How to set-up your Overdrive/Libby account

Contactless Curbside Pickup Guidelines

Requesting Materials

- Specific titles – place your own holds through your account on our catalog at www.coralvillepubliclibrary.org , or call us at 319-248-1850 for help placing holds.

- Age-level/topic requests – call to ask library staff to choose a certain number of materials for you. We are also happy to MAIL materials to you!

- Wait for confirmation that items are being held for you. This confirmation will be either a text, an email, or a phone call.

Picking Up Materials

- Call the library at least one hour before the pickup window. This will allow us to fully process, check out, and bag your items so they will be ready for you when you get here.

- **When you arrive at the library parking lot**, please call us at 319-248-1850 and give us your name. If you have no way to do this, please notify us when you are ready to leave for the library.

- We will put the bag with your materials on a cart outside the front door for you to pick up. Please stay behind the line until staff is back inside before taking your bag off the cart.

Please be considerate of others picking up materials and maintain a 6 ft. distance
