

As he said this, he snapped his fingers which then sparked. And with his right hand drew a large circle in the air. Harry had created a portal in the middle of Blaze's room.

"Onward to greatness, my friend."

But my parents, my sister. What if they come in and find me missing? Oh not to worry, a basic sleeping spell did just the trick. We'll be back before they wake. Said Harry with a wink.

Where does this lead? Said blaze Peeking around the back of the portal. To Dreamland, Harry answered, where your aid is desperately needed...
