# For Those Who Will Never Return . . .

*There is nothing we can do to bring our war dead back and little we can say to express our feelings, but as a very small token of our deep gratitude and respect we dedicate the 1946 Reflections to the sixteen boys from Niles Township High School who gave their lives that all the peoples of the earth may some day live together in peace, understanding, and security.*

### *To the Board of Education:*

In this, the first Nilehi Reflections since V-E Day and V-J Day, we wish to express our sincere thanks for your constant efforts to provide full educational opportunity at Niles Township High School through the war years and to provide for us the sound basis upon which we can build our achievement as citizens of a democracy in the difficult years ahead.

We do this on behalf of the 1946 graduating class, the general student body, and the faculty. Thanks for all you have done to make Nilehi a school to which we are proud to belong.

The Staff

*A Message  
from the  
Superintendent*

*A. L. Biehn, A.B., A.M., Ph.D.*

Since the close of the school year of 1944-45, the world has witnessed events of unprecedented importance to mankind in general and to high school students in particular. The triumph of our fighting forces over the foe in the Far East was paramount. It made possible the demobilization of armies and navies, the reunion of families, and the reconversion to peace time production. Our national debt is dwarfed by our debt of gratitude to the gallant men and women who risked their lives that this nation might endure, and is second only to the debt we owe to those who made the supreme sacrifice.

The present is, and the future may be, beset with problems the solution of which will require greater skill and ingenuity than that shown in the past few years. Our task is to provide the ballast necessary to keep this nation at an even keel. High school boys and girls can ill afford to shirk their responsibility.

LeRoy Lehman

The death of LeRoy Lehman on September 7, 1945, came as a shock to all of his many friends at Nilehi.

LeRoy was born June 27, 1928. He attended Morton Grove Elementary School before entering Niles Township High School. During his first two years here he was very active in football and basketball, but at the beginning of his junior year he was prevented from participating in sports because of a heart condition. He then developed his interest in machinery and out-of-door life.

LeRoy possessed many rare qualities of character, not the least of which was his dependability. His radiant personality won him popularity with teachers and students alike, and we will always remember the warm friendliness of his smile.

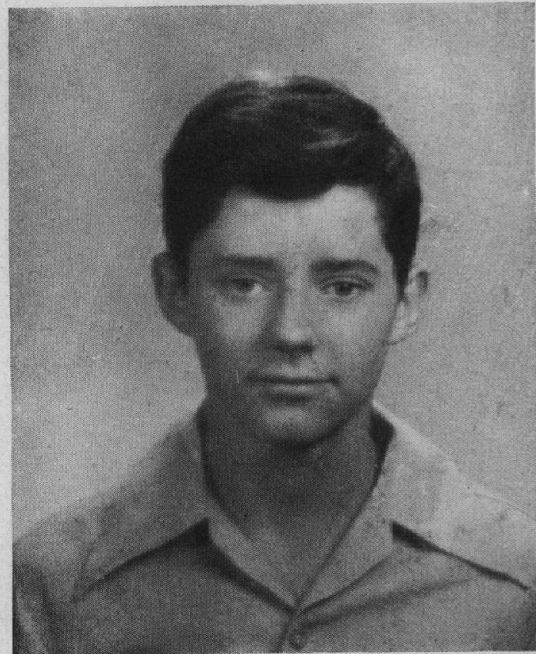

## IN MEMORIAM

Jerry Whalen

September 25, 1945, marks the day of Jerry Whalen's sudden death. Jerry had an exceptional personality. His smiling face and merry eyes will long be remembered.

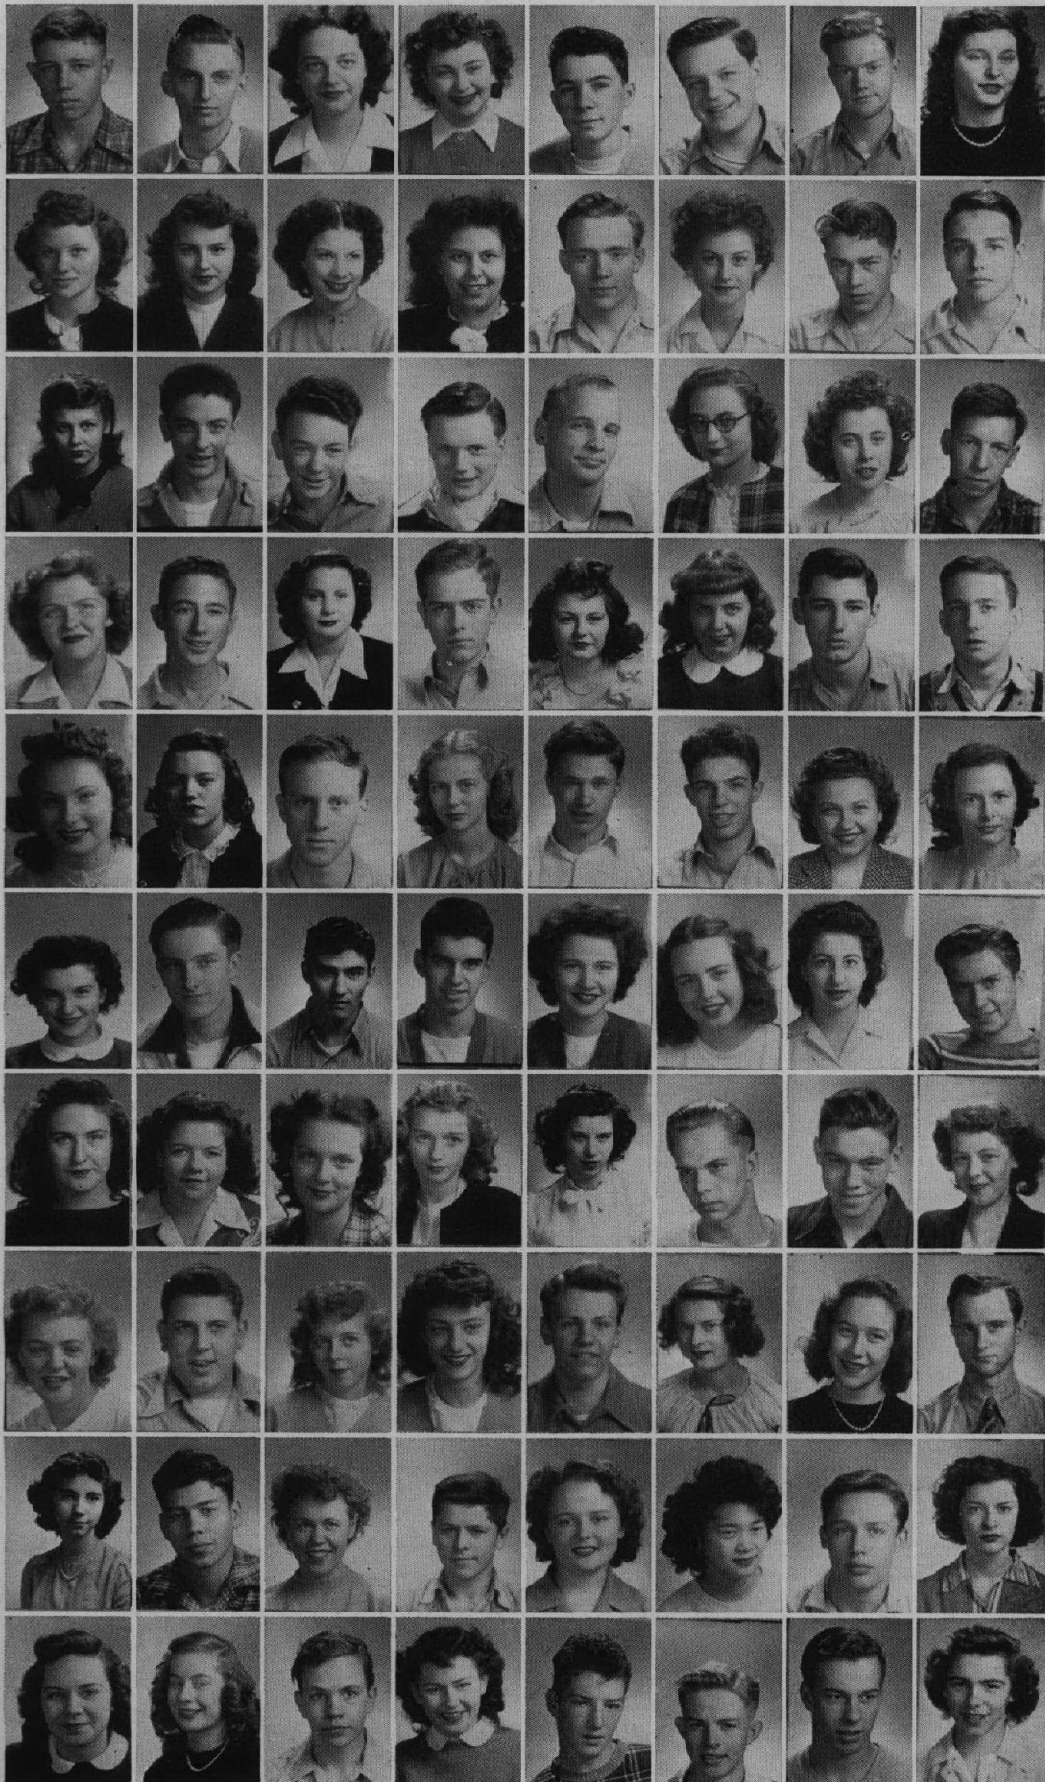

"Tiger," as he was called by his classmates, was a typical American boy who liked sports. He was a member of the Junior class and of the Junior Varsity football team at the time of his death.

Born on January 16, 1930, Jerry led a short but vivacious life. His many friends felt a deep loss when Jerry was taken from us. Happy memories of him will continue to live with us for a long time.

"Double Exposure"

## Footlights &

The dramatics classes at Nilehi are popular as a social as well as an academic activity. During the year, two plays were presented and enthusiastically supported by the student body.

On the evenings of December 6, 7, and 8, the major play, "Ever Since Eve," directed by Mrs. Esch and produced by her major and advanced dramatics classes, was given before capacity audiences.

On March 22 and 23, the second play, "Double Exposure," a three-act farce comedy, was very successfully presented by Mr. VanArsdale's beginning and advanced dramatics classes.

The Speech Contest, composed of serious and humorous declamations and sponsored by Mr. VanArsdale, was held earlier in the fall. The winners of the serious group who

Dramatics Night, sponsored by Mrs. Esch in May, gave the dramatics and radio students an opportunity to display their various talents. Students from Mr. VanArsdale's beginning and advanced classes in dramatics and radio were invited to participate.

The dramatics students and their teachers have worked hard during the year, and few people realize the amount of effort that goes into each presentation. All are important and share the responsibility—from the stars and supporting cast to the stage-crew and curtain-puller; from the electrician to the make-up crew who attend to the "Footlights and Grease Paint."

## Freshman Dance

On the left we see part of the Freshman Dance. Were they light on their feet? We hope so! These Frosh participants look a little puzzled, but learning to dance is both fun and helpful in later years.

## Party in Cafeteria

"Happy Birthday to you"—These familiar strains ring out again through the cafeteria. As you can see, Muriel's party was a big "blow out!"

Ah, School Daze! Twelve worried parents look in amazement at their program cards. "I could have sworn 310 was in the basement!"

### Parents in Cafeteria Line

After a busy "day" in school, the parents eagerly await their share of coffee and cake.

# THE VARSITY SWIMMERS

The varsity swimmers in their first year under Mr. Anton T. Schubert performed outstandingly well in the face of many difficult meets. The team was sparked by Ted Ebert, senior, chosen Most Valuable Man and elected Honorary Captain by his teammates. During the season Ted broke the school 100-yard crawl record which he himself already held. The fifty-yard crawl record was smashed by Herb Jones, sophomore, when he swam the distance at a 26.9 clip.

The Frosh-Soph swimmers showed outstanding promise as future varsity candidates by breaking every school record previously established.

Both teams, however, suffered several setbacks, but through their spirit and fight a greatly improved team met and defeated Waukegan, who had beaten them earlier in the season.

We can feel sure in saying that the 1945-46 team was the beginning of a new and better era for Nilehi swimming teams.

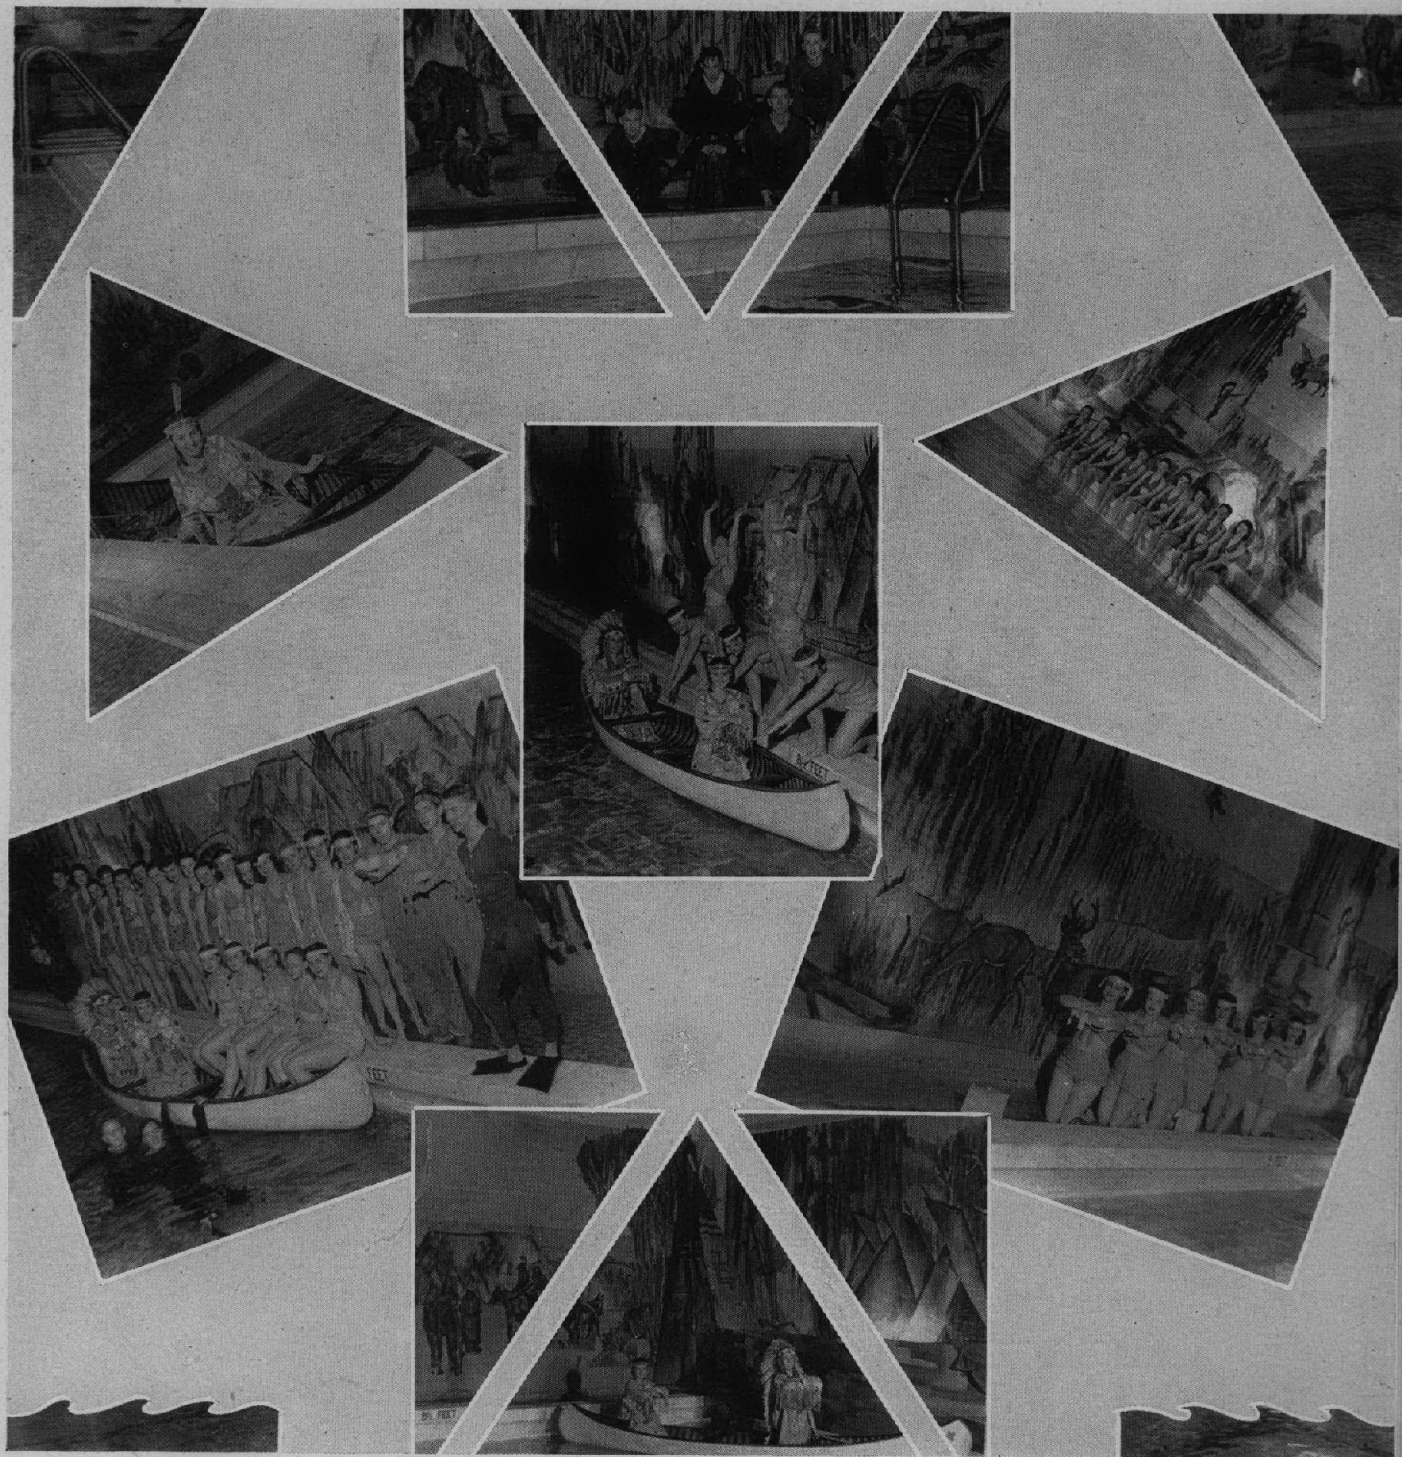

Bottom row, left to right: Louis Kettel, Jerry Dahm, Charles Massman, Don Olson, Gene Hegarty, Rudy Schmid, Robert Blessing.

Second row, left to right: Mr. Anton T. Schubert, Coach; Richard Dobroth, Ted Ebert, Jack Zimmermann, George McCormack, Richard Graf, Albert Heim.

# SPRING SPORTS

NILEHI BASEBALL fans had just reason to assume a cheerful attitude toward the 1946 season. With five regulars back from the 1945 conference co-champions, the Trojans appeared stronger in every position. Determined to avenge a trouncing received in the second round of the district tournament last year, the team hustled from the beginning of the season under the leadership of the new coach, L. E. Galitz.

The 1946 schedule included games with New Trier, Evanston, Highland Park, Leyden, Arlington Heights, Warren, Woodstock, and Barrington.

The veterans from 1945 who formed the nucleus for the 1946 team included Bob Bierbaum, infielder; Bob Roman, catcher; John Lane and Don Biehn, pitchers; and Herb Jaehnke, outfielder.

TRACK, ever increasing in power and popularity at Niles, was blessed with a good turn-out early in the spring.

Under Mr. Hussey and Mr. Isaacson, the candidates for Varsity and Frosh-Soph worked hard.

Second in the Northeast Conference last year, the cinder men faced an even tougher schedule this season, which included Crystal Lake, Lake Forest, Leyden, Warren, Arlington, Maine, and the Palatine Relays.

GOLF, in its second season under Mr. Kivilouma, although due for a pretty tough schedule, was promising.

Undefeated in 1945, with five wins and one tie, the team was in line for excellent results this season. The two returning lettermen to the squad were Bob Dombrowski and Gene Hegarty. In the State District Meet in 1945, Dombrowski missed qualifying by just one stroke.

The schedule this year consisted of Maine, Waukegan, Leyden, Bensenville, and Arlington in addition to the state district.
