EXECUTIVE COUNCIL

The Executive Council includes the following members: the President of the College, the Dean of the College, the Dean of Men, the Dean of Women, the Director of Counseling Services, and four faculty members elected by the faculty for terms of four years each. One faculty member is chosen from the division of humanities, one from the division of natural sciences, one from the division of social sciences, and one from the faculty at large.

The Council acts for the faculty on matters which should not be postponed until the next full meeting of the faculty. It acts upon petitions of students for waivers of rules enacted by the faculty, or for the reversal of rulings made by officers of the College. It advises the faculty, the deans of the College, and the President, and it takes the initiative in considering major questions of educational policy, making suitable recommendations thereon to the faculty, or to any officer of the College. The Assistant Dean - Registrar is the executive secretary of the Council and will present petitions to the council for action.

STUDENT CONGRESS

The Student Congress, composed of thirty-two elected representatives, is the student governing body of the campus. It is responsible for sponsoring and integrating the various social events on campus and for promoting better communications between administration and students. The Congress also has the power to petition the faculty on issues which it feels are important in the growth and welfare of the student population. Interested students are welcome to attend the meetings of the Congress.

The officers are elected in a campus-wide election every spring and form the executive leadership for the following year.

The Student Congress officers for 1968-1969 are:

President	Don Blackburn
Vice-President	Tom Hensley
Secretary	Jayne Horky
Treasurer	Joe Congleton
Social Chairman	Sherry Landrum

COLLEGE DEANS

The Dean of the College is responsible for leadership of the faculty in the development and determination of academic policy, especially in curriculum development and instruction; and for administration of the program of instruction. He is responsible for encouraging and facilitating professional development of all members of the faculty. The Dean of the College is vice chairman of the faculty, the President being chairman.

The Assistant Dean for Student Affairs aids the Dean of the College in the development and coordination of policies and programs in co-curricular areas. He is specifically responsible for coordination of the functions of faculty advisers to student organizations; for development and administration of convocations, lectures, concerts, chapel services, and other educational and cultural events; and for fostering programs to enrich the residential and social life of members of the student body. He serves also as college pastor and as general adviser to students in matters specifically served by other officers of the College.

The Assistant Dean-Registrar aids the Dean of the College in administering the instructional program. He is specifically responsible for coordination of the functions of the faculty as academic advisers to students. He is charged with the scheduling of courses of instruction and the registration of students therein, and the maintenance of permanent student records. He is responsible for the continuous conduct of statistical studies of faculty loads and of the academic performance of students, for the certification of transcripts of students, and for the maintenance of such rosters as the Dean's List, probation lists, etc. The Registrar also serves as secretary of the faculty and the Executive Council.

FRESHMAN ORIENTATION

In addition to preliminary information which new students receive prior to the beginning of classes, orientation lectures are planned throughout the two long terms. Following presentations to the entire freshman class on such subjects as Centre's new curriculum, students under stress, and sexual responsibility, small discussion sections are held in which groups of freshmen have the opportunity to discuss issues arising from the presentation or other matters of concern with faculty advisors and student advisors. The program is called the Freshman Forum. New students are expected to do background reading and to attend all sessions, which normally fall on Tuesday evening.

COUNSELING SERVICE

The Student Guidance Center in College Hall helps students, upon request, regarding problems which arise during attendance at Centre College. The counselors assist students having difficulty adjusting to the college community. They also attempt to help students to become more accurately informed about their aptitudes, abilities, and interests, and to arrive at intelligent decisions about their educational and occupational goals.

Students who wish to have help from these counselors may arrange for appointments at the counseling center. On the basis of information gained from discussion with the individual student, college personnel records, psychological tests, and inventories, the counselor attempts to help the student understand his problems, assume responsibility for them, and work out solutions. The Dean of the College, the Assistant Deans, the Dean of Men, the Dean of Women, and the College Pastor are also available for discussion of student problems.

PLACEMENT SERVICE

The placement office seeks to stimulate interest in the search for the most appropriate and rewarding career, gives encouragement and guidance in job selection and analysis, and attempts to provide information and background necessary to make individual decisions.

The placement office is located in the counseling office in

College Hall. Students are encouraged to check with this office early in their senior year.

MEDICAL CARE

The College has made all reasonable provisions for student health and safety by means of the Parsons Health Center. The services of the college physician and staff nurses, the use of the infirmary, and ordinary medical care are provided at no cost to the student. However, the student will be expected to pay for special drugs or medications used in treating his illness.

MAIL SERVICE

A post office for all students is maintained in College Hall. Men and women students, including those who do not live in a college residence, will be assigned individual mail boxes. Students should have all mail addressed to their college post office box number. All insured packages should be addressed to Centre College, with the student's college box number included. All uninsured parcel post for women should be addressed to their own dormitory house. The post office box window will be open 8:00 A.M. to 11:15 A.M. and 1:00 P.M. to 3:00 P.M. on weekdays; 8:00 A.M. to 11:15 A.M. on Saturdays.

LAUNDRY SERVICE

Representatives from different laundries collect laundry and dry cleaning twice a week. The orders are usually returned within two to four days. Also for laundry purposes, coin-operated washing and drying machines are available in the basements of some of the residences.

CHAPEL AND CONVOCATION

The weekly chapel service is held from 9:40-10:45 on Thursday morning, usually in Sutcliffe Hall Ballroom. In this service, students and faculty members come together to join in the worship of God. Normally, the College Pastor leads the college community in corporate worship, although other faculty members, students, visiting speakers and films are used on occasion to enrich these services.

The 7:00 hour on Tuesday evenings is ordinarily reserved for a general convocation. Local and visiting speakers of general interest, films, and programs in the fine arts comprise the major portion of this series. Student recommendations are welcomed, and student organizations take charge of occasional convocations.

The College believes that chapels and convocations are vital parts of the student's experience. Attendance at chapel is encouraged on a voluntary basis. Attendance is required at a given number of convocations. (The total number is set by the Executive Council.) Each student turns in a signed convocation admission ticket when he attends so that a record of attendance may be kept. A student who does not attend the required number of scheduled convocations is subject to disciplinary action. A student who continually absents himself from convocation may be asked to withdraw from the college.

SUTCLIFFE HALL

Sutcliffe Hall is the student center with a ballroom, game room, snack bar, a small chapel, several student organization offices, and the office of the Assistant Dean of Student Affairs. Any organized student activity to be held at Sutcliffe Hall must be scheduled in advance with the Director of the Hall. No food or drink may be taken above the lower level.

LIBRARY

The Grace Doherty Library is a multi-purpose four-level structure which houses Centre's main library, fifteen rooms that can be used as both classrooms and library reading rooms, most faculty offices, a two-hundred seat auditorium, a language laboratory, and a special area for an audio-visual center with a closed circuit television installation.

The newspaper and government document collection on the first level, the reference and periodical collection on the second level, and the main library collection on the third level are maintained on an *open stack system* for the convenience of all users of the library. The convenience is based on the desire to offer the maximum service to the user and is balanced by an equal responsibility which involves reasonable check-out procedures and a system of fines.

Library hours for 1968-1969 are as follows:

Monday-Friday

8:30 A.M. - 5:30 P.M.

7:00 P.M. - 11:00 P.M.

Saturday

8:30 A.M. - 1:30 A.M.

RELIGIOUS ACTIVITIES

Centre is interested in the religious development of her students. The College avoids enforced conformity to a particular pattern but encourages voluntary participation in worthwhile religious activities.

C.A.R.E.

President: David Russi

C.A.R.E. (*Community Action and Religious Emphasis*) which was formerly called the Centre Christian Association, is an organization which seeks to provide and promote opportunities for worship, service, and significant discussion on campus. The cabinet which guides its activities includes executive officers which are chosen in a campus-wide election and appointed committee chairmen who head such areas of concern as worship programs, outreach, chapel, McDonald Church, and Experiment in International Living. Membership in the group is open to all students who wish to participate.

Recently C.A.R.E. sponsored such activities as a campus stay by twelve Chilean students for two weeks, a fast for UNICEF, the All-Campus Fund Drive, entertaining patients and residents of several local institutions, tutoring and other service opportunities, a drive for the Lion's Eye Bank, and leadership of Weekly Worship at McDonald Presbyterian Church.

THE ALL CAMPUS FUND

Sponsored through the C.C.A., the All Campus Fund is held every year to benefit special college projects which currently include The World University Fund, The Save The Children Federation, and the nearby McDonald Church. Especially important to the students is the care of Vivien Pancho, a child "adopted" by the College through the Federation. The campus-wide drive depends on pledges from the students and also collects from many events, such as sloppy-dress in the dining hall, planned especially for the fund raising.

PITKIN CLUB

President: To Be Elected

The Pitkin Club meets bi-monthly for discussion of pertinent problems in relation to Christian principles. Membership in this club is by application and election. Only junior and senior students are eligible for membership.

CHURCH SPONSORED GROUPS

College fellowship groups are sponsored by the local Christian, Episcopal, Methodist, and Presbyterian churches. In addition to the formal groups, the churches have many students participating in their choirs, Sunday Schools, and other church activities.

ACADEMIC REGULATIONS

ATTENDANCE

1. Students at Centre College have individual responsibility for class attendance. Instructors shall explain to students at the beginning of each course their expectations and grading policies with regard to attendance at class meetings.

2. The instructor shall make a reasonable effort to warn any student whose absences seem to adversely affect his standing in the course.

3. Instructors will keep an accurate record of each student's attendance which will be available to the student, his faculty adviser, and other officers of the college.

4. Prompt attendance at all classes and exercises is expected. The penalty for tardiness is left to the discretion of the instructor.

5. Subject to term-by-term review, the faculty imposes no extra-ordinary penalties for absences from classes which met immediately prior to or following College vacations or recesses. However, students are reminded that these class periods are integral parts of the term and are thus no less suitable for tests, etc., than are other class periods throughout the term.

In order to determine whether the educational program of the College is being weakened by excessive absences before and after holidays, the faculty shall, as a matter of course, report all absences on these days to the Office of the Assistant Dean-Registrar.

6. All students are required to attend a set number of convocation programs during each term. Failure to do so will result in disciplinary action (See Chapel and Convocation page 8.)

7. In the enforcement of these regulations, the Dean of the College shall have full administrative authority with advice when needed from the student's advisor and from the Executive Council.

COURSES

1. *Auditing Courses:* A student who wishes to audit a course must register for that course as an auditor. His registration is accepted only when approved by the appropriate instructor and the Assistant Dean-Registrar. The fee for auditing a course is the same as for a course taken for credit. A student, with the instructor's permission, may attend a course without registering or paying a fee.

2. *Change of Course:* A student who wishes to change a course must consult his advisor and then file with the Assistant Dean-Registrar a petition for the change. A fee of \$1.00 is charged for any change made after the first week of a term. A receipt for this fee must be attached to the petition.

3. *Correspondence Work:* (1) Ordinarily, no credit will be allowed for correspondence work begun, carried out, or completed at a time when the student is in residence at Centre College or any other college or university. (2) No more than six credits

earned in correspondence work may be applied toward a degree to be granted by Centre College. (3) No credit for correspondence work will be allowed except when the student's registration has been approved in advance by his advisor and the Assistant Dean-Registrar. No such approval will be given unless the college or university in question is approved for correspondence work by its regional accrediting association.

4. *Registration in Courses:* A junior or senior may register for three courses in his major subject if he has completed his required courses and if no more than two of the three courses are given by the same instructor. All selections of courses must have the approval of the Assistant Dean-Registrar at the time of registration. No credit will be given for any course taken without approval.

5. *Course Load:* All candidates for a degree shall be required to register for a minimum of 9 hours per long term (or 3 term courses) and 3 hours per short term (or 1 term course) unless excused by the Executive Council. Any student with fewer than the required number of hours shall not be eligible for honors during that term, or represent the College in extra-curricular activities.

6. *Senior Program of Courses:* Seniors will not ordinarily be permitted to take for credit toward graduation any course numbered below 200, but the Assistant Dean-Registrar may grant a senior permission to take such a course when the student submits a written statement, endorsed by his advisor, demonstrating that the choice is educationally sound.

7. *Summer School:* (1) No credits earned by a Centre College student in summer school at a junior college, college, or university which is not accredited by one of the regional accrediting associations will be entered upon the student's permanent record at Centre College. (2) No credits earned by a Centre College student through work in a summer school at another college or university will be entered upon the student's record at Centre unless approval was granted in advance by his advisor and the Assistant Dean-Registrar or the Executive Council. Such approval will not be granted to a student who is on academic probation.

8. *Upper Division Courses:* A candidate for the bachelor's degree must include in his program of studies at least 30 credits in upper-division courses (courses numbered 300 or higher). The Executive Council may allow an exception to the rule when a student, prior to the beginning of his senior year, submits a written statement, endorsed by his advisor, outlining his junior-senior program and demonstrating that this program is educationally sound.

9. *Withdrawal From Courses by Students:* (See Grading Systems and Reports, page 17).

10. *Withdrawal of Courses Offered:* The College reserves the right to withdraw any course for which fewer than five students have registered.

GRADING SYSTEMS AND STUDENT STATUS

FOR FRESHMAN AND SOPHOMORE CLASSES

The official grading system which has been adopted for the *freshmen entering in the fall of 1967* and for *all subsequent classes* is based on the three-level pass, as described below.

<i>Symbol</i>	<i>Interpretation</i>
3	<i>Exceptional:</i> displays highest achievement on the broadest base.
2	<i>Distinctive:</i> displays creativity in concepts and expression which at times may be exceptional.
1	<i>Satisfactory:</i> possesses entirely satisfactory mastery of the subject and displays consistently sound scholarship with assurance of competence to proceed to the next higher level.
U	<i>Unsatisfactory:</i> failed to master the basic requirements of the subject; success in subsequent courses at the next higher level is doubtful.
P	<i>Pass:</i> a non-competitive passing mark awarded at the request of the student for work at the satisfactory level or higher.

After attaining sophomore standing, a student may enroll for one course a term on a Pass-Fail basis with a maximum of four such courses during his college career. Within two weeks after the beginning of a long term or one week after the beginning of a short term he may elect to change from a Pass-Fail basis to a regularly graded status or from a regularly graded status to a Pass-Fail basis. No change in grading status may be considered after that time.

The rules pertaining to Warning and Suspension for those freshmen entering Centre College in 1968 and for all subsequent classes are as follows:

In order to be proceeding in an orderly fashion toward a degree, a student should have a grade of *Satisfactory* or better on all work attempted at Centre College. According to present faculty legislation, subject to annual change without notice, a student who accumulates two *Unsatisfactory* grades over any two consecutive academic years is warned that he is in danger of suspension. A student who accumulates a total of four *Unsatisfactory* grades over any two consecutive academic years is suspended automatically. A student who accumulates three *Unsatisfactory* grades during any given term is suspended automatically. For the purpose of *Warning* and *Suspension* an academic year is defined as two long and one short terms or equivalent.

A student under suspension may be considered for readmission after the lapse of one long term. However, readmission is not automatic; the student must show persuasive evidence of ability and desire to do satisfactory work at Centre College. Academic work at another institution may be used in support of the petition for readmission, but no transfer credit will be given for such work. Upon readmission he must pass all work for which he is registered in the term of his readmission and thereafter proceed toward graduation at a rate satisfactory to the Executive Council.

A student who has twice been suspended will not be considered for readmission to Centre College.

FOR JUNIOR AND SENIOR CLASSES

The grading system used by the College for *those classes*

graduating in 1969 and 1970 carries quality points for each credit hour earned. The grades and corresponding quality points are as follows:

A (Excellent) — 4 quality points for each credit hour.

B (Good) — 3 quality points for each credit hour.

C (Average) — 2 quality points for each credit hour.

D (Passing) — 1 quality point for each credit hour.

F (Failure) — 0 quality points for each credit hour.

P (Pass) — Non-competitive passing mark given at the request of the student for achievement which represents entirely satisfactory mastery of the subject.

WP (Withdrew Passing) — 0 quality points for credit.

WF (Withdrew Failing) — 0 quality points for credit; counts as a course attempted.

I (Incomplete)

After attaining sophomore standing, a student may enroll for one course on a Pass-Fail basis with a maximum of four courses during his college career. Within two weeks after the beginning of a long term or one week after the beginning of a short term he may elect to change from a Pass-Fail basis to a regularly graded status or from a regularly graded status to a Pass-Fail basis. No change in grading status may be considered after that time. Courses taken on a Pass-Fail basis will not be included in determining class rank or academic standing.

No entry of credit hours attempted or quality points will be made for courses from which a student is allowed to withdraw without a grade (W) or withdraw passing (WP). WF has in every respect the same effect on a student's record as a failure at the end of a course.

Any student who withdraws from a course after mid-term shall be graded WF. If, however, the student is passing the course and feels that he has strong reasons for withdrawing, he may petition the Assistant Dean-Registrar for permission to withdraw with the mark of WP.

A grade of I (Incomplete) may be recorded by a faculty

member for a student who for unavoidable cause (i.e. illness, death in family, accident or similar reasons) is unable to complete the course requirement or is absent from a final examination. If the work is not completed as soon as possible, but in any event within thirty days after the end of the term, the I automatically becomes an F unless the faculty member concerned has turned in a final grade before the end of the 30 day period. Exceptions or extensions of time may be granted only in exceptional circumstances by the Assistant Dean-Registrar.

To be eligible for graduation, a student must be present 120 hours and a total of 240 quality points earned on those hours. All required courses and all courses in the major and minor must be included in these 120 hours.

PROBATION AND SUSPENSION

The rules pertaining to Probation and Suspension for those classes graduating from Centre College in 1969 and 1970 are as follows:

In order to be proceeding in an orderly fashion toward a degree, a student should, on a cumulative basis, have a C average on all work attempted at Centre College (exclusive of those passed on a Pass-Fail basis). Since a C carries two quality points for each credit hour, a student has a deficiency in quality points if he has fewer than twice as many quality points as semester hours attempted (exclusive of those taken on a Pass-Fail basis). According to present faculty legislation, subject to annual change without notice, a student is placed on "academic probation" if his deficiency is more than nine but fewer than nineteen quality points; a student with a deficiency of nineteen or more quality points is automatically suspended.

A student under suspension may be considered for readmission after the lapse of one long term. However, readmission is not automatic; the student must show persuasive evidence of ability and desire to do satisfactory work at Centre College. Academic work at another institution may be used in support of the petition for readmission, but no transfer credit will be given for such work.

Regardless of his quality point total, a student will be suspended at the end of the fall or spring term who fails to earn at least nine quality points in that term (or six quality points and a

Pass in one course taken on a Pass-Fail basis).

A student who has been readmitted following suspension will be suspended a second time unless he reduces his quality point deficiency during each long term following readmission until his deficiency is reduced to less than nineteen; an increase in the deficit of quality points earned in the winter or summer term will likewise result in suspension.

A student who has twice been suspended will not be considered for readmission to Centre College.

GRADE REPORTS AND CHANGES

Members of the faculty may not, except by action of the Executive Council, change a final grade after it has been filed with the registrar.

Each member of the faculty should notify his students of their final grades. Grade reports on each student are sent to the parents or guardian each term.

No credit is allowed nor is transcript of credits issued for any student whose account is unsettled at either the library or the business office.

EXAMINATIONS

1. *Final Examinations:* Final examinations are required in every course at the scheduled time, but, on consultation with the Assistant Dean-Registrar, a term paper or other requirement may be substituted for the final examination. A student absent without excuse from a final examination will receive a failing grade in the course. The fee for a make-up final examination from which the student was absent for unavoidable causes is \$2.00.

2. *Graduate Record Examinations:* All seniors are required to take the Graduate Record Examinations. A student declaring more than one major shall take the advanced test of the Graduate Record Examination in each major.

DEGREES

1. *Application for:* Degrees are conferred only on those candidates who submit to the registrar, not later than four weeks before the date of commencement, applications for the degree, who complete all the requirements for the degree, and who are recommended for the degree by vote of the faculty.

2. *Graduation in Absentia:* Candidates who desire the degree to be awarded in absentia must petition the Executive Council for the privilege. The petition should reach the Executive Council no later than two weeks prior to commencement.

3. *Graduation Fee:* Candidates for a degree who have not been in residence during either of the two semesters immediately preceding the date of graduation will be required to pay a graduation fee of \$20.00.

WITHDRAWAL FROM COLLEGE

Students who leave the College without signing an official withdrawal card in the Assistant Dean-Registrar's office shall receive the grade of F or U in each course. If the student signs the withdrawal card and is passing in his work and if there is satisfactory reason for his leaving the College, his record will indicate that he withdrew with a passing grade in the subjects in which he was currently registered. A student who withdraws from the College or who is suspended or dismissed for cause may be readmitted only by vote of the Executive Council.

PETITIONS

Petitions (appeals for exceptions to a rule) presented by a student to the Executive Council must be signed by the student's advisor and placed on the Council's agenda with the Assistant-Dean Registrar.

LATE REGISTRATIONS

Special attention is called to the registration days in the College Calendar. Students who do not avail themselves of the opportunity to register on the days indicated will be charged a late registration fee of \$5.00.

TRANSCRIPTS

Two transcripts are furnished, upon request, without charge. A charge of \$1.00 is made for each additional complete or partial transcript, but no extra charge is made for supplementary transcripts or for various types of certificates.

TRANSFER STUDENTS

Students may not apply grades of A or B transferred from other colleges to make up deficiencies in quality points incurred in courses taken at Centre College.

DEAN'S LIST

All junior and senior students in general good standing who receives a grade of B or better in each academic course, or whose average is 3.2 or better, with no grade of less than C in academic courses, will be placed on the Dean's List for the following term. Students under the new grading system will be placed on the Dean's List of Distinguished Students for work done in the fall and spring terms if the student has successfully completed and has either made 2.0 or higher in at least three courses, or 3.0 in at least two courses.

CLASSIFICATION OF STUDENTS

Students who have satisfactorily completed the amount of work indicated herewith are classified as follows:

Freshmen — less than 8 courses

Sophomores — 8 courses or more

Juniors — 57 to 86 semester hours

Seniors — 87 or more semester hours

FACULTY ADVISORS

Each member of the freshman class is assigned a faculty advisor who will advise him during his freshman and sophomore years. The Advisor will counsel him on the plan of his courses, register him in classes, and give him help on other matters which are important while the student is a resident of the College.

At the end of his sophomore year, the student elects a major field of concentration, and the chairman of the major or a faculty member designated by him becomes the student's advisor

WRITING STANDARDS

1. All written work, except as otherwise specified by the professor, must be done in ink or typed.
 - a. Dark colored ink or typewriter ribbon must be used.
 - b. No marginal or inter-line corrections may appear on term papers.
 - c. Except for unannounced quizzes, or in certain departments, pen and ink must be used in writing examinations and quizzes.
 - d. Corrections in quizzes and examinations must be made with one line drawn through the material to be deleted.
 - e. Writing must be legible.
2. The student must follow the basic rules of grammar and punctuation and use proper sentence and paragraph structure, diction, and spelling.

FINANCIAL ASSISTANCE REGULATIONS

1. A financial statement is required annually as the application for financial aid.

 - a. High standards of personal conduct
 - b. Prompt payment of college bills.
 - c. Maintain the following academic standards:
 1. Merit, Baker, and Honor Scholars are selected in competition, and superior performance in academics and conduct is expected of them. No specific grade-point average is required, but recipients of these awards can expect to continue as named scholars only if scholarly work is being done.

2. All aid recipients are required to maintain good academic standing as interpreted by the Faculty Committee on Financial Aids. A student who fails to meet this minimum requirement is no longer eligible for grant or loan funds. The Committee will review each record at the close of the academic year.
 3. An aid recipient who fails two or more courses for any term will have the case reviewed and may lose his assistance.
- d. An aid recipient may not possess or maintain on campus an automobile, motorized bicycle, or similar motorized vehicle.
 - e. Any occurrence which brings question to the determination of a student's need for financial aid for educational expenses will result in investigation and can lead to loss or alteration of aid.
3. The College must be informed at once if a student receiving aid from the College receives awards or aid from other sources, or if resources not indicated on the financial statement become available, since this can change the determination of need.

AUDITING FINANCIAL RECORDS

Any student organization or agency which receives funds from the Student Budget or otherwise, directly or indirectly, from the college treasury, must comply with provisions for the examination and auditing of its books of accounts, contained in the Constitution of the Student Government, Article V, Section 1, paragraphs e. and f.

EXTRACURRICULAR ACTIVITIES

In general any student may participate in any extracurricular activity and hold office, but a student organization may establish its own qualifications for office or membership. No student on social or conduct probation may hold any office in a college-

sponsored organization, such as an agency of student government, a social fraternity chapter, or a departmental club.

No student may, on account of his participation in college sponsored activities, be permitted to miss more than five meetings of any one class in a term.

GENERAL SOCIAL REGULATIONS

CONDUCT OF STUDENTS

Centre College expects from its students a high level of personal honor and conduct. In all matters the best interests of the community as well as of its members must be considered. The College reserves the right to exclude at any time students whose conduct or influence it regards as undesirable. No further reason need be assigned. In such case fees will not be refunded or remitted and neither the College nor any of its officers shall be under any liability for such exclusion.

The Student Congress and its subsidiary organizations, under the general supervision of the faculty, are vested with the authority to establish specific regulations governing the student social life.

Administration of social regulations is subject to the jurisdiction of the Student Judiciary as set out in the Constitution and By-Laws of the Student Congress, which appear in the appendix of this book.

SOCIAL FUNCTIONS

All social activities are under the supervision of the Dean of Men and the Dean of Women, or someone designated by them and responsible to them. The activities are to be governed by the usual rules of good taste and propriety. Except by special permission all social functions of students groups must be held on campus, and these must be registered well in advance at the office of the Dean of Men.

Faculty chaperons will be required at social functions held at places other than fraternity houses. Chaperons will be selected by the Dean of Men from a list of those considered able to engage in such affairs. The student organization shall be responsible

for paying the baby-sitting fees of official chaperons.

Responsibility for conduct of those attending a function, whether they are invited or uninvited, rests with the organization sponsoring the event. Student groups are expected to make every effort to insure that the event is a pleasant and enjoyable experience for chaperons who are guests at their functions. Chaperons will report to the Dean of Men, to the Dean of Women, or to the Social Chairman of the Student Congress instances of non-cooperation or lack of responsible behavior.

RESIDENCE VISITS

With the exception of the lower level and first floor of the fraternity houses and the public lounges in the women's residence halls, students are not permitted to enter the permanent or temporary lodgings of members of the opposite sex, either on or off campus, aside from their family residences, unless specific approval has been given by the Dean of Men or the Dean of Women.

USE OF ALCOHOLIC BEVERAGES

The College urges its students to adopt a standard of abstinence from alcoholic beverages while they are a part of the academic community. Intoxication or disorderly conduct is sufficient cause for immediate suspension or dismissal.

Whereas the statutes of the Commonwealth of Kentucky prohibit the possession or use of alcoholic beverages by any person under 21 years of age, the possession or use of alcoholic beverages within the premises of the College is not permitted.

The Student Congress and its subsidiary organizations, under the general supervision of the faculty, are vested with the authority to establish specific regulations governing student social life.

CENTRE COLLEGE POLICY ON DRUGS

Since rigorous professional training is requisite for the determination of safe and efficacious use of drugs, common sense—and the policy of the College—dictates that students should never use drugs except under the care of a physician.

The best available medical evidence also indicates that the

misuse of some drugs—that is, use other than under the care of physician—can produce severe and lasting physical and/or psychological effects. And increasingly, medical authorities are suspecting that the misuse of some drugs can produce long-term genetic effects.

The misuse of drugs is not solely a medical matter; Federal and State laws prohibit the possession of marijuana or the misuse of drugs such as barbiturates, amphetamines, prescription tranquilizers, LSD compounds, mescaline, psilocybin, DMT, narcotics and opiates—all of which are illegal except when taken under a doctor's prescription. Centre College will not condone the illegal possession or use of drugs and cannot and will not protect students from prosecution under Federal or State Laws.

Provision or merchandising of drugs, including marijuana, will ordinarily result in dismissal from the College; illegal possession or consumption will result in action by the College which may include dismissal or enforced medical withdrawal from the College, depending on the seriousness and extent of the offense. Action by the College is not dependent upon the status of a violation in the civil courts.

Since violations of this College policy are also violations of State and Federal Laws, and since medical considerations may also be involved in individual cases, the faculty has determined that action by the College will be taken administratively, rather than through the Student Judiciary.

SMOKING REGULATIONS

Smoking is prohibited in the following places; all classrooms and laboratories, the chapel, library reading room, gymnasium playing floor, and all other places designated by No Smoking signs.

MEN'S REGULATIONS

RESIDENCE REGULATIONS

Each resident student is required to live in college housing and to take his meals in the college dining hall.

The Dean of Men lives in Nevin Hall and has charge of all

men's residences. Working under him is a student resident assistant on each floor. In order to make effective study possible, quiet hours are observed in and around each residence between 7:00 P.M. and 7:00 A.M., Sunday through Friday.

Reasonable consideration for one's fellow students suggests that radios and record players should be played so as not to disturb others and that doors should always be closed when radios and record players are in use or when a "bull-session" is in progress. Quiet hours apply particularly to halls and stairways, which readily transmit disturbing noises. *Each student has a direct interest and responsibility in seeing that the quiet hours are observed.*

CARE OF PROPERTY

Each student is responsible for college property in his own room. When unnecessary damage occurs, the person responsible will be charged for costs of replacement or repair. If damage is against common residence property, such as halls, baths, stairways, lounges, and the person or persons responsible cannot be determined, the charges will be divided equally among all occupants of the floor or residence.

No furniture may be removed from a room in any residence without permission of the Dean of Men.

Community living necessitates good habits of personal health and orderliness both in the student's own room and elsewhere in the residence. Since the janitor and maids cannot be on duty twenty-four hours a day, each resident is responsible for keeping his own room clean and orderly.

The College reserves the right to dismiss from residences any occupant whose room is not kept in good order, or who willfully misuses or damages college property.

If any occupant withdraws from college or transfers to other quarters than residences or changes rooms within a residence, his room will be checked for damage and missing furniture and equipment.

KEY AND DAMAGE DEPOSIT

Male residents are required to pay a \$25.00 key and damage

deposit at the opening of the college year. At the end of each academic year, assuming the return of student keys and no room damage, the entire \$25.00 will be refunded. If damage to a room or building exceeds the amount of the deposit, the difference will be charged to the student.

ROOM CHANGES

No change may be made in room assignments in residences until after the first thirty days of any term, except with special permission of the Dean of Men. Moves from one floor to another or to a fraternity house must be authorized in advance.

ELECTRICAL APPLIANCES

The electrical circuits throughout the residences will not safely carry an excessive load of electrical appliances. Radios, electric fans, record players, electric razors, and bed lamps are allowed, but all other electrical appliances must be reported to the Dean of Men for clearance.

CASE OF FIRE

The general construction of the residences is relatively fire proof. There is, however, the possibility that a piece of furniture, a trash can, a door, or a window will catch fire. In case of fire, it is each student's responsibility to see that it is reported immediately and that all occupants of the residence leave the building.

It is also important that fire extinguishers be in the proper place at all times. *Fire extinguishers must not be tampered with. Persons found guilty of such tampering may be dismissed from college.*

FIREARMS

No firearms will be kept in the residences or fraternity houses at any time. All firearms are to be checked into the office of the Dean of Men, where they will be kept and removed only with permission of the Dean of Men. Having firearms in one's possession in the dormitory or fraternity house will be sufficient reason for disciplinary action.

Pellet guns, BB guns, etc., will not be permitted at Centre

College at any time. Fireworks will not be kept or fired in or around the dormitory or fraternities. Possession or use of fireworks is sufficient grounds for suspension.

PETS

The maintenance of pets (animals, birds, or reptiles) in student rooms is not permitted, with the exception of the fraternity houses.

PERSONAL HEALTH

If a student feels ill, he should at once see the college nurse or a physician. By failing to report his illness, the student may be responsible for ill health among other residents of the residence hall. A student who is sent to the infirmary or hospital should notify the resident assistant on his floor or the Dean of Men.

SALESMEN WITHIN THE RESIDENCES

One of the problems of any college or university is to keep "fast deal" salesmen out of residences. Some college students experience serious losses by dealing with such persons. Another reason for keeping salesmen out of the residences is the disturbance they cause.

No salesmen are allowed in residences or fraternities. If a salesman comes, report him to the Dean of Men. (The above regulation does not apply to general laundry pickup and delivery services)

STANDARDS OF DRESS

The following is the minimum standard of dress in classrooms, laboratories, chapel, convocations, the library, the dining commons, Sutcliffe Hall, and in the faculty and administrative offices:

1. For men: slacks, jeans or bermudas, and a shirt with a collar or a sweater over a shirt, and shoes.
2. For women: dress, skirt, slacks, bermudas or jeans, with blouse or sweater; and shoes.

AUTOMOBILE REGULATIONS

Resident sophomore, junior, or senior students may have the privilege of keeping automobiles, subject to the following regulations. No freshman may have the privilege, except in the rare cases of necessity, specifically authorized in advance by the Dean of Men or the Dean of Women.

1. STUDENTS WHO ARE NOT ELIGIBLE TO REGISTER VEHICLES MUST LEAVE THEM AT HOME. Illegal possession of an automobile shall result in *at least* a \$25.00 *fine*...

2. An automobile must be registered in the office of the Dean of Men, at which time there will be a five dollar registration fee.

3. An appropriate decal (color to be changed each year) must be placed in the lower right-hand corner of the windshield as a means of identifying a registered automobile. There will be a ten dollar fine for those who do not display it.

4. No student may register an automobile without first providing a certificate of insurance, one copy of which is to be kept on file in the Office of the Dean of Men. The insurance policy must cover the period for which the student is enrolled. Liability insurance must cover the entire academic year and the minimum coverage shall be 10/20/5.

5. NO FINANCIAL AID RECIPIENT MAY POSSESS OR MAINTAIN AN AUTOMOBILE ON CAMPUS.

6. ANY STUDENT ENROLLED AT CENTRE COLLEGE WHO FAILS TO REGISTER HIS AUTOMOBILE AT THE TIME HE REGISTERS FOR CLASSES WILL BE SUBJECT TO SUSPENSION FROM THE COLLEGE FOR THE REMAINDER OF THE TERM. REGISTRATION OF AN AUTOMOBILE AT ANY OTHER TIME MUST BE APPROVED BY THE DEAN OF MEN OR THE DEAN OF WOMEN. There will be a fine for late registration.

7. Student maintenance of a motor vehicle is a privilege and carries with it responsibilities for proper use of the vehicle. Common sense is the basic rule to be observed. However, the

following requirements must be met:

a. The statutes of the state of Kentucky must be observed whenever a motor vehicle is operated, whether on or off campus. It is the responsibility of the student to familiarize himself with these laws.

b. No parking is permitted at any time on roads or drives on campus. No parking is allowed within ten feet of any fire plug.

c. The speed limit on college property is 15 miles per hour.

d. Unnecessary blowing of horns on campus, especially at night, and noisy mufflers are prohibited.

8. Citation for or conviction in a public court of any violation of motor vehicle laws may be sufficient cause for revocation of the student automobile privileges.

9. The Student Judicial Board may deprive a student of the privilege of operating a motor vehicle while on campus, or may assess other appropriate penalties, should he fail to comply with any of the regulations above.

FRATERNITY REGULATIONS

INTRAFRATERNITY COUNCIL

President: Randy Kell

The Intrafraternity Council is composed of all social fraternities at Centre College. Each member fraternity selects representatives to the Council. The Council deals with matters of policy concerning fraternities and plans and coordinates activities of interest to them. There is also an Intrafraternity Judiciary which takes charge of discipline matters concerning fraternities. The Constitution and By-Laws of the Interfraternity Council and the Constitution of the Intrafraternity Judicial Council are reproduced in the appendix.

FRATERNITY AVERAGES COMPUTATION

In computing the scholastic averages of the fraternities, all grades earned by men who were duly initiated members of any

fraternity at the time of their registration for a term's work or who are initiated during the course of the term will be taken into account, whether or not the student is in residence at the end of the term.

The practice has grown up of permitting fraternities to be relieved of responsibility for the grades of pledges who are dropped by the fraternity or who resign their pledgeship. There is no objection to this practice, provided the registrar receives appropriate notice on or before the deadline prescribed by the Intrafraternity Council. The grades of all other persons who were pledges of the fraternity at any time during the term will be taken into account.

FRATERNITY BILLS

Upon the request of the fraternity to the Assistant Dean-Registrar, at least one week before the beginning of the examination period, the College will exclude from final examinations any member or pledge who owes a bill to that fraternity.

PLEDGING AND INITIATION

The following rules pertain to pledging in all the fraternities at Centre College:

1. In order to be pledged by a fraternity, a student must have been in residence for at least one long term (i.e., fall or spring) at Centre College; further, he must have received the grade of 1 or higher in at least three of his courses during that term.

2. Students who have been in residence for more than one term must have completed at least four courses with at least the grade of 1.

3. Any student who has been pledged is academically eligible for initiation.

The following regulations pertain to the pledge period (i.e., the period between the pledging of students and their initiation into the fraternity) (For purposes of the following, the "school week" refers to the period between 2:00 P.M. Sunday and 4:00 P.M. Friday.)

1. The pledge period is to last no longer than ten (10) weeks.
2. No pledge activities, including pledge meetings, are to be held at any time during the "school week," with exception of Tuesday night. No "work sessions" of any kind are to be held during the "school week," including Tuesday night and all of Wednesday night.
3. No pledge is to be required or unduly "encouraged" by the chapter to be in the fraternity house at any time during the "school week," with the exception of Tuesday night.

ABSENCES FROM RESIDENCE HALLS

Whenever a student leaves her house after 7:00 P.M., or expects to be out later than 7:00 P.M. (except for dinner on campus), she must sign out on the resident book. As soon as she returns, she signs in. If a girl is out after 7:00 P.M. but has failed to sign out, she must call the desk hostess, who will sign out for her. When signing someone else out, one should sign one's initials to the name also. "Late" should be written by the name of a person who has forgotten to sign out after 7:00 P.M.

No woman student may leave the campus alone after dark unless she is driving a car.

No student may leave the house before 6:00 A.M. without special permission.

Precise destination should be given if possible so that a student may be located for an emergency.

OVERNIGHT ABSENCES

For each overnight absence a student must sign a card in

advance with the resident director. Before her departure, the student must also sign out on the resident book.

Each girl may have unlimited overnight absences but only on Friday and Saturday nights. Overnight visits may be taken only in places where there is a chaperone accepted by the college.

Students taking overnight absences are asked to leave in time to reach their out-of-town destinations by the time the Centre residence halls close; exceptions to this regulation are those students using public transportation.

Freshman students may not take their first overnight absence until they have been in college four weeks.

CLOSING TIME

The closing times of residence halls for all freshman, sophomore, and junior women is 11:30 on Sunday through Thursday nights, 12:00 on Friday nights and 1:30 on Saturday nights.

Should an emergency make it impossible to return before closing time, a girl must telephone the hostess in her hall, giving reasons why she is detained. This regulation applies not only to unavoidable delays in Danville but also to delays when a girl is out of town for the day or weekend.

Senior women may live under the key system which affords the privilege of having no hours. However, strict observance of the following regulations is an essential responsibility in the use of this system.

1. The keys will be kept in the resident director's room and may be secured from her at the times she is on duty.
2. When you wish to have a key, you must:
 - a. Sign out on a card, indicating your name, destination, companion, time of return, date of departure, and the number of the key. Place card in envelope.
 - b. Anyone (girl) sharing this key privilege with you *must* sign the card, too.
 - c. The girl whose name is first on the card (if more than one is using the card) is responsible for the key.

3. When you return the key, you must:
 - a. Sign your name on the card.
 - b. Place the key and envelope which you have sealed under the resident director's door.
4. No key permission will be granted over the phone.
5. No key permission will be granted at the request of another girl.
6. No key will be given to a visitor unless she is signed out by a Centre girl and is accompanied by the same girl.
7. No key may be taken over the weekend.
8. Keys must be in the resident director's room at 7:00 A.M.

FRATERNITY VISITS

Women students may visit the social rooms of fraternity houses only after 12 noon and only if the housemother is present. It is the girl's responsibility to make certain that the housemother is present.

CALLERS

The social rooms in the women's residences are closed to men callers until 12 noon. Your date may call for you before 12 noon but you may not remain in the parlors. Men callers, including relatives, may not go in the bedroom areas except on the first and last days of school.

OVERNIGHT GUESTS

Overnight guests are welcome on Friday and Saturday nights. Your guest must abide by all the College regulations and you will be held responsible for her actions. Previous arrangements should be made with the resident director for her accommodations. The charge is \$1.00 per night. Sheets and towels will be furnished.

QUIET HOURS

Sunday through Friday, quiet hours are observed from 8 to 12 noon and from 1:30 to 5:00 in the afternoon. They begin

again at 7 P.M. On Saturday quiet hours are from 8 to 11:30 A.M. Call downs will be given for disturbances, and after three call downs the offender will pay a \$3.00 fine and \$1.00 for every call down thereafter.

TELEPHONES

Long distance calls may be made from any phone. If charged to the school, however, the violator will be fined \$5.00 plus the cost of the call.

ROOMS

You are not to nail, tack, or paste anything on the walls or woodwork of your room except with masking tape or adhesive picture hangers. Undue damage must be paid for by the student.

No change in rooms or roommates are permitted without the approval of the Dean of Women.

The College is not responsible for the loss of personal possessions. Valuables may be locked in closets or may be filed in the office of the Dean of Women.

DANCES

ORIENTATION

The first dance during Orientation Week is now a Centre institution for welcoming new students. The occasion provides an important opportunity, especially for the freshmen, for making new friends, as well as initiating the fall social season. Dress for this is strictly informal—ordinary school clothes—and a combo provides entertainment.

HOMEcoming

Sponsored by the Student Congress, Homecoming, the first formal dance of the year, is held on the evening of the Homecoming football game. The weekend is always an important occasion for returning graduates, parents, and current students alike, and Centre's hospitality welcomes all. Dress for the dance

is semi-formal, with cocktail dresses for the women and coats and ties for the men.

CHRISTMAS

The anticipation of the Christmas holidays lends a special sparkle to the Christmas Dance, which is usually held on the evening preceeding the vacation. The dance features a name band and is sponsored by the Student Congress. Dress is again semi-formal.

GARDENIA

Held in the spring just before vacation, the Gardenia Dance recognizes the freshman class and is entirely put on by them. A freshman woman is chosen to reign as queen of the dance by the freshmen men. Dress is semi-formal.

TURNABOUT

There may be more than one Turnabout Dance featured during the year, but such a dance is generally held on Valentine's Day. This is the chance for the women to grab the date of *their* choice; it is an informal dance and is sponsored by the Student Congress.

CARNIVAL

Carnival weekend begins with Spring Sing, an inter-dorm and inter - fraternity contest judged by faculty members. The Carnival pageant is sponsored by the "C" Club, and it features the Carnival king and queen, their court, and the varsity lettermen. An all-night dance follows in their honor. Given by the Student Congress, the first half of the night is a formal dance—full length formals for the women and tuxedos for the men—while the latter half features an informal combo with games and other entertainment.

HONORARY SOCIETIES

OMICRON DELTA KAPPA

President: Knox Walkup

Three per cent of the men's student body is eligible for membership in Omicron Delta Kappa, a national men's leadership honor society. Junior and senior students are chosen from the top 35 per cent of their perspective classes and are recognized for their outstanding leadership in scholarship; student government; social and religious affairs; athletics; publications; speech, music, drama, and the other arts.

THE ROUNDE TABLE

President: To be elected

Junior and senior students who have an average of 3.5 or higher are tapped for membership in the Rounde Table each year. The students are recognized for outstanding scholastic achievement. Each spring, at Honors Convocation, the Rounde Table recognizes the scholastic achievements of freshmen by giving outstanding students certificates of merit. Faculty members are able to participate in Rounde Table activities either by having held former membership in a Rounde Table organization, or by being eligible for tapping.

WHO'S WHO

Who's Who is a national organization which publishes *Who's Who Among Students in American Universities and Colleges*. A committee of students and faculty select the Centre representatives on the basis of "the student's scholarship, his participation and leadership in academic and extracurricular activities, his citizenship and service to the school, and his promise of future usefulness." The number of members can be as many as fifteen, juniors and seniors being eligible. They are chosen in the spring and announced at the Honors Convocation held at that time.

CHAIN CLUB

President: Ellen Elliott

Women students who rank in the upper third of their class and have completed at least three semesters at Centre College may be elected to membership in the Chain Club in the fall and spring of the year. These students are recognized for prominence in the fields of scholarship, student government, fine arts, athletics, campus activities, community service, and personality.

PHI ALPHA THETA

President: Knox Walkup

Phi Alpha Theta is an international honor society in History. Its membership is composed of students and professors who have been elected upon the basis of excellence in the study or the writing of History. Students who rank in the upper 35 per cent of their class, have an average of 3.0, and have taken 15 semester hours in History with a 3.1 average are eligible for membership.

PHI BETA CHI

President: To be elected

Membership in Phi Beta Chi, a society of students and faculty members in the science departments, is by invitation. In order to be eligible for consideration a student must have successfully completed a year's course in one or more of the eight-credit science courses and must be majoring or planning to major in one of the sciences. In addition, an academic average of 2.5 or better is a requirement for initiation. Faculty and senior members present programs of interest in the fields of science.

PHI SIGMA TAU

Phi Sigma Tau is the Philosophy Club of Centre College. Though affiliated with the National Honor Society in Philosophy, this group is open to all students interested in supporting its purposes and participating in its activities. Student papers, oral presentations, and informal group discussions focus around themes of philosophical import and concern to the members. The group will further participation by Centre students in the Kentucky Philosophical Association and in that body's annual philosophy essay contest. It will also lend support to the National Honor Society's efforts to award "distinction to students having high scholarship and personal interest in philosophy," and to "popularize interest in philosophy among the general collegiate public."

SIGMA DELTA PI

President: To be elected

Sigma Delta Pi is an honorary Spanish fraternity. A stu-

dent must be in the top 35 per cent of his class and must have a 3.0 minimum average in no less than three hours of third-year Spanish to qualify for membership.

PI KAPPA DELTA

Centre's chapter of Pi Kappa Delta, an honorary forensic society, elects its members from those who have participated in five or more debates or other forensic activities. The chapter is activated when there are properly qualified students to participate.

PROFESSIONAL AND DEPARTMENTAL GROUPS

CENTRE CHOIR

There are places open in the Centre College Choir for any students interested in music. There is no try-out or limit on membership. For members of those classes graduating in 1969, 1970, and 1971, choir carries two credits per year and may be counted as an elective.

TUDOR SINGERS

Tudor Singers is a group of about twenty musicians selected by audition from throughout the entire student body. They perform music of a small vocal ensemble drawn chiefly from sixteenth century England, although the music of other periods and other countries is not ignored.

Each Christmas, the group sings a service of nine lessons and carols as part of the College Christmas observance, and throughout the year they give a number of public performances both in and out of Danville.

CENTRE PLAYERS CLUB

President: John Rogers

The Centre Players is the dramatics club of the College. Its primary function is to provide dramatic activity on the campus through two regularly scheduled productions per year, but members often participate in as many as three or four productions

per year, according to the number of programs each term.

BOLES NATATORIUM

Centre College is proud of its new \$400,000 Boles Natatorium which houses an AAU-size swimming pool and attendant facilities. It is a uniquely designed structure acclaimed by architects and swimming specialists who have viewed it.

The program for students at the natatorium includes physical education courses and recreational and competitive swimming. The natatorium director is Robert A. Gunkler.

Mr. Gunkler cites the fact that Centre students are provided more "free swimming" hours (over and above physical education and competitive swimming hours) than any other college or university in Kentucky. Centre is to organize its first intercollegiate swim team in the fall of 1968.

Boles Natatorium is a handsome brick and concrete structure measuring 123 feet long and 99 feet wide. The pool itself is 75 feet long and 43 feet wide with six swimming lanes and low and high diving boards. At the side of the pool are folding bleachers accommodating approximately 270 spectators. A sun deck connects with the building close by the pool.

Construction of the natatorium, completed in 1968, was made possible by a major gift to Centre College by Mr. and Mrs. Ewing T. Boles of Columbus, Ohio. A Centre graduate, Mr. Boles serves his alma mater as Chairman of the Board of Trustees.

"C" CLUB

President: Russ Shearer

Lettermen in intercollegiate sports comprise the "C" Club. This organization is responsible for the Carnival, a pageant and dance held during the graduation season, to honor the athletes. CHEERLEADERS

Any student is eligible to try out for the position of cheerleader on the Centre squad. The squad is composed of six or more members. Preliminary tryouts are held each spring before the "C" Club, which selects seven to ten nominees depending on the number of vacancies. From these nominees the cheerleaders are chosen by a student-wide election. A cheerleader must try out every year.

Each cheerleader shall attend all home games, all games within traveling distance, and any other games in which there is general student interest. The cheerleaders for 1968-1969 are Jackie Collins, Betty Fowlkes, Susie Koch, Margaret McDonald, Bev Rickett, Karen Williams, and Sally Wood.

The governing body of the organization, the W.R.A. Council, is composed of the President, the Vice-President, the Secretary-Treasurer, the Social Chairman, and the presidents of recreational clubs. All women students are members in the organization; participation in one W.R.A.-sponsored activity entitles one to

FRATERNITY SONGS

BETA THETA PI

Beta Lullaby

Gonna rock-a-bye my baby to a Beta lullaby;
Gonna bring her up on Beta lore and Beta Theta Pi.
Gonna occupy that old porch swing and sing a Phi Chi Phi.
Gonna rock-a-bye my baby to a Beta lullaby.
Rock-a-bye, my baby; sandman is nigh.
Rock-a-bye, rock-a-bye, rock-a-bye, Ra da.
Shhh - - - - baby's asleep.

DELTA KAPPA EPSILON

Band of Brothers

A band of brothers in DKE, we march along tonight,
Two by two with arm locked firm and tight.
Our leader signals with hat in hand as we go marching on,
Singing Delta Kappa Epsilon.
So merrily sing we all to D K E,
The mother of jollity, whose children are gay and free.
We'll sing Iota, then we'll sing
To dear old Delta Kappa Epsilon — HEY!

PHI KAPPA TAU

Shiny Pin

He wore his shiny Phi Tau pin right above his heart,
And swore that from its resting place it would never part.
Through four long years of college his vow stood firm and tall,
And he wore his shiny Phi Tau pin in honor of Phi Tau.
Then 'long came a pair of big blue eyes, smiling baby face.
Two restless little dimpled hands removed it from its place.
Now they live in a bungalow with welcome on the wall,
And they pin the baby's diapers in honor of Phi Tau.

PHI DELTA THETA

Castle Painted Blue and White

Gonna build me a castle painted blue and white;
Gonna have a big beer feast every night;
Gonna inlay diamonds all over the floor
With a Phi Delta Theta crest over the door.
Gonna change my blood from red to blue;
Gonna marry a girl from KCW;
Gonna entertain royalty every night
In a castle painted blue, a castle painted white;
A castle painted blue and white.

SIGMA ALPHA EPSILON

Marching One by One

Marching one by one to Sigma Alpha Epsilon,
Honor loyally her name as we go marching on,
And ever shall we stand as brothers in her mighty band;
Centre College, hail to thee, and sing of dear old SAE.
Hail to the purple, hail to the gold;
Hail to Phi Alpha, motto of old.
Minervas' true; the lion too; we're loyal sons of old C.C.,
So marching one by one to Sigma Alpha Epsilon.
Honor loyally her name as we go marching on,
And ever, ever shall we stand as brothers in her mighty band.
Centre College, hail to thee and sing of dear old SAE.

SIGMA CHI

Sweetheart of Sigma Chi

The girl of my dreams is the sweetest girl
Of all the girls I know.
Each sweet coed, like a rainbow trail
Fades in the afterglow.
The blue of her eyes, and the gold of her hair
Are a blend of the western sky;
And the moonlight beams on the girl of my dreams;
She's the sweetheart of Sigma Chi.
