Mr R. B. Cooley.

Dear Sir

Replying to your letter would say I sucked the boys at this stable about the horse bucking they say he would always buck. I never tried to buck him only out of shed once when I had him down town and he bucked all night for me then it may have been the harness or collar that bothered him for as I told you he never wore one that I knew of. I will try and get his breeding for you as soon as I see the man I got him of. I am sorry to hear of his being sick I have had the same trouble with my horse in fact there is lots of distemper about this season. In regard to Cornage we have all kinds as you know. Paris Box Cornage Phantoms Goddards stinkhopses & If you could come in and see them you would get a much better idea of them. We

Can sell you a Comrage from \$175 to \$400
most any price you want to pay for one
Business at this time is dull and if
you would come in this week. (I shall
be at office in forenoon) After noon at
races. I would give you a low price
on them. If you can come drop me
a line & I will surely be at office
for we have a large stock and we
want to unload all we can this fall.

Drop me a line when to expect
you and I will be on hand.

Yours very truly

J. W. Chapman

I should think you would like a nice Coming
Phaeton or Stuchape for this horse. Will
send cuts if you cant come in. Please
advise, if you cant come, & I will mail you
some cuts. but you can get a much better
idea to see the goods.
