The History of the Silver Street Cemetery

Granville, Massachusetts

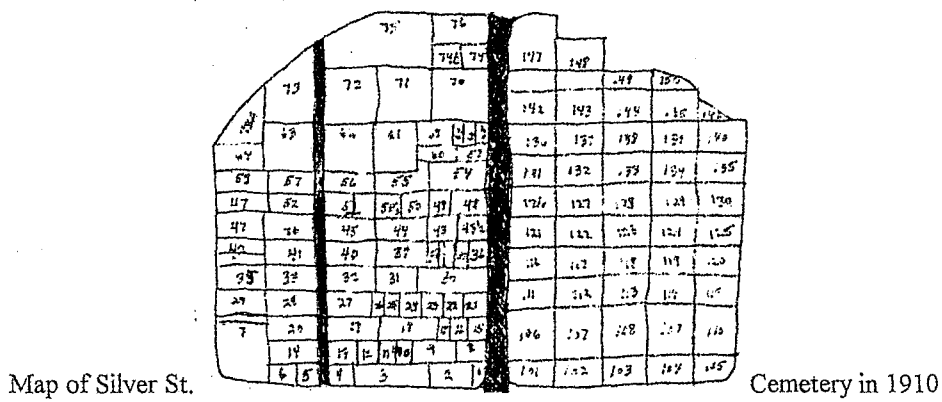

The Silver Street Cemetery began when "A plot of land nine rods long from north to south and extending back from the road called Silver Street was fenced off and probably originally donated as a burial place."¹ The oldest inscription is that of William C. Marvin who died March 24, 1808, supporting the idea that this tract was in use as a cemetery several years before Jonathan B. Bancroft and Ohel Spelman officially deeded the site to the East Parish on March 27, 1829.² The Silver Street Cemetery was the third cemetery to be built in Granville, according to Albion Wilson, in his History of Granville Massachusetts. The East Parish "burying ground" was originally fenced with a wooden fence. In 1829, it was decided to replace the broken fence with a stone wall and a contract was drawn up for the wall to be laid at the price of one dollar a rod, the builder to furnish and draw his own stone.³ Two thirds of the original wall still remains in good repair, part of the wall was removed as additions were made to the site. Providing enough lots to meet the growing needs of the community was the

biggest challenge the Proprietors and Owners of the Burying Ground in the Southeast School District faced. On May 13, 1859, an additional half acre of land, was obtained from Sparrow Crosby.⁴ On November 18, 1892, a piece of land was purchased from Charlotte E. Malone, described as an irregular shaped lot 225 feet on Silver Street and about 178 feet deep, southeast of the last mentioned piece.⁵ The Association also secured the deed from the East Parish conveying the Bancroft plot and the Crosby plot to the Association on March 15, 1893.⁶ In 1895, November 18, the purchase of another piece of land described as forty foot wide on the highway and running to a point at the southeast corner of the cemetery was purchased from Sherman Beckwith.⁷

On May 15, 1915, another acre, more or less, extending southerly as far as a private road of Ralph B. Cooley, was purchased.⁸ In 1934, the final addition was obtained from Ralph B. Cooley. On the northerly side of the cemetery, running 400 feet on Silver Street and 300 feet deep, having the easterly line parallel with the highway, bringing the southeast corner of the plot around into the rear of the original walled in area.⁹ These additions more than tripled the original cemetery.

Improvements to the cemetery grounds include a granite receiving vault built in 1902, funded by a donation from Mrs. Maria C. Holcomb.

Also, according to the Wilson History, running water was available in 1925.

The records of the annual meetings prior to 1935 were destroyed in a fire, but the records currently held include the following information:

- ★ In 1935, it was voted to plant Hard Maples along the outside of the cemetery
- ★ In 1948 a five grave lot price was raised from \$50.00 with perpetual care to \$75.00, with perpetual care \$110.00
- ★ In 1949 a two grave site was priced at \$50.00 perpetual care \$60.00
- ★ In 1953 a new cover was installed over the spring (Was this the “running water” mentioned by Wilson?)
- ★ By 1954, it was determined that the cemetery was running out of lots
- ★ In 1957 the Town of Granville helped to develop the southern portion of the cemetery into usable lots
- ★ In 1958 Harry Jensen donated 5-7 trees to line the street between the main road and the cemetery
- ★ In 1962 it was decided to build a blacktop road from the street to the vault
- ★ By 1964 the Roadway was completed
- ★ In 1964 water was provided by a holding tank and pipeline, and the tank was filled as needed by the Granville volunteer fire department

- * In 1967 The Shade Tree Cemetery Fund was the title used for the opening of savings and checking accounts
- * In 1976 an individual lot sold for \$100.00
- * In 1979, the Northern tiers were developed for lots. This section is 360 ft long by 150 foot deep by 40 foot wide. It needed to be cleared of trees and brush and stumps and seeded. Work was completed by 1980 and it was ready to be seeded by 1981.
- * In 1986, the town of Granville was asked to help fix the roadways in the cemetery.

In 1985 single lots still sold for \$100.00, by 1988 they were sold for \$150.00. Prices continued to rise, and in 1995, lots were \$200.00, in 2000, \$300.00, and as of 2003 lots were available for \$400.00 each.

The Silver Street Cemetery, as it is known today has a comparatively short list of officers who have held their positions for many terms. It has not always been easy to fill these positions. Occasionally the committee resorted to severe measures to maintain a qualified person in each position, as in 1947, when the minutes state no one was permitted to quit and in 1949 when all efforts to resign were fruitless.

Buel S. Dickinson served as secretary for 20 years and acting treasurer for 2 years. Roland Oversen served as President for 19 years and another 6 years as secretary. The current record holder for most years of service, however, is Vaughn Banks. Mr. Banks began as caretaker of the cemetery in 1960 for the hourly rate of \$1.50 an hour. He was also elected trustee in 1960. He was largely responsible for the clearing of the North Tiers in 1979. He served as president from 1977-2003 filling in as secretary in 1986 and 1987, for a total of 26 years as President and a total of 43 years as a board member. In 2003 Vaughn Banks stepped down from his role as President, passing the title of President to Bill Blakesley. Mr. Banks continues as a Trustee offering assistance and advice as needed.

Continuing the tradition of long held posts, Gary Petersen has served as auditor since 1983. Current Officers, Nancy Petersen and Herb Hiers have held the offices of treasurer and clerk respectively since 1988.

President Bill Blakesley began in office in 2003. The Silver Street Cemetery looks forward to many years under his leadership.

In 1910, the existing three tiers, as well as the other five cemeteries of Granville, were surveyed by Mr. Lawrence F. Henry of Granville for the New England Historical Society. His work was typed and indexed with permission by Mrs. Max Lederer for deposit in the Granville Library, where it is available for use by the public. At the 2004, annual April meeting of the Silver Street Cemetery Committee, it was determined that a new survey of the existing stones in the cemetery was needed. Suzanne T. Hansen volunteered for the task. The information in this booklet is the result of a survey of the Silver Street Cemetery in May of 2004. Some stones are in poor repair and difficult to read, the 1910 survey was consulted in those cases. An alphabetized list of burial permits held by the Cemetery Association, (available at the Town Clerks office) follows the list of inscriptions. The list of Burial Permits arranged by date completes the booklet. There is some interesting spelling in the records, and I have tried to copy as I found it, please excuse any typing errors.
