CENTRE-WESTERN NORMAL

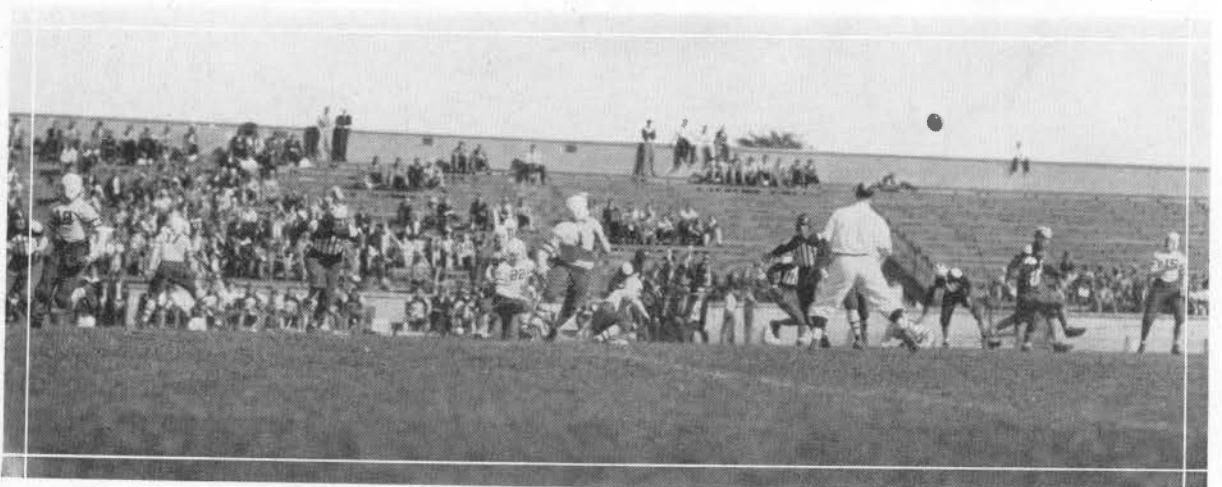

The Colonels opened their 1930 season at home against the Teachers with an impressive 31-0 victory. While it was their initial game and the day was suited for anything but football, the Gold and White gridders displayed a brand of ball that would have done them credit at mid-season.

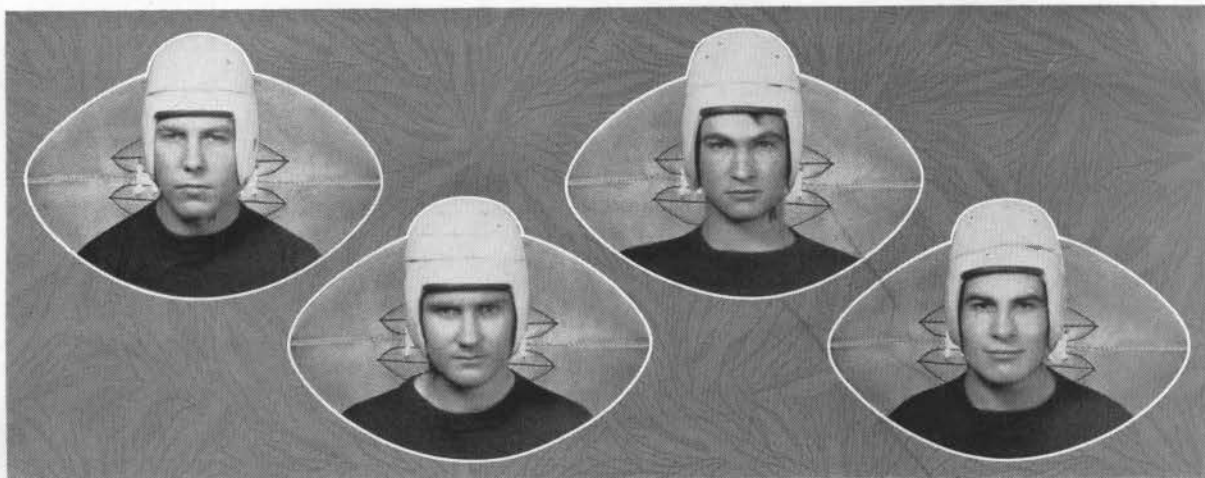

Every style of attack was resorted to and all were effective, with passes gaining many yards. Coach Kubale inserted most of the squad in the line-up during the closing minutes in order that all might gain actual playing experience. The play of the line was especially good.

CENTRE-TENNESSEE

In their second start, the Colonels went up against the powerful Tennessee Volunteers, and after a great fight, lost 18-0. The score was hardly indicative of the play in the game.

Centre opened the game by taking the kick-off and marching down the field for five successive first downs, only to lose the ball on an attempted pass over the goal line. From then on it was a gruelling battle with most of Tennessee's advances being made on passes. The Dodd-Hackman duet sang the Colonels' death knell by their brilliant work. Dodd punted and passed with the accuracy of a rifle, and the great Buddy smashed the line for yard after yard.

BOYLE

BRAVARD

BREEDING

HASARA

The Colonels also played an inspired game with every man playing super ball. Their attack was clean, but vicious, and five of the Vols were removed because of injuries. Centre's biggest handicap was the lack of substitutes to stem the toll of play and the extreme heat.

CENTRE-CHATTANOOGA

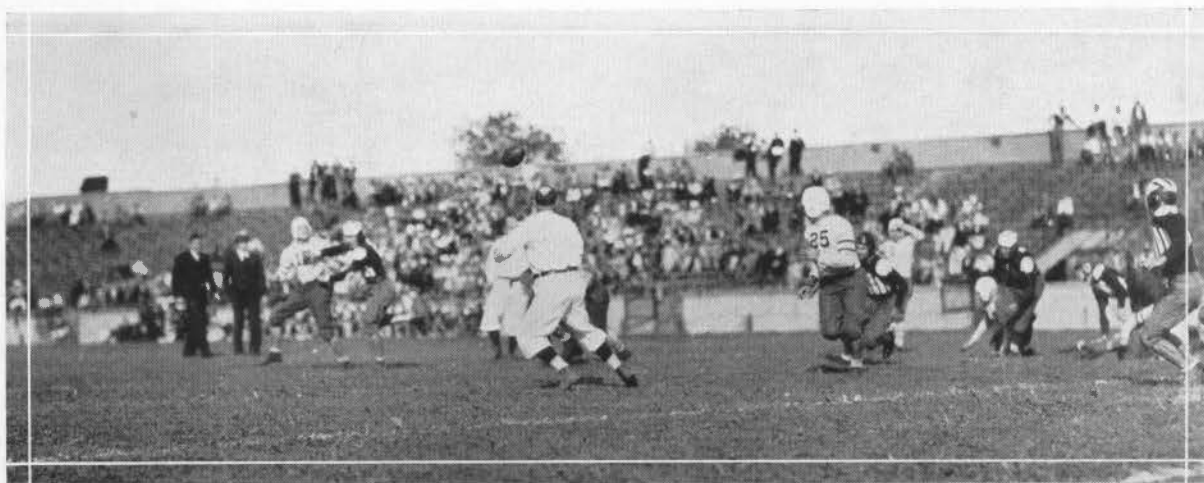

In their second game against S. I. A. A. opposition, the Colonels stepped back into winning stride to defeat the University of Chattanooga, 7-6.

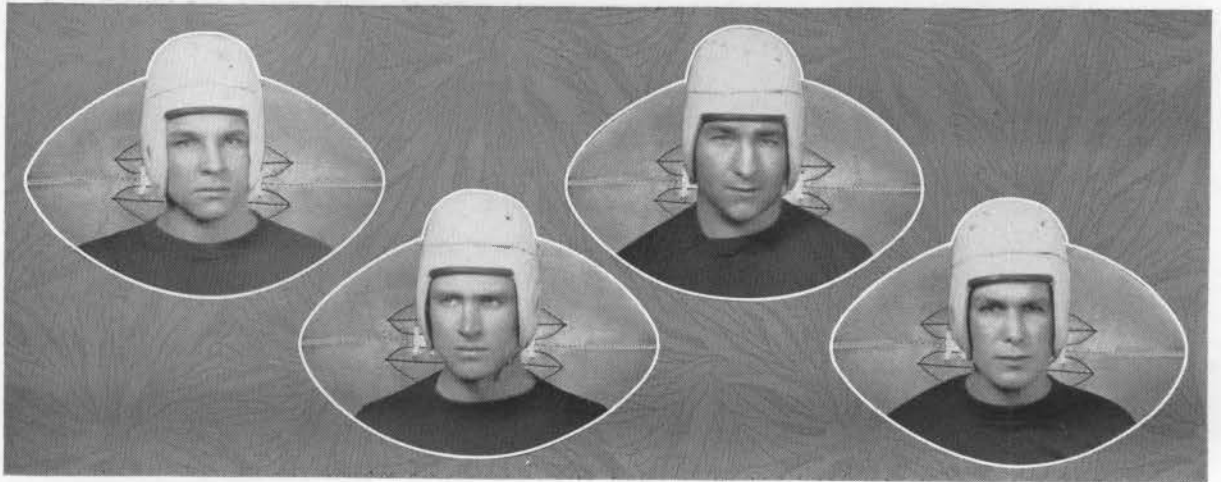

They waited until the closing minutes of the fray to pull this one out of the fire. The 'Nooga boys had scored early in the game on a blocked punt, but had missed the point after touchdown. Late in the second half, Grabruck took the ball over for Centre's lone marker, and Ches Shearer, who had been held out of the game because of a broken finger, went in and converted the kick for the winning margin.

CENTRE- ST. XAVIER

In the first nocturnal contest that a Centre grid team had ever played, the Colonels met the Big Green of St. Xavier at Cincinnati, and defeated the Irish 6-0. It was easily the most thrilling game that the Gold and White was in all season.

The two teams battled on even terms for two quarters with neither showing any marked superiority. Then, in the third frame, Nemecek smashed his way through the center of the

St. X line and plowed up the secondary defense for 41 yards. With the ball in scoring position, the Colonels took four plays to put over the only marker of the game. Both teams opened up in the last period with a torrent of passes, but each attack was halted before the goal could be crossed.

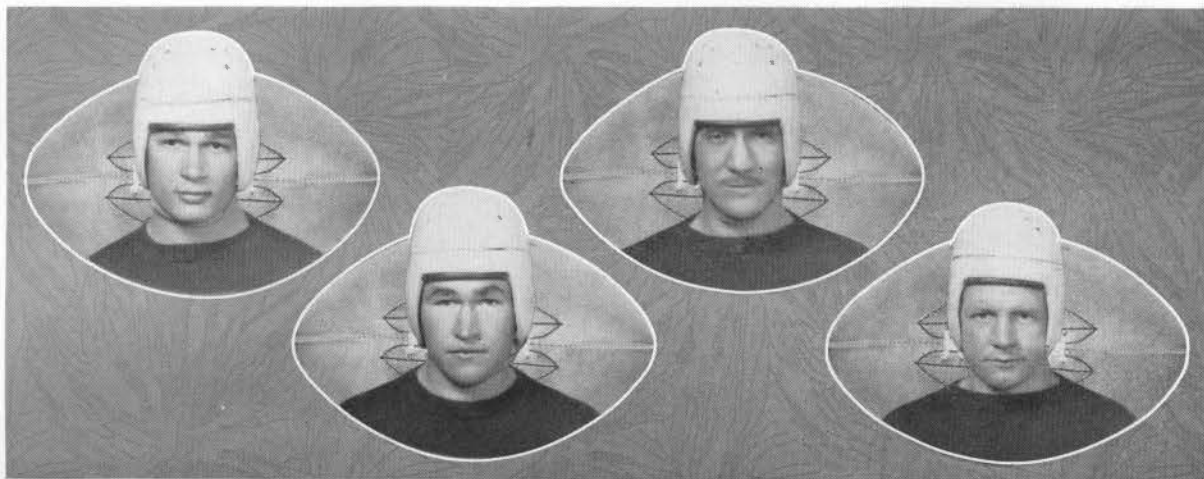

The most outstanding features of the games were Nemecek's great drive and the work of the Centre line. The Colonel forward wall was next to impregnable. The night air was perfect for football, and the Colonels adapted themselves to the lights remarkably well.

CENTRE-NORTHWESTERN

The Colonels made their first northern invasion since the memorable series against Harvard when they met the Northwestern Wildcats in Dyche Stadium. The Purple squad was rated as one of the strongest teams in the country, and no one expected the little band of Gold and White gridders to do anything but put up a fair game against them. This they did, and what was more, scored on the Wildcats for the first time of the season. The final count was 45-7.

It was just a question of too much man power that the Colonels had to solve. One sports writer described the Northwestern team as a "team of fullbacks". The Colonels furnished the great crowd with thrills all through the game, and set them wild when they scored Centre's lone touchdown.

NEMECEK

MOORE

NOE

OWEN

Ches Shearer played a wonderful game, punting, passing and running the ball in a manner that won him honorable mention as All-American. Several times he nearly broke loose for touchdowns in returning punts.

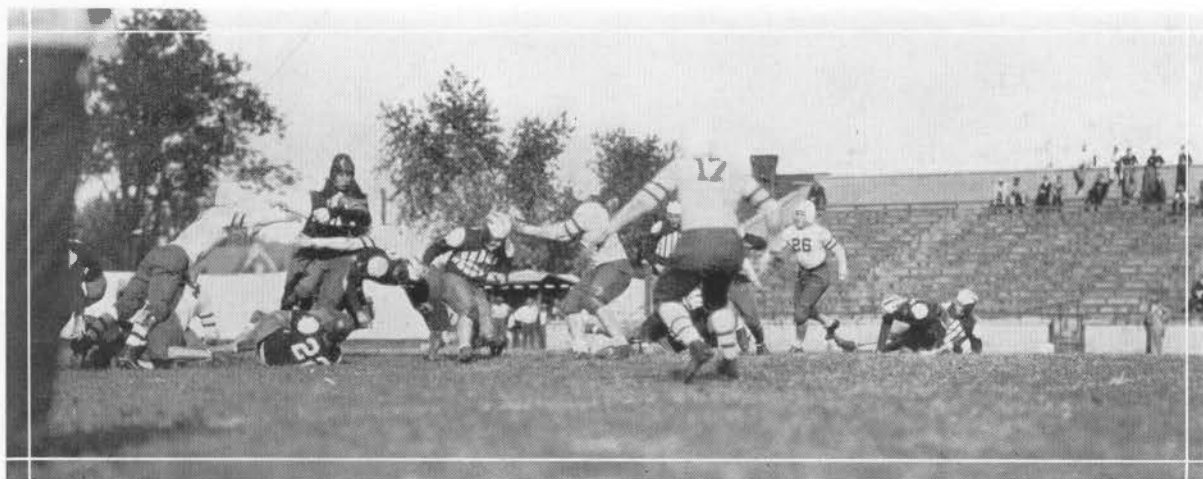

CENTRE-LOUISVILLE

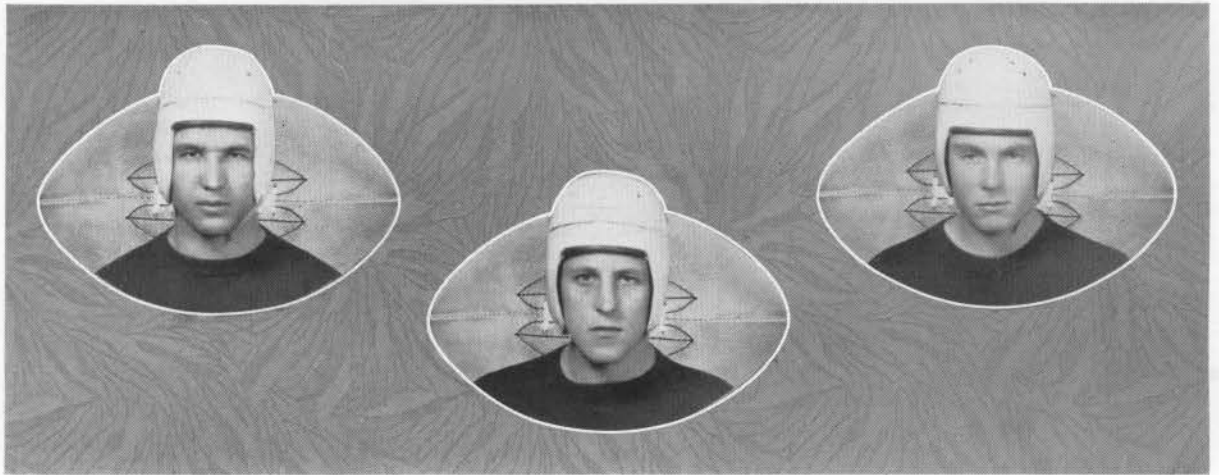

The Gold and White team invaded the home grounds of the University of Louisville Cardinals in another State S. I. A. A. contest and kept their slate clean with an easy 28-0 victory. The team was suffering from injuries and the opening line-up found many second-string men on the field. This did not seem to materially weaken the Colonels' attack, however.

The scoring started early when Nemecek blocked a Louisville punt and Ruffini fell on it for a safety. From then on the Colonels scored almost at will, only two of their drives being stopped. The Cards were thoroughly outclassed. The contest was hard fought on both sides and the referee was called upon to expel a man from each team. The weather was just right for the game.

CENTRE-WABASH

Before a great crowd of old grads and other fans, the Colonels swamped the Wabash

RUFFINI

College Little Giants 53-0 in the homecoming game. This game marked the best work of the Colonel scoring machine for the season.

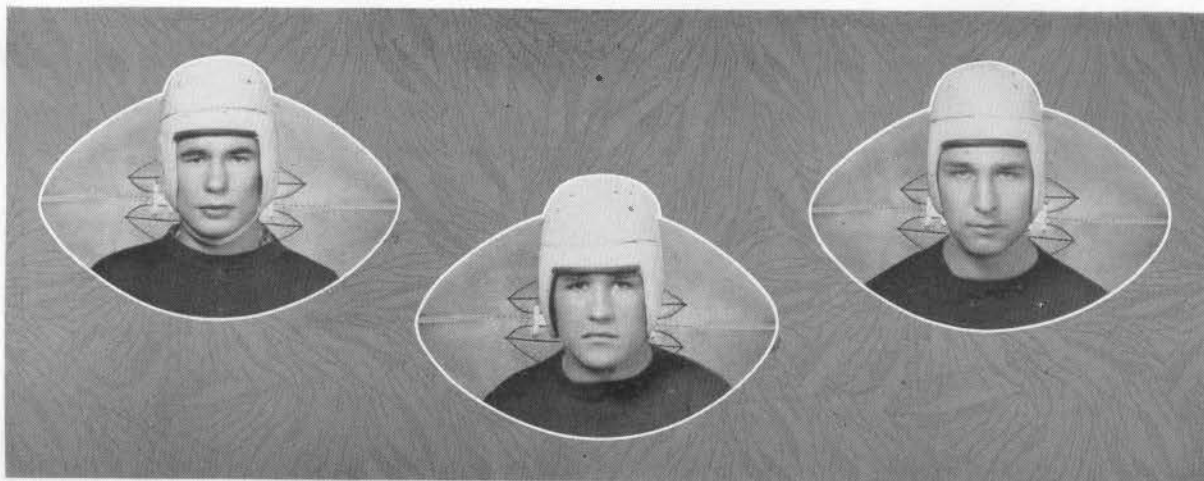

The result of the game was never in doubt after the first three minutes. Wabash received, tried two plays and then punted. Ches Shearer took the punt on his own 19-yard line and ran through the entire Wabash team for the first score. From then on it was just a question of how large the score would be. The whole squad saw service in this game and all played well. It was an ideal day for the game.

CENTRE-TRANSYLVANIA

In their final home game of the season, the Colonels met the Transylvania Pioneers on Cheek field and smothered them 32-0. The visitors never got within the Gold and White's 20-yard line, while the Colonels scored almost at will.

Ches Shearer galloped nearly 80 yards for a touchdown within three minutes after the opening play. This was just a sample of what was yet to come. Substitutes were inserted into the line-up and played nearly three-quarters of the game. Transylvania put up a game fight, several of their players displaying a brilliant brand of ball, but the Colonels' consistent attack and superior all-round strength were too much for individual players.

CENTRE-KANSAS AGGIES

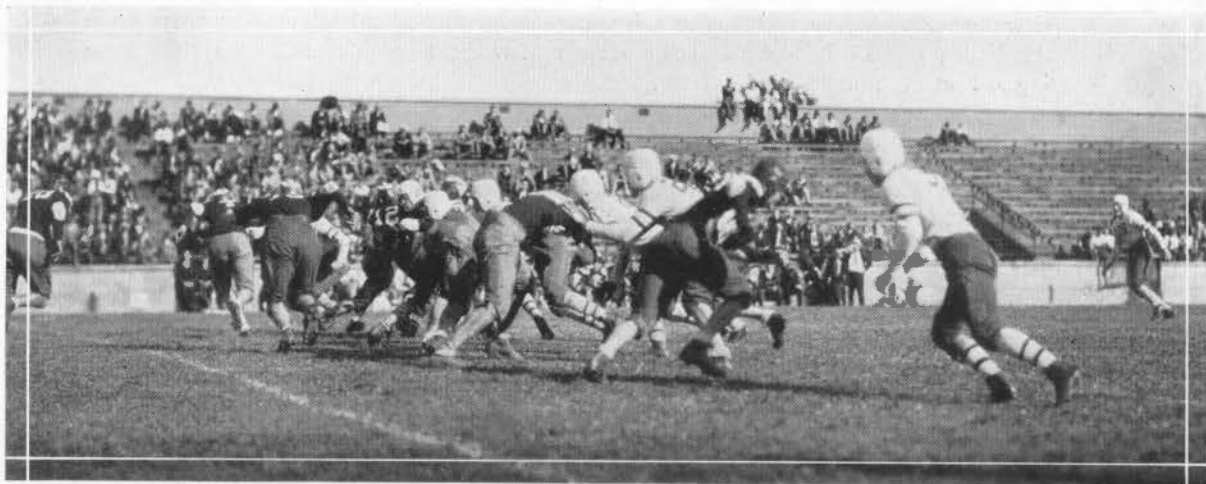

Two football teams, coached by members of the immortal "Praying Colonels" of '21, met at Manhattan, Kansas, when Coach Ed Kubale took his 1930 edition of the Colonels there to play "Bo" McMillin's Kansas Aggies.

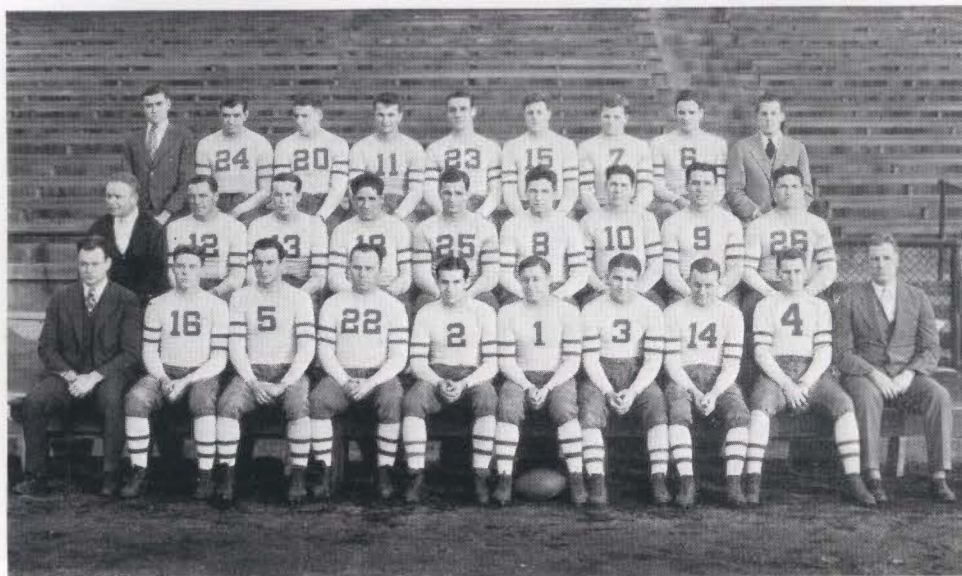

The Aggies presented one of the strongest teams of the mid-West, and the Colonels went down under a 27-0 count. The score, however, is hardly indicative of the brand of ball the Colonels displayed. The long trek across the country by train no doubt took some of the edge from their form. This game marked the third and last defeat of the season for the Colonels.

CENTRE-GEORGETOWN

Turkey day found the Colonels closing their season against the Georgetown Tigers, and the Kubalemen fought through the snow and ice to a 22-0 victory. The day was anything but ideal for football, and the game was slowed up on account of this, but the Colonels managed to skate up and down the field for three touchdowns and a safety.

This was the last game for several Colonels, among them Captain Walter Grabruck who closed his collegiate football career with some very convincing work. Chief Tenikat also sparkled with some excellent blocking and running, one dash carrying him 48 yards.

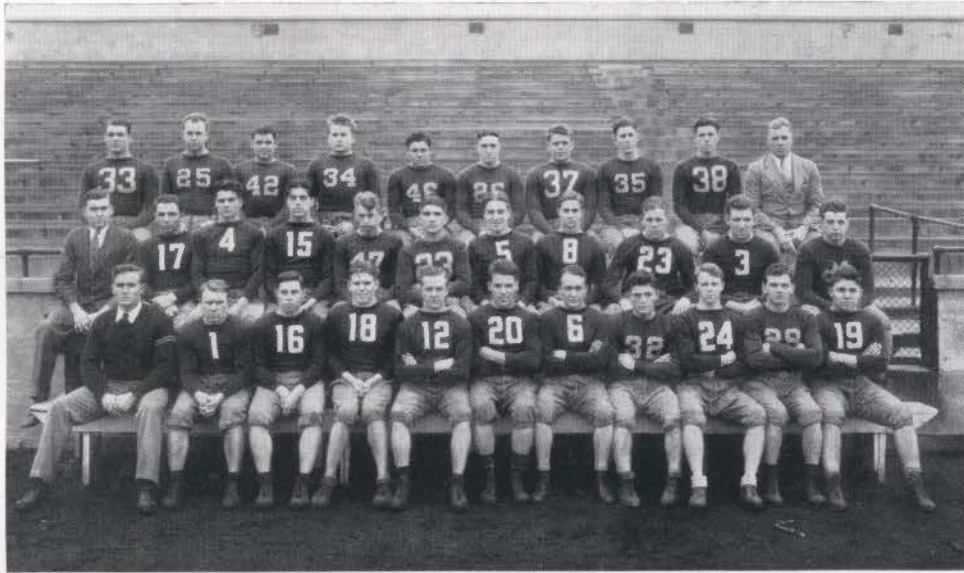

VARSITY SQUAD

Resume of 1930 Football Schedule

Coach Kubale's second year at Centre furnished more proof that football is definitely on the upgrade at Centre College. Facing a mighty hard ten-game schedule, the Colonels dropped but three of them and those only to teams that ranked with the best in the country. There were few better teams in the country than Dick Handley's Northwestern Wildcats, and Tennessee finished fast to prove they had one of the best teams in the South. While "Bo" McMillen's Kansas Aggies were defeated, it must be admitted that they carried a lot of power.

Centre's showing in the State S. I. A. A. loop was again most convincing. The touchdown scored on her by Chattanooga this year made but the second in the last two seasons in Association games. Besides a dynamic offense, it would seem that the Colonels are learning at least the rudiments of defense.

Nine letter men will be lost by graduation this year, and their loss will be most keenly felt, but the excellent prospects from the Freshman team should off-set their going considerably. Those who have worn the Gold and White for the last time are: Grabruck, Shearer, May, Moore, Owen, Waddle, Bourne, Nemecek and Boyle. Grabruck, Shearer and Nemecek are all-State S. I. A. A. men, and Shearer was given honorable mention on several all-American teams this last year.

FRESHMAN SQUAD

Freshman Football

The Lieutenants, under the joint direction of Coach Ed Lindenmeyer and Alvin Longstreth, had a most successful season, being rated practically on a par with the yearling squads of Tennessee and Duke. Although the former team defeated the Lieutenants, the margin was so close that there was little to choose between the two.

Kentucky Wesleyan was the first to feel the power of the first year men's attack, going down under a 21-0 score.

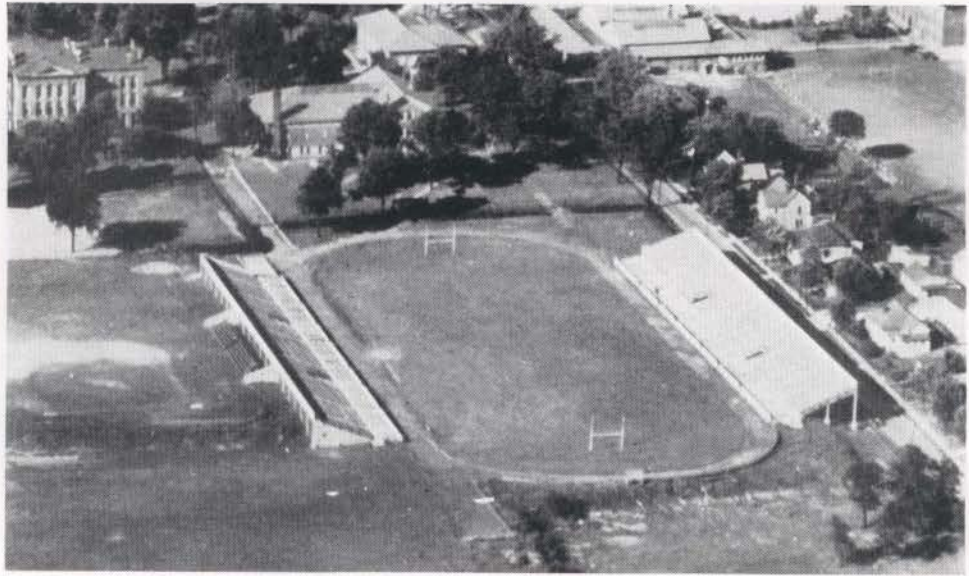

The second game was with the Young Vols at Knoxville, Tenn. The Lieutenants were finally defeated 6-0 after a vicious tooth-and-nail battle.

Their third contest was with the Transylvania Frosh, and was a walk-away. The Lieutenants scored at will to run the count to 63-0.

In their fourth start, the Freshmen played the Sewanee Yearlings. The visitors had played the Tennessee Freshmen to a scoreless tie, and were looked upon as favorites. The Lieutenants turned on all their steam, however, and took the game, going away at 14-0, partially atoning for their only defeat of the season.

The boys tapered off their season against Georgetown, taking the game 34-0. This game gave them a record of four victories in five starts.

Much is expected of the men who will graduate to the Varsity this fall. The line would have compared favorably with many Varsity forward walls, and will greatly benefit Coach Kubale in his rebuilding. There are also several backfield men who will develop to fill the places made vacant by graduation.

The 1930-1931 Colonel court team enjoyed a good season, winning nine and losing four of their regularly scheduled games, finishing second in the State S. I. A. A. race. Their record against Conference teams was six victories and one defeat. In the two tournaments that the Colonels played, they were eliminated in the first round of each, losing to Western

Normal in the State tourney 37-35, and going down before Howard College in the S. I. A. A. play-off 47-36.

The Colonels started off fast with four straight victories against Union, 42-29; Sue Bennett, 37-17; Georgetown, 32-29; and Louisville, 42-30. Their next three games took them on an invasion of Ohio, where they lost all three. St. Xavier defeated them 30-19; the Cincinnati Elmo Club, made up of former college stars, dropped them 68-37; and Wittenberg University winning by 41-24.

A winning stride was again struck as the Gold and White successively beat Transylvania, 24-23; Wesleyan, 34-28; Louisville, 37-28; Berea, 35-26; and Union, 53-35. Kentucky Wesleyan avenged their earlier defeat by a 44-33 victory following the Berea contest. This was the only game lost in the State race.

The ability to come from behind in the second half, after a slow start, marked the Colonels' play throughout the season. This was shown in the second Louisville game, when, with but seven minutes to play and Louisville leading 27-20, the Colonels came from behind to win 37-28. In both of their tournament games the Colonels allowed their opponents to get away to a big lead only to make it up in the second period.

Six letter men played their last game in the Howard contest, with graduation taking Captain Ches Shearer, Grabruck, May, Wilson, Bininger and Sayers. The other two members of the squad, Bravard and Turney, both letter men, are Juniors.

Freshman Basketball, 1931

The Lieutenants' court team went through a mediocre season in which they split even on a ten-game schedule. There were times when they seemed to have the right combination and clicked perfectly, but there were others when the same line-up was ineffectual.

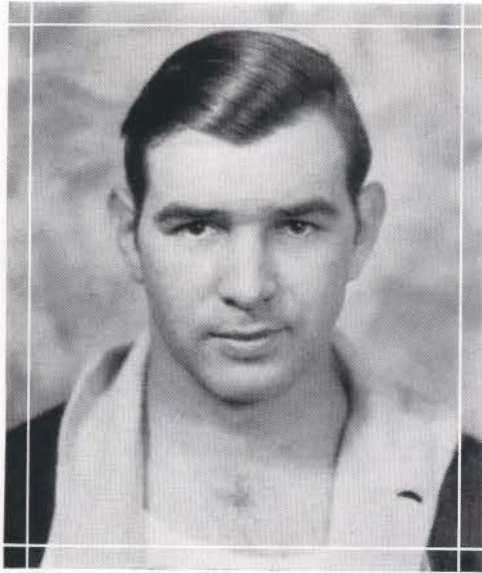

Next year's varsity will probably be able to draw two or three good men from the Frosh's ranks. Jones was the scoring star of the team and should be an asset. Meek and Hawthorne will both develop, as will Nicholson and Orme.

Track, Spring 1930

Track in 1930 was still a minor sport and suffered because of the attention given to spring football and baseball. The season, however, while not conspicuously successful, was moderately so. There were but two meets in which the Colonel cindermen took part: the State meet at Georgetown and the dual meet with Berea. The latter went to Berea and Centre finished third in the State affair.

The team, captained by Fred "Lefty" Arnicar, was made up almost entirely of Sophomores. There was an abundance of material for the dashes and weight events, but practically none in the distance runs. In those events in which they entered men, the Colonels almost swept the first places in the State meet. Hasara won the 100, 220, broad jump and ran on the winning half-mile relay team. Arnicar took the weight events, setting new State records in the shot-put and the discus. Hasara was second high point man for the meet.

ROBERTSON

TENIKAT

Andy Hasara and Gault Robertson were elected co-captains for the 1931 season. The prospects for an excellent season have been augmented by the abolition of baseball, so that track might be given more attention. Several more meets have been scheduled, offering a greater incentive to candidates to report. There will be seven letter men available from last year's squad plus several good prospects from the Freshman team and others who were ineligible last year. The letter men are: Hasara, Robertson, Arnicar, Tenikat, Lane, Milnor and Goodloe. Lane is the only Senior. The men who will come up from the Freshman ranks are: Long, Simpson and Hedrick. Long, in Freshman competition, bettered the State mark in the shot-put.

Lack of starters in the distance events has seriously handicapped the Colonels in the past, but there appears to be several good prospects for these races this year. The largest squad in years answered the spring call this year. Both Varsity and Freshman squads should enjoy a most successful season.

Gym Dandies

Each year, in late November or early December, goes out the call for all those interested in basketball. During the past season the response was better than it has ever been, and enough candidates responded to make up two full teams for each group of contestants, the Colonelettes and the Gym Dandies.

Several of those on the teams this year have served actively on the squads during past seasons. Lucy Hayward and Margaret Lewis, both Seniors, have completed four years of playing. Miss Hayward captained the Gym Dandy team during the season of '29-'30, while Miss Lewis led the Colonelettes for the same time. Elizabeth Johnson, captain of the Colonelettes for the past year, Leo Adams, captain of the Gym Dandy team for '30-'31, and Gertrude Buck have all played two years. The other members of the team were all newcomers to college basketball. Each year a series of five games is played by the two teams, and this year a similar series was arranged between the second teams. This season the Colonelettes won four out of five games to win the main tournament, while the Gym Dandies' substitutes were winning their series from the Colonelettes' second team.

The first game of the season was played on February 13, and at that time the Gym Dandy team won their only victory by the top-heavy score of 26-17. Margaret Lewis made twelve points in this game to become the highest individual scorer. The second game was much slower than the first had been, and

while the defense of both teams was better, the offense of both was weaker. While the score was rather close, being 15-12 for the Colonelettes, the game was nevertheless sluggish and uninteresting.

Both teams showed marked improvement for the third encounter, and the Colonelettes won again, but only after a sharp battle. The tally this time was 38-32. The fourth game, too, was close, but the Red team again emerged victorious 22-17. In the last game, however, although the teams were almost even for the first half, the Colonelettes jumped to a decided lead in the third quarter and were not threatened again. The score was 35-22. The line-up for the teams this year was as follows:

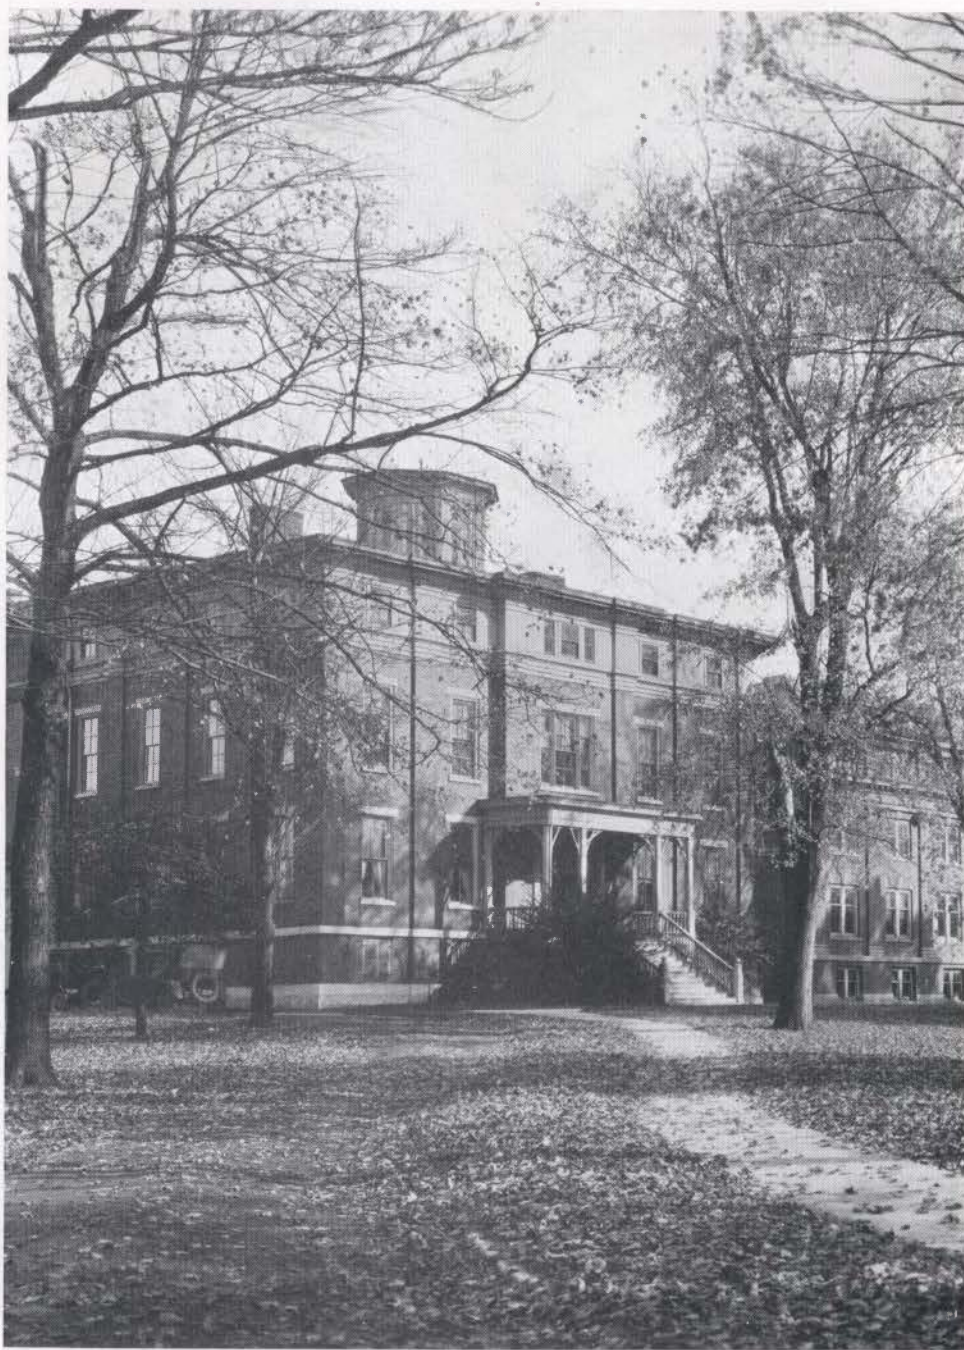

COLONELETES—		—GYM DANDIES	
McIntyreF.....	Leo Adams (Captain)	
Johnson (Captain)F.....	Hayward	
LewisC.....	Rollins	
MillerG.....	J. Adams	
BuckG.....	Gibson	

Mary Rollins was elected captain of the Gym Dandy team for the year '31-'32, and Elizabeth McIntyre was chosen captain of the Colonelette team for the same time.

Centre College

FOUNDED 1819

Danville, Kentucky

Fully Accredited

Centre College has been educating young people for one hundred and twelve years. There have been no departures from the two primary purposes of the foundation of the College. The first was that the building of Christian character should be the primary objective. The second was that a broadly cultural education in the liberal arts and sciences should be offered. Both of these principles are accepted by the present administration as correctly defining the attitude of the small college of liberal arts. It aims to develop character. It is cultural and not vocational.

Centre College has always been concerned more with training for life than with increasing earning power, with scholarship for its own sake rather than for its financial returns, if any; with character of heart as well as with strength of intellect. Center College, in 1931, represents an ideal of education that for more than a century in countless colleges has given to the nation its finest spirits and that ought not to be surrendered over night for a purely utilitarian view of school and life.

THE WOMAN'S DEPARTMENT

of

Centre College

Danville, Kentucky

Fully Accredited

On the basis of one hundred and twelve unbroken years of service in the South and in the nation, Centre invites a consideration by young men and young women seeking to find the best in college training.

The acquisition by Centre College, in 1926, of the property and assets of Kentucky College for Women gave to Kentucky its only system of co-ordinate education. The two colleges are under one administration and faculty, but with separate buildings and campuses and separate student bodies. This plan of organization provides the advantages of separate colleges for men and for women without the disadvantages of complete separation. It is the plan adopted by Columbia and Barnard, by Harvard and Radcliff, by Brown and Pembroke Hall, and by Tulane and Sophie Newcomb. It has worked with complete success at Centre College for the past four years.

The Woman's Department of Centre College is the only four-year woman's college in the State. Like the men's college it is fully accredited by the Association of American Universities, and the Association of the Colleges of the Southern States, as well as by the State accrediting agencies. The same broad cultural education is now offered to the young women of the South that Centre College has offered to young men for more than a century.

The Farm and the Farm Home

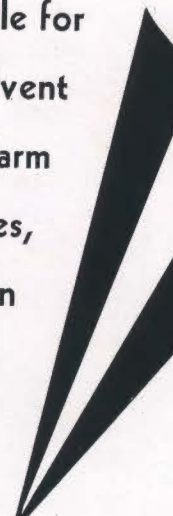

Over two hundred farm tasks are now performed by electric power. And farmers, rural service executives of power companies and agricultural engineers of state colleges and universities are finding new jobs for electricity daily.

The farm business is a household enterprise at the core. The farm and the farm home are a single unit—where the kitchen range is productive capital, quite as much as a team of horses or a hay-rake

Electric power is of even greater assistance in the farm home than in the field. Over half the current used is applied to kitchen, laundry, and household cleaning. Although the American farm is highly powered in the field, modern engineering did little for the women of the farm until the advent of electric power. For every hour of farm work performed by engines and horses, even now three hours of man and woman power are required. It is in that two-thirds of farm work that electric power can be used to substitute for human labor.
