Centre dear, we offer thee  
Love profound and praises free.  
Where thy walls of ivy rise  
God unseals our blinded eyes.  
Where thy tree-lined pathways lure  
Friendships spring eternal sure,  
For thy gifts we offer thee,  
Centre dear, our loyalty.

## DEDICATED TO

DR. ROBERT H. BRYANT

# We Remember Centre...

*when she was only 46 and we weren't even one*

PRINTING BEFORE STEEL

Centre was already a tradition when our predecessors started business in Danville . . . when strife between the North and South was just ending . . . before automation and steel were used for printing.

Times have changed, Centre and this newspaper have grown and expanded . . . both keeping pace with the needs of the community and times . . . but both keeping their tradition, stability, and service through the years.

We are proud to have served Centre and the community for almost 100 years, and look forward to serving them during the years to come.
