**CEMETERIES IN THE TOWN OF CARVER  
PLYMOUTH COUNTY, MASS.**

**Combined Master Alphabetical Index of Names From  
Grave Stones In All The Five Cemeteries of Carver**

**Transcribed by John A. Shaw December 1998**

**Center** = Central Cemetery, Main Street, Center Carver  
**Laken** = Lakenham Cemetery, Linton Drive & Forest St. North Carver  
**Union** = Union Cemetery, South Main Street, South Carver  
**Wnhm** = Wenham Cemetery, Wenham Road, East Carver  
**Cathlc** = Our Lady of Lourdes Cemetery, Center Street, North Carver

An asterisk (\*) preceding a name indicates the partial lettering in *bold italics* was obtained from a list by Charles M. Thatcher in the early 1800's in a book published by the Middleborough Public Library entitled "Old Cemeteries of Southeastern Massachusetts" copies of which may be purchased through them.

Two asterisk's "\*\*\*" preceding a name and *with all information in bold italics* indicates that name and all information was obtained from "Thatcher's" list and was not found by me on any of the readable stones. These stones may have eroded or disappeared since his listing.

Names with information **all in bold letters** but not in italics indicates unmarked graves in the Union Cemetery obtained from an old list compiled during the 1930's with their locations unknown.

"d:" = died, "a" = age, "y" = year, "m" = month, "dy" = days  
"h:" = husband; "w:" = wife; "p:" = parents;

NOTE: After finding a name of interest, refer to the individual booklets for each cemetery to see the map for lot location or to see what other names are on the same lot.
