MCLENNAN ALMA MATER

High above still Bosque waters,
We with reverence sing to thee.
Of our love and our devotion,
Of our pride and loyalty.

Long may McLennan stand
Honor is her due.
May a grateful generation,
to her name be true.

Hear us now O' Alma Mater,
As we proudly sing to thee.
Take from us our hearts devotion,
Hail to M.C.C.

OUR MISSION STATEMENT

Our mission is to educate our students – improving their lives and enriching our community.

Our mission and core values reflect our commitment to serve our students, our community, and each other.

Our ultimate goal is the success of our students and McLennan Community College. Students are central to the mission of the College. We will always be mindful of the effect our actions have on our students, colleagues, and community. We will strive to build a community of people who love their work and seek to serve both students and each other.

Each employee of the college accepts responsibility to live out these values and beliefs in all interactions with students and with each other. Our relationships with others will reflect our commitment to respect, civility, and collegiality. We will support building bridges rather than barriers. We will have an attitude of service toward our students and our fellow employees. We will work to ensure our operations are efficient and effective.

OUR CORE VALUES

- 1. People matter** – We will be honest, humble, respectful, and gracious to our students and to each other. We best serve our students, colleagues, and community when we work as a team.
- 2. Inclusiveness matters** – We will seek to appreciate and understand our students and each other, actively seeking different viewpoints. We will work to create a civil, welcoming environment where our diverse community of students and employees learn, teach, and work together.
- 3. Integrity matters** – We will work with the highest level of integrity, taking responsibility for all of our actions. We will tell the truth and seek to be fair in our decision-making and actions.
- 4. Communication matters** – We will be open, collegial, and courageous in our communications with students and with our colleagues. We will listen before we speak. We will communicate decisions and the reasons for them.
- 5. Excellence matters** – We will strive for excellence in all that we do. We will actively plan for the future, seeking new and innovative ways to accomplish our mission.
