniors wipe your tears away  
You'll soon forget us anyway  
With college life and all its flings  
Or the paycheck that your slaving brings.

## Thanks - Edith

The 1941 yearbook, differing considerably from the annual productions of past years, has received much praise from its subscribers. To Edith Luxem, chairman of the Committee composed of members of the Senior English classes, must go much of this favorable commendation. It was Edith who supervised the work of the group, under the direction and guidance of Miss Berry. It was her particular task to not only plan the contents of each page in the year book, but to review the written materials of each member of the group, and later to proofread the printed copy.

We say to you, Edith, "Well done."

## NTHS Students

### Win Dramatic Awards

Six talented members of Niles Townships Dramatics classes proved their ability in competition with other students from this area when they took more than their share of dramatic scholarships offered by several schools.

Those who won scholarships are: Chris Lindhoy, 1 year scholarship to the Goodman theater; Grace Good, 1 year scholarship at the Chicago School of Expression; Shirley Dilg, partial scholarship at the Chicago School of Expression; Helen Miller, Summer scholarship to the Chicago School of Expression; Irene Guenther, partial summer scholarship at the Chicago School of Expression; and Clyde Henning, 1 year scholarship at the Columbia College.

Senior winners of major dramatic awards are: Bill Stevens, Helen Miller, Paul Mikota, Chris Londhoy and Catherine Nelson.

Minor awards were presented to: Irene Guenther, Shirley Dilg and Clyde Henning.

## Three Girls To Attend Girls State

Winnifred Flagg, Genevieve Becker, and Violet Eifler will carry the banners of N.T.H.S. to the Illini Girl's State this year. The Conference will be held at Jacksonville from June 21 to June 28.

Winnifred and Genevieve were selected by the American Legion Auxiliary of Skokie. Violet was named by the Morton Grove Auxiliary.

## G.A.A. Charter Members Graduate

Among this year's graduates are the charter members of Nilehi's G.A.A. Three seniors holding office are: Annette Carroll, president; Phyliss Braeseke, secretary, and Winnifred Flagg, treasurer. They are to be especially congratulated upon their cooperative spirit which enabled the G.A.A. to make such rapid progress.

Each year, for the past three years, the G.A.A. has sent girls to camp. These girls are elected by fellow members and by the faculty, on the following points: sportsmanship, scholarship, citizenship, cooperative spirit, personal appearance, extra curricular activity, and leadership.

There are three girls graduating this year who have been so honored: Phyliss Braeseke (summer of 1939 at Lake Geneva) Annette Carroll and Lorraine Baumhardt (summer of 1940 at Lake Villa). No seniors are sent to camp because camp opens during Graduation Week.

### G.A.A. Awards

The G.A.A. awards letters and emblems according to a point system endorsed by the Illinois League. The first award is a blue and orange emblem "G. A. A." (600 points). The second award is the blue and orange "N" granted after 1200 points have been accumulated. These are local awards. The Illinois League awards the third letter a blue and white "I" for 1600 points. The highest award is a "Map of Illinois," awarded for a grand total of 2,000 points.

Two proud young ladies who received the "Map of Illinois" are Lorraine Baumhardt and Phyliss Braeseke.

Those girls who received the prized "I" are as follows: Leone Becker, Irene Gunther, and Viola Pearson.

The "N" is being awarded to: Carol Blameuser, Annette Carroll, and Winnifred Flagg.

The letters G.A.A. are presented to Wanda Dudick, Helen Miller and Lavergne Schuler.

Congratulations all of you!

## Senior Cheerleaders

Nilehi will lose four snappy pepsters with the graduating of the class of "41." They have done a grand job and have been staunch Trojan supporters on the floor and field. The four are Leone Becker, Phyliss Braeseke, Eva Herman, and Helen Schuett.

One year's service on the Junior Varsity squad is a prerequisite for Varsity work. Eva and Phyliss have been varsity cheerleaders for three years. Helen and Leone have served on the varsity squad the past two years. Three cheers for these lassies.

## Tennis Doubles Take Second

Chris Lindhoy and Bill Stevens, Nilehi's doubles team, captured second place this year in the North-east Conference tennis meet at Leyden on May 25. Lake Forest defeated Niles for first place.

## Juniors Serve As Ushers

Junior boys and girls who have been selected to usher on Commencement evening are: Robert Krier, Dorothy Lutz, William King, Frances Hamilton, Doris Mussil, Virginia Reuter, Carol Jaycox, Joan Pike, Betty Holmes, Jeanette Huemmer, Stanley Kendall, Charles, Artnier, and Grace Langan.

### Play Day Delegates

Upon occasion the G.A.A. sends delegates to Play Days at other schools so called because the girls do not compete against, but play with students of other schools. Delegates are elected by their fellow G.A.A. members. The following seniors have attended Play Day at some time during their high school careers: Lorraine Baumhardt, and Phyliss Braeseke (Barrington 1939) Leone Becker, June Berg, Carol Blameuser and Kay Sutter (Elgin 1940).
