

Sasha Scudder

Professor Harley

Contrafact

Yankee Doodle-Feminism

A girl was born into a world
that's ruled by patriarchy
the men decided she should want
to be told that she's pretty

Chorus:

pretty girl, don't be a slut
but don't be a prude
pretty girl don't turn boys down
'cause they say that is rude!

The girl was told that she could be
anything that she wants
but not a career that makes her
not want to just be hot

Chorus

Pretty girl don't be too smart,
Boys won't want to date you
Pretty girl don't be too dumb,
Cause that just makes boys hate you

The girl realized that life was not
exactly very fair
she learned to be a feminist
and gave the boys a scare

Chorus

Pretty girl does not hate men,
Though some won't be agreeing
Pretty girl just wants to be
A human fucking being
