The New Enclosures was written and designed not simply to be read, but also to be used. Each article can easily be detached from the book and circulated as a pamphlet on its own. We encourage you to reproduce and reshape any of the material that you find useful. Please credit MN and inform us if you do. Thanks.

Special thanks to Bryn Clark, Mike Friedman, Noel Ignatiev, George Rawick for all his help over the years. Tom Ward, Haymarket People's Fund, the people at the University of Calabar, Nigeria, the *Friends of Toto*, and to the many people who helped fund this issue.

Uncaptioned Graphics: Introduction: *Untitled* by Harry Snyder (p.7), Maurice Becker from *The Masses* (1916) (p.9). Africa and Debt Crisis: Cartoons from *Vanguard* and *The Guardian*, Nigeria (1985). Greenline: Photographs by Les Levidow, Middle East Justice Network (p.23). Jay: Photographs by Rene Brochu. Mandela: Photographs by David Riker. Lower East Side: Graphics - Seth Tobocman. Zurich: p.m. Jubilating: Photograph by Andrew Linebaugh (p.90).
