This, the Nineteen Thirty-eight Edition of Olde Centre, perpetuates in type and photographs a lasting memory of the campus of Centre College, its people, buildings, activities, and traditions.

But most of all the staff has striven to incorporate within these pages the characteristics of the young men and women who in nineteen thirty-seven and thirty-eight have walked through these ancient halls and dreamed glamorously of the past and of the future. As they go forth from these portals of learning, may they always prove themselves worthy of the noble precepts which have been their heritage.

# DEDICATION

TO

MR. QUINN DECKER

We, the Editors of the 1938 Olde Centre, dedicate this volume to a man, who, within the space of a very few years, has won for himself a very definite place on the campus. His ability has contributed much to the success of our football teams, his geniality has gained friends for the school as well as for himself, his personality has reflected the best traditions of Olde Centre. Of all the pleasures that have been ours in editing this book we hold as the greatest that of dedicating it to Mr. Quinn Decker—the able, personable, and genial young assistant of Coach Kubale.

# The FOREWORD

Memories of the past are reflected in the dreams of the future, forming a chain of associations throughout life. The College has influenced the life of each of us who has come under the spell of her historic campus. As a link between the past and the future, we, the editor and manager of The Olde Centre, present . . . A Year at Centre College, Nineteen Thirty-eight.

R D

Her loyal sons have loved  
her name,  
And their deeds have  
praised it ever.  
We'll pledge our lives to  
Centre's fame,  
'Till our breath and body  
sever.  
Up on high, toward the  
sky, raise her banner.  
While we live, we will give  
it no stain.

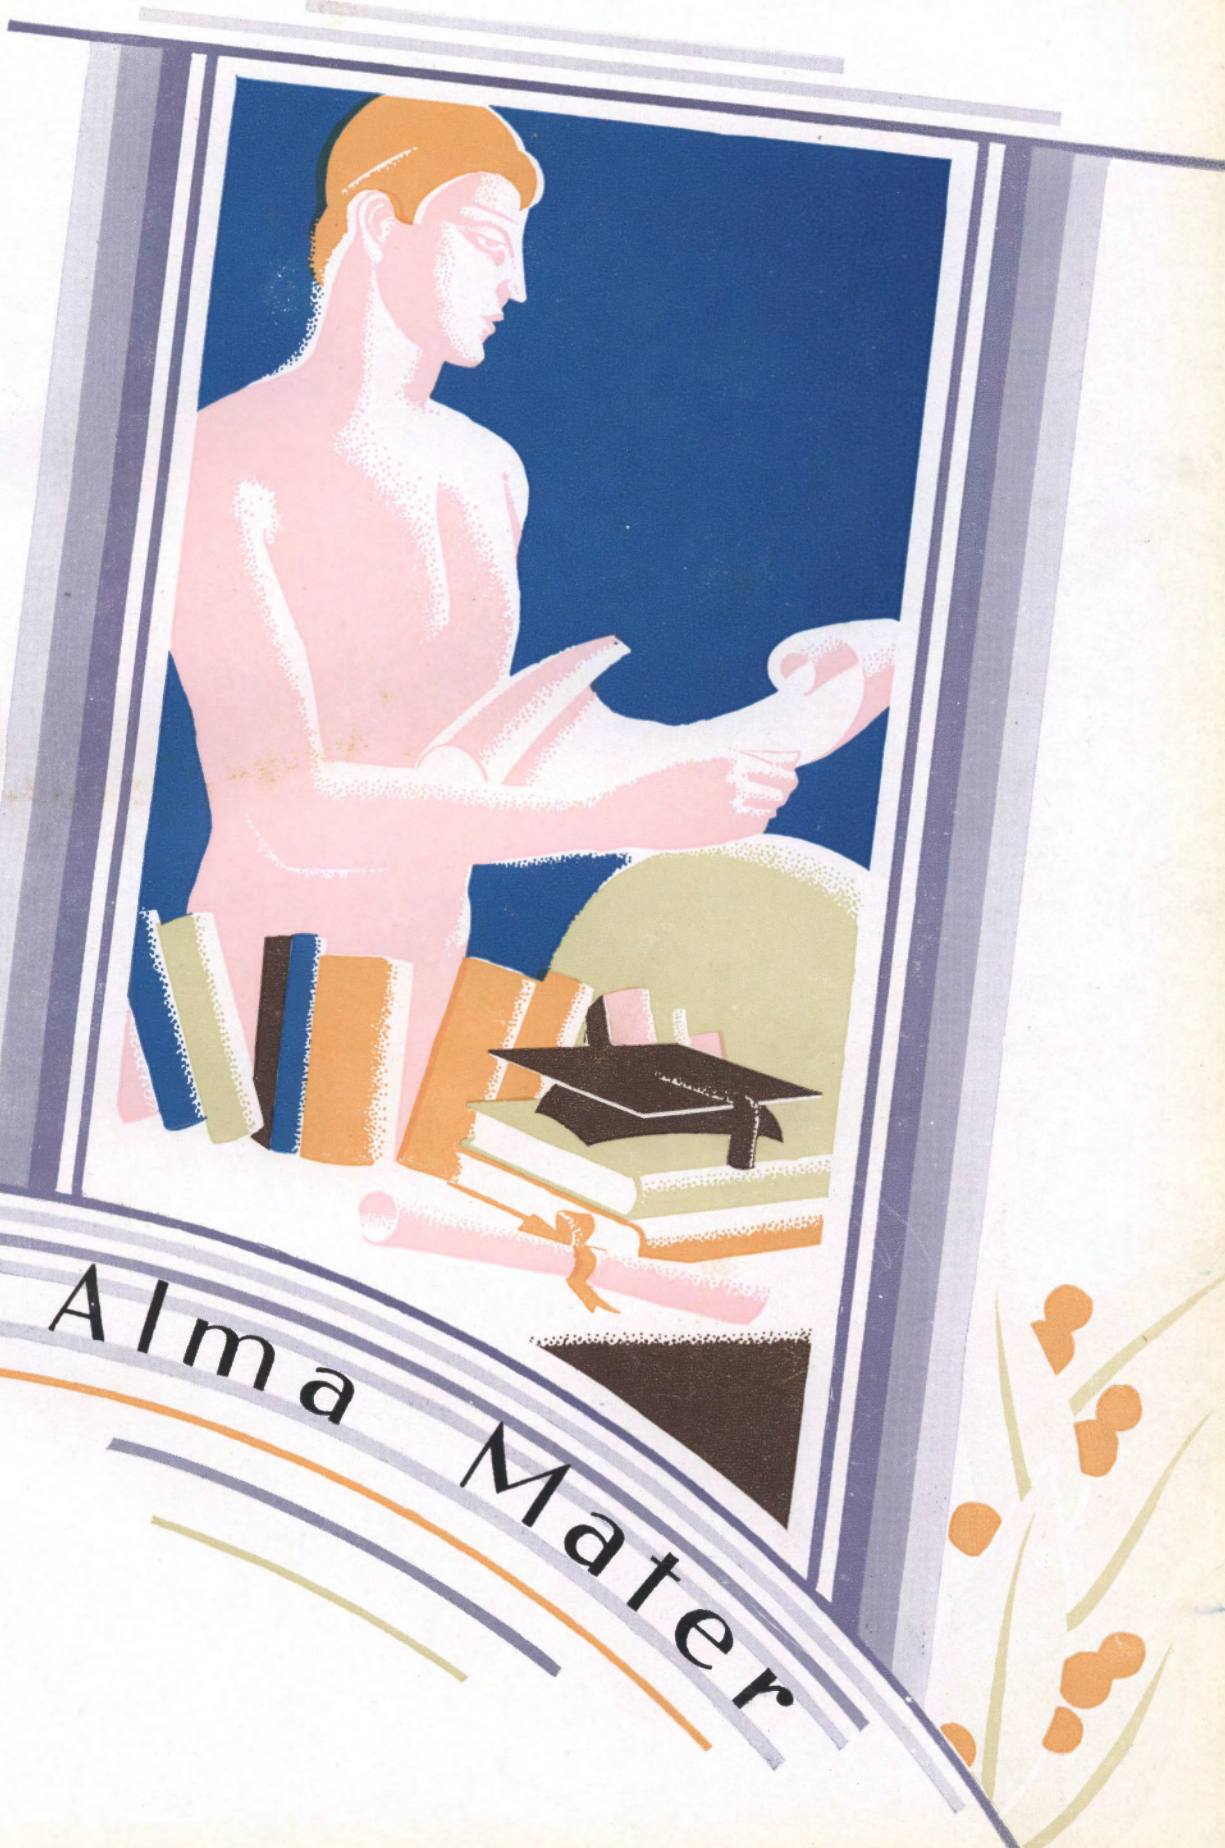

A prophecy of the future

## ALMA MATER

Olde Centre marches ever on,  
On to victory and to glory.  
Loud cheers ring out, huzzahs resound  
To proclaim the same old story.  
Ever bold, as of old; guard her honor;  
On the field never yield; win her fame.  
For Centre, now be bold;  
The Gold and White unfold.  
Our heads we bear, our pledge we renew.  
Olde Centre, we'll be true.

# OLD CENTRE

---

---

The classic columns of Olde Centre symbolize to all, the nobility of thought, the grandeur of purpose, and the grace of action that have always been typical of true Centre men. No one who is familiar with these revered pillars of strength can fail to gain a degree of inspiration and courage from a contemplation of their faultless build.

## MORGAN HALL

The portals of Morgan Hall present a striking addition to Centre's display of columns. This, the main building of the Women's Department, has also offered its inspiration to Centre men.

# from the President

This yearbook gives a picture of the varied activities to be found on the Centre campus. Through numerous groups and organizations represented here, I hope every student has been able to gain more than just a knowledge of books. Such activities contribute much to the development of the well-rounded individual, the type of man and woman Centre College tries to produce. But also at the heart of the College are the intellectual and more purely academic activities, which must have first place with our students if Centre is to maintain her position as a great, though small, educational institution. And also leavening the whole life on the campuses of Olde Centre must be the Christian spirit and idealism that expresses itself in fine living not only for four years here, but for a life-time in the busy, complex, often confused world of men that needs the intellectual and spiritual leadership which your Alma Mater hopes that you will be able to give.

*"Though all we knew depart,  
The old Commandments stand:*

*'In courage keep your heart,  
In strength lift up your hand'."*

JAMES H. HEWLETT, *Acting President.*

## DEAN OF WOMEN

MISS LUCY BLANEY THOMAS. As Dean of Women, Miss Thomas has become a friend and counsellor of every woman student in Centre. She is admired and respected for her sincerity, frankness, and broadness of character, and because of these qualities she has won a definite place in the hearts of Centre women.

## DEAN OF MEN

DOCTOR A. E. PORTER. As Dean of Men, Dr. Porter has had the opportunity to come into intimate association with the Centre students. In these associations he has been of great assistance to the students in the solution of their many problems. By his uprightness and by his willingness to help he has won for himself the lasting friendship of every undergraduate.

# MAIN BUILDING

The Main Building of Centre, where we spend most of our time, is the classroom center of the college. We will always remember with gratitude this spot dedicated to the culture of the intellect.

... "Selecting the most beautiful girls from the group of photographs that you sent me was a truly difficult task, for beauty is not determined entirely by facial expression, but by personality, charm, and loveliness as well. . . . Thanking you for allowing me to be the judge of such lovely feminine pulchritude, I wish to remain

## CALENDAR OF 1937-38

BY SANDIDGE

Sept. 11—Honorable Frat brothers arrive to plan the conquering of the freshmen.

Sept. 12—Few freshmen and the old guard arrive. Rumor around that Miss Thomas will have a right fair crop this year.

Sept. 13—Remaining freshmen arrive . . . All the boys take a look at the new gals at the "Works Open House."

Sept. 14—Juniors and Seniors sign up for the usual crips. Still devoting their time to the rushee and the women are temporarily forgotten. Presidents Ball and the little ladies learn the rules of the "House" . . . in fact, they learn all the rules.

Sept. 15—Opening Convocation. Love grows rampant as courtiers sit next to each other in Chapel . . . Incidentally, jealousy also rears its ugly head.

Sept. 16—Duvall loses eight pounds. Victory over Indiana now certain.

Sept. 17—Classes now start in earnest. Most freshmen either pledged or not pledged. (Ed. Note—Who would have thought Sandidge capable of profundity such as that?)

Sept. 27—Monster Pep Rally. Goddess of Victory all inflated. Many students off for Indiana.

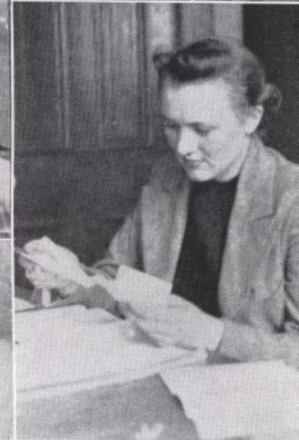

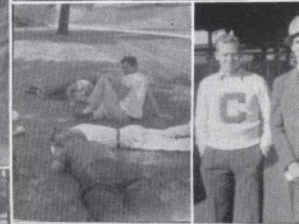

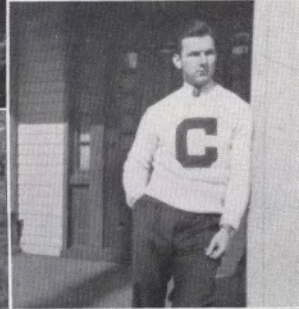

Sept. 28—Indiana wins. Oh, beautiful melancholy. Goddess of Victory deflated.

Sept. 30—Student body still studying. Team practicing hard.

Oct. 2—Team takes Oglethorpe to the tune of 19 to 0. Big dance after the game.

Oct. 8—Busy day—Frosh take Eastern 6-0, Varsity and Chattanooga call the whole thing off at 0-0.

Oct. 16—The College migrates to Lexington for the week-end. Colonels swamp Transy 38-0. Many stay over to celebrate. Goddess of Victory feels better. "Phifer and Allen losing money every day."

## CALENDAR OF 1937-38

Jan. 8—The he men and she women arrive back for a good nap.  
 Jan. 14—Mr. "Ku" resigns to take post at Southwestern. O. D. K. propose Student Union (does anybody remember the "Colonel")?  
 Jan. 23—Final exams begin. Electric light company makes huge profits.  
 Jan. 24—"Why was I born?"  
 Jan. 25—"Forever and Forever."  
 Jan. 27—Exams over. Bad news to come later.  
 Jan. 30—School begins again.  
 Feb. 6—Ed. Dance arrives for school. Surprise!!

Feb. 11—Quinn Decker named to succeed Kubale.  
 Feb. 18—Edward Eigenschenk gives excellent performance.  
 Feb. 19—Beta Formal. As an extra attraction, "The downfall of 'Demon Brown.'" Has anybody recently heard the song that begins "Old Centre is, Old Centre was, When state was but a pup?"  
 Feb. 25—Netmen lose to Morehead in tight fight at State Tourney. Intramurals the cause of much discussion. The local option is upon us, and the Formals are beginning.  
 Mar. 10—Betas win Intramural Basketball Tournament. Things may brighten up, except for Phifer and Allen, who now have one shirt—between them. Creditors crowding fast.

Athletics

MR. EDWIN KUBALE

"Mr. Ku," Centre's proficient head football coach and athletic director

## Athletics at Olde Centre

Although football is, without doubt, the outstanding sport at Centre there are other activities as well. Basketball and track rank with it as major athletic activities. Both of these sports draw attendances to their exhibitions and are loyally supported by the students. Likewise, intramural games especially basketball, create and attract considerable interest. The Woman's Department, although with a smaller variety of interest, contributes its share to the general sport round-up. Consequently, when we think of the term, "athletics at Olde Centre," let us not be reminded merely of football but of our other interests as well.

COACH DECKER

## O N T H E G R I D I R O N

We present on the following pages a composite picture of one of the greatest seasons on the gridiron that Centre has had since the halcyon days of McMillen, Roberts and Company. A small but indomitable team, filled with the spirit of the past, gave us a taste of the glory that has been. Playing a suicide schedule, the "Prayin' Colonels" came off with six victories as against two defeats and one tie. We pay tribute to a team that never ceased fighting, to a team that played the kind of ball against the type of opposition that has made Centre College known and respected.

We are glad that the last season of the reign of Coach Edwin Kubale was the success that it was. When Coach "Ku" came to Centre nine years ago only those closely connected with the College showed any interest. Football coaches are nothing out of the ordinary. But that was nine years ago and since that time the former fighting center of the early twenties has turned out team after team which played in the grand old Centre style. His nine-year record was an enviable one. His boys engaged

DR. PORTER  
Athletic Director

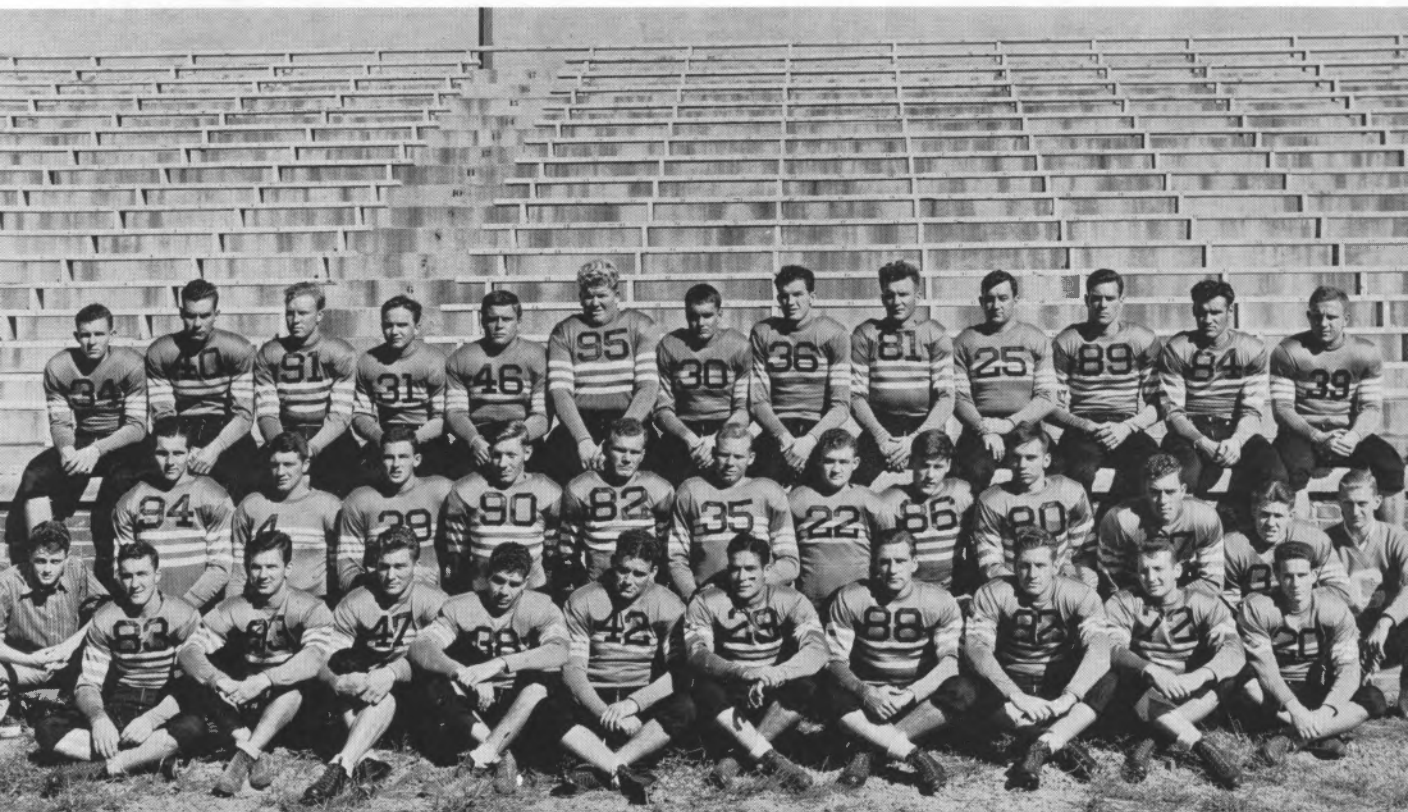

the outstanding aggregations of the nation and made them feel the impact of a bunch that wouldn't accept defeat. It is fitting that his last season should be what was perhaps his greatest. The personal message of Centre to Mr. Kubale is this: "You have served us long and faithfully, both as a coach and as a player. We will miss you. We regret your decision to leave us but we send with you the best wishes of the entire school and the knowledge that you will not be forgotten."

The position formerly filled by Mr. Kubale has been taken over by Quinn Decker. Mr. Decker has been on the Centre campus long enough to have gained the admiration and affection of all Centre men. We know that the school will offer him its cooperation and we are also convinced that Decker will achieve success. The choice of the Administration in this matter was a wise one and one that is popular among all the students, friends and followers of this institution.

## RESUME OF SEASON

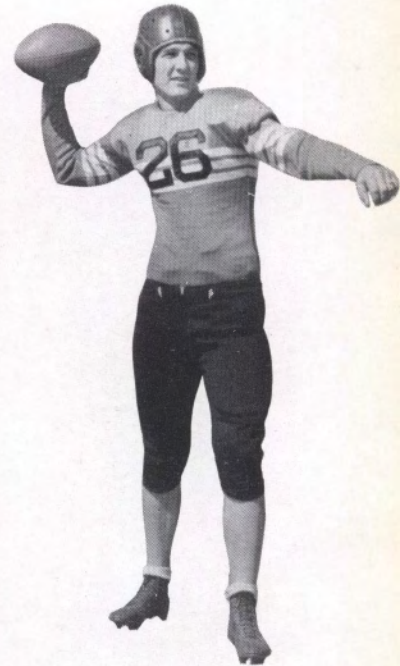

All Centre adherents, proud as they might have been at the showing of the "Prayin' Colonels" last year, had even more to brag about this season as Coach Ed. Kubale's eleven compiled the very enviable record of six victories, two defeats, and one tie. This record becomes even more to be proud of when it is taken into consideration that the first of the two defeats came at the hands of the powerful Indiana University eleven and the second was administered by the undefeated "Thundering Herd" of Marshall College. The victims of the Gold and White onslaught were Oglethorpe, Transylvania, Davidson, Xavier, Louisville, and Southwestern, and the University of Chattanooga managed to keep the Colonels from crossing its goal line by holding them to a scoreless tie.

The opening assignment for "Ku's" boys was against "Bo" McMillian's Indiana University on September 25 at Bloomington. The Hoosiers, led by their All-American fullback, Corby Davis, were expected to win by a wide margin, but were completely surprised as a courageous Centre eleven held them to a hard-fought 12-0 victory. Had it not been for the unstoppable line smashes of Davis and an unfortunate Gold and White fumble in the second quarter, the score might have been entirely different. As it was, the Colonels confined all the Indiana scoring to the first half, and completely outplayed them in the second, having the ball on the Indiana 14-yard line when the final gun sounded.

After such a grand beginning for a hard schedule, the Colonels made their first

appearance in Farris Stadium on October 2, and defeated a much weaker Oglethorpe University eleven by a 19-0 score. The Gold and White took the lead in the first few moments of the game when Quarterback Jimmy German slipped off right tackle and galloped 31 yards for a touchdown. Dennis Van Huss place-kicked the point to give the Colonels a 7-0 margin, which was increased to 13-0 at the end of the first quarter by virtue of an 11-yard touchdown smash by Van Huss. There was no further scoring until the closing minutes of the game, when Thompson crashed from the one-yard line to give the Colonels their final six points. On October 8th, the Colonels journeyed to Chattanooga for the second of their seven road games and their only night en-

counter of the season. This test brought out the true spirit of the Centre eleven, for, although being held to a scoreless tie, it completely outplayed the Moccasins. Nine times the Colonels fought their way inside the Chattanooga 20-yard line, only to be thwarted in its scoring attempts. The most disheartening break came when Centre fumbled on the Chattanooga 3-yard line late in the fourth quarter and were thus deprived of a well-earned victory. Only once did the Gold and White permit the Moccasins to venture into its territory and then only as far as the 43-yard line. Lee Stivers, Paul Coop, and Dick Stahl were the mainstays in the Colonel offensive.

The next week a greater part of the student body journeyed to Lexington to see

the Gold and White in its annual battle with Transylvania, and were deeply gratified when the Pioneers were handed a stiff 38-0 drubbing. The highlights of the game were the two touchdown jaunts by Billy Harrington of 46 and 68 yards respectively, the expert juggling of the ball by the Centre team on several occasions. Transy's lone threat came after Coach Kubale had substituted his entire squad, but it was of no avail.

Saturday, October 23rd, about 3,000 homecoming fans shivered in a chill wind as they watched the Colonels tally eight points while holding a powerful Davidson team scoreless and thus revenged themselves for the 27-0 drubbing handed them by the Wildcats last season. The Gold and White again surprised by completely

bottling up the highly touted Davidson running attack, headed by the brilliant Martin "Twinkletoes" Lafferty. Centre's first score was made when Bernard Whitehouse broke through to down Lafferty behind his own goal for a safety and two points, and her second was made in the last period when Glenn Davis took a perfect pass from German on the two-yard line and stepped over for the score. Eight Colonels played their last game in Farris for the Gold and White.

On October 30th, the Colonels took to the Pullmans again and wound up in Cincinnati, where the powerful Xavier eleven was met and trampled over by the tune of 21-0. Xavier, after holding the Gold and White scoreless during the first half, weakened in the second and allowed the

Colonels to push over three well-earned touchdowns. Davis tallied two of the three markers after receiving passes from Dick Stahl, and Van Huss streaked 52 yards through center to add the third. Stahl also added strength to a department which had previously been very weak by booting three perfect points after touchdown.

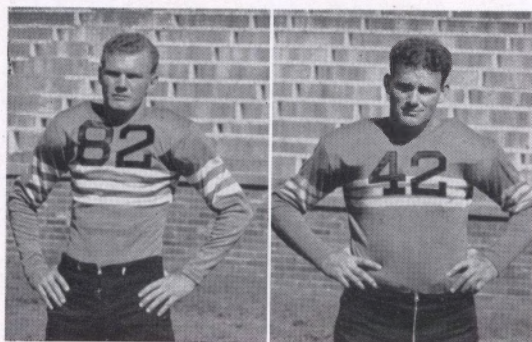

Then came the disaster! The Centre team, hopelessly out of condition and lacking the spirit and fire which had marked its play all season, journeyed to Huntington, West Virginia, to meet the "Thundering Herd" of Marshall College, only to go down to a crushing 36-0 defeat. This was the only time in all of its nine games that the Gold and White never really held a chance of victory. Marshall

held the advantage from the very first and were never headed. The Colonels emerged from this encounter with a list of injured which included half the squad. Never had there been such wholesale "slaughter." The little favorable comment on the game must be given to Bobby Steakley, who, in spite of his meager 128 pounds, played almost the entire game in the Gold and White backfield.

With only a four-day interval between the Marshall game, the Kubalemen, battered and bruised as they were, came to Louisville on Armistice Day and defeated the University of Louisville for their fifth victory of the season by a score of 20-7. Although using a makeshift lineup, the Colonels were able to pile up a 13-0 advantage at the half, and eased up the re-

mainder of the game. The final Centre touchdown was made by Jimmy German on a 96-yard dash from kickoff, aided by perfect blocking on the part of Billy Harrington. In this test, however, the Gold and White lost the services of Bobby Steakley, who suffered a slight concussion of the brain in the first few minutes of play.

On November 20, the Colonels played their last game, under Mr. Kubale, against Southwestern University in Memphis and ended a great season in a blaze of glory by taking a hard-fought 7-6 victory. Centre scored its margin of victory early in the second quarter when German took Harrington's pass in the end zone for a touchdown and Ed. Dance booted a perfect placement to give the Gold and

White a lead which it never relinquished. With the final gun the college football careers of eight of the Centre men came to a close, and all of them will be missed next season. Those who donned a Colonel uniform for the last time were Bell, Martin, Dance, Whitehouse, Bible, Davis, Gravitt, and Colson.

And thus was brought to an end one of the greatest seasons on the gridiron since 1924. Certainly we should be proud of the record of the Gold and White in 1937. Yet, what will 1938 bring? Will it bring even more glory? We feel that each succeeding year will see the "Prayin' Colonels" from Olde Centre College in the heart of Kentucky's bluegrass climbing closer to the place that is rightfully theirs, the top!

# FRESHMAN GRIDDERS

The future of any organization, business, school or athletic association, lies with the new men that come into it. The future of Centre's athletic teams are the freshmen who compose the freshmen teams. We take this opportunity of paying, to these men, the tribute that they deserve.

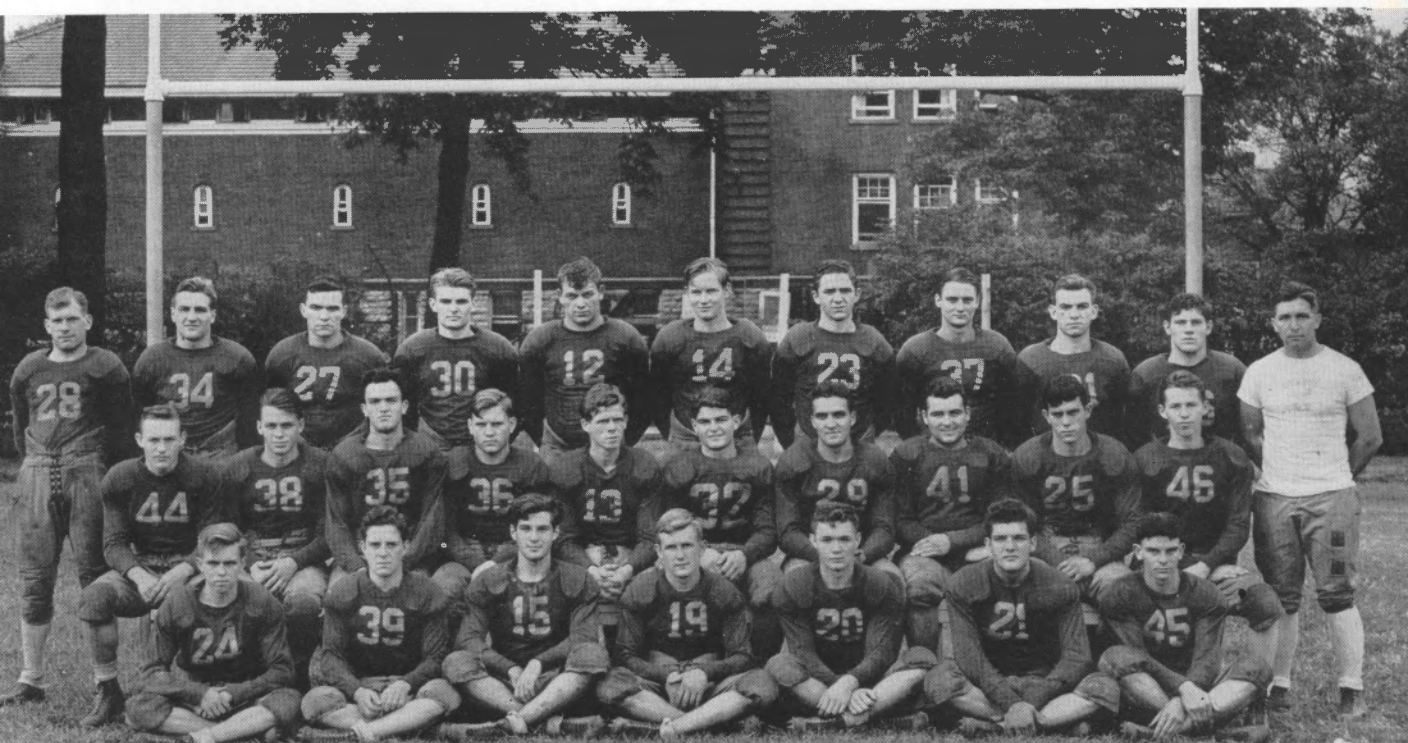

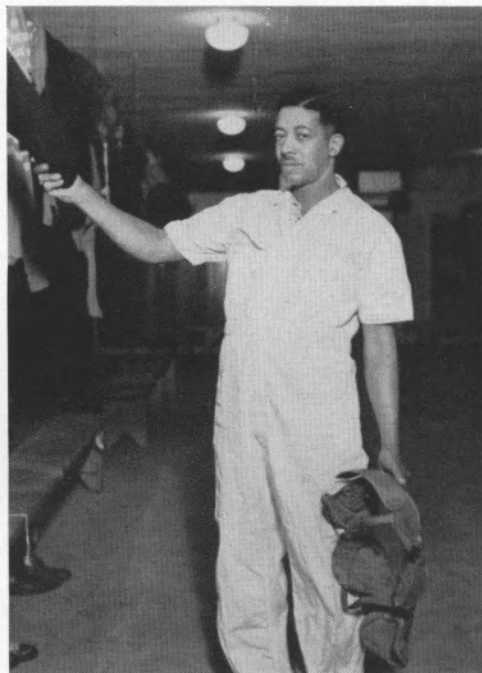

This year, under the splendid coaching of Coach Waddle, the "Looies" had a most successful season. They completed their three-game schedule undefeated and untied.

The Lieutenants opened their season against the Morehead Eagles by defeating them 19 to 0. Bill Jeffries, "Red" Smith, and Edward Bakos did some mighty fine work in the backfield. William Hale appeared to be the most promising in the line.

Their next game was with the strong Eastern team, which really proved the strength of the freshmen, in that they came out with a 6 to 0 win.

The Freshmen ended their season with a decisive 52 to 0 win over the Louisville Cardinals. In this game the Freshmen really released their power and deceptiveness, and it looks like some varsity men are going to have to work next year to hold their positions.

Some of these men will find the way too hard. Others will fight on to what the future may be. Some of them will be those persons for whom crowds cheer, and who will make athletic history at Centre. To all who have served your school we honor you and bid you the best of luck in your attempts.

Another basketball season has come to an end, and the Gold and White bas-  
keteers finished a rather unsuccessful season with a record of three victories  
against eight defeats. Playing a light schedule with games at long intervals  
gave Decker's five little chance to really find itself, and as a result a great  
many of the losses were by one or two points.

After two weeks of practice, Centre met Transylvania on December 13th, in  
the Boyle gym and went down to a last minute 40-39 defeat. The Deckermen  
did remarkably well in their first encounter and indicated that they might have  
a great deal of potential power. Wellington Cooper, the high scoring ace of  
the team who was destined to be lost by graduation in February, paced the  
Colonels with 14 points.

This ended the play until the new year, when on January 8, the Colonels jour-  
neyed to Louisville to take on the high-flying Cardinals of the University of  
Louisville. Again the Colonels were subjected to a heart-breaking defeat when  
Si Monen connected with seven points in the last five minutes and led his team  
to a 37-33 victory.

Two nights later, a sudden reversal of form resulted in a decisive 41-34 victory  
over Berea on their opponents' floor. Centre took the lead in the first few  
minutes and were never on the short end of the score. Decker substituted his  
entire squad during the fray.

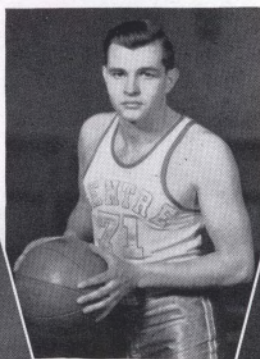

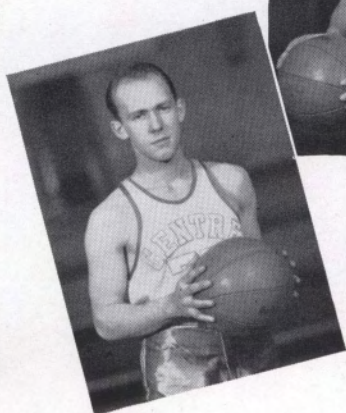

On January 15, the Colonels made their first 1938 appearance on the home  
floor and lost another heart-breaker, this time to Eastern, by a score of 31-29.  
With the score tied at 29-29 at the end of the regular playing time, Captain  
Roy King of the Maroons broke through to sink a one-hander and gave his  
team an overtime victory. The lead changed hands seventeen times in this  
thrill-packed battle.

Three nights later, the Colonels added another victory, which proved to be  
their last, to their total by defeating Wesleyan on the home floor by 40-31.

The Gold and White, behind at the close of the first half, went to the front with a sudden burst of scoring and were going away at the final gun. Cooper, in his last home appearance, was the star of the contest, scoring seventeen points, fifteen in the second half.

In the last game before examinations, the Deckermen journeyed to Richmond to play a return test with the Eastern Maroons, in which the scarlet-jerseyed lads captured another hard-fought game. Centre was not up to the form which it had displayed against Wesleyan and, although fighting hard all the way, never were able to overtake the flying Maroons. With this game, the Colonels lost the service of Cooper, who was to be sorely missed.

After a two-week period of inactivity, the Colonels took to the road again and wound up in the Wesleyan gym, where the Colonels made the Wesleyan homecoming complete by dropping a close 37-35 test. A desperate rally by the Deckermen almost brought victory, but it was of no avail.

On February 7, the Colonels went down to a crushing 62-26 defeat at the hands of an extremely powerful Loyola University quintette at Chicago. There was nothing to say about the game, except that the Colonels were completely baffled by the tall rangy Chicagoans.

Playing their last home game against Georgetown, the Colonels lost another close one by 44-40, after pulling up from a 15 point deficit. Captain Royalty closed his college career by going on a grand scoring spree of 16 points. Others who played their last on the home floor were Bell, Gravitt, Alexander, and Patton.

The last of the season saw the Pioneers of Transy completely upset the Colonels by a 38-21 count. Never once were the Centre boys in the ball game. With Stahl, Coop, Foster, Allen, and Fulton back to form the nucleus of next year's team, the prospects are fairly bright.

## FRESHMAN SQUAD

Of freshman basketball, there is little to be said. Although a squad of twenty-five boys reported to Coach Bob Waddle at the beginning of the year, not once was he able to find a winning five. Ten times did the hapless Lieutenants go down to defeat, and only a cipher graced the victory column.

Opening the season with the Berea frosh, the Lieutenants played in turn Georgetown, Eastern, Wesleyan, Eastern again, Campbellsville, Lindsey Wilson, Wesleyan again, and finally Georgetown. All the contests had the same result in the end.

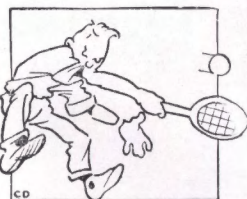

However, in spite of the poor record, some of Waddle's boys showed a great deal of promise and should be of service to Coach Decker next season. Those who shone in particular were Captain Bruce Stultz, Billy Bell, brother of Freddy, and Dick Hutchinson. Others who should develop with time are: Bill Yates, Julian Jacobi, Gerold Peet, and Bernell Heaton.

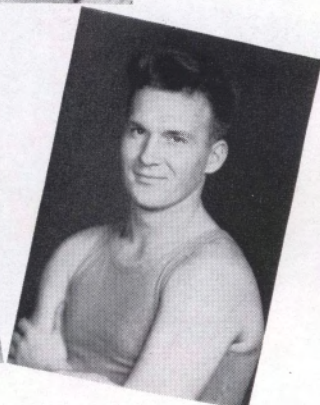

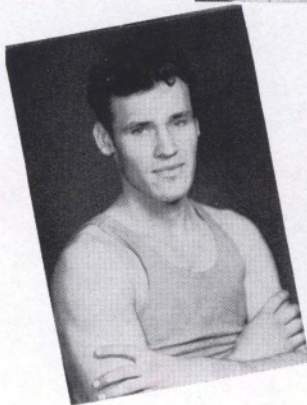

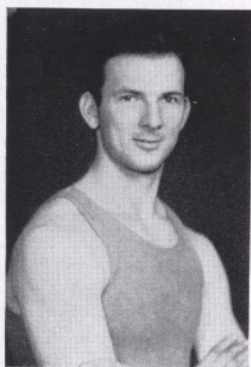

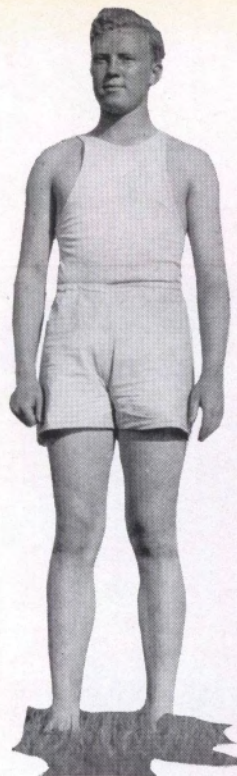

# TENNIS AND GOLF

Those composing the golf team are: Clayton Anderson, Beverly Chatham, Jim Rieke, Wallace Starling, and Laurence Baxter.

The tennis team is composed of Laurence Baxter, Wharton Allen, Maurice Royalty, Charles Allen, James Patton, Bruce Platt, and Dudley Rodman.

The loss of five letter men left a bad whole in the '37 Track Team. However, Coach Quinn Decker unearthed some promising raw material and formulated a squad that turned out a mighty good record. Though they lacked the quantity, they made up for that loss in quality, and it only takes a look at the State records to prove this. Centre opened their track season with Vanderbilt University. The boys lost this meet by a score of 63 to 28. Because of the spring football practice, the squad had not been able to get into the best of condition, and thus were not up to par as to their real ability.

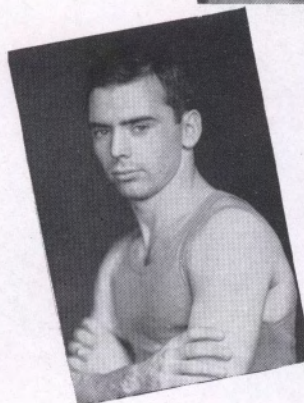

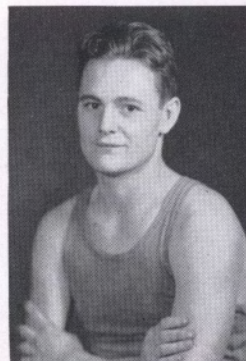

In the next meet Centre met the Berea squad at Berea. Centre was beaten by the score of 51 to 47. It was in this meet that the real merit of Centre's sprinters came out. In the 100-yard dash Jimmy German placed first with "Little" Gaines running a close second. It appeared here that our team possessed two mighty fine "dash men." The relay team, composed of Purdom, Stahl, Gaines and German, came thru with a victory. Gaines and Stahl took care of the broad jumping assignment and Gruszkowski and Herrick came through with the "shot" and javelin respectively. Though Centre lost this

# T R A C K

meet, it was clearly shown that she did have some fine material which was developing rapidly.

The third and final meet of the track season was the State Track Meet which was held here at Centre College. This was a very close meet and Centre was finally eased out by Berea for the first place. It was in this meet that Jimmy German practically ran wild. He took a first place in the 100-yard dash, and in the 220-yard dash he set a new state record. "Little" Gaines was second in the 100- and 220-yard dashes, and was first in the broad jump. Stahl was second in the high jump; Herrick was second in the javelin; and Leo Gruskowski was first in the "shot put." Others of the squad that gave excellent performances were Jim Delanoy, Roy Neikirk, Frank Tenikat, Fred Bell, and Bill McAvoy. "Big" Gaines, Henry Childress, and Gordon Garrett made splendid records, and the squad is going to miss them next year.

Centre's track record was one that the College should be proud of, and with the excellent Freshman material in Bob Steakley, Allen Rankin, and Bill Stevens, Centre's track team should really step out in front during the '38 season.

The Woman's Department of our College has its Athletic interest as well as the Men's. The rivalry which is in existence between the Colonelettes and the Gym Dandies is as real and vital as any gridiron rivalry. In basketball, swimming, hockey, badminton, and other sports, the two teams vie with each other for supremacy. Athletics at K. C. W. has boomed within the last few years under the able direction of Miss Ruth Boyd. We dedicate this page to her for her versatility and capable leadership.

Throughout the school year the Centre College *Cento* endeavors to present to the students a comprehensive survey of collegiate affairs, both local and national. The paper also affords to the students a medium of expression. The aim of the paper is to make itself interesting to both undergraduates and graduates. Straight news is covered in an informative manner and features by students, such as short stories and "gossip" columns add greatly to the entertaining quality of "Kentucky's Leading College Weekly." The *Cento* is a member of the Kentucky Intercollegiate Press Association and of the Associated Collegiate Press.

The Freshman Pitkin Club is a group of the outstanding freshmen of both departments with membership based on the same qualifications as those of the Senior Club. It seeks to develop those discursive and constructively critical qualities so necessary if the student is to learn to think for himself and form his own opinion of vital issues. The club meets every Tuesday at the Christian Church for luncheon followed by a discussion period led by a guest speaker.

The Players Club of Centre College is an organization which devotes itself to the stimulation of interest in dramatics and the presentation of good drama. We pay tribute to the fine directorship of Professor Charles Manning and his efforts to give the best to Centre enthusiasts of the stage.

We present scenes from the Fall Production of the Players Club entitled "Pride and Prejudice." The drama was staged on October 9 and 10.

The Deinologian Literary Society, founded at Centre College in 1835, is one of the oldest literary societies in the South. All declamation and oratory sponsored by the club is held in the hall in the Main Building. Within the past four years its scope has been widened greatly by the introduction of book reviews and round-table discussions in its programs.

During the past year the organization has been built up and strengthened until now its membership includes several students from each of the four classes in the College. The Society meets regularly every two weeks during the school year.

#### YE ROUND TABLE

George Murausker, Gertrude Brown, Johnetta Sanders, Walter Beswick, Lucille Thompson, Anna K. Marsee, Mary Cleland Adams.

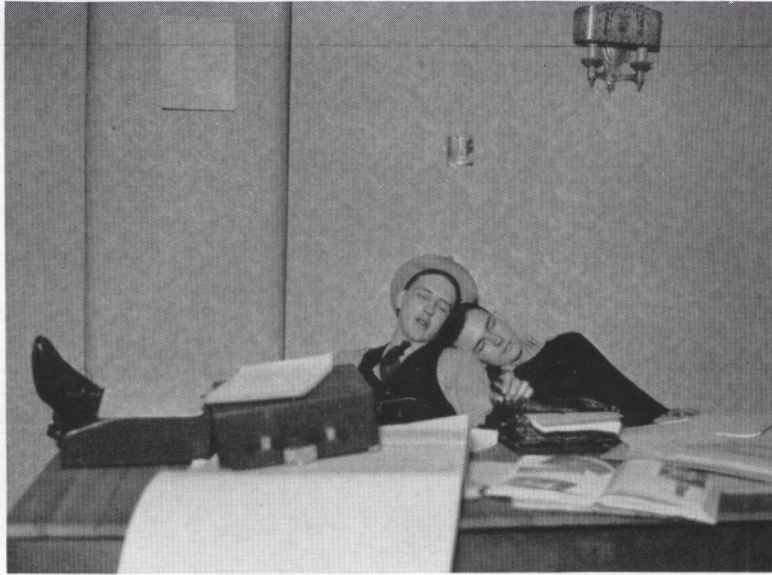

Ye Round Table is the honorary scholastic organization on the Centre Campus.

#### DEBATE COUNCIL

Kenneth G. Phifer, Smith Warder, Charles E. Allen, Buford Guerrant, T. G. Lewis, Gerard Leibman, James Collins, George Griffiths, Instructor-Professor Charles Manning.

The Debate Council is for the promotion of interest, not only in debate, but in all forensic activity in Centre.

"FINIS"

The problems entailed in the production of the 1938 OLDE CENTRE, as we view them in retrospect, fade into insignificance beside the pleasure which we found in our task. Our hope is that the student body will accept our efforts and find in this book the joy that we found in editing it. Our sole purpose has been to please you and we desire that that pleasure may increase with the passing years.

With great trepidation and slight hope, we present to you the 1938 OLDE CENTRE.

THE EDITORIAL STAFF.

# **CENTRE COLLEGE OF KENTUCKY**

FOUNDED 1819

FULLY ACCREDITED

DANVILLE, KENTUCKY

CENTRE COLLEGE HAS BEEN EDUCATING YOUNG PEOPLE FOR ONE HUNDRED AND NINETEEN YEARS. THERE HAVE BEEN NO DEPARTURES FROM THE PRIMARY PURPOSES OF THE FOUNDATION OF THE COLLEGE. THE FIRST WAS THAT THE BUILDING OF CHRISTIAN CHARACTER SHOULD BE THE PRIMARY OBJECTIVE. THE SECOND WAS THAT A BROADLY CULTURAL EDUCATION IN THE LIBERAL ARTS AND SCIENCES BE OFFERED. BOTH OF THESE PRINCIPLES ARE ACCEPTED BY THE PRESENT ADMINISTRATION AS CORRECTLY DEFINING THE ATTITUDE OF THE SMALL COLLEGE OF LIBERAL ARTS. IT AIMS TO DEVELOP CHARACTER. IT IS CULTURAL AND NOT VOCATIONAL.

THE WOMAN'S DEPARTMENT OF CENTRE COLLEGE IS THE ONLY FOUR-YEAR WOMAN'S COLLEGE IN THE STATE. LIKE THE MEN'S COLLEGE, IT IS FULLY ACCREDITED BY THE ASSOCIATION OF THE COLLEGES OF THE SOUTHERN STATES, AND THE ASSOCIATION OF AMERICAN UNIVERSITIES, AND IS ON THE APPROVED LIST OF THE AMERICAN ASSOCIATION OF UNIVERSITY WOMEN. THE SAME BROAD CULTURAL EDUCATION IS NOW OFFERED TO THE YOUNG WOMEN OF THE SOUTH THAT CENTRE COLLEGE HAS OFFERED TO YOUNG MEN FOR OVER A CENTURY.
