CENTRE COLLEGE

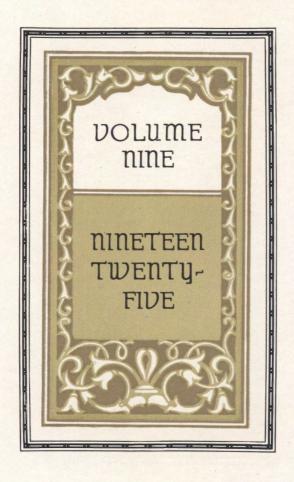

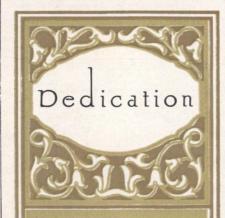

OLD CENTRE

PUBLISHED BY THE JUNIOR CLASS OF CENTRE COLLEGE
1925

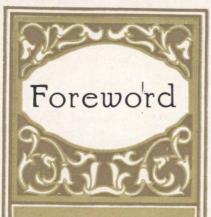

To

"Chief" Robert L. Meyers,

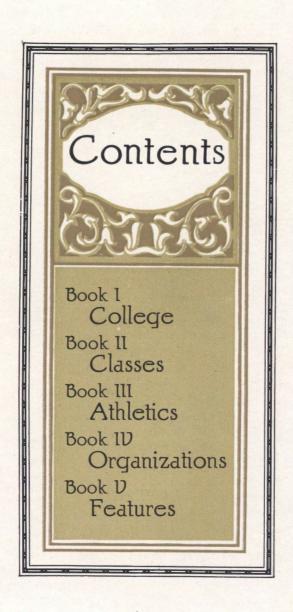

"Chiej" Robert L. Meyers, who for many years has been a true and loyal alumnus of Centre College, serving her untiringly in whatever ways he could, near and far; and who is now actively at work amongst us. To his deep and lasting affection for his Alma Mater, to his intense interest in the welfare of her students, and to the high ideals, which he personifies as a coach, a man, and a brother, do we, the Class of Nineteen Hundred and Twenty-Six respectfully and admiringly dedicate this volume.

ROBERT L. MEYERS

In editing this book it has been our constant aim not merely to publish an elaborate volume but to bring into being a concrete embodiment of the true spirit and beloved traditions which are the noble heritage of Old Centre, our College. If, on glancing over these pages in days to come, the remembrance of old familiar faces and events brings to us an even deeper appreciation of the college that we love so well, then we will consider our purpose accomplished and our work a success.

Book One College

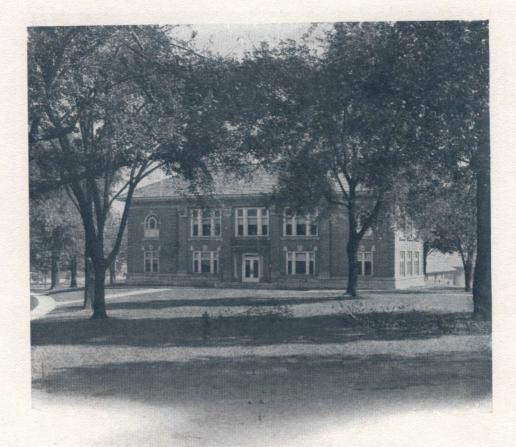

On to victory and to glory;
Loud cheers ring out, huzzas resound,
To proclaim the same old story;
Ever bold as of old guard her honor,
On the field never yield, win her fame.
Old Centre, now be bold,
The Gold and White unfold;
Our heads we bear, our pledge we renew,
Old Centre, we'll be true.

WILLIAM MC KINLEY BAER

Long Island, New York.

Chamberlain Literary Society; Glee Club '23, '24, '25; Minstrel '24, '25; Football Squad;
Advertising Manager of Centre Colonel; Assistant Librarian

For an easterner to be liked in a southern school is rather a remarkable thing. Yet Baer has proved the exception and Centre will not soon forget this man from "Noo Yoik". It looks as if Baer will carry away with him a life-long reminder of Centre and Danville.

BRANHAM BEAZLEY BAUGHMAN

Danville, Ky.

Deinologian Literary Society; Assistant in Biology '23, '24, '25; Carnival Committee '23; Henry Barrett Boyle Latin Prize '23; Honor Student '23, '24; Secretary Junior Class; Phi Beta Chi; Ye Rounde Table, Scribe '25; Social Committee '25; French Circle '25.

Just how Dr. Rainey is going to get along without Branham nobody knows. He has grown to be a part of the science department and losing him is just like losing a part of Young Hall, yet we would rather lose the whole building than him.

JEROME CHARLES BERRYMAN

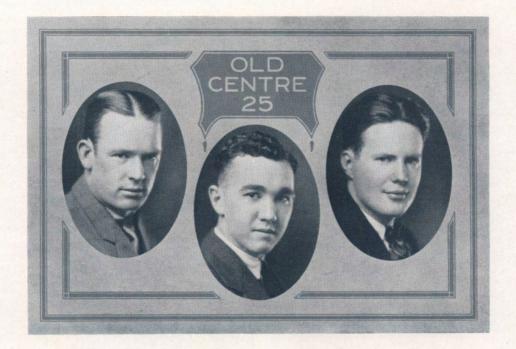

Ashland, Kansas

Sigma Alpha Epsilon; Varsity Track '22, '23, '24, '25, Captain '24; Vice-President of Students Forum '24, '25; Secretary and Treasurer of Senior Class; Student Manager of all Athletics '21, '22; Carnival Committee '23.

Here is a man that can show his heels to almost anvone in the country. As far as we know he is the only man that has ever represented Centre in the Olympic Games. A better man never came to Centre and it is with great confidence that we turn him loose in the world to show the same speed that he has shown in the past on the cinders.

WILLIAM CALDWELL

Campbellsville, Ky.

Chamberlain Literary Society, Secretary; Assistant's Union; Ye Rounde Table; Phi Beta Chi.

"Bill" is one of the boys that everyone knows and likes. He and his Ford have grown to be a Centre institution and we only hope that he is as successful in life as he has been in getting boys to and from Lebanon.

CHARLES CARROLL CAMDEN, JR.

Miami Beach, Florida

Chamberlain Literary Society; English Club; Ye Rounde Table; English Assistant; Cento Staff; Colonel Staff; University of West Virginia; University of Cincinnati; Teacher of Math and Science at Spencer, West Virginia.

Some day some one is going to compel the literary world to sit up and take notice and we have an idea that this someone is going to be our own Camden. He has shown remarkable ability while in Centre and it should carry him far.

JAMES W. CHANDLER

Louisville, Ky.

Delta Kappa Epsilon; Transfer from Ogden College, Bowling Green, Kentucky. A boy shows great sense by starting at Centre and he shows good sense by coming here to finish. Chandler hasn't been here long but during the time he has been here he has gained a high place in our hearts.

JOE P. CLARK

Franklin, Kentucky

Chamberlain Literary Society; Assistant in Chemistry '23, '24; Assistant in Physics '25; Phi Beta Chi; Old Centre Staff '24; Social Committee '25; Senator to Student Forum from Senior Class.

Working hard every minute, Joe has won for himself a great reputation as a scholar and a gentleman. Centre College is a better place by reason of his stay and we only hope his whole life will be as successful as the years he has spent here.

LANUS WHEAT CLOYD

Leslie, Kentucky

Sock and Buskin '24, '25; Phi Beta Chi; Chamberlain Literary Society; Assistant in Physics '23, '24; '24, '25; Summer Term at University of Michigan '23, '24.

Let 'em talk all they want to about electrical wizards and the like but we've got one here that will stack right up with the best. What Lanus doesn't know about electricity and Radio very few others know, and some day he'll make them look sick.

HERBERT HUNT COVINGTON

Mayfield, Kentucky

Delta Kappa Epsilon; Football '21, '22, '23, '24, Captain '24; Basketball '22, '23, '24, '25; Baseball '22, '23; Omicron Delta Kappa; Social Committee '25.

"Covie" is just about as well know as Ivory Soap and in trying to praise him we can only do what almost every sport writer in the country has already done. But they wrote mainly of his football ability and we can only add that his social and campus activity is of the same dashing character so well known to football fans.

CHARLES EMMET DURRETT

Paducah, Kentucky

Sigma Chi; Baseball '22, '23, '24; Keys Fraternity; Deinologian Literary Society; Carnival Committee '22.

The best thing that can possibly be said about a man is that he will be remembered long after he leaves school. During his four years here Emmett has made a host of friends who will always remember him, and the school as a whole will always admire his enviable record.

ROBERT EDWARDS GLORE

Danville, Kentucky

Sigma Chi; Honor Roll '22, '23; University of Virginia '24.

"Bob" lost his head during his Junior year and left us. But he soon saw his mistake and returned to the fold. If he has benefitted as much by his return as we have then Centre has turned out a man who will be a great credit to the old school.

MINOS THOMAS GORDY, JR.

Abbeville, Louisiana

Beta Theta Pi; President of Freshman Class '21; Football '21, '22, '23, '24; Track '22, '23, '24, Captain '25; President of Student Forum '24, '25; Omicron Delta Kappa '24, '25; King of Carnival '24.

Some of us felt that Minos has never gotten the honor due him from the press of the country, But we know that a better football player never lived, and as time rolls on you may be sure that his terrific playing will be remembered. Not only as an athlete will he be held before the Centre students to come but also as a leader and a gentleman of the finest quality.

EDWARD C. HAMLET

Columbia, Kentucky

Sigma Chi; Social Committee '25.

Writing Senior write-ups, as a rule, is a tiresome job, but to be able to say something about Ed is a pleasure. As a student and social leader Centre has had few his equal, and his departure from our midst is felt by every man in school as a personal loss.

JAMES COULTER HARBERSON

Perryville, Kentucky

Honor Roll '23, '24; Ye Rounde Table '25; Phi Beta Chi '24, '25; Chamberlain Literary Society; Spanish Club '22, '23.

There are always a few men who are recognized on the campus as sharks in one or more lines. Harberson is one of the very few who are recognized as sharks in all courses—a permanent fixture on the Honor Roll. Whatever profession he chooses will be honored by his ability and industry.

EDWARD JOSEPH HAYWARD, JR.

Danville, Kentucky

Phi Delta Theta.

Ed is the kind of a bov that we can't forget. He is quiet and unassuming but he is a regular fellow, and in the class room as well as out he is right there with the goods every time.

SAMUEL HAYWARD SELLS

Johnson City, Tenn.

Sigma Alpha Epsilon; Honor Roll '24.

Sam is a boy that we all like. Earnest and friendly, he has made his place in the hearts of every man in Centre and will not soon be forgotten.

HENRY READE HESKAMP

Coburg, Kentucky

Y. M. C. A.; English Club '21; Chamberlain Literary Society, President '24; Forensic Circle '22; Ernst Debate '24; Ye Rounde Table; University of Wisconsin Summer of '24; Teacher Rural Schools '23; Honor Student '23, '24; Latin and History, Princeton, Kentucky High School '25.

Few Centre men have equaled the achievements of Reade Heskamp. Studious, considerate, honest and true "Hes" will leave the campus with the best wishes of all for the success he so rightly deserves.

WILLIAM LAWRENCE HOLLAND

Franklin, Kentucky

Assistant's Union '24; Social Committee '24; Baseball, '22, '23, '24, Captain '24; Spanish Club.

As a student and a leader among men Lawrence Holland is in the "A number one" class. His scholastic record is beyond reproach and at the same time he is far from being a grind or a "book-worm". Holland is one of the finest men we ever met.

CHARLES GAFF HOWE, JR. Covington, Kentucky

Delta Kappa Epsilon; Freshman Football Squad '22; Deinologian Literary Society; Spanish Club; English Club; Original Colonel Staff '23; Honorary Member Colonel Staff; Forensic Club.

"Charlie" is one of the most brilliant minds that ever went through Centre. He is a three and a half year student and that three and a half years has been packed full of activity. He hitched his wagon to a star and we expect him to climb even higher in the future.

WILLIAM SYLVESTER HUGHES

Cave City, Kentucky

Ye Rounde Table; Honor Roll '24; Chamberlain Literary Society; Track Team '22, '23, '24, '25.

Hughes is the kind of man that makes Centre the great school that she is. He is not only a student but a scholar. He is another that does not advertise himself but the better one knows him the more one likes him and admires his fine traits.

EDWIN KUBALE

Fort Smith, Arkansas

Kappa Alpha; Secretary Treasurer of Freshman Class; President of Sophomore Class; Football '21, '22, '23, '24, Captain '23; President of Keys Fraternity '22; Minstrel '23, '24, '25.

"Ku" is a man's man clear through. He is one of the fightin'est centers that the gridiron of America has ever produced. At the same time he is always friendly to everyone. To know him is to like him. "Ku" leaves a host of friends when he leaves Centre.

JOHN ALLEN LEATHERS JR.

Louisville, Kentucky

Beta Theta Pi; Baseball '23; Basketball '24; Annual Staff '24.

"Kinky" is one of the best, hard-working, conscientious men that ever earned the diploma from Centre. But these are just his minor accomplishments. From all indications "Kinky" is also right there with the ladies. K. C. W. is his specialty. In fact we believe that he would be a success in any line he might try.

CLIFTON WILSON LEMON

Chicago, Ill.

Beta Theta Pi; Football '21, '22, '23, '24; Baseball '22, '23, Captain; Minstrel '24, '25. "Henie" is a whiz on the football field. He has been one of the strong points on our team and we will miss him when he has gone. He is one of the most popular men in school. We predict for him real success on "the greatest gridiron of life".

HOWARD W. LYNCH Amarillo, Texas

Phi Kappa Tau; Football '22, '23, '24; Keys Fraternity; Omicron Delta Kappa; Publications Board '23; '24, '25; Minstrel '24, '25; Stadium Committee '23; President Senior Class.

The "Lone Star State" was named after "Bull" Lynch. He is a bright and shining star if there ever was one and Centre will certainly miss his light after he leaves us. He has been great not only on the gridiron but in his every effort. Always cheerful, always friendly, "Bull" has gained a big place in our hearts.

JACK W. MONTGOMERY Versailles, Kentucky

Phi Delta Theta; Minstrel '25.

Yes, "Valedic" is a Senior and Centre is proud to turn out such a man. A true and loyal friend and a Kentucky gentleman he is. Can any thing better be said of a man? Sincere regret fills the hearts of us all at his departure from our midst and we wish him the greatest possible success.

ROY RADCLIFFE MORRIS De Funiak Springs, Florida

Phi Kappa Tau; Ye Rounde Table, President '25; Forensic Circle; Spanish Club; Old Centre Staff '24; Minstrel '24.

Roy is a real charmer—they all fall for him and we don't blame them a bit. Seriously he is a man of great powers. He is a good student and will make his mark in the world before many years.

ALBERT CHAUNCEY NEWLIN Newport, Kentucky

Sigma Chi; Winner Ernst Debate '22, '23, '24, '25; Robert Powell Jacobs Green Prize '23; Omicron Delta Kappa, President '23-'24; Pi Kappa Delta; President '24-'25; Henry Boyle Latin Prize '24; Ye Rounde Table; Honor Student '23, '24, '25; Oratorical Prize '24, '25; Track Squad '22, '24; Deinologian Literary Society.

Too much can not be said about "Chan" and his deserving work at Centre. He has accomplished great things in his class room studies and in outside activities. He gets what he goes after. And he will accomplish more in later years. "Chan" has won a great many friends and admirers on account of his sterling qualities.

VERNON RICE OWEN Fulton, Kentucky

Phi Beta Chi; Chamberlain Literary Society

"Breck" Hall will not seem natural without Owen and his telephone. Vernon fills a big place in the life of Centre. A more true or loyal friend will not be found anywhere. Good luck to you Vernon—may you be as successful in the future as you have been in the past.

STANLEY SULLIVAN PARKS

Danville, Kentucky

Deinologian Literary Society '22, '23; Phi Beta Chi '24, '25; Track Team '24; Spanish Club '23, '24; Biology Assistant '24, '25.

Stanley is the kind of student that is a real benefit to the school. Centre is a better school on account of Stanley's stay here. We hate to see him leave but we know that the world is waiting for Stanley to teach it something about Biology.

MORRIS H. PRICE

Paris, Kentucky

Sigma Chi; Assistant in English '22, '23, '24, '25; English Club; Ye Rounde Table; Honor Student '22, '23, '23-'24.

Morris has emblazoned his name in the Centre hall of fame by his devotion to all things worth while in scholastic lines. The Honor Roll would be incomplete without his name. If he enters upon his life work with as much earnestness as he has displayed in his school work, he is bound to succeed.

CHRISTOPHER H. PURDOM Mitchellsburg, Kentucky

Ye Rounde Table; Spanish Club; Chamberlain Literary Society; Phi Beta Chi; Honor Roll '22, '23, '24.

Purdom has always set a fast pace in student activities. If the qualities of character and leadership which he has exhibited as a student may be considered as a basis from which to predict his future, his success in the world is assured.

SAMUEL HASKINS RIDENS

Newbern. Tenn.

Beta Theta Pi; Deinologian Literary Society; Cento Staff; Social and Carnival Committee; Y. M. C. A. Friendship Council; Track.

Ridens is the busiest man on the campus, taking a very active interest in all branches of college activities. He leaves Centre as an alumnus it can be glad to claim.

ROBERT WINTERSMITH ROBERTSON

Elizabethtown, Kentucky

Phi Delta Theta; Monitor of Breck Hall '24, '25; Glee Club '23, '24; Minstrel '23, '24; Baseball Squad Four Years; Freshman Football Manager '24.

Every one knows "Red" and moreover every one likes him, not only because of his ability but for his wit and constant good nature. "Red" is bound to be successful for he has the two greatest requisites—a sterling character and a pleasing personality.

WILLIAM HOWARD ROBERTSON, JR.

Elizabethtown, Kentucky

Phi Delta Theta; Track '21, '22, '23; Football Squad '22; Deinologian Literary Society '21; Social Committee '21, '22; Sock and Buskin; Omicron Delta Kappa; Centre Six (Banjo); Centre Minstrels.

No one who has met "Robbie" can fail to be impressed by his genuineness, his honesty of character and purpose. He expects to enter business life soon and his many friends wish him much success.

HORACE ROLLINS Pineville, Kentucky

Phi Delta Theta; Keys Fraternity.

Lack of space prevents us from saying as much as we would like to about Horace. He is the type that every man in school is proud to call a friend. He will be missed tremendously but our loss is the world's gain.

ROBERT FRANK RUBARTH

Gatesville, Texas

Phi Kappa Tau; Football '21, '22, '23,' 34; Baseball '24; Keys Fraternity.

Coming to Kentucky from Texas, Rubarth has spent four years of wonderful service. His strength in the line, his calm attitude on the campus are characteristics that have endeared him to every Centre man. No man ever deserved success more than Frank and we are confident of the outcome.

JOHN L. SELLARS Amarillo, Texas

Phi Kappa Tau; Business Manager of Old Centre '24; Texas Club; Colonel Staff '24; Spanish Club '24; Social—Carnival Comittee '24, '25; Pan—Hellenic '23, '24; Minstrel '24, '25.

The striking personality of John Sellars is just about the first thing noticed by men entering Centre College. He has made a great record and it will not soon be forgotten. He has several more years of school before him and our best wishes go with him as he leaves Centre.

MARSHALL LIVINGSTON SHEARER

Deinologian Literary Society; Forensic Club; French Club; Football and Basketball Squads '21, '22, '23; University of Kentucky Summer School '24; Every Office in Deinologian; Kentucky Inter-collegiate breast stroke '24.

"Spiv" "knows his stuff" about as well as anyone we know of. He is a mighty good man to have in a college and Centre as a whole loses by his exit. The life of all his classes and a noble gentleman at all times, "Spiv" is just good old "Spiv" to us all.

WILLIAM HAMILTON SLACK

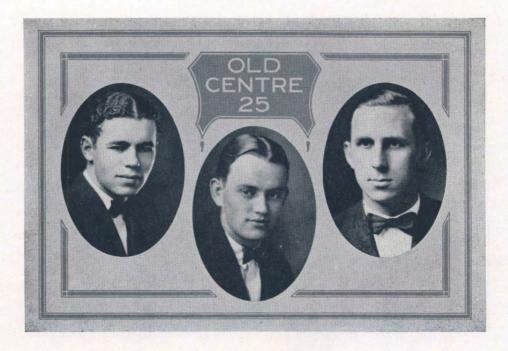

Louisville, Kentucky

Y. M. C. A. Cabinet Four Years; Treasurer '24, '25; Chamberlain Literary Society, Secretary '22, President '23; Glee Club, President '23, '24; English Assistant '23, '24; Editor Y. M. C. A. Handbook '24; Annual Staff '24; Omicron Delta Kappa, Secretary and Treasurer '25.

By hard and continuous labor this man has worked himself to the very peak of efficiency and effectiveness. Slack's line is electricity and if experience and intelligence mean anything he is bound to go far in the profession.

CLAY RICE SMITH Danville, Kentucky

Assistant Modern Languages '24, '25; Assistant's Union; Honor Roll '24-'25; Spanish Club '23, '24, '25; President '25; French Club, President '25; Ye Rounde Table; Historian Senior Class.

What a joy would life be to college professors if we all had brains like Smith. Not content to turn in one or two years of high marks, he has led his classes for four years. If he tackles his profession as he has his studies, he'll make the world sit up and take notice.

WILLIAM HUGH STEVENSON

Sturgis, Kentucky

Sigma Alpha Epsilon; Chamberlain Literary Society; Track '22, '25; Secretary of Class '22; Social and Carnival Committee '25; Cento Staff '23.

"Steve" is one of the best liked men on the campus. He is always ready with a smile and always seems to be pretty busy. Whether he is really as busy as he seems we can't say, but we know that his friendliness is genuine and we know that wherever he may go he will always make a place for himself by his attractive personality.

ROBERT L. THOMASSON

Newport, Kentucky

Sigma Chi; Football '21, '22, '23, '24; Basketball '23-'24; Omicron Delta Kappa; English Club; Vice-President Senior Class.

"Case" will be remembered by a number of things but he will be glorified as long as the Georgia game is remembered—and that will be always. A greater finish to a great career could not have been planned, for when "Ostrich" twice snatched victory from the hands of the enemy he made Centre history.

BOYD WILSON TRAVIS McAfee, Kentucky

Honor Student '23, '24; Assistant in Chemistry '24, '25.

Centre has turned out some mighty good men of science but none that promised more than Travis. His entire college career has been successful and his mastery of Chemistry bids fair to place him at the top.

JOHN MENZIES VANWINKLE

Covington, Kentucky

Sigma Chi; Keys Fraternity; Phi Beta Chi; Spanish Club; Old Centre '24; Assistant's Union.

Quiet, calm and dignified, Centre will long miss the powerful influence exerted by Jack. He is one of the few men that can bear weight and yet not be the central figure—would that we had more. Centre trusts his ability and is confident that in a few years he will be an outstanding alumnus.

JOE H. WALLINGFORD

Ashland, Kansas

Sigma Alpha Epsilon; Sock and Buskin; Business Manager of Baseball and Track '23; Phi Beta Chi.

If the oldest heads in business were to be matched against Wallingford, Centre money would be right on Joe. It is our belief that they don't make 'em with keener business ability than Joe has, and we are sure of the greatest success for him.

JOHN SAM WELLS, JR. Clearwater, Florida

Deinologian Literary Society, '21.

Sam will leave school with a host of friends and admirers who extend to him their best wishes for a successful life. We do not know what his life work is, but whatever it is we can rest assured that Sam will fight his way up.

BROWN YOUNG WILLIS, JR. Nicholasville, Kentucky

Tom is the kind of a man that doesn't make a stir until he has gone. Steady, studious and well-liked he will be missed by Centre in many ways. He has made many friends among the students and faculty and we all join together in wishing him the best of luck in his chosen field.

Senior Class History

HE sand is slowly sifting through the hour glass of Father Time. Four short years have come and gone and our class stands upon the threshold which leads to the vast vistas of the future and standing upon this threshold we now turn and watch the crowded memories of our four years in old Centre's classic halls trooping by.

Dazed, confused, bedazzled, one hundred and twenty-five Freshmen entered the intricate mysteries of college life within the portals of old Centre in September 1921. The confusion of new scenes was soon dissipated through the aid of the Sophomores, however, and we felt ourselves to be true sons of the old college upon the passing of the physical and mental soreness which always ensues the initiation conducted by our friends the Sophomores. Fully acclimated, we turned our interests toward the gridiron and in the golden fall of that year Centre's football star flashed across the athletic firmament in undimmed glory, Harvard among many others falling before our valiant warriors. Included in the personnel of that glorious combination were ten of the class of '25, lustily battling to uphold old Centre's honor on the gridiron. At the closing of the football season the class of '25 took it as their task to supply other branches of athletics with capable men, many of our number being members of the various athletic teams.

In the spring of that year came the glorious opportunity for revenge against the grievous treatment we had suffered at the hands of the Sophomore class during our first days on the campus. An easy victory in the annual flagrush enabled us to flout our flag in the faces of our traditional enemies.

The fall of '22 found many of our number answering old Centre's beckoning call and again we took our places within her portals. Gone were some of the old faces and fewer were the new ones to fill their places. Gone were most of the old galaxy of stars which had inscribed the name of Centre in ineradicable splendor in the history of football glory. The men of the class of '25 rose nobly to the task of maintaining Centre's place in football and once again were Centre's courageous warriors heralded as real men.

These straggling recollections, flittingly leading us across the years bring us at last to the golden September of 1924. For the last time we turn Centreward and for the last time we enter the activities which have become so dear to us and which actuate us to sorrow with the pain of the knowledge that it all shall soon become memories, golden, undying memories of that period of development so dear to the life of every man.

Those of our number who have so valiantly battled for Centre's supremacy on the gridiron once more take up the task with the grim determination to blot out the memories of humiliating defeats and to write again Centre's glory in the annals of victory. In the face of a somewhat inconspicuous take-off, Centre's men found their souls melted into one terrible machine, an awful juggernaut, rolling across all resistance that dared to raise its defiant head. Battling against heavy odds, Centre once again flashed her name in golden play across the athletic horizon and the supreme honors of Southern football were hers. And the great secret of this tremendous success may be attributed to the determined and inspired force of the eight men of the class of '25 who were fighting for Centre's gridiron honor in their last heartrending effort.

Slowly, slowly, sifts the sand through the hour glass as the wheels of fate roll grimly, unstoppable toward the finish of the college career. Tremendous efforts on the gridiron have been justly rewarded. Scholasticly inclined men have been able to write their names in the honored books of Centre's traditions. Social aspirations have been beautifully realized by those who so desire it. And now the end is drawing near. No more shall Centre's beckoning call find response in our actions for life shall have gripped us in its grim struggle and we can no more return to Centre's classic portals to carry on our college work and to search for the infinite joy of living which is youth's. Let us then turn to this future in grim determination, to carry the fight and the struggle which our class has so nobly sustained within old Centre's halls to the battleground of life, so that the class of '25 may set a goal for the emulation of the classes that are yet to come.

Junior Class History

HE history of the class of '26 began on the eleventh of September 1922. As Freshmen we were one hundred and twenty strong and there were among us all those rare combinations of characteristics typical of high school graduates. From far and near the members of our class found their way to Danville to begin their

work together as a class at Old Centre.

We began our class life in accordance with the traditional custom with the instruction and assistance of the Sophomores. We had been here only a few days when they posted the Freshmen rules which informed us that we would wear green Windsor ties and skull caps of gold and white. It was during the early part of October that we were summoned to be present at the initiation ceremony without fail, and this was an event that will always be remembered by all those that had a part in it. I think the welcoming which we received was complete in every detail and the climax of the event was reached when each Freshman was caused to run the gauntlet and receive the final hand of friendship. It was on the last Saturday in October when the Centre-Harvard game took place that we were allowed to discard our skull caps and green ties.

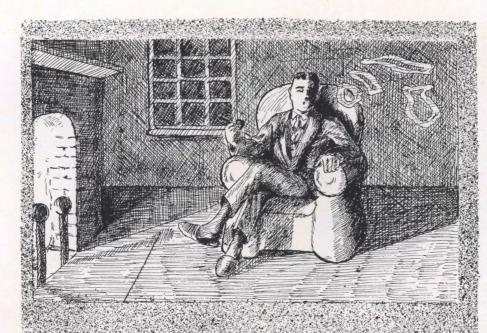

During the first week in December we had our first class meeting and it was on this occasion that we organized with Garland Young as our president. By this time we were becoming familiar with the faces that we were to associate with for the next four years and many friendships were formed which will last through life.

In the fall of '23 we returned and were then one step higher in our college career. A large per cent of our number returned and helped make the enrollment of Centre the largest on record. This year we chose Elmer Rabenstein as our leader and he proved to be very efficient especially in welcoming the Freshmen as we received them in much the same way as we were received because we believe in returning good for good.

Since the fall of '24 has rolled around we have entered in our third year. We find that the original group has greatly decreased in numbers but this is not exactly a result of the survival of the fittest because many of our number were taking a preparatory course to some profession and they now have gone to take up their work along other lines in other schools. This year we have organized with William Cochran as our president. Although our number is small it is a true and loyal band to Old Centre and we are looking forward to next year as being our best.

Sophomore Class History

E have often wondered if the College fully realized the magnitude of an event that happened early in the fall of '23. Our appearance on the campus seemed to create no great amount of interest among the upper classmen. They didn't seem to understand that we were the officers of the senior class of Hicksville High School and the football stars from Thebest Military Academy. "None so blind as those that have eyes and see not." But it

was not long 'til we found that they had discovered our presence but had seen fit to make a joke of us. Oh how unappreciative is this world, this college world! Why we were to be adorned in amost peculiar raiment, to be made the laughing stock of the town. It was a disgraceful humiliation that was unspeakable. And added to this our rights as free born men were curbed by a set of rules and regulations tyrannical to the n'th degree. But, we thought, traditions are traditions no matter how foolish and odious, so we condescended to put up with them.

After all, however, when our girls came down for the State game, deep in our hearts we were proud of the gold and white caps that adorned our overly big heads. And then came the event of events, long looked forward to and eagerly awaited: Freshman Initiation! We were at last to be accepted in to the campus life and given a rating we so much wanted and deserved. Oh we were sure we were the wittiest and most talented class that had ever been initiated; why all the K. C. W. girls smiled at us and laughed with us. And don't think we were not pleased to lay the prescribed regalia of a Freshman aside, because we were. It was not long until with the kind permission of the Junior Class we elected officers and took our proper place in the student life of the College.

Days passed and spring came. The Flag Rush! Here we were to be given a chance to show the Sophomores just what we thought of them. While we could not find the flag that had been so dextrously hidden by the valient Sophomores we are sure when the whistle blew at eleven o'clock they agreed with Ring Lardner's famous definition of war.

Then the final exams and carnival in June and we had finished our first year as students of Old Centre.

September of '24. Back to the old campus to continue our work. You bet we were glad to return and meet those whom we had learned to know and love during the year before. We realized as "old men" we had resposibilities to meet and we settled down to them. New men had entered. FRESHmen; too green to burn unless it be with the paddle. Why they thought, poor misguided youths, that they really amounted to something, Heaven only knows. But we were prepared to teach them their place and this we soon did. We don't mean to brag but we do think we did a good job of educating the Freshmen and while we hated (?) to do it we took them through their initiation in great style.

As a class we have been active in all student activities. As Freshmen we had a football and basketball team that held their own with the best of them. We had this year several men on the Varsity football and basketball teams. In baseball and track we can be relied upon to furnish our share of men.

In forensics we have taken our place. Representatives from our class have already won laurels along this line. The halls of the Chamberlain and Deinologian societies ring with the words of future Websters and Clays from the Class of '27.

Probably in no branch of extracurricula work does our class so excel as in the publication of our school papers. On the staffs of the Cento and Colonel are to be found the names of many of our classmates.

So in the midst of our second year of life we must close our history of a class that has always measured up in all their responsibilities. May our ties of friendship bind us even closer together as our school days roll on.

Freshman Class History

N September 5, 1924, about seventy-five "feeling important" young men asembled at Centre College to add to what they soon learned was a small supply of knowledge. As this was a friendly group, we soon felt as though we had known each other for years. Study began the following Monday and we were getting along very well

till one day we were informed by the Sophomores that we were not yet college-men, but only Fresh-men, and that we were to abide by the Freshman Rules. We then donned our skull caps, red socks and green ties and could be very easily recognized two blocks away.

Just before Thanksgiving Day we were urged to be present at a "reception" given by the Sohpomores in our honor. It seemed as though the Sophs wished us to feel that they were back of us. We were taken in the post office and, upon leaving at the side door, were very cordially greeted by a "receiving line" composed of the entire Sophomore class. We were then taken to K. C. W. to perform before the fair ladiies. After making all kinds of speeches and proposals, and singing songs, the Freshmen were taken back to town where a double line of Sophomores, with their paddles, bid us good-night, something to be easily remembered for several days. We were then considered regular college men.

Among the members of our Freshman class are men who possess great scholastic and athletic ability. Next year's football and basketball teams of Centre College will be strengthened very much by the presence of Sophomores in the line-ups. Centre has a reputation for having produced great men, and the class of '28 is expected to add many more to this list.

Henry Faurest Class Historian

Book Three Athletics

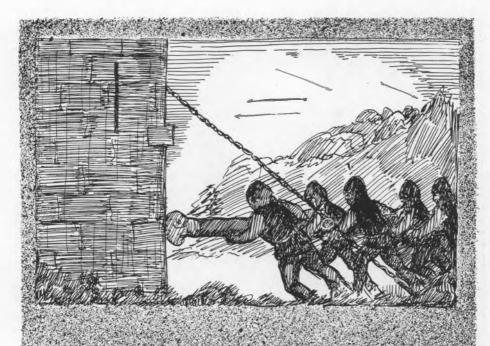

To the Immortal Seven

HE Immortal Seven" as Chief has so appropriately named them are seven Centre College football players and gentlemen whose equal it would be difficult to find. These seven men are seniors who finish their college careers the coming graduation day and whose efforts on the gridiron for "Old Centre" shall never be forgotten.

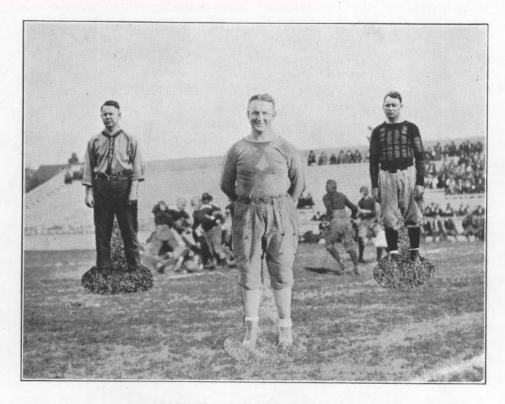

All were members of the famous 1921 team which defeated Harvard and during their four years made Centre's "Fightin'-Cryin'-Prayin' Colonels" a team respected and feared by all opponents. Fight hard and fight clean is their motto, team play and not individuality, and they have endeared themselves in the heart of every student of Centre College. The repeated success of their honest efforts is evidenced by the fact that in their four years Centre was once claimant for the National Championship, once undisputed Champion of the South, and in 1923 tied for the Southern Championship. These seven, Captain Covington, Minos Cordy, Ed Kubale, Hennie Lemon, Howard Lynch, Frank Rubarth, and Case Thomasson leave vacant spots in all our hearts and we hope that their success here may become overshadowed, if such is possible, in the years to come. Their names shall become truly immortal as we shall never forget them and Centre's students in the years to come will know of their fame.

Tootball

ROBERT L. MEYERS, Head Coach

Here is the man to whom we confess that we owe the greater part of Centre's success on the gridiron and he has become a part of the heart of every single student of Centre College and also of the people of Danville. Chief is the man who started Centre's great team back in 1917 and last year when we were left without a coach and when pessimists were predicting the fall of Centre, Chief came back, took charge and developed a team which won the undisputed Championship of the South and was, in the eyes of those who have seen all of Centre's great teams play, the best of them all. Should someone say an unkind word about Chief on the campus of Centre College or even in the city of Danville, he would certainly be tarred and feathered with everyone taking an active part.

HAROLD S. OFSTIE, Assistant Coach

"Hod" came down with Chief last Fall and coached his first year at Centre. For the actual development of the team "Hod" deserves unlimited credit and is probably the best line coach we have ever had. This man knows all of the tricks of the game and he most certainly is an able teacher. Out of a line that averaged 175 pounds from end to end, which is far lighter than that of any team we played last year, he made a line that was able to withstand the charges of the giant linemen of Alabama and Georgia. It is yet uncertain as to whether he will choose to remain with us for another year but we all hope that he will decide in our favor for much of the credit for our championship team goes to "Hod".

"RED" ROBERTS, Freshman Coach

"Red" had charge of the Lieutenants this year and the result of their season goes to show with what ability he handled his job. Everyone knows of "Red" as a football player. They all know that his equal on the gridiron is hard to find. He is not now so well known as a coach but if he sticks to it, it will not be long before he will be famous as a coach as well as, as a player, because he has real ability along the coaching line.

Student Managers

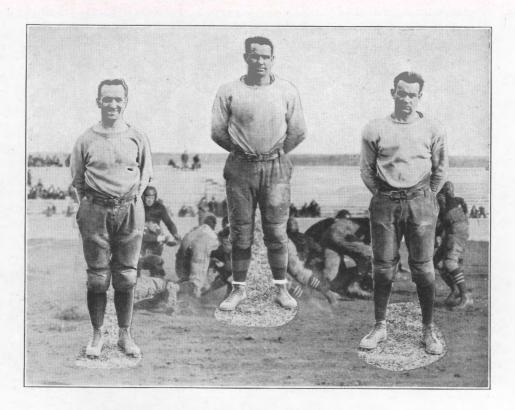

B. Y. WILLIS

A football team may be the "hottest" in the country, but it will never get anywhere and never acquire fame without a capable student manager. Centre's team of this year has acquired fame; therefore it must follow that we had a very capable and efficient student manager. "Beany" was undoubtedly the best man for the job, and he handled it so well that he has set a high standard to be followed by his successors.

BILLY COCHRAN

As assistant student manager of football and manager of basketball, Billy has proved his abilities along this line. He is reliable, energetic and conscientious in the performance of his duties and deserves a lot of credit. Billy is also to be highly commended for the prompt and diligent manner in which he prepared the athletic section of this volume.

HERBERT COVINGTON, Captain and Quarterback

The Mayfield Flash had another great season as he was the unanimous choice of all critics for the All-Southern quarterback position and the choice of many for All-American. A better broken field runner than "Covie" would be difficult to find and his greatest ability is probably that of returning punts which he always takes on the dead run no matterhow many would-be tacklers are near. His loss will be greatly felt next Fall.

MINOS GORDY, Fullback and End

"Cajan's" ability as a great fullback was not discovered until this year and what holes he could make through the opponents' line when called on to carry the ball! Gains of three and five yards were nothing to him, once the pigskin was tucked securely under his arm and woe to the ambitious man who attempted to stop him single handed. A quick thinking fast one hundred ninety pound man is an opponent to be respected in anybody's football game. He is another one of "The Immortal Seven" to whom we hate to say good-bye.

EDWIN KUBALE, Center

Twice All-Southern and twice mentioned by Walter Camp for All-American informs the public pretty well as to the type of player who has held down the pivot position on Centre's team for the past four years. "Ku" is an accurate passer and a demon on the defense, especially at breaking up forward passes. In 1923 when Centre was a claimant of the Southern Championship "Ku" was her able captain and he deserves well the title of "Fightin' Ku".

CLIFTON LEMON, "End

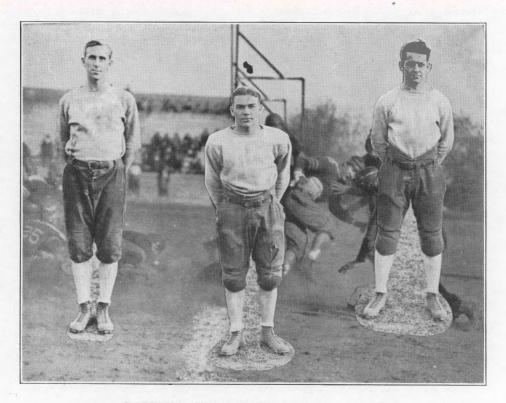

"Hennie" was twice named for All-Southern End and we believe that a better end cannot be found far or near. As a place kicker he is as accurate as anyone who ever booted a football, and his toe has won many a game for Centre. During 1923 he was the leading place kicker in the country by points. Hennie played the best game of his career at Birmingham when Centre met the University of Alabama, the objective game on Centre's schedule. There was a great "Lemonstration" that day.

HOWARD LYNCH, Tackle

"Bull" is probably the best tackle who ever wore a Centre uniform and that is saying a great deal, for the Texas boy, as many stellar tackles have worn the gold and white. Lynch is a fighter from the heart and when Centre's goal line is neared don't try any tricks on his side of the line as you are sure to be mowed. He was forced to go to bed with a grippe attack several days before the Georgia game but in his weakened condition he turned out and played a great game.

FRANK RUBARTH, Guard

"Rube" in spite of his small weight of 160 pounds is a guard par excellence and if you don't think so try to run a play over him, the probable result will be that you come to your senses a little later to find that there has been a two or three yard loss. At Birmingham he played against an opponent who outweighed him at least forty pounds yet he came through with flying colors, playing the entire game and being a great aid in causing an Alabama rout.

ROBERT L. THOMASSON, Fullback and End

"Case" played offensive end and then changed places with Gordy on the defensive to back up the line. In this way the best of his abilities were utilized as opposing tackles were cinches for him to dispose of besides his adeptness at snagging passes, and on the defense behind the line the play has not yet been made which he cannot diagnose. It is to Case that we are indebted for our Southern Championship as on two occasions he saved the game against Georgia by overtaking a fleeting runner who had passed all others. Had it not been for Case the probable score would have been 21 to 14 for Georgia.

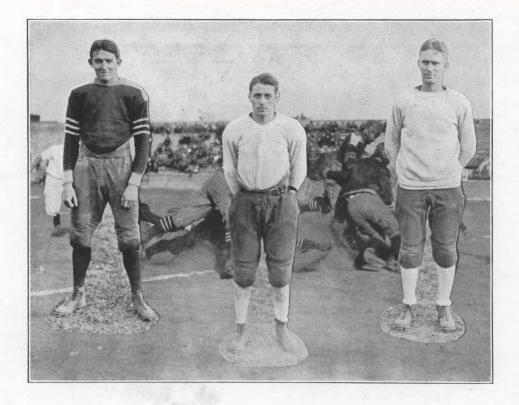

WALTER SKIDMORE, Captain-elect and Tackle

"Skid" is certainly a plucky player and an aggressive one for his weight is but 168 pounds and anyone as light as that who can handle 200 pound opponents in the manner he does can be called nothing else but good. Centre was about to establish a record no team could hope to equal, that of beating the biggest and greatest scoring machine in the south with eleven men when in the last few minutes of play Skid received a broken arch. Twelve men beat Alabama though and Skid came out two weeks later before his arch had healed and determined to play the Georgia game. No more need be said—he started and finished.

ELMER RABENSTEIN, Halfback

"Roundy" is the one upon whom we are counting to fill Covington's shoes at quarter-back next year and if anyone possesses that ability it is "Roundy". His broken field running, passing and defensive ability make him a man who is always watched by opposing teams. Against the University of Tennessee Roundy had a field day and his gains were more than the entire Tennessee backfield as he averaged twelve yards a try and once ran 67 yards for a touchdown after intercepting a pass and dodging three men. He also intercepted two long passes in the Georgia game which might have resulted in touchdowns had he not been alert.

ALEXANDER BUSH, Guard

"Alex" is only a Sophomore so this was his first year as a varsity regular and if he develops as much in the coming years as in his first two we predict that he will be one of the best guards in the South before he graduates in 1927. It seems that injury is something which he knows nothing of and does not wish to learn, for a minute's time has never been taken out for him. During the first few minutes of play in the Georgia game one of their backs advanced the ball to Centre's six yard line and it was Bush who prevented a score.

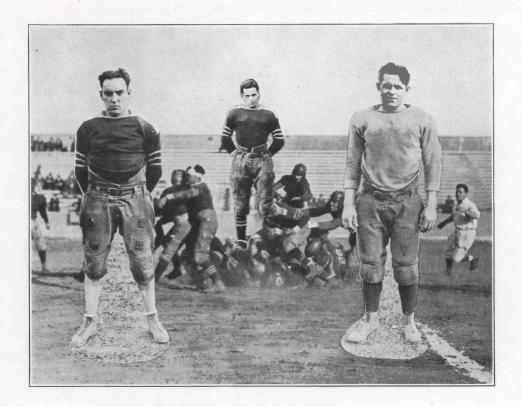

REGINALD WILSON, Halfback

"Mutt" also played his first season as a member of the varsity and his play was a great factor in Centre's success last fall. He is one of the very best backfield prospects we have ever seen as he is fast and agile which enables him to run a broken field well and he is also a good punter. The past season his best work was at interfering and his defense was superb. Next season we are expecting "Mutt" to develop very quickly.

JAMES PRIEST, Tackle

"Judas" is as dependable a substitute as we have ever seen, as there seems to be no position in the line that he cannot play and play in an enviable manner. The captain of the "Union" saved the day for Centre several times during the past season and great things are expected of him next year. Against State Priest turned in his best game for on the defense he helped make his side of the line impregnable and never failed to take out his man on the offense.

WILLIAM KAGIN, Guard

Bill was always ready to go in when called on and give an excellent account of his ability at playing guard. Bill is another one who was necessarily called on in the State game because some of the regulars were removed on account of injuries and he certainly made it hard for anyone who tried his side of the line. As Kagin is only a Sophomore his prospects are bright for he is powerful and fast.

ROBERT WALLACE, Halfback and End

Bob had tough luck this year in that he was kept out of most of the games with an injured hand but he played well enough in the few games in which he was able to play to insure him his letter. Against West Virginia his hand was broken in the second quarter but with the grit that only few possess he did not tell the coaches and played on until the fourth quarter when the pain he was forced to undergo made it evident that he was injured.

NORMAN DURHAM, Guard

"Bull" came here after spending his Freshman year at Wabash and after playing one year on the Freshman squad here he has made good as a member of the varsity. With Bull around it keeps the regulars always busy to hold their positions for he is a good guard without a doubt. His old position was at center but with this position well fortified he was shifted to guard.

CARL HILKER, End

Carl plays both end and tackle and plays them both well which is shown by the fact that he has made his letter for two years. While at Culver he played in the backfield but coming to Centre he found an abundance of backfield material and shifted to the line because of lack of line substitutes. He is a hard and willing worker and by this year's playing he showed that he will soon be ready for a regular.

GEORGE McCLURE, Center

"Skeet" is the boy on whom we are depending to fill Kubale's shoes next year and we also feel that he will prove worthy of the task for he is a sure passer, powerful, and a fighter from the heart as he proved in the games he played last Fall. His appearances in regular conflicts were few last year after the start of the season for "Ku" has never been removed because of injuries and most of "Skeet's" chances came at end.

Resume of the Secon

Inspired by "Chier me," and they won with heads up. 17 to 0 from the greatest scoring machine in the country. Outweighed 25 pounds to the man they failed to become dismayed, and outrushed, outplayed, outfought, and as one critic said "outouted" the Crimson Tide from Tuscaloosa. In naming the stars of the game Birmingham papers named the entire Centre team. Lemon who played the best game of his career scored a touchdown, a field goal and

two goals after touchdowns. Covington scored the other touchdown.

The greatest game ever played on Kentucky soil was played November 29th in Danville against the University of Georgia for the Southern Championship. Both of Centre's tackles, Skidmore and Lynch were in poor shape due to injuries and sickness but this did not prevent their appearance and not only that, they played the entire game without a substitution being made for them. From a football fan's point of view it was the best game they had ever seen as there were broken field runs of from fifteen to sixty yards by both Centre and Georgia backs, several punts were returned as far as forty yards before the carrier was downed, and there were long and dangerous passes attempted which thrilled the hearts of the spectators. Covington played so well that Lawrence Perry pronounced him nearly a team in himself. He turned in some great efforts. Rabenstein's touchdown was a beautiful piece of work, Gordy's line plunging was very effective, and Wilson played a defensive game that was great. The line was impregnable at all times except on one occasion when Georgia managed to score on a long end run. Nelson of Georgia ran to the six yard line in the first few minutes of play on a long end run when he was overtaken by Thomasson who more than once saved the game for Centre. First down with only six yards to gain seemed mighty little but Centre's lighter linesmen thwarted every attempt and the ball was given to Centre on the four yard line. Centre soon collected two touchdowns before Georgia was able to score in the second period. The last half was scoreless and Centre marched off the field on the long end of a 14 to 7 score with the Southern Championship resting in Danville for the third time in four years.

FRESHMAN FOOTBALL SQUAD

Freshman Football

LTHOUGH in the matter of scores Centre's Freshmen were not so successful it was a team composed of men who will become stars in the future. Against the Freshmen from Sewanee they gained eight times as much ground as their opponents yet lost because they could not concentrate their attack sufficiently to

put over a touchdown.

The next game was against the State Freshmen who expected to win by four touchdowns, they put fear into their hearts and tied them on a muddy field at 7 to 7 when State should have had the advantage with a much heavier team and mud cleats which Centre's Freshmen failed to bring along. It was Centre spirit that tied the game, for they refused to be downed after State had scored the first touchdown and made one of their own on straight line plunging.

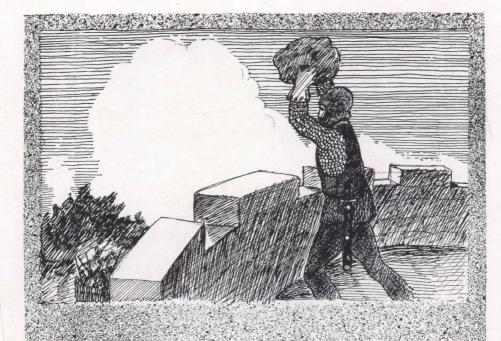

Another loss was suffered at the hands of the Freshmen of the University of Tennessee by one point, 20 to 19, and Tennessee's last score came after a series of last minute passes which they were lucky to complete. This was a very evenly played game as both teams gained about an even amount of ground. The loss of this game was compensated by the showing of the Varsity against Alabama the same day.

The best showing was made against the Butler Freshmen from Indianapolis which game we won 14 to 0. The Butler boys were unable to collect a single first down as long as the regulars were in the game. The winning of this game however cost us the second State game as both tackles, Igleheart and Warren were injured and were unable to appear against State.

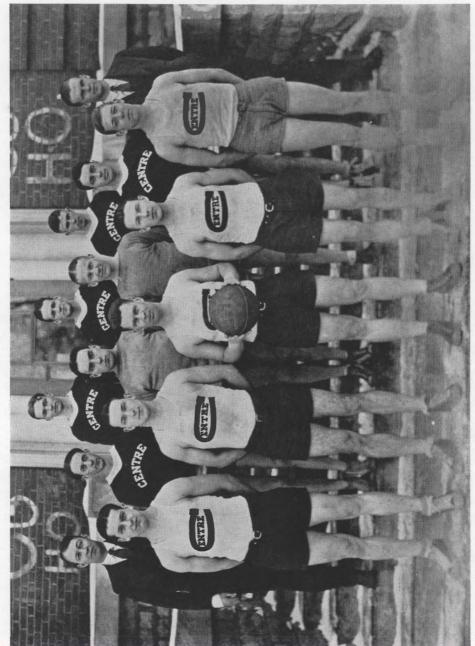

This second State game was played on Thanksgiving day and even though we were deprived of the services of our two regular tackles the actual ground gained by State and the number of first downs was two more for Centre which shows the eveness of the tilt. A State back, in the last few minutes of play, scored a drop kick which won the game for them 9 to 6.

The Freshmen possessed quite a few stars and the best for the entire season were Captain Chez, and Smith who were backs, and in the line the best were Igleheart and Warren tackles, Alexander, guard, and McMakin, end.

Basketball

BASKETBALL SQUAD

Basketball 1925

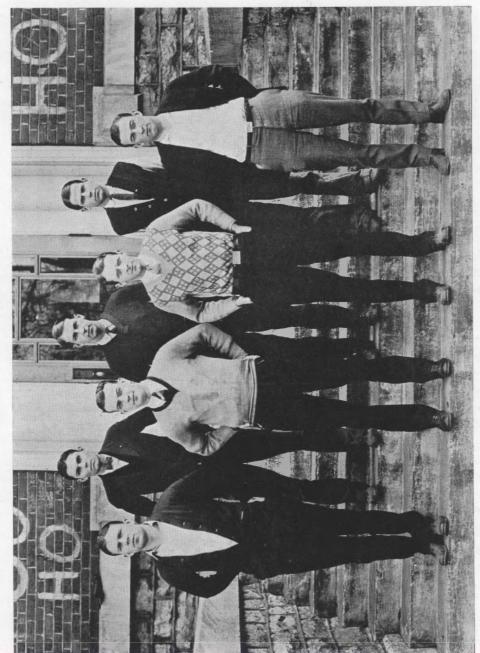

ENTRE'S basketball team of 1925 had a very difficult time getting started in the winning column. Practise was necessarily started late and several of last years letter men were unable to play the entire season. It was not until February 7th against Birmingham Southern, College, at Birmingham, that Centre was

able to get on the winning side and at that time the season was half over. Captain Thomasson was able to play the first game but in order to make up his studies he had to drop out. Covington, All-Southern forward in 1924, was unable to play until two-thirds of the season was gone, due to an injury.

Early in the season Centre lost nine games, seven of these were overtime contests and two others were lost by one point. It is safe to say that in all Centre was feared by its opponent. Kentucky was held to a seven point lead here and with the return of Covington to the lineup and the fine showing made by Rabenstein late in the season there were hopes of beating. Kentucky on her floor. However, unnerved by the delay in starting the game, and dismayed by the great space covered by the floor, in contrast to the floors to which they were accustomed, Centre was not able to make the showing hoped for.

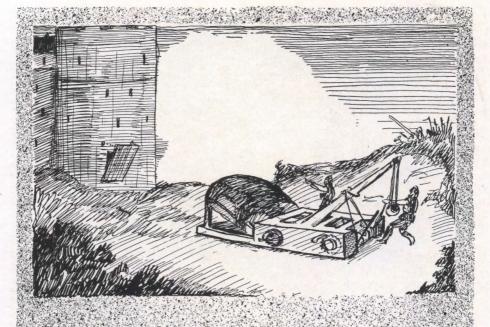

The games in which Centre showed to best advantage were against Tennessee and Eastern Normal. Tennessee won by one point at Knoxville but in the return game here Centre retaliated with a win over them featured by the great passing of the entire Centre team. Rabenstein and Covington were at their best in this game, Rabenstein making eight points in the first three minutes of play. Against Eastern Normal these men were good but the goal shooting of Summers and the excellent guarding of both German and Leathers was also great. This game was won by a high score after Eastern Normal had made a creditable showing against other strong teams in the state. Centre played the best game of the season.

Centre's 1924 team was the runner-up in the S. I. A. A. tournament at Macon and had Thomasson and Covington, both regulars on this team, been able to play the entire season there is no doubt but what a much more creditable would have been made in 1925. Every member save Captain Leathers who graduates will return for 1926 and with the players who starred on the Freshman team Centre should have a very formidable quintette.

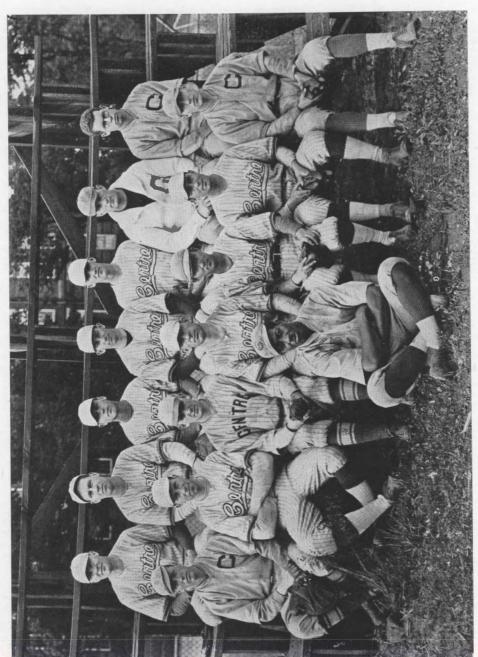

FRESHMAN BASKETBALL SQUAD

Old Centre

Baseball

BASEBALL SQUAD

1924 Baseball Season

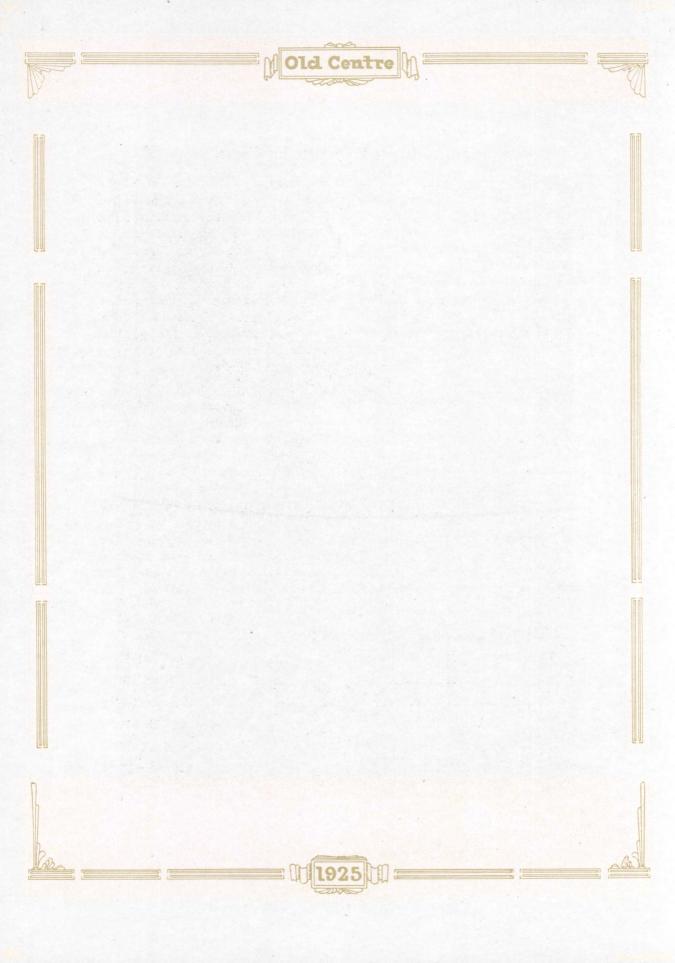

ROSPECTS for one of the best baseball teams ever put on the diamond by Centre College were fine until the weather prevented the realization of our hopes. There came one of the wettest Springs ever experienced by people of these parts, it seemed that the elements had no mercy whatsoever. Not only were we rained

out of games but the squad was only able to practise two and if they were lucky, three times a week. Both baseball months, April and May, were so wet that only five games of the fifteen scheduled could be played and practise hours were so few that we were lucky to win one of those. This one was from Maryville, won on the southern trip which was cut short by the weather. Centre lost to the University of Louisville, Transylvania, and Kentucky. A 2 to 2 tie game was played with the University of Indiana as the opening game of the season.

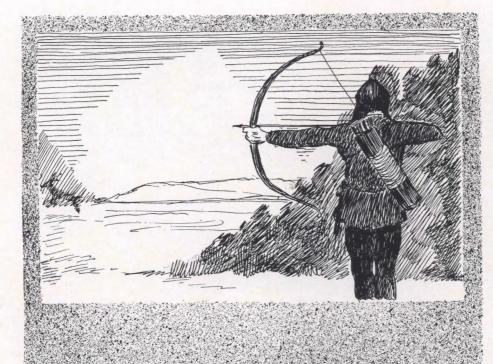

There has been a late start in baseball this year but many of last years men are with us again and there is no reason why Centre should not win many games this year. Dr. Biles who was a star in his college days is doing the coaching and the team will be lead by Captain Leathers, a four year man and whose play at first has been a great part in the winning of many games for Centre. The infield this year should be an improvement over that of last season's with the return of "Herb" Covington to the lineup. An injured shoulder prevented the appearance of his name in the box score last Spring. The remainder of the infield should work well with its added experience. The pitching department will be fortified with three very good men, Barkley, Burbank, and Thomasson; Lemon also can always be called on when relief pitching is necessary. The outfield will also be well able to take care of its part.

The regulars for 1925 will most likely line us as follows:

Capt. Leathers	First Base
Covington	Second Base
Pace	Short-Stop
Durrett	Third Base
Lemon	Left Field
Rubarth or Rabenstein	Center Field
Robertson, Burbank, and Thomasson	Pitchers

TRACK TEAM

1924 Track Season

ENTRE had another successful track season in 1924, winning the State meet with ease, beating Maryville in a dual meet, second in the S. I. A. A., and second in the Florida open meet at Gainsville.

In the Maryville meet which was first of the season Centre captured practically every first, the best race of the afternoon being the half mile in which Hughes of Centre won handily over Maryville's crack distance

This meet was the only dual meet of the season and in the next appearance of Centre's team at the State meet she sprung what was a surprise to many by proving herself possessed of the best track men in the state. Berryman, last year's captain and the fastest sprint man in the south, won the 100 and 220 yard dashes. "Berry" can always be counted on to turn in a 10 flat for the 100 yards. Gordy was high point man of this meet, breaking the state record for the shot-put, first in the discus, and second in the javelin throw. Mountjoy placed in five events, and pole vault, the 120 high hurdles, 220 low hurdles, high jump, and pole vault. Sharon got third in the javelin and tied Mountjoy for second in the pole vault.

In the S. I. A. A. Captain Berryman made the most impressive showing, he equaled the southern record of nine and four-fifths seconds for the 100 yard dash and also won the 220. Gordy won the shot and placed second in

the discus, Mountjoy and Sharon also shared in the point making.

At the Florida open meet Berryman won the 100 and 220 yard dashes for his second consecutive year and has two legs on a three year cup which he hopes to win this year. Gordy won the shot put and placed in both discus and javelin. Mountjoy helped Centre to second place in this meet by winning the high hurdle event and placing in several others. Sharon won one second and placed third in the pole vault.

Mountjoy-Pole vault, hurdles, high jump, and broad jump. We are sorry to say that "Uncle Dick" has run his last race for Centre and without

him this year we shall be at a great loss.

Gordy-Shot put, discus, and javelin. Minos is the best weight man in the state and one of the best in the south. At present he holds the state record for the shot put and we are expecting him to better it this year. Minos will make a good captain for this year.

Berryman-100 and 220 yard dashes. "Berry" is surely a crack sprinter having never lost a race in collegiate competition, he as holder of the Canadian record for 100 meters established in Montreal while training for the Olympics. for which he barely failed to qualify. As captain for 1924 he made an inspiring leader.

Sharon-Pole vault and javelin. "Joe" will be greatly missed in these events this year, known as the "world's fattest pole vaulter" he won many

points for Centre.

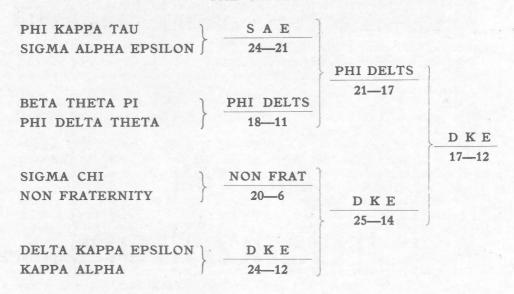

Hughes-Mile and half mile. Hughes is as deserving of a letter as any who ever won. He has trained faithfully the year round and has refused to be counted out. Against Maryville's half miler he ran the best race ever seen on Centre's track.

Intra-Mural Basketball

The Intra-Mural Basketball Tournament this year was a greater success than ever before. The fraternities as a whole had better material, the games were closer and more interest was taken in the games by everyone. The "Deke" five showed real class and deserved their hard-fought victory. Their total score of 66 was the highest total score in the tournament, and their average score per game was the highest also, being 22. The runners-up in the tournament had a scrappy little team and fought hard against their defeat until the final whistle. The Phi Delts had the second highest total score (51), and tied for the fourth highest average score per game, averaging 17.

ROBERT L. THOMASSON King of Carnival

MISS ELIZABETH SALTER Queen of Carnival

The Centre College Carnival

T the end of the school year at Centre, when our work is done and just before we depart from the beloved college again, there comes a period of rejoicing and celebration—the Carnival. This is the climax of the activities of the year at Centre, and is an event of prime importance throughout the whole of Kentucky.

People come from near and far to attend the Carnival, and it is an unheard of thing for anyone to leave without having had the most glorious and joyous time of his life.

The Carnival lasts for about five days, beginning with a fraternity dance on Friday night, and including school dances, a play by the dramatic club, a dance for the alumni, a baseball game, the Queen's Ball, the commencement exercises and the crowning of the King and Queen. This last is a most beautiful pageant taken part in by stalwart sons of Centre and magnificently gowned maidens, for whose beauty Kentucky is famous.

The spirit of unchecked joy reigns,—the spirit of happiness, the spirit of life, love and laughter—in short the spirit of CARNIVAL. This celebration is one of the grandest traditions of Centre. It has been observed for decades at the end of every school year. The King is chosen from ranks of Centre's renowned athletes, and the Queen from the girls of Danville. Past Carnivals have been reigned over by some of the best athletes and most queenly maidens of the Southland but none of them have surpassed the sovereigns of the Carnival of 1925—Robert L. Thomasson, King, and Miss Elizabeth Salter, Queen. LONG LIVE THE KING AND QUEEN!

- Apr. 1: Ain't you right! "Paris Green" makes its advent again on the campus. (The Green color is the result of moldy wit.) As the boy with sarcastic tongue, Garland, you're right there. (Why is the author of the article "Tattlings from K. C. W." afraid to claim it??)
- Apr. 6: Quadrangle debate. Centre is the winner.

Can You Imagine

Dr Meier late to a class, or Dr. Fehn on time to a class. Anyone failing in Ethics, or Anyone passing in Bible. Eddie Flaig playing football, or Kubale as a librarian. Charlie Howe a Sigma Chi, or Garland Young a Deke. Hughes shieking around K. C. W., or Tom Johnson doing anything else but shieking. A Y. M. C. A. man drunk, or A T. N. E. sober. A Thursday chapel crowded, or Hines and Sullivan empty. Sam Wells a prize fighter, or "Rabbit" Pace selling lace. Chan Newlin losing a debate, or The Sigma Chis winning a basketball tournament. Weaks talking a lot, or John Sellers being quiet a minute. A college student sending the money that he doesn't need, back home, or The merchants of Danville giving anything to Centre students, or "Red" Roberts making a speech in the legislature, or Howard Robertson in overalls, or STATE BEATING CENTRE!
