John N. Matzer, Jr.  
Village Manager  
5127 Oakton  
Skokie, Illinois

Dear Mr. Matzer:

Please be advised that I represent Louis Black. Pursuant to ordinance 77-5-N-994, an ordinance relating to Parades and Public Assemblies, specifically Section 27-63, Mr. Black again makes demand that you, in your capacity as Village Manager, revoke the letter dated May 25, 1978 for an alleged demonstration to be held Sunday, June 25, 1978 by the National Socialist Party of America. We hereby make demand upon you since facts have been brought to the attention of the President, Board of Trustees and yourself which show that the Parade, Public Assembly, or similar activity does not and will not comply with the standards for the issuance of a permit as set forth in ordinance 77-5-N-994 and the Laws of the State of Illinois.

Amongst other violations, the application for permit tendered to your office dated June 22, 1977 and April 11, 1978 are filed on behalf of the National Socialist Party of America. No such organization exists and if one so does they are in violation of Chapter 96, Section 4, Illinois Revised Statutes. Further, the application does not contain sufficient information to comply with Section 27-53 specifically Sections A, B, E, H and I. Also, we are alleging violation of Section 27-56 specifically Sections A, B, D, E, F, G, H and I. Also we are alleging violation of Section 27-58 and 27-60.

Please advise my office as to your intent in the above matter. Mr. Black will take whatever action is necessary to insure that the ordinances of Skokie and the statutes of the State of Illinois are complied with. Hopefully we can resolve this matter without litigation.

Very truly yours,
