# WHO WE ARE

We are the children of change in Niles Township. We have suffered the bickering between teachers and administrators for many years. We strive to keep the progressive education North is famous for, despite conservative policy changes. We have witnessed a drastic population decrease, the closing of our sister school, and a shift of administrative personnel. We make the best of what we have. We are concerned with local and world issues. We are Vikings. We are proud.

# WHAT WE DO

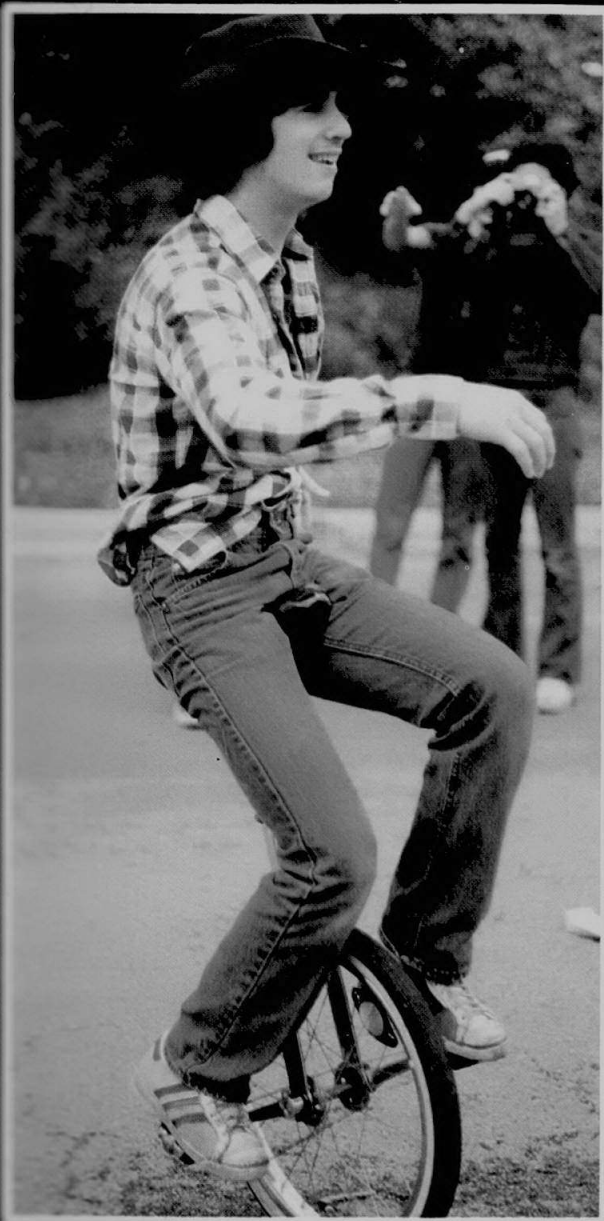

A change in time has brought a change in attitude at Niles North. After a period of apathetic feelings, political involvement has become more prominent in students' lives. A return to nature has been illustrated by an emphasis on outdoor activities. Physical fitness has become important as exercise and health foods have become a part of every day life. Our educational atmosphere is of extreme importance to us. We are becoming more spirited. We want the best for all.

# NEVER NEVER LAND

They said it never could be done. To think of it was pure fantasy. Niles North could never have a sports team in a state tournament. These were the words and thoughts of many Northi sports critics before the fall of '79.

Northi's varsity soccer team took the steps towards state competition following a very impressive season. After beating such soccer powers as Niles West, Maine East, and Gordon Tech, the last rated Vikings beat Loyola 2-1. Fans stormed the field in celebration as Niles North was headed to state. Northi remained undefeated in the sectionals by beating Francis-Parker 3-1.

Although the Vikings lost to Hinkley-Big Rock in the state championship games, Niles North is now recognized as a soccer powerhouse in Illinois. Northi was honored as Chicago Tribune-Chicago Sting team of the week. The Cinderella team proved the critics wrong.

"It was really great participating in a team that went the furthest in state competition in Niles North history. I hope in the future of Niles North, soccer will get more publicity and respect. We've always played hard in practices and have put out 100% in our games. I'd like to thank everybody who stood by us and supported the soccer team."

# HERE WE GO AGAIN

## UNION STRIKES 219

Two days before school was slated to start at Niles North, the Niles Township Federation of Teachers (NTFT) voted to strike District 219. All were caught off guard by the vote, as negotiating sessions were yet unfinished. This was the beginning of the longest of Niles Townships' four teachers strikes, leaving students in a bitter tug of war between the NTFT and the District 219 School Board.

Both parties soon reached an impasse when no progress was made in emergency negotiations. Union representatives felt their issues of salary increases, required extra-curricular activities and supervision duties, were not being seriously considered. Administrators felt union officials were too stringent with their demands.

"Hot lines" were set up by both the union and the school board to inform the community of the latest strike events. These lines were often called "propaganda lines" as they told the same story in a different point of view.

Niles North Student Congress hosted a district-wide town meeting to inform the community of strike issues. Board, union, and student representatives met together for

the first time in public at this meeting. Questions from the audience were answered by these representatives.

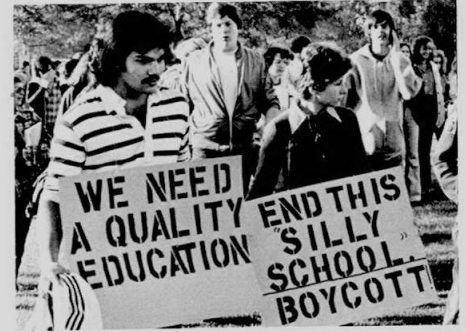

The administration opened school under a strike contingency plan. Dubbed as "silly school" by picketers, students attended generalized classes. Substitute teachers were hired to replace striking teachers. Attendance was excellent although students voiced dissatisfaction with the plan.

On the third day of "silly school" approximately 200 students marched out of classes to join the picket line — thus demonstrating the lack of merit they felt the plan had.

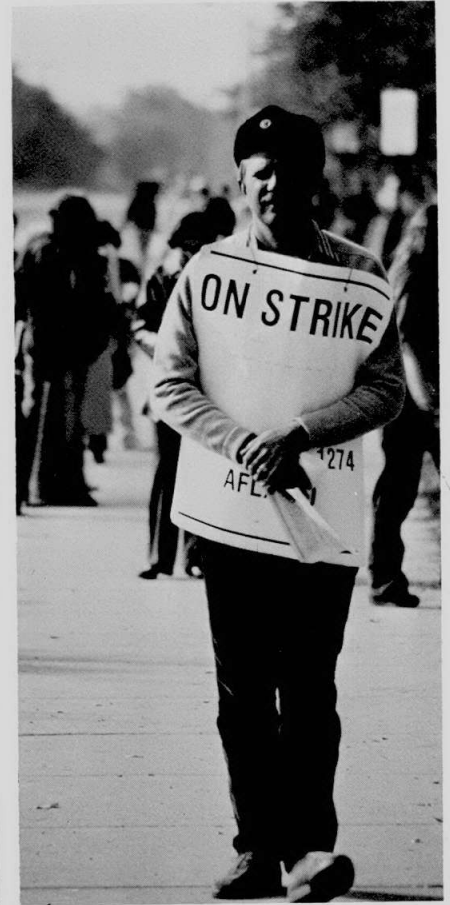

As the strike drove on, all parties concerned showed signs of restlessness. Students demonstrated on the lawn of the Central Administration Building to show disgust with the board and union for letting another strike situation occur. Teachers were accused of vandalizing the cars of substitute teachers. Parents published advertisements demanding the job of Superintendent Wesley Gibbs. Administrators felt pressure from the community.

Twenty-one days after the strike began, a regularly scheduled school board meeting was held at Niles West. Student Congress and community groups sponsored loud demonstrations at this gathering. All issues, excluding making up strike days, were settled at this meeting which lasted until 2:30 A.M. Teachers struck for one more day before returning to classes September 26. Their request to make up strike days was denied.

The after effects of the strike were devastating. Three weeks were lost in the education of Niles Township students. In the teachers' lounge union and non-union tables exist. Hard feelings survived the strike. Niles Townships' fine reputation was questioned. N.T.F.T. Newsletters immediately asked union teachers to be prepared in case a strike situation is necessary in 1982. Administrators began drafting a contingency plan for the same reason.

**LOCAL EVENTS**

The city that works became the city that worked during the 1979-80 winter. All Chicagoans wondered how Mayor Jane Byrne would survive her first winter in office, after beating Michael Bilandic on the issue of snow removal. Winter came and snow was no problem for Mayor Byrne; however, she soon had her share of problems. During the peak Christmas shopping period, the Chicago Transit Authority took to the picket lines. Merchants lost millions of dollars in Christmas business as customers and employees were left stranded by the strike. Chicago endured the strike with minimal inconvenience to commuters. Before Jane Byrne could relax, she faced a school crisis in January. Due to mishandling of funds, the Chicago School Board went broke and could not pay their employees. Teachers went out on strike and closed the Chicago school system for some time. Budget cuts, including school closings and personnel cuts, were made in order to pay teachers and open schools. While Mayor Byrne worked on the school crisis, reports hinted at a fire fighters strike. In February, Chicago's firemen walked out. Recruits were hired by the city to protect its citizens. Chicagoans lived in fear as they saw the city and the union arguing. Union president, Frank Muscare, was jailed before

negotiations could progress. Mayor Byrne learned the severeness of Chicago winters.

- Mayor Byrne became a national issue in October, 1979, when Jimmy Carter attended a Byrne fundraiser. At this fundraiser, a "showboat dinner", President Carter announced that Chicago would get a new international terminal at O'Hare Airport. Jane Byrne replied that if the presidential election were held that day, she would back Carter. All went home pleased; Byrne with a new terminal and Carter with an endorsement. A week after her "showboat dinner", Jane Byrne publically endorsed Senator Kennedy for the democratic nomination. Almost all were confused by Byrne's tactless endorsement of Kennedy. Instead of assisting Kennedy's campaign, the senator's popularity plummeted in the state of Illinois.

- At the start of the Memorial Day weekend of 1979, the worst plane crash in the United States occurred near O'Hare Airport. 275 people perished as American Airlines Flight 191, bound for L.A., crashed into a field at 3:03 p.m. The plane, a DC-10, lost an engine on take-off and suffered instrument malfunctions

before turning over and ripping into the earth. No one survived the accident, but many witnesses pieced together information for investigators. All DC-10s were grounded while each was checked for disorders. The cause of the accident was traced to a cracked pylon which split due to improper maintenance. Similar disorders were found on some of the grounded DC-10s. As horrible as this disaster was, it could have been worse. The site of the crash was just a few hundred feet away from a trailer home park, two major highways, and a group of policemen who were training police dogs. The crash of Flight 191 was the world's worst air disaster involving one plane.

- In February of 1979, the price of gasoline ranged from 75-80 cents a gallon. This amount shocked consumers as the price neared \$1.00 a gallon. In February of 1980, the price of gasoline averaged \$1.33 a gallon. Cook County paid the highest gas tax in the country.

- John Porter became a congressman in the 10th district, after Cong. Abner Mikva became a federal judge under the Supreme Court.

- Legends who died this year: John Wayne, Arthur Fiedler, and George Meany.

- Chicago was honored by the visit of Pope John Paul II this school year. The pontiff arrived in Chicago at 7:23 p.m. on October 4, aboard a plane named Shepard I. A mass held at Grant Park the next day, attracted 1.5 million people from across the U.S. During his trip, the pope captured the hearts of many Americans.

(cont'd from p. 12)

counter the actions taken by the U.S.S.R., President Carter initiated economic sanctions against the Soviets and asked for a boycott of the 1980 Moscow Summer Olympics. Carter also called for reinstating registration for the draft, causing heated demonstrations across the country.

On November 12, 1979, the United States' embassy in Iran was taken over by terrorist students. Backed by Iran's leader, Ayatollah Khomeini, the terrorists demanded that their ex-shah be returned. The ex-shah was in the U.S.A. for medical treatment. Refusing to buckle under the terrorists demands, the U.S. set out to free the fifty hostages held in the embassy through diplomatic channels. In February, Canada snuck six embassy employees out of Iran by passing them off as Canadian officials. Americans celebrated their return and thousands sent thanks to Canada. The election of a new president of Iran offered some hope for the hostages, but as of the time of this writing, the hostages are still held after 114 days in captivity.

On February 24, 1980, the 1980 Olympics at Lake Placid, NY, came to an end. Eric Heiden emerged as a superstar after winning five gold medals in speed skating for the U.S. Heiden was the first to win five medals in solo events. The U.S. hockey team also emerged victorious when they beat Russia and Finland for a gold medal after being underdogs in the competition. The U.S. walked away with more medals than it ever had before in winter competition.

# THE INS AND

The seventies proved to bring social changes to Niles North. While many traditional activities remained popular, more "liberal" feelings surfaced on the social scene. A survey of the senior class of 1980 illustrated some of these changes.

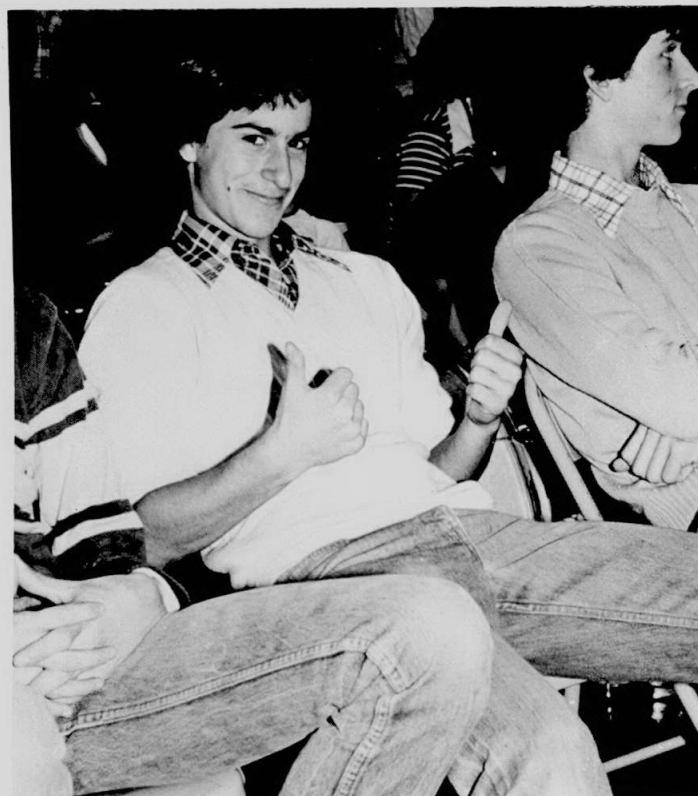

The movie theatre remained a popular gathering place for Northi students. However, instead of running to the matinee at the Skokie Theatre, attending the midnight show at the Biograph became in vogue as the Rocky Horror Picture Show found cult members at Niles North. Favorite movies included Rocky I & II, Jaws, Star Wars, Deer Hunter, Animal House, and Breaking Away.

In the music department Niles North students could not agree on a favorite song. Choices ranged from Babe and Sail On to oldies like As Time Goes By.

Al Pacino, Burt Reynolds, Clint Eastwood, and Dustin Hoffman rounded off the favorite actors of Northi while Jane Fonda, Barbara Streisand, Katherine Hepburn, and Meryl Streep were voted their female contemporaries.

# THE OUTS

Mark Schimmel and Rick Cepeda celebrate homecoming.

The rock groups Styx, Journey, and Supertramp were the Vikings favorite type of listening music, but disco was the most popular dance music.

An overwhelming victory was won by pizza as the favorite food available to students. Chinese food and steak followed in a distant second and third.

When it came to academics Northi students chose English as their favorite class. Least favorite was Chemistry. Math and Social Studies rated near Chemistry.

The Vikings remained loyal to local sports clubs as the Bears and Cubs were voted the favorite sports teams at Niles North. Walter Payton, Dave Kingman, and Bill Buckner were noted as favorite athletes. Bruce Jenner, Tracy Austin, Tai Baby-lonia, and Randy Gardner were personal favorites of some. Favorite school athletes included Ed Wittenstein, Ron Rys-togi, Jim Geier, Doug Loveless, and Cheryl Angelaccio.

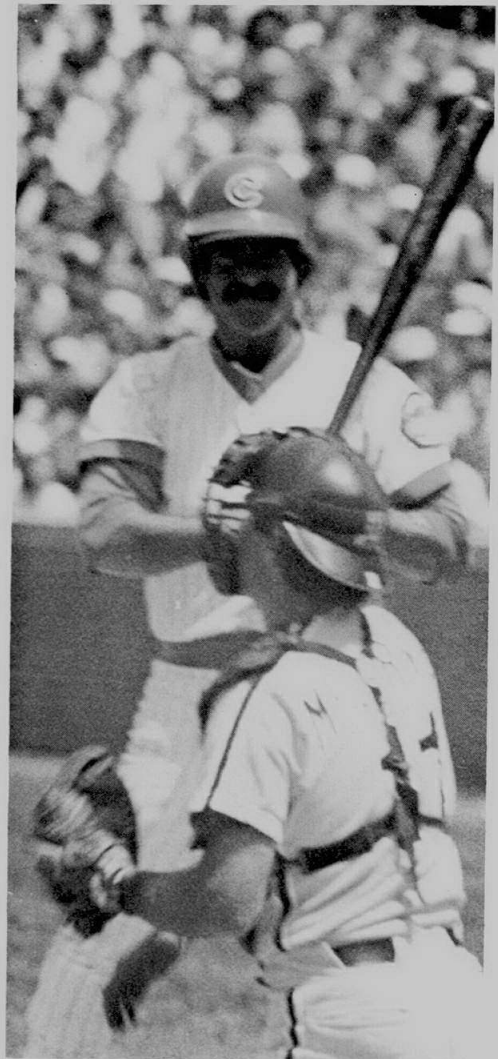

Although some things never change, many social activities have. Generally a back to nature and culture philosophy has sparked increased participation in outdoor events and further use of Chicago's cultural facilities. It appears that smoking and use of drugs is down. More students find it necessary to work in order to "get by". The attitude of the Niles North student is becoming more positive.

Often people comment on the lack of compassion at Niles North. This idea is always proved wrong during the Student Congress charity drive. Student Congress school cause committee chose Children's Memorial Hospital to receive the money it raised. This year chairpersons Karen Kring and Scott Becker worked to organize different fund raising events. A floor hockey marathon, a silent auction, and homeroom collections raised \$3,222 to help the hospital. The money was presented live to WIND's radio discjockey Norman Mark at the Brickyard Mall. Once again Niles North Students illustrated their compassion towards others.

# FROSH GRIDDERS IMPROVE GREATLY

The Freshman Football team showed great improvement during the year, but their competition were not rookies to the padded game as they were. Traditionally, Niles North Freshman Football teams have the disadvantage of playing against teams whose players have played football in leagues for years, and the new division proved no difference. However with hard work and dedication they have the opportunity to make up for this difference and bring a winning tradition to Niles North.

# SOCCER TEAM GOES TO STATE

The Varsity Soccer Team had a very exciting, successful, season by being the first team in the history of Niles North to qualify for state.

The kickers were the surprising champions of the Sectionals by defeating Maine East, Loyola, and Gordon Tech. Because of this they were named "Team of the Week" by *The Chicago Tribune*.

The team went on to the state quarter finals, only to lose to Hinkley-Big Rock 7-1.

# KICKERS PROMISE NORTH FUTURE

The Sophomore and Freshman soccer teams has an outstanding season this year. Both teams finished the season with excellent records.

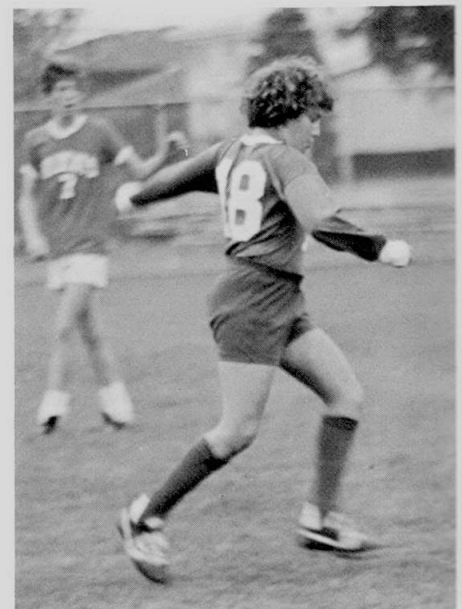

The sophomore finished their finest season ever, first in conference with an undefeated record of 6-0-1 and a season record of 11-0-1.

The Freshman A team had an exciting season. They finished the season with a record of 11-3. The success of the team can be credited to the 52 goals scored while only allowing 18. Even though it was a disappointing year for the Freshman B, the team used the year as a learning experience for their future year at Niles North.

# VARSITY CAGERS BATTLE OPPONENTS

Although our record may not show it, this years varsity B-Ball team has shown much enthusiasm.

The change in the supposedly easier conference really didn't make much difference. We are a team, we play as a team and there are no individuals among us. During the season we we did bring home a 2nd place trophy from the Thanksgiving Tournament. This gave us a little gleam for the rest of the year.

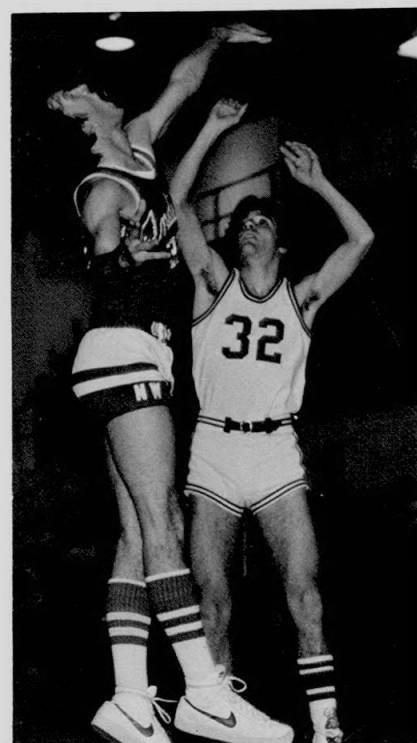

As all of us had said "No matter if you're a member of the Sweetness factory or Sparky's fan club, We Are Family.

"This year's Sophomore team had one of the best shooting and passing season in Niles North history," said Coach Florence. The team developed better skills defensively and offensively for playing on the Varsity level.

"The Freshman A team was composed of many players with limited exposure to the fundamentals of the game basketball. Once the team acquired the skills, they had the potential to play competitively with other teams," commented Coach Casten.

This year's Freshman B team lack size and strenght but made it up with alot of heart and desire. The team was led by the shooting and ball handling skills of Kevin Garner and Ken Lammersfeld.

The Track season began on the right foot indoors but when the sport moved outside many of the principles were lost to other sports. At one point the Varsity only had eight members, however the Frosh-Soph team was blessed with numbers. While the varsity finished with a 1-5 record, the JV finished with a 5-1 record. With the avid group of underclassmen, and the returning Lettermen there is no way this team can not improve.

# GOLFERS NOT UP TO PAR

The Niles North Golf Team had a disappointing season in their new conference. The Varsity and Sophomores found it hard to compete with teams with much more talent. The team finished their season with only two wins to six losses.

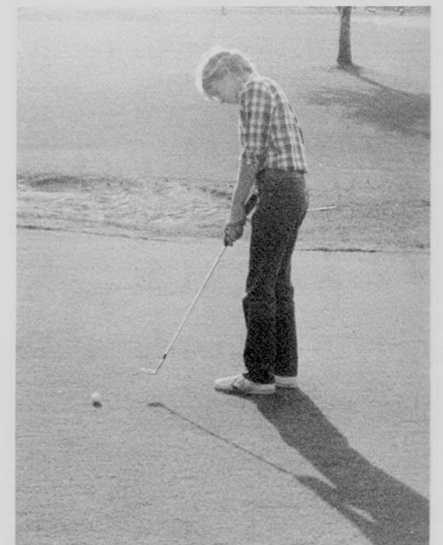

Many of their problems were due to lack of players. The team started out with twelve players and lost five in mid-season, ending up with four seniors and twelve juniors.

The golfers finished eight out of nine schools in conference.

# NEW TEAM ATTRACTS MEMBERS

The Girls Cross Country was very successful in their first year of competition. The training in the summer helped them elevate them to where they are now.

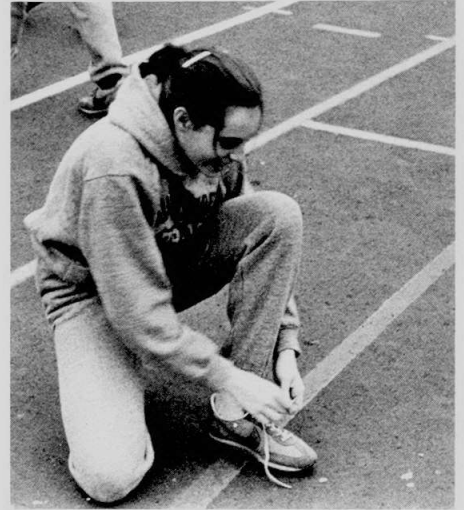

The team had a fine conference record of 4-4 in dual meets. In the Niles West Invitational the girls placed third. The sophomores brought home a second place trophy in conference.

"Next year the team would be losing two seniors but the future holds very bright for this young hard working team," said Coach Barstow.

# BOWLERS SPARE NO STRIKES

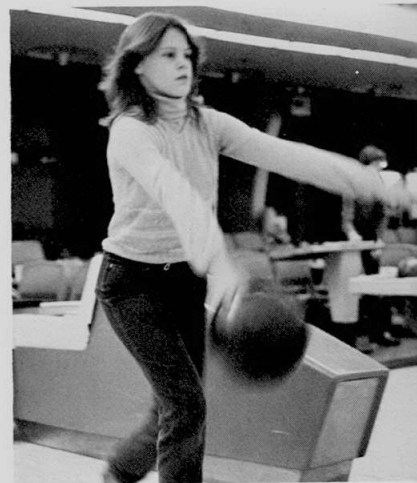

This years Bowling team had a fine year. High team morale and lots of effort on the part of individuals led the team to a successful season.

According to Coach Wellman, the team put a lot of hard work during the practices. She commented that she was pleased with everyone's performance of raising their average; she expects to win districts and go to state but it would take a lot of hard work. Sharon Wendt, Sheri Rosenbawn, Shari Nusinsan, Lisa Greenberg and Kathy Bernstein became outstanding bowlers.

# SAGA '80 PUTS THE YEAR IN PRINT

It seems that nothing runs smoothly while putting a yearbook together. No one can truly appreciate the work put into a publication unless they have sweated one out. Facing a three week delay and a low budget, our staff had quite a task in front of it. This year we thought it appropriate to show the changes, good and bad, that Niles North has gone under in the past decade. A lot of fun and aggrevation went into producing SAGA '80: After A Decade of Change.

# NORTH STAR: TRADITION IN EXCELLENCE

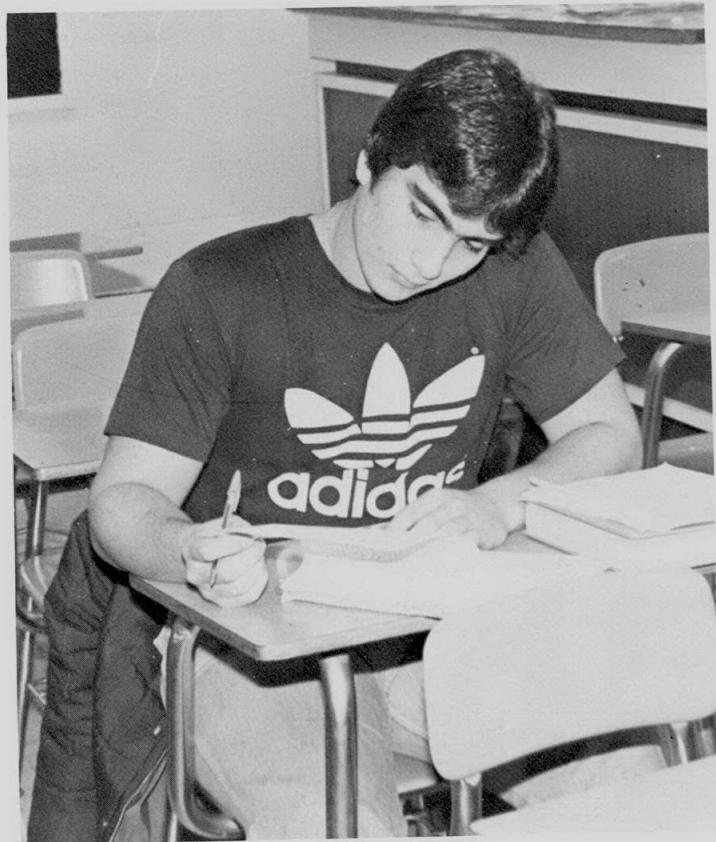

The North Star has been recognized by several institutions as an excellent publication, and has nationally acclaimed. Each staff member is proud of the work they do. They are all very caring, hardworking, intelligent and dedicated individuals. We continually put forth our best efforts, resulting in a variety of quality material.

As editor-in-chief and was satisfied with our achievements as a staff. We worked hard, and although we suffered many setbacks during the year, each issue reflected the work we put into it. However and was excited most when and discovered that we were recognized and desired by the students. This is by far, one of the greatest feelings an editor can experience.

# MEMBERS BRING OUTSIDE WORLD TO NORTH

Student Congress was confronted with many challenging issues this year including the Teacher's Union strike, cafeteria problems, and, on a national level, the draft and the Iranian Crisis.

Our annual fund-raiser was a huge success — over \$3,000 raised for the Children's Memorial Hospital.

A major Concern was the assimilation of Niles East with North and West next year. Our exchanges, meeting, and socials with the East students will hopefully result in a smooth transition.

Our goal was always to work for the best interests of the students of Niles North. The 1979-80 Student Congress worked extremely well together in all our efforts at achieving this goal.

Ken Meyers, Secretary

## COMPUTER! A NEW GENERATION

The computer club is made up of the new generation of people who have realized the immense possibilities and capabilities of the computer. This year has witnessed an explosive growth of interest in the dynamic field of computer science. We at the computer club have endeavored to develop programming techniques through the use of recreational games and practical applications of the school computer. We are very pleased with the enthusiasm that we have seen this year.

## FRESHMEN START A NEW YEAR

There are over fifty members on this years Freshmen Class Board. I feel that in itself is an example of the interest that this years Freshmen have in knowing and making decisions that affect them. Our main goal this year is to get a good start on establishing a sizeable fund in our account, but this is not all we hope to accomplish. We are a bit behind because of the strike earlier in the year; However, with the concern the members of the class board possess we will surely make up for lost time and have a very successful and rewarding year.

Joanne Lendway

## GIRLS ATHLETICS SHINES ON

Girl's sports has come out of the closet in the 1970's. We refuse to take the back seat in sports events. Our athletes are training harder with more enthusiasm and pride than ever before. Varsity Club is just one of these outlets our pride in athletics has taken us. The club consists of girls who have earned a Varsity letter. Our main goal in the club is to further athletics at Niles North by making posters, attending games, and urging other girls to try out for sports. We also donate money to needy causes. Hopefully, in futher years we would like to donate some of our time to the Special Olympics.

## AURORIS KEEPS ON DANCING

Auroris has been a very good experience for us. It has taught us different aspects of dancing and how to put on a successful show. I have been active in the club for 4 years and as President my senior year, I had the opportunity to work with each of the girls while taking on more responsibilities. I hope more girls have the chance to experience dancing the way I have.

## SPANISH INCREASES CULTURE

"Buenos deas, amigos." In the Spanish Club we go beyond the classroom by putting to use the Spanish that we have been studying. We do this by going on field trips, trying Latin American food, and having holiday fiestas. We also raise money for charity by selling Spanish products. We feel that this is an enjoyable way to learn more about our Latin American neighbors and their cultures."

## SPOT LIGHT SHINES ON T. S.C.

Technical Services Club is made up of the unseen strength of any show. Weeks before the actors come on stage, the crews begin their work. They begin building and painting sets, learning the lighting and sound systems, and gathering up props. Make up and costume crews do their share of hard work too. Publicity crew works hard to get us a large audience. But, even after the show there is still work, they must do what is called striking, they take down the sets and put absolutely everything away.

## THESPIANS DO A GOOD JOB

The International Thespian Society is an organization of secondary school students, administrators, and artists to (furthering, developing) the art of theatre. Students can, through their work in theatre, accumulate thespian points and attain lifetime membership in the far reaching club whose members include such well-known personalities as John Belushi, Chlois Leachman, Steven Schwartz (Godspell) Faye Dunaway, and Gene Hackman.

Members of the Niles North Thespian Troupe #113, together with the Technical Services Club, comprise the majority of students involved in the Niles North Theatre Dept. Thus, the Thespian Club acts as something of a unifying force in the dept., bringing members together for discussion at meetings and for reminiscence at various functions and at our annual year end banquet.

Anyone can become a member of the Thespian Club, But with the honor of membership certifying achievement in theatre comes responsibility and requirement to uphold the ideals of the Int. Thes. Soc. Only with effort does a thespian truly fulfill his membership pledges: to always give his best efforts on all assignments, to accept criticism and to live up to the standards summed up by the Thespian motto: "Act well you part; there all the honor lies."

# VIKETTES PROMOTE SPIRIT

The 1979-80 Vikettes

Being a Vikette was one of the most memorable and constructive things I have ever done while in high school. The squad got along well this year. Early camp bound us into a closely-knit group. There was plenty of hard work involved, but in the end it proved worthwhile. It was a great year for the Vikettes ----- a year that I will never forget.

# FACULTY / ACADEMICS

Dr. Weldy when he first came to Niles North.

Dr. Weldy as we know him today.

## WITH PLEASANT MEMORIES . . .

Dear Students of Niles North:

I am pleased to have this opportunity provided by *Saga* to express my feelings to you as I conclude my years as your principal. These years have been exciting and fulfilling for me. When I came, Niles North was two years old. During my 14 years here, our school has matured. Traditions have been established. Changes have been dramatic, not just in Niles North but in secondary education everywhere. Niles North has been in the thick of the action. Much of the change affecting high schools generally came early to Niles North. Some changes have been beneficial for our students and have endured. Some have proven to be less desirable and have been dropped or altered.

These years of change have been challenging and rewarding for all of us. A school that does not try new ideas and explore new ways stands still. This community has provided an atmosphere and the resources which have encouraged our efforts to provide the best possible education for students at Niles North.

Through these years I have been proud to be a part of this Niles North experience. I will miss the daily contact with you students. It has been a great satisfaction to have a small part in seeing Niles North graduates move on to be so successful in college and career. I'll be watching and following your successes with great interest. My very best wishes to all of you!

Sincerely yours,

Gilbert R. Weldy  
Principal

He Was our principal  
Always there . . . . .

Meetings, sports activities, solving problems, sharing happiness, With fond memories we say good-bye and good luck always.

Debbie Lewis is a junior, and has played on the varsity tennis team for all three years. This year as she is number 1 singles she has come across some tough competition. She just started playing tennis 4 years ago, and finds that the competition have been playing for at least 6 years. Her personality is one of a perfectionist, so this challenge helps her going. During the summer she competed in many tournaments. All the experience adds up and helps Debbie a great deal.

It may not have been heaven but for two weeks the Greyhound bus pictured was home for Ken Meyers. Ken, along with Mark Kasman, was selected to represent Niles North at the National Association of Student Councils Convention in Orlando, Florida. The trip started at the Greyhound station in Chicago, where the Illinois delegation departed from. En route to Orlando the delegation stopped in Gettysburg, Washington D.C., Williamsburg, Fayetteville and Daytona Beach. He felt attending the convention was beneficial to Student Congress and Niles North

Kathy Meyers has been on the starting Varsity volleyball team since her Freshman year. She received All-Conference in the Central Suburban League her Sophomore and Junior Years. She is also involved on the Varsity Basketball team. She had earned her varsity letter while playing softball. She was the starting centerfielder. Kathy seems to be a very dedicated and outstanding athlete. She really earns all the awards she gets.

ADVISOR ..... MR. STAN CAREY

This year a group of people pooled their resources to present you with SAGA '80. Producing a yearbook is never an easy task and SAGA '80 was no exception. No one can realize the tedious work put into making a yearbook until he has worked on a publication. There are always ups and downs during production and SAGA '80 had its share. From the down of having to be a tyrant at times, to the up of handing in the final page, actions were always concentrated on the best interest of the book.

Of the people who helped produce SAGA '80, I must give particular thanks to the six staff members who stuck through second semester to finish the book. Besides my staff, a very special thanks is in order for our advisor Mr. Stan Carey, who always kept us going when needed. Recognition is also deserved by Mr. Deniss Eder, our American Yearbook representative, who helped us through the teachers' strike delay.

Others who were valuable during the production of SAGA '80 included Karen Kring, who contributed artwork used throughout the book and Root Studios, whos special services were essential to the successful shooting of many events. P.E. faculty members were very cooperative while scheduling team and shooting underclass pictures. The *North Star* often volunteered resources while family and friends offered support in times of need. The thankless jobs of the above people were necessary in order to produce SAGA '80.

*Mark Kasman*
