# LOCAL NEWS

In 1978-1979:

- Niles North's destiny was for many months in question as the 219 school board considered an offer from Oakton Community College to buy the school for \$5.8 million. The issue sharply divided the community and was heatedly debated during many hours of discussion. Sixty-six concerned citizens spoke out on the closing possibility in front of a packed Niles West auditorium at a special board meeting on November 6. Then in January, after numerous demographic and financial studies, the board voted 6-0 with one abstention to close Niles East as planned leaving Niles North safe until the mid-1980's.

- January and February meant snow and cold in Chicago as the city was faced with its worst blizzard in recent history. Record snows combined with frigid temperatures to stifle business, cut public transportation, and close schools for many days. Over 20" of snow fell on January 13 alone. In the end, Niles North lost seven school days to the weather.

- Chicago was stunned by the discovery of 27 bodies in the home of suburban construction worker John Wayne Gacy in suburban Norwood Park Township. Most of the victims were teenage boys many of whom were runaways or former employees of Gacy's. The killings became the worst mass murder in American history.

- President James Earl Carter visited Skokie in October in support of Congressman Abner Mikva. His visit included a speech at Niles East. In the elections, the incumbent Mikva was returned to the House by a narrow margin. Jim Thompson was re-elected Governor of Illinois and Charles Percy defeated strong challenger Alex Seith in a fierce election battle for the U.S. Senate.

# WORLD FROM EDVANTS

- The first test tube baby was born July 24, 1978, in Oldham, England to Mr. and Mrs. Gilbert John Brown. Five pound 12 ounce Louise Brown was conceived using new scientific techniques developed by gynecologist Patrick Steptoe. Her birth touched off a wave of controversy in religious and scientific circles.

- In November of 1978, 988 people took their lives in Jonestown, Guyana. The mass suicide occurred among members of the People's Temple, a cult that had established residence in Jonestown under the leadership of the Reverend Jim Jones. (see picture A) Jones had ordered the nightmarish slaughter after he orchestrated the ambush killings of Congressman Leo Ryan and several members of his party. Ryan was in Jonestown investigating the sect.

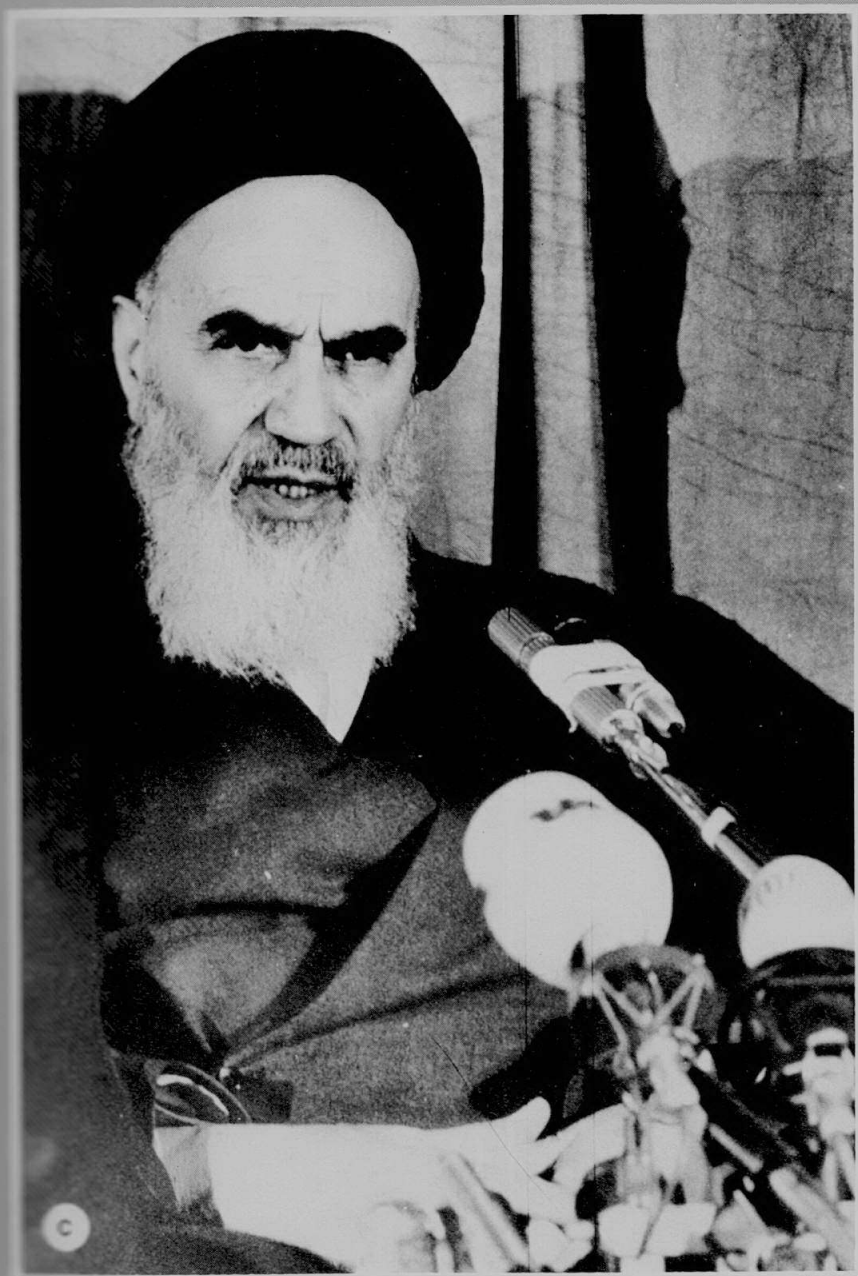

- Israel and Egypt met at Camp David, Maryland where last September they signed a tentative framework for peace in the Middle East. Although significant progress has been made, the talks stalled soon after the September meeting.

- The Shah of Iran collapsed after months of bitter and bloody demonstrations. The replacement government of Shahpour Bakhtiar also collapsed after a month and was replaced by Ayatollah Khomeini, an anti-western, traditionalist muslim ruler. (see picture C) Khomeini immediately severed all diplomatic relationships with Israel and officially recognized the Palestinian Liberation Organization.

- America formally recognized the People's Republic of China in January of 1979. Business deals were made and ambassadors exchanged. On January 29, Chinese Vice-premier Teng Hsiao-ping visited the United States on a week long tour including stays in Houston, Atlanta, and Seattle. (see picture B)

- In early 1979 Cambodia was attacked by Vietnamese troops who overthrew the Polpot regime. The Soviet-backed Vietnamese forces were then attacked in retaliation by Chinese troops causing a full scale war to erupt in the Indo-China region.

- On February 27, 1979, the entire nation was shocked at the loss suffered by the "Democratic Machine" in Chicago. Incumbent Mayor Michael A. Bilandic lost the Democratic Primary to opponent Jane Byrne. This was the first time since 1955 that the "Machine" endorsed candidate failed to win the mayoral race. Byrne became the first woman to win the nomination, she acquired 50.9% of the vote to defeat Bilandic.

The Face off.

"Once again the students of Niles North came through for the 'Forgotten Children's Fund.' Student congress sponsored a fund raising drive in November and December for the residents of the Lincoln-Dixon home in Dixon, Illinois.

Events sponsored to raise money were a floor hockey marathon, Dominick's Benefit Day, Auction and collections. The School Cause Committee chaired by Ronni Barnes and Bruce Hamilton, attained their goal of \$4000. The money was presented to 'Chicago Eddie' Schwartz on WIND Radio. As in the past Niles North was the biggest single contributor to their cause.

The committee worked well together and student support was phenomenal. This was essential in order to attain our goal. Credit must also go to the faculty and staff who would always lend a helping hand.

We feel that this fundraiser benefited more than those of the Lincoln-Dixon home. The spirit was at a very high level at North during this time and all students were working together for a unified cause."

# RUNNERS EXCEL IN

I feel that cross-country is a sport in which running and competing with other runners shows that we've got the ability and the stamina for running that "far distance". With the hard competitive that we're in now, I hope that the team will improve in their running and that a lot of people will come out for the team.-John Gabriel

# TRACK TEAM HOPES

"This years team was one of the hardest working and most competitive I've ever coached."

Coach Conway

"The Niles North track team was not the best it could have been. The team was very weak because of few participants. Coach Conway however was very good. One thing in particular bothers me. There was no school spirit, no one cared whether we won or lost which I think is very disgusting."

"The meaning of the word saga, is a Viking's narrative of events in the history of a personage. This year SAGA '79, has tried to present you with the events of the Niles North Vikings.

Although we worked with a limited budget and only two staff photographers, we stuck through the difficult times in order to produce this book.

Many hours during and after school were spent in the publications room, or running around gathering material to make deadlines. Even though this was hectic, our dedicated staff never gave up.

The making of a yearbook is a very difficult task. Anyone who has not been involved with a yearbook can not realize the time and effort spent in production. The whole staff deserves a pat on the back for putting a little bit of themselves into the book you are reading today."

## WARGAMMERS FORM NEW CLUB

### Wargaming Club

This club was formed for the wargammers in the school so that they may have a place to go to play the games. The club has (through collection of dues) bought a wargame. Our goal is to teach all the members of the club how to be advanced wargammers. Also, we would like to keep adding to our collection of wargames. We have already taught many members how to play these advanced adult leveled games. So we feel we have accomplished a lot and hope to accomplish more.

The Greatest Show On Earth ...	

Although many negative things have been said about our school, the staff of SAGA '79 set out to stress the point that Niles North can be as great as one wants to make it. The facilities and experiences offered are excellent by any standard.

SAGA '79 was produced only due to the help of many people. These people sacrificed much time and experience to this book. It is with much appreciation and affection that I commend my dedicated staff. Through such barriers as the blizzard of '79, the staff plunged on. Even though this was not always fun, we will remember the great times had in producing this book. A particularly special thanks goes to our advisor Mr. Stan Carey, who helped get us through some of the harder times we had. Credit must also be given to Mr. Dennis Eder, our American Yearbook representative. He always had fresh ideas and that much needed word of encouragement.

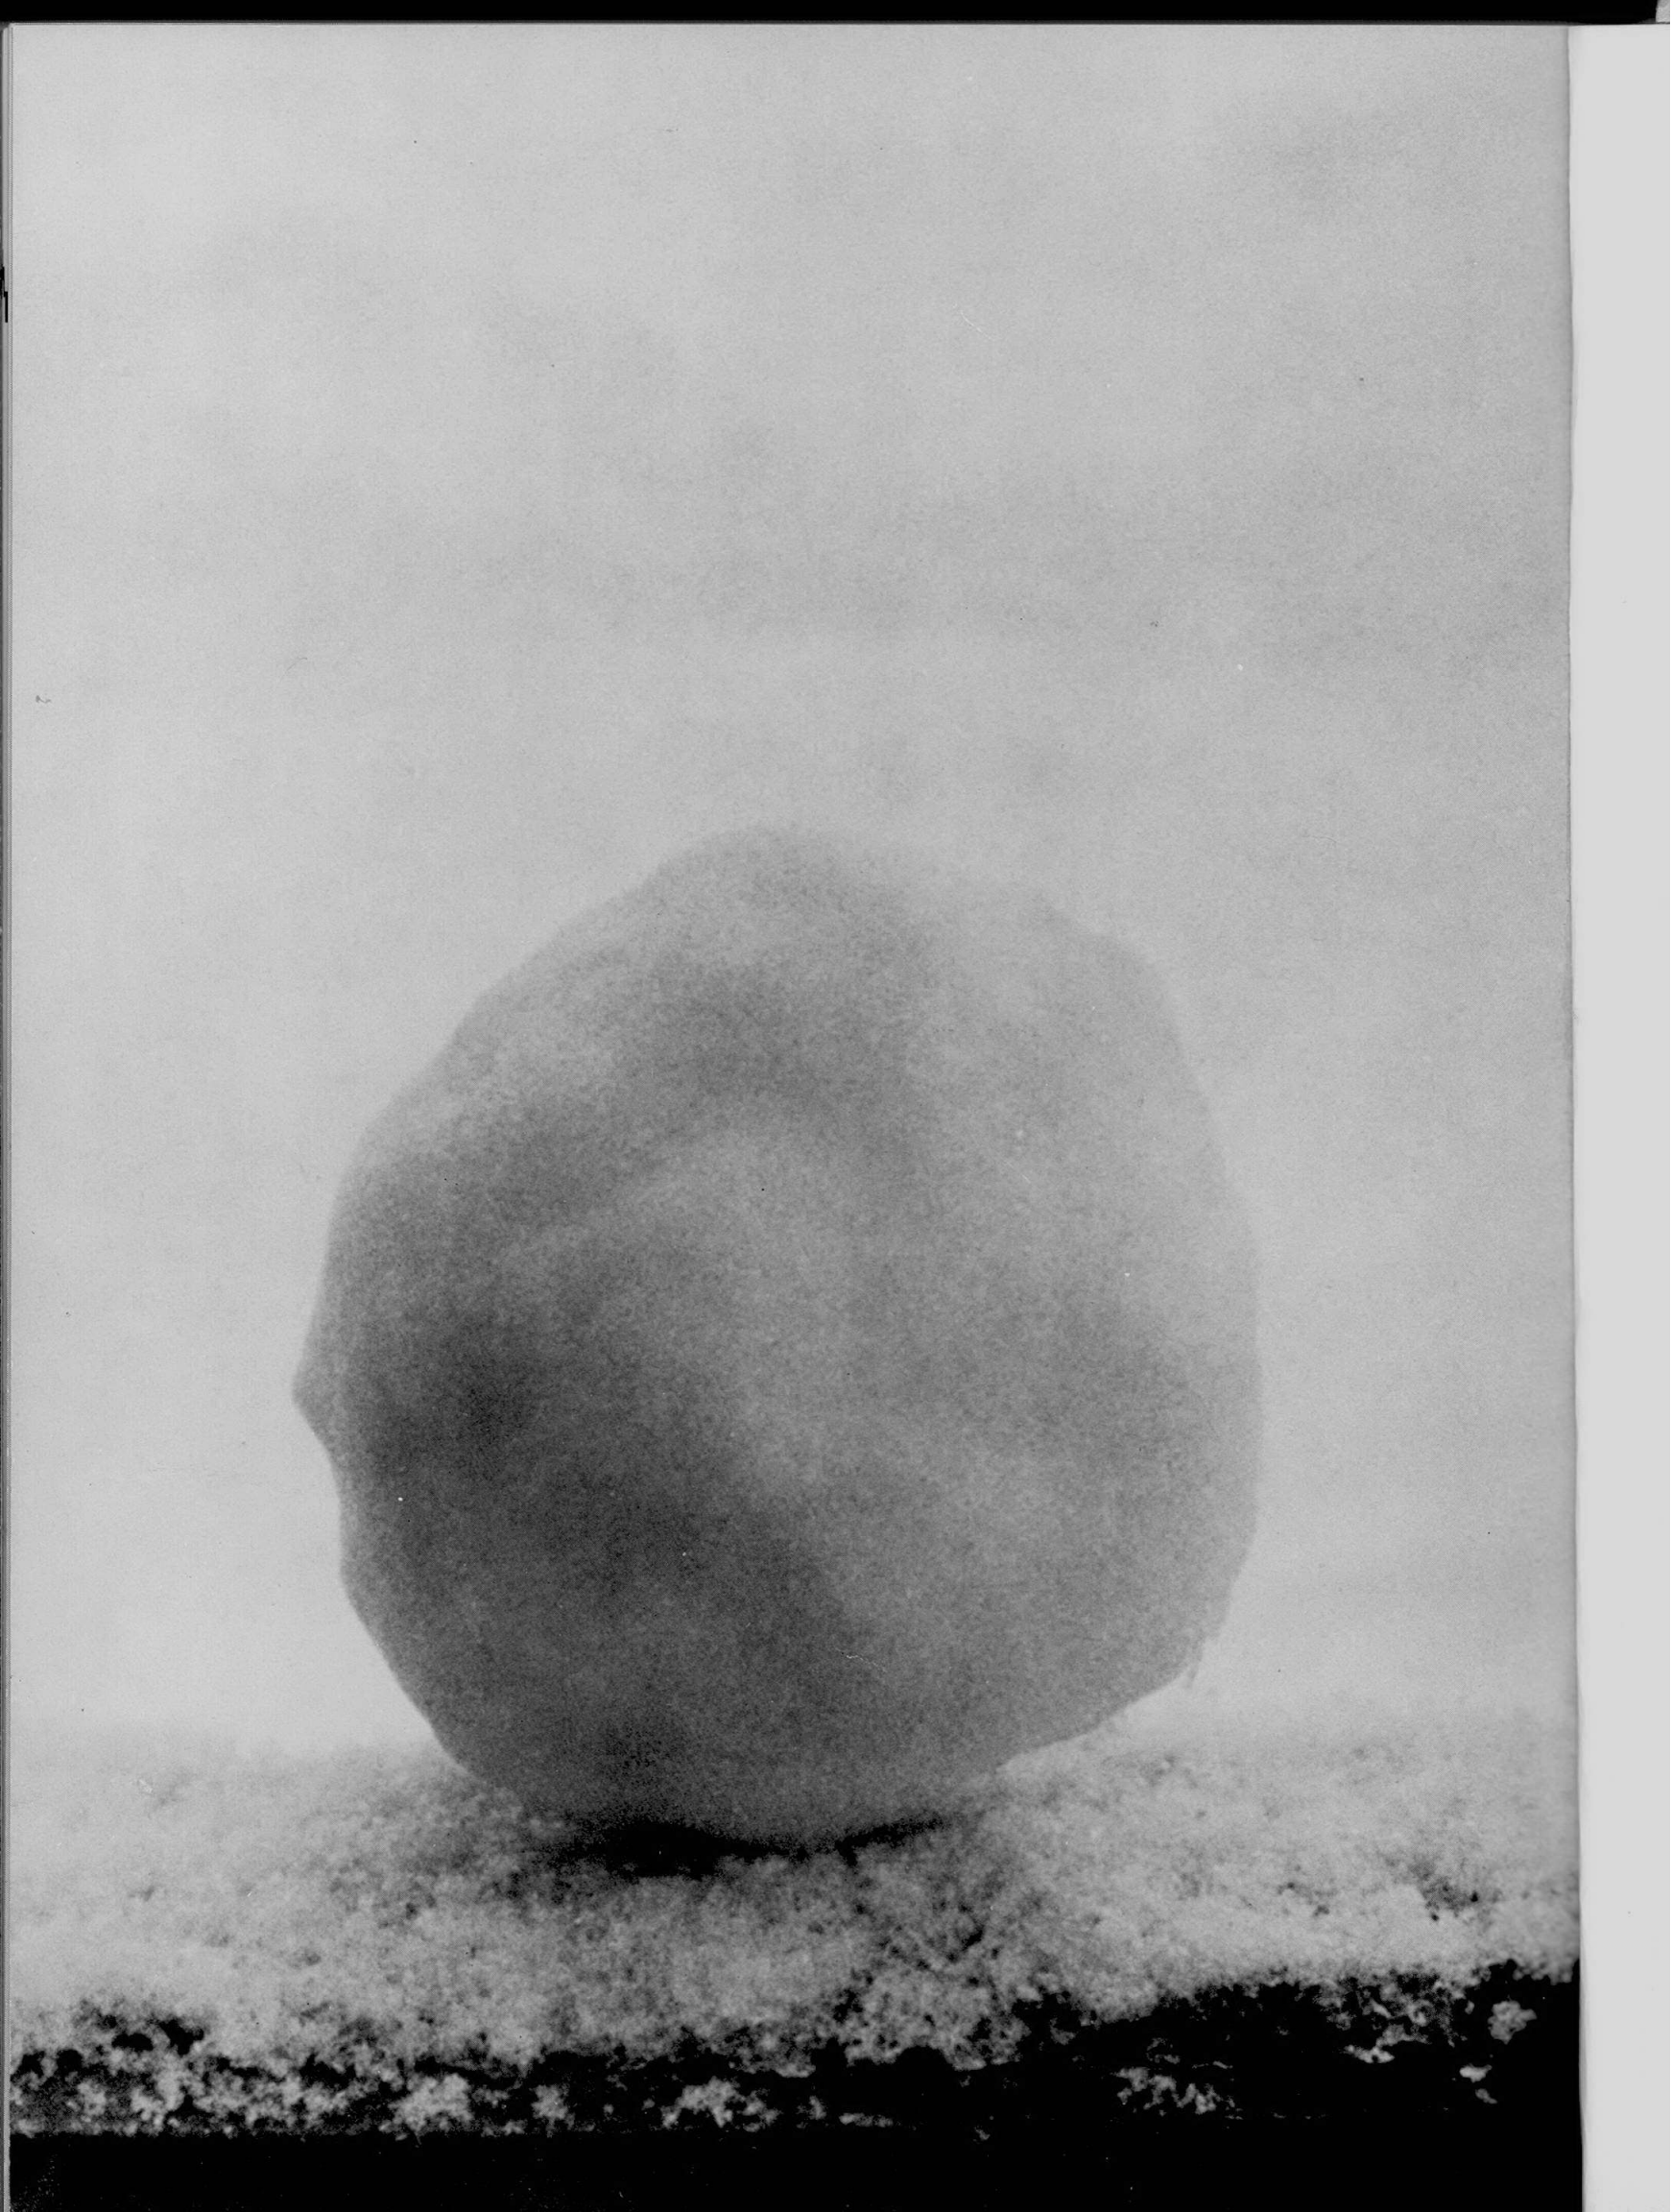

Many others helped put together Saga '79. Ms. Pat McGuiness offered her assistance with grammar. All of the P.E. staff was very cooperative in the successful shooting of portraits and scheduling of team pictures. Root Studios' special services and expertise in shooting special events was essential. The North Star often lent a helping hand, and of course support from families and friends inspired us in times of need.

All of this teamwork was pooled to form Saga '79, The Greatest Show On Earth.
